Offer of Units of Rs. 10/- per unit at NAV based Prices subject to applicable Loads

Name of the Sponsor	Edelweiss Financial Services Limited
Name of Mutual Fund	Edelweiss Mutual Fund
Name of Asset Management Company	Edelweiss Asset Management Limited (CIN: U65991MH2007PLC173409)
Name of Trustee Company	Edelweiss Trusteeship Company Limited (CIN: U67100MH2007PLC173779)
Addresses	Registered Office: Edelweiss House, Off. C.S.T Road, Kalina, Mumbai 400098
Website	https://www.edelweissmf.com/

The particulars of the Scheme have been prepared in accordance with the Securities and Exchange Board of India (Mutual Funds) Regulations 1996, (herein after referred to as SEBI (MF) Regulations) as amended till date and circulars issued thereunder filed with SEBI, along with a Due Diligence Certificate from the AMC. The units being offered for public subscription have not been approved or recommended by SEBI nor has SEBI certified the accuracy or adequacy of the Scheme Information Document.

The Scheme Information Document sets forth concisely the information about the scheme that a prospective investor ought to know before investing. Before investing, investors should also ascertain about any further changes to this Scheme Information Document after the date of this Document from the Mutual Fund / Investor Service Centres / Website / Distributors or Brokers.

The investors are advised to refer to the Statement of Additional Information (SAI) for details of Edelweiss Mutual Fund, Standard Risk Factors, Special Considerations, Tax and Legal issues and general information on <https://www.edelweissmf.com/>.

SAI is incorporated by reference (is legally a part of the Scheme Information Document). For a free copy of the current SAI, please contact your nearest Investor Service Centre or log on to our website <https://www.edelweissmf.com/>.

The Scheme Information Document (Section I and II) should be read in conjunction with the SAI and not in isolation.

This Scheme Information Document is dated May 27, 2025.

Part I. HIGHLIGHTS/SUMMARY OF THE SCHEME

Sr. No.	Title	Description
I	Name of the scheme	Edelweiss Small Cap Fund
II	Category of the Scheme	Small cap Fund
III	Scheme type	An open ended scheme predominantly investing in small cap stocks
IV	Scheme code	EDEL/O/E/SCF/18/08/0022
V	Investment objective	<p>The investment objective of the scheme is to generate long term capital appreciation from a portfolio that predominantly invests in equity and equity related securities of small cap companies.</p> <p>The Scheme does not assure or guarantee any returns. There is no assurance that the investment objective of the Scheme will be achieved.</p>
VI	Liquidity/listing details	<p>Liquidity:</p> <p>Under normal circumstances the AMC shall endeavour to dispatch the Redemption proceeds within 01 Business Day from date of receipt of request from the Unit holder.</p> <p>As per SEBI Regulations, the Mutual Fund shall dispatch redemption proceeds within 03 Business Days of receiving a valid redemption request.</p> <p>A penal interest of 15% per annum or such other rate as may be prescribed by SEBI from time to time, will be paid in case the redemption proceeds are not made within 03 Business Days from the date of receipt of a valid redemption request.</p> <p>Listing:</p> <p>Units of the Scheme shall not be listed in view of continuous redemption facility being offered to unitholders. However, the Mutual Fund may at its sole discretion list the Units under the Scheme on one or more stock exchange at a later date.</p>
VII	Benchmark (Total Return Index)	<p>Nifty Smallcap 250 TRI</p> <p>Justification for use of benchmark:</p> <p>Nifty Large Midcap 250 Index – Total Return Index seeks to reflect the performance of a portfolio of 100 large cap and 150 mid cap companies listed on NSE, represented through the NIFTY 100 Index and the Nifty Midcap 150 Index, respectively.</p> <p>The Trustees reserves right to change benchmark in future for measuring performance of the scheme.</p>
VIII	NAV disclosure	<p>The NAVs will be calculated and disclosed on every Business Day by 11.00 p.m. on AMFI website (www.amfiindia.com) and under a separate head on Edelweiss Mutual Fund's website (www.edelweissmf.com). In case of any delay, the reason for such delay would be reported to AMFI on the next Business Day. If the NAVs are not available before commencement of working hours on the following Business Day due to any reason, the Fund shall issue a press release providing reasons and explaining when the Fund would be able to publish the NAVs. For further details refer Section II.</p>
IX	Applicable timelines	<p>Dispatch of redemption proceeds</p> <p>The redemption or repurchase proceeds shall be dispatched to the unitholders within three working days from the date of redemption or repurchase.</p> <p>Dispatch of IDCW</p> <p>The payment of dividend/IDCW to the unitholders shall be made within seven working days from the record date.</p>
X	Plans and Options Plans/Options and sub options under the Scheme	<ol style="list-style-type: none"> 1. Edelweiss Small Cap Fund - Direct Plan, and 2. Edelweiss Small Cap Fund Regular Plan <p>Edelweiss Small Cap Fund - Direct Plan is only for investors who purchase /subscribe Units of the Scheme directly with the Fund and is not available for investors who route their investments through a Distributor. The portfolio of the</p>

Scheme under these Plans will be common.

Each Plan offers: (i) Growth Option and (ii) IDCW Option

IDCW Option has Reinvestment of Income Distribution cum Capital withdrawal option (IDCW – Reinvestment), Payout of Income Distribution cum Capital Withdrawal option (IDCW – Payout) & Transfer of Income Distribution cum Capital Withdrawal option (IDCW – Transfer).

The investors must clearly indicate their choice of Plan/ Option/Facility in the relevant space provided for in the Application Form. In the absence of such clear instructions it will be assumed that the investor has opted for the “Default” Plan/Option/Facility & the Application will be processed accordingly.

Default Plan/Option/Facility:

Default Plan:

Investors should indicate the Plan viz. Regular/Direct for which the subscription is made by indicating the choice in the Application Form. In case of valid Applications received without indicating any choice of Plan, the Application will be processed for the Plan as under:

Scena rio	Broker Code mentioned by the investor	Plan mentioned by the investor	Default Plan to be captured
1	Not mentioned	Not mentioned	Direct Plan
2	Not mentioned	Direct	Direct Plan
3	Not mentioned	Regular	Direct Plan
4	Mentioned	Direct	Direct Plan
5	Direct	Not Mentioned	Direct Plan
6	Direct	Regular	Direct Plan
7	Mentioned	Regular	Regular Plan
8	Mentioned	Not Mentioned	Regular Plan

In cases of wrong/ invalid/ incomplete ARN codes are mentioned on the application form, the application shall be processed under Regular Plan. The AMC shall contact and obtain the correct ARN code within 30 calendar days of the receipt of the Application Form from the investor/ distributor. In case, the correct code is not received within 30 calendar days, the AMC shall reprocess the transaction under Direct Plan from the date of Application without any exit load.

If the above conditions are not met, the application will be processed under Regular Plan.

Default Option: the investor does not clearly specify the choice of Option at the time of investing, it will be deemed that the investor has opted for Growth Option.

Default Facility:

If the investor selects IDCW Option but fails to mention the facility, it will be deemed that the investor has opted for Reinvestment of Income Distribution cum Capital withdrawal option (IDCW – Reinvestment)

If the investor chooses a Plan/Option/Facility in the Application Form but fails to comply with the minimum application/ additional application amount/other criteria of the said Plan/Option/Facility, then he will be allotted units under the Default Plan/Option/Facility, provided the required amount/other criteria are fulfilled.

For detailed disclosure on default plans and options, kindly refer SAI.

XI	Load Structure	<p>Exit Load:</p> <ul style="list-style-type: none"> • If the Units are redeemed / switched out on or before 90 days from the date of allotment – 1.00% • If the Units are redeemed / switched out after 90 days from the date of allotment – Nil <p>AMC reserves the right to revise the load structure from time to time. Such changes will become effective prospectively from the date such changes are incorporated.</p> <p>For details on load structure, please refer Section on 'Load Structure'.</p>
XII	Minimum Application Amount/switch in	<p>Lump sum:</p> <p>On continuous basis: Minimum Rs. 100/- and in multiples of Re. 1/- thereafter.</p> <p>SIP: Rs. 100/- and in multiples of Re. 1 thereafter.</p>
XIII	Minimum Additional Purchase Amount	Minimum of Rs.100/- and in multiples of Re. 1/- thereafter.
XIV	Minimum Redemption/switch out amount	<p>Re. 1/- and in multiples of Re. 1 thereafter.</p> <p>There will be no minimum redemption criterion for Unit based redemption. The Redemption / Switch- out would be permitted to the extent of credit balance in the Unit holder's account of the Plan(s) / Option(s) of the Scheme(s) (subject to completion of Lock-in period or release of pledge / lien or other encumbrances).</p>
XV	New Fund Offer Period	Not Applicable.
	This is the period during which a new scheme sells its units to the investors.	
XVI	New Fund Offer Price: This is the price per unit that the investors have to pay to invest during the NFO.	Not Applicable.
XVII	Segregated portfolio/side pocketing disclosure	Not Applicable
XVIII	Swing pricing disclosure	Not Applicable.
XIX	Stock lending/short selling	<p>The Scheme may engage in short selling and borrowing and lending of securities with the framework relating to Short Selling and securities lending and borrowing specified by SEBI.</p> <p>The Scheme may engage in short selling and borrowing and lending of securities with the framework relating to Short Selling and securities lending and borrowing specified by SEBI. Not more than 20% of the net assets of the Scheme can generally be deployed in stock lending and not more than 5% of the net assets of the Scheme will be deployed in Stock lending to any single counterparty. For details, kindly refer SAI.</p> <p>For details, kindly refer SAI.</p>
XX	How to Apply and other details	<p>Investors are requested to refer to the SAI and Application form for instructions.</p> <p>Investors can submit the Application Forms for purchase or redemption or switch at any of the ISCs notified by the AMC. For details please visit AMC website (www.edelweissmf.com).</p> <p>Investments under Edelweiss Small Cap Fund - Direct Plan can be made through various modes offered by the Fund for investing directly with the Fund {except Stock Exchange Platform(s) and all other Platform(s) where investors' applications for subscription of units are routed through Distributors}.</p>

		<p>Application forms and transaction slips for fresh/ additional purchase/sale of Units of the Scheme will be available/accepted at Investor Service Centers ("ISCs") during business hours on all Business Days on an ongoing basis (both direct application and application routed through broker).</p> <p>For further details, refer section II.</p>
XXI	Investor services	<p>Investors can enquire about NAVs, Unit holdings, valuation, IDCWs, etc. or lodge any service request including change in the name, address, designated bank account number and bank branch, loss of Account Statement, etc. to M/s. Part II. INFORMATION ABOUT THE SCHEME

A. HOW WILL THE SCHEME ALLOCATE ITS ASSETS?

Under normal circumstances the asset allocation pattern will be:

Instruments	Indicative allocations (% of total assets)	
	Minimum	Maximum
Equity and Equity related securities of Small Cap companies*	65%	100%
Equity and Equity related securities of other companies	0%	35%
Debt and money market instruments^	0%	35%

*Small Cap: 251st company onwards in terms of full market capitalization.

^Money market instruments include Commercial Papers, Commercial Bills, Treasury Bills, Tri- party Repo, government securities having unexpired maturity up to one year, Call or Notice Money, Certificate of Deposits, Usance Bills, Repo (with approved government & Corporate Debt Securities as collateral), and any other like securities as specified by the RBI from time to time.

The cumulative gross exposure through equity, debt and derivative positions should not exceed 100% of the net assets of the Scheme. Cash, cash equivalent with residual maturity up to 91 days will be treated as not creating any exposure.

In case the rebalancing is not done within the specified period, justification for the same shall be provided to the Investment Committee and the reason for the same shall be recorded in writing. The Investment Committee shall then decide on the course of action.

There can be no assurance that the investment objective of the scheme will be realized. The Fund Manager may churn the portfolio to the extent as considered necessary to replicate the index.

Indicative Table (Actual instrument/percentages may vary subject to applicable SEBI circulars)

Sl.no	Type of Instrument	Percentage of Exposure	Circular References
1	Securities Lending	Subject to SEBI (MF) Regulations and in accordance with Securities Lending Scheme, 1997, SEBI Circular No MFD/CIR/ 01/ 047/99 dated February 10, 1999, SEBI Circular no. SEBI /IMD / CIR No 14 / 187175/ 2009 dated December 15, 2009, as amended from time to time, the Scheme may engage in short selling of securities in accordance with the framework relating to short selling and securities lending and borrowing specified by SEBI. The Scheme shall not deploy more than 20% of its net assets in stock lending and not more than 5% of the net assets of the Scheme will be deployed in Stock lending to any single intermediary.	Paragraph 12.11 of SEBI Master Circular dated June 27, 2024
2.	Equity Derivatives for hedging and non-hedging purpose	The Scheme can take equity derivative exposure upto 50% of the net asset of the Scheme. The total exposure related to options premium paid will not exceed 20% of the net assets of the Scheme.	Clause 7.5, 12.25, 12.25.8 of the SEBI Master Circular dated June 27, 2024 for Mutual Funds
3.	Debt derivative exposure only for hedging purpose	The Scheme may also take exposure into fixed income derivatives within the overall limit of 35% for hedging and portfolio rebalancing purpose.	Clause 7.6 of the SEBI Master Circular dated June 27, 2024 for Mutual Funds

3	Foreign Securities	The scheme may invest in foreign securities upto 20% of the net assets of the scheme.	Paragraph 12.19 of the SEBI Master Circular dated June 27, 2024 for Mutual Funds.
4	Short Term Deposits	The scheme shall not invest in said security.	Clause 12.16 of the SEBI Master Circular dated June 27, 2024
5	Securitized debt	Investment in securitised debt may be up to 35% of net assets of the Scheme.	Clause 12.15 of the SEBI Master Circular dated June 27, 2024 for Mutual Funds
6	Repo /reverse repo in corporate debt securities	The Scheme may take exposure to Repo of Corporate Debt Securities up to the extent permitted by the Regulations (currently up to 10% of total assets, subject to change in line with the regulations from time to time).	Clause 12.18 of the SEBI Master Circular dated June 27, 2024 for Mutual Fund
7	Credit Default Swaps.	The scheme shall not invest in said security.	-Clause 12.28 of the SEBI Master Circular dated June 27, 2024 for Mutual Fund
8	Structured Obligations / Credit Enhancements	The scheme shall not invest in said security.	Clause 12.3 of the Master Circular for Mutual Funds dated June 27, 2024
9	AT1 and AT2 Bonds	The scheme shall not invest in said security.	Clause 12.2 of the SEBI Master Circular dated June 27, 2024

Change In Asset Allocation, Portfolio Rebalancing and reporting & disclosure requirement:

In the event of deviation from mandated asset allocation mentioned in the Scheme Information Document (SID) due to passive breaches (occurrence of instances not arising out of omission and commission of AMCs), the same will be rebalanced within 30 business days. In case the asset allocation is not rebalanced within 30 business days justification in writing, including details of efforts taken to rebalance the portfolio shall be placed before Investment Committee (IC). The IC can extend the timelines up to sixty (60) business days from the date of completion of mandated rebalancing period. In case the portfolio of schemes is not rebalanced within the aforementioned mandated plus extended timelines, AMCs shall:

- i. not be permitted to launch any new scheme till the time the portfolio is rebalanced.
- ii. not levy exit load, if any, on the exiting investors.

AMCs will report the deviation to Trustees at each stage. Further, in case the AUM of deviated portfolio is more than 10% of the AUM of main portfolio of the scheme, the investors will be immediately informed through SMS and email / letter including details of portfolio not rebalanced. Email / Letter and SMS will also be immediately triggered as and when the rebalancing of portfolio takes place. The same will also be communicated to investors through periodic portfolio disclosures as mandated by SEBI.

The above norms shall be applicable to main portfolio and not to segregated portfolio(s). The above is in line with paragraph 2.9 of the Master Circular for Mutual Funds dated June 27, 2024, as amended from time to time.

B. WHERE WILL THE SCHEME INVEST?

The Scheme shall invest in any of the following securities:

1. Investment in Equity securities
2. Derivatives
3. Foreign Securities
4. Investment in Debt securities
5. Investments in the Schemes of Mutual Fund

Any other like instruments as may be permitted by RBI/SEBI/ such other Regulatory Authority from time to time.

Please refer Section II of the document for further details for each instrument.

C. WHAT ARE THE INVESTMENT STRATEGIES?

The Scheme will be a diversified equity fund which will invest in small cap equity and equity related securities of the companies that are likely to benefit in the long term

The investment approach will be bottom-up stock picking – where investments will be selected primarily on the basis of specific criteria relevant to the company in question rather than general macroeconomic considerations. There will be no particular bias towards any sector. The focus will be on Small Cap stocks listed on Indian Domestic exchanges. The strategy will be to identify companies early or which have potential to scale up significantly to become materially larger in the medium to long term. The Scheme will endeavour to remain fully invested in equity and equity related instruments at all times. An exposure to various derivatives instruments is likely for the purposes of hedging, portfolio balancing and optimizing returns.

The Scheme may invest in other schemes managed by the AMC or in the schemes of any other Mutual Funds, provided it is in conformity with the investment objective of the Scheme and in terms of the prevailing Regulations. As per the Regulations, no investment management fees will be charged for such investments. As per the SEBI Regulations, such inter-scheme investments shall not exceed 5% of the Net Asset Value of the Fund.

At present, the Scheme does not intend to enter into underwriting obligations. However, if the Scheme does enter into an underwriting agreement, it would do so after complying with the Regulations and with the prior approval of the Board of the AMC/Trustee.

The Fund may also invest in depository receipts including American Depository Receipts (ADRs) and Global Depository Receipts (GDRs). The Scheme may also invest in debt and money market instruments, in compliance with Regulations.

Derivative & Arbitrage Strategies:

The Scheme may also take derivative exposure to the limits specified above. Derivatives are financial contracts of pre-determined fixed duration, whose values are derived from the value of an underlying primary financial instrument or index, such as: interest rates, exchange rates and equities.

The Scheme may invest in arbitrage opportunities between spot and futures prices of exchange traded equities. The Scheme may build similar hedge positions that offer an arbitrage potential for e.g. buying the basket of index constituents in the cash segment and selling the index futures, buying ADR/GDR and selling the corresponding stock future, etc. The Scheme may also invest in other low risk derivatives strategies that offer slightly higher returns than pure arbitrage. These strategies involve a combination of futures and options or options only. The Scheme may invest in opportunities arising out of corporate actions announced in stocks that offer superior risk adjusted returns and IPOs.

1. Cash Future Arbitrage:

This strategy is employed when the price of the future is trading at a premium to the price of its underlying (spot market). The Scheme shall buy the stock in spot market and endeavor to simultaneously sell the future at a premium on a quantity neutral basis.

Buying the stock in spot market and selling the futures results into a hedge where the Scheme has locked in a spread and is not affected by the price movement of cash market and futures market. The arbitrage position can be continued till expiry of the future contracts. The future contracts are settled based on the last half an hour's weighted average trade of the spot market. Thus there is a convergence between the spot price and the futures market on expiry. This convergence helps the Scheme to generate the arbitrage return locked in earlier.

On or before the date of expiry, if the price differential between the spot and futures position of the subsequent month maturity still remains attractive, the Scheme may rollover the futures position and hold onto the position in the spot market. In case such an opportunity is not available, the Scheme would liquidate the spot position and settle the futures position simultaneously.

Rolling over of the futures transaction means unwinding the short position in the futures of the current month and simultaneously shorting futures of the subsequent month maturity, and holding onto the spot position.

Illustrations

Buy 100 shares of Company A at Rs 100 and sell the same quantity of stock's future of the Company A at Rs 101.

1. Market goes up and the stock end at Rs 200.

At the end of the month (expiry day) the future expires automatically:
 Settlement price of future = closing spot price = Rs 200 Gain on stock is
 $100 \times (200 - 100) = \text{Rs } 10,000$
 Loss on future is $100 \times (101 - 200) = \text{Rs } -9,900$ Net gain is $10,000 - 9,900 = \text{Rs } 100$

2. Market goes down and the stock ends at Rs 50.

At the end of the month (expiry day) the future expires automatically:
 Settlement price of future = closing spot price = Rs 50 Loss on stock is $100 \times (50 - 100) = \text{Rs } -5,000$
 Gain on future is $100 \times (101 - 50) = \text{Rs } 5,100$ Net gain is $5,100 - 5,000 = \text{Rs } 100$

Unwinding the position:

Buy 100 shares of Company A at Rs 100 and sell the same quantity of stock's future of the Company A at Rs 101.
 The market goes up and at some point of time during the month (before expiry) the stock trades at Rs 120 and the future trades at Rs 119 then we unwind the position:
 Buy back the future at Rs 119: loss incurred is $(101 - 119) \times 100 = \text{Rs } -1,800$ Sell the stock at Rs 120: gain realized: $(120 - 100) \times 100 = \text{Rs } 2,000$
 Net gain is $2,000 - 1,800 = \text{Rs } 200$

Rolling over the futures:

We keep the stocks position. Close to expiry, if the stock's price is at Rs 150 then the stock's future is close to Rs 150 as well. Also if the current month stock future is below the next month stock future, we roll over the future position to the next expiry:
 Stock future next month is at Rs 151 Stock future current month is at Rs 150
 Then sell future next month at Rs 151 and buy back actual future at Rs 150 = gain of $100 \times (151 - 150) = \text{Rs } 100$ and the arbitrage is continuing.

2. Index Arbitrage:

The Nifty 50 derives its value from fifty constituent stocks; the constituent stocks (in their respective weights) can be used to create a synthetic index matching the Nifty Index. Also, theoretically, the fair value of a future is equal to the spot price plus the cost of carry. Theoretically, therefore, the pricing of Nifty Index futures should be equal to the pricing of the synthetic index created by futures on the underlying stocks.

Due to market imperfections, the index futures may not exactly correspond to the synthetic index futures. The Nifty Index futures normally trades at a discount to the synthetic Index due to large volumes of stock hedging being done using the Nifty Index futures giving rise to arbitrage opportunities.

One instance in which an index arbitrage opportunity exists is when Index future is trading at a discount to the index (spot) and the futures of the constituent stocks are trading at a cumulative premium.

The fund manager shall endeavour to capture such arbitrage opportunities by taking long positions in the Nifty Index futures and short positions in the synthetic index (constituent stock futures).

Based on the opportunity, the reverse position can also be initiated.

Index Arbitrage (Spot market):

This strategy is very similar to the index arbitrage strategy explained above.

This strategy can be executed when the index future is trading at a premium to the underlying index. The Fund Manager will buy the

index constituents (ratio of weights in the index) in the spot market and simultaneously sell the index future at a premium.

On expiry day, the futures expire at cash. This convergence helps realize the profits locked-in.

Options based Arbitrage:

There exists arbitrage opportunities in options due to the mispricing of options. Basically, the Scheme intends to invest in index based Options.

Example –

Sell 100 NIFTY Futures at Rs. 5000

Buy 100 NIFTY 4800 Calls at Rs. 195

Sell 100 NIFTY 4800 Put at Rs. 5

The above trades result in a completely hedged position.

At expiry if NIFTY goes to 5200 –

Loss on NIFTY Future = $(5200-5000)*100$ = Rs. 20,000

Price of NIFTY 4800 Call = $5200-4800$ = Rs. 400

Profit on NIFTY 4800 Call = $(400-195)*100$ = Rs. 20,500

Price of NIFTY 4800 Put = Rs. 0

Profit on NIFTY 4800 Put = $(5-0)*100$ = Rs. 500 Net Profit = Rs. 1,000

At expiry if NIFTY goes to 4800 –

Profit on NIFTY Future = $(5000-4800)*100$ = Rs. 20,000 Price of NIFTY 4800 Call

= 0

Loss on NIFTY 4800 Call = $(195-0)*100$ = Rs. 19,500

Price of NIFTY 4800 Put = Rs. 0

Profit on NIFTY 4800 Put = $(5-0)*100$ = Rs. 500 Net Profit = Rs. 1,000

4. The Scheme may also use derivative instruments like Interest Rate Swaps, Overnight Indexed Swaps (OIS), Forward Rate Agreements, or such other derivative instruments as may be introduced from time to time. Derivatives will be used for the purpose of hedging, increasing the returns of the Scheme and portfolio balancing as may be permitted under the Regulations and Guidelines.

Investment strategy while using Overnight Indexed Swaps:

In a rising interest rate scenario the Scheme may enhance returns for the investor by hedging the risk on its fixed interest paying assets by entering into an OIS contract where the Scheme agrees to pay a fixed interest rate on a specified notional amount, for a predetermined tenor and receives floating interest rate payments on the same notional amount. The fixed returns from the Scheme's assets and the fixed interest payments to be made by the Scheme on account of the OIS transaction offset each other and the Scheme benefits on the floating interest payments that it receives.

The Scheme may enter into an opposite position in case of a falling interest rate scenario, i.e., to hedge the floating rate assets in its portfolio the Scheme enters into an OIS transaction wherein it receives a fixed interest rate on a specified notional amount for a specified time period and pays a floating interest rate on the same notional amount. The floating interest payments that the Scheme receives on its floating rate securities and the floating interest payments that the Scheme has to pay on account of the OIS transaction offset each other and the Scheme benefits on the fixed interest payments that it receives in such a scenario.

The Scheme may deploy one or more of the above mentioned derivative Strategies. To the extent they are in line with the investment objective of the Scheme.

Special Situations

The Scheme may take advantage of situations that present an investment opportunity to Fund Manager who can judge the implications of that opportunity that can unlock value for investors. Some of these situations are Merger of businesses or companies which may result in synergies in business activities. Demerger may result in separation / spin-off of business operation / activity from some other business operation / activity. Companies may consider a buy-back of their shares from the market due to various reasons (like company has substantial free reserves, management is confident of the future growth potential, meeting with the regulatory norms, etc. A buyback unlock significant value for shareholders. Promoters may consider delisting their companies from the respective stock exchange. It may be at the request of the promoters, because of acquisition; BIFR under SICA etc. Company may offer its existing shareholders a right to purchase additional shares at a discount to the prevailing market price. Promoters may want to infuse capital for future projects through a rights issue, raise their holding as they expect good prospects going forward. A carefully analyzed rights

issue can unlock value for shareholders; Open Offer is an event that increases the shareholding of the acquirer. An open offer can be voluntary or involuntary. An open offer is an indication that parties are interested in increasing their stake in the company. This can be positive for the company over the long run and gives the investor a signal for good times ahead. Debt restructuring i.e. a company may want to change its capital structure by means of reducing debt. Higher debt can lead to lower profits and cash flows. An attempt by the company to reduce debt or swap the same with other lower costs options can unlock value for shareholders. There could be many other events that may result in share price appreciation. Such situations may include but are not limited to: turnarounds, companies undergoing restructuring, asset plays, and companies affected by regulatory changes and primary market listings. The Scheme will carefully analyze any such instance and participate in the same as such. Corporate action often unlocks a lot of value for the investors.

*** Investment in debt/ money market instruments**

To achieve its investment objective, the Scheme may also invest, in Debt Instruments which are listed/unlisted and/or rated/unrated debt or money market instruments/securities, securities issued/guaranteed by the Central/State Governments, securities issued by public/private sector companies/corporations, short term deposits with banks like Fixed Deposits, financial institutions and/or money market instruments such as commercial paper, certificates of deposit, permitted securities under a reverse-repo agreement, securitized debt, etc. These instruments may carry a fixed rate of return or a floating rate of return or may be issued on a discounted basis. Investments will be made in instruments, which in the opinion of the Fund Manager, are of an acceptable credit quality and chance of default is minimum while conforming to the internal broad guidelines provided in the Investment Policy. The Fund Manager will generally be guided by, but not restrained by, the ratings announced by various rating agencies and independent in-house assessment on the assets in the portfolio. The fund management team with the support of research team will take an active view of the interest rate movement by keeping a close watch on various parameters of the Indian economy, as well as developments in global markets. Investment views / decisions will be taken on the basis of the following parameters:

1. Prevailing interest rate scenario
2. Quality of the security / instrument (including the financial health of the issuer)
3. Maturity profile of the instrument
4. Liquidity of the security
5. Growth prospects of the company / industry
6. Any other factor in the opinion of the fund management team

*** Stock Lending**

Subject to the SEBI Regulations as applicable from time to time, the Fund may, engage in Stock Lending. Stock Lending means the lending of securities to another person or entity for a fixed period of time at a negotiated compensation in order to enhance returns of the portfolio. The securities lent will be returned by the borrower on the expiry of the stipulated period. The AMC will adhere to strict limits should it engage in Stock Lending. Collateral would always be obtained by the approved intermediary from such borrower. Collateral value would always be more than the value of the security lent. Collateral can be in form of cash, bank guarantee, and government securities, as may be agreed upon with the approved intermediary. Not more than 25% of the net assets of the Scheme can generally be deployed in stock lending and not more than 5% of the Net Assets of the Scheme can be deployed in Stock lending to any single counterparty. For detailed understanding on the same, investors are requested to refer SAI.

Investment in Mutual Fund Units:

To avoid duplication of portfolios and to reduce expenses, the Scheme may also invest in other Schemes managed by the AMC or in the Schemes of other Mutual Fund, provided that aggregate inter-Scheme investment made by all Schemes managed by the AMC either in its own Schemes or of any other Mutual Fund shall not exceed 5% or such other permitted limit, of the Net Asset Value of the Fund. No investment management fees shall be charged for investing in other Schemes of the Fund or in the Schemes of any other Mutual Fund.

Risk Control:

Edelweiss Small Cap Fund proposes to allocate assets predominantly in equity and equity related instruments of small cap companies. The Fund shall invest in a diversified basket of equity stocks spread across sectors, debt and money market instruments along with a portion of fund invested in initial/primary market offerings. This allocation will be steadily monitored and it shall be ensured that investments are made in accordance with the Scheme objective and within the regulatory and internal investment restrictions prescribed from time to time. Diversification across sectors/companies at the time of investments shall also manage the risk.

The Fund has designed a detailed process to identify, measure, monitor and manage the portfolio risk. The aim is not to eliminate the risk completely but to have a structured mechanism towards risk management thereby maximizing potential opportunities and minimize the adverse effects of risk. Few of the key risks identified are:

Risk & Description specific to the Scheme	Risk mitigants / management strategy
Market Risk Risk arising due to vulnerability to price fluctuations and volatility, having material impact on the overall returns of the Scheme	Endeavour to have a well-diversified portfolio of good companies with the ability to use cash/derivatives for hedging
Derivatives Risk Various inherent risks arising as a consequence of investing in derivatives.	Continuous monitoring of the derivatives positions and strictly adheres to the regulations and internal norms
Credit risk Risk associated with repayment of investment	Investment universe carefully selected to only include issuers with high credit quality
Performance risk Risk arising due to change in factors affecting the market	Understand the working of the markets and respond effectively to market movements
Concentration risk Risk arising due to over exposure in few securities	Invest across the spectrum of issuers and keeping flexibility to invest across tenor
Liquidity risk due to inefficient Asset Liability Management, resulting in high compact costs.	Control portfolio liquidity at portfolio construction stage. Having optimum mix of cash & cash equivalents along with the debt papers in the portfolio
Interest rate risk Price volatility due to movement in interest rates	Control the portfolio duration and periodically evaluate the portfolio structure with respect to existing interest rate scenario
Event risk Price risk due to company or sector specific event	Understand businesses to respond effectively and speedily to events. Usage of derivatives: Hedge portfolios, if required, in case of predictable events with uncertain outcomes

Portfolio Turnover:

The Scheme will endeavour to keep the portfolio turnover at a minimum. However the portfolio turnover ratio may vary as the Scheme may change the portfolio according to Asset Allocation to align itself with the objectives of the Scheme. The effect of higher portfolio turnover could be higher brokerage and transaction costs.

D. HOW WILL THE SCHEME BENCHMARK ITS PERFORMANCE?

The performance of the scheme will be benchmarked to the performance of Nifty Smallcap 250 TR Index

The Benchmark for the Scheme is Nifty Smallcap 250 TR Index. National Stock Exchange coined Nifty Smallcap 250 TR Index represents the balance 250 companies (companies ranked 251-500) from Nifty 500. This index intends to measure the performance of small market capitalisation companies.

Justification for use of benchmark: The Scheme seeks to invest in small cap companies that are 251st and beyond by full market cap. The composition of the aforesaid benchmark is such that, it is most suited for comparing the performance of the scheme. Hence, Nifty Smallcap 250 TR Index is the appropriate benchmark for the Scheme.

The Trustees reserves right to change benchmark in future for measuring performance of the scheme.

E. WHO MANAGES THE SCHEME?

Name of Fund Manager & Managing Scheme Since	Age & Educational Qualifications	Previous Experience	Other Funds Managed
Mr. Dhruv Bhatia – Fund Manager (Managing the scheme since October 14, 2024)	36 years PGDM – Finance	Mr. Dhruv Bhatia, aged 36 years, is a PGDM in Finance from SIES College of Management Studies. He has over 12 years of experience in Equity Markets. His association with Edelweiss Asset Management Limited commenced in	1. Edelweiss Mid Cap Fund 2. Edelweiss Consumption Fund

Name of Fund Manager & Managing Scheme Since	Age & Educational Qualifications	Previous Experience	Other Funds Managed
		October 2024. Prior to joining Edelweiss, he has been associated with companies like Bank of India Investment Managers Pvt. Ltd; AUM Fund Advisors LLP; etc	
Mr. Trideep Bhattacharya – Co Fund Manager (Managing the scheme since December 24, 2021)	48 Years CFA (ICFAI) and B. Com CFA, B. Tech (IIT) & MBA	Mr. Trideep Bhattacharya has over two decades of experience in Equity investing across Indian and Global markets. Prior to joining Edelweiss AMC, he was instrumental in building a market leading PMS business at Axis Asset Management Company, as Senior Portfolio Manager – Alternate Equities. He has also spent a significant amount of time as a Portfolio Manager at State Street Global Advisors and UBS Global Asset Management (London, UK).	1. Edelweiss Flexi-Cap Fund 2. Edelweiss Focused Equity Fund 3. Edelweiss Large & Mid Cap Fund 4. Edelweiss ELSS Tax Saver Fund 5. Edelweiss Mid Cap Fund 6. Edelweiss Multi Cap Fund 7. Edelweiss Technology Fund 8. Edelweiss Consumption Fund
Mr. Raj Koradia - Assistant Fund Manager (Managing the scheme since August 1, 2024)	30 Years CA, CFA, B.com	Mr. Raj Koradia has over 7 years of experience in Equity Markets. His association with Edelweiss Asset Management Limited commenced in July 2024. Prior to joining Edelweiss, he has been associated with First Voyager Advisors as an Equity Analyst from October 2023 to June 2024; Optimum Infosystem Private Limited as an Equity Analyst working for Morgan Stanley from January 2020 to October 2023 and with Edelweiss Securities as Research Associate from July 2017 to December 2019.	1. Edelweiss Flexi-Cap Fund 2. Edelweiss Focused Equity Fund 3. Edelweiss Large & Mid Cap Fund 4. Edelweiss ELSS Tax Saver Fund 5. Edelweiss Mid Cap Fund 6. Edelweiss Multi Cap Fund 7. Edelweiss Technology Fund

F. HOW IS THE SCHEME DIFFERENT FROM EXISTING SCHEMES OF THE MUTUAL FUND?

The existing schemes of the fund are as follows:

1. Edelweiss Large & Mid Cap Fund
2. Edelweiss Large Cap Fund
3. Edelweiss Flexi Cap Fund
4. Edelweiss Mid Cap Fund
5. Edelweiss ELSS Tax Saver Fund
6. Edelweiss Recently Listed IPO Fund
7. Edelweiss Focused Fund
8. Edelweiss Multi Cap Fund
9. Edelweiss Business Cycle Fund
10. Edelweiss Technology Fund
11. Edelweiss Consumption Fund

Please refer [Scheme Differentiation.xlsx](#) for detailed comparative Table.

G. HOW HAS THE SCHEME PERFORMED?

Sl. No.	Category of Persons	Net Value		Market Value (in Rs.)
		Units	NAV per unit	
1.	Mr. Dhruv Bhatia	6416.791	42.7660	2,74,420.48
2.	Mr. Trideep Bhattacharya	58756.566	42.7660	25,12,783.30
3.	Mr. Raj Koradia	1640.349	42.7660	70,151.17

For disclosure w.r.t investments by key personnel and AMC directors including regulatory provisions in this regard kindly refer SAI.

Investments of AMC in the Scheme – Please visit website

[https://www.edelweissmf.com/statutory#other Disclosure \(Investment by AMCs in each of their Mutual Fund Scheme\(s\)\)](https://www.edelweissmf.com/statutory#other%20Disclosure%20(Investment%20by%20AMCs%20in%20each%20of%20their%20Mutual%20Fund%20Scheme(s))).

Subject to the SEBI Regulations the AMC may invest, either directly or indirectly, in the Scheme during the on-going offer period. However, the AMC shall not charge any investment management and advisory services fee on such investments in a Scheme.

Further, as per clause sub-regulation 16 (A) of Regulation 25 of SEBI (Mutual Funds) Regulations, 1996 read along with clause 6.9 of the Master Circular for Mutual Funds dated June 27, 2024 on alignment of interest of AMC with the unit holders of Mutual Fund, the AMC will invest in the Scheme based on the risk-o-meter.

Part III- OTHER DETAILS

A. COMPUTATION OF NAV

The Net Asset Value (NAV) of the Units will be calculated on every Business Day and for such other days as may be required for the purpose for transaction of Units. The NAV shall be calculated in accordance with the following formula, or such other formula as may be prescribed by SEBI from time to time:

$$\frac{\text{Market or Fair Value of the Scheme's Investments+ Receivables+ Accrued Income+ Other Assets- Accrued Expenses- Payables- Other Liabilities}}{\text{Number of Units Outstanding}}$$

NAV =

The NAV of the Scheme will be calculated and declared upto 2 decimal places & the second decimal will be rounded off higher to the next digit if the third decimal is or more than 5 i.e., if the NAV is Rs. 10.127 it will be rounded off to Rs. 10.13.

For other details such as policies w.r.t computation of NAV, rounding off, investment in foreign securities, procedure in case of delay in disclosure of NAV etc. refer to SAI.

B. NEW FUND OFFER (NFO) EXPENSES

This is an ongoing scheme on the date of updating this document.

C. ANNUAL SCHEME RECURRING EXPENSES

These are the fees and expenses for operating the Scheme. These expenses include Investment Management and Advisory Fee charged by the AMC, Registrar and Transfer Agents' fee, marketing and selling costs etc. as given in the table below:

The AMC has estimated that upto 2.25% of the daily average net assets of the scheme will be charged to the scheme as expenses. Details of the actual TER charged to the scheme after allotment and any change in the current expense ratios would be available on the website of the Mutual Fund on <https://www.edelweissmf.com/statutory/total-expense-ratio-of-mutual-fund-scheme> and the same will be communicated to the investor via SMS / e-mail 3 working days prior to the effective date of change.

Expense Head	% of daily Net Assets * (Estimated p.a.)
Investment Management and Advisory Fees	Upto 2.25%
Audit fees/fees and expenses of trustee	
Custodial fees	
Registrar & Transfer Agent Fees including cost of providing account statements / IDCW / redemption cheques/ warrants	

Marketing & Selling Expenses including Agents Commission and statutory advertisement	
Costs related to investor communications	
Costs of fund transfer from location to location	
Cost towards investor education & awareness	
Brokerage & transaction cost pertaining to distribution of units	
Goods & Services Tax on expenses other than investment and advisory fees	
Goods & Services Tax on brokerage and transaction cost	
Other Expenses (to be specified as per Reg 52 of SEBI MF Regulations)*	
Maximum total expense ratio (TER) permissible under Regulation 52 (6) (c)	Upto 2.25%
Additional expenses for gross new inflows from specified cities under Regulation 52 (6A) (b)	Upto 0.30%
Additional Expenses under Regulation 52 (6A) (c)	Upto 0.05%
*Subject to the Regulations and as permitted under Regulation 52 of SEBI (MF) Regulations, 1996, any other expenses which are directly attributable to the Scheme may be charged with the approval of the Trustee within the overall limits as specified in the Regulations.	

Note: Expenses under Regulation 52 (6):

The recurring expenses which will be charged to the Scheme (including the Investment Management and Advisory Fees) under Regulation 52(6) are as follows:

- On the first Rs. 500 crores of the daily net assets - 2.25%
- On the next Rs. 250 crores of the daily assets - 2.00%
- On the next Rs. 1,250 crores of the daily net assets – 1.75%
- On the next Rs. 3,000 crores of the daily net assets – 1.60%
- On the next Rs. 5,000 crores of the daily net assets – 1.50%
- On the next Rs. 40,000 crores of the daily net assets – total expense ratio reduction of 0.05% for every increase of Rs. 5,000 crores of daily net assets or part thereof
- On the balance of the assets - 1.05%

Additional Expenses under Regulation 52 (6A):

1. The AMC may charge additional expenses, incurred towards different heads mentioned under regulations 52(2) and 52(4), not exceeding 0.05 per cent of daily net assets of the Scheme. However, such additional expenses will not be charged if exit load is not levied/ not applicable to the Scheme.
2. To improve the geographical reach of the Fund in smaller cities/towns as may be specified by SEBI from time to time, expenses not exceeding of 0.30 % p.a. of daily net assets, if the new inflows from such cities (i.e. beyond Top 30 cities*) are at least:
 - (i) 30 % of gross new inflows in the Scheme, or;
 - (ii) 15 % of the average assets under management (year to date) of the Scheme, whichever is higher:

In case the inflows from beyond Top 30 cities* is less than the higher of (i) or (ii) above, such additional expenses on daily net assets of the Scheme shall be charged on proportionate basis. The expenses so charged under this clause shall be utilised for distribution expenses incurred for bringing inflows from such cities.

Further, the additional expense charged on account of new inflows from beyond Top 30 cities* shall be credited back to the Scheme, in case the said inflows are redeemed within a period of 1 year from the date of investment.

^ As per paragraph 10.1.3 of the Master Circular for Mutual Funds dated June 27, 2024, inflows of amount upto Rs 2,00,000/- per transaction, by individual investors shall be considered as inflows from “retail investor”.

**The Top 30 cities shall mean top 30 cities based on Association of Mutual Funds in India (AMFI) data on ‘AUM by Geography – Consolidated Data for Mutual Fund Industry’ as at the end of the previous financial year.*

Note: In line with AMFI communication no.35P/MEM-COR/85-a/2022-23 dated March 2, 2023 and SEBI letter no. SEBI/HO/IMD/IMD-SEC-3/P/OW/2023/5823/1 dated February 24, 2023, the B-30 incentive structure is kept in abeyance from March 1, 2023, till appropriate re-instatement of incentive structure by SEBI with necessary safeguards

Brokerage and transactions costs incurred for the purpose of execution of trades and are included in the cost of investments shall be charged to the Scheme in addition to the limits on total expenses prescribed under Regulation 52(6) and will not exceed 0.12% in case of cash market transactions and 0.05% for derivatives transactions.

As per clause 10.1.14 of the Master Circular for Mutual Funds dated June 27, 2024, the brokerage and transaction cost incurred for the purpose of execution of trade shall be charged to the Scheme as provided in Regulation 52(6A) (a) up to 0.12% for cash market transactions and 0.05% for derivatives transactions. Any payment towards brokerage and transaction cost, over and above the said 0.12% for cash market transactions and 0.05% for derivatives transactions may be charged to the scheme within the maximum limit of TER as prescribed under Regulation 52.

Goods and Services Tax (GST):

In addition to the expenses under Regulation 52 (6) and (6A), AMC shall charge GST as below:

1. GST on investment and advisory fees will be charged to the Scheme in addition to the maximum limit of TER as prescribed in Regulation 52 (6).
2. GST on other than investment and advisory fees, if any, will be borne by the Scheme within the maximum limit of TER as prescribed in Regulation 52 (6).
3. GST on brokerage and transaction cost paid for execution of trade, if any, shall be within the limit prescribed under Regulation 52.
4. GST on exit load, if any, shall be paid out of the exit load proceeds and exit load net of GST, if any, shall be credited to the Scheme

Notes:

- a. The Direct Plan and Options thereunder shall have a lower expense ratio excluding distribution expenses, commission, etc. and no commission for distribution of Units will be paid / charged under Direct Plan of the Scheme.
- b. Maximum Permissible expense: The maximum Total Expense Ratio (TER) that can be charged to the Scheme will be subject to such limits as prescribed under the SEBI (MF) Regulations. The said maximum TER shall either be apportioned under various expense heads as enumerated in the table above, without any sub limit or allocated to any of the said expense head(s) at the discretion of AMC. Also, the types of expenses charged shall be as per the SEBI (MF) Regulations.
- c. Investor Education and Awareness initiatives: As per Para 10.1.16 of the SEBI Maser circular no. SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024 , the AMC shall annually set apart at least 2 basis points p.a. (i.e. 0.02% p.a.) on daily net assets of the Scheme within the limits of total expenses prescribed under Regulation 52 of SEBI (MF) Regulations for investor education and awareness initiatives undertaken by the Fund.

The AMC may incur expenses on behalf of the Scheme which will be reimbursed on actual basis to the AMC to the extent such expenses are permissible & are within the prescribed SEBI limit.

Any change in the current expense ratios will be updated on the website viz. www.edelweissmf.com and the same will be communicated to the investor via SMS / e-mail 3 working days prior to the effective date of change.

Illustration of impact of expense ratio on scheme's returns:

An illustration providing the impact of expense ratio on scheme return is provided below:

Particulars		
Units	a	5,00,00,000.00
Face value (in Rs.)	b	10.00
Unit Capital (in Rs.)	c=a*b	50,00,00,000.00
Portfolio at Cost (in Rs.)	d	50,00,00,000.00
Income on Investment (assumed rate 8.00% p.a.)	e	1,09,589.04
Total Portfolio value	f= d+e	50,01,09,589.04
NAV before charging expense ratio (In Rs. Per unit)	g=f/a	10.0022
Expense at per unit level (assumed expense ratio 2.50% p.a.)	h	0.0007
NAV after charging expense ratio (In Rs. Per unit)	l=g-h	10.0015

Returns p.a. without expense ratio for 1 day	<i>j</i>	8.00%
Returns p.a. with expense ratio for 1 day	<i>k</i>	5.50%
Difference in returns p.a.	<i>l=j-k</i>	2.50%

TER for the Segregated Portfolio, please refer SAI.

D. LOAD STRUCTURE

Exit Load is an amount which is paid by the investor to redeem the units from the scheme. Load amounts are variable and are subject to change from time to time.

For the current applicable structure, please refer to the website of the AMC www.edelweisssmf.com or may call at our toll free number 1800 425 0090 (MTNL/BSNL) and non-toll free number +91 40 23001181 for others and investors outside India or your distributor.

Applicable Load Structure

The load structure would comprise of an Entry Load and /or an Exit Load, as may be permissible under the Regulations. The current load structure is stated as under:

Particulars	Load chargeable (as % of NAV)
Exit Load**	<ul style="list-style-type: none"> • If the Units are redeemed / switched out on or before 90 days from the date of allotment – 1.00% • If the Units are redeemed / switched out after 90 days from the date of allotment – Nil

**The entire (net of Goods and service tax), charged, if any, shall be credited to the Scheme)

Please Note that:

- Exit Load will be applicable for inter Scheme switches as well as special products under the Scheme such as switch-outs/systematic transfer between the schemes of Edelweiss Mutual Fund.
- No exit load shall be levied in case of switch of units from Edelweiss Small Cap Fund - Direct Plan to Edelweiss Small Cap Fund - Regular Plan and vice-versa. However, after the switch, exit load under the Scheme prevailing on the date of switch shall apply for subsequent redemptions/switch out from Edelweiss Small Cap Fund.
- Bonus Units and Units issued on reinvestment of IDCWs shall not be subject to exit load.
- The normal load structure will be applicable in case of Special Products (SIP/STP/SWP) unless otherwise specified.
- The AMC shall ensure the repurchase price will not be lower than 95% of the Applicable NAV.
- For any change in load structure, the AMC will issue an addendum and display it on the website/Investor Service Centres.

The investors are requested to check the prevailing load structure of the Scheme, before investing.

Changing the Load Structure:

Under the Scheme, the AMC, in consultation with the Trustee, reserves the right to change the load structure if it so deems fit in the interest of investors & for the smooth and efficient functioning of the Scheme. Any imposition or enhancement in the load shall be applicable on prospective investments only. At the time of changing the load structure, the AMC shall issue a public notice in one English daily newspaper having nationwide circulation as well as in a newspaper published in the language of region where the Head Office of the Mutual Fund is situated. Unit Holders / Prospective investors will be informed of the changed / prevailing Load structures through various means of communication such as public notice and / or display at ISCs / Distributors' offices, on Account Statements, acknowledgements, investor newsletters etc. The addendum detailing the changes may be attached to Scheme Information Documents and Key Information Memorandum. The addendum may be circulated to all the distributors/brokers so that the same can be attached to all Scheme Information Documents and Key Information Memorandum already in stock. The introduction of the exit load along with the details may also be disclosed in the Account Statement issued after the introduction of such load.

Section II

I. Introduction

A. Definitions/interpretation

For detailed description please refer [Definition 04062024 022447 PM.pdf \(edelweissmf.com\)](#)

B. Risk factors

Apart from the risk factors mentioned in SAI, following are some of the additional risk factors which investors are advised to go through before investing:

SCHEME SPECIFIC RISK FACTORS:

a) STANDARD RISK FACTORS:

- Investment in Mutual Fund Units involves investment risks such as trading volumes, settlement risk, liquidity risk, default risk including the possible loss of principal.
- As the price / value / interest rates of the securities in which the Scheme invests fluctuates, the value of your investment in the Scheme may go up or down
- Past performance of the Sponsor/AMC/Mutual Fund does not guarantee future performance of the Scheme.
- Edelweiss Small Cap Fund is only the name of the Scheme & it does not in any manner indicate either the quality of the Scheme or its future prospects and returns.
- The sponsor is not responsible or liable for any loss resulting from the operation of the Scheme beyond the initial contribution of Rs.1,00,000 made by it towards setting up the Fund.
- The Scheme is not a guaranteed or assured return Scheme.

b) SCHEME SPECIFIC RISK FACTORS:

The performance of the Scheme may be affected by changes in Government policies, general levels of interest rates and risks associated with trading volumes, liquidity and settlement systems, etc. Some of the Risks are listed below:

1. Risk factors associated with investment in Equity & Equity related instruments:

The value of the Scheme's investments may be affected generally by factors affecting securities markets, such as price and volume volatility in the capital markets, etc. Settlement periods and transfer procedures may restrict the liquidity of the investments made by the Scheme. The Scheme may face liquidity risk or execution risk or redemption risk or the risk of NAV going below par.

Investments in equity and equity related securities involve a degree of risk and investors should not invest in the Scheme unless they can afford to take the risk of losing their investment. The liquidity and valuation of the Scheme's investments due to its holdings of unlisted securities may be affected if they have to be sold prior to the target date for disinvestment.

Securities which are not quoted on the stock exchanges are inherently illiquid in nature and carry a larger liquidity risk in comparison with securities that are listed on the exchanges or offer other exit options to the investors, including put options. The AMC may choose to invest in unlisted securities that offer attractive yields within the regulatory limit. This may however increase the risk of the portfolio.

At times, taking benefit of investing in Special Situations may involve certain risks like the promoter may choose not to accept the discovered prices or the Regulatory hurdles may delay any specific corporate action. For details, please refer SAI.

2. Risk Factors Associated with Fixed Income and Money Market Instruments:

- * **Interest rate risk:** Price of a fixed income instrument falls when the interest rates move up and vice-versa, which will affect the NAV accordingly.
- * **Spread risk:** Investments in corporate bonds are exposed to the risk of widening of the spread between corporate bonds and gilts. Prices of corporate bonds tend to fall if this spread widens which will affect the NAV of the Scheme accordingly.
- * **Credit risk or default risk:** Credit risk is the risk that the issuer of a debenture/ bond or a money market instrument may default on interest &/or principal payment obligations.
- * **Liquidity & Settlement Risk:** The risk of non-execution of sale/purchase order due to low volumes is liquidity risk. Different segments of the financial markets have different settlement cycle/periods and such settlement cycle/periods may be impacted by unforeseen circumstances, leading to Settlement Risk.

- * **Reinvestment risk:** Interest rates may vary from time to time. The rate at which intermediate cash flows are reinvested may differ from the original interest rates on the security, which can affect the total earnings from the security.
- * **Performance Risk:** Performance of the Scheme may be impacted with changes in factors, which affect the capital market and in particular the debt market.
- * **Prepayment Risk:** The Scheme may receive payment of monthly cashflows earlier than scheduled, which may result in reinvestment risk.
- * **Market risk:** Lower rated or unrated securities are more likely to react to developments affecting the market as they tend to be more sensitive to changes in economic conditions than higher rated securities.

3. Risk associated with investment in ADRs/GDRs and Foreign Securities:

Subject to necessary approvals and within the investment objectives of the Scheme, the Scheme may invest in overseas markets which carry risks related to fluctuations in the foreign exchange rates, the nature of the securities market of the country, repatriation of capital due to exchange controls and political circumstances. It is the AMC's belief that investment in foreign securities offer new investment and portfolio diversification opportunities into multi-market and multi-currency products. However, such investments also entail additional risks. Such investment opportunities may be pursued by the AMC provided they are considered appropriate in terms of the overall investment objectives of the Scheme. Since the Scheme may invest only partially in foreign securities, there may not be readily available and widely accepted benchmarks to measure performance of the Scheme.

Similar to domestic debt securities, investment in overseas debt instruments is subject to market risk, credit risk, interest rate risk and liquidity risk. In addition to those, investments in foreign debt securities may carry the following risk factors:

To the extent that the assets of the Scheme will be invested in securities denominated in foreign currencies, the Indian Rupee equivalent of the net assets, distributions and income may be adversely affected by changes in the value of certain foreign currencies relative to the Indian Rupee.

Nature of the securities market of the country

Uncertain political circumstances in the country in which the Scheme has foreign securities exposure leading to repatriation of capital and exchange controls

To manage risks associated with foreign currency and interest rate exposure, the Fund may use derivatives for efficient portfolio management including hedging and in accordance with conditions as may be stipulated by the Regulations/RBI. Depending on the fund manager's view and the investment strategy undertaken, the Scheme may decide to cover the currency risk fully or partly or may even let it remain uncovered.

Currency Risk is a form of risk that arises from the change in price of one currency against another. The exchange risk associated with a foreign denominated instrument is a key element in foreign investment. This risk flows from differential monetary policy and growth in real productivity, which results in differential inflation rates. The risk arises because currencies may move in relation to each other.

4. Risk Factors Associated with Derivatives

a. General Risk Factors associated with derivatives:

Derivative products are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the investor. Execution of such strategies depends upon the ability of the fund manager to identify such opportunities. Identification and execution of the strategies to be pursued by the fund manager involve uncertainty and decision of fund manager may not always be profitable. No assurance can be given that the fund manager will be able to identify or execute such strategies.

The risks associated with the use of derivatives are different from or possibly greater than, the risks associated with investing directly in securities and other traditional investments.

Trading in derivatives has the following risks:

- a) An exposure to derivatives in excess of the hedging requirements can lead to losses.
- b) An exposure to derivatives, when used for hedging purpose, can also limit the profits from a genuine investment transaction.
- c) Derivatives carry the risk of adverse changes in the market price.
- d) Illiquidity Risk i.e. risk that a derivative trade may not be executed or reversed quickly enough at a fair price, due to lack of liquidity in the market.

b. Common risk factors affecting the Arbitrage Strategies followed by the Scheme are as under:

Liquidity Risk

In case of arbitrage trades, under abnormal circumstances it will be difficult to square off the transaction due

to liquidity being poor in the underlying stock, stock futures or options market. However the fund will aim at taking exposure only into liquid stocks/Options where there will be minimal risk to square off the transaction. The fund will ensure this by analyzing historical data of volume and open interest.

Open Position Risk

If the Fund is not able to have a net market-neutral position due to any operational reasons, the Scheme at times is exposed to movement in the prices of the underlying. The Scheme will endeavour to cover or square off the positions as soon as possible.

Opportunities Risk

For any arbitrage strategy, where the cost of carry reduces drastically (in a depressed market conditions), there will be less opportunity for fund manager to generate returns that can exceed money market returns. In absence of profitable arbitrage opportunities available in the market, the Scheme may predominantly invest in cash, short term debt and money market securities.

Execution Risk

The prices which are seen on the screen need not be the same at which execution will take place.

Market to Market Risk

Options arbitrage is a risk free strategy, however there could be a market to market loss that would arise and additional margin may need to be provided for the same.

Basis Risk

In extraordinary circumstances, the Fund Manager may have to unwind positions before the expiry at a basis which maybe higher than the initiation basis to meet redemptions. Premature unwinding of the position might result in the locked-in profits not getting realized.

c. Risk factor specifically affecting the Index Arbitrage:

Tracking Error Risk

This risk is specific to Index arbitrage. Corporate actions such as demergers might result in the weights of the index stocks to change. This might lead to a tracking error affecting the returns to a certain extent.

d. Risk factor specifically while using Options (non-arbitrage):

The Scheme might buy options to enhance yield. In buying options the profit potential is unlimited, whereas the maximum risk is the premium paid to buy the options.

The Fund might choose to sell options for the purpose of hedging.

The Fund may use derivatives instruments like equity futures & options, or other derivative instruments as permitted under the Regulations and guidelines. Usage of derivatives will expose the Scheme to liquidity risk, open position risk, and opportunities risk etc. Such risks include the risk of mispricing or improper valuation and the inability of derivatives to correlate perfectly with underlying assets, rates and indices. In case of the derivative strategies, it may not be possible to square off the cash position against the corresponding derivative position at the exact closing price available in the Value Weighted Average Period. Debt derivatives instruments like interest rate swaps, forward rate agreements or other derivative instruments also involve certain risks. For details, please refer SAI.

e. Risks related to Special situations:

Special Situations are out of the ordinary situations that companies find themselves in, from time to time. Such situations present an investment opportunity to the Fund Manager who can judge the implications of that opportunity that can unlock value for investors.

f. Risks attached with the use of debt derivatives:

Debt derivatives instruments include interest rate swaps, forward rate agreements or other derivative instruments, as permitted under the Regulations and guidelines. Derivatives require the maintenance of adequate controls to monitor the transactions entered into, the ability to assess the risk that a derivative adds to the portfolio and the ability to forecast price or interest rate movements correctly. There is a possibility that loss may be sustained by the portfolio as a result of the failure of another party (usually referred

as the "counter party") to comply with the terms of the derivatives contract. Other risk in using derivatives include the risk of mispricing or improper valuation of derivatives and the inability of derivatives to correlate perfectly with underlying assets, rates and indices.

Derivatives like interest rate swaps require the maintenance of adequate controls to monitor the transactions entered into, the ability to assess the risk that the derivative adds to the portfolio and the ability to forecast failure of another party (usually referred to as the "counter party") to comply with the terms of the derivatives contract. Other risks in using derivatives include the risk of mispricing or improper valuation of derivatives, the credit risk where the danger is that of a counter party failing to honour its commitment, liquidity risk where the danger is that the derivative trade cannot be executed or an existing derivative position may not be reversed, and price risk where the market prices may move in an adverse fashion.

Further, it may be mentioned here that the guidelines issued by Reserve Bank of India from time to time for forward rate agreements and interest rate swaps and other derivative products would be adhered to.

Note:

Derivative products are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the investor. Execution of such strategies depends upon the ability of the fund manager to identify such opportunities. Identification and execution of the strategies to be pursued by the fund manager involve uncertainty and decision of fund manager may not always be profitable. No assurance can be given that the fund manager will be able to identify or execute such strategies.

The risks associated with the use of derivatives are different from or possibly greater than, the risks associated with investing directly in securities and other traditional investments.

The success of the cash futures arbitrage strategy under the Scheme will depend on the ability of the fund manager to identify opportunities due to various price differentials in the cash and derivative market. No assurance can be given that Fund Manager will be able to locate investment opportunities or to correctly exploit price discrepancies in the capital markets. The frequency of trades may result into high portfolio turnover and consequently will lead to high transaction cost.

5. Risk Associated with Securitized Debt:

Securitized debt may suffer credit losses in the event of the delinquencies and credit losses in the underlying pool exceeding the credit enhancement provided. As compared to the normal corporate or sovereign debt, securitized debt is normally exposed to a higher level of reinvestment risk. For further details please refer SAI.

6. Risks Associated with Stock Lending & Short Selling:

i) Risks associated With Stock Lending

The risks in lending portfolio securities, as with other extensions of credit, consist of the failure of another party, in this case the approved intermediary, to comply with the terms of agreement entered into between the lender of securities i.e. the Scheme and the approved intermediary. Such failure to comply can result in the possible loss of rights in the collateral put up by the borrower of the securities, the inability of the approved intermediary to return the securities deposited by the lender and the possible loss of any corporate benefits accruing to the lender from the securities deposited with the approved intermediary. It may be noted that this activity would have the inherent probability of collateral value drastically falling in times of strong downward market trends, rendering the value of collateral inadequate until such time as that diminution in value is replenished by additional security. It is also possible that the borrowing party and/or the approved intermediary may suddenly suffer severe business setback and become unable to honour its commitments. This, along with a simultaneous fall in value of collateral would render potential loss to the Scheme. Besides, there can be temporary illiquidity of the securities that are lent out and the Scheme will not be able to sell such lent out securities until they are returned. There is also a possibility of opportunity loss.

ii) Risks associated with short selling:

Scheme may enter into short selling transactions, subject to SEBI and RBI regulations in the matter. This will be done if the fund management team is of the view that there exists an opportunity to make trading gains. Calls for short selling will be taken after considering the liquidity, price movement & volatility of the security by the fund management team. There can be a loss in such a transaction if the price of the security goes up instead of falling down.

7. Risk factors associated with Repo transactions in Corporate Debt:

i) Lending transactions:

The scheme may be exposed to counter party risk in case of repo lending transactions in the event of the counterparty failing to honour

the repurchase agreement. However, in repo lending transactions, the collateral may be sold and a loss is realized only if the sale price is less than the repo amount. The risk may be further mitigated through over-collateralization (the value of the collateral being more than the repo amount). Further, the liquidation of underlying securities in case of counterparty default would depend on liquidity of the securities and market conditions at that time. It is endeavoured to mitigate the risk by following an appropriate counterparty selection process, which include their credit profile evaluation and over-collateralization to cushion the impact of market risk on sale of underlying security.

ii) Borrowing transactions:

In the event of the scheme being unable to pay back the money to the counterparty as contracted, the counter party may dispose of the assets (as they have sufficient margin). This risk is normally mitigated by better cash flow planning to take care of such repayments. Further, there is also a Credit Risk that the Counterparty may fail to return the security or Interest received on due date. It is endeavoured to mitigate the risk by following an appropriate counterparty selection process, which include their credit profile evaluation.

For further details please refer SAI.

Information about the scheme:

A. Where will the scheme invest?

Subject to the Regulations, the corpus of the Scheme will mainly be invested in any (but not exclusively) of the following securities:

1. Investment in Equity securities: The Scheme will invest in Equity and Equity related instruments inclusive of convertible debentures, equity warrants, convertible preference shares, equity derivatives etc.

2. Derivatives: The Scheme may invest in Derivative Instruments subject to SEBI guidelines. Derivative products are specialized instruments that require investment techniques and risk analysis different from those associated with stocks and bonds. The use of derivatives requires an understanding not only of the underlying instrument but also of the derivative instruments itself. The Scheme may invest in the following Equity Derivative Instruments like:

Futures: A futures contract is an agreement between the buyer and the seller for the purchase and sale of a particular asset at a specific price on a specific future date. The price at which the underlying asset would change hands in the future is agreed upon at the time of entering into the contract. The actual purchase or sale of the underlying asset involving payment of cash and delivery of the instrument does not take place until the contracted date of delivery. A futures contract involves an obligation on both the parties to fulfill the terms of the contract. Currently, futures contracts have a maximum expiration cycle of 3-months. A futures contract on the stock market index gives its owner the right and obligation to buy or sell the portfolio of stocks characterized by the index. Stock index futures are cash settled; there is no delivery of the underlying stocks.

Options: An option is a contract which provides the buyer of the option (also called the holder) the right, without the obligation, to buy or sell a specified asset at an agreed price on or upto a particular date. For acquiring this right the buyer has to pay a premium to the seller. The seller on the other hand has the obligation to buy or sell that specified asset at the agreed price. The premium is determined considering number of factors such as the underlying asset's market price, the number of days to expiration, strike price of the option, the volatility of the underlying asset and the risk less rate of return. The strike price, the expiration date and the market lots are specified by the exchanges. An option contract may be of two kinds, viz., a call option or a put option. An option that provides the buyer the right to buy is a call option. The buyer of the call option (known as the holder of the option) can call upon the seller of the option (known as writer of the option) and buy from him the underlying asset at the agreed price at any time on or before the expiry date of the option. The seller of the option has to fulfill the obligation on exercise of the option. The right to sell is called a put option. Here, the buyer of the option can exercise his right to sell the underlying asset to the seller of the option at the agreed price. Options are of two types: European and American. In a European option, the holder of the option can only exercise his right on the date of expiration. In an American option, he can exercise this right anytime between the purchase date and the expiration date.

The Scheme may also use Debt derivative instruments like interest rate swaps, forward rate agreements or such other debt derivative instruments as may be introduced from time to time. An Interest Rate Swap (IRS) is a financial contract between two parties exchanging a stream of interest payments for a notional principal amount on multiple occasions during a specified period. Typically, one party receives a pre-determined fixed rate of interest while the other party, receives a floating rate, which is linked to a mutually agreed benchmark with provision for mutually agreed periodic resets. A Forward Rate Agreement (FRA) is basically a forward starting IRS. It is an agreement between two parties to pay or receive the difference between an agreed fixed rate (the FRA rate) and the interest rate (reference rate) prevailing on a stipulated future date, based on a notional principal amount for an agreed period. The only cash flow is the difference between the FRA rate and the reference rate. As is the case with IRS, the notional amounts are not exchanged in FRA. To hedge & balance the portfolio, derivative instruments like interest rate swaps & forward rate agreements would be used to create

synthetic fixed rate bonds/ floating rate bonds. We wish to submit that, creation of synthetic fixed rate bonds/floating rate bonds is a hedging and portfolio rebalancing technique. An example is stated below to explain the said proposition.

Swaps can be used to create synthetic fixed rate instruments. Let us take an example of a 1 Yr floating rate bond with a spread of 50 bps (basis points) over a benchmark say, Overnight MIBOR. Ordinarily, this fetches the investor a yield of the benchmark (which is floating) plus 50 bps on an annualized basis. However, by receiving 1 yr fixed rate on the swap side, what happens is that the bond gets converted into a fixed rate bond. Let us assume that the 1 yr swap on the same benchmark is received for the same principal amount at the rate of 8.00%.

Step A: Investor receives Overnight MIBOR + 50 bps on the Floating Rate Bond

Step B: Investor enters into a 1 year OIS transaction – Investor receives fixed rate of 8% & Investor pays floating rate i.e., Overnight MIBOR
Net impact for the investor: (MIBOR + 50 bps) + 8% - MIBOR
= 8.00% + 50 bps
= 8.50% (Fixed)

Thus through the swap, the floating rate bond gets converted 'synthetically' into a fixed rate bond.

Investors should note that Derivatives products carry credit risk (risk of default by counterparty), market risk (due to market movements) and liquidity risk (due to lack of liquidity in derivatives). For details please refer to "Risk factors".

3. Foreign Securities

In accordance with paragraph 12.19.3.4 of the Master Circular for Mutual Funds dated June 27, 2024, the following conditions shall apply to the Scheme's participation in the overseas investments. Please note that the investment restrictions applicable to the Scheme's participation in overseas investments will be as prescribed or varied by SEBI or by the Board of Trustees (subject to SEBI requirements) from time to time. The regulations pertaining to investment in ADRs/GDRs/Foreign Securities and Overseas ETFs by Mutual Funds are currently as under:

- The aggregate ceiling for overseas investments is USD 7 billion as per the above SEBI circulars. Within the overall limit of USD 7 billion, mutual funds can make overseas investments subject to a maximum of USD 1 billion per mutual fund. In accordance with paragraph 12.19.2 of the Master Circular for Mutual Funds dated June 27, 2024, permissible overseas investments are:
 1. ADRs/ GDRs issued by Indian or foreign companies
 2. Equity of overseas companies listed on recognized stock exchanges overseas
 3. Initial and follow on public offerings for listing at recognized stock exchanges overseas
 4. Foreign debt securities in the countries with fully convertible currencies, short term as well as long term debt instruments with rating not below investment grade by accredited/registered credit rating agencies
 5. Money market instruments rated not below investment grade
 6. Repos in the form of investment, where the counterparty is rated not below investment grade; repos should not however, involve any borrowing of funds by Mutual Funds
 7. Government securities where the countries are rated not below investment grade
 8. Derivatives traded on recognized stock exchanges overseas only for hedging and portfolio balancing with underlying as securities
 9. Short term deposits with banks overseas where the issuer is rated not below investment grade
 10. Units/securities issued by overseas Mutual Funds or unit trusts registered with overseas regulators and investing in (a) aforesaid securities, (b) Real Estate Investment Trusts (REITs) listed in recognized stock exchanges overseas or (c) unlisted overseas securities (not exceeding 10% of the net assets).
 11. The Limits for Investment in Overseas Exchange Traded Funds (ETFs): The overall ceiling for investment in overseas ETFs that invest in securities is US \$1 billion subject to a maximum of US \$ 50 million per Mutual Fund

The Regulatory restriction on the investments in Mutual Fund units upto 5% of net assets of the Fund and prohibiting charging of fees, shall not be applicable to investments in Mutual Funds in foreign countries made in accordance with SEBI Guidelines. However, the management fees and other expenses charged by the Mutual Fund in foreign countries along with the management fee and recurring expenses charged to the domestic Mutual Fund Scheme shall not exceed the total limits on expenses as prescribed under Regulation 52(6). Where the Scheme is investing only a part of the net assets in the foreign Mutual Fund(s), the same principle shall be applicable for that part of investment. The overseas securities markets offer new investment and portfolio diversification opportunities by enabling investments in the overseas markets. However, such investments also entail additional risks. Such investment opportunities may be pursued by the Mutual Fund provided they are considered appropriate in terms of the overall investment objectives of the Scheme. The Scheme may then, appoint a Dedicated Fund Manager to manage the Overseas Investments & if necessary, seek applicable permission from SEBI and RBI to invest abroad in accordance with the investment objectives of the Scheme and in accordance with any guidelines issued by SEBI/RBI from time to time. These investments shall be made subject to any/all approvals, conditions thereof as may be

stipulated by SEBI/RBI and provided such investments do not result in expenses to the Scheme in excess of the ceiling, if any, on expenses prescribed by SEBI for offshore investment, and if no such ceiling is prescribed by SEBI, the expenses to the Scheme shall be limited to the level which, in the opinion of the Trustee, is reasonable and consistent with costs and expenses attendant to international investing. The Scheme may, where necessary, appoint other specialized agencies and service providers associated with such investments such as advisors, custodian/sub-custodians, brokers, etc., of adequate expertise, in order to enable the AMC to manage and administer such investments. The appointment of such intermediaries shall be in accordance with the applicable requirements of SEBI and within the permissible ceilings of expenses. The fees and expenses would illustratively include, besides custody fees and costs, fees of appointed overseas advisors, transaction costs and overseas regulatory costs. For details on Valuation Norms, Computation of NAV etc. please refer SAI.

Investment in Debt securities:

* **Commercial Paper (CP)** is an unsecured negotiable money market instrument issued in the form of a promissory note. CPs are issued by corporates as an alternative source of working capital finance. They are issued at a discount to face value, as may be determined mutually by the issuer & investor. CP is traded in secondary market and can be freely bought and sold before maturity.

* **Certificates of Deposit (CD)** is a negotiable money market instrument issued by scheduled commercial banks and select all-India Financial Institutions (FIs) that have been permitted by RBI to raise short-term resources. The maturity period of CDs issued by the banks is between 7 days and one year. FIs can issue CDs for a period not less than 1 year and not exceeding 3 years from the date of issue. CDs also are issued at a discount to face value and can be traded in secondary market akin to CPs.

* **Government Securities** the Scheme intends to invest its assets in securities of Government of India and

/or State Government to the extent of SEBI prescribed limits, if any. Such securities may be:

i. Supported by the ability to borrow from the Treasury or

ii. Supported by Sovereign guarantee or the State Government or

iii. Supported by Government of India / State Government in some other way. The above will depend upon the nature of securities invested.

Central Government Securities are a sovereign debt obligation of the Government of India with zero-risk of default and are issued on its behalf by the RBI. They form a part of the Government's annual borrowing program, and are used to fund the fiscal deficit along with other short and long-term fund requirements.

Central Government Securities are normally fixed interest securities where the interest is paid semi-annually. Different types of Central Government Securities are the fixed interest securities, fixed interest security with put/call option, fixed interest security where the subscription amount is paid in installments, fixed interest security where the maturity amount is received in installments, floating rate bond, capital-indexed bond and zero-coupon bonds.

State government securities are issued by the respective State governments in co-ordination with the RBI. State Government Securities are fixed interest securities where the interest is paid semi-annually.

* **Treasury Bills (T-Bills)** are issued by the Government of India to meet their short-term borrowing requirement. Presently, T-Bills are issued for original maturities of 91 days, 182 days and 364 days. T-Bills are issued at a discount to their face value and redeemed at par.

* **Fixed Deposits** are deposits with Banks for a fixed term at a rate which is determined by various factors such as the term, the amount etc. Pending deployment as per investment objective, the money under the respective Plans may be invested in short-term deposits of Scheduled Commercial Banks.

* **Repo (Repurchase agreement)** A Repo or Reverse Repo is a transaction in which two parties agree to sell and repurchase the same security. Under such an agreement the seller sells specified securities with an agreement to repurchase the same at a mutually decided future date and price. Similarly, the buyer purchases the securities with an agreement to resell the same to the seller on an agreed date at a predetermined price. The transaction results in collateralized borrowing or lending of funds.

Such a transaction is called a Repo when viewed from the perspective of the seller of the securities and borrower of funds and Reverse Repo when viewed from the perspective of the buyer of the securities and lender of funds. The eligible securities for a repo/reverse repo transaction in the Indian financial markets at present are Government Securities, State Government Securities and Treasury Bills.

The Scheme may enter into Reverse Repo, hedging or such other transactions as may be allowed to Mutual Fund from time to time.

* **Tri-party repo** is a type of repo contract where a third entity (apart from the borrower and lender), called a Tri-Party Agent, acts as an intermediary between the two parties to the repo to facilitate services like collateral selection, payment and settlement, custody and management during the life of the transaction.

* **Non-Convertible Debentures** as well as **Bonds** are securities issued by Public Sector Enterprises, Public Sector Banks, All India Financial Institutions, Private Sector Companies etc for their normal business activities, which may be secured or unsecured against assets of the company. This is one of the sources of financing for corporates which may be in the nature of short term or long term depending on the requirement of the entity. They are priced at a spread over the corresponding government security depending on the level of perceived risk. Different types of securities are fixed interest securities with or without put/call option, fixed interest security where the maturity amount is received in installments, floating rate bonds, zero-coupon bonds (bonds with no intervening interest cash

flows)etc.

Frequency of interest payments could be annual/semi-annual/quarterly/monthly or zero coupon bonds etc depending on each issue.

* **Floating rate debt instruments** are debt instruments issued by Central / State governments, Corporates, PSUs, etc. with interest rates that are reset periodically. The periodicity of interest reset could be daily, monthly, quarterly, half yearly, and annually or any other periodicity that may be mutually agreed between the issuer and the Fund.

* **Securitised Assets:**

The investments in Securitised debt papers including Pass through Certificates (PTCs) may be made upto 35% of the net assets of the Scheme. Securitization is a structured finance process, which involves pooling and repackaging of cash-flow producing financial assets into securities that are then sold to investors. All assets can be securitized so long as they are associated with cash flows. Hence, the securities, which are the outcome of securitization processes, are termed asset-backed securities (ABS) or mortgage backed securities (MBS). Scheme may invest in domestic securitized debt such as asset backed securities (ABS) or mortgage backed securities (MBS). ABS means securitized debts wherein the underlying assets are receivables arising from personal loans, automobile loans, etc. MBS means securitized debts wherein the underlying assets are receivables arising from loans backed by mortgage of properties which can be residential or commercial in nature. ABS / MBS instruments reflect the undivided interest in the underlying assets and do not represent the obligation of the issuer of ABS / MBS or the originator of the underlying receivables. Further, Securitization often utilizes services of a special purpose vehicle (SPV). Broadly the following types of loans are securitised:

- Auto Loans (cars / commercial vehicles /two wheelers)
- Residential Mortgages or Housing Loans
- Consumer Durable Loans
- Corporates Loans
- Personal Loans

* **Pass Through Certificates (PTC)**

A pass through certificate represents beneficial interest in an underlying pool of cash flows. These cash flows represent dues against single or multiple loans originated by the seller of these loans. This pool of dues / receivables, after due sorting / cherry picking, is packaged as PTCs and sold to end investors like bank / Mutual Fund etc. PTCs may be backed, but not exclusively, by receivables of personal loans, car loans and two wheeler loans and other assets subject to SEBI/other Regulations.

5. Investments in the Schemes of Mutual Fund

The Scheme may invest in Schemes managed by the AMC or in the Schemes of any other Mutual Fund, provided it is in conformity with the investment objectives of the Scheme and in terms of the prevailing the SEBI Regulations. As per the SEBI Regulations, no investment management fees will be charged for such investments and the aggregate inter Scheme investment made by all Schemes in the Schemes of the Mutual Fund or in the Schemes under the management of any other asset management company shall not exceed 5% of the Net Asset Value of the Mutual Fund.

6. Any other like instruments as may be permitted by RBI/SEBI/ such other Regulatory Authority from time to time.

The above-mentioned securities could be listed, unlisted, secured, unsecured, rated or unrated and may be acquired through Primary, secondary market offerings, private placements, rights offer etc. Further, investments in debentures, bonds and other fixed income securities will usually be in instruments, which have been assigned investment grade ratings by an approved rating agency. In cases where the debt instrument is unrated, specific approval from the Board of the Asset Management Company and the Board of Trustees shall be obtained. However, the same shall be subject to limitations as contained in clause 1 and 1A, of Schedule VII to SEBI (Mutual Funds) Regulations, 1996.

In accordance with paragraph 12.21 of the Master Circular for Mutual Funds dated June 27, 2024 and amendments thereto from time to time, the Scheme may invest in units of Infrastructure Investment Trusts (InvITs) and Real Estate Investment Trusts (REITs) within the stipulated investment limits.

INVESTMENT STRATEGY & APPROACH

The Scheme will be a diversified equity fund which will invest in small cap equity and equity related securities of the companies that are likely to benefit in the long term

The investment approach will be bottom-up stock picking – where investments will be selected primarily on the basis of specific criteria relevant to the company in question rather than general macroeconomic considerations. There will be no particular bias towards any

sector. The focus will be on Small Cap stocks listed on Indian Domestic exchanges. The strategy will be to identify companies early or which have potential to scale up significantly to become materially larger in the medium to long term. The Scheme will endeavour to remain fully invested in equity and equity related instruments at all times. An exposure to various derivatives instruments is likely for the purposes of hedging, portfolio balancing and optimizing returns.

The Scheme may invest in other schemes managed by the AMC or in the schemes of any other Mutual Funds, provided it is in conformity with the investment objective of the Scheme and in terms of the prevailing Regulations. As per the Regulations, no investment management fees will be charged for such investments. As per the SEBI Regulations, such inter-scheme investments shall not exceed 5% of the Net Asset Value of the Fund.

At present, the Scheme does not intend to enter into underwriting obligations. However, if the Scheme does enter into an underwriting agreement, it would do so after complying with the Regulations and with the prior approval of the Board of the AMC/Trustee.

The Fund may also invest in depository receipts including American Depository Receipts (ADRs) and Global Depository Receipts (GDRs). The Scheme may also invest in debt and money market instruments, in compliance with Regulations.

1. Derivative & Arbitrage Strategies:

The Scheme may also take derivative exposure to the limits specified above. Derivatives are financial contracts of pre-determined fixed duration, whose values are derived from the value of an underlying primary financial instrument or index, such as: interest rates, exchange rates and equities.

The Scheme may invest in arbitrage opportunities between spot and futures prices of exchange traded equities. The Scheme may build similar hedge positions that offer an arbitrage potential for e.g. buying the basket of index constituents in the cash segment and selling the index futures, buying ADR/GDR and selling the corresponding stock future, etc.

The Scheme may also invest in other low risk derivatives strategies that offer slightly higher returns than pure arbitrage. These strategies involve a combination of futures and options or options only.

The Scheme may invest in opportunities arising out of corporate actions announced in stocks that offer superior risk adjusted returns and IPOs.

2. Cash Future Arbitrage:

This strategy is employed when the price of the future is trading at a premium to the price of its underlying (spot market). The Scheme shall buy the stock in spot market and endeavor to simultaneously sell the future at a premium on a quantity neutral basis.

Buying the stock in spot market and selling the futures results into a hedge where the Scheme has locked in a spread and is not affected by the price movement of cash market and futures market. The arbitrage position can be continued till expiry of the future contracts. The future contracts are settled based on the last half an hour's weighted average trade of the spot market. Thus there is a convergence between the spot price and the futures market on expiry. This convergence helps the Scheme to generate the arbitrage return locked in earlier.

On or before the date of expiry, if the price differential between the spot and futures position of the subsequent month maturity still remains attractive, the Scheme may rollover the futures position and hold onto the position in the spot market. In case such an opportunity is not available, the Scheme would liquidate the spot position and settle the futures position simultaneously.

Rolling over of the futures transaction means unwinding the short position in the futures of the current month and simultaneously shorting futures of the subsequent month maturity, and holding onto the spot position.

Illustrations

Buy 100 shares of Company A at Rs 100 and sell the same quantity of stock's future of the Company A at Rs 101.

3. Market goes up and the stock end at Rs 200.

At the end of the month (expiry day) the future expires automatically:

Settlement price of future = closing spot price = Rs 200 Gain on stock is $100 \times (200 - 100) = \text{Rs } 10,000$

Loss on future is $100 \times (101 - 200) = \text{Rs } -9,900$ Net gain is $10,000 - 9,900 = \text{Rs } 100$

4. Market goes down and the stock end at Rs 50.

At the end of the month (expiry day) the future expires automatically:

Settlement price of future = closing spot price = Rs 50 Loss on stock is $100 \times (50 - 100) = \text{Rs } -5,000$

Gain on future is $100 \times (101 - 50) = \text{Rs } 5,100$ Net gain is $5,100 - 5,000 = \text{Rs } 100$

Unwinding the position:

Buy 100 shares of Company A at Rs 100 and sell the same quantity of stock's future of the Company A at Rs 101.

The market goes up and at some point of time during the month (before expiry) the stock trades at Rs 120 and the future trades at Rs 119 then we unwind the position:

Buy back the future at Rs 119: loss incurred is $(101 - 119) \times 100 = \text{Rs } -1,800$ Sell the stock at Rs 120: gain realized: $(120 - 100) \times 100 = \text{Rs } 2,000$
 Net gain is $2,000 - 1,800 = \text{Rs } 200$

Rolling over the futures:

We keep the stocks position. Close to expiry, if the stocks price is at Rs 150 then the stock's future is close to Rs 150 as well. Also if the current month stock future is below the next month stock future, we roll over the future position to the next expiry:

Stock future next month is at Rs 151 Stock future current month is at Rs 150

Then sell future next month at Rs 151 and buy back actual future at Rs 150 = gain of $100 \times (151 - 150) = \text{Rs } 100$ and the arbitrage is continuing.

3. Index Arbitrage:

The Nifty 50 derives its value from fifty constituent stocks; the constituent stocks (in their respective weights) can be used to create a synthetic index matching the Nifty Index. Also, theoretically, the fair value of a future is equal to the spot price plus the cost of carry. Theoretically, therefore, the pricing of Nifty Index futures should be equal to the pricing of the synthetic index created by futures on the underlying stocks.

Due to market imperfections, the index futures may not exactly correspond to the synthetic index futures. The Nifty Index futures normally trades at a discount to the synthetic Index due to large volumes of stock hedging being done using the Nifty Index futures giving rise to arbitrage opportunities.

One instance in which an index arbitrage opportunity exists is when Index future is trading at a discount to the index (spot) and the futures of the constituent stocks are trading at a cumulative premium.

The fund manager shall endeavour to capture such arbitrage opportunities by taking long positions in the Nifty Index futures and short positions in the synthetic index (constituent stock futures).

Based on the opportunity, the reverse position can also be initiated.

Index Arbitrage (Spot market):

This strategy is very similar to the index arbitrage strategy explained above.

This strategy can be executed when the index future is trading at a premium to the underlying index. The Fund Manager will buy the index constituents (ratio of weights in the index) in the spot market and simultaneously sell the index future at a premium.

On expiry day, the futures expire at cash. This convergence helps realize the profits locked-in.

4. Options based Arbitrage:

There exists arbitrage opportunities in options due to the mispricing of options. Basically, the Scheme intends to invest in index based Options.

Example –

Sell 100 NIFTY Futures at Rs. 5000 Buy 100 NIFTY 4800 Calls at Rs. 195

Sell 100 NIFTY 4800 Put at Rs. 5

The above trades result in a completely hedged position.

1. At expiry if NIFTY goes to 5200 –

Loss on NIFTY Future = $(5200 - 5000) \times 100 = \text{Rs. } 20,000$ Price of NIFTY 4800 Call = $5200 - 4800 = \text{Rs. } 400$

Profit on NIFTY 4800 Call = $(400 - 195) \times 100 = \text{Rs. } 20,500$

Price of NIFTY 4800 Put = Rs. 0

Profit on NIFTY 4800 Put = $(5 - 0) \times 100 = \text{Rs. } 500$ Net Profit = Rs. 1,000

2. At expiry if NIFTY goes to 4800 –

Profit on NIFTY Future = $(5000 - 4800) \times 100 = \text{Rs. } 20,000$ Price of NIFTY 4800 Call = 0

Loss on NIFTY 4800 Call = $(195-0) \times 100 = \text{Rs. } 19,500$

Price of NIFTY 4800 Put = Rs. 0

Profit on NIFTY 4800 Put = $(5-0) \times 100 = \text{Rs. } 500$ Net Profit = Rs. 1,000

4. The Scheme may also use derivative instruments like Interest Rate Swaps, Overnight Indexed Swaps (OIS), Forward Rate Agreements, or such other derivative instruments as may be introduced from time to time. Derivatives will be used for the purpose of hedging, increasing the returns of the Scheme and portfolio balancing as may be permitted under the Regulations and Guidelines.

Investment strategy while using Overnight Indexed Swaps:

In a rising interest rate scenario the Scheme may enhance returns for the investor by hedging the risk on its fixed interest paying assets by entering into an OIS contract where the Scheme agrees to pay a fixed interest rate on a specified notional amount, for a predetermined tenor and receives floating interest rate payments on the same notional amount. The fixed returns from the Scheme's assets and the fixed interest payments to be made by the Scheme on account of the OIS transaction offset each other and the Scheme benefits on the floating interest payments that it receives.

The Scheme may enter into an opposite position in case of a falling interest rate scenario, i.e., to hedge the floating rate assets in its portfolio the Scheme enters into an OIS transaction wherein it receives a fixed interest rate on a specified notional amount for a specified time period and pays a floating interest rate on the same notional amount. The floating interest payments that the Scheme receives on its floating rate securities and the floating interest payments that the Scheme has to pay on account of the OIS transaction offset each other and the Scheme benefits on the fixed interest payments that it receives in such a scenario.

The Scheme may deploy one or more of the above mentioned derivative Strategies. To the extent they are in line with the investment objective of the Scheme.

- **Special Situations**

The Scheme may take advantage of situations that present an investment opportunity to Fund Manager who can judge the implications of that opportunity that can unlock value for investors. Some of these situations are Merger of businesses or companies which may result in synergies in business activities. Demerger may result in separation / spin-off of business operation / activity from some other business operation / activity. Companies may consider a buy-back of their shares from the market due to various reasons (like company has substantial free reserves, management is confident of the future growth potential, meeting with the regulatory norms, etc. A buyback unlock significant value for shareholders. Promoters may consider delisting their companies from the respective stock exchange. It may be at the request of the promoters, because of acquisition; BIFR under SICA etc. Company may offer its existing shareholders a right to purchase additional shares at a discount to the prevailing market price. Promoters may want to infuse capital for future projects through a rights issue, raise their holding as they expect good prospects going forward. A carefully analyzed rights issue can unlock value for shareholders; Open Offer is an event that increases the shareholding of the acquirer. An open offer can be voluntary or involuntary. An open offer is an indication that parties are interested in increasing their stake in the company. This can be positive for the company over the long run and gives the investor a signal for good times ahead. Debt restructuring i.e. a company may want to change its capital structure by means of reducing debt. Higher debt can lead to lower profits and cash flows. An attempt by the company to reduce debt or swap the same with other lower costs options can unlock value for shareholders. There could be many other events that may result in share price appreciation. Such situations may include but are not limited to: turnarounds, companies undergoing restructuring, asset plays, and companies affected by regulatory changes and primary market listings. The Scheme will carefully analyze any such instance and participate in the same as such. Corporate action often unlocks a lot of value for the investors.

Investment in debt/ money market instruments

To achieve its investment objective, the Scheme may also invest, in Debt Instruments which are listed/unlisted and/or rated/unrated debt or money market instruments/securities, securities issued/guaranteed by the Central/State Governments, securities issued by public/private sector companies/corporations, short term deposits with banks like Fixed Deposits, financial institutions and/or money market instruments such as commercial paper, certificates of deposit, permitted securities under a reverse-repo agreement, securitized debt, etc. These instruments may carry a fixed rate of return or a floating rate of return or may be issued on a discounted basis. Investments will be made in instruments, which in the opinion of the Fund Manager, are of an acceptable credit quality and chance of default is minimum while conforming to the internal broad guidelines provided in the Investment Policy. The Fund Manager will generally be guided by, but not restrained by, the ratings announced by various rating agencies and independent in-house assessment on the assets in the portfolio. The fund management team with the support of research team will

take an active view of the interest rate movement by keeping a close watch on various parameters of the Indian economy, as well as developments in global markets. Investment views / decisions will be taken on the basis of the following parameters:

1. Prevailing interest rate scenario
2. Quality of the security / instrument (including the financial health of the issuer)
3. Maturity profile of the instrument
4. Liquidity of the security
5. Growth prospects of the company / industry

6. Any other factor in the opinion of the fund management team

Stock Lending

Subject to the SEBI Regulations as applicable from time to time, the Fund may, engage in Stock Lending. Stock Lending means the lending of securities to another person or entity for a fixed period of time at a negotiated compensation in order to enhance returns of the portfolio. The securities lent will be returned by the borrower on the expiry of the stipulated period. The AMC will adhere to strict limits should it engage in Stock Lending. Collateral would always be obtained by the approved intermediary from such borrower. Collateral value would always be more than the value of the security lent. Collateral can be in form of cash, bank guarantee, and government securities, as may be agreed upon with the approved intermediary. Not more than 25% of the net assets of the Scheme can generally be deployed in stock lending and not more than 5% of the Net Assets of the Scheme can be deployed in Stock lending to any single counterparty. For detailed understanding on the same, investors are requested to refer SAI.

Investment in Mutual Fund Units: To avoid duplication of portfolios and to reduce expenses, the Scheme may also invest in other Schemes managed by the AMC or in the Schemes of other Mutual Fund, provided that aggregate inter-Scheme investment made by all Schemes managed by the AMC either in its own Schemes or of any other Mutual Fund shall not exceed 5% or such other permitted limit, of the Net Asset Value of the Fund. No investment management fees shall be charged for investing in other Schemes of the Fund or in the Schemes of any other Mutual Fund.

Portfolio Turnover:

The Scheme will endeavour to keep the portfolio turnover at a minimum. However the portfolio turnover ratio may vary as the Scheme may change the portfolio according to Asset Allocation to align itself with the objectives of the Scheme. The effect of higher portfolio turnover could be higher brokerage and transaction costs.

B. What are the investment restrictions?

The investment policy of the Scheme complies with the rules, regulations and guidelines laid out in SEBI (Mutual Funds) Regulations, 1996. As per the Regulations, specifically the Seventh Schedule, the following investment limitations are currently applicable:

The Scheme shall not invest more than 10% of its NAV in debt instruments comprising money market instruments and non-money market instruments issued by a single issuer which are rated not below investment grade by a credit rating agency authorised to carry out such activity under the Act. Such investment limit may be extended to 12% of the NAV of the scheme with the prior approval of the Board of Trustees and the Board of directors of the asset management company:

Provided that such limit shall not be applicable for investments in Government Securities, treasury bills and collateralized borrowing and lending obligations.

Provided further that investment within such limit can be made in mortgaged backed securitised debt which are rated not below investment grade by a credit rating agency registered with the Board.

Debentures, irrespective of any residual maturity period (above or below one year), shall attract the investment restrictions as applicable for debt instruments. It is further clarified that the investment limits are applicable to all debt securities, which are issued by public bodies/institutions such as electricity boards, municipal corporations, state transport corporations etc. guaranteed by either state or central government. Government securities issued by central/state government or on its behalf by the RBI are exempt from the above investment limits.

- A mutual fund scheme shall not invest in unlisted debt instruments including commercial papers, except Government Securities and other money market instruments:
- Provided that Mutual Fund Schemes may invest in unlisted non-convertible debentures up to a maximum of 10% of the debt portfolio of the scheme subject to such conditions as may be specified by the Board from time to time:
- Provided further that mutual fund schemes shall comply with the norms under this clause within the time and in the manner as may be specified by the Board:
- Provided further that the norms for investments by mutual fund schemes in unrated debt instruments shall be specified by the Board from time to time.
- The Mutual Fund under all its Scheme will not own more than 10% of any Company's paid up capital carrying voting rights.
- The Scheme shall not invest more than 10% of its NAV in case of the equity shares or equity related instruments of any company.
- The Scheme shall not invest more than 10% of its NAV in the unlisted equity shares or equity related instruments.
- Transfer of investments from one scheme to another scheme in the Mutual Fund is permitted provided:
 - - Such transfers are done at the prevailing market price for quoted instruments on spot basis (spot basis shall have the same meaning as specified by a Stock Exchange for spot transactions); and
 - - The securities so transferred shall be in conformity with the investment objective of the Scheme to which such transfer has

been made.

- The Scheme may invest in other Schemes of the AMC or any other Mutual Fund without charging any fees, provided the aggregate inter-Scheme investment made by all the Schemes under the same management or in Schemes under management of any other Asset Management Company shall not exceed 5% of the Net Asset Value of the Fund. No investment management fees shall be charged for investing in other schemes of the fund or in the schemes of any other Mutual Fund.
- The Mutual Fund shall buy and sell securities on the basis of deliveries and shall in all cases of purchases, take delivery of relevant securities and in all cases of sale, deliver the securities: Provided that the Mutual Fund may engage in short selling of securities in accordance with the framework relating to short selling and securities lending and borrowing specified by the Board. Provided further that sale of government security already contracted for purchase shall be permitted in accordance with the guidelines issued by the Reserve Bank of India in this regard. Further, the Mutual Fund may enter into derivatives transactions in a recognized stock exchange, subject to the framework specified by the Board.
- The Fund shall get the securities purchased or transferred in the name of the Fund on account of the concerned Scheme, wherever investments are intended to be of a long-term nature.
- Pending deployment of funds of the Scheme in securities in terms of the investment objectives of the Scheme, the Fund may invest the funds of the Scheme in short term deposits of scheduled commercial banks or in like instruments subject to the Guidelines as may be specified by the Board.
- The Scheme shall not make any investment in any fund of funds scheme.
- The Scheme shall not make any investment in:
 - Any unlisted security of an associate or group company of the Sponsor; or
 - Any security issued by way of private placement by an associate or group company of the Sponsor; or
 - The listed securities of group companies of the Sponsor, which is in excess of 25% of the net assets of the Scheme of the Mutual Fund.
- No loans for any purpose shall be advanced by the Scheme.
- The Fund shall not borrow except to meet temporary liquidity needs of the Fund for the purpose of repurchase / redemption of Units or payment of interest and IDCW to the Unit holders. Provided that the Fund shall not borrow more than 20% of the net assets of the Scheme and the duration of the borrowing shall not exceed a period of 6 months.
- Further as per SEBI Circular No. SEBI/IMD/CIR No.7/129592/08 dated June 23, 2008, it is clarified that the said limits shall not apply to term deposits placed as margins for trading in cash and derivatives market.
- The investments in short term deposits of scheduled commercial banks will be reported to the Board of Trustees along with the reasons for the investment which, inter alia, would include comparison with the interest rates offered by other scheduled commercial banks. Further, the AMC shall ensure that the reasons for such investments are recorded in the manner prescribed in SEBI Circular MFD/CIR/6/73/2000 dated July 27, 2000.
- Investments are recorded in the manner prescribed in paragraph 12.19.3.2 of the Master Circular for Mutual Funds dated June 27, 2024.
- Investment restrictions in relation to repo in corporate debt securities:
- The net exposure of any Mutual Fund scheme to repo transactions in money market and corporate debt securities shall not be more than 10 % of the net assets of the Scheme.
- The cumulative gross exposure through repo transactions in money market and corporate debt securities along with debt shall not exceed 100% of the net assets of the Scheme.
- Mutual funds shall participate in repo transactions only in money market and corporate debt securities with long-term credit rating of AA and above at the time of transaction by any of the recognized credit rating agencies.
- The Scheme will comply with any other regulations applicable to the investments of Mutual Funds from time to time.
- These investment restrictions shall be applicable at the time of investment and changes do not have to be effected merely because, owing to appreciations or depreciations in value, or by reason of the receipt of any rights, bonuses or benefits in the nature of capital or of any Schemes of arrangement or for amalgamation, reconstruction or exchange, or at any repayment or redemption or other reason outside the control of the Fund, any such limits would thereby be breached. If these limits are exceeded for reasons beyond its control, AMC shall as soon as possible take appropriate corrective action, taking into account the interests of the Unit holders.

- In addition, certain investment parameters may be adopted internally by AMC, and amended from time to time, to ensure appropriate diversification / security for the Fund. The Trustee Company / AMC may alter these above stated limitations from time to time, and also to the extent the SEBI (Mutual Funds) Regulations, 1996 change, so as to permit the Schemes to make its investments in the full spectrum of permitted investments for Mutual Funds to achieve its investment objective. As such all investments of the Schemes will be made in accordance with SEBI (Mutual Funds) Regulations, 1996, including Schedule VII thereof.

* **Investments Limitations and Restrictions in Derivatives**

In accordance with SEBI guidelines, following conditions shall apply to the Scheme's participation in the derivatives market. Please note that the investment restrictions applicable to the Scheme's participation in the derivatives market will be as prescribed or varied by SEBI or by the Trustee (subject to SEBI requirements) from time to time.

Position limit for the Fund in index options contracts

- The Fund's position limit in all index options contracts on a particular underlying index shall be Rs. 500 Crores or 15% of the total open interest of the market in index options, whichever is higher, per Stock Exchange.
- This limit would be applicable on open positions in all options contracts on a particular underlying index.

Position limit for the Fund in index futures contracts

- The Fund's position limit in all index futures contracts on a particular underlying index shall be Rs. 500 Crores or 15% of the total open interest of the market in index futures, whichever is higher, per Stock Exchange.
- This limit would be applicable on open positions in all futures contracts on a particular underlying index.

Additional position limit in index derivatives for hedging of the Fund

In addition to the position limits above, the Fund may take exposure in equity index derivatives subject to the following limit:

- Short positions in index derivatives (short futures, short calls and long puts) shall not exceed (in notional value) the Fund's holding of stocks.

Position limit for the Fund for stock based derivative contracts

- For stocks having an applicable market-wise position limit (MWPL) of Rs. 500 Crores or more, the combined futures and options position limit shall be 20% of applicable MWPL or Rs. 300 Crores, whichever is lower and within which stock futures position cannot exceed 10% of applicable MWPL or Rs. 150 Crores, whichever is lower.
- For stocks having an applicable market-wise position limit (MWPL) less than Rs. 500 Crores, the combined futures and options position limit would be 20% of applicable MWPL and futures position cannot exceed 20% of applicable MWPL or Rs. 50 Crores whichever is lower.

Position limit for the Scheme:

The position limit / disclosure requirements for the Scheme shall be as follows:

- For stock option and stock futures contracts, the gross open position across all derivative contracts on a particular underlying stock of the Scheme shall not exceed the higher of:

1% of the free float market capitalization (in terms of number of shares) OR

5% of the open interest in the derivative contracts on a particular underlying stock (in terms of number of contracts (Shares)).

- For index based contracts, the Fund shall disclose the total open interest held by its Scheme or all Schemes put together in a particular underlying index, if such open interest equals to or exceeds 15% of the open interest of all derivative contracts on that underlying index.

This position limits shall be applicable on the combined position in all derivative contracts on an underlying stock at a stock exchange.

Exposure Limit

1. The cumulative gross exposure through equity, debt and derivative positions should not exceed 100% of the net assets of the Scheme.
2. The Scheme shall not write options or purchase instruments with embedded written options.
3. The total exposure related to option premium paid shall not exceed 20% of the net assets of the Scheme.
4. Cash or cash equivalents instruments under the Scheme, with residual maturity of less than 91 days shall be treated as not creating any exposure.
5. Exposure due to hedging positions may not be included in the above mentioned limits subject to the following:

- a. Hedging positions are the derivative positions that reduce possible losses on an existing position in securities and till the existing position remains.
 - b. Hedging positions cannot be taken for existing derivative positions. Exposure due to such positions shall have to be added and treated as exposure while calculating cumulative gross exposure.
 - c. Any derivative instrument used to hedge shall have the same underlying security as the existing position being hedged.
 - d. The quantity of underlying associated with the derivative position taken for hedging purposes does not exceed the quantity of the existing position against which hedge has been taken.
6. The Scheme shall enter into plain vanilla interest rate swaps for hedging purposes. The counter party in such transactions shall be an entity recognized as a market maker by RBI. Further, the value of the notional principal in such cases will not exceed the value of respective existing assets being hedged by the Scheme. Exposure to a single counterparty in such transactions should not exceed 10% of the net assets of the Scheme.
7. Exposure due to derivative positions taken for hedging purposes in excess of the underlying position against which the hedging position has been taken, shall be included while calculating cumulative gross exposure.
8. Each position taken in derivatives shall have an associated exposure as defined under. Exposure is the maximum possible loss that may occur on a position. However, certain derivative positions may theoretically have unlimited possible loss. Exposure in derivative positions shall be computed as follows:

Position	Exposure
Long Future	Futures Price * Lot Size * Number of Contracts
Short Future	Futures Price * Lot Size * Number of Contracts
Option bought	Option Premium Paid * Lot Size * Number of Contracts.

The Trustee may alter the above restrictions from time to time to the extent that changes in the Regulations may allow and as deemed fit in the general interest of the Unit Holders.

The Trustee may alter the above restrictions from time to time to the extent that changes in the Regulations may allow and as deemed fit in the general interest of the Unit Holders.

These investment restrictions shall be applicable at the time of investment and changes do not have to be effected merely because, owing to appreciations or depreciations in value, or by reason of the receipt of any rights, bonuses or benefits in the nature of capital or of any Schemes of arrangement or for amalgamation, reconstruction or exchange, or at any repayment or redemption or other reason outside the control of the Fund, any such limits would thereby be breached. If these limits are exceeded for reasons beyond its control, AMC shall as soon as possible take appropriate corrective action, taking into account the interests of the Unit holders.

In addition, certain investment parameters may be adopted internally by AMC, and amended from time to time, to ensure appropriate diversification / security for the Fund. The Trustee Company / AMC may alter these above stated limitations from time to time, and also to the extent the SEBI (Mutual Funds) Regulations, 1996 change, so as to permit the Schemes to make its investments in the full spectrum of permitted investments for Mutual Funds to achieve its investment objective. As such all investments of the Schemes will be made in accordance with SEBI (Mutual Funds) Regulations, 1996, including Schedule VII thereof.

C. Fundamental Attributes

Following are the Fundamental Attributes of the scheme, in terms of paragraph 1.14 of SEBI Master Circular for Mutual Funds dated June 27, 2024:

(i) Type of a scheme - Open ended equity scheme predominantly investing in small cap stocks

(ii) Investment Objective

Main Objective: Long term capital appreciation.

(iii) Investment Pattern –

The tentative Equity/Debt portfolio break-up with minimum and maximum asset allocation, is disclosed in the Section on Asset Allocation and Investment Pattern.

(iv) Terms of Issue

Liquidity Provisions:

The Scheme, being open ended, the Units are not proposed to be listed on any stock exchange. However, the Board of Trustees reserve the right to list the Units as and when this Scheme is permitted to be listed and considers it necessary in the interest of Unit holders of the Fund.

The Scheme offers subscription & redemption facility at the Applicable NAV on every Business Day. As per SEBI Regulations, the Mutual Fund will dispatch Redemption proceeds within 3 Business Days of receiving a valid redemption request. In case the redemption proceeds are not made within 3 Business Days of the date of receipt of a valid redemption request, interest will be paid @ 15% per annum or such other rate from the 4th day onwards as may be prescribed by SEBI from time to time.

Aggregate fees and expenses charged to the Scheme:

The aggregate fees and expenses charged to the Scheme will be in line with the limits defined in the SEBI Regulations as amended from time to time. The aggregate fee and expenses to be charged to the Scheme is detailed in Section I - Part III(C) of this document.

Any Safety Net or Guarantee Provided:

The Scheme does not provide any safety net or guarantee.

Changes in Fundamental Attributes:

In accordance with Regulation 18(15A) of the SEBI (MF) Regulations, the Trustee shall ensure that no change in the fundamental attributes of the Scheme and the Plan(s) / Option(s) thereunder or the trust or fee and expenses payable or any other change which would modify the Scheme and the Plan(s) / Option(s) thereunder and affect the interests of Unit holders is carried out unless:

- The Trustees have taken/received comments from SEBI in this regard before carrying out such changes.
- An addendum to the existing SID shall be issued and displayed on AMC website immediately.
- A written communication about the proposed change is sent to each Unit holder and an public notice / advertisement is given in one English daily newspaper having nationwide circulation as well as in a newspaper published in the language of the region where the Head Office of the Mutual Fund is situated;
- The Unit holders are given an option for a period of 30 days to exit at the prevailing Net Asset Value without any exit load; and
- The SID shall be revised and updated immediately after completion of duration of the exit option (not less than 30 days from the notice date).

D. Index methodology (for index funds, ETFs and FOFs having one underlying domestic ETF) - Not Applicable

E. Principles of incentive structure for market makers (for ETFs) – Not applicable

- F.** Floors and ceiling within a range of 5% of the intended allocation against each sub class of asset, as per clause 13.6.2 of SEBI master circular for mutual funds dated June 27, 2024 (only for close ended debt schemes) – Not Applicable

G. Other Scheme Specific Disclosures:

Listing and transfer of units	Units of the Scheme, which are held in dematerialized (demat) form, are freely transferable under the depository system in accordance with the provisions of SEBI (Depositories and Participants) Regulations, 1996. However, for Units of the Scheme held on physical form the AMC shall, on production of instrument of transfer together with relevant unit certificates, register the transfer and return the unit certificate to the transferee within 30 days from the date of such production. The cost of stamp duty paid for issuing the unit certificate in case of a transfer or otherwise will form part of the annual on-going expenses and/or may be recovered from the unit holder(s).
Dematerialization of units	<p>The Unit holders will have an Option to hold the units by way of an Account Statement or in Dematerialized ('Demat') form. Unit holders opting to hold the units in Demat form must provide their Demat Account details in the specified section of the application form. The Applicant intending to hold the units in Demat form are required to have a beneficiary account with a Depository Participant (DP) registered with NSDL / CDSL and will be required to indicate in the application the DP's name, DP ID Number and the Beneficiary Account Number of the applicant held with the DP at the time of purchasing Units. Unitholders are requested to note that request for conversion of units held in Account Statement (non-demat) form into Demat (electronic) form or vice versa should be submitted to their Depository Participants.</p> <p>In case Unit holders do not provide their demat account details or the demat details provided in the application form are incomplete / incorrect or do not match with the details with the Depository records, the Units will be allotted in account statement mode provided the application is otherwise complete in all respect and accordingly an account statement shall be sent to them.</p> <p>In case of Investors investing through SIP facility and opting to hold the Units in Demat form, the units will be allotted based on the Applicable Net Asset Value (NAV) and the same will be credited to investor's Demat Account on weekly basis on realization of funds.</p> <p>The AMC shall issue units in dematerialized form to a unit holder in a scheme within two working days of the receipt of request from the unit holder.</p>
Minimum Target amount	Not Applicable
Maximum Amount to be raised (if any)	Not Applicable
Dividend Policy (IDCW)	<p>● IDCW Distribution Procedure:</p> <p>SEBI Circular lays down the procedure for Declaration of IDCW which clearly says that quantum of IDCW and record date shall be fixed by the Board of Trustees and AMC shall issue a notice to the public communicating the decision about IDCW including the record date, within one calendar day of the decision made by the Board of Trustees in their meeting.</p>

Record date shall be the date that will be considered for the purpose of determining the eligibility of investors whose name appears on the register of Unit holders. Record date shall be 2 working days from the issue of notice.

The Trusteeship Company reserves the right to declare IDCW on a regular basis. The Fund does not guarantee or assure declaration or payment of IDCW. Although the Trustees have intention to declare IDCW under IDCW Option, such declaration of IDCW if any, is subject to Scheme's performance & the availability & adequacy of distributable surplus in the Scheme at the time of declaration of such IDCW.

Investors should note that, when the Mutual Fund declares a IDCW under the Scheme, the Income distribution shall be dispatched within 15 days of the record date. The requirement of giving notice & the above laid procedure shall not be compulsory for Scheme/plan/option having frequency of IDCW distribution from daily upto monthly IDCW.

Further, investors are requested to note that the amounts can be distributed out of the investor's capital (Equilization Reserve), which is part of sales price that represents realized gains.

- **Effect of IDCWs:**

When IDCWs are declared and paid under the Scheme, the net assets attributable to Unit holders in the IDCW Option will stand reduced by the IDCW amount subject to TDS and statutory levy if any. The NAV of the Unit holders in the Growth Option will remain unaffected by the payment of IDCW.

Even though the asset portfolio will be un-segregated, the NAVs of the Growth Option and IDCW Option will be distinctly different after declaration of the first IDCW to the extent of distributed income, tax and statutory levy paid thereon, where applicable, and expenses relating to the distribution of IDCWs.

- **Mode of Payment of IDCWs:**

The Scheme proposes to pay IDCW by Direct Credit or through RTGS or NEFT or any other EFT means.

RBI offers the facility of EFT for facilitating better customer service by direct credit of IDCW amount to a Unit holder's bank account through electronic credit which avoids loss of IDCW in transit or fraudulent encashment. The Mutual Fund will endeavour to offer this facility for payment of IDCW/repurchase proceeds to the Unit holders residing in any of the cities where such a Bank facility is available.

The Fund is arranging with selected bankers to enable direct credits into the bank accounts of the investors at these banks. If an investor has an account with a bank with which the Fund will tie up for direct credit, the IDCW amount will be credited directly to the bank account, under intimation to the Unit holder by email/SMS/post. The Mutual Fund, on a best effort basis, and after scrutinising the names of the banks where Unit holders have their accounts, will enable direct credit/RTGS/NEFT/ to the Unit holders' bank accounts.

While the preferred mode of payment is through EFT route, the AMC is at the sole discretion to pay IDCW by any other means (including at par cheques and demand

	<p>drafts, where the EFT facility is not available in a particular city or Bank or as the Trusteeship Company or the AMC deems fit in the interest of investors.)</p> <p>All the IDCW payments shall be in accordance and compliance with SEBI Regulations, as amended from time to time.</p> <p>If Unit holders have opted for IDCW Payout Option, if the IDCW amount payable to such Unit holders (net of tax deducted at source, wherever applicable) is less than or equal to Rs. 250, following treatment shall be:</p> <ol style="list-style-type: none"> Where the option to payout IDCW is available in electronic mode: The IDCW amount shall be paid to the Unit holders. However, if the payment through electronic mode is unsuccessful, the AMC shall issue IDCW warrant for such amount; and <p>Where the option to payout IDCW is not available in electronic mode: The IDCW shall be mandatorily reinvested in the respective Scheme/Plan by issuing additional Units at the applicable ex-IDCW NAV.</p>
Allotment	<p>Allotment will be completed after due reconciliation of receipt of funds for all valid applications within 5 Business Days from the closure of the NFO period. Allotment to NRIs/FIIs will be subject to RBI approval, if required. Subject to the SEBI (MF) Regulations, the Trustee may reject any application received in case the application is found invalid/incomplete or for any other reason in the Trustee's sole discretion. For investors who have given demat account details, the Units will be credited to the investor's demat account after due verification and confirmation from NSDL/CDSL of the demat account details.</p> <ul style="list-style-type: none"> Allotment Confirmation/Account Statement (for non-demat account holders): An Allotment Confirmation/Account statement will be sent by way of SMS and/or email and/or ordinary post, to each Unit Holder who has not provided his demat account details in the application form for subscription during the NFO. The Allotment Confirmation/Account statement, stating the number of Units allotted to the Unit Holder will be sent not later than 5 Business Days from the close of the NFO Period of the Scheme. The Account Statement shall be non-transferable. Dispatch of Account Statements to NRIs/FIIs will be subject to RBI approval, if required. Allotment Advice/Holding Statement (demat account holders): For investors who have given valid demat account details at the time of NFO, Units issued by the AMC shall be credited by the Registrar to the investor's beneficiary account with the DP as per information provided in the Application Form. Such investors will receive the holding statement directly from their depository participant (DP) at such a frequency as may be defined in the Depository Act or Regulations or on specific request. Consolidated Account Statement: CAS shall also be sent to the Unit holder in whose folio transactions have taken place during that month: <ul style="list-style-type: none"> -Monthly basis- on or before 15th of the succeeding month in case of delivery via. physical mode and on and before 12th of the succeeding month in case of delivery via. electronic mode

	<p>-Half yearly basis- on or before the twenty-first (21st) day of April and October in case of delivery via physical mode and on and before eighteenth (18th) day of April and October in case of delivery via electronic mode</p> <p>In the event the account has more than one registered Unit holder, the first named Unit holder shall receive the CAS. In case of specific request received from investors, Mutual Fund will provide an account statement to the investors within 5 Business Days from the receipt of such request</p> <p>The Mutual Fund reserves the right to recover from an investor any loss caused to the Scheme on account of dishonour of cheques issued by him/her/it for purchase of Units.</p>
Refund	Not Applicable
Who can invest This is an indicative list and investors shall consult their financial advisor to ascertain whether the scheme is suitable to their risk profile.	<p>The following persons are eligible and may apply for subscription to the Units of the Scheme of the Fund (subject, wherever relevant, to purchase of units of Mutual Funds being permitted and duly authorised under their respective constitutions, charter documents, corporate / other authorisations and relevant statutory provisions, etc):</p> <ol style="list-style-type: none"> 1. Notes:

1. Returned cheques are not liable to be presented again for collection, and the accompanying application forms are liable to be rejected. In case the returned cheques are presented again, the necessary charges, if any, are liable to be debited to the investor.
2. It is expressly understood that at the time of investment, the investor/Unit holder has the express authority to invest in Units of the Scheme and AMC / Trustees / Mutual Fund will not be responsible if such investment is ultravires the relevant constitution. Subject to the Regulations, the Trustee may reject any application received in case the application is found invalid/ incomplete or for any other reason in the Trustee's sole discretion.
3. Non-Resident Indians (NRIs) and Persons of Indian Origin (PIOs) residing abroad/ Overseas Citizens of India (OCI) / Foreign Portfolio Investors (FPIs) have been granted a general permission by Reserve Bank of India under Schedule 5 of the Foreign Exchange Management (Transfer or Issue of Security by a Person Resident Outside India) Regulations, 2000 for investing in / redeeming units of the mutual funds subject to conditions set out in the aforesaid regulations. If a person who is a resident Indian at the time of subscription becomes a resident outside India subsequently, he/she shall have the option to either be paid repurchase value of Units or continue into the Scheme if he/she so desires and is otherwise eligible.

However, the AMC shall not be liable to pay interest or any compensation, arising on account of taxation law or otherwise, on redemption, IDCW or otherwise, to such a person during the period it takes for the Fund to record change in residential status, bank mandates, and change in address due to change in tax status on account of change in residential status.

Notwithstanding the aforesaid, the Trustee reserves the right to close the Unit holder's account and to pay the repurchase value of Units, subsequent to his becoming a person resident outside India, should the reasons of cost, interest of other Unit holders and any other circumstances make it necessary for the Fund to do so.

4. Investors desiring to invest / transact in the Scheme are required to comply with the KYC norms applicable from time to time. Under the KYC norms, Investors are required to provide prescribed documents for establishing their identity and address such as copy of the Passport/PAN Card/Memorandum and Articles of Association/bye-laws/Trust Deed/Partnership Deed/

	<p>Certificate of Registration along with the proof of authorization to invest, as applicable, to the KYC Registration Agency (KRA) registered with SEBI.</p> <ol style="list-style-type: none"> 5. The Government of India has authorized the Central Registry of Securitization and Asset Reconstruction and Security Interest of India (CERSAI, an independent body), to perform the function of Central KYC Records including receiving, storing, safeguarding and retrieving KYC records in digital form. Accordingly, in line with SEBI circular nos. CIR/MIRSD/66/2016 dated July 21, 2016 and CIR/MIRSD/120/2016 dated November 10, 2016 on Operationalisation of Central KYC (CKYC), read with AMFI Best Practice Guidelines circular no. 68/2016-17 dated December 22, 2016, new individual investors investing into the Fund are requested to comply with the CKYC norms. 6. It is compulsory for investors to give certain mandatory disclosures while applying in the Scheme like bank details & PAN/PEKRN copy etc. For details please refer SAI. 7. The Trustee may also periodically add and review the persons eligible for making application for purchase of Units under the Scheme. 8. The Fund / AMC / Trustees / other intermediaries will rely on the declarations/affirmations provided by the Investor(s) in the Application/ Transaction Form(s) and the documents furnished to the KRA that the Investor(s) is permitted/ authorised by the constitution document/ their Board of Directors etc. to make the investment / transact. Further, the Investor shall be liable to indemnify the Fund / AMC / Trustee / other intermediaries in case of any dispute regarding the eligibility, validity and authorization of the transactions and / or the applicant who has applied on behalf of the Investors. The Fund / AMC / Trustee reserves the right to call for such other information and documents as may be required by it in connection with the investments made by the investor. <p>Investors are requested to view full details on eligibility /non-eligibility for investment in the Scheme mentioned in the SAI under the head “Who Can Invest” & also note that this is an indicative list and you are requested to consult your financial advisor to ascertain whether the Scheme is suitable to your risk profile.</p> <p>Foreign Account Tax Compliance Act (commonly known as “FATCA”): The Foreign Account Tax Compliance Act is a United States (US) federal law, aimed at prevention of tax evasion by US Citizens and Residents (“US Persons”) through use of offshore accounts. The Government of India and the US have reached an agreement in substance on the terms of an Inter-Governmental Agreement (“IGA”) to implement the FATCA provisions, which have become globally applicable from July 1, 2014.</p> <p>Edelweiss Mutual Fund (“the Fund”)/ Edelweiss Asset Management Limited (“the AMC”) is classified as a FFI under the FATCA provisions, in which case the Fund / AMC is required, from time to time, to:</p> <ol style="list-style-type: none"> (i) undertake necessary due diligence process by collecting information/documentary evidence of the US/non-US status of the investors; (ii) disclose/report information as far as may be legally permitted about the holdings/investment returns pertaining to reportable accounts to the US
--	---

	<p>Internal Revenue Service and/or such Indian authorities as may be specified under FATCA or other applicable laws and</p> <p>(iii) carry out such other activities as prescribed under the FATCA provisions, as amended from time to time.</p> <p>FATCA due diligence will have to be directed at each investor/unit holder (including joint investors) and on being identified as a reportable person/specified US person, all the folios will be reported. Further, in case of folio with joint investors, the entire account value of investment portfolio will be attributable under each such reportable person. Investors/Unit holders would therefore be required to furnish such information to the Fund/AMC, from time to time, in order to comply with the reporting requirements stated in the IGA and or circulars/guidelines issued by SEBI/AMFI in this regard.</p> <p>The impact of FATCA is relevant not only at the point of on-boarding of the investors but also throughout the life cycle of the investor account / folio with the Fund. Hence investor(s) should immediately intimate the Fund/AMC, in case of any change in the FATCA related information provided by them at the time of initial subscription.</p> <p>The Fund/AMC reserves the right to reject any application or compulsorily redeem the units held directly or beneficially in case the applicant/investor fails to furnish the relevant information and/or documentation or is found to be holding units in contravention of the FATCA provisions.</p> <p>Further, in accordance with the regulatory requirements relating to FATCA/CRS read along with SEBI Circular no. CIR/MIRSD/2/2015 dated August 26, 2015 and AMFI Best practices guidelines circular no. 63/2015-16 dated September 18, 2015 regarding uniform implementation of FATCA/CRS requirements, investors are requested to ensure the following:</p> <ul style="list-style-type: none"> • With effect from November 1, 2015 all investors have to mandatorily provide the details and declaration pertaining to FATCA/CRS for all new accounts opened, failing which the application shall be liable to be rejected. • For accounts opened between July 1, 2014 and October 31, 2015 and certain pre - existing accounts opened till June 30, 2014, the AMC shall reach out to the investors to seek the requisite information/declaration which has to be submitted by the investors before December 31, 2015. In case the information/declaration is not received from the investor on or before December 31, 2015, the account shall be treated as reportable account. <p>Ultimate Beneficial Ownership: In accordance with SEBI Circular no. CIR/MIRSD/2/2013 dated January 24, 2013 and AMFI Best practices guidelines circular no. 62/2015-16 dated September 18, 2015, Investors may note the following:</p> <ul style="list-style-type: none"> • With effect from November 1, 2015, it is mandatory for new investors to provide beneficial ownership details as part of account opening documentation failing which the AMC shall reject the application.
--	--

	<ul style="list-style-type: none"> • With effect from January 1, 2016 it is mandatory for existing investors/unit holders to provide beneficial ownership details, failing which the AMC may reject the transaction for additional subscription (including switches).
Who cannot invest	<p>The Units of the Scheme held in electronic (demat) mode are freely transferable. In case of units held in physical form, additions / deletions of names will be allowed in case a person (i.e. a transferee) becomes a holder of the Units by operation of law or upon enforcement of pledge, then the AMC shall, subject to production of such satisfactory evidence and submission of such documents, proceed to effect the transfer, if the intended transferee is otherwise eligible to hold the Units of the Scheme. The cost of stamp duty paid for issuing the unit certificate in case of a transfer or otherwise will form part of the annual on-going expenses and will be recovered from the unit holder(s).</p> <p>In Clause 1.12 of the SEBI Master Circular dated June 27, 2024 for Mutual Funds, SEBI has laid down the following conditions, in case the AMC wish to impose restrictions on redemption:</p> <ol style="list-style-type: none"> Restrictions may be imposed when there are circumstances leading to a systematic crisis or event that severely constricts market liquidity or the efficient functioning of market such as: <ol style="list-style-type: none"> Liquidity issues Market failures, exchange closure Operational issues Restriction on redemption may be imposed for a specified period of time not exceeding 10 working days in any 90 days period. Any imposition of restriction would require specific approval of Board of AMCs and Trustee and the same should be informed to SEBI immediately. When restriction on redemption is imposed, the following procedure shall be applied: <ol style="list-style-type: none"> No redemption request upto INR 2 lakh shall be subject to such restriction. When redemption request are above INR 2 lakhs, AMCs shall redeem the first INR 2 lakh without such restriction and remaining part over and above INR 2 lakh shall be subject to such restriction. <p>For details, please refer to paragraph on “Right to limit redemption, “suspension of purchase and / or redemption of Units” & paragraph on “Lien & pledge” under SAI.</p>
How to Apply and Other details	<ol style="list-style-type: none"> 1. Application form shall be available from either the Investor Service Centers (ISCs)/Official Points of Acceptance (OPAs) of AMC or may be downloaded from the website of AMC (www.edelweissmf.com) 2. List of official points of acceptance, collecting banker details etc. shall be available at List of ISCs, OPAs & Collecting Banker details 04062024 031225 PM.pdf (edelweissmf.com) 3. Details of the Registrar and Transfer Agent (R&T), official points of acceptance, collecting banker details etc. are available on back cover page. <p>Investors are required to note that it is mandatory to mention their bank account numbers in their applications/requests for redemption.</p>
The policy regarding reissue of repurchased units, including the maximum extent, the manner of reissue, the entity (the scheme or the AMC) involved in the same.	Not Applicable

<p>Restrictions, if any, on the right to freely retain or dispose of units being offered</p>	<p>The Units of the Scheme held in electronic (demat) mode are freely transferable. In case of units held in physical form, additions / deletions of names will be allowed in case a person (i.e. a transferee) becomes a holder of the Units by operation of law or upon enforcement of pledge, then the AMC shall, subject to production of such satisfactory evidence and submission of such documents, proceed to effect the transfer, if the intended transferee is otherwise eligible to hold the Units of the Scheme. The cost of stamp duty paid for issuing the unit certificate in case of a transfer or otherwise will form part of the annual on-going expenses and will be recovered from the unit holder(s).</p> <p>In Clause 1.12 of the SEBI Master Circular dated June 27, 2024 for Mutual Funds, SEBI has laid down the following conditions, in case the AMC wish to impose restrictions on redemption:</p> <ul style="list-style-type: none"> e. Restrictions may be imposed when there are circumstances leading to a systematic crisis or event that severely constricts market liquidity or the efficient functioning of market such as: <ul style="list-style-type: none"> iv. Liquidity issues v. Market failures, exchange closure vi. Operational issues f. Restriction on redemption may be imposed for a specified period of time not exceeding 10 working days in any 90 days period. g. Any imposition of restriction would require specific approval of Board of AMCs and Trustee and the same should be informed to SEBI immediately. h. When restriction on redemption is imposed, the following procedure shall be applied: <ul style="list-style-type: none"> iii. No redemption request upto INR 2 lakh shall be subject to such restriction. iv. When redemption request are above INR 2 lakhs, AMCs shall redeem the first INR 2 lakh without such restriction and remaining part over and above INR 2 lakh shall be subject to such restriction. <p>For details, please refer to paragraph on “Right to limit redemption, “suspension of purchase and / or redemption of Units” & paragraph on “Lien & pledge” under SAI.</p>
<p>Cut off timing for subscriptions/ redemptions/ switches This is the time before which your application (complete in all respects) should reach the official points of acceptance</p>	<p>Investors will get the Units on the basis of NAV & the time at which they apply. Minimum amount for purchase/redemption/switches	<p>Minimum Initial Purchase Amount:</p> <p>Minimum of Rs.100/- and in multiples of Re. 1/- thereafter.</p>

(mention the provisions for ETFs, as may be applicable, for direct subscription/redemption with AMC.	<p>Minimum Additional Purchase Amount: Minimum additional amount will be for Rs. 100/- and in multiples of Re. 1/- thereafter.</p> <p>Minimum Redemption Amount: Rs. 1 and in multiples of Re. 1 thereafter. There will be no minimum redemption criterion for Unit based redemption. The Redemption / Switch-out would be permitted to the extent of credit balance in the Unit holder's account of the Plan(s) / Option(s) of the Scheme(s) (subject to completion of Lock-in period or release of pledge / lien or other encumbrances). For demat transactions, minimum redemption would be mandatorily 50 units.</p> <p>The AMC may revise the minimum / maximum amounts and the methodology for new/additional subscriptions, as and when necessary. Such change may be brought about after taking into account the cost structure for a transaction/account and /or Market practices and/or the interest of existing Unit holders. Further, such changes shall only be applicable to transactions from the date of such a change, on a prospective basis.</p> <p>NOTE: Investors can purchase Units under the Scheme at the purchase price. The Unit holder can request for purchase of Units by amount or by number of Units. For details on how the Purchase Price is calculated, investors are requested to view SAI under the heading "Purchase Price".</p> <p>Allotment of Units for purchases by NRIs / FIIs / PIOs shall be in accordance with RBI rules in force.</p>
Accounts Statements	<p>The AMC shall send an allotment confirmation specifying the units allotted by way of email and/or SMS within 5 working days of receipt of valid application/transaction to the Unit holders registered e-mail address and/ or mobile number (whether units are held in demat mode or in account statement form).</p> <p>Consolidated Account Statement: CAS shall also be sent to the Unit holder in whose folio transactions have taken place during that month: -Monthly basis- on or before 15th of the succeeding month in case of delivery via. physical mode and on and before 12th of the succeeding month in case of delivery via. electronic mode -Half yearly basis- on or before the twenty-first (21st) day of April and October in case of delivery via physical mode and on and before eighteenth (18th) day of April and October incase of delivery via. electronic mode In the event the account has more than one registered Unit holder, the first named Unit holder shall receive the CAS. In case of specific request received from investors, Mutual Fund will provide an account statement to the investors within 5 Business Days from the receipt of such request</p> <p>For further details, refer SAI.</p>
Dividend/ IDCW	The payment of dividend/IDCW to the unitholders shall be made within 7 working days from the record date.
Redemption	<p>The redemption or repurchase proceeds shall be dispatched to the unitholders within 3 working days from the date of redemption or repurchase.</p> <p>For list of exceptional circumstances refer para 14.1.3 of SEBI Master Circular for Mutual Funds dated June 27, 2024.</p>

Bank Mandate	<p>The payment of dividend/IDCW to the unitholders shall be made within 7 working days from the record date.</p> <p>The redemption or repurchase proceeds shall be dispatched to the unitholders within 3 working days from the date of redemption or repurchase.</p> <p>For list of exceptional circumstances refer para 14.1.3 of SEBI Master Circular for Mutual Funds dated June 27, 2024.</p> <p>It is mandatory for every applicant to provide the name of the bank, branch, address, account type and number as per requirements laid down by SEBI and any other requirements stated in the Application Form. Applications without these details will be treated as incomplete. Such incomplete applications will be rejected. The Registrar/AMC may ask the investor to provide a blank cancelled cheque or its photocopy for the purpose of verifying the bank account number.</p> <p>Multiple Bank Account Registration</p> <p>The Mutual Fund offers a facility to register multiple bank accounts for pay-in & payout purposes and designate one of the registered bank accounts as “Default Bank Account”. Individuals, HUFs, Sole proprietor firms can register upto five bank accounts and a non-individual investor can register upto ten bank accounts in a folio. This facility can be availed by using a designated “Bank Accounts Registration Form” available at Investor Service Centers and Registrar and Transfer Agent’s offices. In case of new investors, the bank account mentioned on the purchase application form, used for opening the folio, will be treated as default bank account till the investor gives a separate request to register multiple bank accounts and change the default bank account to any of other registered bank account. Registered bank accounts may also be used for verification of pay-ins (i.e. receiving of subscription funds) to ensure that a third party payment is not used for mutual fund subscription. Default Bank Account will be used for all IDCW and redemption payouts unless investor specifies one of the existing registered bank account in the redemption request for receiving redemption proceeds. However, in case a Unit holder does not specify the default account, the Mutual Fund reserves the right to designate any of the registered bank accounts as default bank account.</p> <p>Consequent to introduction of “Multiple Bank Accounts Facility”, registering a new bank account will require a cooling period of not more than 10 days from the date of receipt of request. In the interim, in case of any IDCW/ redemption/ maturity payout, the same would be credited in the existing registered bank account.</p> <p>Change in Bank Mandate</p> <p>Change in Bank Mandate: Pursuant to AMFI communication no. 135/BP/26/11-12 dated March 21, 2012, following process changes will be carried out in relation to change in bank mandate:</p> <ol style="list-style-type: none"> 1. In case of standalone change of bank details, documents as enlisted in the SAI should be submitted as a proof of new bank account details. 2. In case of standalone change of bank details, documents as enlisted below should be submitted as a proof of new bank account details: 3. Investors/Unit holders are advised to register multiple bank accounts and choose any of such registered bank accounts for receipt of redemption proceeds;
--------------	---

	<p>4. Any unregistered bank account or new bank account forming part of redemption request shall not be entertained or processed;</p> <p>Any change of Bank Mandate request received/processed few days prior to submission of a redemption request or on the same day as a standalone change request or received along with the redemption request, Edelweiss Asset Management Ltd will continue to follow cooling period of 10 calendar days for validation and registration of new bank account and dispatch/credit of redemption proceeds shall be completed in 10 working days from the date of redemption.</p>
Delay in payment of redemption / repurchase proceeds/dividend	The AMC shall be liable to pay interest to the unitholders at rate as specified (presently @ 15% per annum) vide clause 14.2 of SEBI Master Circular for Mutual Funds dated June 27, 2024 by SEBI for the period of such delay.
Unclaimed Redemption and Income Distribution cum Capital Withdrawal Amount	<p>In terms of Clause 14.3 of the SEBI Master Circular dated June 27, 2024 for Mutual Funds, the unclaimed redemption amount and IDCW amounts (the funds) may be deployed by the Mutual Fund in money market instruments and separate plan of liquid scheme / Money Market Mutual Fund scheme floated by Mutual Funds specifically for deployment of the unclaimed amounts only. Investors who claim the unclaimed amounts during a period of three years from the due date shall be paid an initial unclaimed amount along-with the income earned on its deployment. Investors who claim these amounts after 3 years, shall be paid initial unclaimed amount along-with the income earned on its deployment till the end of the third year. After the third year, the income earned on such unclaimed amounts shall be used for the purpose of investor education.</p> <p>The details of such unclaimed redemption/IDCW amounts are made available to investors upon them providing proper credentials, on website of Mutual Funds and AMFI along with the information on the process of claiming the unclaimed amount and the necessary forms / documents required for the same.</p>
Disclosure w.r.t investment by minors	<p>The minor unitholder, on attaining majority, shall inform the same to AMC / Mutual Fund / Registrar and submit following documents to change the status of the account (folio) from 'minor' to 'major' to allow him/her to operate the account in his/her own right viz., (a) Duly filled request form for changing the status of the account (folio) from 'minor' to 'major'; (b) updated bank account details including cancelled original cheque leaf of the new account; (c) Signature attestation of the major by a bank manager of Scheduled bank / Bank certificate or Bank letter; (d) KYC acknowledgement letter of major. The guardian cannot undertake (financial/ non-financial transaction including existing Systematic Investment Plan (SIP), Systematic Transfer Plan (STP), Systematic Withdrawal Plan (SWP) after the date of minor attaining majority) till the time the change in the status from 'minor' to 'major' is registered in the account (folio) by the AMC/ Mutual Fund. The AMC/RTA will execute standing instructions like SIP, STP, SWP etc. in a folio of minor only upto the date of minor attaining majority though the instruction may be for the period beyond that date. The above provisions are in line with the Paragraph 18.5 of SEBI Master Circular dated June 27, 2024.</p> <p>Payment for investment by minor in any mode shall be accepted from the bank account of the minor, parent or legal guardian of the minor, or from a joint account of the minor with parent or legal guardian. Irrespective of the source of payment for subscription, all redemption proceeds shall be credited only in the verified bank account of the minor, i.e. the account the minor may hold with the parent/ legal guardian after completing all KYC formalities. The above provisions are in line with the para 17.6 of the SEBI Master Circular for Mutual Funds dated June 27, 2024.</p>
Acceptance of transactions through email in respect of Non-individual investors	Non-individual unitholders desiring to avail the facility of carrying out financial transactions through email in respect of Edelweiss Mutual Fund schemes shall:

	<p>a) Submit a copy of the Board resolution or an authority letter on their letter head (signed by competent authority), granting appropriate authority to the designated officials of their entity.</p> <p>b) The board resolution/authority letter should explicitly consist of:</p> <p>(i) List of approved authorized officials who are authorized to transact on behalf of non-individual investors along with their designation and email IDs.</p> <p>(ii) An undertaking that the instructions for any financial transactions sent by email by the authorized officials shall be binding upon the entity as if it were a written agreement.</p> <p>c) In case the document is executed/submitted electronically with a valid Digital Signature Certificate (DSC) or through Aadhaar based e-signature by the authorized official/s shall be considered as valid and acceptable and shall be binding on the non-individual investor even if the transaction request is not received from the registered email id. of the authorized official/s. However, in such cases, the domain name of the email ID should be from the same organization's official domain name.</p> <p>d) In addition to acceptance of financial transaction via email, scanned copy of duly signed transaction form/request letter bearing wet signatures of the authorized signatories of the entity, received from some other official / employee of the non-individual investor may also be accepted, and shall be binding on the non-individual investor provided -</p> <p>(i) The email is also cc'd (copied) to the registered email ID of the authorized official / signatory of the non-individual unitholder; and</p> <p>(ii) the domain name of the email ID of the sender of the email is from the same organization's official domain name.</p> <p>e) No change in bank details or addition of bank account of the entity or any non-financial transactions shall be allowed / accepted via email.</p> <p>f) Request for change in bank details or addition of bank account of the entity shall be submitted by the non-individual investor using the prescribed service request form duly signed by the entity's authorized signatories with wet signature of the designated authorized signatories.</p> <p>g) Further, any Change in the registered email address / contact details of the entity shall be accepted only through a physical letter (including scanned copy thereof) with wet signature of the designated authorized officials of the entity, duly supported by copy of the board resolutions/authority letter on the entity's letter head.</p> <p>h) In addition to acceptance of financial transactions via email, scanned copies of signed transaction form /request letters bearing wet signatures of the authorized signatories of the entity, received from the registered MFD of the entity or a third party authorized by the non-individual unitholder may also be accepted subject to fulfillment of the following requirements:</p> <p>(i) Authorization letter from the non-individual unitholder authorizing the MFD/person to send the scanned copies of signed transaction form/request letter on behalf the non-individual investor and</p> <p>(ii) the non-individual unitholder's registered email ID shall also cc'd (copied) in the email sent by the authorized MFD/person sending the scanned copies of the duly signed transaction form/request letter.</p>

C. Transparency/NAV Disclosure

The NAVs will be calculated and disclosed on every Business Day (Calendar Day for Edelweiss Liquid Fund) by 11.00 p.m. on AMFI website (www.amfiindia.com) and under a separate head on Edelweiss Mutual Fund's website (www.edelweissmf.com). In case of any delay, the reason for such delay would be reported to AMFI on the next Business Day. If the NAVs are not available before commencement of working hours on the following Business Day due to any reason, the Fund shall issue a press release providing reasons and explaining when the Fund would be able to publish the NAVs. The AMC will disclose portfolios (along with ISIN) in user friendly and downloadable spreadsheet format, as on the last day of the month/half year for all the schemes on its website www.edelweissmf.com and on the website of AMFI (www.amfiindia.com) within 10 days from the close of each month/half year.

In case of any delay, the reasons for such delay would be explained to AMFI by the next day. If the NAVs are not available before commencement of working hours on the following day due to any reason, the Fund shall issue a press release providing reasons and explaining when the Fund would be able to publish the NAV.

The NAV will be calculated in the manner as provided in this SID or as may be prescribed by the SEBI Regulations from time to time. The NAV will be computed up to Four decimal places.

Investors may write to the AMC for availing facility of receiving the latest NAVs through SMS.

D. Transaction charges and stamp duty-

(i) For the First Time Investor in Mutual Funds (across all mutual funds):

Transaction Charge of Rs. 150/- for subscription of Rs. 10,000/- and above will be deducted from the subscription amount and paid to the distributor/agent of such First Time Investor and the balance amount will be invested.

(ii) For Investor other than First Time Mutual Fund Investor (existing investors in any mutual fund):

Transaction Charge of Rs. 100/- per subscription of Rs.10,000/- and above will be deducted from the subscription amount and paid to the distributor/agent of the investor and the balance amount will be invested.

Note: There shall be no transaction charge on subscription below Rs. 10,000/-

Investors are requested to note that no transaction charges shall be deducted from the investment amount for transactions / applications received from the distributor (i.e. in Regular Plan) and full subscription amount will be invested in the Scheme.

Stamp Duty:

Pursuant to Notification No. S.O. 1226(E) and G.S.R. 226(E) dated March 30, 2020 issued by the Department of Revenue, Ministry of Finance, Government of India, read with Part I of Chapter IV of Notification dated February 21, 2019 issued by Legislative Department, Ministry of Law and Justice, Government of India on the Finance Act, 2019, a stamp duty @ 0.005% of the transaction value would be levied on mutual fund transactions (including transactions carried through stock exchanges and depositories for units in demat mode), with effect from July 1, 2020. Accordingly, pursuant to levy of stamp duty, the number of units allotted on purchase transactions (including IDCW reinvestment and IDCW transfers) to the unitholders would be reduced to that extent.
