HIGHLIGHTS/ SUMMARY OF THE SCHEME

Investment objective

The Scheme will endeavour to generate returns through a portfolio of debt & money market instruments that are maturing on or before the maturity of the Scheme. However, there is no assurance or guarantee that the investment objective of the Scheme will be achieved. The Scheme does not assure or guarantee any returns.

Tenure

Tenure of the Scheme(s) is 1154 days from the date of allotment (including the date of allotment.) If the maturity / payout date falls on a non-business day, the maturity / payout date shall be the next business day.

The exact duration of the Scheme(s) shall be decided at the time of launch of the respective Scheme(s). The exact duration of the Scheme(s) will be specified in the SID submitted to SEBI before launch of the Scheme(s). Each series under Axis Fixed Term Plan - Series 101 (1154 Days) is a separate scheme in itself with a separate portfolio.

Units of respective schemes(s) will be redeemed only on the Maturity Date of the respective scheme(s) (or immediately succeeding Business Day if that day is not a Business Day.)

Liquidity

The Units of the Scheme cannot be redeemed by the Unit holder directly with the Fund until the Maturity Date.

The Units of the Scheme will be listed on the capital market segment of the BSE and/ or any other Stock Exchange. Unit holders can purchase / sell Units on a continuous basis on BSE and/or any other Stock Exchange(s) on which the Units are listed. The Units can be purchased / sold during the trading hours of the Stock Exchange(s) like any other publicly traded stock. The trading of Units on BSE and/or any other Stock Exchange(s) on which the Units are listed will automatically get suspended one Business Day prior to the record date for redemption of Units on Maturity Date/ Final Redemption Date. No separate notice will be issued by the AMC informing about Maturity Record Date or Suspension of trading by the stock exchange. However, the Fund reserves the right to change the record date for maturity by issue of suitable notice. The Unit holders whose name(s) appear on the list of beneficial owners as per the Depositories (NSDL/CDSL) on records date shall be entitled to receive redemption proceeds of Units.

The price of the Units on the Stock Exchange(s) will depend on demand and supply at that point of time and underlying NAV. There is no minimum investment limit, although Units are normally traded in round lots of 1 Unit.

Please refer to para "Settlement of purchase / sale of Units of the Scheme on BSE" and "Rolling Settlement" under the section "**Cut off timing for subscriptions/ redemption/ switches**" for further details.

Dematerialization of Units

The Unit holders are given an Option to hold the units by way of an Account Statement (Physical form) or in Dematerialized ('Demat') form. Mode of holding shall be clearly specified in the KIM cum application form. Unit holders holding the units in physical form will not be able to trade or transfer their units till such units are dematerialized.

Unit holders opting to hold the units in demat form must provide their Demat Account details in the specified section of the application form. The Unit holder intending to hold the units in Demat form are required to have a beneficiary account with the Depository Participant (DP) (registered with NSDL/ CDSL

as may be indicated by the Fund at the time of launch) and will be required to indicate in the application the DP's name, DP ID Number and the beneficiary account number of the applicant with the DP. In case Unit holders do not provide their Demat Account details, an Account Statement shall be sent to them. Such investors will not be able to trade on the stock exchange till the holdings are converted in to demat form.

Transfer of Units

Units held by way of an Account Statement (Physical form) cannot be transferred. Units held in Demat form are freely transferable in accordance with the provisions of SEBI (Depositories and Participants) Regulations, as may be amended from time to time. Transfer can be made only in favour of transferees who are capable of holding units and having a Demat Account. The delivery instructions for transfer of units will have to be lodged with the DP in requisite form as may be required from time to time and transfer will be affected in accordance with such rules / regulations as may be in force governing transfer of securities in dematerialized mode.

Payment of redemption proceeds

The AMC shall dispatch the Redemption proceeds within 10 Business Days from the maturity date.

Benchmark

The Benchmark Index for the Scheme(s) would be NIFTY Medium Duration Debt Index.

Transparency/NAV Disclosure

The AMC will calculate and disclose the first NAV of the Scheme within a period of 5 business days from the date of allotment. Subsequently, the AMC will calculate and disclose the NAVs on all Business Days. The AMC shall update the NAVs on website of the Association of Mutual Funds in India - AMFI (www.amfiindia.com) before 9.00 p.m. on every Business Day and shall also update the NAVs on the website of AMC (www.axismf.com). If the NAVs are not available before the commencement of Business Hours on the following day due to any reason, the Mutual Fund shall issue a press release giving reasons and explaining when the Mutual Fund would be able to publish the NAV.

The AMC will disclose the portfolio of the Scheme (alongwith ISIN) as on the last day of the month/ half year on the website of the Mutual Fund and AMFI within 10 days from the close of each month/ half year (i.e. 31st March and 30th September) respectively in a user-friendly and downloadable spreadsheet format. Further, AMC shall publish an advertisement, in an all India edition of one national English daily newspaper and in one Hindi newspaper, every half year disclosing the hosting of the half-yearly statement of its schemes portfolio on the website of the Mutual Fund and AMFI and the modes through which unitholder can submit a request for a physical or electronic copy of the statement of scheme portfolios.

The AMC will also provide a dashboard, in a comparable, downloadable (spreadsheet) and machine readable format, providing performance and key disclosures like Scheme's AUM, investment objective, expense ratios, portfolio details, scheme's past performance etc. on its website.

The AMC will make available the Annual Report of the Scheme within four months of the end of the financial year on its website and on the website of AMFI along with a link.

6	Direct	Regular	Direct Plan
7	Mentioned	Regular	Regular Plan
8	Mentioned	Not Mentioned	Regular Plan

In cases of wrong/ invalid/ incomplete ARN codes mentioned on the application form, the application shall be processed under Regular Plan. The AMC shall contact and obtain the correct ARN code within 30 calendar days of the receipt of the application form from the investor/ distributor. In case, the correct code is not received within 30 calendar days, the AMC shall reprocess the transaction under Direct Plan from the date of application without any exit load.

Default option – Growth

Default Sub-option between Regular, Quarterly and Half Yearly dividend payout – Regular Dividend Payout

I. INTRODUCTION

A. RISK FACTORS

i. Standard Risk Factors:

- Investment in mutual fund Units involves investment risks such as trading volumes, settlement risk, liquidity risk, default risk including the possible loss of principal.
- As the price / value / interest rates of the securities in which the Scheme invests fluctuates, the value of your investment in the Scheme may go up or down.
- Past performance of the Sponsor/AMC/Mutual Fund does not guarantee future performance of the Scheme.
- The name of the Scheme does not in any manner indicate either the quality of the Scheme or its future prospects and returns.
- The sponsor is not responsible or liable for any loss resulting from the operation of the Scheme beyond the initial contribution of Rs. 1 lac made by it towards setting up the Fund.
- Axis Fixed Term Plan - Series 101 (1154 Days) is not a guaranteed or assured return scheme.

ii. Scheme Specific Risk Factors

Risks associated with investments in Fixed Income Securities

Interest-Rate Risk: Fixed income securities such as government bonds, corporate bonds, money market instruments and derivatives run price-risk or interest-rate risk. Generally, when interest rates rise, prices of existing fixed income securities fall and when interest rates drop, such prices increase. The extent of fall or rise in the prices depends upon the coupon and maturity of the security. It also depends upon the yield level at which the security is being traded.

Re-investment Risk: Investments in fixed income securities carry re-investment risk as interest rates prevailing on the coupon payment or maturity dates may differ from the original coupon of the bond.

Basis Risk: The underlying benchmark of a floating rate security or a swap might become less active or may cease to exist and thus may not be able to capture the exact interest rate movements, leading to loss of value of the portfolio.

Spread Risk: In a floating rate security the coupon is expressed in terms of a spread or mark up over the benchmark rate. In the life of the security this spread may move adversely leading to loss in value of the portfolio. The yield of the underlying benchmark might not change, but the spread of the security over the underlying benchmark might increase leading to loss in value of the security.

Liquidity Risk: The liquidity of a bond may change, depending on market conditions leading to changes in the liquidity premium attached to the price of the bond. At the time of selling the security, the security can become illiquid, leading to loss in value of the portfolio.

Liquidity Risk on account of unlisted securities: The liquidity and valuation of the Schemes' investments due to their holdings of unlisted securities may be affected if they have to be sold prior to their target date of divestment. The unlisted security can go down in value before the divestment date and selling of these securities before the divestment date can lead to losses in the portfolio.

Credit Risk: This is the risk associated with the issuer of a debenture/bond or a Money Market Instrument defaulting on coupon payments or in paying back the principal amount on maturity. Even when there is no default, the price of a security may change with expected changes in the credit rating of the issuer. It is to be noted here that a Government Security is a sovereign security and is the safest. Corporate bonds carry a higher amount of credit risk than Government Securities. Within corporate bonds also there are different levels of safety and a bond rated higher by a particular rating agency is safer than a bond rated lower by the same rating agency.

Settlement Risk: Fixed income securities run the risk of settlement which can adversely affect the ability of the fund house to swiftly execute trading strategies which can lead to adverse movements in NAV

Risk associated with Securitized Debt

The Scheme may invest in domestic securitized debt such as Asset Backed Securities (ABS) or Mortgage Backed Securities (MBS). ABS are securitized debts where the underlying assets are receivables arising from various loans including automobile loans, personal loans, loans against consumer durables, etc. MBS are securitized debts where the underlying assets are receivables arising from loans backed by mortgage of residential / commercial properties.

At present in Indian market, following types of loans are securitized:

1. Auto Loans (cars / commercial vehicles /two wheelers)
2. Residential Mortgages or Housing Loans
3. Consumer Durable Loans
4. Personal Loans
5. Corporate Loans

In terms of specific risks attached to securitization, each asset class would have different underlying risks. Residential Mortgages generally have lower default rates than other asset classes, but repossession becomes difficult. On the other hand, repossession and subsequent recovery of commercial vehicles and other auto assets is fairly easier and better compared to mortgages. Asset classes like personal loans, credit card receivables are unsecured and in an economic downturn may witness higher default. A corporate loan/receivable, depend upon the nature of the underlying security for the loan or the nature of the receivable and the risks correspondingly fluctuate.

The rating agencies define margins, over collateralisation and guarantees to bring risk in line with similar AAA rated securities. The factors typically analyzed for any pool are as follows:

- a. Assets securitized and Size of the loan: This indicates the kind of assets financed with the loan and the average ticket size of the loan. A very low ticket size might mean more costs in originating and servicing of the assets.
- b. Diversification: Diversification across geographical boundaries and ticket sizes might result in lower delinquency
- c. Loan to Value Ratio: Indicates how much % value of the asset is financed by borrower's own equity. The lower this value the better it is. This suggests that where the borrowers own contribution of the asset cost is high; the chances of default are lower.
- d. Average seasoning of the pool: This indicates whether borrowers have already displayed repayment discipline. The higher the number, the more superior it is.

The other main risks pertaining to Securitized debt are as follows:

Prepayment Risk: This arises when the borrower pays off the loan sooner than expected. When interest rates decline, borrowers tend to pay off high interest loans with money borrowed at a lower interest rate, which shortens the average maturity of ABSs. However, there is some prepayment risk even if interest rates rise, such as when an owner pays off a mortgage when the house is sold or an auto loan is paid off when the car is sold.

Reinvestment Risk: Since prepayment risk increases when interest rates decline, this also introduces reinvestment risk, which is the risk that the principal can only be reinvested at a lower rate.

Risks associated with investment in Derivatives Transactions

Credit Risk: The credit risk is the risk that the counter party will default in its obligations and is generally small as in a Derivative transaction there is generally no exchange of the principal amount.

Interest rate risk: Derivatives carry the risk of adverse changes in the price due to change in interest rates.

Basis Risk: When a bond is hedged using a derivative, the change in price of the bond and the change in price of the Derivative may not be fully correlated leading to basis risk in the portfolio.

Liquidity risk: During the life of the derivative, the benchmark might become illiquid and might not be fully capturing the interest rate changes in the market, or the selling, unwinding prices might not reflect the underlying assets, rates and indices, leading to loss of value of the portfolio.

Model Risk: The risk of mis-pricing or improper valuation of Derivatives.

Trade Execution: Risk where the final execution price is different from the screen price leading to dilution in the spreads and hence impacting the profitability of the reverse arbitrage strategy.

Systemic Risk: For Derivatives, especially OTC ones the failure of one Counter Party can put the whole system at risk and the whole system can come to a halt.

Derivative products are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the Investor. Execution of such strategies depends upon the ability of the fund manager to identify such opportunities. Identification and execution of the strategies to be pursued by the fund manager involve uncertainty and decision of fund manager may not always be profitable. No assurance can be given that the fund manager will be able to identify or execute such strategies.

The risks associated with the use of Derivatives are different from or possibly greater than, the risks associated with investing directly in securities and other traditional investments.

Risks associated with Repo transactions in Corporate Bonds

The Scheme may be exposed to counter party risk in case of repo lending transactions in the event of the counterparty failing to honour the repurchase agreement. However, in repo transactions, the collateral may be sold and a loss is realized only if the sale price is less than the repo amount. The risk is further mitigated through over-collateralization (the value of the collateral being more than the repo amount).

Risks related to Listing of Mutual Fund units

Listing of the units of the fund does not necessarily guarantee their liquidity and there can be no assurance that an active secondary market for the units will develop or be maintained. Consequently, the Fund may quote below its face value / NAV.

Trading in Units of the scheme on the Exchange may be halted because of market conditions or for reasons that in view of Exchange Authorities or SEBI, trading in Units of the scheme is not advisable. In addition, trading in Units of the Scheme is subject to trading halts caused by extraordinary market volatility and pursuant to Exchange and SEBI 'circuit filter' rules. There can be no assurance that the requirements of Exchange necessary to maintain the listing of Units of the scheme will continue to be met or will remain unchanged. Any changes in trading regulations by the Stock Exchange(s) or SEBI may inter-alia result in wider premium/ discount to NAV. The Units of the scheme(s) may trade above or below their NAV. The NAV of the scheme will fluctuate with changes in the market value of scheme's holdings. The trading prices of Units of the scheme will fluctuate in accordance with changes in their NAV as well as market supply and demand for the Units of the scheme(s). The Units will be issued in demat form through depositories. The records of the depository are final with respect to the number of Units available to the credit of Unit holder. Settlement of trades, repurchase of Units by the Mutual Fund on the maturity date will depend upon the confirmations to be received from depository(ies) on which the Mutual Fund has no control.

The market price of the Units of the scheme(s), like any other listed security, is largely dependent on two factors, viz., (1) the intrinsic value of the Unit (or NAV), and (2) demand and supply of Units in the market. Sizeable demand or supply of the Units in the Exchange may lead to market price of the Units to quote at premium or discount to NAV. As the Units allotted under the Scheme will be listed on the Exchange, the Mutual Fund shall not provide for redemption / repurchase of Units prior to maturity date of the Scheme.

Risk Factor associated with Close-ended Schemes

Investing in close-ended Schemes is more appropriate for seasoned investors. A close-ended Scheme endeavors to achieve the desired returns only at the scheduled maturity of the Scheme. Investors who wish to exit/redeem before the scheduled maturity date may do so through the stock exchange mode, if they have opted to hold Units in a demat form, by mentioning their demat details on the NFO application form. For the units listed on the exchange, it is possible that the market price at which the units are traded may be at a discount to the NAV of such Units. Hence, Unit Holders who sell their Units in a Scheme prior to maturity may not get the desired returns.

B. REQUIREMENT OF MINIMUM INVESTORS IN THE SCHEME

The Scheme/Series shall have a minimum of 20 investors and no single investor shall account for more than 25% of the corpus of the Scheme/Series. These conditions will be complied with immediately after the close of the NFO itself i.e. at the time of allotment. In case of non-fulfillment with the condition of minimum 20 investors, the Scheme/Series shall be wound up in accordance with Regulation 39(2)(c) of SEBI (MF) Regulations automatically without any reference from SEBI. In case of non-fulfillment with the condition of 25% holding by a single investor on the date of allotment, the application to the extent of exposure in excess of the stipulated 25% limit would be liable to be rejected and the allotment would be effective only to the extent of 25% of the corpus collected. Consequently, such exposure over 25% limits will lead to refund within 5 business days from the date of closure of the New Fund Offer.

C. SPECIAL CONSIDERATIONS, if any

- Prospective investors should study this Scheme Information Document and Statement of Additional Information carefully in its entirety and should not construe the contents hereof as advice relating to legal, taxation, financial, investment or any other matters and are advised to consult their legal, tax, financial and other professional advisors to determine possible legal, tax, financial or other considerations of subscribing to or redeeming Units, before making a decision to invest/redeem/hold Units.
- The Scheme related documents i.e. SID/ KIM/ SAI or the units of the Fund are not registered in any jurisdiction including the United States of America nor in any provincial/ territorial jurisdiction in Canada. The distribution of the Scheme related document in certain jurisdictions may be restricted or subject to registration requirements and, accordingly, persons who come into possession of the Scheme related documents are required to inform themselves about, and to observe any such restrictions. No persons receiving a copy of this Scheme related documents or any accompanying application form in such jurisdiction may treat these Scheme related documents or such application form as constituting an invitation to them to subscribe for units, nor should they in any event use any such application form, unless in the relevant jurisdiction such an invitation could lawfully be made to them and such application form could lawfully be used without compliance with any registration or other legal requirements. Accordingly, the Scheme related documents do not constitute an offer or solicitation by anyone in any jurisdiction in which such offer or solicitation is not lawful or in which the person making such offer or solicitation is not qualified to do so or to anyone to whom it is unlawful to make such offer or solicitation as per applicable law.
- The AMC, Trustee or the Mutual Fund have not authorized any person to issue any advertisement or to give any information or to make any representations, either oral or written, other than that contained in this Scheme Information Document or the Statement of Additional Information or as provided by the AMC in connection with this offering. Prospective investors are advised not to rely upon any information or representation not incorporated in the Scheme Information Document or

Statement of Additional Information or as provided by the AMC as having been authorized by the Mutual Fund, the AMC or the Trustee.

- Redemption due to change in the fundamental attributes of the Scheme or due to any other reasons may entail tax consequences. The Trustee, AMC, Mutual Fund, their directors or their employees shall not be liable for any such tax consequences that may arise due to such redemptions.
- The Trustee, AMC, Mutual Fund, their directors or their employees shall not be liable for any of the tax consequences that may arise, in the event that the Scheme/Plan(s) is wound up for the reasons and in the manner provided in 'Statement of Additional Information.
- The tax benefits described in this Scheme Information Document and Statement of Additional Information are as available under the present taxation laws and are available subject to relevant conditions. The information given is included only for general purpose and is based on advice received by the AMC regarding the law and practice currently in force in India as on the date of this Scheme Information Document and the Unit holders should be aware that the relevant fiscal rules or their interpretation may change. As is the case with any investment, there can be no guarantee that the tax position or the proposed tax position prevailing at the time of an investment in the Scheme will endure indefinitely. In view of the individual nature of tax consequences, each Unit holder is advised to consult his / her own professional tax advisor.
- The Mutual Fund may disclose details of the investor's account and transactions there under to those intermediaries whose stamp appears on the application form or who have been designated as such by the investor. In addition, the Mutual Fund may disclose such details to the bankers, as may be necessary for the purpose of effecting payments to the investor. The Fund may also disclose such details to regulatory and statutory authorities/bodies as may be required or necessary.
- Pursuant to the provisions of Prevention of Money Laundering Act, 2002, if after due diligence, the AMC believes that any transaction is suspicious in nature as regards money laundering, on failure to provide required documentation, information, etc. by the unit holder the AMC shall have absolute discretion to report such suspicious transactions to FIU-IND and/or to freeze the folios of the investor(s), reject any application(s) / allotment of units.

II. INFORMATION ABOUT THE SCHEME

A. TYPE OF THE SCHEME(S)

A Close ended debt scheme.

B. WHAT IS THE INVESTMENT OBJECTIVE OF THE SCHEME(S)?

The Scheme will endeavour to generate returns through a portfolio of debt & money market instruments that are maturing on or before the maturity of the scheme. However, there is no assurance or guarantee that the investment objective of the Scheme will be achieved. The Scheme does not assure or guarantee any returns.

C. HOW WILL THE SCHEME(S) ALLOCATE ITS ASSETS?

Under normal circumstances, the asset allocation will be:

For scheme(s) having maturity more than 3 years up to 5 years

Instruments	Indicative Allocation (% of net assets)	Risk Profile
Debt Instruments*(@)	80 - 100%	Low to Medium
Money Market Instruments	0 - 20%	Low

*securitized debt up to 50% of the net assets of the Scheme. The Scheme shall not invest in foreign securitized debt.

@Includes CDs issued by All India Financial Institutions recognized by RBI, such as NABARD, SIDBI, Exim Bank, NHB for tenors in excess of one year.

Investment in Derivatives - up to 50% of the net assets of the scheme(s). Investment in derivatives shall be for hedging, portfolio balancing and such other purposes as maybe permitted from time to time. The cumulative gross exposure through debt (including money market instruments) and derivative positions shall not exceed 100% of the net assets of the scheme. Cash or cash equivalents with residual maturity of less than 91 days shall be treated as not creating any exposure.

The scheme may undertake repo transactions in corporate debt securities in accordance with the directions issued by RBI and SEBI from time to time. Such investment shall be made subject to the guidelines which may be prescribed by the Board of Directors of the Asset Management Company and Trustee Company.

The Scheme shall not participate in Credit Default Swaps and foreign securities. The Scheme shall not carry out Short Selling and securities lending and borrowing.

The scheme retains the flexibility to invest across all the securities in the debt, Money Markets Instruments and units of mutual funds. The fund manager can use Derivative instruments to protect the downside risk.

Pending deployment of the funds in securities the Scheme may invest in short term deposits of the Scheduled Commercial Banks, subject to the guidelines issued by SEBI.

The net assets of the Scheme will be invested in Debt & Money market instruments maturing on or before the maturity date of the scheme.

Subject to the Regulations, the asset allocation pattern indicated above may change from time to time, keeping in view market conditions, market opportunities, applicable regulations and political and economic factors. It must be clearly understood that the percentages stated above are only indicative

and not absolute. These proportions can vary substantially depending upon the perception of the fund manager; the intention being at all times to seek to protect the interests of the Unit holders. Such changes in the investment pattern (which may include investment in cash related instruments depending on market conditions) will be for short term and for defensive considerations only. In the event of deviations, the fund manager will carry out rebalancing within 5 calendar days for scheme(s) having maturity more than 1 month and up to 3 months and within 15 calendar days for scheme(s) having maturity more than 3 months and up to 6 months and within 30 calendar days for scheme(s) having maturity more than 6 months. No deviation is allowed for the scheme(s) having maturity upto 1 month. Where the portfolio is not rebalanced within 5/15/30 calendar Days respectively, justification for the same shall be placed before the Investment Review Committee and reasons for the same shall be recorded in writing. The Investment Review committee shall then decide on the course of action. However, at all times the portfolio will adhere to the overall investment objectives of the Scheme.

D.WHERE WILL THE SCHEME(S) INVEST?

The corpus of the scheme will be invested in Debt Instruments, Money Market Instruments and other permitted securities which will include but not limited to:

Debt Instruments and Money Market Instruments:

Tri Party Repos

"Tri-party repo" means a repo contract where a third entity (apart from the borrower and lender), called a Tri-Party Agent, acts as an intermediary between the two parties to the repo to facilitate services like collateral selection, payment and settlement, custody and management during the life of the transaction.

Certificate of Deposit (CD) of Scheduled Commercial Banks and Development Financial Institutions

Certificate of Deposit (CD) is a negotiable money market instrument issued by scheduled commercial banks and select all-India Financial Institutions that have been permitted by the RBI to raise short term resources. The maturity period of CDs issued by the Banks is between 7 days to one year, whereas, in case of FIs, maturity is one year to 3 years from the date of issue.

Commercial Paper (CP)

Commercial Paper (CP) is an unsecured negotiable money market instrument issued in the form of a promissory note, generally issued by the corporates, primary dealers and all India Financial Institutions as an alternative source of short term borrowings. CP is traded in secondary market and can be freely bought and sold before maturity.

Treasury Bill (T-Bill)

Treasury Bills (T-Bills) are issued by the Government of India to meet their short term borrowing requirements. T-Bills are issued for maturities of 14 days, 91 days, 182 days and 364 days.

Cash Management Bill

Cash Management Bill (CMB) are issued by the Government of India to meet their short term borrowing requirements. CMB are generally issued for maturities of less than 91 days.

Bills of Exchange

Bill (bills of exchange/ promissory notes of public sector and private sector corporate entities)
Rediscounting

Repos

Repo (Repurchase Agreement) or Reverse Repo is a transaction in which two parties agree to sell and purchase the same security with an agreement to purchase or sell the same security at a mutually decided future date and price. The transaction results in collateralized borrowing or lending of funds.

Presently in India, corporate debt securities, G-Secs, State Government securities and T-Bills are eligible for Repo/Reverse Repo.

The Scheme may undertake repo or reverse repo transactions accordance with the directions issued by RBI and SEBI from time to time. Such investment shall be made subject to the guidelines which may be prescribed by the Board of Directors of the Asset Management Company and Trustee Company.

Securities created and issued by the Central and State Governments as may be permitted by RBI, securities guaranteed by the Central and State Governments (including but not limited to coupon bearing bonds, zero coupon bonds and treasury bills). State Government securities (popularly known as State Development Loans or SDLs) are issued by the respective State Government in co-ordination with the RBI.

Non-Convertible Debentures and Bonds

Non-convertible debentures as well as bonds are securities issued by companies / institutions promoted / owned by the Central or State Governments and statutory bodies which may or may not carry a Central/State Government guarantee, Public and private sector banks, all India Financial Institutions and Private Sector Companies. These instruments may be secured or unsecured against the assets of the Company and generally issued to meet the short term and long term fund requirements.

The Scheme may also invest in the non-convertible part of convertible debt securities.

Floating rate debt instruments

Floating rate debt instruments are instruments issued by Central / state governments, corporates, PSUs, etc. with interest rates that are reset periodically.

Securitized Assets

Securitization is a structured finance process which involves pooling and repackaging of cashflow producing financial assets into securities that are then sold to investors. They are termed as Asset Backed Securities (ABS) or Mortgage Backed Securities (MBS). ABS are backed by other assets such as credit card, automobile or consumer loan receivables, retail installment loans or participations in pools of leases. Credit support for these securities may be based on the underlying assets and/or provided through credit enhancements by a third party. MBS is an asset backed security whose cash flows are backed by the principal and interest payments of a set of mortgage loans. Such Mortgage could be either residential or commercial properties. ABS/MBS instrument reflect the undivided interest in the underlying assets and do not represent the obligation of the issuer of ABS/MBS or the originator of underlying receivables. Securitization often utilizes the services of SPV.

Pass through Certificate (PTC)

(Pay through or other Participation Certificates) represents beneficial interest in an underlying pool of cash flows. These cash flows represent dues against single or multiple loans originated by the sellers of these loans. These loans are given by banks or financial institutions to corporates. PTCs may be backed, but not exclusively, by receivables of personal loans, car loans, two wheeler loans and other assets subject to applicable regulations.

The following are certain additional disclosures w.r.t. investment in securitized debt:

1. How the risk profile of securitized debt fits into the risk appetite of the scheme

Securitized debt is a form of conversion of normally non-tradable loans to transferable securities. This is done by assigning the loans to a special purpose vehicle (a trust), which in turn issues Pass-Through-Certificates (PTCs). These PTCs are transferable securities with fixed income characteristics. The risk of investing in securitized debt is similar to investing in debt securities. However, it differs in two respects.

Typically, the liquidity of securitized debt is less than similar debt securities. For certain types of securitized debt (backed by mortgages, personal loans, credit card debt, etc.), there is an additional pre-payment

risk. Pre-payment risk refers to the possibility that loans are repaid before they are due, which may reduce returns if the re-investment rates are lower than initially envisaged.

Because of these additional risks, securitized debt typically offers higher yields than debt securities of similar credit rating and maturity. If the fund manager judges that the additional risks are suitably compensated by the higher returns, he may invest in securitized debt up to the limits specified in the asset allocation table above.

2. Policy relating to originators based on nature of originator, track record, NPAs, losses in earlier securitized debt, etc.

The originator is the person who has initially given the loan. The originator is also usually responsible for servicing the loan (i.e. collecting the interest and principal payments). An analysis of the originator is especially important in case of retail loans as this affects the credit quality and servicing of the PTC. The key risk is that of the underlying assets and not of the originator. For example, losses or performance of earlier issuances does not indicate quality of current series. However, such past performance may be used as a guide to evaluate the loan standards, servicing capability and performance of the originator.

Originators may be: Banks, Non-Banking Finance Companies, Housing Finance Companies, etc. The fund manager / credit analyst evaluates originators based on the following parameters

- Track record
- Willingness to pay, through credit enhancement facilities etc.
- Ability to pay
- Business risk assessment, wherein following factors are considered:
 - Outlook for the economy (domestic and global)
 - Outlook for the industry
 - Company specific factors

In addition, a detailed review and assessment of rating rationale is done including interactions with the originator as well as the credit rating agency.

The following additional evaluation parameters are used as applicable for the originator / underlying issuer for pool loan and single loan securitization transactions:

- Default track record/ frequent alteration of redemption conditions / covenants
- High leverage ratios of the ultimate borrower (for single-sell downs) – both on a standalone basis as well on a consolidated level/ group level
- Higher proportion of reschedulement of underlying assets of the pool or loan, as the case may be
- Higher proportion of overdue assets of the pool or the underlying loan, as the case may be
- Poor reputation in market
- Insufficient track record of servicing of the pool or the loan, as the case may be.

3. Risk mitigation strategies for investments with each kind of originator

An analysis of the originator is especially important in case of retail loans as the size and reach affects the credit quality and servicing of the PTC. In addition, the quality of the collection process, infrastructure and follow-up mechanism; quality of MIS; and credit enhancement mechanism are key risk mitigants for the better originators / servicers.

In case of securitization involving single loans or a small pool of loans, the credit risk of the underlying borrower is analyzed. In case of diversified pools of loans, the overall characteristic of the loans is analyzed to determine the credit risk. The credit analyst looks at ageing (i.e. how long the loan has been with the originator before securitization) as one way of evaluating the performance potential of the PTC. Securitization transactions may include some risk mitigants (to reduce credit risk). These may include

interest subvention (difference in interest rates on the underlying loans and the PTC serving as margin against defaults), overcollateralization (issue of PTCs of lesser value than the underlying loans, thus even if some loans default, the PTC continues to remain protected), presence of an equity / subordinate tranche (issue of PTCs of differing seniority when it comes to repayment - the senior tranches get paid before the junior tranche) and / or guarantees.

4. The level of diversification with respect to the underlying assets, and risk mitigation measures for less diversified investments

In case of securitization involving single loans or a small pool of loans, the credit risk of the borrower is analyzed. In case of diversified pools of loans, the overall characteristic of the loans is analyzed to determine the credit risk.

The credit analyst looks at ageing (i.e. how long the loan has been with the originator before securitization) as one way of judging the performance potential of the PTC. Additional risk mitigants may include interest subvention, over collateralization, presence of an equity / subordinate tranche and / or guarantees. The credit analyst also uses analysis by credit rating agencies on the risk profile of the securitized debt.

Currently, the following parameters are used while evaluating investment decision relating to a pool securitization transaction. The Investment Review Committee may revise the parameters from time to time.

Characteristics/Type of Pool	Mortgage Loan	Commercial Vehicle and Construction Equipment	CAR	2 wheelers	Micro Finance Pools *	Personal Loans *	Single Sell Downs	Others
Approximate Average maturity (in Months)	Up to 10 years	Up to 3 years	Up to 3 years	Up to 3 years	NA	NA	Refer Note 1	Refer Note 2
Collateral margin (including cash, guarantees, excess interest spread, subordinate tranche)	>10%	>10%	>10%	>10%	NA	NA	"	"
Average Loan to Value Ratio	<90%	<80%	<80%	<80%	NA	NA	"	"
Average seasoning of the Pool	>3 months	>3 months	>3 months	>3 months	NA	NA	"	"
Maximum single exposure range	<1%	<1%	<1%	<1%	NA	NA	"	"
Average single exposure range %	<1%	<1%	<1%	<1%	NA	NA	"	"

* Currently, the Scheme will not invest in these types of securitized debt

Note 1: In case of securitization involving single loans or a small pool of loans, the credit risk of the borrower is analyzed. The investment limits applicable to the underlying borrower are applied to the single loan sell-down.

2: Other investments will be decided on a case-to-case basis

The credit analyst may consider the following risk mitigating measures in his analysis of the securitized debt:

- Size of the loan
- Average original maturity of the pool

- Loan to Value Ratio
- Average seasoning of the pool
- Default rate distribution
- Geographical Distribution
- Credit enhancement facility
- Liquid facility
- Structure of the pool

5. Minimum retention period of the debt by originator prior to securitization

Issuance of securitized debt is governed by the Reserve Bank of India. RBI norms cover the "true sale" criteria including credit enhancement and liquidity enhancements. In addition, RBI has proposed minimum holding period of between nine and twelve months for assets before they can be securitized. The minimum holding period depends on the tenor of the securitization transaction. The Fund will invest in securitized debts that are compliant with the laws and regulations.

6. Minimum retention percentage by originator of debts to be securitized

Issuance of securitized debt is governed by the Reserve Bank of India. RBI norms cover the "true sale" criteria including credit enhancement and liquidity enhancements, including maximum exposure by the originator in the PTCs. In addition, RBI has proposed minimum retention requirement of between five and ten percent of the book value of the loans by the originator. The minimum retention requirement depends on the tenor and structure of the securitization transaction. The Fund will invest in securitized debts that are compliant with the laws and regulations.

7. The mechanism to tackle conflict of interest when the mutual fund invests in securitized debt of an originator and the originator in turn makes investments in that particular scheme of the fund

The key risk is securitized debt relates to the underlying borrowers and not the originator. In a securitization transaction, the originator is the seller of the debt(s) and the fund is the buyer. However, the originator is also usually responsible for servicing the loan (i.e. collecting the interest and principal payments). As the originators may also invest in the scheme, the fund manager shall ensure that the investment decision is based on parameters as set by the Investment Review Committee (IRC) of the Asset Management Company and IRC shall review the same at regular interval.

8. The resources and mechanism of individual risk assessment with the AMC for monitoring investment in securitized debt

The fund management team including the credit analyst has the experience to analyze securitized debt. In addition, credit research agencies provide analysis of individual instruments and pools. On an on-going basis (typically monthly) the servicer provides reports regarding the performance of the pool. These reports would form the base for ongoing evaluation where applicable. In addition, rating reports indicating rating changes would be monitored for changes in rating agency opinion of the credit risk.

When issued security

When, as and if issued' (commonly known as "**when-issued**" (**WI**) **security**) refers to a security that has been authorized for issuance but not yet actually issued. WI trading takes place between the time a new issue is announced and the time it is actually issued. All "when issued" transactions are on an "if" basis, to be settled if and when the actual security is issued.

SEBI has on April 16, 2008 in principle allowed Mutual Funds to undertake 'When Issued (WI)' transactions in Central Government securities, at par with other market participants.

- Open Position in the 'WI' market are subject to the following limits:

Category	Reissued Security	Newly Issued Security
Non-PDs	Long Position, not exceeding 5 percent of the notified amount.	Long Position, not exceeding 5 percent of the notified amount.

Short Term Deposits

Pending deployment of funds as per the investment objective of the Scheme, the Funds may be parked in short term deposits of the Scheduled Commercial Banks, subject to guidelines and limits specified by SEBI.

Units of Mutual Fund schemes

The Scheme may invest in other schemes managed by the AMC or in the schemes of any other mutual funds in conformity with the investment objective of the Scheme and in terms of the prevailing SEBI (MF) Regulations.

The securities / instruments mentioned above and such other securities the Scheme is permitted to invest in could be listed, unlisted, privately placed, secured, unsecured, rated or unrated and of any maturity (within the investment objective of the scheme).

The securities may be acquired through Initial Public Offering (IPOs), secondary market, private placement, rights offer, negotiated deals. Further investments in debentures, bonds and other fixed income securities will be in instruments which have been assigned investment grade rating by the Credit Rating Agency.

Investment in unrated debt instruments shall be subject to complying with the provisions of the Regulations and within the limit as specified in Schedule VII to the Regulations. Pursuant to SEBI circular no. MFD/CIR/9/120/2000 dated November 24, 2000, the AMC may constitute committee(s) to approve proposals for investments in unrated debt instruments. The AMC Board and the Trustee shall approve the detailed parameters for such investments. However, in case any unrated debt security does not fall under the parameters, the prior approval of Board of AMC and Trustee shall be sought.

For applicable regulatory investment limits please refer paragraph "Investment Restrictions".

Details of various derivative instruments along with derivative strategies have been provided under the paragraph "Derivatives Strategy".

The Fund Manager may invest in any other security as maybe permitted from time to time and which are in line with the investment objectives of the Scheme.

E. WHAT ARE THE INVESTMENT STRATEGIES?

The fund manager will invest in debt & money market instruments maturing on or before the maturity date of the scheme(s) with the objective of limiting interest rate volatility.

The fund manager will try to allocate assets of the scheme(s) between various fixed income securities (which mature on or before the maturity of the scheme) with an endeavor to achieve optimal risk adjusted returns.

Credit evaluation policy

The investment team of the AMC will carry out rigorous in depth credit evaluation of the money market and debt instruments proposed to be invested in. The credit evaluation will essentially be a bottom up approach and include a study of the operating environment of the issuer, the past track record as well as the future prospects of the issuer and the short term / long term financial health of the issuer.

List of sectors the fund would not be investing

Aviation and gems & jewellery.

Floors and ceilings within a range of 5% of the intended allocation (in %) against each sub asset class/rating

As per the regulations, the scheme is allowed to invest within a range of 5% of the intended allocation (floor and cap) against each sub asset class/credit rating.

Instruments	Credit Rating					
	AAA	A1+	AA	A	BBB	Not applicable
CDs						
CPs						
NCDs/ Bonds @	70-75%		20%-25%			
Securitized Debt						
Government of India dated Securities/ State Government Securities						5%-10%
Tri Party Repos, T-Bills, Cash Management Bill, Repos						0%-5%

@Includes CDs issued by All India Financial Institutions recognized by RBI, such as NABARD, SIDBI, EXIM Bank, NHB for tenors in excess of one year.

- a) In case of non-availability of instruments (CPs, NCDs/ Bonds/ Money Market Instruments, Securitized Debt, Derivatives and Bill Rediscounting (BRDS) etc.) or adverse risk-reward position, which may prevent the Fund Manager from investing in such instruments as per the intended allocation range against each credit rating, in such cases, the fund as an alternate would invest in CDs of highest credit ratings (A1+ or equivalent) / T-bills / cash management bill / Tri Party Repos). Such deviation may exist till suitable instruments of desired credit quality is/ are not available. The Fund may have positive variation in investments towards higher credit rating.
- b) The Scheme may have higher allocation towards cash or cash equivalents/ mutual fund units immediately post NFO closure or towards the maturity of the Scheme.
- c) All investments will be made on the basis of the rating prevailing at the time of Investment. In the event of any deviation from the floor and ceiling of above intended allocation range, the fund manager will carry out rebalancing within 5 calendar days for Scheme(s) having maturity more than 1 month and up to 3 months and within 15 calendar days for Scheme(s) having maturity more than 3 months and up to 6 months and within 30 calendar days for Scheme(s) having maturity more than 6 months. No deviation is allowed for Scheme(s) having maturity upto 1 month. Where the portfolio is not rebalanced within 5/15/30 calendar days respectively, justification for the same shall be placed before the Investment Review Committee and reasons for the same shall be recorded in writing. The Investment Review committee shall then decide on the course of action. However, at all times the portfolio will adhere to the overall investment objectives of the Scheme.
- d) Subsequent to the initial portfolio construction, during the tenure of the Scheme, the above allocation may vary due to instances like (i) Inflows on account of coupons or any corporate actions; (ii) the instrument is called or bought back by the issuer; (iii) in anticipation of any adverse credit event. In such cases, the fund as an alternate would invest in CDs of highest credit ratings (A1+ or equivalent) / T-bills / cash management bill / Tri Party Repos) over the residual maturity of the scheme or till such time as suitable instruments of desired credit quality is/ are not available. The Fund may have positive variation in investments towards higher credit rating.
- e) The rating symbols as specified in the above intended allocation range would include modifiers like + (plus) / - (minus) (which reflects the comparative standing within the Category) to each rating symbol viz AA would include AA+ or AA-. In case of securitized debt, the rating will be suffixed with "so".

- f) If dual ratings are prevailing for any particular instrument in which investment is being made, the Fund would consider the most conservative public available rating for the said instrument, for the purpose of intended allocation range viz if for a particular investment CRISIL has rated it as AAA, but ICRA has rated it as AA then the fund would consider it as AA rated instrument.

There shall be no deviation between the intended allocation and actual allocation post the New Fund Offer period other than as explained in points a to d above.

Portfolio Turnover:

The scheme is a close-ended scheme and intends to buy securities that mature within the maturity date of the scheme. Portfolio turnover may arise out of reinvestment of maturity / coupon proceeds as well as through selling and buying securities as part of active management of the scheme. It is anticipated that the turnover would be lower than an open-ended scheme. However, the scheme does not have a target for portfolio turnover.

The fund manager will endeavor to optimize portfolio turnover to maximize gains and minimize risks keeping in mind the cost associated with it. However, it is difficult to estimate with reasonable measure accuracy, the likely turnover in the portfolio of the Scheme.

For applicable regulatory investment limits please refer paragraph "Investment Restrictions.

The Fund Manager reserves the right to invest in such securities as maybe permitted from time to time and which are in line with the investment objectives of the scheme.

Derivatives Strategy:

The Scheme may use Derivative instruments like interest rate swaps like overnight indexed swaps (OIS), forward rate agreements, interest rate futures (as and when permitted) or such other Derivative instruments as may be permitted under the applicable regulations. Derivatives will be used for the purpose of hedging, and portfolio balancing or such other purpose as may be permitted under the regulations and Guidelines from time to time.

The Scheme will be allowed to take exposure in interest rate swaps only on a non-leveraged basis. A swap will be undertaken only if there is an underlying asset in the portfolio. In terms of circular no. MFD.BC.191/07.01.279/1999-2000 and MPD.BC.187/07.01.279/1999- 2000 dated November 1, 1999 and July 7, 1999 respectively issued by RBI permitting participation by Mutual Funds in interest rate swaps and forward rate agreements, the Scheme will use Derivative instruments for the purpose of hedging and portfolio balancing. The Scheme may also use derivatives for such purposes as maybe permitted from time to time. Further, the guidelines issued by RBI from time to time for forward rate agreements and interest rate swaps and other derivative products would be adhered to by the Mutual Fund.

IRS and FRAs do also have inherent credit and settlement risks. However, these risks are substantially reduced as they are limited to the interest streams and not the notional principal amounts.

Investments in Derivatives will be in accordance with the extant SEBI regulations / guidelines. Presently Derivatives shall be used for hedging and / or portfolio balancing purposes, as permitted under the Regulations. The circumstances under which such transactions would be entered into would be when, for example using the IRS route it is possible to generate better returns / meet the objective of the Scheme at a lower cost. e.g. if buying a 2 Yr Mibor based instrument and receiving the 2 Yr swap rate yields better return than the 2 Yr AAA corporate, the Scheme would endeavor to do that. Alternatively, the Scheme would also look to hedge existing fixed rate positions if the view on interest rates is that it would likely rise in the future.

The following information provides a basic idea as to the nature of the Derivative instruments proposed to be used by the Scheme and the benefits and risks attached therewith. Please note that the examples have been given for illustration purposes only.

Using Overnight Indexed Swaps

In a rising interest rate scenario, the Scheme may enhance returns for the Investor by hedging the risk on its fixed interest paying assets by entering into an OIS contract where the Scheme agrees to pay a fixed interest rate on a specified notional amount, for a pre-determined tenor and receives floating interest rate payments on the same notional amount. The fixed returns from the Scheme assets and the fixed interest payments to be made by the Scheme on account of the OIS transaction offset each other and the Scheme benefits on the floating interest payments that it receives. The Scheme may enter into an opposite position in case of a falling interest rate scenario, i.e. to hedge the floating rate assets in its portfolio the Scheme enters into an OIS transaction wherein it receives a fixed interest rate on a specified notional amount for a specified time period and pays a floating interest rate on the same notional amount. The floating interest payments that the Scheme receives on its floating rate securities and the floating interest payments that the Scheme has to pay on account of the OIS transaction offset each other and the Scheme benefits on the fixed interest payments that it receives in such a scenario.

Swap

Assume that the Scheme has a Rs. 20 crore floating rate investment linked to MIBOR (Mumbai Inter Bank Offered Rate). Hence, the Scheme is currently running an interest rate risk and stands to lose if the interest rate moves down. To hedge this interest rate risk, the Scheme can enter into a 6 month MIBOR swap. Through this swap, the Scheme will receive a fixed predetermined rate (assume 12%) and pays the "benchmark rate" (MIBOR), which is fixed by the NationNSE or any other agency such as Reuters. This swap would effectively lock-in the rate of 12% for the next 6 months, eliminating the daily interest rate risk. This transaction is usually routed through an intermediary who runs a book and matches deals between various counterparties. The steps will be as follows:

Assuming the swap is for Rs. 20 Crores for June 1, 2014 to December 1, 2014. The Scheme is a fixed rate receiver at 12% and the counterparty is a floating rate receiver at the overnight rate on a compounded basis (say NSE MIBOR).

On June 1, 2014 the Scheme and the counterparty will exchange only a contract of having entered this swap. This documentation would be as per International Swap Dealers Association (ISDA) norms.

On a daily basis, the benchmark rate fixed by NSE will be tracked by them.

On December 1, 2014 they will calculate the following:

- The Scheme is entitled to receive interest on Rs. 20 Crores at 12% for 184 days i.e. Rs. 1.21 Crores, (this amount is known at the time the swap was concluded) and will pay the compounded benchmark rate.
- The counterparty is entitled to receive daily compounded call rate for 184 days & pay 12% fixed.
- On December 1, 2014, if the total interest on the daily overnight compounded benchmark rate is higher than Rs. 1.21 Crores, the Scheme will pay the difference to the counterparty. If the daily compounded benchmark rate is lower, then the counterparty will pay the Scheme the difference.
- Effectively the Scheme earns interest at the rate of 12% p.a. for six months without lending money for 6 months fixed, while the counterparty pays interest @ 12% p.a. for 6 months on Rs. 20 Crores, without borrowing for 6 months fixed.

The above example illustrates the use of Derivatives for hedging and optimizing the investment portfolio. Swaps have their own drawbacks like credit risk, settlement risk. However, these risks are substantially reduced as the amount involved is interest streams and not principal.

Forward Rate Agreement

Assume that on June 30, 2014, the 30-day commercial paper (CP) rate is 4% and the Scheme has an investment in a CP of face value Rs. 50 Crores, which is going to mature on July 31, 2014. If the interest rates are likely to remain stable or decline after July 31, 2014, and if the fund manager, who wants to re-deploy the maturity proceeds for 1 more month does not want to take the risk of interest rates going down, he can then enter into a following Forward Rate Agreement (FRA) say as on June 30, 2014:

He can receive 1 X 2 FRA on June 30, 2014 at 4.00% (FRA rate for 1 months lending in 1 months' time) on the notional amount of Rs. 50 Crores, with a reference rate of 30 day CP benchmark. If the CP benchmark on the settlement date i.e. July 30, 2014 falls to 3.75%, then the Scheme receives the difference 4.00 – 3.75 i.e. 25 basis points on the notional amount Rs. 50 Crores.

Interest Rate Futures

Assume that the Fund holds an Indian ten-year benchmark and the fund manager has a view that the yields will go up in the near future leading to decrease in value of the investment and subsequent decrease in Net Asset Value of the fund. The fund house decides to use Interest Rate Futures to mitigate the risk of decline of Net Asset Value of the fund.

12th October 2014

- The benchmark ten-year paper 6.88 2009, is trading at INR 98.00 at a yield of 7.19%.
- December 2014 futures contract on the ten year notional 7% coupon bearing Government paper is trading at a yield of 7.29% at a price of INR 98.50.
- The mutual fund decides to hedge the exposure by taking a short position in December 2014 interest rate futures contract.

25th November 2009

- As expected by the fund manager the yield of the benchmark ten-year paper has increased to 8% and the price has decreased to 92.70.
- The December 2014 futures contract is trading at a price of INR 93.17 indicating a yield of 8.05%
- The mutual fund unwinds the short position by buying the December 2014 futures contract. The transaction results in profit from the futures position, against the corresponding loss from the Government of India security position.

Certain risks are inherent to Derivative strategies viz. lack of opportunities, inability of Derivatives to correlate perfectly with the underlying and execution risks, whereby the rate seen on the screen may not be the rate at which the transaction is executed. For details of risk factors relating to use of Derivatives, the investors are advised to refer to Scheme Specific Risk Factors.

Debt and Money Markets in India

The Indian debt market is today one of the largest in Asia and includes securities issued by the Government (Central & State Governments), public sector undertakings, other government bodies, financial institutions, banks and corporates. Government and public sector enterprises are the predominant borrowers in the markets. The major players in the Indian debt markets today are banks, financial institutions, mutual funds, insurance companies, primary dealers, trusts, pension funds and corporates. The Indian debt market is the largest segment of the Indian financial markets. The debt market comprises broadly two segments, viz. Government Securities market or G-Sec market and corporate debt market. The latter is further classified as market for PSU bonds and private sector bonds.

The Government Securities (G-Secs) market, consists of G-Sec outstanding of Rs. 5,104,665 cr as on April 28, 2018 (State Govt securities - Rs 24,02,242 cr, Source: CCIL), is the oldest and the largest component (50% share in market cap) of the Indian debt market in terms of market capitalization, outstanding securities and trading volumes. The G-Secs market plays a vital role in the Indian economy as it provides the benchmark for determining the level of interest rates in the country through the yields on the Government Securities which are referred to as the risk-free rate of return in any economy. Over the years, there have been new products introduced by the RBI like zero coupon bonds, floating rate bonds, inflation indexed bonds, etc.

The corporate bond market, in the sense of private corporate sector raising debt through public issuance in capital market, is only an insignificant part of the Indian Debt Market. The market capitalization of corporate debt market as on March 31, 2016 is Rs. 4,35,743.204 Cr (Source: NSE). A large part of the issuance in the non-Government debt market is currently on private placement basis.

The money markets in India essentially consist of the call money market (i.e. market for overnight and term money between banks and institutions), repo transactions (temporary sale with an agreement to buy back the securities at a future date at a specified price), commercial papers (CPs, short term unsecured promissory notes, generally issued by corporates), certificate of deposits (CDs, issued by banks) and Treasury Bills (issued by RBI). In a predominantly institutional market, the key money market players are banks, financial institutions, insurance

companies, mutual funds, primary dealers and corporates. In money market, activity levels of the Government and nongovernment debt vary from time to time. Instruments that comprise a major portion of money market activity include but not limited to:

- Overnight Call
- Tri Party Repo
- Repo/Reverse Repo Agreement
- Treasury Bills
- Government securities with a residual maturity of < 1 year.
- Commercial Paper
- Certificate of Deposit

Apart from these, there are some other options available for short tenure investments that include MIBOR linked debentures with periodic exit options and other such instruments. Though not strictly classified as Money Market Instruments, PSU / DFI / Corporate paper with a residual maturity of < 1 year, are actively traded and offer a viable investment option.

The market has evolved in past 2-3 years in terms of risk premia attached to different class of issuers. Bank CDs have clearly emerged as popular asset class with increased acceptability in secondary market. PSU banks trade the tightest on the back of comfort from majority government holding. Highly rated manufacturing companies also command premium on account of limited supply. However, there has been increased activity in papers issued by private/foreign banks/NBFCs/companies in high-growth sector due to higher yields offered by them. Even though companies across these sectors might have been rated on a same scale, the difference in the yield on the papers for similar maturities reflects the perception of their respective credit profiles.

The following table gives approximate yields prevailing on January 1, 2019 on some of the instruments and further illustrates this point.

Instrument	Current Yield range (%)
CBLO	6.4-6.5%
Repo	6.4-6.5%
3M T-bill	6.64%
1Y T-bill	6.91%
10Y G-sec	7.30-7.35%
3m PSU Bank CD	7.40-7.45
3m Manufacturing co. CP	7.60-7.65
1Y PSU Bank CD	7.80-7.85
1Y NBFC CP	8.80-8.95
1Y Manufacturing co. CP	8.20-8.25
5Y AAA Institutional Bond	8.35-8.40%
10Y AAA Institutional Bond	8.35-8.40

These yields are indicative and do not indicate yields that may be obtained in future as interest rates keep changing consequent to changes in macro-economic conditions and RBI policy. The price and yield on various debt instruments fluctuate from time to time depending upon the macro economic situation, inflation rate, overall liquidity position, foreign exchange scenario etc. Also, the price and yield vary according to maturity profile, credit risk etc.

Risk Control:

Risk management is going to be an integral part of the investment process. Effective risk management is critical to fund management for achieving financial soundness. The investment team of the AMC will carry out rigorous in depth credit evaluation of the money market and debt instruments (other than G-Secs) proposed to be invested in. The credit evaluation will essentially be a bottom up approach and include a study of the operating environment of the issuer, the past track record as well as the future prospects of the issuer and the short term / long term financial health of the issuer. The AMC would incorporate adequate safeguards for controlling risks in the portfolio construction process, which would be periodically evaluated. The scheme may also use derivatives and other hedging instruments, as may be permitted by RBI, from time to time, in order to protect the value of the portfolio. Investments by the

Scheme shall be made as per the investment objectives of the Scheme and provisions of SEBI regulations. AMC has implemented the Bloomberg Portfolio Order Management System as Front Office System (FOS). The system has incorporated all the investment restrictions as per SEBI guidelines and “soft” warning alerts at appropriate levels for preemptive monitoring. The system enables identifying & measuring the risk through various risk measurement tools like various risk ratios, average duration and analyzes the same so as to act in a preventive manner.

INVESTMENT BY THE AMC IN THE SCHEME

Subject to the Regulations, the AMC may invest either directly or indirectly, in the Scheme during the NFO. However, the AMC shall not charge any investment management fee on such investment in the Scheme.

F: FUNDAMENTAL ATTRIBUTES

Following are the Fundamental Attributes of the scheme, in terms of Regulation 18 (15A) of the SEBI (MF) Regulations:

(i) Type of a scheme

A Close ended debt scheme

(ii) Investment Objective

The Scheme will endeavour to generate returns through a portfolio of debt & money market instruments that are maturing on or before the maturity of the scheme. However, there is no assurance or guarantee that the investment objective of the Scheme will be achieved. The Scheme does not assure or guarantee any returns.

Investment Pattern: Please refer to sub - section C ‘How will the Scheme Allocate its Assets?’ under the section II ‘**INFORMATION ABOUT THE SCHEME**’.

(iii) Terms of Issue

- o Liquidity provisions such as listing, Repurchase, Redemption
- o Aggregate fees and expenses charged to the Scheme
- o Any safety or guarantee net provided:

In accordance with Regulation 18(15A) of the SEBI (MF) Regulations, the Trustees shall ensure that no change in the fundamental attributes of the Scheme(s) and the Plan(s) / Option(s) thereunder or the trust or fee and expenses payable or any other change which would modify the Scheme(s) and the Plan(s) / Option(s) thereunder and affect the interests of Unitholders is carried out unless:

- A written communication about the proposed change is sent to each Unitholder and an advertisement is given in one English daily newspaper having nationwide circulation as well as in a newspaper published in the language of the region where the Head Office of the Mutual Fund is situated; and
- The Unitholders are given an option for a period of 30 days to exit at the prevailing Net Asset Value without any exit load.

G. HOW WILL THE SCHEME(S) BENCHMARK ITS PERFORMANCE?

The Benchmark Index for the Scheme(s) would be NIFTY Medium Duration Debt Index.

Justification for use of benchmark

NIFTY Medium Duration Debt Index

The Scheme with maturity ranging more than 36 months to 60 months seek to invest in a portfolio of instruments which is best captured by NIFTY Medium Duration Debt Index.

The constituents and weights of NIFTY Medium Duration Debt Index as on December 2018 are as under:

Constituents	Weights (%)
NIFTY AAA Medium Duration Bond Index	45%
NIFTY Medium Duration G-Sec Index	30%
NIFTY AAA Short Duration Bond Index	11%
NIFTY AA+ Medium Duration Bond Index	6%
NIFTY AA Medium Duration Bond Index	4%
NIFTY AA+ Short Duration Bond Index	3%
NIFTY AA Short Duration Bond Index	1%
Total	100%

Based on the maturity of the fund, the respective benchmark will be selected as the underlying constituents of the respective benchmarks will most closely resemble the actual portfolios and hence justify performance comparison.

The Trustee/AMC reserves the right to change the benchmark for the evaluation of the performance of the scheme(s) from time to time, keeping in mind the investment objective of the Scheme and the appropriateness of the benchmark, subject to SEBI guidelines and other prevalent guidelines.

I. WHAT ARE THE INVESTMENT RESTRICTIONS?

Pursuant to Regulations, specifically the Seventh Schedule and amendments thereto, the following investment restrictions are currently applicable to the Scheme:

- The Scheme shall not invest more than 10% of its NAV in debt instruments comprising money market instruments and non-money market instruments issued by a single issuer which are rated not below investment grade by a credit rating agency authorised to carry out such activity under the SEBI Act,

1992. Such investment limit may be extended to 12% of the NAV of the Scheme with the prior approval of the Trustee and the Board of Directors of AMC.

Such limit shall not be applicable for investment in Government Securities, treasury bills and collateralized borrowing and lending obligations.

Investments within such limit can be made in the mortgaged backed securitized debt, which are rated not below investment grade by a credit rating agency, registered with SEBI.

2. The Scheme shall not invest more than 10% of its NAV in un-rated debt instruments issued by a single issuer and the total investment in such instruments shall not exceed 25% of the NAV of the Scheme. All such investments shall be made with the prior approval of the Trustee and Board of AMC.
3. The Scheme may invest in other schemes of the Mutual Fund or any other mutual fund without charging any fees, provided the aggregate inter-scheme investment made by all the schemes under the same management or in schemes under the management of any other asset management company shall not exceed 5% of the Net Asset Value of the Mutual Fund.
4. The Scheme shall not make any investment in:
 - a. any unlisted security of an associate or group company of the sponsor; or
 - b. any security issued by way of private placement by an associate or group company of the sponsor; or
 - c. the listed securities of group companies of the sponsor which is in excess of 25% of the net assets.
5. The Mutual Fund shall get the securities purchased transferred in the name of the Fund on account of the concerned Scheme, wherever investments are intended to be of a long-term nature.
6. Transfer of investments from one scheme to another scheme in the same Mutual Fund is permitted provided:
 - a) such transfers are done at the prevailing market price for quoted instruments on spot basis (spot basis shall have the same meaning as specified by a Stock Exchange for spot transactions); and
 - b) the securities so transferred shall be in conformity with the investment objective of the Scheme to which such transfer has been made.
7. The Mutual Fund shall buy and sell securities on the basis of deliveries and shall in all cases of purchases, take delivery of relevant securities and in all cases of sale, deliver the securities:

Provided that the Mutual Fund may engage in short selling of securities in accordance with the framework relating to short selling and securities lending and borrowing specified by SEBI.

Provided further that the Mutual Fund may enter into derivatives transactions in a recognized stock exchange, subject to the framework specified by SEBI.
8. The Scheme shall not make any investment in any fund of funds scheme.
9. Pending deployment of the funds of the Scheme in securities in terms of the investment objective of the Scheme, the AMC may park the funds of the Scheme in short term deposits of scheduled commercial banks, subject to the guidelines issued by SEBI.

The Scheme will comply with the following guidelines/restrictions for parking of funds in short term deposits:

- i. "Short Term" for such parking of funds by the Scheme shall be treated as a period not exceeding 91 days. Such short-term deposits shall be held in the name of the Scheme.

- ii. The Scheme shall not park more than 15% of the net assets in short term deposit(s) of all the scheduled commercial banks put together. However, such limit may be raised to 20% with prior approval of the Trustee.
- iii. Parking of funds in short term deposits of associate and sponsor scheduled commercial banks together shall not exceed 20% of total deployment by the Mutual Fund in short term deposits.
- iv. The Scheme shall not park more than 10% of the net assets in short term deposit(s), with any one scheduled commercial bank including its subsidiaries.
- v. The Scheme shall not park funds in short term deposit of a bank which has invested in that Scheme.

However, the above provisions will not apply to term deposits placed as margins for trading in cash and derivatives market.

10. The Scheme shall not advance any loans.

11. The Scheme shall not borrow except to meet temporary liquidity needs of the Scheme for the purpose of repurchase/redemption of Unit or payment of interest and/or dividend to the Unit holders.

Provided that the Fund shall not borrow more than 20% of the net assets of the Scheme(s) and the duration of the borrowing shall not exceed a period of 6 months.

12. The Scheme shall invest only in such securities which mature on or before the date of the maturity of the Scheme in accordance to SEBI Circular No. SEBI/IMD/ CIR No. 12/147132/08 dated December 11, 2008.

13. The total exposure in a particular sector (excluding investments in Bank CDs, CBLO, Government Securities, T-Bills, short term deposits of scheduled commercial banks and AAA rated securities issued by Public Financial Institutions and Public Sector Banks) shall not exceed 25% of the net assets of the Scheme.

Provided that an additional exposure to financial services sector (over and above the limit of 25%) not exceeding 15% of the net assets of the Scheme shall be allowed by way of increase in exposure to Housing Finance Companies (HFCs);

Provided further that the additional exposure to such securities issued by HFCs are rated AA and above and these HFCs are registered with National Housing Bank (NBH) and the total Investment/exposure in HFCs shall not exceed 25% of the net assets of the Scheme.

14. The total exposure in a group (excluding investments in securities issued by Public Sector Units, Public Financial Institutions and Public Sector Banks) shall not exceed 20% of the net assets of the Scheme. Such investment limit may be extended to 25% of the net assets of the Scheme with the prior approval of the Trustees.

For this purpose, a group means a group as defined under regulation 2 (mm) of SEBI (Mutual Funds) Regulations, 1996 and shall include an entity, its subsidiaries, fellow subsidiaries, its holding company and its associates.

15. SEBI vide its circular no. Cir/ IMD/ DF/ 11/ 2010 dated August 18, 2010 has prescribed the following investment restrictions w.r.t. investment in derivatives:

S. No.	Particulars
I	The cumulative gross exposure through debt (including money market instruments) and derivative positions shall not exceed 100% of the net assets of the Scheme. Cash or cash equivalents with residual maturity of less than 91 days shall be treated as not creating any exposure.

II	The Scheme shall not write options or purchase instruments with embedded written options.								
III	The total exposure related to option premium paid shall not exceed 20% of the net assets of the Scheme.								
IV	<p>Exposure due to hedging positions may not be included in the above mentioned limits subject to the following:</p> <p>a. Hedging positions are the derivative positions that reduce possible losses on an existing position in securities and till the existing position remains.</p> <p>b. Hedging positions cannot be taken for existing derivative positions. Exposure due to such positions shall have to be added and treated under limits mentioned in Point 1.</p> <p>c. Any derivative instrument used to hedge has the same underlying security as the existing position being hedged.</p> <p>d. The quantity of underlying associated with the derivative position taken for hedging purposes does not exceed the quantity of the existing position against which hedge has been taken.</p>								
V	Exposure due to derivative positions taken for hedging purposes in excess of the underlying position against which the hedging position has been taken, shall be treated under the limits mentioned in point 1.								
VI	<p>Each position taken in derivatives shall have an associated exposure as defined under. Exposure is the maximum possible loss that may occur on a position. However, certain derivative positions may theoretically have unlimited possible loss. Exposure in derivative positions shall be computed as follows:</p> <table border="1" data-bbox="268 913 1414 1055"> <thead> <tr> <th>Position</th> <th>Exposure</th> </tr> </thead> <tbody> <tr> <td>Long Future</td> <td>Futures Price * Lot Size * Number of Contracts</td> </tr> <tr> <td>Short Future</td> <td>Futures Price * Lot Size * Number of Contracts</td> </tr> <tr> <td>Option bought</td> <td>Option Premium Paid * Lot Size * Number of Contracts.</td> </tr> </tbody> </table>	Position	Exposure	Long Future	Futures Price * Lot Size * Number of Contracts	Short Future	Futures Price * Lot Size * Number of Contracts	Option bought	Option Premium Paid * Lot Size * Number of Contracts.
Position	Exposure								
Long Future	Futures Price * Lot Size * Number of Contracts								
Short Future	Futures Price * Lot Size * Number of Contracts								
Option bought	Option Premium Paid * Lot Size * Number of Contracts.								
VII	The Scheme may enter into plain vanilla interest rate swaps for hedging purposes. The counter party in such transactions has to be an entity recognized as a market maker by RBI. Further, the value of the notional principal in such cases shall not exceed the value of respective existing assets being hedged by the Scheme. Exposure to a single counterparty in such transactions shall not exceed 10% of the net assets of the Scheme.								

16. The Scheme shall participate in repos in corporate debt securities as per the guidelines issued by RBI from time to time, subject to the following conditions:

- (i) The gross exposure of the Scheme to repo transactions in corporate debt securities shall not be more than 10 % of the net assets of the Scheme.
- (ii) The cumulative gross exposure through repo transactions in corporate debt securities along with equity, debt and derivatives shall not exceed 100% of the net assets of the Scheme.
- (iii) The Scheme shall participate in repo transactions only in AA and above rated corporate debt securities.
- (iv) In terms of Regulation 44 (2) of the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996, the Scheme shall borrow through repo transactions only if the tenor of the transaction does not exceed a period of six months.
- (v) The Trustees and the Asset Management Companies have framed the guidelines in respect of these transactions: -
 - a) The gross exposure of the Scheme to repo transactions in corporate debt securities shall not be more than 10 % of the net assets of the Scheme.
 - b) The cumulative gross exposure through repo transactions in corporate debt securities along with equity, debt and derivatives shall not exceed 100% of the net assets of the Scheme.
 - c) The Scheme shall borrow through repo transactions only if the tenor of the transaction does not exceed a period of six months.
 - d) Counterparty selection & credit rating

The counterparty must be an acceptable counterparty for debt transactions. The Mutual Fund follows a counterparty empanelment process for fixed income transactions and the same shall be used for selection of counterparties for corporate bond repos. All repo transactions in corporate bonds will be governed by a repo agreement as specified by FIMMDA and / or other specified authorities.

e) Collateral tenor & quality

Bonds with a minimum original maturity of 1-year and a minimum rating of AAA shall be eligible for repo. The exposure limit/investment restrictions prescribed under the Seventh Schedule of the Regulations and circulars issued there under (wherever applicable) shall be applicable to repo transactions in corporate bonds.

f) Applicable haircuts

Currently mutual funds are permitted to carry out repo transactions in government securities without any haircuts. The Reserve Bank of India has notified a minimum haircut based on rating of the corporate bond as below. In addition, the Fixed Income and Money Market Dealers Association (FIMMDA) would maintain a rating-haircut matrix on an ongoing basis.

Rating	AAA
Minimum haircut	10 %

The haircuts seek to protect the lender of funds from the event of the counterparty failing to honor the repurchase leg of the repo. In such a circumstance, the Fund would suffer a loss if the value of the collateral depreciates by more than the haircut. The fall in the value of the collateral could be on account of higher yields and/ or deterioration of credit quality.

As the typical tenor of repos is short (typically overnight), the haircuts represent a relatively high degree of safety in relation to the interest rate risk on the collateral. The risk of collateral depreciation based on historical volatility is given in the table below:

Bond Tenor (yrs)	1	3	5	10
Price Volatility (%) (annualized)	0.6	1.2	1.7	3.4
Repo Tenor	Number of standard deviations needed to lose 10%			
1 day	258	136	94	48
7 days	98	52	36	18

In the above table, the price volatility of a 10-year bond is about 3.4% annualized. That is a 10% price move represents nearly a 3-sigma event on an annualized basis. For overnight tenors, this represents a 48-sigma event (for comparison a 6-sigma event occurs about once in a million observations).

It is apparent that the haircuts stipulated by RBI are more than sufficient to mitigate interest rate risk. Credit event risk remains (the collateral could default during the tenor of the repo). This risk is to be mitigated by ensuring that the collateral is acceptable from a credit point of view.

The exposure limit/ investment restrictions prescribed under the Seventh Schedule of the Regulations and circulars issued there under (wherever applicable) shall be applicable to repo transactions in corporate bonds.

The Scheme will comply with the other Regulations applicable to the investments of Mutual Funds from time to time.

All the investment restrictions will be applicable at the time of making investments.

Apart from the Investment Restrictions prescribed under the Regulations, internal risk parameters for limiting exposure to a particular scrip or sector may be prescribed from time to time to respond to the dynamic market conditions and market opportunities.

The AMC/ Trustee may alter these above stated restrictions from time to time to the extent the Regulations change, so as to permit the Scheme to make its investments in the full spectrum of permitted investments for mutual funds to achieve its respective investment objective.

<p>Plans / Options offered</p>	<p>The Scheme offers the following Plans:</p> <ol style="list-style-type: none"> 1) Axis Fixed Term Plan - Series 101 (1154 Days) - Regular Plan 2) Axis Fixed Term Plan – Series 101 (1154 Days) - Direct Plan

Regular Plan

Regular Plan is available for all type of investors investing through Distributor.

Direct Plan

Direct Plan is only for investors who purchase /subscribe Units in a Scheme directly with the Fund and is not available for investors who route their investments through a Distributor.

The Scheme offers the following options under each plans:

- a) Growth
- b) Dividend (Dividend Payout Facility)
- c) Quarterly Dividend (Dividend Payout facility)
- c) Half Yearly Dividend (Dividend Payout facility)

Scheme(s) having maturity ranging between 12 months up to 24 months offer Quarterly Dividend option (payout facility) and scheme(s) having maturity ranging from more than 24 months to 60 months offer Half yearly dividend option (payout facility) respectively in addition to Growth and Dividend option. Scheme(s) having maturity ranging between 1 month to less than 12 months will have growth and dividend option (payout facility).

a) Growth

Dividends will not be declared under this Option. The income attributable to Units under this Option will continue to remain invested in the Scheme and will be reflected in the Net Asset Value of Units under this -Option.

b) Dividend

Dividends may or may not be declared under this option at the discretion of the Trustee/AMC. Dividends (if any) will be subject to availability of distributable surplus calculated in accordance with SEBI (MF) Regulations. The Trustee / AMC will also take into account any changes to the tax treatment of dividends in the hands of the investor and dividend distribution tax as may occur due to introduction of the Direct Tax Code of India.

c) Quarterly Dividend

Under this option, dividends will be declared at a quarterly frequency and at maturity. It may be noted that the actual declaration of dividend will be at the discretion of the Trustee, subject to availability of distributable surplus calculated in accordance with SEBI (MF) Regulations.

The record date of the Quarterly Dividend will be the 25th of March, June, September, December & the date of maturity of the Scheme. If the record date falls on a non business day, the record date shall be the next business day.

d) Half - Yearly Dividend

Under this option, dividends will be declared at a half yearly frequency and at maturity. It may be noted that the actual declaration of dividend will be at the discretion of the Trustee, subject to availability of distributable surplus calculated in accordance with SEBI (MF) Regulations.

The record date of the Half Yearly Dividend will be the 25th of March, September & the date of maturity of the Scheme. If the record date falls on a non business day, the record date shall be the next business day. On payment of dividend, the NAV of the units under Dividend option will fall to the extent of the dividend payout and applicable statutory levies, if any.

It must be distinctly understood that the actual declaration of dividend and frequency thereof is at the sole discretion of Board of Directors of the Trustee Company. There is no assurance or guarantee to the Unit holders as to the rate of dividend distribution nor that will the dividend be paid regularly.

In case of Units held in dematerialized mode, the Depositories (NSDL/CDSL) will give the list of demat account holders and the number of Units held by them in electronic form on the Record date to the Registrars and Transfer Agent of the Mutual Fund.

Dividend Payout Facility

Under this facility, dividend declared, if any, will be paid (subject to deduction of dividend distribution tax and statutory levy, if any) to those Unit holders, whose names appear in the register of Unit holders on the notified record date.

Default Plan/Option

The investor must clearly specify his choice of plan/ option. In the absence of such clear instruction, it will be assumed that the investor has opted for 'default' plan/ option and the application will be processed accordingly.

Investors subscribing under Direct Plan of a Scheme will have to indicate "Direct Plan" against the Scheme name in the application form e.g. "**Axis Fixed Term Plan - Series 101 (1154 Days) - Direct Plan**". Investors should also indicate "Direct" in the ARN column of the application form.

The investors may refer to the following table for applicability of Direct Plan/ Regular Plan under different scenario: -

Scenario	Broker mentioned by investor	Code mentioned by the investor	Plan mentioned by the investor	Default Plan to be captured
1	Not mentioned		Not mentioned	Direct Plan
2	Not mentioned		Direct	Direct Plan
3	Not mentioned		Regular	Direct Plan
4	Mentioned		Direct	Direct Plan
5	Direct		Not Mentioned	Direct Plan
6	Direct		Regular	Direct Plan
7	Mentioned		Regular	Regular Plan
8	Mentioned		Not Mentioned	Regular Plan

In cases of wrong/ invalid/ incomplete ARN codes mentioned on the application form, the application shall be processed under Regular Plan. The AMC shall contact and obtain the correct ARN code within 30 calendar days of the receipt of the application form from the

	<p><i>investor/ distributor. In case, the correct code is not received within 30 calendar days, the AMC shall reprocess the transaction under Direct Plan from the date of application without any exit load.</i></p> <p>The default option would be growth (i.e. between Growth, Dividend, Quarterly Dividend & Half Yearly Dividend as the case maybe).</p>
Dividend Policy	<p>Under the Dividend options, the Trustee will have the discretion to declare the dividend, subject to availability of distributable surplus calculated in accordance with the Regulations. The actual declaration of dividend and frequency will inter-alia, depend on availability of distributable surplus calculated in accordance with SEBI (MF) Regulations and the decisions of the Trustee shall be final in this regard. There is no assurance or guarantee to the Unit holders as to the rate of dividend nor that will the dividend be paid regularly.</p> <p>The dividends will be declared in accordance with the procedure prescribed/applicable to the scheme under the SEBI (Mutual Funds) Regulations, 1996 or any other applicable regulations/circulars.</p> <p>Dividend Distribution Procedure</p> <p>The procedure for Dividend distribution would be as under:</p> <ol style="list-style-type: none"> 1. Quantum of dividend and the record date will be fixed by the Trustee. Dividend so decided shall be paid, subject to availability of distributable surplus. 2. Within one calendar day of decision by the Trustee, the AMC shall issue notice to the public communicating the decision about the dividend including the record date, in one English daily newspaper having nationwide circulation as well as in a newspaper published in the language of the region where the head office of the Mutual Fund is situated. 3. Record date shall be the date, which will be considered for the purpose of determining the eligibility of investors whose names appear on the register of Unit holders for receiving dividends. The Record Date will be 5 calendar days from the date of issue of notice. 4. The notice will, in font size 10, bold, categorically state that pursuant to payment of dividend, the NAV of the Scheme would fall to the extent of payout and statutory levy (if applicable). 5. The NAV will be adjusted to the extent of dividend distribution and statutory levy, if any, at the close of business hours on record date. 6. Before the issue of such notice, no communication indicating the probable date of dividend declaration in any manner whatsoever will be issued by Mutual Fund.
Refund	<p>Fund will refund the application money to applicants whose applications are found to be incomplete, invalid or have been rejected for any other reason whatsoever. Refund instruments will be dispatched within 5 business days of the closure of NFO period. In the event of delay beyond 5 business days, the AMC shall be liable to pay interest at 15% per annum or such other rate of interest as maybe prescribed from time to time. Refund orders will be marked "A/c Payee only" and drawn in the name of the applicant (in the case of a sole</p>

	<p>applicant) and in the name of the first applicant in all other cases. All refund orders will be sent by registered post or as permitted by Regulations.</p>
<p>Accounts Statements/ Allotment advice</p>	<ul style="list-style-type: none"> • On acceptance of the application for subscription, an allotment confirmation specifying the number of units allotted by way of email and/or SMS within 5 business days from the date of receipt of transaction request will be sent to the Unit Holders registered email address and/or mobile number. • In case of Unit Holders holding units in the dematerialized mode, the Fund will not send the account statement to the Unit Holders. The statement provided by the Depository Participant will be equivalent to the account statement. • For those Unit holders who have provided an e-mail address, the AMC will send the account statement by e-mail. • Unit holders will be required to download and print the documents after receiving e-mail from the Mutual Fund. Should the Unit holder experience any difficulty in accessing the electronically delivered documents, the Unit holder shall promptly advise the Mutual Fund to enable the Mutual Fund to make the delivery through alternate means. It is deemed that the Unit holder is aware of all security risks including possible third party interception of the documents and contents of the documents becoming known to third parties. • The Unit holder may request for a physical account statement by writing/calling the AMC/ISC/Registrar. In case of specific request received from the Unit Holders, the AMC/Fund will provide the Account Statement to the Investors within 5 business days from the receipt of such request. • The AMC shall issue Unit certificates within 5 business days from the date of receipt of request where the applicant so desires. <p>Consolidated Account Statement (CAS) CAS is an account statement detailing all the transactions and holding at the end of the month including transaction charges paid to the distributor, across all schemes of all mutual funds. CAS issued to investors shall also provide the total purchase value/cost of investment in each scheme.</p> <p>Further, CAS issued for the half-year (September/ March) shall also provide</p> <ol style="list-style-type: none"> a. The amount of actual commission paid by AMC/Mutual Fund to distributors (in absolute terms) during the half-year period against the concerned investor's total investments in each scheme. b. The scheme's average Total Expense Ratio (in percentage terms) along with the break up between Investment and Advisory fees, Commission paid to the distributor and Other expenses for the period for each scheme's applicable plan (regular or direct or both) where the concerned investor has actually invested in. <p>The word transaction will include purchase, redemption, switch, dividend payout, dividend reinvestment, systematic investment plan, systematic withdrawal plan and systematic transfer plan.</p> <p>a) For Unitholders not holding Demat Account: CAS for each calendar month shall be issued, on or before tenth day of the succeeding month by the AMC.</p>

The AMC shall ensure that a CAS for every half year (September/March) is issued, on or before the tenth day of the succeeding month, detailing holding at the end of the sixth month, across all schemes of all mutual funds, to all such investors in whose folios no transaction has taken place during that period.

The AMC shall identify common investors across fund houses by their Permanent Account Number (PAN) for the purposes of sending CAS. In the event the account has more than one registered holder, the first named Unit Holder shall receive the Account Statement.

The AMC will send statement of account by e-mail where the Investor has provided the e-mail id. Additionally, the AMC may at its discretion send Account Statements individually to the investors.

b) For Unitholders holding Demat Account:

SEBI vide its circular no. CIR/MRD/DP/31/2014 dated November 12, 2014, in order to enable a single consolidated view of all the investments of an investor in Mutual Fund and securities held in demat form with Depositories, has required Depositories to generate and dispatch a single CAS for investors having mutual fund investments and holding demat accounts.

In view of the aforesaid requirement, for investors who hold demat account, for transactions in the schemes of Axis Mutual Fund on or after February 1, 2015, a CAS, based on PAN of the holders, will be sent by Depositories to investors holding demat account, for each calendar month within 10th day of the succeeding month to the investors in whose folios transactions have taken place during that month.

CAS will be sent by Depositories every half yearly (September/March), on or before 10th day of succeeding month, detailing holding at the end of the six month, to all such investors in whose folios and demat accounts there have been no transactions during that period.

CAS sent by Depositories is a statement containing details relating to all financial transactions made by an investor across all mutual funds viz. purchase, redemption, switch, dividend payout, dividend reinvestment, systematic investment plan, systematic withdrawal plan, systematic transfer plan (including transaction charges paid to the distributor) and transaction in dematerialized securities across demat accounts of the investors and holding at the end of the month.

In case of demat accounts with nil balance and no transactions in securities and in mutual fund folios, the depository shall send account statement in terms of regulations applicable to the depositories. Investors whose folio(s)/ demat account(s) are not updated with PAN shall not receive CAS.

Consolidation of account statement is done on the basis of PAN. Investors are therefore requested to ensure that their folio(s)/ demat account(s) are updated with PAN. In case of multiple holding, it shall be PAN of the first holder and pattern of holding.

For Unit Holders who have provided an e-mail address to the Mutual Fund or in KYC records, the CAS is sent by e-mail. However, where an

investor does not wish to receive CAS through email, option is given to the investor to receive the CAS in physical form at the address registered in the Depository system.

Investors who do not wish to receive CAS sent by depositories have an option to indicate their negative consent. Such investors may contact the depositories to opt out. Investors who do not hold demat account continue to receive CAS sent by RTA/AMC, based on the PAN, covering transactions across all mutual funds as per the current practice.

In case an investor has multiple accounts across two depositories; the depository with whom the account has been opened earlier will be the default depository.

The dispatches of CAS by the depositories constitute compliance by the AMC/ the Fund with the requirement under Regulation 36(4) of SEBI (Mutual Funds) Regulations. However, the AMC reserves the right to furnish the account statement in addition to the CAS, if deemed fit in the interest of investor(s).

Investors whose folio(s)/demat account(s) are not updated with PAN shall not receive CAS. Investors are therefore requested to ensure that their folio(s)/demat account(s) are updated with PAN.

For folios not included in the CAS (due to non-availability of PAN), the AMC shall issue monthly account statement to such Unit holder(s), for any financial transaction undertaken during the month on or before 10th of succeeding month by mail or email.

For folios not eligible to receive CAS (due to non-availability of PAN), the AMC shall issue an account statement detailing holding across all schemes at the end of every six months (i.e. September/March), on or before 10th day of succeeding month, to all such Unit holders in whose folios no transaction has taken place during that period shall be sent by mail/e-mail.

Option to hold units in dematerialised (demat) form

Investors shall have an option to receive allotment of Mutual Fund units in their demat account while subscribing to the Scheme in terms of the guidelines/ procedural requirements as laid by the Depositories (NSDL/CDSL) from time to time.

Investors desirous of having the Units of the Scheme in dematerialized form should contact the ISCs of the AMC/Registrar.

Where units are held by investor in dematerialized form, the demat statement issued by the Depository Participant would be deemed adequate compliance with the requirements in respect of dispatch of statements of account.

In case investors desire to convert their existing physical units (represented by statement of account) into dematerialized form or vice versa, the request for conversion of units held in physical form into Demat (electronic) form or vice versa should be submitted alongwith a Demat/Remat Request Form to their Depository Participants. In case

	<p>the units are desired to be held by investor in dematerialized form, the KYC performed by Depository Participant shall be considered compliance of the applicable SEBI norms.</p> <p>Further, demat option shall also be available for SIP transactions. Units will be allotted based on the applicable NAV as per Scheme Information Document and will be credited to investors Demat Account on weekly basis on realization of funds.</p> <p>Units held in Demat form are freely transferable in accordance with the provisions of SEBI (Depositories and Participants) Regulations, as may be amended from time to time. Transfer can be made only in favour of transferees who are capable of holding units and having a Demat Account. The delivery instructions for transfer of units will have to be lodged with the Depository Participant in requisite form as may be required from time to time and transfer will be affected in accordance with such rules / regulations as may be in force governing transfer of securities in dematerialized mode.</p> <p>For details, Investors may contact any of the Investor Service Centres of the AMC.</p>

Ultimate Beneficial Ownership details:

SEBI vide its circular no. CIR/MIRSD/2/2013 dated January 24, 2013 further read with AMFI Best practices guidelines circular no. 62/2015-16 dated September 18, 2015 and other applicable regulations has prescribed guidelines, for identification of Beneficial Ownership to be followed by the intermediaries. A 'Beneficial owner' is defined as a natural person or persons who ultimately own, control or influence a client and/or persons on whose behalf a transaction is being conducted, and includes a person who exercises ultimate effective control over a legal person or arrangement. In this regard, all categories of investors (including all new / existing investors / unitholders) (except individuals, companies listed on a stock exchange or majority-owned subsidiary of such companies) are mandatorily required to provide beneficial ownership details for all investments. Failing which, fund reserves the right to reject applications / subscription requests / additional subscription requests (including switches) / restrict further investments or seek additional information from investors who have not provided the requisite information on beneficial ownership. In the event of change in beneficial ownership, investors are requested to immediately update the details with the Fund/Registrar.

Foreign Account Tax Compliance Act ('FATCA') and Common Reporting Standards (CRS) requirements:

As a part of various ongoing tax and regulatory developments around the globe such as Foreign Account Tax Compliance Act ('FATCA') and Common Reporting Standard ('CRS'), financial institutions like Axis Mutual Fund ('Axis MF') are being cast with additional investor and counterparty account related due diligence requirements.

FATCA is a United States of America ("U.S.") tax initiative that requires all financial institutions to report financial transactions of U.S. persons including entities in which U.S. persons hold a substantial ownership, etc. to the relevant tax authorities. It was introduced by the United States Department of Treasury and the US Internal Revenue Service ("IRS") The purpose of FATCA is to prevent tax evasion by US citizens and residents (US Persons) through use of offshore accounts. FATCA obligates financial institutions (FIs), including Indian financial institutions to provide information on the accounts of / to report accounts held by specified US Persons. FATCA requires enhanced due diligence procedures by the FI so as to identify US reportable accounts. With respect to individuals, the US reportable accounts would cover those with US citizenship or US residency.

Further, similar to FATCA, G20 and OECD countries have released a "Standard for Automatic Exchange of Financial Account Information in Tax Matters", commonly known as the CRS on Automatic Exchange of

Information (AEOI). CRS mandates automatic tax information exchange regarding accounts of reportable persons between the CRS compliant jurisdictions.

The Indian Government signed an Inter-Governmental Agreement ("IGA") with the U.S. on July 9, 2015 to implement FATCA in India. In addition, India also signed the OECD's Model Competent Authority Agreement for tax information sharing in accordance with multilateral Common Reporting Standard ("CRS") on June 3, 2015. India had committed to implement CRS and the same has been implemented from January 1, 2016. Towards this, the Central Board of Direct Taxes has inserted Section 285BA of the Income Tax Act, 1961 along with Rules 114F to 114H (FATCA-CRS Rules), as part of the Income-tax Rules, 1962. These Rules require Indian financial institutions such as the Banks, Mutual Funds, etc. to seek additional personal, tax and beneficial owner information and certain certifications and documentation from all our investors and counterparties. According to the FATCA-CRS Rules, financial institutions in India are required to report tax information about account holders that tax resident of U.S. and other foreign countries, to the CBDT/ Indian Government which will, in turn, will relay that information to the IRS and governments of other foreign countries.

These developments have resulted in compliance and reporting obligations on Financial Institutions like Axis MF. In relevant cases, information will have to be reported to tax authorities i.e. CBDT. Towards compliance, the Fund may also be required to provide information to any institutions such as withholding agents for the purpose of ensuring appropriate withholding from the account or any proceeds in relation thereto. Axis MF has taken appropriate measures in order to become FATCA and CRS compliant, with effect from the applicable date as per applicable laws / rules/ regulations. As may be required by domestic or overseas regulators/ tax authorities, we may also be constrained to withhold and pay out any sums from your account or close or suspend your account(s). Axis MF may also have to comply with other similar laws as and when applicable.

SEBI issued its circular no. CIR/MIRSD/2/2015 dated August 26, 2015 inter-alia advising intermediaries to take necessary steps to ensure compliance with the requirements specified in the rules and guidelines specified by the Government of India. AMFI also issued its best practices guidelines circular no. 63/2015-16 dated September 18, 2015 on this matter. The AMC and the Mutual Fund are required to adhere to various requirements inter-alia including submission of various information / details relating to the investors in the schemes of the mutual fund, to authorities, as specified under the applicable laws.

Accordingly, the following aspects need to be adhered to:

- With effect from November 1, 2015 all investors will have to mandatorily provide the information and declarations pertaining to FATCA/CRS for all new accounts opened, failing which the application / transaction request shall be liable to be rejected.
- For all new accounts opened by investors, from September 1, 2015 till October 31, 2015, MFs need to obtain relevant FATCA declarations. These details / certification need to be obtained by December 31, 2015, particularly in cases where, after India

search, a positive match is found with any US indicia. If certification is not provided by an investor or the reasonableness of self-certification cannot be confirmed, the account is treated as reportable.

- Investors are requested to note that under the alternative procedure provided in Rule 114H(8) of the Income-tax Rules, 1962, the financial institutions were required to obtain FATCA/CRS self-certification and carry out due diligence in respect of all individual and entity accounts opened from 1st July 2014 to 31st August 2015. Such self-certification and documentation was required to be obtained by the financial institutions by an extended timeline of 31st August 2016. In the event that such self-certification were not received within this timeline, financial institutions were required to close the account and if the account were found to be a "reportable account", report the same. In view of the difficulties highlighted by stakeholders in complying with the provision for "closure" of financial accounts, the Ministry of Finance, Government of India vide Press Release dated 31st August 2016 extended the time line for closure (from 31 August 2016) until further notification.

Further to this, the Ministry of Finance, Government of India vide its Press release dated April 11, 2017 directed financial institutions to obtain the self-certification by April 30, 2017, failing which the accounts would need to be blocked. The transactions in such blocked folios would, be permitted only once the self-certification is obtained and due diligence completed. Investors are advised to complete their self-certification at the earliest to prevent being inconvenienced on account of blocking of any folio(s).

Prospective investors and Unit holders will therefore be required to comply with the request of the Fund to furnish such information / documentation / declarations as and when deemed necessary by the Investment Manager in accordance with Applicable Laws. In case prospective investor / Unit holder fails to furnish the relevant information / documentation / declarations in accordance with Applicable Laws, the Fund reserves the right to reject the application or redeem the Units held directly or beneficially and may also require reporting of such accounts and/or levy of withholding tax on payments made to the Unit holders / investor and/or take any other action/s in accordance with Applicable Laws. FATCA-CRS provisions are relevant not only at on-boarding stage of Unit holders but also throughout the life cycle of investment with the Fund. Unit holders therefore should immediately intimate to the Fund/the Investment Manager, any change in their status with respect to any FATCA-CRS related information / documentation / declarations provided by them previously, including but not limited to any declarations provided in respect of residency of the Unit holders for tax purposes. Further, if the Fund and/or the Investment Manager is required by Applicable Laws, to provide information regarding the Fund and/or the unit holders / investors to any regulatory authority and/or the Fund Investments and/or income therefrom, and the Fund and/or the Investment Manager complies with such request in good faith, whether or not it was in fact enforceable, they shall not be liable to the Unit holders / investors or to any other party as a result of such compliance or in connection with such compliance.

Prospective investors / Unit holders should consult their own advisors to understand the implications of FATCA-CRS provisions/requirements. Please note that Axis MF will be unable to provide advice to any investor or counterparty about their tax status or FATCA/CRS classification relevant to their account. It is the responsibility of the investor or counterparty to ensure that they record their correct tax status / FATCA/ CRS classification. Investor/ counterparty may seek advice from their tax advisor in this regard. The onus to provide accurate, adequate and timely inputs in this regard would be that of the investor or counterparty. Any changes in earlier information provided must be intimated within 30 days of such change.

Investors are requested to provide all the necessary information / declarations to facilitate compliance, considering India's commitment to implement CRS and FATCA under the relevant international treaties.

Implementation of KYC requirements:

SEBI vide circular no. MIRSD/SE/Cir-21/2011 dated October 5, 2011 had mandated (i) Standard KYC form with uniform KYC guidelines and supporting documents to be used by SEBI registered intermediaries and (ii) Centralized KYC registration through KYC Registration Agencies (KRAs) registered with SEBI, w.e.f. January 1, 2012, to bring about uniform KYC process in the securities market, based on SEBI prescribed norms and the KYC details are shared with all SEBI registered intermediaries by the KRAs.

Subsequently, SEBI, vide its circular no. MIRSD/Cir-5/2012 dated April 13, 2012 advised various intermediaries to upload KYC data of its existing customers into the KRA system. While uploading KYC data into the KRA system, intermediaries were also required to highlight such 'Missing/Not Available' KYC information of a customer, which was either not required or not taken previously, but was mandatory as per uniform KYC guidelines issued by SEBI.

In accordance with AMFI best practices guidelines circular no. 62/2015-16 dated September 18, 2015, it is mandatory for all new/existing investors to provide additional KYC information such as Income details, Occupation, association with politically exposed person, net worth etc. as mentioned in the application form. Subscription requests, without providing these details, are liable to be rejected. No subscriptions (whether fresh or additional) and switches pertaining to 'KYC on-hold' cases are accepted, unless the investor / unitholder also submits relevant KYC missing / updated information, which is appropriately updated on the KRA - KYC.

Further, it is mandatory for existing customers to complete In-Person Verification process and provide the missing KYC information failing which their applications / transaction requests for additional subscription (including switches) is liable to be rejected.

Central KYC Process

Central Registry of Securitisation and Asset Reconstruction and Security interest of India ('CERSAI') has been authorised by Government of India to act as Central KYC Records Registry under Prevention of Money-Laundering (Maintenance of Records) Rules, 2005 ('PMLA Rules').

SEBI vide its circular no. CIR/MIRSD/66/2016 dated July 21, 2016 and circular no. CIR/MIRSD/120/2016 dated November 10, 2016 has prescribed that the Mutual Fund/ AMC should capture KYC information for sharing with CKYCR as per the KYC template prescribed by CERSAI for uniform and smooth implementation of CKYC norms for onboarding of new investors in Mutual Funds.

In accordance with the aforesaid SEBI circulars and AMFI best practice guidelines for implementation of CKYC norms with effect from February 1, 2017:

- a) Individual investors who have never done KYC process under KRA regime i.e. a new investor who is new to KRA system and whose KYC is not registered or verified in the KRA system shall be required to provide KYC details in the CKYC Form to the Mutual Fund/ AMC.
- b) Individual investor who fills old KRA KYC Form, should provide additional / missing information using Supplementary KYC Form or fill CKYC Form. The said form is available on Axis Mutual Fund website www.axismf.com.
- c) Details of investors shall be uploaded on the system of CKYCR and a 14 digit unique KYC Identification Number ('KIN') will be generated for such customer.
- d) New investors, who have completed CKYC process & have obtained KIN may quote their KIN in the application form instead of submitting CKYC Form/ Supplementary KYC Form.
- e) AMC/ Mutual Fund shall use the KIN of the investor to download the KYC information from CKYCR system and update its records.
- f) If the PAN of investor is not updated on CKYCR system, the investor should submit self-certified copy of PAN card to the Mutual Fund/ AMC.

The AMC reserves the right to reject transaction application in case the investor(s) fails to submit information and/or documentation as mentioned above. In the event of non-compliance of KYC requirements, the Trustee / AMC reserves the right to freeze the folio of the investor(s).

Submission of Aadhar Number

D. COMPUTATION OF NAV

The Net Asset Value (NAV) per Unit under the Scheme will be computed by dividing the net assets of the scheme by the number of Units outstanding on the valuation day. The Mutual Fund will value its investments according to the valuation norms, as specified in Schedule VIII of the SEBI (MF) Regulations, or such norms as may be specified by SEBI from time to time.

The Net Assets Value (NAV) of the Units under the scheme shall be calculated as shown below:

$$\text{NAV (Rs.)} = \frac{\text{Market or Fair Value of Scheme's Investments} + \text{Current Assets including Accrued Income} - \text{Current Liabilities and Provisions}}{\text{No. of Units outstanding under Scheme on the Valuation Day}}$$

The NAV shall be calculated up to four decimal places. However, the AMC reserves the right to declare the NAVs up to additional decimal places as it deems appropriate. Separate NAV will be calculated and disclosed for each Plan//Option. The NAVs of the Growth and the Dividend Options under each plans/ series under the Scheme(s) viz. Axis Fixed Term Plan - Series 101 (1154 Days) will be different after the declaration of the first Dividend.

The AMC will calculate and disclose the first NAV of scheme within a period of 5 business days from the date of allotment. Subsequently, the NAVs will be calculated and disclosed on all the Business Days.

Series under the scheme will be managed as a separate investment portfolio. Separate NAV will be calculated and announced for each of the plans and Options (viz. Regular Plan, Direct Plan, Growth, Dividend, Quarterly Dividend and Half yearly dividend) under the series of the scheme(s) at the close of every Business Day.

IV. FEES AND EXPENSES

This section outlines the expenses that will be charged to the Schemes.

A. NEW FUND OFFER (NFO) EXPENSES

These expenses are incurred for the purpose of various activities related to the NFO like sales and distribution fees paid marketing and advertising, registrar expenses, printing and stationary, bank charges etc.

In accordance with the provisions of SEBI circular no. SEBI/ IMD/CIR No. 1/64057/06 dated April 04, 2006 and SEBI/IMD/CIR No. 4/ 168230/09 dated June 30, 2009, the NFO expenses shall be borne by the AMC/Sponsor.

B. ANNUAL SCHEME RECURRING EXPENSES

These are the fees and expenses for operating the Scheme. These expenses include Investment Management and Advisory Fee charged by the AMC, Registrar and Transfer Agents' fee, marketing and selling costs etc. as given in the table below:

The AMC has estimated that upto 2.25% of the daily net assets of scheme will be charged to the scheme as expenses. For the actual current expenses being charged, the Investor should refer to the website of the AMC.

Expense Head	% of daily Net Assets
Investment Management and Advisory Fees	Upto 2.25%
Trustee fees	
Audit fees	
Custodian fees	
RTA fees	
Marketing & Selling expense incl. agent commission**	
Cost related to investor communications	
Cost of fund transfer from location to location	
Cost of providing account statements and dividend redemption cheques and warrants	
Costs of statutory Advertisements	
Cost towards investor education & awareness (at least 2 bps)	
Brokerage & transaction cost over and above 12 bps and 5 bps for cash and derivative market trades resp.	
Goods & Service Tax (GST) on expenses other than investment and advisory fees	
GST on brokerage and transaction cost	
Other Expenses	
Maximum total expense ratio (TER) permissible under Regulation 52 (b) (c) (i) and (b) (a)	Upto 2.25%
Additional expenses for gross new inflows from specified cities under Regulation 52(6A)(b)	Upto 0.30%

Any other expenses which are directly attributable to the Scheme maybe charged with the approval of the Trustee within the overall limits as specified in the Regulations except those expenses which are specifically prohibited.

All fees and expenses charged in a Direct Plan (in percentage terms) under various heads including the investment and advisory fee shall not exceed the fees and expenses charged under such heads in other than Direct Plan. Direct Plan shall have a lower expense ratio excluding distribution expenses, commission, etc. and no commission for distribution of Units will be paid / charged under Direct Plan. The TER of the Direct Plan will be lower to the extent of at least 5% of the TER which is charged in the Regular Plan. For example, in the event that the TER of the Regular option is 1% p.a., the TER of the Direct option would not exceed 0.95% p.a.

Mutual Fund/AMCs may charge GST on investment and advisory service fees ('AMC fees') in addition to the maximum limit as prescribed in regulation 52 of the SEBI Regulations.

Fungibility of expenses: The expenses towards Investment Management and Advisory Fees under Regulation 52 (2) and the various sub-heads of recurring expenses mentioned under Regulation 52 (4) of SEBI (MF) Regulations are fungible in nature. Thus, there shall be no internal sub-limits within the expense ratio for expense heads mentioned under Regulation 52 (2) and (4) respectively. Further, the additional expenses under Regulation 52(6A)(c) may be incurred either towards investment & advisory fees and/or towards other expense heads as stated above.

These estimates have been made in good faith as per the information available to the Investment Manager and are subject to change inter-se or in total subject to prevailing Regulations. The Scheme may incur actual expenses which may be more or less than those estimated above under any head. Type of expenses charged shall be as per the SEBI Regulations.

The AMC will charge the Scheme such actual expenses incurred, subject to the statutory limit prescribed in the Regulations.

The recurring expenses of the Scheme (including the Investment Management and Advisory Fees) shall be as per the limits prescribed under the SEBI (MF) Regulations. These are as follows:

On the first Rs. 100 crores of the daily net assets - 2.25%
On the next Rs. 300 crores of the daily net assets - 2.00%
On the next Rs. 300 crores of the daily net assets – 1.75%
On the balance of the assets - 1.50%

AMC fees charged by Axis AMC to the Scheme will be within the Total Expense Limit as prescribed by SEBI Regulations, as amended from time to time.

The total expenses of the Scheme including the investment management and advisory fee shall not exceed the limit stated in Regulation 52(6) of the SEBI (MF) Regulations.

In addition to the limits as specified in Regulation 52(6) of SEBI MF Regulations or the Total Recurring Expenses (Total Expense Limit) as specified above, the following costs or expenses may be charged to the Scheme namely-

Additional expenses for gross new inflows from specified cities

a) Expenses not exceeding of 0.30 per cent of daily net assets, if the new inflows from such cities as specified by SEBI/AMFI from time to time are at least -
(i) 30 per cent of gross new inflows in the Scheme, or;
(ii) 15 per cent of the average assets under management (year to date) of the Scheme, whichever is higher:

Provided that if inflows from such cities is less than the higher of sub-clause (i) or sub-clause (ii), such expenses on daily net assets of the Scheme shall be charged on proportionate basis.

Provided further that, expenses charged under this clause shall be utilised for distribution expenses incurred for bringing inflows from such cities.

Provided further that, amount incurred as expense on account of inflows from such cities shall be credited back to the Scheme in case the said inflows are redeemed within a period of one year from the date of investment.

Provided further that, additional TER can be charged based on inflows only from retail investors from B30 cities in terms of SEBI circular no. SEBI/HO/IMD/DF2/CIR/P/2018/137 dated October 22, 2018.

This sub clause (a) shall be applicable for inflows received during the NFO period.

b) GST payable on investment and advisory service fees ('AMC fees') charged by Axis Asset Management Company Limited;

Further, brokerage and transaction costs which are incurred for the purpose of execution of trade and is included in the cost of investment shall not exceed 0.12 per cent in case of cash market transactions and 0.05 per cent in case of derivatives transactions.

Within the Total Expense Limit chargeable to the scheme, following will be charged to the Scheme:

(a) GST on other than investment and advisory fees, if any, (including on brokerage and transaction costs on execution of trades) shall be borne by the Scheme

(b) Investor education and awareness initiative fees of at least 2 basis points on daily net assets of respective Scheme.

Expenses over and above the prescribed limit shall be charged / borne in accordance with the Regulations prevailing from time to time.

The mutual fund would update the current expense ratios on its website (www.axismf.com) atleast three working days prior to the effective date of the change. Investors can refer 'Total Expense Ratio of Mutual Fund Schemes' section on <https://www.axismf.com/Downloads.aspx> for Total Expense Ratio (TER) details.

Illustration of impact of expense ratio on scheme's returns

For any scheme, NAV is computed on a daily basis factoring in all the assets as well as liabilities of the Scheme (including expenses charged). Expenses charged to the Scheme bring down its NAV and hence the investor's net returns on a corresponding basis.

Please Note:

- The purpose of the above illustration is purely to explain the impact of expense ratio charged to the Scheme and should not be construed as providing any kind of investment advice or guarantee of returns on investments.
- It is assumed that the expenses charged are evenly distributed throughout the year. The expenses of the Direct Plan under the Scheme may vary with that of the Regular Plan under the Scheme.
- Calculations are based on assumed NAVs, and actual returns on your investment may be more, or less.
- Any tax impact has not been considered in the above example, in view of the individual nature of the tax implications. Each investor is advised to consult his or her own financial advisor.

C. LOAD STRUCTURE

Load is an amount which is presently paid by the investor to redeem the Units from the Scheme. This amount is used by the AMC to pay commission to the distributors and to take care of other marketing and selling expenses. Load amounts are variable and are subject to change from time to time.

SEBI vide its circular No. SEBI/IMD/CIR No. 4/ 168230/09 dated June 30, 2009 has decided that there shall be no entry Load for all Mutual Fund Schemes.

Type of Load	Load chargeable (as %age of NAV)
Entry Load	Not applicable
Exit Load	Nil

Being a closed ended scheme, Units under the Scheme cannot be redeemed directly with the Fund until the Maturity Date. Scheme will have a Maturity Date. Scheme will be compulsorily and without any further act by the Unit holder(s) redeemed on the Maturity Date. On the Maturity Date of the Scheme, the Units under the Scheme will be redeemed at the Applicable NAV. No Exit Load will be levied on the Maturity Date.

The Units of the Scheme will be listed on the capital market segment of the BSE and/ or any other Stock Exchange. The Scheme does not allow fresh subscription / redemption during the tenure of the scheme and redemptions are permitted only on Maturity Date. Accordingly, provisions with respect to imposition or enhancement of load in future on a prospective basis are not applicable.

Transaction charge:

In terms of SEBI circular no. CIR/ IMD/ DF/ 13/ 2011 dated August 22, 2011, as amended from time to time, Transaction Charge per subscription of Rs.10, 000/- and above shall be charged from the investors and shall be payable to the distributors/ brokers (who have opted in for charging the transaction charge) in respect of applications routed through distributor/ broker relating to Purchases / subscription / new inflows only (lump sum). The transaction charge (based on the type of the product), if any shall be deducted by AMC from the subscription amount and paid to the distributor; and the balance shall be invested and accordingly units allotted. The statement of account shall clearly state the net investment as gross subscription less transaction charge. The charge is, subject to the following:

- For Existing / New investors: Rs.100 / Rs.150 as applicable per subscription of 10,000/- and above
- There shall be no transaction charge on subscription below Rs. 10,000/-.
- There shall be no transaction charges on direct investments.
- There shall be no transaction charges for transaction other than purchases/subscriptions relating to new inflows such as Switches, etc.
- Transactions carried out through the Stock Exchange platforms for mutual funds shall not be subject to transaction charges.

SEBI vide its circular no. SEBI/IMD/CIR No. 4/ 168230/09 dated June 30, 2009 has decided that there shall be no entry Load for all Mutual Fund Schemes. The upfront commission on investment made by the investor, if any, shall be paid to the ARN Holder (AMFI registered Distributor) directly by the investor, based on the investor's assessment of various factors including service rendered by the ARN Holder.

Further, the Investors are requested to note that the requirement of Minimum Application Amount for investment shall not be applicable if the investment amount falls below the minimum requirement due to deduction of Transaction Charge from the subscription amount.

The Transaction Charge as mentioned above shall be deducted by the AMC from the subscription amount of the unit holder and paid to the distributor. The balance amount shall be invested in the Scheme.

D. WAIVER OF LOAD FOR DIRECT APPLICATIONS

Not applicable
