INDEX

PART I-HIGHLIGHTS/SUMMARY OF THE SCHEME

Sr. No.	Title	Description
I.	**Name of the scheme**	Bank of India Flexi Cap Fund
II.	**Category of the Scheme**	Flexi Cap Fund
III.	**Scheme type**	An open ended dynamic equity scheme investing across large cap, mid cap, small cap stocks
IV.	**Scheme code**	BOIA/O/E/FCF/20/05/0016
V.	**Investment objective**	The investment objective of the scheme is to generate long term capital appreciation by investing predominantly in equity and equity-related securities across various market capitalisation. However, there can be no assurance that the investment objectives of the Scheme will be realized.
VI.	**Liquidity/listing details**	The Scheme will offer units for sale and repurchase at NAV based prices on all business days. Unitholders can subscribe to and get their units repurchased on all business days at NAV related prices (with exit load as mandated by AMC from time to time). As per SEBI Mutual Funds Regulations, the Fund shall dispatch Redemption proceeds within 3 Business Days of receiving the valid Redemption request. A penal interest of 15% per annum or such other rate as may be prescribed by SEBI from time to time will be paid in case the redemption proceeds are not dispatched/remitted within 3 Business Days of the date of Redemption request. However, under normal circumstances, the Fund will endeavor to dispatch the Redemption proceeds well before 3 Business Days from the acceptance of the duly completed Redemption request. The AMC shall adhere to guidelines published by AMFI /SEBI for exceptional circumstances under which the Scheme is unable to transfer redemption or repurchase proceeds within prescribed timelines. The units of the Scheme shall not be listed on any Stock Exchange. However, Trustee reserve the right to list the scheme at recognized stock exchange at a later date.

Sr. No.	Title	Description
VII.	**Benchmark (Total Return Index)**	**First Tier Benchmark:** BSE 500 TRI. **Justification:** The Benchmark for the Scheme would be BSE 500 Total Return Index (TRI). The benchmark is most suited for comparing the performance of the Scheme. The Scheme will primarily invest in Equity and equity related instruments of Large Cap companies. The Fund will also have the flexibility to invest in companies across the market capitalization spectrum and as such, the constituents of the BSE 500 Index reasonably represent the universe for building the portfolio of the scheme. Also, as required under Para 1.9 of SEBI Master circular dated June 27, 2024, the benchmark has been selected from amongst those notified by AMFI as the first-tier benchmark to be adopted by mutual funds. **Second Tier Benchmark:** Not applicable The Trustee/AMC reserves the right to change the benchmark for the evaluation of the performance of the Scheme from time to time, keeping in mind the investment objective of the Scheme and the appropriateness of the benchmark, subject to SEBI guidelines and other prevalent guidelines.
VIII.	**NAV disclosure**	The AMC will calculate and disclose the first NAVs of the Scheme not later than 5 Business Days from the date of allotment of units under the NFO. Thereafter, the AMC will prominently disclose the NAVs under a separate head on the website of the Fund (https://www.boimf.in/nav) and of the Association of Mutual Funds in India-AMFI (www.amfiindia.com) by 11 p.m. on every Business Day. Further Details in Section II.
IX.	**Applicable timelines**	**Timeline for Dispatch of redemption proceeds:** The Scheme will dispatch redemption proceeds within 3 Business Days from the acceptance of the Redemption request or such other time as may be prescribed by SEBI from time to time. **Redemption/Switch Procedure in case of physical form:** The investors holding units in physical form may submit their redemption/ switch requests duly signed by all the holders (as per the mode of holding) at any of the Point of Acceptance (POA) Investor Service Centers (ISC) of Registrar & Transfer Agent viz., M/s KFin Technologies Ltd. or Bank of India Investment Managers Pvt. Ltd. latest by the cut off time as stipulated and revised by SEBI from time to time which is currently 3.00 p.m. on any business day. Such cases will be eligible for NAV of the business day on which the redemption requests are time-stamped upto the cut-off time at the ISC for the Scheme. **Redemption / Switch Procedure in case units are held in dematerialized form:**

Sr. No.	Title	Description
		The investors who hold units in demat form and wish to redeem their units will have to take following steps: 1. Investors will have to approach their DP (Depository Participants) where Demat Account is being held. 2. Investors will have to submit duly filled-in and signed Redemption/Repurchase Request Form (RRF) available with respective DPs. Normally, these RRF may be available on the websites of respective DPs e.g. Banks etc. As the format of RRF may be different with every DP, the investors are advised to use the RRF procured from their own DP to avoid rejections/delays by their own DP. The ISIN of the Scheme/plan/ subplan is printed on the Statement of Account issued to investors. 3. The investors are required to submit 3 copies of RRF to their DPs. One copy of the RRF is used by the DP for issuing acknowledgement to investors whereas the second copy of the RRF will be forwarded by the DP to the Head Office of the RTA i.e M/s KFin Technologies Ltd. The third copy will be retained by the DP for their own records. 4. Based on the receipt of RRF, if found in order the DP concerned generates Electronic Redemption Request and blocks the units applied for redemption in the NSDL/CDSL system immediately. After this, the investor will not be able to transfer the blocked units to anyone (i.e. cannot transfer to anyone). 5. The Electronic Requests generated up to the stipulated cut off time which is currently 3 pm every day by DPs shall get transmitted from NSDL / CDSL to respective Registrars of Mutual Fund by 4 - 6 pm. 6. All such Electronic Requests transmitted by NSDL / CDSL by 4 – 6 pm everyday are updated in the system at Registrar's end i.e. M/s KFin Technologies Ltd. for further processing. 7. Registrar shall verify and process the requests subject to finding the same in order by a) Nullifying the units by confirming Electronic Repurchase Request; b) Applying NAV based on Date and Time of raising Electronic request by DP's for Redemption Request; c) Remitting Redemption proceeds to investor's bank account (as recorded in demat account) within 3 business days and d) Dispatching an SOA (Statement of Account/Consolidated Account Statement) to the registered address of investor. 8. After the above process is completed, the Registrar will update the respective Depository (i.e. NSDL/ CDSL) about the processing of redemption to enable their DPs to issue Fortnightly/ Monthly Transaction Statement. A Unit holder has in case of physical redemption request for redemption either in terms of Amount or in terms of the number of Units. In case, the redemption request indicates both amount in Rupees and number of Units, the lower of the two in value term will be considered. Where a Rupee amount is specified or deemed to be specified for redemption, the number of Units redeemed will be the equivalent to the amount sought

		redeemed plus the exit load & applicable Govt levies like STT divided by the redemption price (ie additionally subject to the levy of applicable STT and exit load). In case of difference/ ambiguity in the amount and units mentioned in any request for Redemption/ Switch, the minimum value (of units and amount) on rupee equivalent basis on the Transaction/ applicable NAV date will be considered by the AMC, provided the investor has not furnished any clarification in writing, duly signed on the date of transaction. In the event of investor not having filled in the Amount/ Units in the Transaction Slip, the AMC will redeem/ switch out all the outstanding units in case the Scheme, Plan, Option are clearly mentioned. In case, the investor has not mentioned the plans/ sub-plans etc. in the redemption request specifically where he is having holdings in various plans/sub-plans etc. of the particular scheme, AMC will summarily reject such redemption request if the investor has not furnished any clarification in writing, duly signed on the date of transaction itself, during normal office hours. In case, an Investor fails to mention the complete name of the Scheme upto plan/sub - plan level while making request for redemption/ switch-out, the AMC reserves the right to redeem/ switch-out all/specified desired units/ value provided the investor is having holdings only in one scheme/plan/option and the folio number is clearly mentioned or if he maintains one folio. Otherwise, such incompletely filled requests would be summarily rejected without processing. Investors are requested to note that in case of redemption/switch request, if the number of units or the amount to be redeemed/switched out to any other Scheme of Bank of India Mutual Fund, exceeds the number of outstanding units or value of outstanding units, respectively, then Bank of India Investment Managers Private Limited (the "AMC") shall, at its discretion, redeem/switch out all the outstanding units, if no clarificatory letter is received from the respective investor on the date of the transaction and if the condition of minimum investment amount of switch-in scheme is fulfilled. The number of Units so redeemed will be subtracted from the Unit holder's account and a monthly industry level Mutual Fund Consolidated Account Statement (CAS) containing the details will normally be dispatched / emailed to the Unitholders latest by 15th of subsequent month by NSDL/CDSL in case of Demat Units or by AMFI's appointed Agencies (currently M/s. Manipal Technologies Ltd. or M/s. Seshaai Business Forms Pvt. Ltd. for mailing/dispatching of physical MF-CAS) for verified PAN cases and by the registrar (i.e. M/s. KFin Technologies Limited) for other cases either through email or physical copy. Further, e-CAS will be issued via email through MF Central app.

PART II-INFORMATION ABOUT THE SCHEME

A. HOW WILL THE SCHEME ALLOCATE ITS ASSETS?

The below table includes asset allocation giving the broad classification of assets and indicative exposure level in percentage terms. The Asset Allocation Pattern of the Scheme under normal circumstances would be as under:

Instruments	Indicative allocations (% of total assets)		Risk Profile
	Minimum	Maximum	
Equity and equity related securities^	65%	100%	Medium
Debt including Corporate Debt and Money Market instruments	0%	35%	Low to Medium
Units issued by REITs and InvITs	0%	10%	Medium to High

^ *(including derivative instruments to the extent of 50% of the Net Assets of the Scheme. Investment in derivatives shall be for hedging, portfolio balancing and such other purposes as may be permitted from time to time under the Regulations and subject to guidelines issued by SEBI/RBI from time to time.)*

The Fund would adopt the list of Large Cap, Mid Cap, Small Cap companies prepared by AMFI for this purpose in accordance with Part IV of SEBI Master circular dated May 19, 2023. DEBT MARKET IN INDIA:

The Indian debt markets are one of the largest such markets in Asia. Government and Public Sector enterprises are predominant borrowers in the market. The major players in the Indian debt markets today are banks, financial institutions, mutual funds, insurance companies, primary dealers, trusts and pension funds. The instruments in the market can be broadly categorized as those issued by corporates, banks, financial institutions and those issued by state/ central governments.

The debt markets are developing fast, with the rapid introduction of new instruments including derivatives. Foreign Institutional Investors are also allowed to invest in Indian debt markets now. According to National Stock Exchange, the market capitalization of the Indian Bond markets is approximately Rs 235 trillion as on March 31, 2025 The money markets in India essentially consist of the Treasury bills (T-bills), Commercial Papers (CPs), Certificate of Deposits(CDs), Bill Rediscounting (BRD) and Tri Party Repos (TREPS).

The Government of India (GOI) routinely issues both T-bills and government securities for liquidity and fiscal management. The T-bills are issued as a discount to their face value whereas the government securities are issued as coupon bearing securities. The GOI had issued certain Zero Coupon Bonds (ZCB) in the past. Both the T-bills and the coupon bearing government securities are issued by RBI on behalf of GOI. Total Outstanding in the Government securities market on March 31, 2025 was Rs 175.15 Trillion INR (source: RBI Site).

The Corporate bond market is also fast developing with greater number of corporates raising capital through issuances of non-convertible debentures and commercial papers. The corporates are issuing both dated coupon bearing and floating rate NCDs. The debentures and CPs are rated by rating agencies. Some of the capital is even raised through the private placement route. Of late the money market segment of the Indian debt market has become liquid and the longer dated bonds and debentures are less liquid in comparison. Currently, the corporate sector is issuing floating rate debentures linked both to the MIBOR and the INBMK (Indian G-Sec benchmark). The debt market presently offers a variety of short term and medium term instruments with different risk and return characteristics. The various instruments currently available for investments and their indicative yield are (as on April 30, 2025):

Instrument	Tenor	Yield (%)	Liquidity
T-Bills	91 days	5.90-5.95	High
	364 days	5.90-5.95	High
Commercial Papers	3 months	6.65-6.90	Medium
	6 months	6.85-7.10	Medium
	12 months	7.10-7.25	Low
Government Securities	1 year	5.95-6.10	Medium
	5 year	6.05 – 6.15	High
	10 years	6.30-6.40	High
Corporate Security	1 year	6.90-7.10	Medium
	2 years	7.00-7.10	Medium
Floating Rate Securities	1 Year +	Mibor/INBMK +	Very Low

C. WHAT ARE THE INVESTMENT STRATEGIES?

For Equity Investments:

Under normal market conditions, Bank of India Flexi Cap Fund would invest 65% to 100% of its assets in a diversified portfolio constituting equity and equity related instruments across market capitalization that the Fund Manager believes have sustainable business models, and potential for capital appreciation. The Schemes would follow an actively managed approach allowing it the flexibility to pursue opportunities without having any bias in favour of sectoral allocations. The investment environment, valuation parameters and other investment criteria will determine the allocation and the investment style. Under normal market conditions and depending on the Fund Manager's views, the assets of the Scheme would be invested across stocks that represent a broad range of sectors of the economy, in order to ensure adequate portfolio diversification.

The Fund Manager would follow a top down approach to shortlist stocks for portfolio construction in line with the process outlined below. Under the top down process the Fund Manager would look at the global and Indian economy and the domestic policy environment and stock valuations. This would result in identification of themes which have a potential to outperform. The final stock selection process would be a bottoms-up process wherein stocks from the short listed themes would be picked up based on valuations. For asset allocation, the Fund Manager would take the help of qualitative framework of MVPS (Macro, Valuation, Policy and Sentiment). Sentiment would be gauged from factors like the positive/negative breadth of the market, inflows/outflows into equity mutual funds and FPI buying/selling figures.

Investment Process: Clear 5 Steps process:

Process	Step 1 Screening Process	Step 2 Industry Research	Step 3 Asset Allocation	Step 4 Portfolio Construction	Step 5 Risk and Portfolio
Output	Screening the entire equity universe based on quantitative and qualitative criteria	A Focus List of attractive stocks Stocks identified based on industry status, company competitive analysis and valuations	Asset allocation in accordance with the MVPS framework.	Product Positioning and the outcome of our Asset Allocation, Industry Research and Screening process	Risk reports Adherence to Product Positioning and Process
Decision Process: Parameters/ Owners	Quantitative + Qualitative Overlay	Industry + Company approach	Equities Team	Fund Manager	Risk Committee

For Debt Investments:

The Fund Manager will follow a disciplined investment process to meet the Scheme specific investment objectives. He will endeavor to construct a well-diversified, high credit portfolio that minimizes liquidity risk and credit risk. The Fund Manager shall evaluate all the investment proposals to ensure that the credit risk is kept at the minimum level. The portfolios will be constructed in such a manner that the obligations to the investors are met at all points in time and under all circumstances. The alpha to the portfolio will be generated by managing the interest rate risk across different asset classes and duration buckets. The funds would be managed keeping the Scheme's objectives in mind and with a long term investment horizon for the fund.

Investment Process:

The investment process will be a five stage process as outlined in the above diagram. The process will be research oriented. It will comprise of qualitative as well as quantitative research. Macro-economic call will be taken on interest rate direction through detailed analysis of various influencing factors like inflation, money supply, government borrowing, private sector borrowing, currency market movement, central bank policy, domestic fiscal and monetary policy, global interest rate scenario and market sentiment. Interest rate direction call will be supplemented by technical analysis of market and short term influencing factors like trader position, auction/issuance of government/corporate securities, release of economic numbers etc. Interest rate direction call and anticipation of yield curve movement will form the basis of portfolio positioning in duration terms. Holding period return analysis will decide the portfolio selection.

Credit research will be done on a regular basis for all companies. Credit research will include reports as well as rating rationales and other inputs from external agencies. Both qualitative and quantitative inputs will form part of the final decision. Internal credit exposure limits, both for individual companies and groups and counterparty exposure limits for repo transactions will be part of the approved list from the risk management team.

Asset allocation will be determined based on holding period detail analysis of spread movement across different asset classes over different time periods and time buckets.

Members of the Investment team comprising Head of Fixed Income and fund managers will continuously review and analyze market movement, events and news. Trading strategy and asset allocations will be decided and reviewed on a proactive basis. The Investment team will closely coordinate with Risk Management team for all credit related issues and exposures. The Investment team at all points in time will work in a manner to maintain flexibility and responsiveness to the constantly evolving market conditions.

Investment Decisions:

The investment decisions for the Schemes will be taken by the Fund Manager, which will be consistent with the regulatory requirements and the investment objectives of the Scheme. The Fund may additionally observe such internal guidelines as may be prescribed by the Boards of the AMC / Trustee or any internal committee. Subject to above, the day to day investment management decision will solely be of the Fund Manager of the Scheme.

All investment decisions shall be recorded. Where an investment is proposed to be made for the first time in any scrip, this will be preceded by making a detailed report justifying such investment. The performance of the Scheme shall be reviewed by Investment Committee comprising Chief Executive Officer, Deputy Chief Executive Officer, Chief Operating Officer, Chief Investment Officer, Head- Equity, Head-Fixed Income, Fund Managers, Head - Compliance, Head - Operations, Risk Analyst and Head - Risk at periodic intervals. Performance of the Scheme will be also discussed and reviewed by the Boards of the AMC and the Trustee respectively, or any designated Committees, including performance vis-à-vis benchmark indices / peer group.

Trading In Derivatives:

The Scheme intends to use derivatives for the purposes, which may be permitted by SEBI Mutual Funds Regulations from time to time, which will include hedging & portfolio balancing. Hedging does not mean maximisation of returns but only reduction of systematic or market risk inherent in the investment. SEBI has vide its Circular SEBI/MFD/CIR No.03/158/03 dated June 10, 2003, specified the guidelines pertaining to trading by Mutual Fund in Exchange Traded Derivatives.

Derivative products are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the investor. Execution of such strategies depends upon the ability to identify such opportunities as well as to manage risks arising thereby. Identification and execution of the strategies to be pursued involve uncertainty and investment decisions may not always be profitable. No assurance can be given that the Fund Manager will be able to identify or execute such strategies**.**

Derivative investments carry certain risks and issues arising out of such dealings. The risks associated with the use of derivatives - either for hedging or for portfolio balancing - are different from, and possibly greater than, the risks associated with investing directly securities and other traditional investments.

For detailed derivative strategies, please refer to SAI.

Risk Control Measure:

Investments in Equity and equity related instruments including derivatives, debt securities and money market instruments carry various risks such as inability to sell securities, trading volumes and settlement periods, interest rate risk, liquidity risk, default risk, reinvestment risk etc. Whilst such risks cannot be eliminated, they may be mitigated by diversification and hedging. In order to mitigate the various risks, the portfolio of the Scheme will be constructed in accordance with the investment restriction specified under the Regulations which would help in mitigating certain risks relating to investments in securities market. Further, the AMC has necessary framework in place for risk mitigation at an enterprise level. The Risk Management division is an independent division within the organization. There is a Board level Risk Management Committee which reviews overall risk management function.

Risk Mitigation measures for investments in equity / equity related instruments:

- The Scheme aims to maintain a well-diversified equity portfolio comprising stocks across various sectors of the economy. This shall aid in managing concentration risk and sector specific risks.
- The Scheme will maintain a portfolio diversified across a large number companies. Exposure to individual companies would be in accordance with the risk management and regulatory limits.. This diversified portfolio would aid in managing volatility and also improve liquidity of the portfolio.
- The will strive to mitigate risk through a judicious mix of Debt and Money Market Instruments and equity/ equity related instruments.

Risk Mitigation measures for investments in debt instruments:

The investments in debt and Money Market instruments would be undertaken after assessing the associated credit risk, interest rate risk and liquidity risk. The AMC shall undertake credit evaluation of each investment opportunity and invest in rated papers of companies having a sound background, strong fundamentals and quality of management and financial strength. In addition, the Scheme would endeavor to invest in instruments with a relatively higher liquidity, and will seek to manage the duration of the debt assets on proactive basis to manage interest rate risk and to optimize returns.

The scheme may also use various derivatives and hedging products from time to time, as would be available and permitted by SEBI/RBI for the purpose of hedging and portfolio rebalancing.

The above risk control measures shall be implemented by the AMC on best effort basis however there can be no guarantee that such measures can completely mitigate the risks involved in Scheme.

Review of Strategy:

The above portfolio strategies are not absolute and Fund Manager may from time to time at its absolute discretion review and modify the strategy, provided such modifications is line with SEBI MF Regulations and Investment objective of scheme.

Portfolio Turnover Policy:

Portfolio turnover is the aggregate volume of purchases and sales as a percentage of the corpus of the under the Scheme during a specified period of time. The Scheme will invest with a long-term outlook on the equity market. The Scheme will endeavour to keep the portfolio turnover at a minimum. The Scheme being an open-ended Scheme, it is expected that there would be a number of subscriptions and redemptions on a daily basis. The portfolio turnover ratio may vary as the Scheme may change the portfolio according to Asset Allocation to align itself with the objectives of the Scheme. The effect of higher portfolio turnover could be higher brokerage and transaction costs. There may be an increase in transaction cost such as brokerage paid, if trading is done frequently. However, the cost would be negligible as compared to the total expenses of the Scheme. Frequent trading may increase the profits which will offset the increase in costs. The fund manager will endeavor to optimize portfolio turnover to maximize gains and minimize risks keeping in mind the cost associated with it. However, it is difficult to estimate with reasonable accuracy, the likely turnover in the portfolio of the Scheme. The Scheme has no specific target relating to portfolio turnover.

D. HOW WILL THE SCHEME BENCHMARK ITS PERFORMANCE?

The Benchmark for the Scheme would be BSE 500 Total Return Index (TRI). The benchmark is most suited for comparing the performance of the Scheme. The Scheme will primarily invest in Equity and equity related instruments of Large Cap companies. The Fund will also have the flexibility to invest in companies across the market capitalization spectrum and as such, the constituents of the BSE 500 Index reasonably represent the universe for building the portfolio of the scheme.

Also, as required under Para 1.9 of SEBI Master circular dated June 27, 2024, the benchmark has been selected from amongst those notified by AMFI as the first-tier benchmark to be adopted by mutual funds.

The AMC and the Trustee may mutually agree to change the benchmark index or select an additional benchmark index after recording reasons for such change and by following required regulatory process.

The Scheme performance are reviewed by Investment Committee at its monthly meeting. The Board of AMC & Trustee also discuss the Scheme Performance with the respective benchmarks in its meetings.

PART III- OTHER DETAILS

A. COMPUTATION OF NAV

Valuation of assets, computation of NAV, repurchase price and their frequency of disclosure will be in accordance with the provisions of SEBI (Mutual Funds) Regulations 1996/ Guidelines/ Directives issued by SEBI from time to time. The NAV of the Units of the Scheme will be computed by dividing the net assets of the Scheme by the number of Units outstanding on the valuation date.

$$\text{NAV (Rs .Per unit)} = \frac{\text{Market or Fair Value of the Scheme's Investments + Other Assets (including accrued interest) – Current Liabilities \& Provisions}}{\text{Number of Units Outstanding under the Scheme at the end of the day}}$$

The NAV will be calculated up to 2 decimals using standard rounding criteria. The NAV will be computed and announced for each Business Day. The NAV shall be calculated and announced on a daily basis. The NAVs of Growth Option and IDCW Option will be different after the declaration of the first IDCW.

The IDCW paid on units of the Scheme(s) Fund shall be deducted in computing the NAV of the Scheme(s), each time a IDCW is declared and till it is distributed.

Assumptions - on the day of calculation of NAV:

Particulars	Amount (In Rs.)
Market or Fair Value of the Scheme's Investments	1000
Add: Current Assets	1000
Less: Current Liabilities and Provisions	300
Net Assets	1700

No of units outstanding in the plan = 100

The NAV per unit will be computed as follows: 1700/100=Rs. 17 per unit.

The Fund shall value its investments according to the valuation norms, as specified in Schedule VIII of the Regulations, or such norms as may be prescribed by SEBI from time to time.

Methodology for computation of sale and re-purchase price of the units of mutual fund scheme:

Let's assume that an investor has invested Rs. 100,000 in a Mutual Fund Scheme on April 01, 2024, at a NAV of Rs. 10/- per unit and the exit load structure of the scheme is:

a. For exit on or before 12 months from the date of allotment – 1.00%

b. For exit after 12 months from the date of allotment – Nil.

Purchase of Mutual Fund units:

$$\text{Number of units allotted At the time of purchase of units} = \frac{\text{Amount invested}}{\text{NAV of scheme as on date of investment}}$$

$$\frac{1,00,000}{10} = 10,000 \text{ units}$$

As per existing Regulations, no entry load is charged with respect to applications for purchase / additional purchase of mutual funds units.

Redemption/Re-purchase of mutual fund units

In case of redemption, the amount payable to the investor shall be calculated as follows:

(Current value of the holding) – (Exit Load applicable)

where, Current value of the holding = No. of units as on the date* NAV as on the date

Exit Load applicable = Current value of the holding * Exit Load %

Scenario 1: Redemption is done during applicability of exit load

Assume that the investor has requested for redemption of all the units (i.e. 10,000 units), on or before 12 months from the date of allotment i.e. on or before March 31, 2024, the redemption amount payable to investor shall be calculated as follows:

Say in this example the redemption request is done on December 1, 2023; when the NAV of the scheme was Rs. 12/- and the exit load applicable is 1%, so the Redemption amount payable to investor shall be calculated as follows:

Current value shall be = 10,000 units*Rs. 12/- = Rs. 120,000/-

Exit load applicable = Rs. 120,000*1% = Rs. 1200/-

Redemption amount payable to investor = Current value of the holding – Exit Load applicable
= Rs. 120,000 - Rs. 1200 = Rs. 118,800/-

Scenario 2: Redemption is done if the exit load is NIL
Assume that the investor has requested for redemption of all the units (i.e. 10,000 units), after 12 months from the date of allotment i.e. after March 31, 2024, the redemption amount payable to investor shall be calculated as follows:

Say in this example the redemption request is done on April 1, 2024; when the NAV of the scheme was Rs. 12 and the exit load applicable is NIL, so the Redemption amount payable to investor shall be calculated as follows:

Current value shall be = 10,000 units*Rs. 12/-= Rs. 120,000/-

Exit load applicable = NIL

Redemption amount payable to investor = Current value of the holding – Exit Load applicable
= Rs. 120,000 – NIL = Rs. 120,000/-

The aforesaid example does not take into consideration any applicable statutory levies or taxes. Accordingly, the redemption amount payable to investor shall further reduce to the extent of applicable statutory levies or taxes.

The AMC shall update the NAVs on the website of Association of Mutual Funds in India -AMFI (www.amfiindia.com) by 11.00 p.m. or such other time as may be mandated by SEBI, on a daily basis. In case of any delay, the reasons for such delay will be explained to AMFI and, if so mandated, SEBI, by the next day. If the NAVs are not available before commencement of business hours on the following day due to any reason, the Fund shall issue a press release providing reasons and explaining when the Fund will be able to publish the NAVs.

As required under the Regulations, the fund shall ensure that the repurchase price of an open ended scheme is not lower than 95% of the Net Asset Value. For other details such as policies w.r.t computation of NAV, rounding off, investment in foreign securities, procedure in case of delay in disclosure of NAV etc. refer to SAI.

NEW FUND OFFER (NFO) EXPENSES

These expenses are incurred for the purpose of various activities related to the NFO like sales and distribution fees, marketing and advertising expense, registrar expenses, printing and stationary, bank charges etc. The NFO expenses shall be borne by the AMC/Trustee/Sponsor and not by the Scheme of the Mutual Fund. The AMC will ensure that no NFO expenses will be charged to the Scheme.

B. ANNUAL SCHEME RECURRING EXPENSES

These are the fees and expenses for operating the scheme. These expenses include Investment Management and Advisory Fee charged by the AMC, Registrar and Transfer Agents' fee, marketing and selling costs etc. as given in the table below:

The AMC has estimated that upto 2.25 % of the daily net assets of the scheme will be charged to the scheme as expenses For the actual current expenses being charged, the investor should refer to the website of the mutual fund (https://www.boimf.in/investor-corner#t4).

As per the Regulations, the maximum recurring expenses excluding issue or redemption expenses, whether initially borne by the Fund or by the AMC but including investment management and advisory fee that can be charged to the Scheme shall be subject to a percentage limit of daily net assets as in the table below:

Expense Head	% p.a. of daily Net Assets (Estimated p.a.)
Investment Management & Advisory Fee	Upto 2.25%
Audit fees/fees and expenses of trustees	
Custodial Fees	
Registrar & Transfer Agent Fees including cost of providing account statements / IDCW / redemption cheques/ warrants	
Marketing & Selling Expenses including Agents Commission and statutory advertisement	
Costs related to investor communications	
Costs of fund transfer from location to location	
Cost towards investor education & awareness	
Brokerage & transaction cost pertaining to distribution of units	
Goods & Services Tax on expenses other than investment and advisory fees	
Goods & Services Tax on brokerage and transaction cost	
Other Expenses (to be specified as per Reg 52 of SEBI MF Regulations)	
Maximum Total expenses ratio (TER) permissible under Regulation 52 (6) (c)	**Upto 2.25%**
Additional expenses under Regulations 52(6A)(c)	Upto 0.05%
Additional expenses for gross new inflows from specified cities*	Upto 0.30%

** SEBI vide its letter no. SEBI/HO/IMD-SEC-3/P/OW/2023/5823/1 dated February 24, 2023 and AMFI letter dated No. 35P/MEM-COR/85-a/2022-23 dated March 02, 2023 has directed AMCs to keep B-30 incentive structure in abeyance with effect from March 01, 2023 till further notice. Accordingly, the B-30 incentive structure shall be implemented as per SEBI/AMFI directions from time to time.*

The purpose of the table is to assist the investor in understanding the various costs and expenses to be borne by the Scheme. Apart from the above expenses, any other expenses which are directly attributable to the Scheme, may be charged with the approval of the Trustee within overall limits as specified in the Regulations except those expenses which are specifically prohibited.

Investment Management and Advisory Fees charged by the AMC to the Scheme shall be within the total expense limit as prescribed under Regulation 52 of the Regulations with no sub-limits on said management and advisory fees.

The annual total of all permissible recurring charges and expenses of the Scheme including Investment Management and Advisory Fees as mentioned in the above table, shall be subject to the following limits as specified in Regulation 52(6) of the Regulations:

Asset under Management slab (in crore)	TER limits
on the first Rs. 500 crores of the daily net assets.	2.25%
on the next Rs. 250 crores of the daily net assets	2.00%.
on the next Rs. 1,250 crores of the daily net assets.	1.75%
on the next Rs. 3,000 crores of the daily net assets	1.60%
on the next Rs. 5,000 crores of the daily net assets	1.50%.
On the next Rs.40,000 crores of the daily net assets	Total expense ratio reduction of 0.05% for every increase of Rs. 5,000 crores of daily net assets or part thereof,
on balance of the assets	1.05%

Provided that the expenses as per the list as provided by AMFI, which are very small in value but high in volume may be paid out of AMC's books. Such expenses can be paid out of AMC's books at actuals or not exceeding 2 bps of the scheme AUM, whichever is lower. Such expenses incurred by AMC would be properly recorded and audited in the books of account of AMC at year end.

Further, in addition to the limits prescribed in the Regulation 52 (6) of the SEBI (Mutual Funds) Regulations, the following additional costs/expenses may also be charged to the scheme:
(a) Additional expenses, not exceeding 0.05% of daily net assets may be charged to the Scheme(s), incurred towards Investment Management and Advisory Fees and the various sub-heads of recurring expenses mentioned under Regulation 52 (2) and (4) respectively of the SEBI (Mutual Funds) Regulations, in addition to the limits on total expenses prescribed of Regulation 52(6) of the SEBI (Mutual Funds) Regulations; except where exit load is not levied / not applicable to the Scheme;
(b) expenses not exceeding of 0.30 per cent of daily net assets, if the new inflows from retail investors from such cities as specified by SEBI/AMFI from time to time are at least -
(i) 30 per cent of gross new inflows in the scheme, or;
(ii) 15 per cent of the average assets under management (year to date) of the scheme, whichever is higher

Provided that if inflows from retail investors from such cities is less than the higher of sub-clause (i) or sub-clause (ii), such expenses on daily net assets of the scheme shall be charged on proportionate basis:

Provided further that expenses charged under this clause shall be utilised for distribution expenses incurred for bringing inflows from such cities:

Provided further that amount incurred as expense on account of inflows from such cities shall be credited back to the scheme in case the said inflows are redeemed within a period of one year from the date of investment;

The additional TER in terms of Regulation 52(6A)(b) of SEBI (Mutual Funds) Regulations, 1996 shall be charged upto 30 basis points on daily net assets of the scheme based on inflows only from retail investors beyond Top 30 cities (B 30 cities). Inflows of amount upto Rs. 2,00,000 per transaction by individual investors shall be considered as inflows from retail investors. Top 30 cities shall mean top 30 cities based on Association of Mutual Funds in India (AMFI) data on 'AUM by Geography - Consolidated Data for Mutual Fund Industry' as at the end of the previous financial year.

The additional commission for B 30 cities shall be paid as trail only.

Further, GST on investment and advisory fees to the scheme shall be charged in addition to the Total Expense Ratio as mentioned above.

Additionally at least 2 basis points on daily net assets within the maximum limit of overall expense Ratio (as mentioned in the above table) shall be annually set apart for investor education and awareness initiatives.

Investors should further note that the AMC reserves the right to charge a higher percentage of Investment and Management Fees than as mentioned in the SID but within the overall total expense ratio mentioned for the Scheme.

Further, brokerage and transaction cost incurred for the purpose of execution shall be charged to the schemes as provided under Regulation 52 (6A) (a) upto 12 bps and 5 bps for cash market transactions and derivatives transactions respectively. Any payment towards brokerage & transaction costs, over and above the said 12 bps and 5 bps for cash market transactions and derivatives transactions respectively may be charged to the Scheme within the maximum limit of Total Expense Ratio (TER) as prescribed under Regulation 52 of the SEBI (Mutual Finds) Regulations, 1996.

The TER of the Direct Plan will be lower to the extent of the abovementioned distribution expenses/ commission which is charged in the Regular Plan. The Direct Plan shall also have separate NAV.

The total expense ratios of the schemes of the Fund are available in downloadable spreadsheet format on the AMC website and AMFI website. Any change in the current expense ratios will be updated at least three working days prior to the effective date of the change. For the total expense ratio details of the Scheme, investors may visit https://www.boimf.in/investor-corner#t4 available on the website of the AMC and AMFI's website viz., www.amfiindia.com.

ILLUSTRATION OF IMPACT OF EXPENSE RATIO ON SCHEMES RETURNS:

Expense ratio, normally expressed as a percentage of Average Assets under Management, is calculated by dividing the permissible expenses under the Regulations by the average net assets. To further illustrate the above, for the Scheme under reference, suppose an Investor invested Rs. 100,000/- (after deduction of stamp duty and transaction charges, if any) under the Growth Option, the impact of expenses charged will be as under:

Impact of expense ratio on scheme's returns						
Particulars	**Regular Plan**			**Direct Plan**		
	Amount (Rs.)	**NAV (Rs. per unit)**	**Units**	**Amount (Rs.)**	**NAV (Rs. per unit)**	**Units**
Investment as on March 31, 2023 (A)	100,000	10	10000	100,000	10	10000
Investment as on March 31, 2024 (B)	114,000	11.4	10000	115,000	11.5	10000
Returns under each plan ((B-A)/A)%	14.00%			15.00%		
Expenses other than distribution expenses charged to the scheme (in percentage terms)	1.50%			1.50%		
Distribution expenses charged to the scheme (in percentage terms)	1%			-		
Total expenses charged to the scheme (in percentage terms)	2.50%			1.50%		

Impact of expense ratio on scheme's returns						
Particulars	**Regular Plan**			**Direct Plan**		
	Amount (Rs.)	**NAV (Rs. per unit)**	**Units**	**Amount (Rs.)**	**NAV (Rs. per unit)**	**Units**
Gross returns under each plan of the scheme before charging expenses (in percentage terms)	16.50%			16.50%		
Gross investment value under each plan of the scheme if no expenses were charged to the scheme	116,500			116,500		

Above illustration is a simplified calculation to show the impact of the expense charged on the performance to the scheme. In the above illustration total expense charged to the scheme has been mentioned in INR.

As per the SEBI regulation, expense to the scheme is charged on daily basis on the daily net assets and as per the percentage limits specified in the SEBI regulations.

Illustration is given to understand the impact of expense ratio on a scheme return and this should not be construed as an indicative return of the scheme.

C. LOAD STRUCTURE

Exit Load is an amount which is paid by the investor to redeem the units from the scheme. Load amounts are variable and are subject to change from time to time. For the current applicable structure, please refer to the website of the AMC (https://www.boimf.in/siddisclosures/load-structure) or may call at (1800 - 266 - 2676 & 1800 - 103 – 2263) or your distributor.

Type of Load	Load chargeable (as %age of NAV)
Exit	• For redemption/switch out of the initial units allotted -within 3 months from the date of allotment: "1% of Exit Load" • Any redemption/switch out from the date of allotment of units after 3 months-Nil
Entry	No entry Load shall be charged to the Scheme.

As required under the Regulations, the fund shall ensure that the repurchase price of an open ended scheme is not lower than 95% of the Net Asset Value.

- The entire exit load (net of GST), if any shall be credited to the Scheme.
- No Entry / Exit Loads will be chargeable in case of switches made between different options of a Scheme.
- Exit Load will be computed basis the amount of redemptions made by an investor/Unitholder.
- Redemption of investments made through SIP, STP, switch or other facilities will also attract Exit Load as applicable except otherwise specified.
- In terms of SEBI circular no. SEBI/IMD/CIR No.4/ 168230/09 dated June 30, 2009, no Entry Load will be charged to any purchase applications (including additional purchases and switch-ins). Direct Applications will also not attract any Entry Load. Upfront commission shall be paid directly by the investor to the AMFI registered Distributors based on the investors' assessment of various factors including the service rendered by the distributor.
- Where investments were made directly i.e. without any distributor code, exit load will not be levied on switch of Units from Regular Plan to Direct Plan.
- No exit load shall be levied in case of switch of Units from Direct Plan to Regular Plan.

- For any change in Load structure, AMC will issue an addendum and display it on the AMC Website immediately and circulated to all Investor Service Centres for inclusion in the existing copies.
- Units issued on reinvestment of IDCW shall not be subject to exit load.
- The Trustee reserves the right to modify / alter the Load structure under the Scheme and may decide to charge a Load or revised Load or introduce a differential Load structure on the Units prospectively subject to the following:
  - Any imposition or enhancement in the Load shall be applicable on prospective investments only.
  - The addendum detailing the changes may be attached to Scheme Information Documents and key information memorandum. The addendum may be circulated to all the distributors/brokers so that the same can be attached to all Scheme Information Documents and key information memoranda already in stock.
  - Arrangements may be made to display the addendum in the Scheme Information Document in the form of a notice in all the investor service centres and distributors/brokers office.
  - The introduction of the Exit Load along with the details may be stamped in the acknowledgement slip issued to the investors on submission of the application form and may also be disclosed in the statement of accounts issued after the introduction of such Load.

I. INTRODUCTION

A. Definitions/interpretation

For detailed description on Definitions/Interpretation, investors are requested to refer the following link on our website:

Link: https://www.boimf.in/siddisclosures/definitions-interpretation

B. Risk factors

(i) Standard Risk Factors

(a) Investment in Mutual Fund Units involves investment risks such as trading volumes, settlement risk, liquidity risk, default risk including the possible loss of principal.

(b) As the price / value / interest rate of the securities in which the Scheme invests fluctuates, the value of the investment in the scheme may go up or down. As with any investment in securities, the NAV of the Units under the Scheme can go up or down, depending on the factors and forces affecting the markets. The various factors which impact the value of the scheme's investments include, but are not limited to, fluctuations in the bond markets, fluctuations in interest rates, prevailing political and economic environment, changes in government policy, factors specific to the issuer of the securities, tax laws, liquidity of the underlying instruments, settlement periods, trading volumes etc.

(c) Past performance of the Sponsor/AMC/Mutual Fund does not guarantee future performance of the Scheme.

(d) Bank of India Flexi Cap Fund is only the name of the Scheme and does not in any manner indicate either the quality of the Scheme or its future prospects and returns.

(e) While the Schemes will endeavour to declare IDCW under IDCW option, however, there is no guarantee or assurance that such IDCW will be declared/paid and such declaration / payment is entirely subject to availability of distributable surplus.

(f) The Sponsor is not responsible or liable for any loss or shortfall in Scheme's corpus arising or resulting from the operation of the Scheme, beyond the initial contribution of Rs. 1,00,000/- (Rupees One Lakh only) made by it to the Fund at the time of setting up the Mutual Fund. The Associates of the Sponsor are not responsible or liable for any loss or shortfall resulting from the operation of the Scheme. However, the asset management company and the sponsor of the mutual fund shall be liable to compensate the affected investors and/or the scheme for any unfair treatment to any investor as a result of inappropriate valuation.

(g) The present Scheme is not a guaranteed or assured return scheme and investors in the Scheme are not being offered any guaranteed / assured return.

(h) Statements/Observations made in this Scheme Information Document are subject to the laws of the land as they exist at any relevant point of time.

(i) Mutual Funds and securities investments are subject to market risks and the NAVs of the units issued under the scheme may go up or down depending on the factors and forces affecting the capital markets.

(j) Growth, appreciation, IDCW and income, if any, referred to in this Scheme Information Document are subject to the tax laws and other fiscal enactments as they exist from time to time

(ii) Scheme Specific Risk Factors

A. Risk associated with investments in Equity and Equity related instruments:

1. Equity and equity related securities are volatile and carry risk of price fluctuations on an on-going basis. The liquidity of investments made in the Scheme may be restricted by trading volumes and settlement periods. Settlement periods may be extended significantly by unforeseen circumstances. The inability of the Scheme to make intended securities purchases due to settlement problems could cause the Scheme to miss certain investment opportunities. Similarly, the inability to sell securities held in the Scheme's portfolio may result, at times, in potential losses to the Scheme, should there be a subsequent decline in the value of securities held in the Scheme's portfolio.
2. Investments in equity and equity related securities involve a degree of risk and investors should not invest in the Scheme unless they can afford to take the risk of losing their investment.
3. The liquidity and valuation of the Scheme's investments due to its holdings of unlisted securities may be affected if they have to be sold prior to the target date of disinvestment.
4. Within the regulatory limits, the Fund Manager may choose to invest in listed or to be listed securities that offer attractive yields. Securities, which are not quoted on the stock exchanges, are inherently illiquid in nature and carry a larger amount of liquidity risk, in comparison to securities that are listed on the exchanges or offer other exit options to the investor, including a put option. This may however increase the risk of the portfolio. The liquidity and valuation of the scheme investments due to their holdings of listed or to be listed securities may be affected if they have to be sold prior to their target date of disinvestments.
5. Though the constituent stocks of most indexes are typically liquid, liquidity differs across stocks. Due to the heterogeneity in liquidity in the capital market segment, trades on this segment may not get implemented instantly.
6. Scheme's performance may differ from the benchmark index to the extent of the investments held in the debt segment, as per the investment pattern indicated under normal circumstances.

B. Risk associated with investments in Bonds / Fixed Income Instruments:

1. Investments in money market instruments involve a moderate credit risk i.e. risk of an issuer's ability to meet the principal payments. Additionally, money market securities, while are fairly liquid, lack a transparent secondary market, which may restrict the selling ability of the Scheme and may lead to the Scheme incurring losses till the security is finally sold.
2. Fixed Income and Money market instruments may also be subject to price volatility due to factors such as changes in interest rates, general level of market liquidity and market perception of credit worthiness of the issuer of such instruments.
3. The liquidity of investments may be restricted by trading volumes and settlement periods. Different segments of the Indian financial markets have different settlement periods and such periods may be extended significantly by unforeseen circumstances. Delays or other problems in settlement of transactions could result in temporary periods when the assets of the Scheme are uninvested and no return is earned thereon. The inability of the Scheme to make intended securities purchases, due to settlement problems, could cause the Scheme to miss certain investment opportunities. By the same token, the inability to sell securities held in the Scheme's portfolio, due to the absence of a well-developed and liquid secondary

market for debt securities, could result, at times, in potential losses to the Scheme, should there be a subsequent decline in the value of the securities held in the Scheme's portfolio.

4. The NAV of the Scheme's Units, to the extent the Scheme is invested in coupon bearing fixed income securities, will be affected by changes in the general level of interest rates. When interest rates decline, the value of a portfolio of fixed income securities can be expected to rise. Conversely, when interest rates rise, the value of a portfolio of fixed income securities can be expected to decline. In case of floating rate securities it depends upon the frequency of the coupon reset.
5. The liquidity of the scheme is inherently restricted by trading volumes in securities in which it invest.
6. Securities which are not quoted on the stock exchanges are inherently illiquid in nature and carry a larger liquidity risk in comparison with securities that are listed on the exchanges or offer other exit options to the investors, including put options.
7. Fixed Income securities can either be listed on any exchange or deemed to be listed which includes securities credited in the account as part of IPO allotment or any corporate action. It has been seen over the years that the price discovery in case of listed securities is much quicker and transparent. Moreover, securities that are listed on the stock exchange carry lower liquidity risk, but the ability to sell these investments is limited by the overall trading volume on the stock exchanges. Now-a-days money market securities are fairly liquid, but lack a well-developed transparent secondary market, which may restrict the selling ability of the Scheme and may lead to the Scheme incurring losses till the security is finally sold. This holds true when the Scheme is looking to purchase securities as well. Corporate debt market transactions in the primary and secondary market is an over the telephone market, which leads to poor price discovery and transparency. There are risks inherent in securities lending, including the risk of failure of the other party, in this case the approved intermediary to comply with the terms of the agreement. Such failure can result in a possible loss of rights to the collateral, the inability of the approved intermediary to return the securities deposited by the lender and the possible loss of corporate benefits accruing thereon.
8. Investment decisions made by the Investment Manager may not always be profitable.
9. Different types of securities in which the Schemes would invest as given in the SID carry different levels and types of risk. Accordingly, the Scheme's risk may increase or decrease depending upon its investment pattern. E.g. corporate bonds carry a higher amount of risk than Government securities. Further, even among corporate bonds, bonds which are rated AAA are comparatively less risky than bonds which are AA rated.
10. Interest Rate Risk: As with all debt securities, changes in interest rates will affect the Scheme's Net Asset Value as the prices of securities generally increase as interest rates decline and generally decrease as interest rates rise. Prices of long term securities generally fluctuate more in response to interest rate changes than of shorter-term securities. Interest rate movements in the Indian debt markets can be volatile leading to the possibility of large price movements up or down in debt and money market securities and thereby to possibly large movements in the NAV.

    In the case of floating rate instruments, an additional risk could rise because of the changes in the spreads of floating rate instruments. With the increase in the spread of floating rate instruments the prices can fall and with the contraction in the spreads of the floating rate instruments the prices can rise, other parameters being unchanged. Moreover, floating rate instruments which have periodical interest rate reset carry lower interest rate risk compared to a fixed rate debt instrument. However, in a falling interest rate scenario the returns on floating rate debt instruments may not be better than those on fixed rate debt instruments

11. Liquidity or Marketability Risk: This refers to the ease at which a security can be sold at or near its true value. The primary measure of liquidity risk is the spread between the quoted bid price and the offer price quoted by a dealer. Liquidity risk is characteristic of the Indian fixed income market. Trading volumes, settlement periods and transfer procedures may restrict the liquidity of some of these investments. Different segments of the Indian financial markets have different settlement periods, and such periods may be extended significantly by unforeseen circumstances. The length of time for settlement may affect the Scheme in the event (a) it has to meet an inordinately large number of redemption or (b) of restructuring of the Scheme's investment portfolio. Securities that are unlisted also carry a higher liquidity risk compared to listed securities.
12. Credit Risk: Credit risk or default risk refers to the risk that an issuer of a fixed income security may default (i.e., will be unable to make timely principal and interest payments on the security). However, even if no default occurs, the price of a security may go down because the credit rating of an issuer goes down. It must, however, be noted that where the Scheme has invested in Government Securities, there is no credit risk to that extent. However, corporate debt carries a higher risk and trade at a level higher than corresponding G-secs.

    Normally, the value of a fixed income security will fluctuate depending upon the actual changes in the perceived level of credit risk as well as the actual event of default. Different types of securities in which the Scheme is invested carry different levels and types of risk. The credit risk in respect of Scheme assets portfolio thus may go up or down basis its investment pattern.

13. **Re-investment Risk:** This refers to the interest rate risk at which the intermediate cash flows received from the securities in the Scheme including maturity proceeds are reinvested. Investments in fixed income securities may carry re-investment risk as interest rates prevailing on the interest or maturity due dates may differ from the original coupon of the debt security. Consequently, the proceeds may get invested at a lower rate.

Type of Risk	Risk Mitigation Measures
Volatility	By controlling class/ sector/ issuer exposures in debt & money market instruments to control overall portfolio volatility.
Concentration	By investing in various debt instruments such as corporate and PSU bonds, TREPS/ Repo and money market instruments of various issuers which will be from different industries/sectors.

14. **Risk Factor associated with investing in Securities Segment and Tri-party Repo trade settlement**:

    Clearing Corporation of India Ltd. ('CCIL') is providing clearing and settlement services, for Triparty Repo trades in Government Securities, under its Securities Segment. CCIL would act as a Central Counterparty to all the borrow and lend Triparty Repo trades received by it for settlement. CCIL would also be performing the role responsibilities of Triparty Repo Agent, in terms of Repurchase transactions (Repo) (Reserve Bank) Directions, 2018 as amended from time to time. CCIL would settle the Triparty Repo trades, in terms of its Securities Segment Regulations.

    The funds settlement of members is achieved by multilateral netting of the funds position in Triparty Repo with the funds position in Outright and Market Repo and settling in the books of RBI for members who maintain an RBI Current Account. In respect of other members, funds settlement is achieved in the books of Settlement Bank. Securities settlement for Triparty Repo trades shall be achieved in the Gilt Account of the Member maintained with CCIL. Securities obligation for outright and market repo trades shall be settled in the SGL / CSGL account of the Member with RBI.

Bank of India Mutual Fund is a member of securities segment and Tri-party Repo trade settlement of the CCIL. Since all transactions of the Fund in government securities and in Tri-party Repo trades are settled centrally through the infrastructure and settlement systems provided by CCIL, it reduces the settlement and counterparty risks considerably for transactions in the said segments.

To mitigate the potential losses arising in case any member defaults in settling the transactions routed through CCIL, CCIL maintains a Default Fund. CCIL shall maintain two separate Default Funds in respect of its securities segment, one to meet the losses airing out of any default by its members from outright and repo trades and other for meeting losses arising out of any default by its members from Triparty Repo trades.

In case any clearing member fails to honor his settlement obligations, the Default Fund is utilized to complete the settlement applying the Default Waterfall Sequence. As per the said waterfall mechanism, after the defaulter's margins and defaulter's contribution to default fund have been appropriated, CCIL's contribution is used to meet the losses. Post utilization of CCIL's contribution, if there is still a loss to be met, then contribution of non-defaulting members to Default Fund is utilized to meet the said loss.

The Scheme is subject to the risk of losing initial margin and contribution to Default Fund in the event of failure of any settlement obligation. Further the Scheme's contribution is allowed to be used to meet the residual loss in case of default by the other clearing member (the defaulting member).

Further, CCIL periodically prescribes a list of securities eligible for contribution as collaterals by members. Presently, all Central Government Securities and Treasury Bills are accepted as collaterals by CCIL. The above risk factor may undergo a change in case the CCIL notifies securities other than Government of India Securities as eligible for contributions as collateral.

15. **Repurchase Risk:** The Scheme is open-ended. To provide liquidity to the investors, the Fund proposes to provide repurchase facility in the Scheme on every Business Day.

16. **Performance Risk:** Performance of the Scheme may be impacted with changes in factors which affect the equity market and debt market.

17. **Legislative Risk:** This is the risk that a change in the tax code could affect the value of taxable or tax exempt interest income.

18. **Duration Risk:** Fixed Income securities of any issuer that has higher duration could be more risky in terms of price movements relative to those with lower duration. Thus any impact of interest rate changes would be higher on securities with higher duration irrespective of the status of the issuer of the security.

19. **Counterparty Risk:** This is the risk of failure of counterparty to the transaction to deliver securities against consideration received or to pay consideration against securities

delivered, in full or in part or as per the agreed specification. There could be losses to the Scheme in case of counterparty default.

20. **Inflation Risk**: Inflation causes tomorrow's currency to be worth less than today's; in other words, it reduces the purchasing power of a bond investor's future interest payments and principal, collectively known as "cash flows." Inflation also leads to higher interest rates, which in turn leads to lower bond prices. Inflation indexed securities such as Treasury Inflation Protection Securities (TIPS) are structured to remove inflation risk.

21. **Basis Risk:** The underlying benchmark of a floating rate security or a swap might become less active or may cease to exist and thus may not be able to capture the exact interest rate movements, leading to loss of value of the portfolio.

22. **Spread Risk:** In a floating rate security the coupon is expressed in terms of a spread or mark up over the benchmark rate. In the life of the security this spread may move adversely leading to loss in value of the portfolio. The yield of the underlying benchmark might not change, but the spread of the security over the underlying benchmark might increase leading to loss in value of the security.

23. **Settlement Risk:** Fixed income securities run the risk of settlement which can adversely affect the ability of the fund house to swiftly execute trading strategies which can lead to adverse movements in NAV.

24. **Pre-payment Risk:** Certain fixed income securities give an issuer the right to call back its securities before their maturity date, in periods of declining interest rates. The possibility of such prepayment may force the fund to reinvest the proceeds of such investments in securities offering lower yields, resulting in lower interest income for the fund.

C. **Risk associated with investing in Repo of Corporate Bond Securities**:

To the extent the scheme invests in Repo of Corporate Bond Securities, the scheme will be subject to following risks –

- Corporate Bond Repo will be subject to counter party risk.
- The Scheme will be exposed to credit risk on the underlying collateral– downward migration of rating. The scheme may impose adequate haircut on the collateral to cushion against any diminution in the value of the collateral. Collateral will require to be rated AA and above rated where potential for downgrade/default is low. In addition, appropriate haircuts are applied on the market value of the underlying securities to adjust for the illiquidity and interest rate risk on the underlying instrument.
- Liquidity of collateral: In the event of default by the counterparty, the scheme would have recourse to recover its investments by selling the collateral in the market. If the underlying collateral is illiquid, then the Mutual Fund may incur an impact cost at the time of sale (lower price realization).

D. Risk associated with investments in Derivatives:

- Counter Party Risk: This is the risk of default of obligations by the counter party.
- Market risk: Derivatives carry the risk of adverse changes in the market price.
- Illiquidity risk: The risk that a derivative cannot be sold or purchased quickly enough at a fair price, due to lack of liquidity in the market.
- Basis Risk: the risk that the movements in swap rates does not actually reflect the expected movement in benchmark rates, thus, creating a mismatch with what was intended.

The Fund may use permitted derivative instruments like exchange traded options and futures or other derivative instruments as may be permitted from time to time.

Derivative products are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the investor. Execution of such strategies depends upon the ability to identify such opportunities as well as to manage risks arising thereby. Identification and execution of the strategies to be pursued involve uncertainty and investment decisions may not always be profitable. No assurance can be given that the Fund Manager will be able to identify or execute such strategies.

Derivative investments carry certain risks and issues arising out of such dealings. The risks associated with the use of derivatives - either for hedging or for portfolio balancing - are different from, and possibly greater than, the risks associated with investing directly securities and other traditional investments.

Certain other risks, one or more, that may arise consequent to use of derivatives are: risk of mispricing or improper valuation of derivatives, credit risk arising out of counterparty failing to honour its commitment, liquidity risk where the derivatives cannot be sold at prices that reflect the underlying assets, rates and indices, and price risk where the market price may move in adverse fashion.

Derivatives require the maintenance of adequate controls to monitor the transactions entered into, the ability to assess the risk that a derivative adds to the portfolio and the ability to manage the risks as a result of the possible failure of the counterparty to comply with the terms of the derivative contract.

Risk Associated with Covered Call Strategy:

- The underlying security may fall by more than the option premium earned, thereby exposing the strategy to downside risks.
- The risk of mispricing or improper valuation and the inability of derivatives to correlate perfectly with underlying assets, rates and indices.
- Execution Risk: The prices which are seen on the screen need not be the same at which execution will take place.

E. **Risk associated with Securities Lending**:

The securities forming assets of the Scheme may be lent in accordance with the prevailing securities lending Regulations. The leading to arising of certain risks associated with the securities lending activity including counter party risk, possible loss of rights to the collateral put up by the borrower of the securities, inability of the approved intermediary to return the securities, timely or otherwise, deposited by the lender and likely loss of corporate benefits accruing to the lender in respect of the securities lent. The Fund may not be able to sell such lent securities and this can lead to temporary illiquidity.

F. **Risks associated with transactions in units through Stock Exchange Mechanism**:

In respect of transactions in Units of the Scheme through NSE and/ or BSE or any other recognised stock exchange allotment and redemption of Units on any Business Day will depend upon the order processing/settlement by NSE, BSE or such other exchange and their respective clearing corporations on which the Fund has no control. Further, transactions conducted through the stock exchange mechanism shall be governed by the operating guidelines and directives issued by NSE, BSE or such other recognized exchange in this regard.

G. **Risk Factors Associated with Investments in REITs and InvITs**:

1. **Market Risk:** REITs and InvITs are volatile and prone to price fluctuations on a daily basis owing to market movements. Investors may note that AMC/ Fund Manager's investment decisions may not always be profitable, as actual market movements may be at variance with the anticipated trends. The NAV of the Scheme is vulnerable to movements in the prices of securities invested by the scheme, due to various market related factors like changes in the general market conditions, factors and forces affecting capital market, level of interest rates, trading volumes, settlement periods and transfer procedures.

2. **Liquidity Risk:** As the liquidity of the investments made by the Scheme(s) could, at times, be restricted by trading volumes and settlement periods, the time taken by the Mutual Fund for liquidating the investments in the scheme may be high in the event of immediate redemption requirement. Investment in such securities may lead to increase in the scheme portfolio risk.

3. **Reinvestment Risk:** Investments in REITs & InvITs may carry reinvestment risk as there could be repatriation of funds by the Trusts in form of buyback of units or IDCW pay-outs, etc. Consequently, the proceeds may get invested in assets providing lower returns. The above are some of the common risks associated with investments in REITs & InvITs. There can be no assurance that a Scheme's investment objectives will be achieved, or that there will be no loss of capital. Investment results may vary substantially on a monthly, quarterly or annual basis.

H. Risks associated with Segregated Portfolio:

1. Investor holding units of segregated portfolio may not able to liquidate their holding till the time recovery of money from the issuer.
2. Security(ies) held in segregated portfolio may not realize any value.
3. Listing of units of segregated portfolio in recognized stock exchange does not necessarily guarantee their liquidity. There may not be active trading of units in the stock market. Further trading price of units on the stock market may be significantly lower than the prevailing NAV.

I. **Redemption Risk**:

As the liquidity of the investments made by the Scheme could, at times, be restricted by trading volumes and settlement periods, the time taken by the Fund for redemption of Units may be significant in the event of an inordinately large number of redemption requests or a restructuring of the Scheme.

J. Risk mitigation strategies:

Risk management is an integral part of the investment process. In line with Para-no 4.3.1 of SEBI Master Circular, the AMC has incorporated adequate safeguards for controlling risks in the portfolio construction process, which would be periodically evaluated. Online monitoring of various exposure limits are done by the Front Office System. The system incorporates all the investment restrictions as per SEBI guidelines and 'soft' warning alerts at appropriate levels for preemptive monitoring.

The system also enables identifying & measuring the risk through various risk measurement tools and analyzes the same so as to act in a preventive manner. In Addition to minimize risk for equity schemes, following steps are taken:

1. **Liquidity risks:** The liquidity of the Scheme's investments may be inherently restricted by trading volumes, transfer procedures and settlement periods. Liquidity Risk can be partly mitigated by diversification, staggering of maturities as well as internal risk controls that lean towards purchase of liquid securities.
2. **Interest Rate Risk:** Changes in interest rates affect the prices of bonds. If interest rates rise the prices of bonds fall and vice versa. A well-diversified portfolio may help to mitigate this risk.
3. **Volatility risks:** There is the risk of volatility in markets due to external factors like liquidity flows, changes in the business environment, economic policy etc. The scheme will manage volatility risk through diversification. To that extent the Volatility risk will be mitigated in the scheme.
4. **Credit Risks:** Credit risk shall be mitigated by investing in rated papers of the companies having the sound back ground, strong fundamentals, and quality of management and financial strength of the Company.

19. The Scheme will comply with following exposure limits while participating in repo in corporate debt securities or such other limits as may be prescribed by SEBI from time to time:

    - The gross exposure to repo transactions in corporate debt securities shall not be more than 10% of the net assets of the scheme.
    - Further the amount lent to counter-party under repo transaction in corporate debt securities will be included in single issuer debt instrument limit.
    - The cumulative gross exposure through equity, debt, derivative positions (including commodity and fixed income derivatives), repo transactions and credit default swaps in corporate debt

securities, Real Estate Investment Trusts (REITs), Infrastructure Investment Trusts (InvITs), other permitted securities/assets and such other securities/ assets as may be permitted by the Board from time to time should not exceed 100% of the net assets of the scheme.
- In case the Scheme borrows under repo in corporate debt securities, then such borrowing together with any other borrowing shall not exceed 20% of the net asset of that Scheme and tenor of borrowing shall not exceed six months.

20. The Scheme shall not invest (excluding investments in securities issued by Public Sector Units, Public Financial Institutions and Public Sector Banks) more than 20% of net assets in the Group. Such investment limit may be extended to 25% of the net assets of the scheme with the prior approval of the Board of Trustees.

    For this purpose, Group" means a group as defined in clause (b) of the Explanation to Section 5 of the Competition Act, 2002 (12 of 2003)

    Further, limit for investment in debt and money market instruments of group companies of sponsor and AMC is 10% of the net assets of the scheme which can be extended to 15% with the prior approval of the Board of Trustees.

21. The long term rating of issuers shall be considered for the money market instruments. However, if there is no long term rating available for the same issuer, then based on credit rating mapping of CRAs between short term and long term ratings, the most conservative long term rating shall be taken for a given short term rating. Exposure to government money market instruments such as TREPS on G-Sec/ T-bills shall be treated as exposure to government securities. Provided that, such limit shall not be applicable for investments in government securities, treasury bills and Tri-Party Repos on Government securities or treasury bills.

22. The Fund can invest in securities that are rated by CRISIL and ICRA and other independent credit rating agencies.

23. Further, in terms of para 1.10.3 of SEBI master circular dated May 19, 2023 the Mutual Fund /AMC shall make investments out of the NFO proceeds only on or after the close of the NFO period. Mutual Funds/AMCs are allowed to deploy the NFO proceeds in triparty repo on Government securities or treasury bills before the closure of NFO period. However, AMCs shall not charge any investment management and advisory fees on funds deployed in triparty repo on Government securities or treasury bills during the NFO period. The appreciation received from investment in triparty repo on Government securities or treasury bills shall be passed on to investors. Further, in case the minimum subscription amount is not garnered by the scheme during the NFO period, the interest earned upon investment of NFO proceeds in triparty repo on Government securities or treasury bills shall be returned to investors, in proportion of their investments, along-with the refund of the subscription amount.

24. The Mutual Fund shall subject to Regulations settle its transactions only through dematerialised securities except such instruments which are to be transacted only in physical form. Further, all transactions in government securities shall also be in dematerialised form.

25. **Derivatives exposure limits**:

In accordance with para 12.25 of SEBI master circular dated May 19, 2023, the following exposure limits for investment in derivatives will be applicable to the Scheme:

(1) The cumulative gross exposure through Equity, Equity Derivatives, Debt, Corporate Debt, REITs, InVITs, Money Market securities and derivative positions shall not exceed 100% of the net assets of the scheme. However, cash or cash equivalents with residual maturity of less than 91 days shall be treated as not creating any exposure.

(2) The Schemes shall not write options or purchase instruments with embedded written options.

(3) The total exposure related to option premium paid shall not exceed 20% of the net assets of the scheme.

(4) Exposure due to hedging positions may not be included in the above mentioned limits subject to the following:

a) Hedging positions are the derivative positions that reduce possible losses on an existing position in securities and till the existing position remains.
b) Hedging positions shall not be taken for existing derivative positions. Exposure due to such positions shall be added and treated under gross cumulative exposure limits as mentioned under point 1.
c) Any derivative instrument used to hedge shall have the same underlying security as the existing position being hedged.
d) The quantity of underlying associated with the derivative position taken for hedging purposes shall not exceed the quantity of the existing position against which hedge has been taken.

(5) Exposure due to derivative positions taken for hedging purposes in excess of the underlying position against which the hedging position has been taken, shall be treated under gross cumulative exposure limits as mentioned under point 1.

(6) (a) The Scheme may enter into plain vanilla Interest Rate Swaps (IRS) for hedging purposes. The value of the notional principal in such cases must not exceed the value of respective existing assets being hedged by the scheme.

(b) In case of participation in IRS is through over the counter transactions, the counter party has to be an entity recognized as a market maker by RBI and exposure to a single counterparty in such transactions should not exceed 10% of the net assets of the scheme. However, if mutual funds are transacting in IRS through an electronic trading platform offered by the Clearing Corporation of India Ltd. (CCIL) and CCIL is the central counterparty for such transactions guaranteeing settlement, the single counterparty limit of 10% shall not be applicable."

(7) Each position taken in derivative shall have an associated exposure as defined below. Exposure is the maximum possible loss that may occur on a position. However, certain derivative positions may theoretically have unlimited possible loss. Exposure in derivative positions shall be computed as follows:

Position	Exposure
Long Future	Futures Price * Lot Size * Number of Contracts
Short Future	Futures Price * Lot Size * Number of Contracts

Position	Exposure
Option bought	Option Premium Paid * Lot Size * Number of Contracts

(8) Derivatives transactions shall be disclosed in the half-yearly portfolio / annual report of the schemes in line with the requirements under SEBI Regulations.

26. **Investment Restrictions for Foreign Investments:** The investment in foreign securities shall be restricted to such limits as may be specified under Regulations from time to time. Currently, maximum of US $ 600 million per Mutual Fund, within the overall industry limit of US $ 7 billion and maximum of US $ 200 million per Mutual Fund investment in exchange traded funds, within the overall industry limit of US $ 1 billion. Such investment shall be made in line with the Regulations, and with SEBI approval.

27. The Scheme will comply with following exposure limits while participating in repo in corporate debt securities or such other limits as may be prescribed by SEBI from time to time:

- The gross exposure to repo transactions in corporate debt securities shall not be more than 10% of the net assets of the scheme.
- Further the amount lent to counter-party under repo transaction in corporate debt securities will be included in single issuer debt instrument limit.
- The cumulative gross exposure through equity, debt, derivative positions (including commodity and fixed income derivatives), repo transactions and credit default swaps in corporate debt securities, Real Estate Investment Trusts (REITs), Infrastructure Investment Trusts (InvITs), other permitted securities/assets and such other securities/ assets as may be permitted by the Board from time to time should not exceed 100% of the net assets of the scheme in line with para 12.24 of SEBI master circular dated June 27, 2024.
- In case the Scheme borrows under repo in corporate debt securities, then such borrowing together with any other borrowing shall not exceed 20% of the net asset of that Scheme and tenor of borrowing shall not exceed six months.

28. **Guidelines for Repo in Corporate Debt Securities:**

<u>Participation scheme of Bank of India Mutual Fund in repo of corporate debt securities</u>:

In accordance with Para 12.18 SEBI Master circular dated June 27, 2024 as amended from time to time, and any other circulars issued by SEBI/ RBI from time to time, the Scheme shall participate in repo transactions in corporate debt securities subject to following guidelines:

- The gross exposure of any mutual fund scheme to repo transactions in corporate debt securities including Commercial Papers (CPs) and Certificate of Deposits (CDs) shall not be more than 10 % of the net assets of the concerned scheme.
- The cumulative gross exposure through repo transactions in corporate debt securities including Commercial Papers (CPs) and Certificate of Deposits (CDs) along with equity, debt and derivatives, other permitted securities/assets and such other securities/assets as may be permitted by the Board from time to time shall not exceed 100% of the net assets of the concerned scheme.
- Mutual funds shall participate in repo transactions on following Corporate Debt securities;

- listed AA and above rated corporate debt securities and
- Commercial Papers(CPs) and Certificate of Deposits(CDs).
- In terms of Regulation 44 (2) mutual funds shall borrow through repo transactions only if the tenor of the transaction does not exceed a period of six months.
- Mutual funds shall ensure compliance with the Seventh Schedule of the Mutual Funds Regulations about restrictions on investments, wherever applicable, with respect to repo transactions in corporate debt securities including Commercial Papers(CPs) and Certificate of Deposits(CDs). However, for transactions where settlement is guaranteed by a Clearing Corporation, the exposure shall not be considered for the purpose of determination of investment limits for single issuer, group issuer and sector level limits

Parameters for investment in repos of corporate debt securities as approved by the Board of AMC and Trustee Company are as under:

a. Category of counterparty:

All entities (including clearing corporations) eligible for transacting in corporate bond repos as defined by SEBI and RBI shall be considered for repo transactions.

b. Credit rating of counterparty:

The schemes shall participate in corporate bond repo transactions with counterparties having a minimum investment grade rating and is approved by the Investment Committee on a case-to-case basis. In case there is no rating available, the Investment Committee will decide the rating of the counterparty, and report the same to the Board from time to time. The requirement for credit rating of the counterparty will not be applicable for transactions where settlement is guaranteed by a Clearing Corporation.

c. Tenor of collateral:

As a repo seller, the schemes will borrow cash for a period not exceeding 6 months or as per extant regulations. As a repo buyer, the Schemes are allowed to undertake the transactions for maximum maturity upto one year or such other terms as may be approved by the Investment Committee. There shall be no restriction / limitation on the tenor of collateral.

d. Applicable haircuts:

RBI in its circular dated July 24, 2018 had indicated the haircut to be applied for such transactions as follows:

1) Haircut/ margins will be decided either by the clearing house or may be bilaterally agreed upon, in terms of the documentation governing repo transactions, subject to the following stipulations:

    i. Listed corporate bonds and debentures shall carry a minimum haircut of 2% of market value. Additional haircut may be charged based on tenor and illiquidity of the security.

    ii. CPs and CDs shall carry a minimum haircut of 1.5% of market value.

iii. Securities issued by a local authority shall carry a minimum haircut of 2% of market value.

2) Additional haircut may be charged based on tenor and illiquidity of the security.

The Trustee may alter the above restrictions from time to time to the extent that changes in the Regulations may allow or as deemed fit in the general interest of the unit holders. All investment restrictions shall be applicable at the time of making investment.

The Trustee /AMC may alter the above stated limitations from time to time, and also to the extent the SEBI (MF) Regulations change, so as to permit the Scheme to make their investments in the full spectrum of permitted investments in order to achieve their investment objective.

Apart from the investment restrictions prescribed under SEBI (MF) Regulations, the Fund may be subject to internal guidelines / restrictions, which may include limiting sectoral exposure to a particular scrip or sector as may be decided by the Trustee/AMC.

Dematerialization of units	Unit holders, who are holding Units in non-dematerialised form, can dematerialise their holding at any time by making an application to their Depository Participant (with whom they have their DP account). Subject to receipt of complete documentation, the AMC shall credit the Units in dematerialised form to the Depository account of the Unitholder. The

	expenses incurred by the AMC in dematerialising of the Units may be recovered from Unitholders or may be charged to the Scheme.
Minimum Target amount **(This is the minimum amount required to operate the scheme and if this is not collected during the NFO period, then all the investors would be refunded the amount invested without any return.)**	Not applicable, since NFO period is concluded.
Maximum Amount to be raised (if any)	Not Applicable.
Dividend Policy (IDCW)	The Income Distribution Cum Capital Withdrawal warrants shall be dispatched to the unitholders within 7 Working days of the Record Date. The IDCW will be paid to only those Unitholders whose names appear on the register of Unitholders of the Scheme / Option at the close of the business hours on the record date. Pursuant to 11.4 of SEBI Master Circular dated June 27, 2024, the Fund is required to dispatch IDCW payments within seven working days from the record date. In case, the AMC fails to dispatch the IDCW payments within the stipulated time of seven working days, it shall be liable to pay interest to the unit holders at 15% p.a. or such other rate as may be prescribed by SEBI from time to time. On payment of Income Distribution Cum Capital Withdrawal, the NAV will stand reduced by the amount of Income Distribution Cum Capital Withdrawal and statutory levies paid if any. Investors may like to note that the amounts can be distributed as Income Distribution Cum Capital Withdrawal out of investors capital (Equalization Reserve), which is part of the sale price that represents realized gains.
Allotment	An investor who purchases Units through a broker/ clearing member will receive Units in his/her/its account through his/her/its broker / clearing member's pool account. The AMC will credit the Units to the broker / clearing member's pool account, and they in turn will credit the Units to the investor's account. Credit of Units to the broker / clearing member's pool account by the AMC/its RTA shall discharge the AMC/its

	RTA of their obligation of allotment of Units to the investor. All valid and complete applications will be allotted Units at the Applicable NAV for the application amount. Allotments made will be subject to realization of payment instrument and subject to the AMC being reasonably satisfied of having received clear funds. Applicants under the Scheme will have an option to hold the Units either in physical form (i.e. account statement) or in dematerialized (electronic) form. For Units held in physical form, normally no Unit certificates will be issued. However, on a specific request from the Unit holder, the AMC shall issue a Unit certificate within 5 Business Days of the receipt of such request. In case of purchase transactions, where there is a mismatch in the amounts on the Transaction Slip / Application Form and the payment instrument / credit received, the AMC may at its discretion allot the units for the lesser of the two amounts and refund / utilize the excess, if any, for any other transaction submitted by the same investor, subject to the fulfillment of other regulatory requirements for the fresh transaction. At the time of redemption / switch of units, the Unit holder(s) must surrender the original unit certificate duly discharged along with the request for redemption/switch. Further, if the Unit holder(s) intend to transfer such Units, must submit the original unit certificate with instrument of transfer and such other documents / declarations as may be required by the AMC from time to time. The AMC shall upon receipt of documents register the transfer and return the original unit certificate to the transferee within 30 days from the date of receipt of request for transfer. For investors / Unit holders opting for holding of Units in dematerialized / electronic form, the investors need to furnish the details of their depository account in the Application Form. Where the Investor has chosen to receive the Units in electronic form, the AMC will credit Units to the Investor's Depository Account as per the details furnished by the

	investor in the Application Form within 30 days. If the Units cannot be credited to the Depository Account of Unitholder for any reason whatsoever, the AMC shall issue Account Statement specifying the Units allotted to the investor within 30 days. At the time of redemption / switch of units, the Unit holder(s) must surrender the original unit certificate duly discharged along with the request for redemption/switch. Further, if the Unit holder(s) intend to transfer such Units, must submit the original unit certificate with instrument of transfer and such other documents / declarations as may be required by the AMC from time to time. The AMC shall upon receipt of documents register the transfer and return the original unit certificate to the transferee within 30 days from the date of receipt of request for transfer. **Account Statements:** For all applicants whose application has been accepted, the AMC shall send an Account Statement specifying the number of units allotted to the applicant by way of email to the applicant's registered email address as soon as possible but not later than 5 business days. If email is not registered, then physical account statement will be sent to registered address. Thereafter a consolidated account statement (CAS) will be sent for each Calendar month to the Unit Holder whose folio/s transaction have taken place during the month on or before the 10th of the succeeding month. The AMC reserves the right to call for other additional documents as may be required, for processing such transactions. The AMC also reserves the right to reject such transactions. The AMC, thereafter, shall not be responsible for any loss suffered by the investor due to the discrepancy in the Scheme name mentioned in the application form/transaction slip and Cheque / Demand Draft.
Refund	If application is rejected, full amount will be refunded within 5 working days of closure of NFO. If refunded later than 5 working days @

	15% p.a. for delay period will be paid and charged to the AMC. Any credit received without application will be refunded within 5 working days from identification of creditors bank details.
Who can invest **This is an indicative list and investors shall consult their financial advisor to ascertain whether the scheme is suitable to their risk profile.**	Prospective investors are advised to satisfy themselves that they are not prohibited or restricted under any law from investing in the Scheme and are authorised to subscribe to or Purchase Units in the Scheme as per their respective constitutions, charter documents, corporate / other authorizations and relevant statutory provisions. The following person(s) are eligible and may apply for subscription to units of the scheme: • Resident Indian adult individuals, either singly or jointly (not exceeding three); • Minor through parent / lawful guardian; • Companies, bodies corporate, public sector undertakings, association of persons or bodies of individuals and societies registered under the Societies Registration Act, 1860; • Religious and Charitable Trusts, Wakfs or endowments of private trusts (subject to receipt of necessary approvals as required) and Private Trusts authorised to invest in mutual fund schemes under their trust deeds; • Partnership Firms constituted under the Indian Partnership Act, 1932; • Limited Liability Partnerships registered under Limited Liability Partnerships Act, 2008; • A Hindu Undivided Family (HUF) through its Karta; • Banks (including Co-operative Banks and Regional Rural Banks) and Financial Institutions; • Non-Resident Indians (NRIs) / Persons of Indian Origin (PIO,) on full repatriation basis or on non-repatriation basis; (Except NRIs & PIOs who are residents of United States of America / defined as United States persons under applicable laws / statutes, and the residents of Canada.) • FPIs (subject to regulations / directions prescribed by the RBI/SEBI from time to

	time relating to FPI investments in mutual fund schemes) on full repatriation basis; • Army, Air Force, Navy and other para-military funds and eligible institutions; • Scientific and Industrial Research Organisations; • Pension Funds, Gratuity Funds, Superannuation Funds, Provident funds and such other Funds as and when permitted to invest; • International Multilateral Agencies approved by the Government of India / RBI; • The Trustee, AMC, their Shareholders, Sponsor or their, associate or group entities (as per prevailing laws); • The Fund or any other mutual fund through its schemes, including fund of funds schemes, subject to Regulations. • Insurance Company registered with the Insurance Regulatory and Development Authority, India; and • Such other category of investors as the AMC may permit. The AMC / Trustee may from time to time modify the above list of eligible subscribers. Any application for Units may be accepted or rejected in the sole and absolute discretion of the Trustee. For example, the AMC / Trustee may reject any application for the Purchase of Units if the application is invalid or incomplete or if, in its opinion, increasing the size of any or all of the Scheme's Unit capital is not in the general interest of the Unit Holders, or if the Trustee for any other reason does not believe that it would be in the best interest of the Scheme or its Unit Holders to accept such an application. Investment in units of Mutual Funds in the name of minor through guardian will be in line with para 17.6 of SEBI Master Ciruclar dated June 27, 2024.
Who cannot invest	• Overseas Corporate Bodies, as defined under the Foreign Exchange Management Act, 1999. • Non-Resident Indians residing in Non-Compliant Countries and Territories (NCCTs) as determined by the Financial

The policy regarding reissue of repurchased units, including the maximum extent, the manner of reissue, the entity (the scheme or the AMC) involved in the same.	Not applicable
Restrictions, if any, on the right to freely retain or dispose of units being offered.	The Units of the Scheme held in electronic (demat) mode) are transferable. The Mutual Fund at its sole discretion reserves the right to suspend sale and switching of Units in the Scheme temporarily or indefinitely when any of the following conditions exist. However, the suspension of sale and switching of Units either temporarily or indefinitely will be with the approval of the Trustee. 1. When one or more stock exchanges or markets, which provide basis for valuation for a substantial portion of the assets of the Scheme are closed otherwise than for ordinary holidays. 2. When, as a result of political, economic or monetary events or any circumstances outside the control of the Trustee and the AMC, the disposal of the assets of the Scheme are not reasonable, or would not reasonably be practicable without being detrimental to the interests of the Unit holders.

	3. In the event of breakdown in the means of communication used for the valuation of investments of the Scheme, without which the value of the securities of the Scheme cannot be accurately calculated. 4. During periods of extreme volatility of markets, which in the opinion of the AMC are prejudicial to the interests of the Unit holders of the Scheme. 5. In case of natural calamities, strikes, riots and bandhs. 6. In the event of any force majeure or disaster that affects the normal functioning of the AMC or the ISC. 7. If so directed by SEBI The AMC reserves the right in its sole discretion to withdraw the facility of Sale and Switching option of Units in the Scheme [including any one Plan/Option of the Scheme], temporarily or indefinitely, if AMC views that changing the size of the corpus further may prove detrimental to the existing Unit holders of the Scheme. **Right to Limit Redemptions in Mutual Funds:** a) **Liquidity issues** - When markets at large becomes illiquid affecting almost all securities rather than any issuer specific security. b) **Market failures, exchange closures** - When markets are affected by unexpected events which impact the functioning of exchanges or the regular course of transactions. Such unexpected events could also be related to political, economic, military, monetary or other emergencies. c) **Operational issues** - When exceptional circumstances are caused by force majeure, unpredictable operational problems and technical failures (e.g. a black out). Under the aforesaid circumstances, AMC / Trustee may restrict redemption for a specified period of time not exceeding 10 working days in any 90 days period.

	For redemption requests placed during the restriction period, the following provisions will be applicable: (a) For redemption requests upto Rs. 2 lakhs the above-mentioned restriction will not be applicable; and (b) Where redemption requests are above Rs. 2 lakhs, AMCs shall redeem the first Rs. 2 lakhs without such restriction and remaining part over and above Rs. 2 lakhs shall be subject to such restriction. AMC / Trustee reserves the right to change / modify the provisions of right to limit Redemption / switch-out of units of the Scheme(s) pursuant to direction/ approval of SEBI. **Pledge or Hypothecation of Units:** Units under the Scheme may be offered as security by way of a pledge / charge in favour of scheduled banks, financial institutions, non-banking finance companies (NBFCs) or at the discretion of the AMC. The AMC and / or the Registrar will note and record the pledge of Units. The AMC shall mark a lien only upon receiving the duly completed form and documents, as it may require. Disbursement of the loans will be at the entire discretion of the bank / financial institution / NBFC etc and the Fund/AMC assumes no responsibility for that. The Pledgor will not be able to redeem Units that are pledged until the entity to which the Units are pledged provides a written authorization to the Mutual Fund that the pledge / lien charge may be removed. As long as the Units are pledged, the Pledgee will have complete authority to redeem such Units with or without Income Distribution Cum Capital Withdrawal /reinvested units thereon as per the arrangements between the pledger and pledgee. **Transfer of Units:** **A. Transfer of Units held in Demat Mode:** Units shall be freely transferable. In case, the units are with the depository held in Demat mode, such units will be transferable in accordance with the provisions of the

	Securities and Exchange Board of India (Depositories and Participants) Regulations, 1996. Pursuant to para no 14.4.4 of SEBI Master Circular dated June 27, 2024, units under the Scheme are freely transferable from one demat account to another demat account. In case, a person becomes a holder of Units by operation of law or upon enforcement/invocation of pledge, the AMC shall, subject to production of such satisfactory evidence and submission of such documents by the transferee, proceed to effect the transfer, if the intended transferee is otherwise eligible to hold the Units of the Scheme concerned. **B. Transfer of units held in non-demat mode (SOA):** In accordance with AMFI Best Practices Guidelines Circular No.116/ 2024-25 dated August 14, 2024, the facility for transfer of units held in SOA (Statement of Account) shall be provided to the Unitholders under the following three categories: (i) Surviving joint unitholder, who wants to add new joint holder(s) in the folio upon demise of one or more joint unitholder(s). (ii) A nominee of a deceased unitholder, who wants to transfer the units to the legal heirs of the deceased unitholder, post the transmission of units in the name of the nominee. (iii) A minor unitholder who has turned a major and has changed his/her status from minor to major, wants to add the name of the parent / guardian, sibling, spouse etc. in the folio as joint holder(s). Partial transfer of units held in a folio shall be allowed. If the request for transfer of units is lodged on the record date, the IDCW payout/ reinvestment shall be made to the transferor. To mitigate the risk, redemption under the transferred units shall not be allowed for 10 days from the date of transfer. This will enable the investor to revert in case the transfer is initiated fraudulently. **Mode of submitting / accepting the Transfer Request:**

	The facility for transfer of units held in SOA mode shall be available only through online mode via the transaction portals of the RTAs and the MF Central, i.e., the transfer of units held in SOA mode shall not be allowed through physical/ paper-based mode or via the stock exchange platforms, MFU, channel partners and EOPs etc. **Pre-Requisites:** • The surviving unit holder /nominee/minor unitholder who has turned major, should be registered as the rightful unitholder of the units in the folio to be eligible to apply for transfer of units held in SOA mode. • There should be no "lien" or freeze on the units being transferred for any reason whatsoever. Also, the Units should not be under any lock-in period. • The transferee(s) should mandatorily be an individual / individual(s) with a valid folio in the mutual fund in which the transferor wishes to transfer the units. Transferee should be eligible to hold the Units as per the respective SID and fulfil any other regulatory requirement as may be applicable. • The primary holder, Plan, Option, and the ARN (in case of Regular Plan) in the transferor's Folio shall remain unchanged upon transfer of units in the transferee folio. **Payment of Stamp duty on Transfer of Units:** (a) The Stamp duty for transfer of units, if/where applicable, shall be payable by the transferor. (b) For calculation of the amount of stamp duty, the consideration value will be calculated as per the last available NAV (irrespective of the amount of consideration mentioned by the transferor in the transfer request). (c) The stamp duty if/where applicable, shall be collected by the RTAs from the transferor through online mode by ensuring that the payment is received from the bank account registered in the folio.

	AMFI best practice circular no. 119/2025-26 dated May 08, 2025 has extended the said facility of transfer of units held in SOA mode to all the investors under Resident/Non-resident individual category. **Process work flow:** 1. The transferor will login to the RTA or MF Central website, select the appropriate menu for transfer of units held in SoA mode, and enter the Folio number of transferor from which the units are to be transferred. 2. The facility to select the folio for transfer of units will be enabled only in the folio in which the units have been duly transmitted or in which the status of the minor has been duly updated as major in the RTA database. 3. The details of KYC + PAN status of transferor(s) and compliance of all other mandatory requirements will be validated by the RTA. 4. If the KYC status of any of the holder is other than "Validated", the system shall not allow the user to proceed further, and a suitable message shall be displayed on the screen (including the link / steps for getting the KYC validated). 5. If the KYC status is 'Validated', the system shall allow the transferor to proceed and choose the scheme name (from a drop-down menu) under the transferor's Folio, and enter the number of units to be transferred. 6. The System shall validate if the Units are under any lock-in or lien and are free from any freeze etc. 7. If the Units are found to be under lock-in (except for the lock put in by RTA for internal reasons) / lien / freeze etc., the transfer request will be rejected, and a suitable message shall be displayed on the screen, and simultaneously the transferor shall also be notified via email and SMS. 8. If the units are free from any freeze etc., the transferor will be prompted to enter the folio number of the transferee and the reason for transferring the units.

	9. The reason for transferring the units shall need to be selected by the transferor from a drop-down menu (to ensure accuracy) with following reasons – (i) Surviving joint unitholder wants to add new joint holder in the folio following the demise of one of the unitholders. (ii) Nominee of a deceased unitholder wants to transfer the units to the legal heirs of the deceased unitholder. (iii) Minor unitholder who has turned a major & has changed the status to major wants to add the name of the parent / guardian / sibling/spouse in the folio. 10. The RTA system will validate the details of KYC + PAN status of the transferee(s) and compliance with all other mandatory requirements. 11. If the folios of both the transferor and the transferee are found to be eligible for transfer, the RTA shall send an OTP to the mobile number/s and email id/s of the transferor/s on the registered contact details. In case of joint transferor/s, i.e., if the folio is held jointly, the RTA shall send the OTP to the mobile number/s and email id/s of each of the joint holder/s as registered in KRA / KYC database. 12. The RTA system will send two different OTPs to the email address and the mobile number of the transferor, who needs to enter both the OTPs, which shall be duly validated by the RTA. 13. If the OTP is not validated within specified time (say 30 minutes), the transaction shall be aborted and the transfer request shall be automatically rejected, and a suitable message shall be displayed on the screen, and simultaneously the transferor shall also be notified via email and SMS. 14. Post successful validation of the OTP by the transferor(s), the RTA system shall display the stamp duty (if/where applicable) payable by the transferor based on the last available NAV, and the

	transferor/s shall be prompted to make the payment of stamp duty online at this stage from his registered bank account. 15. RTA shall confirm the receipt of funds towards payment of stamp duty made by the transferor. 16. Once the RTA verifies and confirms that the transferor has made the payment for requisite stamp duty, the RTA shall effect the transfer of units into the folio of the transferee within 2 working days. 17. The transfer of units will be processed on FIFO basis, as is being done in respect of redemption/ switch out transactions / off-market transfer etc. 18. Thereafter the RTA shall issue the SoA to the transferor as well as the transferee with suitable narration for the units transferred out in the transferor's SOA/ units transferred in, in the transferee's SOA. 19. As is the case with off-market transfer of demat units, transfer of units in SoA mode will also be considered for reporting in SFT in the Income Tax portal. RTA shall report these transfers based on date of processing transfer with gain computed based on the consideration amount. The transferor may use this only for reference and should file returns using the actual gain and applicable TDS on which AMC/RTA will not have any control.
Cut off timing for subscriptions/redemptions/ switches This is the time before which your application (complete in all respects) should reach the official points of acceptance.	The Cut-off time for subscriptions/ redemptions/ switches is 3 pm and the Applicable NAV will be as under: **Subscriptions/Purchases including Switch - ins:** The following cut-off timings shall be observed by the Mutual Fund in respect of purchase of units of the Scheme and the following NAVs shall be applied for such purchase: 1. Where the application is received upto 3.00 pm on a Business day and funds are available for utilization before the cut-off time – the closing NAV of the Business day shall be applicable; 2. Where the application is received after 3.00 pm on a Business day and funds are

	available for utilization on the same day or before the cut-off time of the next Business Day - the closing NAV of the next Business Day shall be applicable; Irrespective of the time of receipt of application, where the funds are not available for utilization before the cutoff time without availing any credit facility, the closing NAV of the day on which the funds are available for utilization shall be applicable. **Allotment of Units under the Scheme for Purchase/Switch-in/Systematic Transactions:** 1. For allotment of units in respect of purchase in the Scheme, it shall be ensured that Funds for the entire amount of subscription/purchase as per the application are credited to the Bank account of the Scheme before the cut-off time. 2. For allotment of units in respect of switch-in to the Scheme from other Schemes, it shall be ensured that Funds for the entire amount of subscription/purchase as per the switch-in request are credited to the Bank account of the Scheme before the cut-off time. 3. In case of systematic transactions, NAV will be applied basis realization of funds in the scheme account. This shall be applicable for all systematic transactions (Systematic Investment Plans as well as for Systematic Transfer Plans) irrespective of amount and registration date of the systematic transactions. Please note that where funds are transferred/received first and application is submitted thereafter, date and time of receipt of the application shall be considered for NAV applicability. **Transactions through online facilities / electronic modes:** The time of transaction done through various online facilities / electronic modes offered by the Online Channel Partners of the AMC, for the purpose of determining the applicability of NAV, would be the time when the request for

	purchase / sale / switch of units is received in the servers of AMC/RTA. In case of transactions through Online facilities / electronic modes, there may be a time lag of few days between the amount of subscription being debited to investor's bank account and the subsequent credit into the respective Scheme's bank account. This lag may impact the applicability of NAV for transactions where NAV is to be applied, based on actual realization/receipt of funds by the Scheme. Under no circumstances will BOI MF/ AMC or its bankers or its service providers be liable for any lag / delay in realization of funds and consequent pricing of units. The AMC has the right to amend cut off timings of transactions received through online channels within the cut off time stipulated by SEBI (MF) Regulations for the smooth and efficient functioning of the Scheme. **Exchange Platforms & MFU:** The cut – off timing and applicability of Net Asset Value (NAV) shall be subject to the guidelines issued by SEBI in this regard from time to time. With respect to investors who transact through Stock Exchange Platforms (i.e. BSE/NSE or MFU), the applicable NAV shall be reckoned on the basis of the time stamping as evidenced by confirmation slip given by Stock Exchange/MFU mechanism, and subject to receipt of funds by the AMC/ Fund before the cut – off time of the Scheme for purchase transactions. These platforms are authorized Point of Acceptance for the limited purpose of time-stamping the transactions.
Minimum amount for purchase/redemption/switches (mention the provisions for ETFs, as may be applicable, for direct subscription/redemption with AMC.	Minimum amount for purchase/redemption/switches is given in Part I-Highlight Summary of the Scheme. **<u>Minimum Application Amount:</u>** **On continuous basis:** Rs. 5,000 and in multiples of Rs 1/- thereafter. **<u>Minimum Switch-in to the scheme</u>:**

	On continuous basis: Rs. 1,000/- or equivalent Unit value, or account balance, whichever is lower. Depending upon the minimum subscription/ application amount criteria of the targeted scheme, the switch-in would be processed. **<u>Minimum Additional Purchase Amount:</u>** Rs. 1000 and in multiples of Rs. 1/- thereafter The units will be allotted on the investment/switched-in amount after netting off the applicable Stamp Duty which is presently 0.005% of net investment amount. The minimum investment is applicable at the respective Plans/Subplans/Options/ Sub-options level i.e. Growth, Income Distribution cum Capital Withdrawal (IDCW). **<u>Minimum Repurchase Redemption/Switch Out Amount</u>:** Rs. 1,000 (or equivalent Unit value) or account balance, which ever is lower. Note: The minimum investment/additional investment amount/ redemption amount clause shall not be applicable in the case of investments by designated employees pursuant to Para-no 6.10 of SEBI Master Circular dated June 27, 2024 on Mutual Funds and circulars/clarifications issued thereunder.
Accounts Statements	The AMC shall send an allotment confirmation specifying the units allotted by way of email and/or SMS within 5 working days of receipt of valid application/transaction to the Unit holders registered e-mail address and/ or mobile number (whether units are held in demat mode or in account statement form). A Consolidated Account Statement (CAS) detailing all the transactions across all mutual funds (including transaction charges paid to the distributor) and holding at the end of the month shall be sent to the Unit holders in whose folio(s) transaction(s) have taken place during the month by mail or email on or before 15th of the succeeding month.

	Half-yearly CAS shall be issued at the end of every six months (i.e. September/ March) on or before 21st day of succeeding month, to all investors providing the prescribed details across all schemes of mutual funds and securities held in dematerialized form across demat accounts, if applicable. For further details, refer SAI.
Dividend/ IDCW	The payment of dividend/IDCW to the unitholders shall be made within 7 working days from the record date.
Redemption	The redemption or repurchase proceeds shall be dispatched to the unitholders within 3 working days from the date of redemption or repurchase. A penal interest of 15% per annum or such other rate as may be prescribed by SEBI from time to time will be paid in case the redemption proceeds are not dispatched/remitted within 3 working days of the date of Redemption request. For list of exceptional circumstances refer para 14.1.3 of SEBI Master Circular for Mutual Funds dated June 27, 2024.
Bank Mandate	As per the directives issued by SEBI, it is mandatory for applicants to mention their bank account numbers in their applications for purchase or redemption of Units. All cheques and bank drafts accompanying the application form should contain the application form number on its reverse. For all fresh purchase transactions made by means of a cheque, where the account on which the cheque is drawn for purchase of units differs from the bank mandate account provided in the application, a copy of blank/cancelled cheque of bank mandate account is required to be provided. This condition is also applicable to all fresh purchase transactions made by means of a Demand Draft. In case of failure of this condition, the application will be rejected as it will be treated as third party payment.

	In case of SIP application without cheque, original cancelled cheque/copy of cheque should be attached. In case of failure, the AMC reserves the right to reject the application. Further, the AMC will not be liable in case the redemption/ IDCW proceeds are credited to wrong account in absence of above cheque copy. Investor/s or / Unit Holder/s are requested to note that any one of the following documents (of the mandated bank account) shall be submitted by the investor/s or / Unit Holder/s, in case the cheque provided along with fresh subscription / new folio creation does not belong to the bank mandate specified in the application form: 1. Original cancelled cheque having the First Holder Name printed on the cheque or; 2. Original bank statement reflecting the First Holder Name, Bank Account Number and Bank Name as specified in the application or; 3. Photocopy of the bank statement / bank pass book of the investor duly attested by the bank manager and bank seal preferably with designation and employee number or; 4. Photocopy of the bank statement / passbook / cancelled cheque copy duly attested by the AMC / Registrar of the Fund ('RTA') branch officials after verification of original bank statement / passbook / cheque shown by the investor or their representative or; 5. Confirmation by the bank manager with seal, on the bank's letter head with name, designation and employee number confirming the investor details and bank mandate information.
Delay in payment of redemption /repurchase proceeds/dividend	The Asset Management Company shall be liable to pay interest to the unitholders at rate as specified vide clause 14.2 of SEBI Master Circular for Mutual Funds dated June 27, 2024 by SEBI for the period of such delay.

	Delay in payment of IDCW proceeds: As per Chapter 11 of the Master Circular, or as amended from time to time, the AMC shall dispatch payment of the IDCW proceeds within 7 working days from the record date. However, in the event of failure to dispatch/ credit the IDCW proceeds within the above time, interest @ 15% per annum or such rate as may be specified by SEBI, would be paid to the Unit holders for the period of delay from the stipulated period for the dispatch/payment of IDCW payments. **Delay in payment of redemption / repurchase proceeds**: As per Para 14.1.1 of the Master Circular, or as amended from time to time, the AMC shall transfer the redemption / repurchase proceeds within 3 working Days*, from the date of acceptance of redemption request at any of the Investor Service Centers. In the event of failure to dispatch the redemption proceeds within the above time, the Asset Management Company shall be liable to pay interest to the unitholders at such rate as may be specified by SEBI for the period of such delay (presently @15% per annum). SEBI has further advised the mutual funds that in the event of payment of interest to the Unit holders, such Unit holders should be informed about the rate and the amount of interest paid to them. ** As per AMFI circular no. AMFI/35P/MEM-COR/74/2022-23 dated January 16, 2023, in case of exceptional situations the AMC might follow the additional timelines for making redemption payments. Unclaimed Redemption and Income Distribution cum Capital Withdrawal Amount	As per para 14.3 of SEBI Master circular dated June 27, 2024 issued by SEBI, the unclaimed redemption and IDCW amounts that are currently allowed to be deployed only in call money market or money market instruments, shall also be allowed to be invested in a separate plan of only Overnight scheme / Liquid scheme / Money Market Mutual Fund scheme floated by Mutual Funds specifically for deployment of the unclaimed amounts. Provided that such schemes where the unclaimed redemption and IDCW amounts are deployed shall be only those Overnight

	scheme/ Liquid scheme / Money Market Mutual Fund schemes which are placed in A-1 cell (Relatively Low Interest Rate Risk and Relatively Low Credit Risk) of Potential Risk Class matrix as per para 14.3.2 of SEBI master Circular dated June 27, 2024. AMCs shall not be permitted to charge any exit load in this plan and TER (Total Expense Ratio) of such plan shall be capped as per the TER of direct plan of such scheme or at 50bps whichever is lower." The investment management fee charged by the AMC for managing such unclaimed amounts shall not exceed 50 basis points. Investors claiming these amounts during a period of three years from the due date shall be paid at the prevailing NAV. After a period of three years, this amount shall be transferred to a pool account and the investors can claim the said amounts at the NAV prevailing at the end of the third year. Income earned on such funds shall be used for the purpose of investor education. The AMC shall make a continuous effort to remind investors through letters to take their unclaimed amounts.
Disclosure w.r.t investment by minors	Following is the process for investments made in the name of a Minor through a Guardian: - 1. Payment for investment by minor in any mode shall be accepted from the bank account of the minor, parent or legal guardian of the minor, or from a joint account of the minor with parent or legal guardian Irrespective of the source of payment for subscription, all redemption proceeds shall be credited only in the verified bank account of the minor, i.e. the account the minor may hold with the parent/ legal guardian after completing all KYC formalities. 2. Mutual Fund will send an intimation to Unit holders advising the minor (on attaining majority) to submit an application form along with prescribed documents to change the status of the account from 'minor' to 'major'. 3. All transactions / standing instructions / systematic transactions etc. will be suspended i.e. the Folio will be frozen for

	operation by the guardian from the date of beneficiary child completing 18 years of age, till the status of the minor is changed to major. Upon the minor attaining the status of major, the minor whose name the investment was made, shall be required to provide all the KYC details, updated bank account details including cancelled original cheque leaf of the new bank account. 4. No investments (lumpsum/SIP/ switch in/ STP in etc.) in the scheme would be allowed once the minor attains majority i.e. 18 years of age. He will be allowed to transact, once he submits the requirement documents on attaining the age of majority. **Email ID & Mobile Number** Investors should provide their own email address and mobile number to enable AMC for speed and ease of communication in a convenient and cost-effective manner, and to help prevent fraudulent transactions.

H. Any other disclosure in terms of Consolidated Checklist on Standard Observations:

1. Requirement of minimum investors/ investment in the Scheme (Applicability for an open-ended scheme):

The Scheme/ plan (at portfolio level) shall have a minimum of 20 investors and no single investor shall account for more than 25% of the corpus of the Scheme/ Plan(s). In case the Scheme / Plan(s) does not have a minimum of 20 investors in the stipulated period, the provisions of Regulation 39(2)(c) of the SEBI (MF) Regulations would become applicable automatically without any reference from SEBI and accordingly the Scheme / Plan(s) shall be wound up and the units would be redeemed at applicable NAV. For details, kindly refer SAI.

2. **Special Considerations**:

(A) Prospective investors in this Scheme should educate themselves or seek professional advice on:

a) Legal requirements or restrictions relating to the acquisition, holding, disposal, or redemption of Units within their jurisdiction of nationality, residence, ordinary residence and domicile or under the laws of any jurisdiction to which they are subject; and

b) Tax provisions on investments in the Scheme, capital gains, and other tax consequences relevant to their acquisition, holding or disposal, whether by way of sale or redemption of Units.

(B) Prospective investors should not construe the contents hereof as advice relating to legal, taxation or investment matters and are advised to consult their own professional advisor(s) relating to the subscription, gifting, acquisition, holding, disposal (sale, transfer, switch or redemption or conversion into money) of Units and to the treatment of income (if any), capitalization, capital gains, any distribution, and other tax consequences within their jurisdiction of nationality, residence, domicile etc. or under the laws of any jurisdiction to which they are subject to.

(C) The tax benefits described in this SID / in the SAI are as available under the prevailing taxation laws, which or whose interpretation may change from time to time. As is the case with any investment, there can be no guarantee that the current tax position or the tax position prevailing at the time of an investment in the Scheme will not undergo change. In view of the individual nature of tax consequences, each Unit holder is advised to consult his / her / their own professional tax advisor.

(D) The AMC or its Sponsor or Shareholders or their associates, group entities may either directly or indirectly invest in this Scheme and / or any other Scheme, present or future, and such investment could be substantial. If these entities decide to offer a substantial portion of such investment for repurchase/redemption, it may have an adverse impact on the NAV of Units.

(E) Neither this SID nor the Units being offered have been registered in any jurisdiction outside India. The distribution of this SID in certain jurisdictions may be restricted or subject to registration requirements and, accordingly, persons who come into possession of this SID are required to inform themselves about, and to observe, any such restrictions, as may be applicable. This SID does not constitute an offer or solicitation to any person within such jurisdiction and further are not being marketed in any such jurisdiction. The Trustee may compulsorily redeem any Units held directly or beneficially in contravention of these prohibitions.

(F) It is the responsibility of any person in possession of this SID and of any person wishing to apply for Units pursuant to this SID to be informed of and to observe, all applicable laws and Regulations of such relevant jurisdiction including not subscribing to Units if so prohibited by their home jurisdiction.

(G) The Scheme may disclose details of the investor's account and transactions there under to intermediaries whose stamp appears on the investor’s application form. Additionally, the Scheme may disclose such details to the bankers, as may be necessary for the purpose of effecting payments to the investor. The Scheme may also disclose such details to regulatory and statutory authorities / bodies as may be required or necessary as per provisions of law.

(H) Right to limit redemptions: The Board of AMC and Trustee, may in the general interest of the Unit holders of the Scheme, keeping in view circumstances / unsure conditions as mentioned under para 1.12 of SEBI Master circular dated June 27, 2024, limit the total number of Units which may be redeemed on any Business Day. For details please refer “Right to Limit Redemption”.

(I) The Scheme will dispatch redemption proceeds within 3 working Days from the acceptance of the Redemption request.

(J) Pursuant to the Provisions of Prevention of Money Laundering Act, 2002, if after due diligence, the AMC believes that any transaction is suspicious in nature as regards money laundering, failure to provide required documentation, information, etc. the AMC shall have absolute discretion to report such suspicious transactions to FIU-IND and / or to freeze the folios of the investor(s), reject any application(s) / allotment of units and effect mandatory redemption of unit holdings of the investor(s) at the applicable NAV subject to payment of exit load, if any.

(K) Indicative yield/ portfolio

The Fund/ AMC and its empanelled brokers /distributors have not given and shall not give any indicative portfolio and indicative yield in any communication, in any manner whatsoever. Investors are advised not to rely on any communication regarding indicative yield/ portfolio with regard to the Scheme.
