SECTION I: HIGHLIGHTS/SUMMARY OF THE SCHEME

Name of the scheme	Principal Large Cap Fund
Type of scheme	An Open-ended Equity scheme predominantly investing in Large Cap stocks
Investment Objective	To achieve long term capital appreciation by investing in a diversified portfolio predominantly consisting of equity and equity related securities of Large Cap companies including derivatives. However, there can be no assurance that the investment objective of the Scheme will be achieved.
Liquidity	<p>Liquidity will be available through sale and repurchase of units on all business days on an ongoing basis. Unitholders can subscribe to and get their units repurchased on all business days at NAV related prices (with exit load as mandated by AMC from time to time).</p> <p>Units of the Scheme will be available for Subscription and/or Redemption at NAV related prices on every Business Day commencing not later than 5 Business Days from the date of allotment of Units post the NFO Period.</p> <p>As per SEBI Regulations, the Mutual Fund shall dispatch Redemption proceeds within 10 Business Days of receiving the Redemption request. A penal interest of 15% per annum or such other rate as may be prescribed by SEBI from time to time will be paid in case the redemption proceeds are not dispatched within 10 Business Days of the date of Redemption request.</p> <p>However, under normal circumstances, the Mutual Fund will endeavor to dispatch the Redemption proceeds well before 10 Business Days from the acceptance of the duly completed Redemption request.</p>
Benchmark	<p>The benchmark against which the performance of the Scheme will be measured will be Nifty 100 Total Return Index (NIFTY100 TRI).</p> <p>NIFTY 100 is a diversified 100 stock index representing major sectors of the economy. NIFTY 100 represents top 100 companies based on full market capitalisation. This index intends to measure the performance of large market capitalisation companies.</p>
Transparency / NAV Disclosure	<p>The NAV will be calculated by the AMC for each business day. The AMC shall update the NAVs on the website of the Mutual Fund (www.principalindia.com) and on the website of Association of Mutual Funds in India - AMFI (www.amfiindia.com) by 11.00 p.m. every Business Day and or such other time as may be prescribed by SEBI/AMFI from time to time.</p> <p>In case of any delay, the reasons for such delay would be explained to AMFI in writing. If the NAVs are not available before the commencement of business hours on the following day due to any reasons, a press release shall be issued giving reasons and explaining when the AMC would be able to publish the NAVs</p> <p>The fund shall within one month of the close of each half year that is 31st March and 30th September, host unaudited financial results of the Scheme on its website: www.principalindia.com in a user friendly and downloadable format (preferably in a spread sheet). An advertisement intimating the same, shall be published in at least one English daily newspaper having nationwide circulation and in a newspaper having wide circulation published in the language of the region where the Head Office of the Mutual Fund is situated.</p> <p>The Fund shall disclose portfolio (along with ISIN) as on the last day of the month/ half-year for the Scheme on its website www.principalindia.com and on the website of AMFI within 10 days from the close of each month/ half-year respectively in a user friendly and downloadable format.</p>

The Income Distribution cum capital withdrawal option(IDCW) Option under both the Plans will have the facility of Payout of Income Distribution cum capital withdrawal option – IDCW Payout, , Reinvestment of Income Distribution cum capital withdrawal option – IDCW Re-investment. [#] Direct Plan is only for investors who purchase /subscribe Units in a Scheme directly with the Fund. This plan is not available for investors who wish to purchase/ subscribe units through a Distributor – such investors have to subscribe for Regular Plan. Regular Plan and Direct Plan have the same features (i.e. Investment Objective, Asset Allocation Pattern, Investment Strategy, Risk factors) and Facilities offered including terms and conditions except that Direct Plan shall have a lower expense ratio excluding distribution expenses, commission, etc. and no commission for distribution of Units will be paid / charged under Direct Plan.

SECTION II. INTRODUCTION

A. RISK FACTORS

Standard Risk Factors:

- Investment in Mutual Fund Units involves investment risks such as trading volumes, settlement risk, liquidity risk, default risk including the possible loss of principal.
- As the price / value / interest rates of the securities in which the scheme invests fluctuates, the value of your investment in the Scheme may go up or down. As with any investment in stocks, shares and securities, the NAV of the Units under the Scheme can go up or down, depending on the factors and forces affecting the capital markets.
- Past performance of the Sponsor/AMC/Mutual Fund does not guarantee future performance of the Scheme.
- Principal Large Cap Fund is only the name of the Scheme and does not in any manner indicate either the quality of the Scheme or its future prospects and returns.
- The sponsor or any of its associates including co-settlers are not responsible or liable for any loss resulting from the operation of the Scheme beyond the initial contribution of Rs. 25 lakhs made by it towards setting up the Fund.
- The present scheme is not a guaranteed or assured return scheme

Scheme Specific Risk Factors:

Some of the specific risk factors related to the Scheme include, but are not limited to the following:

Investments in equity and equity related securities involve a degree of risk and investors should be aware of the risk of significant erosion / loss in the value of their investments.

Risk Associated with Investing in Equities –

- The value of Scheme's investments may be affected by factors affecting the Securities markets and price and volume volatility in the capital markets, interest rates, currency exchange rates, changes in law/policies of the Government, taxation laws and political, economic or other developments which may have an adverse bearing on individual securities, a specific sector or all sectors. Consequently, the NAV of the units of the Scheme may be affected.
- Equity & Equity related securities are volatile and prone to price fluctuations on a daily basis. The liquidity of investments made in the Scheme may be restricted by trading volumes and settlement periods. Settlement periods may be extended significantly by unforeseen circumstances. The inability of the Scheme to make intended securities purchases due to settlement problems could cause the Scheme to miss certain investment opportunities. Similarly, the inability to sell securities held in the Scheme's portfolio may result, at times, in potential losses to the Scheme, should there be a subsequent decline in the value of securities held in the Scheme's portfolio.
- The liquidity and valuation of the Scheme's investments due to the holdings of unlisted securities may be affected if they have to be sold prior to the target date of disinvestment.
- Securities which are not quoted on the stock exchanges are inherently illiquid in nature and carry a larger liquidity risk in comparison with securities that are listed on the exchanges or offer other exit options to the investors, including put options.
- The liquidity of the Scheme is inherently restricted by trading volumes in securities in which it invests.
- Investment decisions made by the Investment Manager may not always be profitable.

Risk Associated with Investing in Debt and / or Money Market Instruments

Price-Risk or Interest-Rate Risk: Fixed income securities such as bonds, debentures and money market instruments run price-risk or interest-rate risk. Generally, when interest rates rise, prices of existing fixed income securities fall and when interest rates drop, such prices increase. The extent of fall or rise in the prices is a function of the existing coupon, days to maturity and the increase or decrease in the level of interest rates.

Credit Risk: In simple terms this risk means that the issuer of a debenture/ bond or a money market instrument may default on interest payment or even in paying back the principal amount on maturity. Even where no default occurs, the price of a security may go down because the credit rating of an issuer goes down. It must, however, be noted that where the Scheme has invested in Government Securities, there is no credit risk to that extent.

Re-investment Risk: Investments in fixed income securities may carry re-investment risk as interest rates prevailing on the interest or maturity due dates may differ from the original coupon of the bond. Consequently, the proceeds may get invested at a lower rate.

Interest Rate Movement (Basis Risk): The changes in the prevailing rates of interest will likely affect the value of the Scheme's holdings until the next reset date and thus the value of the Schemes' Units will be affected. Increased rates of interest, which frequently accompany inflation and/ or a growing economy, are likely to have a negative effect on the value of the Units. The value of securities held by the Scheme generally will vary inversely with changes in prevailing interest rates.

Spread Risk: In a floating rate security the coupon is expressed in terms of a spread or mark up over the benchmark rate. However depending upon the market conditions the spreads may move adversely or favourably leading to fluctuation in NAV.

To the extent the underlying Mutual Fund Scheme invest in Debt / Money Market Instruments, the Schemes shall be affected by the afore mentioned risk factors viz. Price Risk, Interest Rate Risk, Credit Risk, Reinvestment Risk, Interest Rate Movement Risk, Prepayment and Charge Offs Risk, Spread Risk etc. The Net Asset Value (NAV) of the units of the Scheme is likely to get effected on accounts of such risk factors. Any change in the investment policies or fundamental attributes of any underlying scheme is likely to affect the performance of the Scheme. Further, the liquidity of the Scheme's investments may be inherently restricted by the liquidity of the underlying schemes in which it has invested.

Risks associated with Investing in Derivatives

Derivative products are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the investor. Execution of such strategies depends upon the ability of the fund manager to identify such opportunities. Identification and execution of the strategies to be pursued by the fund manager involve uncertainty and decision of fund manager may not always be profitable. No assurance can be given that the fund manager will be able to identify or execute such strategies.

The risks associated with the use of derivatives are different from or possibly greater than, the risks associated with investing directly in securities and other traditional investments. The AMC may use various derivative products, as permitted by SEBI and the RBI from time to time, in an attempt to optimize the value of the portfolio and enhance Unit holder's interest/value of the Scheme. As and when the Scheme trade in the derivatives market, there are risk factors and issues concerning the use of derivatives that investors should understand. Derivative products are specialized instruments that require investment techniques and risk analyses different from those associated with stocks and bonds. The use of a derivative requires an understanding not only of the underlying instrument but also of the derivative itself. Derivatives require the maintenance of adequate controls to monitor the transactions entered into, the ability to assess the risk that a derivative adds to the portfolio and the ability to forecast price or interest rate movements correctly. There is the possibility that a loss may be sustained by the portfolio as a result of the failure of another party (usually referred to as the "counter party") to comply with the terms of the derivatives contract. The Scheme bears a risk that it may not be able to correctly forecast future market trends or the value of assets, indices or other financial or economic factors in establishing derivative positions for the Scheme. Other risks in using derivatives include the risk of mispricing or

improper valuation of derivatives and the inability of derivatives to correlate in line with underlying assets, rates and indices.

Also, the market for derivative instruments is relatively nascent in India and does not have the volumes which may be seen in other developed markets, which may result in volatility to the values. Derivatives require the maintenance of adequate controls to monitor the transactions and the embedded market risks that a derivative adds to the portfolio. Besides the price of the underlying asset, the volatility, tenor and interest rates affect the pricing of derivatives.

Other risks in using derivatives include but are not limited to:

(a) **Credit Risk** – this occurs when a counterparty defaults on a transaction before settlement and therefore, the Scheme is compelled to negotiate with another counter party, at the then prevailing (possibly unfavorable) market price, in order to maintain the validity of the hedge. For exchange traded derivatives, the risk is mitigated as the exchange provides a guaranteed settlement but one takes the performance risk on the exchange.

(b) **Market Liquidity risk** – this occurs where the derivatives cannot be sold (unwound) at prices that reflect the underlying assets, rates and indices.

(c) **Model Risk** - the risk of mis-pricing or improper valuation of derivatives.

d) **Basis Risk** – this risk arises when the instrument used as a hedge does not match the movement in the instrument/ underlying asset being hedged. The risks may be inter-related also; for e.g. interest rate movements can affect equity prices, which could influence specific issuer/industry assets.

Trading in derivatives carry a high degree of risk although they are traded at a relatively small amount of margin which provides the possibility of great profit or loss in comparison with the principal investment amount. The Scheme may find it difficult or impossible to execute derivative transactions in certain circumstances. For example, when there are insufficient bids or suspension of trading due to price limit or circuit breakers, the Scheme may face a liquidity issue.

Risks associated with Securities Lending

It may be noted that Securities Lending activity would have the inherent probability of collateral value drastically falling in times of strong downward market trends or due to it being comprised of tainted/forged securities, resulting in inadequate value of collateral until such time as that diminution in value is replenished by additional security. It is also possible that the borrowing party and /or the approved intermediary may suddenly suffer severe business setback and become unable to honor its commitments. This along with a simultaneous fall in value of collateral would render potential loss to the Scheme. Besides, there can also be temporary illiquidity of the securities that are lent out and the Scheme may not be able to sell such lent out securities.

Risks associated with Short Selling

Short-selling is the sale of shares that the seller does not own at the time of trading. Instead, he borrows it from someone who already owns it. Later, the short seller buys back the stock he shorted and returns the stock to close out the loan. If the price of the stock has fallen, he can buy the stock back for less than he received for selling it and profits from it (the difference between higher short sale price and the lower purchase price). However, Short positions carry the risk of losing money and these losses may grow theoretically unlimited if the price increases without limit and shall result into major losses in the portfolio. In addition, the short selling will also have the risk of inability to borrow the securities by the seller. Then, it might be possible that the short seller will be required to purchase the securities sold short to cover the short even if the price of the security is higher at the time of the short sale.

If a stock starts to rise and a large number of short sellers try to cover their positions at the same time, it can quickly drive up the price even further. This phenomenon is known as a short squeeze. This might result in major losses in the portfolio.

Risk associated with Investment in foreign securities/overseas investments:

The Scheme may invest up to 20% of its assets in foreign securities. To the extent the assets of the scheme are invested in overseas financial assets, there may be risks associated with currency movements, restrictions on repatriation and transaction procedures in overseas market. Further, the repatriation of capital to India may also be hampered by changes in regulations or political circumstances as well as the application to it of other restrictions on investment. In addition, country risks would include events such as introduction of extraordinary exchange controls, economic deterioration, bi-lateral conflict leading to immobilization of the overseas financial assets and the prevalent tax laws of the respective jurisdiction for execution of trades or otherwise.

As per the extant SEBI (MF) Regulation, the Fund is permitted to invest USD 1 billion. However, the overall limit for the Mutual Fund Industry is USD 7 billion. The Scheme therefore may or may not be able to utilise the limit of USD 1 billion due to the USD 7 billion limit being exhausted by other Mutual Funds. Further, the overall ceiling for investment in overseas Exchange Traded Funds (ETFs) that invests in securities is USD 1 billion subject to a maximum of USD 300 million per mutual fund. As and when the investment limits are breached, the subscriptions into the Scheme shall be suspended till further notice by the AMC.

Ongoing period: During the ongoing period the scheme shall have an investment headroom of 20% of the average AUM of schemes of Principal Mutual Fund in Overseas securities / Overseas ETFs of the previous three calendar months shall be available for that month to invest in Overseas securities / Overseas ETFs subject to maximum limits of USD 1 billion. As and when the investment limits are breached, the subscriptions into the Scheme shall be suspended till further notice by the AMC.

The above limits are subject to change from time to time based on changes in the regulatory requirements.

Currency Risk: The fund may invest in overseas mutual fund / foreign securities as permitted by the concerned regulatory authorities in India. Since the assets will be invested in securities denominated in foreign currencies, the Indian Rupee equivalent of the net assets, distributions and income may be adversely affected by changes/fluctuations in the value of the foreign currencies relative to the Indian Rupee.

Country Risk: The Country risk arises from the inability of a country, to meet its financial obligations. It is the risk encompassing economic, social and political conditions in a foreign country, which might adversely affect foreign investors' financial interests.

Risks associated with investing in Tri-Party Repo through CCIL (TREPS)

Tri-party Repo i.e. TREPS facilitates, borrowing and lending of funds, in Triparty Repo arrangement. CCIL would be the Central Counterparty to all trades from Tri Party Repo Dealing System (TREPS) and would also perform the role and responsibilities of Triparty Repo Agent, in terms of Repurchase Transactions (Repo) (Reserve Bank) Directions, 2018 as amended from time to time. The mutual fund is a member of securities segment and Tri-party Repo trade settlement of the Clearing Corporation of India (CCIL). All TREPS trades are settled anonymously and centrally through the infrastructure and settlement systems provided by CCIL. Further the settlement is guaranteed by CCIL. This is a collateralized investment whereby borrowers have to give adequate amount of securities on which a haircut is applied by CCIL. CCIL periodically prescribes a list of securities eligible for contributions as collateral by members. Presently, all Central Government securities and Treasury bills are accepted as collateral by CCIL. The risk factors may undergo change in case the CCIL notifies securities other than Government of India securities as eligible for contribution as collateral.”

CCIL has several risk management processes in place such as initial margin, borrowing limits, identification of eligible collateral, haircuts on eligible collateral, mark to market margins (MTM) and volatility margin are applicable for Triparty Repo trades. There is a default fund for Triparty Repo trades. The exposure monitoring is online and on a pre-order basis, ensuring that orders can be placed only if the member has sufficient initial margin and/or borrowing limits to support the resultant trades. CCIL may temporarily impose volatility margin in case of a sudden increase in volatility in interest rates. Thus the settlement and counterparty risks are considerably low.

In the event of a clearing member failing to honour his settlement obligations, the default Fund is utilized to handle any shortfall arising out of such default and to complete the settlement. The sequence in which the above resources are used is known as the "Default Waterfall". As per the waterfall mechanism, after the defaulter's margins and the defaulter's contribution to the default fund have been appropriated, CCIL's contribution is used to meet the losses. Post utilization of CCIL's contribution if there is a residual loss, it is appropriated from the default fund contributions of the non-defaulting members. Thus the scheme is subject to risk of the initial margin and default fund contribution being invoked in the event of failure of any settlement obligations. In addition, the fund contribution is allowed to be used to meet the residual loss in case of default by the other clearing member (the defaulting member).

Risks associated with segregated portfolio:

1. Investor holding units of segregated portfolio may not be able to liquidate their holding till the time of recovery of money from the issuer.
2. Security forming part of the segregated portfolio may not realise any value.
3. Listing of units of segregated portfolio in recognised stock exchange does not necessarily guarantee their liquidity. There may not be active trading of units in the stock market. Further trading price of units on the stock market may be significantly lower than the prevailing NAV.
4. Trading in the units of segregated portfolio on the Exchange may be halted because of market conditions, including any halt in the operations of Depository Participants or for reasons that in view of the Exchange Authorities or SEBI, trading in the units is suspended and/or restricted. In addition, trading in units is subject to trading halts caused by extraordinary market volatility and pursuant to stock exchange rules of 'circuit filter'. There can be no assurance that the requirements of Stock Exchange necessary to maintain the listing of units of scheme will continue to be met or will remain unchanged.

RISK CONTROL

Since investing requires disciplined risk management, the AMC has incorporated adequate safeguards for controlling risks in the portfolio construction process. The risk control process involves reducing risks through portfolio diversification, taking care however not to dilute returns in the process. The AMC believes that this diversification would help achieve the desired level of consistency in returns. The AMC may also implement certain internal control procedures / risk & exposure limits etc., which may be varied from time to time.

The AMC aims to identify securities, which offer superior levels of yield at lower levels of risks. With the aim of controlling risks, rigorous in-depth credit evaluation of the securities proposed to be invested in, will be carried out by the investment team of the AMC.

The Scheme may also use various derivatives and hedging products from time to time, as would be available and permitted by SEBI/RBI, in an attempt to protect the value of the portfolio and enhance Unitholders' interest.

B. REQUIREMENT OF MINIMUM NUMBER OF INVESTORS

The Scheme shall have a minimum of 20 investors and no single investor shall account for more than 25% of the corpus of the Scheme. However, if such limit is breached during the NFO of the Scheme, the Fund will endeavour to ensure that within a period of three months or the end of the succeeding calendar quarter from the close of the NFO of the Scheme, whichever is earlier, the Scheme complies with these two conditions. In case the Scheme does not have a minimum of 20 investors in the stipulated period, the provisions of Regulation 39(2)(c) of the SEBI (MF) Regulations would become applicable automatically without any reference from SEBI and accordingly the Scheme shall be wound up and the units would be redeemed at applicable NAV. The two conditions mentioned above shall also be complied within each subsequent calendar quarter thereafter, on an average basis, as specified by SEBI. If there is a breach of the 25% limit by any investor over the quarter, a rebalancing period of one month would be allowed and thereafter the investor who is in breach of the rule shall be given 15 days' notice to redeem his exposure over the 25 % limit. Failure on the part of the said investor to redeem his exposure over the 25 % limit within the aforesaid 15 days would lead to automatic redemption by the Mutual Fund on the applicable Net Asset Value on the 15th day of the notice period. The Fund shall adhere to the requirements prescribed by SEBI from time to time in this regard.

C. SPECIAL CONSIDERATIONS, IF ANY

Mutual funds carry normal market risks and there can be no assurance and no guarantee that the Scheme will achieve its objective. It is recommended that an investment in the Scheme should not constitute a substantial proportion of an investment portfolio and may not be appropriate for all, as investment decisions made by the AMC will not always be profitable or prove to be correct. As with any investment in stocks and securities, the NAV of the Units under the Scheme can go up or down, depending on the factors and forces affecting the capital markets. Past performance of the schemes of Principal Mutual Fund, the Sponsor or its Group affiliates is not indicative of and does not guarantee the future performance of the Scheme. The name of the Scheme does not in any manner indicate the quality of the Scheme, its future prospects or the returns. Units may trade at a premium/discount to the Scheme's NAV. The Scheme is not intended as a complete investment program. Investors, therefore, are urged to study the terms of this offer carefully and consult their Investment Advisor before they invest in the Scheme. Investors'/unitholders' attention is drawn to the risk factors set out in the beginning of this Scheme Information Document and also to the following specific risks:

Regulatory Risks: Neither this SID nor the Units have been registered in any jurisdiction. The distribution of this SID in certain jurisdictions may be restricted or subject to registration requirements and, accordingly, persons who come into possession of this SID are required to inform themselves about, and to observe, any such restrictions. No person receiving a copy of this Scheme Information Document or any accompanying application form in such jurisdiction may treat this SID or such application form as constituting an invitation to them to subscribe for Units, nor should they in any event use any such application form, unless in the relevant jurisdiction such an invitation could lawfully be made to them and such application form could lawfully be used without compliance with any registration or other legal requirements. Accordingly, this Scheme Information Document does not constitute an offer or solicitation by anyone in any jurisdiction in which such offer or solicitation is not lawful or in which the person making such offer or solicitation is not qualified to do so or to anyone to whom it is unlawful to make such offer or solicitation. It is the responsibility of any persons in possession of this Scheme Information Document and any persons wishing to apply for Units pursuant to this Scheme Information Document to inform themselves of and to observe, all applicable laws and Regulations of such relevant jurisdiction.

Prospective investors should review/study this SID along with SAI and KIM carefully and in its entirety and shall not construe the contents hereof or regard the summaries contained herein as advice relating to legal, taxation, or financial/investment matters and are advised to consult their own professional advisor(s) as to the legal or any other requirements or restrictions relating to the subscription, gifting, acquisition, holding, disposal (sale, transfer, switch or redemption or conversion into money) of Units and to the treatment of income (if any), capitalization, capital gains, any distribution, and other tax consequences relevant to their subscription, acquisition, holding, capitalization, disposal (sale, transfer, switch or redemption or conversion into money) of Units within their jurisdiction/of nationality, residence, domicile etc. or under the laws of any jurisdiction to which they or any managed Funds to be used to purchase/gift Units are subject, and (also) to determine possible legal, tax, financial or other consequences of subscribing/gifting to, purchasing or holding Units before making an application for Units.

No person has been authorized to give any information or to make any representations not confirmed in this SID in connection with the Offer of Units, and any information or representations not contained herein must not be relied upon as having been authorized by the Mutual Fund or the AMC or the Trustee. Statements made in this SID are based on the law and practice currently in force in India and are subject to change therein. Neither the delivery of this SID nor any sale made hereunder shall, under any circumstances, create any impression that the information herein is correct as of any time subsequent to the date hereof.

Performance Risk: The value of (and income from) an investment in the Scheme can decrease as well as increase, depending on a variety of factors, which may affect the values and income generated by a Scheme's portfolio of securities. The returns of a Scheme's investments are based on the current yields of the securities, which may be affected generally by factors affecting capital markets such as price and volume, volatility in the stock markets, interest rates, currency exchange rates, changes in government and Reserve Bank of India policy, taxation, political, economic or other developments and closure of the stock exchanges. Investors should understand that the investment composition indicated for the Scheme, in line with prevailing market conditions, is only a hypothetical example as all investments involve risk and there can be no assurance that the scheme's investment objective will be attained nor will the Scheme be in a position to maintain the model percentage of investment pattern/composition particularly under exceptional circumstances such that the interest of the unitholders are protected.

Changes in the prevailing rates of interest are likely to affect the value of the scheme investments and thus the value of the scheme's units. The value of money market/debt instruments held by the scheme generally will vary inversely with the changes in prevailing interest rates. The AMC, while investing in fixed-income instruments like debt, etc., shall consider and evaluate the risk of an issuer's ability to meet principal and interest payments (credit risk) and also the price volatility due to such factors as interest sensitivity, market perception or the creditworthiness of the issuer and general market liquidity (market risk). While it is the intent of the AMC to invest primarily in more highly rated debt securities and highly researched growth companies, the scheme may from time to time invest in high yielding/growth, lower rated and/or privately placed/unlisted/securitised securities. Lower rated or unrated securities are more likely to react to developments affecting market and credit risk than highly rated securities. The credit risk factors pertaining to lower rated securities also apply to lower rated zero coupon, deferred interest bonds.

Techniques Risk: The Scheme may use techniques and instruments that may be permitted and/or that may become permissible under SEBI/RBI Regulations and/or Regulations and/or statutory modification or re-enactment thereof for efficient portfolio management and to attempt to hedge or reduce the risk of such fluctuation. However, these techniques and instruments, if imperfectly used have the risk of the scheme incurring losses due to mismatches particularly in a volatile market. The Fund's ability to use these techniques may be limited by market conditions, regulatory limits and tax considerations (if any). The use of these techniques is dependent on the ability to predict movements in the prices of securities being hedged and movements in interest rates. There exists an imperfect correlation between the hedging instruments and the securities or market sectors being hedged. Besides, the fact that skills needed to use these instruments are different from those needed to select the Fund's/Scheme's securities. There is a possible absence of a liquid market for any particular instrument at any particular time even though the futures and options may be bought and sold on an organized stock exchange. The use of these techniques involves possible impediments to effective portfolio management or the ability to meet repurchase/redemption requests or other short-term obligations because of the percentage of the Scheme's assets segregated to cover its obligations.

Political Risk: Whereas the Indian market was formerly restrictive, a process of deregulation has been taking place over recent years. This process has involved the removal of trade barriers and other protectionist measures, which could adversely affect the value of investments. It is possible that future changes in the Indian political situation, including political, social, or economic instability, diplomatic developments and changes in laws or regulations could have an effect on the value of investments. Expropriation, confiscatory taxation, or other relevant developments could also affect the value of investments.

Liquidity and Settlement Risks: The liquidity of the Scheme's investments may be inherently restricted by trading volumes, transfer procedures and settlement periods. From time to time, the Scheme will invest in certain securities of certain companies, industries, sectors etc. based on certain investment parameters as adopted internally by AMC. While at all times the Trustees and the AMC will endeavor that excessive holding/investment in certain securities of industries, sectors, etc. by the Scheme be avoided, the assets invested by the Scheme in certain securities of industries, sectors, etc. may acquire a substantial portion of the Scheme's investment portfolio and collectively may constitute a risk associated with non-diversification and thus could affect the value of investments. The Scheme may have difficulty in disposing of certain securities because the security may be unlisted, due to greater price fluctuations there may be a thin trading market, different settlement periods and transfer procedures for a particular security at any given time. Settlement if accomplished through physical delivery of stock certificates is labour and paper intensive and may affect the liquidity. It should be noted that the Fund bears the risk of purchasing fraudulent or tainted papers. The secondary market for money market securities does exist, but is generally not as liquid as the secondary market for other securities. Reduced liquidity in the secondary market may have an adverse impact on market price and the Scheme's ability to dispose of particular securities, when necessary, to meet the Scheme's liquidity needs or in response to a specific economic event, such as the deterioration in the creditworthiness of the issuer, etc. or during restructuring of the Scheme's investment portfolio. Furthermore, from time to time, the AMC, the Custodian, the Registrar, any Associate, any distributor, dealer, any company, corporate body, trust, any scheme/Mutual Fund managed by the AMC or by any other AMC may invest in the Scheme. While at all times the Trustees and the AMC will endeavor that excessive holding of Units in the Scheme among a few unit holders is avoided, however, the amounts invested by these aforesaid persons may acquire a substantial portion of the Scheme's outstanding Units and collectively may constitute a majority unit holder in the Scheme. Accordingly, redemption of Units held by such persons may have an adverse impact on the value of the redemption and may impact the ability of the unit holders to redeem their respective Units.

SECTION III. INFORMATION ABOUT THE SCHEME

A. TYPE OF THE SCHEME

An Open-ended Equity scheme predominantly investing in Large Cap Companies.

B. WHAT IS THE INVESTMENT OBJECTIVE OF THE SCHEME?

To achieve long term capital appreciation by investing in a diversified portfolio predominantly consisting of equity and equity related securities of Large Cap companies including derivatives. However, there can be no assurance that the investment objective of the Scheme will be achieved.

C. HOW WILL THE SCHEME ALLOCATE ITS ASSETS?

Under normal circumstances, the funds of the scheme shall be invested as per the asset allocation table given below:

Instruments	Indicative allocations (% of net assets)		Risk Profile
	Minimum	Maximum	High/Medium/Low
Equity and equity related instruments of Large Cap Companies	80	100	High
Equity and equity related instruments of Other than Large cap Companies	0	20	High
Debt and Money Market Instruments including units of debt & liquid schemes	0	20	Low to Medium

Investment universe of Large Cap Companies:

• The fund will predominantly invest in Large cap stocks as defined by SEBI from time to time. In terms of SEBI circular SEBI/ HO/ IMD/ DF3/ CIR/ P/ 2017/ 114 dated October 6, 2017, the universe of “Large Cap” shall consist of 1st to 100th company in terms of full market capitalization and that the Scheme will be required to adhere the following:

- The list of stocks of Large Cap companies prepared by AMFI in this regard will be adopted.
- The said list would be uploaded on the AMFI website and would be updated periodically as specified by SEBI.
- Subsequent to any updation in the said list as uploaded by AMFI, the portfolio of the Scheme will be rebalanced within a period of one month.

The Scheme will invest predominantly in Equity and Equity Related Instruments of Large Cap companies as defined above.

Investment in foreign securities shall not exceed 20% of the net assets of the Scheme.

The cumulative gross exposure through equity, debt, derivative positions (including commodity and fixed income derivatives) and other permitted securities/assets and such other securities/assets as may be permitted by the Board from time to time should not exceed 100% of the net assets of the scheme. However, cash or cash equivalents with residual maturity of less than 91 days shall be treated as not creating any exposure.

The scheme may invest in derivatives including single stock options/ futures and index options/ futures. The index options/ futures may be on a broad market index/ sector index. The exposure to derivatives will not exceed 50% of the net assets of the scheme.

The Scheme does not seek to participate/ invest in

- repo/reverse repo in corporate debt securities.
- credit default swaps.
- Securitized debt

- Debt instruments having Structured Obligations / Credit Enhancements.

The Scheme may engage in short selling of securities in accordance with the framework relating to short selling and securities lending and borrowing specified by SEBI.

Not more than 20% of the net assets of the scheme can be deployed in stock lending. The scheme would limit its exposure, with regards to securities lending, for a single intermediary, to the extent of 5% of the total net assets of the scheme at the time of lending.

Due to market conditions, the AMC may invest beyond the range set out above. Such deviations shall normally be for a short-term purpose only for defensive considerations and such deviation shall be subjected to 30 calendar days rebalancing period. Further, in case the portfolio is not rebalanced within the period of 30 days, justification for the same shall be placed before the investment committee and reasons for the same shall be recorded in writing. The investment committee shall then decide on the course of action.

D. Investment Process

There is separate team for investment in fixed income instruments & equities. The team works under the supervision of Chief Investment Officer (CIO). CIO is overall in charge for the Fund's investment.

The Fund Manager will carry out the daily investment activities within the framework of SEBI guidelines in accordance with the investment objective as per the Scheme Information Document. The Board of AMC and Trustee shall review the performance of the Scheme in comparison to corresponding schemes of other mutual funds with similar investment objective and asset profile generally. The performance of the Scheme will be compared with benchmark.

Review by Board of AMC and Trustees

A detailed review of the schemes of the Fund including its performance vis-à-vis benchmark index, assets size, rankings/ratings received, if any is placed before the Board of Directors of AMC and to the Trustee on a quarterly basis.

STOCK LENDING BY THE MUTUAL FUND

Stock Lending means the lending of stock to another person or entity for a fixed period of time, at a negotiated compensation in order to enhance returns of the portfolio. The securities lent are to be returned by the borrower on the expiry of the stipulated period.

To augment revenue generation the Scheme may lend the securities held by it to eligible brokers, dealers, financial institutions through approved intermediaries, in amounts up to 20% of its total net assets at the time of lending, in accordance with the terms of the Securities Lending Scheme announced by SEBI. The Fund may enter into an agreement with the approved intermediary for depositing the securities for the purpose of lending through the approved intermediary on satisfactory terms as to security.

The Scheme would limit its exposure, with regard to securities lending, for a single intermediary, other than the National Securities Clearing Corporation Ltd (NSCCL) to the extent of 5% of the total net assets of the Scheme at the time of lending. For NSCCL such exposure limit would be upto 20% of the total net assets of the Scheme. Collateral must be obtained by the approved intermediary for the lending transactions and this collateral must exceed in value of the Securities lent. The collateral can be in the form of cash, bank guarantee, government securities, certificate of deposits or other securities as may be agreed upon with the approved intermediary. It should be noted that any default/delay by the parties to return the securities lent to them may have an adverse impact on the net assets (and consequently the performance) of the Scheme.

D. WHERE WILL THE SCHEME INVEST?

The scheme shall primarily invest in:

- Equity and equity related instruments
- Debt and Money Market Instruments including units of debt & liquid schemes.

Detailed description of securities:-

- a. Equity and equity-related Securities would mean but not limited to derivatives (stock futures/ index futures and other such permitted derivative instruments including options), equity warrants and convertible instruments.
The securities mentioned above could be listed or unlisted, secured or unsecured, and of varying maturity, as enabled under SEBI (MF) Regulations/circulars/ RBI. The securities may be acquired through Initial Public Offerings (IPOs), secondary market operations, private placement, rights offers or negotiated deals. Investment is also allowed Securities listed on SME platform of NSE and BSE.
 - b. Securities created and issued by the Central and State Governments and/or repos/reverse repos in such Government Securities as may be permitted by RBI (including but not limited to coupon bearing bonds, zero coupon bonds and treasury bills).
 - c. Securities guaranteed by the Central and State Governments (including but not limited to coupon bearing bonds, zero coupon bonds and treasury bills).
 - d. Debt securities issued by domestic Government agencies and statutory bodies, which may or may not carry a Central/State Government guarantee.
 - e. Corporate debt and Debentures (of both public and private sector undertakings).
 - f. Money Market Instruments include commercial papers, commercial bills, treasury bills, Government of India Securities having an unexpired maturity upto one year, call or notice money, certificates of deposit, Repos, Reverse Repos, Tri-party Repo and any other like instruments as specified by Reserve Bank of India from time to time.
 - g. Certificate of Deposits.
 - h. Scheme may also invest a part of its assets in financial derivatives such as options and futures & Interest Rate Swaps (IRS) (comprising of government securities) that are permitted or may become permissible under SEBI/RBI Regulations.
 - i. The Scheme may invest a part of its corpus in Debt and Money Market Securities/Units of Liquid/Money Market/Debt Mutual Fund Schemes. However, due to market conditions, the AMC may invest beyond the range set out above. Such deviations shall normally be for a short term defensive considerations, and the intention being at all times to protect the interests of the Unit Holder and such deviation shall be subjected to 30 calendar days rebalancing period. Further, in case the portfolio is not rebalanced within the period of 30 days, justification for the same shall be placed before the investment committee and reasons for the same shall be recorded in writing. The investment committee shall then decide on the course of action.
 - j. Securities Lending & Borrowing as permitted by SEBI from time to time.
 - k. The Scheme may also invest in suitable investment avenues in overseas financial markets for the purpose of diversification, commensurate with the Scheme objectives and subject to the provisions of SEBI Circular No. SEBI/ IMD/ CIR No.7/104753/07 dated September 26, 2007, SEBI Circular SEBI/HO/IMD/DF3/CIR/P/2020/225 dated November 05, 2020 and SEBI Circular SEBI/HO/IMD/IMD - II/DOF3/P/CIR/2021/571 dated June 03, 2021 , the Fund is permitted to invest only up to US\$ 1 billion in identified overseas securities. Such limit and/or identified securities may be revised at the discretion of the Fund in alignment with the provision that may be prescribed in this regard by SEBI/RBI from time to time.
- As per the extant SEBI (MF) Regulation, the Fund is permitted to invest USD 1 billion. However, the overall limit for the Mutual Fund Industry is USD 7 billion. The Scheme therefore may or may not be able to utilise the limit of USD 1 billion due to the USD 7 billion limit being exhausted by other Mutual Funds. Further, the overall ceiling for investment in overseas Exchange Traded Funds (ETFs) that invests in securities is USD 1 billion subject to a maximum of USD 300 million per mutual fund. As and when the investment limits are breached, the subscriptions into the Scheme shall be suspended till further notice by the AMC.
- Ongoing period: During the ongoing period the scheme shall have an investment headroom of 20% of the average AUM of schemes of Principal Mutual Fund in Overseas securities / Overseas ETFs of the previous three calendar months shall be available for that month to invest in Overseas securities / Overseas ETFs subject to maximum limits of USD 1 billion. As and when the investment limits are breached, the subscriptions into the Scheme shall be suspended till further notice by the AMC.

The above limits are subject to change from time to time based on changes in the regulatory requirements.

Depository

Securities of the Scheme may be held in dematerialised form. In case the securities are held in dematerialized (electronic) mode, the rules of the Securities and Exchange Board of India (Depositories and Participants) Regulations, 1996, would apply. The service charges payable to the Depository Participant will form a part of the annual recurring expenses.

E. WHAT ARE THE INVESTMENT STRATEGIES?

The strategy would endeavor to build a diversified portfolio of large cap companies across sectors. The universe for the large cap companies would be defined according to the extant SEBI guidelines. The stock selection process would follow a combination of a bottom up and top down approach with a focus on the fundamentals, current valuations and the growth potential of the company. While analyzing companies, the fund manager may look at the company's business model, its financial strength, the competitive advantages it enjoys, its return ratios etc. The fund identifies companies through rigorous fundamental analysis using both proprietary in house and third party research. The fund may also invest upto 20% of the portfolio in foreign companies.

Trading in Derivatives

The Scheme may take derivatives position based on the opportunities available subject to the guidelines provided by SEBI from time to time and in line with the overall investment objective of the Scheme. SEBI has vide its Circulars inter alia, DNP/DCir-29/2005 dated September 14, 2005 and DNP/DCir-30/2006 dated January 20, 2006 and CIR/IMD/DF/11/2010 dated August 18, 2010, specified the guidelines pertaining to trading by Mutual Fund in Exchange traded derivatives and SEBI Circular DNP/DCir-31/2006 dated September 22, 2006 modifying the position limits for Index derivative contracts.

A derivative is an instrument whose value is derived from the value of one or more of the underlying assets which can be commodities, precious metals, bonds, currency, etc. Common examples of Derivative instruments are Interest Rate Swaps, Forward Rate Agreements, Futures, Options, etc.

In case of equity derivatives, the Scheme may transact in exchange traded equity derivatives only and these instruments may take the form of Index Futures, Index Options, Futures and Options on individual equities/securities and such other derivative instruments as may be appropriate and permitted under the SEBI Regulations and guidelines from time to time.

Derivative positions taken would be guided by the following principles:

Exposure to Equity Derivatives

The net derivatives position in the Scheme(s) may be up to the limit as set forth in the asset allocation pattern of the Scheme, subject to the following regulatory limits:

i. Position limit for the Mutual Fund in index options contracts:

- a.** The Mutual Fund position limit in all index options contracts on a particular underlying index shall be Rs.500 crore or 15% of the total open interest in the market in index options, whichever is higher, per Stock Exchange.
- b.** This limit would be applicable on open positions in all options contracts on a particular underlying index.

ii. Position limit for the Mutual Fund in index futures contracts:

- a.** The Mutual Fund position limit in all index futures contracts on a particular underlying index shall be Rs.500 crore or 15% of the total open interest in the market in index futures, whichever is higher, per Stock Exchange.
- b.** This limit would be applicable on open positions in all futures contracts on a particular underlying index.

iii. Additional position limit for hedging:

In addition to the position limits at point (i) and (ii) above, Fund may take exposure in equity index derivatives subject to the following limits:

- a.** Short positions in index derivatives (short futures and long puts) shall not exceed (in notional value) the Mutual Fund's holding of stocks.
- b.** Long positions in index derivatives (long futures and long calls) shall not exceed (in notional value) the Mutual Fund's holding of cash, government securities, T-Bills and similar instruments.

iv. Position limit for the Mutual Fund for stock based derivative contracts:

The Mutual Fund position limit in a derivative contract on a particular underlying stock, i.e. stock option contracts and stock futures contracts:

- The combined futures and options position limit shall be 20% of the applicable Market Wide Position Limit (MWPL).

v. Position limit for the Scheme:

The position limits for the Scheme and disclosure requirements are as follows:

a. For stock option and stock futures contracts, the gross open position across all derivative contracts on a particular underlying stock of a scheme of a Fund shall not exceed the higher of :1% of free float market capitalization (in terms of number of shares).

Or

5% of the open interest in the derivative contracts on a particular underlying stock (in terms of number of contracts).

b. This position limit shall be applicable on the combined position in all derivative contracts on an underlying stock at a Stock Exchange.

c. For index based contracts, the Mutual Fund shall disclose the total open interest held by its scheme or all schemes put together in a particular underlying index, if such open interest equals to or exceeds 15% of the open interest of all derivative contracts on that underlying index.

As and when SEBI notifies amended limits in position limits for exchange traded derivative contracts in future, the aforesaid position limits, to the extent relevant, shall be read as if they were substituted with the SEBI amended limits.

The Scheme(s) may purchase call and put options in securities in which it invests and on securities indices. Through the sale and purchase of futures contracts the Fund would seek to hedge against a decline in securities owned by the Fund or an increase in the prices of securities which the Fund plans to purchase. The Fund would sell futures contracts on securities indices in anticipation of a fall in stock prices, to offset a decline in the value of its equity portfolio. When this type of hedging is successful, the futures contract increase in value while the Fund's investment portfolio declines in value and thereby keep the Fund's net asset value from declining as much as it otherwise would. Similarly, when the Fund is not fully invested, and an increase in the price of equities is expected, the Fund would purchase futures contracts to gain rapid market exposure that may partially or entirely offset increase in the cost of the equity securities it intends to purchase. In certain cases the Fund might invest in futures contracts as against underlying cash stocks for reasons of liquidity and lower impact costs.

Stock and Index Futures

Hedging against an anticipated rise in equity prices:-

The scheme has a corpus of Rs.100 crores and has cash of Rs.15 crores available to invest. The Fund may buy index/stock futures of a value of Rs.15 crores. The scheme may reduce the exposure to the future contract by taking an offsetting position as investments are made in the equities; the scheme wants to invest in. Here, if the market rises, the scheme gains by having invested in the index futures.

Hedging against anticipated fall in equity prices:-

If the Fund has a negative view on the market and would not like to sell stocks as the market might be weak, the scheme of the Fund can go short on index/stock futures. Later, the scheme can unwind the future positions. A short position in the future would offset the long position in the underlying stocks and this can curtail potential loss in the portfolio. The Fund's successful use of futures contracts is subject to the Fund Manager's ability to predict correctly the market factor affecting the market value of the Fund's portfolio securities. For example if a Fund is hedged against a fall in the securities using a short position in index futures, and the market instead rises, the Fund loses part or all of the benefit of the increase in securities prices on account of the offset losses in index futures. Imperfect co-relation between the price movements in the securities index on the one hand and the stocks held by the Fund or the futures contracts itself on the other hand may result in trading losses. The Fund may not be able to close an open futures position due to insufficient liquidity in the futures market. Under such circumstances, the Fund would be required to make daily cash payments of variation margin in the event of adverse price movements. If the Fund has insufficient cash, the Fund may be required to sell portfolio securities to meet daily variation margin requirement at a time when it may be disadvantageous to do so.

A hedge is designed to offset a loss on a portfolio with a gain in the hedge position. At the same time, however, a properly correlated hedge will result in a gain in the portfolio position being offset by a loss in the hedge position. As a result the use of derivatives could limit any potential gain from an increase in value of the position hedged. In addition, an exposure to derivatives in excess of the hedging requirement can lead to losses.

Stock and Index Options: Option contracts are of two types - Call and Put; the former being the right, but not obligation, to purchase a prescribed number of shares at a specified price before or on a specific expiration date and the latter being the right, but not obligation, to sell a prescribed number of shares at a specified price before or on a specific expiration date. The price at which the shares are contracted to be purchased or sold is called the strike price. Options that can be exercised on or before the expiration date are called American Options, while those that can be exercised only on the expiration date are called European Options. In India, all individual stock options are American Options, whereas all index options are European Options. Option contracts are designated by the type of option, name of the underlying, expiry month and the strike price.

Example for Options:

Buying a Call Option: Let us assume that the Fund buys a call option of XYZ Ltd. with strike price of Rs.1000/-, at a premium of Rs.25/-. If the market price of ABC Ltd on the expiration date is more than R1000/-, the option will be exercised. The Fund will earn profits once the share price crosses Rs.1025/- (Strike Price + Premium i.e. 1000+25). Suppose the price of the stock is Rs.1100/-, the option will be exercised and the Fund will buy 1 share of XYZ Ltd. from the seller of the option at Rs.1000/- and sell it in the market at Rs.1100/-, making a profit of Rs.75/-. In another scenario, if on the expiration date the stock price falls below Rs.1000/-, say it touches Rs.900/-, the Fund will choose not to exercise the option. In this case the Fund loses the premium (Rs.25), which will be the profit earned by the seller of the call option.

Buying a Put Option: Let us assume the Fund owns the shares of XYZ Ltd, which is trading at Rs.500/-. The fund wishes to hedge this position in the short-term as it perceives some downside to the stock in the short-term. It can buy a Put Option at R500 by paying a premium of say Rs.10/- In case the stock goes down to Rs.450/- the fund has protected its downside to only the premium i.e Rs.10/- instead of Rs.50/-. On the contrary if the stock moves up to say Rs.550/- the fund may let the Option expire and forego the premium thereby capturing R40/- upside. The strategy is useful for downside protection at cost of foregoing some upside.

For an option buyer, loss is limited to the premium that he has paid and gains are unlimited.

The above example is hypothetical in nature and all figures are assumed for the purpose of illustrating the use of call options in individual stocks. Similar analogy can be used for Index Options too when the fund wishes to hedge a part of the total portfolio or cash.

Portfolio Turnover : Portfolio Turnover is the aggregate volume of purchases and sales as a percentage of the corpus of the scheme during a specified period of time. The portfolio turnover in the Scheme will be a function of inflows, outflows as well as market opportunities available to the Fund Manager. Consecutively it is difficult to estimate with any reasonable measure of accuracy, the likely turnover in the portfolios. It will be the endeavor of the Fund Manager to keep the portfolio turnover rates low. Active asset allocation would impact portfolio turnover. There may be trading opportunities that present themselves from time to time where, in the opinion of the Fund Manager, there is an opportunity to enhance the total returns of the portfolio. The Fund Manager will endeavor to balance the increased cost on account of higher portfolio turnover, if any, with benefits likely to be derived from such an approach.

Portfolio Turnover Ratio of the Scheme as on September 30, 2021: 0.23

F. FUNDAMENTAL ATTRIBUTES

J. WHAT ARE THE INVESTMENT RESTRICTIONS?

Following Investment limitations/restrictions are applicable to the Scheme -

- A mutual fund scheme shall not invest more than 10% of its NAV in debt instruments comprising money market instruments and non-money market instruments issued by a single issuer which are rated not below investment grade by a credit rating agency authorised to carry out such activity under the Act. Such investment limit may be extended to 12% of the NAV of the scheme with the prior approval of the Board of Trustees and the Board of directors of the asset management company:
 Provided that such limit shall not be applicable for investments in Government Securities, treasury bills and collateralized borrowing and lending obligations:
 Provided further that investment within such limit can be made in mortgaged backed securitised debt which are rated not below investment grade by a credit rating agency registered with the Board:
 Provided further that such limit shall not be applicable for investments in case of debt exchange traded funds or such other funds as may be specified by the Board from time to time.
- The scheme shall not invest in unlisted debt instruments including commercial papers except for government securities, other money market instruments and derivative products used by mutual funds for hedging.
 Provided that mutual fund schemes may invest in unlisted Non-Convertible Debentures (NCDs) not exceeding 10% of the debt portfolio of the scheme subject to the condition as may be specified by SEBI from time to time.
 For the above clause, listed debt instruments shall include listed and to be listed debt instruments.
 Investments in CPs will be made only in CPs which are listed or to be listed
 The Scheme shall not invest more than 5% of its NAV in unrated debt instruments. Investments will only be made in such instruments, including bills re-discounting, usance bills, etc., that are generally not rated and for which separate investment norms or limits are not provided in SEBI (Mutual Fund) Regulations, 1996 and various circulars issued thereunder. Investments in unrated debt instruments shall be subject to norms and guidelines as specified by SEBI from time to time. All such investments shall be made with the prior approval of the Board of Trustees and the Board of AMC.
 Further the investments by the Scheme shall be in compliance with SEBI circular no. SEBI/HO/IMD/DF2/CIR/P/2019/104 dated October 1, 2019 and as amended by SEBI from time to time.

Provided further that the Scheme may also enter into derivatives transactions in a recognized stock exchange, subject to the framework specified by SEBI. Provided further that sale of government security already contracted for purchase shall be permitted in accordance with the guidelines issued by the Reserve Bank of India in this regard.
- Provided that a mutual fund may engage in short selling of securities in accordance with the framework relating to short selling and securities lending and borrowing specified by SEBI.
- The Mutual Fund shall get the securities purchased or transferred in the name of the Mutual Fund on account of the concerned scheme, wherever investments are intended to be of long-term nature.

- The Fund under all its Schemes should not own more than 10% of any company's paid up capital carrying voting rights.
- The Scheme shall not make any investment in:
 - any unlisted security of an associate or group company of the sponsor; or
 - any security issued by way of private placement by an associate or group company of the sponsor; or
 - the listed securities of group companies of the sponsor which is in excess of 25% of the net assets
- Transfers of investments from one scheme to another scheme of Principal Mutual Fund shall be allowed only if:
 - (a) The transfer is in adherence with the SEBI circular no. SEBI/HO/IMD/DF4/CIR/P/2020/202 dated October 08, 2020. Key requirements of the circular are stated below:
 - IST shall be permitted only if other resources such as cash and cash equivalent, market borrowing, and selling securities in the market are exhausted.
 - ISTs will be permitted for the rebalancing of a portfolio only if there is a passive breach of regulatory limits or where duration, issuer, sector, and group rebalancing are required in both the transferor and transferee schemes.
 - No inter-scheme transfer of a security shall be allowed, if there is negative news or rumour in the mainstream media or an alert is generated about the security, based on internal credit risk assessment.
 - If the security gets downgraded within a period of four months following such a transfer, the fund manager of the buying scheme will have to provide detailed justification to the trustees for buying such a security.
 - (b) The securities so transferred shall be in conformity with the investment objective of the scheme to which such transfer has been made.
 - (c) Such transfer shall be carried out at the price obtained from valuation agencies in accordance with the guidelines provided in the SEBI circular no. SEBI/HO/IMD/DF4/CIR/P/2019/102 dated September 24, 2019.
 - (d) If prices are not received from any valuation agencies within the turn-around-time, such transfers shall be done at the prevailing market price for quoted instruments on spot basis.
[Explanation - "Spot basis" shall have same meaning as specified by stock exchange for spot transactions.]
- The Scheme may invest in another scheme under the same asset management company or any other mutual fund without charging any fees, provided that aggregate interscheme investment made by all schemes under the same management or in schemes under the management of any other asset management company shall not exceed 5% of the net asset value of the mutual fund.
- The Scheme will comply with provisions specified in Circular dated August 18, 2010 related to overall exposure limits applicable for derivative transactions as stated below:

SECTION IV: UNITS AND OFFER

This section provides details you need to know for investing in the scheme.

A. New Fund Offer (NFO)

This section does not apply to the scheme covered in this Scheme Information Document, as the ongoing offer of the scheme has commenced after the NFO, and the units are available for continuous subscription and redemption.

B. Ongoing Offer Details

<p>Ongoing Offer Period This is the date from which the scheme will reopen for subscriptions/redemptions after the closure of the NFO period</p>	<p>The date of inception of both Regular Plan and Direct Plan under the Scheme is October 19, 2020.</p> <p>The Scheme being open ended scheme, investors can subscribe to the units of the scheme on an ongoing basis. To provide liquidity to the investors, the Scheme will offer for Redemption / Switch-out of Units at NAV based prices on every Business Day on an ongoing basis</p>
<p>Ongoing price for subscription (purchase)/switch-in (from other schemes/plans of the mutual fund) by investors. This is the price you need to pay for purchase/switch-in. <i>Example: If the applicable NAV is Rs. 10, entry load is 2% then sales price will be:</i> R 10*(1+0.02)= Rs. 10.20</p>	<p>At applicable NAV</p>
<p>Plans / Options offered</p>	<p>The Scheme will have two Plans i.e. Regular Plan & Direct Plan. Both the Plans, offer two Options viz. Dividend and Growth Option. Further, Dividend option will have the facility of Payout of Income Distribution cum capital withdrawal option – IDCW Payout and Reinvestment of Income Distribution cum capital withdrawal option – IDCW Re-investment.</p> <p>The Investment Options (Regular and Direct Plan) will share a common portfolio</p> <p>Regular Plan:</p> <p>Investors opting to invest through a Distributor shall be allotted units under the Regular Plan. Kindly ensure that a Distributor code is provided in the relevant space on the application form. In the absence of the Distributor Code, the application will be processed under the DIRECT Plan, by default.</p> <p>Direct Plan:</p> <p>“Direct Plan” is only for investors who purchase /subscribe Units in a Scheme directly with the Fund. This plan is not available for investors who wish to purchase/ subscribe units through a Distributor. All categories of investors (whether existing or new Unitholders) as permitted under the Scheme Information Document of the Scheme are eligible to subscribe under Direct</p>

Plan. Investments under Direct Plan can be made through various modes offered by the Mutual Fund for investing directly with the Mutual Fund subject to availability of the facility to invest in Direct Plan under that mode. .

Investors desirous of subscribing under Direct Plan of a Scheme will have to ensure to indicate “Direct Plan” against the Scheme name in the application form.

Dividend Option also known as Income Distribution cum capital withdrawal option (IDCW):

Under Dividend Option, dividend will be declared subject to availability of distributable surplus and at discretion of AMC / Trustee. The undistributed portion of the income will remain in the Option and be reflected in the NAV, on an ongoing basis. The Trustees decision with regard to availability and adequacy, rate, timing and frequency of distribution of dividend shall be final. Further, the Dividend Option will have the facility of IDCW Re-investment, IDCW Payout and IDCW Sweep/Transfer. Applicants should indicate the Option/Facility for which the subscription is made by indicating the choice in the appropriate box provided for this purpose in the Application Form. Applicants can allocate the investment in both the Options subject to a minimum investment amount of the Scheme.

Dividend option will have the facility of IDCW Re-investment, IDCW Payout and IDCW Sweep/Transfer.

IDCW Payout Facility

Under this Facility, the unit holders would receive payout of their dividend in the Option.

IDCW Re-investment Facility

Under this Facility, dividend declared will be re-invested in the Scheme/Option itself, at applicable NAV based prices

IDCW Sweep/Transfer Facility

Under this facility, dividend declared in a source scheme is transferred as an investment in a target scheme.

Growth Option

Under this option, the Mutual Fund will not declare any dividend. The income earned by the Schemes will remain invested in the Schemes concerned and will be reflected in the NAV. This Option is suitable for investors who are not looking for current income but who have invested only with the intention of capital appreciation.

In case of valid applications received without indicating any choice of Option, it will be considered as option for Growth option and processed accordingly. In case of valid application received without indicating any choice of Dividend Payout Facility, Dividend Reinvestment Facility or Dividend Sweep Facility, it will be considered as option for Dividend Reinvestment Option and processed accordingly.

The unitholder is subsequently free to switch the units from the default Plan to eligible option/s, facilities of the Scheme, at the applicable NAV

Dividend Policy

In the interest of the Scheme and the unit holders, the AMC/Trustees may consider providing returns to the unit holders at appropriate times by way of periodic declaration of dividend under the Scheme after providing for all necessary recurring and other expenses. Distribution of dividend is subject to availability and adequacy of distributable surplus and approval of the Trustees. Quantum of dividend/units and the record date will be fixed by the Trustee and dividend so decided shall be paid, subject to availability of distributable surplus.

Only those unit holders whose names appear in the register of unit holders as on the record date will be entitled for dividend. This date will be fixed by the AMC/Trustees appropriately. When the Record Date so fixed by the Trustees falls on a non- business day, the immediately preceding business day shall be the Record Date.

The dividend warrants and/or fresh Account Statement shall be dispatched / credited to the unit holders within 15 days or such stipulated period of the record date. In the event of failure to dispatch dividend within the stipulated 15 day period, the AMC shall be liable to pay interest @ 15 per cent per annum to the unit holder(s).

It is being clarified that the Dividend Distribution Procedure as per SEBI Circular no. SEBI/IMD/ Cir No. 1/64057/06 dated April 4, 2006 shall be strictly followed at the time of declaration of dividend. Distribution of dividend is subject to availability and adequacy of distributable surplus and approval of the Trustees. Further, the AMC/Trustee reserves the right to include/remove/modify the frequency for declaration of dividend as may be deemed appropriate, subject to relevant provisions of SEBI regulations.

Dividends will be paid net of taxes as may be applicable and payments will be in favour of the Unit holder's registered name or, if there is more than one registered holder, of the first named registered holder on the folio. The Trustees may not declare a dividend at all in the event of inadequacy of distributable income. There is no assurance or guarantee to unit holders as to the periodicity of dividend.

	<p>All dividend declarations shall be available only to the Unit holders who hold units at the time of its/their declaration.</p> <p>Since distribution of dividend shall be paid from the distributable surplus, the NAV of the Scheme shall be adjusted to the extent of dividend paid.</p> <p>If the dividend amount payable (net of applicable taxes) under the IDCW Payout of the Schemes is equal to or less than ` 250/- then such dividend will be compulsorily and automatically be reinvested in the option of the Scheme / Plan at the applicable NAV. There shall be no load on dividend so reinvested.</p> <p>The dividend amounts can be distributed out of investors capital (Equalization Reserve), which is part of sale price that represents realized gains.</p> <p>AMC reserves the right to include/remove/modify the frequency for declaration of dividend as may be deemed appropriate, subject to relevant provisions of SEBI regulations.</p>
<p>Allotment</p>	<p>The allotment will be made where applications received are complete in all respects. However, an offer to purchase units is not binding on, and may be rejected by AMC, until it has been confirmed through an Account/Transaction Statement and payment has been received.</p>
<p>Accounts Statements</p>	<p>Pursuant to Regulation 36 of SEBI (Mutual Funds) Regulations, 1996 and amendments thereto read with SEBI Circular No. Cir/ IMD/ DF/16/ 2011 dated September 8, 2011, Investor whose transaction has been accepted by the Fund, shall receive the following for the units held in non-demat form :-</p> <ul style="list-style-type: none"> (i) On acceptance of the application for subscription, an allotment confirmation specifying the number of units allotted will be sent by way of an email and/or SMS not later than 5 Business Days from the date of receipt of transaction request to the Unit holders' registered e-mail address and/or mobile number. (ii) A Consolidated Account Statement (CAS) for each calendar month shall be sent to the Unit holder(s) in whose folio(s) transaction (s) has/have taken place during the month on or before 15th of the succeeding month vide e-mail (where e-mail id has been provided)/physical copy (where e-mail id has not been provided). (iii) For the purpose of sending CAS, common investors across Mutual Funds shall be identified by their Permanent Account Number (PAN). (iv) In case of specific request received from the Unitholders, the AMC/PMF will provide the account statement for the Investors not later than 5 Business days from the receipt of such request. (v) In case of Folio(s) having more than one registered Unitholder, the first named Unitholder shall receive the CAS/Account Statement. (vi) The CAS shall not be sent to such Unit holders where the PAN details are not updated /provided in the folio(s). <p>For the units held in Demat form: Securities Common Account Statement:</p> <p><u>MONTHLY SCAS:</u> A single Securities Consolidated Account Statement ('SCAS') for each calendar month to the Unit holder(s) who are holding a demat account ('Beneficial Owner(s)') in whose folio(s) transaction(s) has/have taken place during the month on or before 15th of the succeeding month shall be sent by mail/e-mail.</p>

^Securities Consolidated Account Statement ('SCAS') shall contain details relating to all the transaction(s)** carried out by the Beneficial Owner(s) (including transaction charges paid to the distributor) across all schemes of all mutual funds and transactions in securities held in dematerialized form across demat accounts, during the month and holdings at the end of the month.

**transaction(s) shall include purchase, redemption, switch, IDCW Payout IDCW Reinvestment, systematic investment plan, systematic withdrawal advantage plan, systematic transfer plan, bonus transactions, etc.

For the purpose of sending SCAS, common investor(s) across mutual funds and the database of Depositories shall be identified based on the Permanent Account Number (PAN). In case of multiple holding, identification shall be based on the PAN of the first holder and the pattern of holding.

The SCAS will be sent by e-mail to the investor(s) whose e-mail address is registered with the Depositories. In case an investor does not wish to receive SCAS through e-mail, an option shall be given by the Depository to receive SCAS in physical. The SCAS shall not be received by the Unit holder(s) for the folio(s) not updated with PAN and/or KYC details. The Unit holder(s) are therefore requested to ensure that the folio(s) are updated with their PAN/KYC. Where PAN is not available, the account statement shall be sent to the Unit holder by the AMC.

In case of a specific request received from the Unit holder(s), the AMC/Fund will provide an account statement (reflecting transactions of the Fund) to the Unit holder(s) not later than 5 Business Days from the receipt of such request. In case an investor does not wish to receive SCAS, an option shall be given by the Depository to indicate negative consent. Investor(s) having multiple demat accounts across the Depositories shall have an option to choose the Depository through which the SCAS will be received.

Half Yearly Account Statement:

SCAS:

In case there is no transaction in the folio, a half yearly SCAS detailing holding across all schemes of mutual funds and securities held in dematerialized form across demat accounts shall be sent by Depositories to investors at the end of every six months (i.e. September/March), on or before 21st day of succeeding month.

The half yearly SCAS will be sent by mail/e-mail as per the mode of receipt opted by the investors to receive monthly SCAS.

In case of demat accounts with NIL balance and no transactions in mutual fund folios and in securities, the depository shall send physical statement to investor(s) in terms of regulations applicable to Depositories. Investors who are not eligible for receiving SCAS shall continue to receive a monthly account statement from the AMC

CAS:

^CAS detailing holding across all schemes of all mutual funds at the end of every six months (i.e. September/ March), shall be sent by mail/e-mail on or before 21st day of succeeding month, to all such Unit holders in whose folios no transactions** has taken place during that period.

The half yearly consolidated account statement will be sent by e-mail to the Unit holders whose e-mail address is available, unless a specific request is made to receive in physical.

^ Consolidated Account Statement (CAS) shall contain details relating to all the transactions** carried out by the investor across all schemes of all mutual funds during the month and holding at the end of the month including transaction charges paid to the distributor.

** 'Transaction' shall include Purchase, Redemption, Switch, IDCW Payout IDCW Reinvestment , Systematic Investment Plan, Regular Withdrawal Plan and Systematic Transfer Plan.

Further, the CAS issued for the half-year (ended September/March) shall also provide:

a. The amount of actual commission paid by AMCs/Mutual Funds (MFs) to distributors (in absolute terms) during the half-year period against the concerned investor's total investments in each MF scheme. The term 'commission' here refers to all direct monetary payments and other payments made in the form of gifts / rewards, trips, event sponsorships etc. by AMCs/MFs to distributors.

b. The scheme's average Total Expense Ratio (in percentage terms) for the half-year period for each scheme's applicable plan (regular or direct or both) where the concerned investor has actually invested in.

c. Such half-yearly CAS shall be issued to all MF investors, excluding those investors who do not have any holdings in MF schemes and where no commission against their investment has been paid to distributors, during the concerned half-year period

Account/Folio Number:

Each unit holder will have an account/folio number. The number of units allotted to a unit holder or repurchased by a unit holder will be reflected in his or her account and a statement/advice to this effect will be issued to the unit holder.

Common Account Number:

As a investor friendly measure, (if so desired by the investor), one Common Account Number will be assigned for an investor investing in different schemes of the Fund. In such a case, one consolidated account statement will be provided. Once set up as per the request made by the investor, the AMC reserves the right to assign the existing Common Account Number against multiple applications and/or subsequent purchases under a new application form by an existing unit holder, with identical mode of holding and address.

Account Statement:

The Account Statement shall not be construed as a proof of title and is only a computer-printed statement indicating the details of transactions under the scheme and is a non-transferable document. The Account Statement shall normally be dispatched within three business days on an ongoing basis.

Unit Certificates:

Normally no unit certificates will be issued under the Scheme. However, the AMC shall issue a Unit certificate to the applicant not later than 5 Business Days of the receipt of request for the certificate. Unit certificate, if issued,

	<p>must be surrendered along with the request for Redemption / Switch or any other transaction of Units covered therein. On production of instrument of transfer together with relevant unit certificates, AMC shall register the transfer and return the unit certificate to the transferee within 30 days from the date of such production. The process and timelines for transfer would be as per the terms and conditions as applicable from time to time. However, investors are requested to note that issuance of Unit Certificates or request for transfer of Unit Certificate to any transferee thereof, would attract Stamp Duty/Statutory levies as stipulated by the Government authorities from time to time.</p> <p>Units With Depository</p> <p>The unitholders can dematerialise their holding at any time by making an application to their Depository Participant by filling up the Dematerialisation Request Form (DRF). Units held in demat form are freely transferable. The AMC shall issue units in demat form to the unitholder within 2 business days of receipt of request from unitholder.</p> <p>The same number of Units held in the physical mode shall be continued in the demat mode. The expenses incurred by the AMC in dematting of the referred units may be recovered from unitholders or may be charged to the scheme as per annual recurring expenses.</p> <p>Units held in the form of Unit Certificates and demat mode are freely transferable.</p> <p>Rematerialisation of Demat Units:</p> <p>The unitholders who converted their units in demat mode may also rematerialize their units. The request for rematerialising the demat Units may be given to the respective Depository Participant (DP) of the investor. On receiving the confirmation of demat Units balance, account statement for the physical Units shall be issued. The same number of Units held in the demat mode shall be continued in the physical mode. Rematerialisation of demat Units shall be processed within the thirty days or such other days as may be stipulated under SEBI Regulations from the date of receipt of such a request, provided it is complete and valid in all respects.</p>
<p>Refund</p>	<p>Refund of subscription money to investors whose application is invalid for any reason whatsoever, or whose application has not been accepted in full will be without incurring any liability whatsoever for interest or other sum</p>

Units may not be held by any person who fails to provide the information called for or in breach of the law or requirements of any governmental, statutory authority including, without limitation, exchange control regulations. The AMC/Trustees may compulsorily redeem any Units held directly or beneficially by any person who fails to provide the information called for or found to be held in contravention of these requirements / prohibitions. In view of the individual nature of investment portfolio and its consequence, each unitholder is advised to consult his/her own professional advisor concerning possible consequences of purchasing, holding, selling, converting or otherwise disposing of the Units under the laws of his/her state/country of incorporation, establishment, citizenship, residence or domicile.

Kindly note that neither the Statement of Additional Information; nor this Scheme Information Document, nor the Application for the Units, nor the Units (“these Documents”) have been registered in any jurisdiction. The distribution of these Documents in certain jurisdictions may be prohibited or restricted or subject to registration requirements and accordingly, persons who come into possession of any of these Documents are required to inform themselves about and to observe, any such restrictions. No person receiving a copy of any of these Documents in such jurisdiction may act or treat these Document or any part/portion thereof as constituting an invitation to him to subscribe for Units, nor should he in any event use any such Documents, unless in the relevant jurisdiction such an invitation could lawfully be made to him and such Documents could lawfully be used without compliance with any registration or other legal requirements. Accordingly, none of these Documents (including or any part/portion thereof) constitute an offer or solicitation by any one in any jurisdiction in which such offer or solicitation is not lawful or in which the person making such offer or solicitation is not qualified to do so or to any one to whom it is unlawful to make such offer or solicitation. It is the responsibility of any persons in possession of any of these Documents and any persons wishing to apply for Units pursuant to these Documents to inform themselves of and to observe, all applicable laws and Regulations of such relevant jurisdiction.

***Foreign Account Tax Compliance Act (‘FATCA’) and Common Reporting Standards (CRS) requirements:**

The Government of India and the United States of America (US) have reached an agreement in substance on the terms of an Inter- Governmental Agreement (IGA) and India is now treated as having an IGA in effect from April 11, 2014. On similar lines the Organization of economic Development (OECD) along with G-20 countries has released a ‘Standard for Automatic exchange of Financial Account Information in Tax Matters’ commonly known as Common reporting Standard (‘CRS’). India is signatory to the Multilateral Competent Authority Agreement (MCAA) for the purposes of CRS. Under FATCA/CRS provisions, Financial Institutions are obligated to obtain information about the financial accounts maintained by investors and report to the local Government/ notified tax authorities. In accordance with FATCA and CRS provisions, the AMC / Mutual Fund is required to undertake due diligence process and identify foreign reportable accounts and collect such information / documentary evidences of the FATCA/CRS status of its investors / Unit holders and disclose such information (through its agents or service providers) as far as may be legally permitted about the holdings/ investment returns to US Internal revenue Service (IRS)/any other

foreign government or the Indian Tax Authorities, as the case may be for the purpose of onward transmission to the IrS/ any other foreign government pursuant to the new reporting regime under FATCA/CRS.

FATCA/CRS due diligence will be directed at each investor / Unit holder (including joint investor/Unitholder) and on being identified as a reportable person, all the folios will be reported. In case of folios with joint holders, the entire account value of the investment portfolio will be attributable under each such reportable person. An investor / Unit holder will therefore be required to comply with the request of the AMC / Mutual Fund to furnish such information as and when sought by the AMC for the AMC / Mutual Fund to comply with the information reporting requirements stated in IGA/MCAA and circulars issued by SeBI / AMFI in this regard. The information disclosed may include (but is not limited to) the identity of the investors/Unitholder(s) and their direct or indirect beneficiaries, beneficial owners and controlling persons. Investors / Unitholders should consult their own tax advisors regarding FATCA/CRS requirements with respect to their own situation.

The AMC/Mutual Fund reserves the right to reject any application/freeze any folio(s) held directly or beneficially for transactions in the event the applicant/Unitholder(s) fail to furnish the relevant information and/or documentation in accordance with FATCA/CRS provisions and as requested by the AMC/Mutual Fund.

Central Know Your Customers (CKYC)

In line with AMFI Best Practices Guidelines Circular No.68/2016-17 dated December 22, 2016 on Uniform implementation of CKYC by Mutual Fund/AMCs, while onboarding a new individual investor, for those investors whose KYC is not registered or verified in the KRA system, the AMC shall use new CKYC Form to conduct and register the KYC of the investor.

In case the investor uses the old KRA KYC form, the investor is required to provide the additional information using a 'Supplementary CKYC Form' or to fill the new 'CKYC Form'

In case the new investors have completed CKYC and quote KYC Identification Number (KIN) in their application forms, AMC shall use the KIN provided by the customer to download KYC information from CKYCR system and update the records. AMC is also required to check that in case the investor has not updated the PAN details in the CKYC system, self-certified copy of the PAN card is required to be obtained and uploaded in the CKYC system. Accordingly, investors may be requested to provide the same.

The new CKYC forms have been uploaded on the AMC Website- <http://principalindia.com>

For further details, please refer the SAI.

Who cannot invest

It should be noted that the following persons cannot invest in the Scheme:

Special facilities for Investors/Unit holders

The Fund reserves the right to amend or terminate or introduce special facilities in the SID. The current special facilities offered are as follows:

1. Switching Option

Investors can opt to switch between Regular Plan & Direct Plan and Options therein, at NAV based prices. Switching will also be allowed from any select open ended scheme managed under the Fund into either scheme existing on the date of switch or during the NFO period of the new scheme that may be launched in the future at NAV based prices.

In the case of NRIs, etc. this will be subject to necessary approval (if any) from the Reserve Bank of India and any other approval as applicable. Tax deduction at source, if any, will be effected at the appropriate rate in case of a switch and the balance amount would be utilized to exchange units to the other Scheme.

A request for switch may be specified either in terms of amount or in terms of the number of units of the scheme/plan/option from which the switch is sought. Such instructions may be provided in writing by completing the switch form or using the relevant tear off section of the Transaction Slip that may be enclosed with the Account Statement and lodging the same on any business day at any of the designated Official Points of Acceptance. The switch will be effected by redeeming units from the scheme in which the units are held and investing the net proceeds in the other Scheme, subject to the minimum balance applicable for the respective Scheme.

2. Systematic Investment Plan

Systematic Investment Plan (SIP) is available for planned and regular investments. Under SIP, unit holders can benefit by investing specified rupee amounts periodically for a continuous period. This concept is called Rupee Cost Averaging. This program allows unit holders to save a fixed amount of rupees every month/quarterly by purchasing additional units of the Scheme.

Example

Let us take an example of a unit holder who invests Rs.3000/- per month

Month	NAV	Amount (Rs	Units
April 1	10.50	3000	285.71
May 1	10.65	3000	281.69
June 1	10.05	3000	298.50
July 1	9.75	3000	307.69
August 1	9.60	3000	312.50
September 1	9.50	3000	315.79
October 1	9.25	3000	324.32
November 1	9.05	3000	331.49
December 1	8.90	3000	337.08
January 1	8.75	3000	342.86
February 1	8.50	3000	352.94
March 1	8.80	3000	340.91
TOTAL		36000	3831.48

Note: The figures of NAV are hypothetical and are for illustrative purposes only.

At the end of one year the unitholder would have 3831.48 units, at an average per unit cost of Rs. 9.40.

Rupee Cost Averaging does not guarantee a profit nor protect against a loss. Rupee Cost Averaging can smooth out the market's ups and downs and reduce the risk of investing in volatile markets.

Features of the SIP

- a. The investor can select 'any day of the month' for Systematic Investment Plan ("SIP"). However, in case the chosen date falls on a Non Business Day, the SIP will be processed on the immediate next Business Day. Where the SIP date is not available in a particular month, the same will be processed on the last day of that month. The first cheque and subsequent cheque should not fall in the same month in case of Monthly SIP and in the same quarter in case of Quarterly SIP. The cheques should be drawn in favour of respective Scheme(s) e.g. "XYZ Scheme Name A/c PAN" or "XYZ Scheme Name A/c First Investor Name" or "XYZ Scheme A/c. Folio Number"; and crossed "A/c Payee only". The default date will be considered as 10th of the month in case the installment date is not selected in the SIP form. The above option will be available under both Monthly and Quarterly frequency. SIP can be registered with minimum twelve instalments of INR 500/- each.
- b. Investors, who wish to opt for ECS (debit clearing) facility available with select banks, should ensure that there is a minimum time gap of 30 days between the first cheque for SIP enrolment and first installment of SIP through ECS or Direct Debit. Dishonoured cheque(s) may not be presented again for collection.
- c. Unit holders need not submit a copy of cancelled cheque provided the SIP Auto Debit Facility Enrolment Form is attested by the Bank from which SIP installments will be debited.
- d. Unit holders have the right to discontinue the SIP facility at any time by sending a written request to any of the designated Investor Service Centers (ISCs) of Principal Mutual Fund. Please also note that notice of such discontinuation should be received at least 18 working days prior to the due date of the next SIP installment.
- e. SIP enrolment will be discontinued by AMC in case [a] the SIP installment is not honored consecutively for three SIP installments [b] if any installment of a SIP transaction gets rejected due to the bank account of the Investor being closed, the SIP would be suspended for subsequent SIP transactions and registration will be cancelled for SIP through Auto Debit / Post Dated Cheques (PDCs)/ Direct Debit / Standing Instructions (SIs) [c] the Bank account [for ECS (Debit Clearing) and / or Direct Debit / Standing Instruction and / or PDCs for direct debit] is closed and the request for change in bank account / Bank Branch is not submitted by the concerned unit holder at least 15 working days before the due date of next SIP installment[d] if the Bank account is frozen for further commercial transaction by the Bank. Further, in such cases the balance cheques, if any, will be returned to the unit holder.

f. Systematic Investment Plan (SIP) Top Up Facility:

SIP Top-Up’ is a facility which will enable investors to increase the amount of SIP installments at pre-defined frequency by a fixed amount during the tenure of SIP. The features, terms and conditions for availing the ‘SIP Top-Up’ facility shall be as follows:

- SIP Top-Up facility would be available to all existing and new SIP enrolments. Existing investors who have enrolled for SIP are also eligible to avail Top-Up facility and will be required to submit ‘Systematic Investment Plan (SIP) with Top-up Facility’ at least 25 calendar days prior to the Top-Up start month.
- SIP Top-Up facility can be availed at half yearly and yearly intervals. In case the Top-Up frequency is not specified, Default will be considered as yearly frequency.
- Minimum Top-Up amount would be Rs.500/- & in multiples of Re. 1/- thereafter for all the schemes of the Fund that offer SIP.
- In case the investor does not specify Top-Up amount, Rs.500/- will be considered as the Top-Up amount and the request will be processed accordingly.
- SIP Top-up facility can be started after minimum 6 months from the date of 1st SIP. If the end-date of the Top-up facility is not mentioned the Top-up facility will be continued up till the tenure of the SIP. For example, if the SIP is registered up till 2099, and the end date of the Top-up facility is not mentioned; then the Top-up will continue till 2099. However, for investors availing SIP Top-Up facility, the maximum amount of SIP Installment including SIP Top-Up will be limited to Rs. 5,00,000/- (Rupees Five Lakhs) or the limit of bank mandate authorisation, whichever is lesser, subject to scheme specific transaction limits where applicable.
- SIP Top-Up will be subject to minimum SIP investment requirement, as applicable to the eligible schemes from time to time.
- SIP Top-Up facility is currently available only for SIP registration and installment payments made directly with the fund and through modes like Electronic Clearing System (ECS)/Auto Debit/One Time Mandate (OTM) mode. SIP Top-Up facility is currently not available for SIP registration and installment being made by submission of Post-dated cheques (PDCs) and where SIP is registered and installments are sent through Mutual Fund Utility (MFU), MFSS system of NSE or BSE StAR MF platform of BSE or any other platforms of these stock exchanges or Channel Partners. As and when relevant systems are put in place, this facility will be automatically offered.
- The Top-up details cannot be modified once enrolled. In order to make any changes, the investor must cancel the existing SIP and enroll for a fresh SIP with Top-up option.

An Illustration: The Top-Up facility will work as follows:

Details of SIP registered	Details of Top-up opted for
<ul style="list-style-type: none">• Fixed SIP Installment amount: Rs.2,000/-• SIP Period: 01-April-2017 till 31-March-2020 (3 years)• SIP date: 1st of every month (36 installments)	Example: <ul style="list-style-type: none">•Top-Up Amount: Rs.1,000/-•Top-Up Frequency: Every 6 months

Based on above details, SIP Installments shall be as follows:

InstallmentNo (s).	SIP Installment (inRs.) (A)	Top-Up amount (in Rs.) (B)	Monthly SIP Installment amount after Top-up (in Rs.) (A+B)
1 to 6 months	5,000	Top up after month	5,000
7 to 12 months	5,000	1,000	6,000
13 to 18 month	6,000	1,000	7,000
19 to 24 month	7,000	1,000	8,000
25 to 30 month	8,000	1,000	9,000
31 to 36 month	9,000	1,000	10,000

g. SIP Pause Facility:

Investor has an option to ‘temporarily suspend’ the SIP deduction for a specified time limit and on expiry of the suspended period, the SIP can be re-commenced.

- Investors can pause their existing SIP without discontinuing it. SIP restarts automatically after the pause period is over. This facility can be availed only once during the tenure of the existing SIP. SIP can be paused for a minimum period of 1 month to a maximum period of 6 months.
- Notice of Pause should be submitted at least 25 calendar days prior to the subsequent SIP date.
- Pause SIP is applicable only for AMC initiated debit feeds i.e. ECS/NACH/Direct Debit, etc.
- SIP Pause facility will be available for monthly/ quarterly SIPs except for SIPs registered through Mutual Fund Utility (MFU) or MFSS system of NSE or any other platforms of these stock exchanges and Channel Partners or those who have standing instructions with Banks as the SIP are registered directly with them and not with the fund house.
- If the Pause period coincides with the Top up month, the topped up amount shall be debited in the next installment (after the completion of the pause period).
- AMC reserves the right to withdraw / modify any of the offerings as provided above.

Micro SIP:

Pursuant to SEBI’s communication to AMFI vide its letter dated June 19, 2009; AMFI has issued guidelines for uniform implementation of the said SEBI letter. In accordance to the same, Systematic Investment Plans (SIP) up to Rs 50,000/- per year per investor (‘Micro SIP’) shall be exempt from requirement of PAN.

This exemption will be applicable ONLY to investments by individuals (including NRIs but not PIOs), Minors and Sole proprietary firms. HUFs and other categories will not be eligible for Micro SIPs. Details on Micro SIP are available in Statement of Additional Information.

However, effective January 1, 2012, new Investors registering for Micro SIP have to mandatorily submit KYC acknowledgement letter.

Systematic Investment Plan (SIP) for Corporate Employees.

With a view to encourage employees of Corporate to invest their savings into the various Schemes of our Mutual Fund through payroll deductions, Principal

Mutual Fund provides an investment facility to the employees of Corporate under the Employee Savings Plan (ESP).

This feature will be guided by the terms and conditions as laid down below:

1. Under this feature the employees can submit application vide the normal application and/or ESP Forms. The employee is required to fill the details in the normal application/ ESP form providing the details of amount and duration of such SIP installments and the details of such investment should also be provided to the Human Resources Department of such Corporate (HRD).
2. The employees should instruct the HRD to deduct the amount of Investment every month / quarter from their salary for such period as indicated by him / her. Such periodicity shall be monthly or quarterly.
- iii. The minimum amount and periodicity, to be contributed to open an account under this option is as per the minimum scheme requirements as prescribed under Systematic Investment Plan/additional subscription of the Scheme.
- iv. The periodic employee contribution should at least be equal to the minimum application amount of SIP. The employee has an option to select either 1st or 5th of every month for such investment.
- v. The employee can seek redemption independently.
- vi. The applicable NAV for application received under such plan, will be as per the date and time (refer to section on cut off timing) on which the request / payment instrument and sheet detailing the list of Investment of such employees, is received from HRD of such Employees at the Official Points of Acceptance of AMC .

3. Regular Withdrawal Plan

A unitholder may avail of the Regular Withdrawal Plan and receive regular payments from the account. The unitholder has an option to select 1st, 11th or 21st day of the month on which the Regular Withdrawal is to be made.

The unitholder may set up a Regular Withdrawal Plan on a monthly, quarterly or semi-annual or annual basis as follows:

- Redeem a fixed number of units
- Redeem a fixed amount

Once the unitholder sets up a Regular Withdrawal Facility the plan would continue until:

- The unitholder instructs the Fund to stop periodic withdrawal in writing; or
- The unitholder's account balance is zero
- On expiry of the time/period specified by the unitholder

Withdrawal payments will be endeavoured to be sent within 3 Business Days after the repurchase date.

The minimum balance amount needed for the Regular Withdrawal Plan may be altered from time to time at the discretion of the AMC.

4. Systematic Switch/Transfer Plan

The unitholder may set up a Systematic Switching/Transfer Plan (STP) on a daily, weekly, monthly, quarterly, semi-annual or annual basis to transfer a fixed number of units and /or amount in one scheme to another scheme or one plan/option to another.

Once the unitholder sets up a Systematic Switching / Transfer Plan the plan would continue until:

- the unitholder instructs the Fund to stop periodic switching in writing; or
- the unitholder's account balance is zero.

The unitholder has an option to select 1st, 11th or 21st day of the month on which the Systematic Switch is to be made.

If the selected date is not a business day, the switch will take place on the next business day.

In case of daily and weekly frequency, STP will take place as under:

- (i) Daily – Each Business Day
- (ii) Weekly – Every Monday*

* Next Business Day if Monday is a non-business day.

All switches are subject to the minimum investment and eligibility requirements of the switch in scheme.

The amount subject to an exit load, if any, thus switched shall be converted into the respective scheme units at the applicable NAV, (on which date the payment/switch is scheduled), and such units will be subtracted from the unit balance of that unitholder.

The minimum balance amount needed for the Systematic Switch Plan may be altered from time to time at the discretion of the AMC.

Unitholders may change the amount of regular withdrawal/switch but not below the specified minimum amount of repurchase for a particular Scheme by giving 30 days written notice to the Registrars/AMC. The various triggers for activating a regular withdrawal and/or switch facility can also be used for activating a normal repurchase and/or switch facility

5. TRIGGERS/ ALERTS

Under this facility, the unit holders may opt for withdrawal and/or switch in the normal manner based on the value of investment either reaching upto or below or above/beyond a specified particular value; the capital appreciation/gains realization either equals to or becomes more/lower than a specified particular amount or percentage on happening of a particular event, on a particular date etc. (subject to applicable lock in period, if any). Alerts act as a financial planning tool for information. The unit holder may subsequently continue in the scheme or otherwise withdraw/switch. For e.g. an account may be monitored and the unit holder either informed or account redeemed (no redemption will be permitted if under lock-in) as and when the balance reaches or crosses (rise or fall) a desired value or after a certain period of time etc. This helps the unit holders to minimise the loss and/or book timely profits. In case of triggers linked with events/dates, on realisation of gains (equal to/beyond/lower than), a specified amount/full amount/gains/appreciation etc. would be redeemed and paid either when the investment reaches upto and/or beyond (above or below) a particular value or after a particular period of time.

In case of triggers linked with gains/appreciation, at the option of the unit holder, either the amount equivalent to gains/appreciation would be redeemed or the full original investment amount would be redeemed and the gain/appreciation component paid to the unit holder/switched into other scheme/plan, and the original investment amount would be reinvested either in the same scheme/plan or any other scheme/plan.

ACTIVATION OF TRIGGER

Unit holders shall note that NAV of a scheme is determined on close of the business day taking into consideration closing prices of the securities on the primary stock exchange (*please refer to clause on "Valuation Policy" in the SAI & "Computation of NAV" in the SID*). Intraday prices are not considered for valuing the scheme's portfolio. Value of the unit holder's unit balance at the end of a relevant business day based on that day's NAV and closing value of a relevant index of a stock exchange would be used as a base for activating the triggers. However all redemptions/switches/reinvestments etc. linked to such triggers will always be at the applicable NAV based prices of the day on which the event occurs.

Please also note that the trigger is an additional facility provided to the unit holders to save time on completing the redemption/switch formalities on happening of a particular predetermined event. Trigger is not an assurance on part of AMC/Fund to the investor that he/she will receive a particular amount of money/appreciation and/or a percentage on redemption or will get a particular amount of capital appreciation or will minimise the loss to investor to a particular amount or percentage. Trigger is an event on happening of which the Fund will automatically redeem and/or switch the units on behalf of the investors on the date of happening of the event. In actual parlance, a trigger will activate a transaction/alert when the event selected for has reached a value greater or less than the specified particular value (trigger point).

Unit holders can opt from any one of the following event under trigger option:

1. *When value of investment of the unit holder reaches or crosses a particular value/falls to or closes below a particular value*

Eg. Investment Value reaches or crosses Rs.11000/-

Trigger Activation

If investment value at NAV based price is less than Rs.11,000/-, trigger will be activated when value of the units at NAV held by unit holders rises to Rs.11000/- or more on close of any business day.

Eg. Investment Value falls to or closes below Rs.11000/-

If investment value at NAV based price is more than Rs.11,000/-, trigger will be activated when value of the units at NAV held by unit holders falls to Rs.11000/- or below on close of any business day. All transactions linked with trigger will be on the basis of NAV of the business day on which value of units held by unit holders reaches or crosses or falls below Rs.11,000/-.

2. *Capital appreciation of a particular amount*

Eg. Capital appreciation by Rs.1000/-

Trigger Activation

Trigger will be activated when value of units invested at NAV based price appreciate by Rs.1000/- or more at NAV on close of any business day. All

transactions linked with trigger will be on the basis of NAV of the business day on which value of investment held by unit holders increases by at least Rs.1000/-.

3. *NAV reaches or crosses a particular value*

Eg. NAV reaches or crosses Rs.11/-

Or when NAV falls to or closes below Rs.11/-

Trigger Activation

If NAV on the date of allotment of investment is less than Rs.11/-, trigger will be activated when NAV rises to Rs.11/- or more on close of any business day. If NAV on the date of allotment of investment is more than Rs.11/-, trigger will be activated when NAV falls to Rs.11/- or below on close of any business day. All transactions linked with trigger will be on the basis of NAV of the business day on which NAV reaches or crosses or falls below Rs.11/-.

4. *BSE Sensex reaches or crosses a particular value*

Eg. BSE Sensex reaches or crosses 16000

Or when BSE Sensex falls to or closes below 16000

Trigger Activation

If BSE Sensex on the date of allotment of investment is less than 16000, then trigger will be activated when BSE Sensex rises to 16000 or more on close of any business day. If BSE Sensex at the time of investment is more than 16000, then trigger will be activated when BSE Sensex falls to 16000 or below on close of any business day. All transactions linked with trigger will be on the basis of NAV of the business day on which close of day the BSE Sensex reaches or crosses or falls to or closes below 16000 mark.

5. *NSE Nifty reaches or crosses a particular value*

Eg. NSE Nifty reaches or crosses 5000

Or when NSE Nifty falls to or closes below 5000

Trigger Activation

If NSE Nifty on the date of allotment of investment is less than 5000, then trigger will be activated when NSE Nifty rises to 5000 or more on close of any business day. If NSE Nifty on the date of allotment of investment is more than 5000, trigger will be activated when NSE Nifty falls to 5000 or below on close of any business day. All transactions linked with trigger will be on the basis of NAV of the business day on which close of day the NSE Nifty reaches or crosses or falls below 5000 mark.

6. *On a particular day or date*

Eg. On 31/1/2013

Trigger Activation

Trigger will be activated on 31/1/2013. All transactions linked with trigger will be on the basis of NAV of 31/1/2013 or on 1/2/2013 if 31/1/2013 is not a business day.

7. *Change in the value of units (held by unit holders) at least by certain percentage*

Eg Change in Investment Value at least by (+ or — or +/-) 10%

Trigger Activation

Trigger will be activated when value of the units at NAV based price invested by unit holders rises to 10% or more at NAV on close of any business day; or Trigger will be activated when value of the units at NAV based price invested by unit holders falls by 10% or more at NAV on close of any business day; or Trigger will be activated when value of the units at NAV based price invested

by unit holders either rises by 10% or more at NAV or falls by 10% or more on close of any business day.

Percentage rise or fall in value of units will be calculated on the amount invested by the unit holders.

8. Capital appreciation of at least a certain percentage

Eg. Capital appreciation of at least (+ or — or +/-) 10%

Trigger Activation

Trigger will be activated when value of the units at NAV based price invested by unit holders appreciate to 10% or more at NAV on close of any business day; or Trigger will be activated when value of the units at NAV based price invested by unit holders depreciates by 10% or more at NAV on close of any business day; or Trigger will be activated when value of the units at NAV based price invested by unit holders either appreciates by 10% or more at NAV or depreciates by 10% or more at NAV on close of any business day.

Difference between the value of units on close of a business day (at NAV) and amount invested (at NAV based price) will be used as a base for calculating percentage of capital appreciation.

9. Change in the NAV at least by a certain percentage

Eg. Change in NAV at least by (+ or — or +/-) 10%

Trigger Activation

Trigger will be activated when the NAV of the units rises by 10% or more on close of any business day compared with the NAV on the date of allotment of investment; or Trigger will be activated when the NAV of the units falls by 10% or more on close of any business day compared with the NAV on the date of allotment of investment; or Trigger will be activated when the NAV of the units either rises by 10% or more or falls by 10% or more on close of any business day compared with the NAV on the date of allotment of investment

Percentage rise or fall in NAV will be calculated comparing NAV on a particular business day with the NAV on the date of allotment of investment.

10. Change in the BSE Sensex at least by a certain percentage

Eg. Change in BSE Sensex at least by (+ or — or +/-) 10%

Trigger Activation

Trigger will be activated when the BSE Sensex rises by 10% or more on close of any business day compared with the BSE Sensex on the date of allotment of investment; or Trigger will be activated when the BSE Sensex falls by 10% or more on close of any business day compared with the BSE Sensex on the date of allotment of investment; or Trigger will be activated when the BSE Sensex either rises by 10% or more or falls by 10% or more on close of any business day compared with the BSE Sensex on the date of allotment of investment.

Percentage rise or fall in BSE Sensex will be calculated comparing BSE Sensex on a particular business day with the BSE Sensex on the date of allotment of investment.

11. Change in the NSE Nifty at least by a certain percentage

Eg. Change NSE Nifty at least by (+ or — or +/-) 10%

Trigger Activation

Trigger will be activated when the NSE Nifty rises by 10% or more on close of any business day compared with the NSE Nifty on the date of allotment of investment; or Trigger will be activated when the NSE Nifty falls by 10% or more on close of any business day compared with the NSE Nifty on the date

of allotment of investment; or Trigger will be activated when the NSE Nifty either rises by 10% or more or falls by 10% or more on close of any business day compared with the NSE Nifty on the date of allotment of investment.

Percentage rise or fall in NSE Nifty will be calculated comparing NSE Nifty on a particular business day with the NSE Nifty on the date of allotment of investment;

On happening of any of the above mentioned events, the Unit holder can opt for the following action on the date of happening of the relevant event;

- Full redemption
- Redemption of gains only
- Full switch into other Scheme/Plan / Option of Principal Mutual Fund
- Switch of only gains into other Scheme / Plan/Option of Principal Mutual Fund
- Full Redemption: Original investment amount reinvested in any scheme of Principal Mutual Fund and gains paid to unit holder
- Full redemption: Gains reinvested in any Scheme/Plan/Option of Principal Mutual Fund and investment amount paid to unit holder
- Redemption of certain number of units
- Redemption of certain amount

Transactions linked with the triggers will be at the applicable NAV based price of the business day on which the event takes place. Further all the predetermined events i.e. the value of the unit balance, capital appreciation, NAV, BSE Sensex, NSE Nifty will be compared with the value of units, NAV, BSE Sensex and NSE Nifty prevailing on the date of investment (i.e. date of allotment) irrespective of the fact whether the trigger is opted on the date of allotment of investment or subsequently.. For eg an investor has invested at Rs.11/- and opted for full redemption if NAV appreciates at least by 10%. Trigger will be activated on the business day when NAV moves to Rs.12.10 (i.e. 10% more than Rs.11/-) or more.

Triggers(s) linked to BSE Sensex or NSE Nifty will always compare the value of BSE Sensex or NSE Nifty on close of business day. In case BSE or NSE is open on a non-business day, its value will not be considered even if it reaches or crosses a trigger value, and on any subsequent business day if the value of BSE or NSE is reached, the same would be considered for trigger purposes. For eg. A unit holder has opted for full redemption if NSE Nifty reaches or crosses 5000 mark. If NSE is open on January 1, 2013, but it is not a business day for the Fund, trigger will not be activated (i.e. redemption will not take place) even though closing value of Nifty as on January 1, 2013, is 5000 or more.

The closing value of BSE Sensex/NSE Nifty on non-business day will be ignored for trigger activation. A trigger once activated will not be reactivated in any other scheme where the switch/reinvestment happens or in the same scheme which retains part of the value or in case of normal redemption/switch before trigger activation. Triggers will be deactivated on redemption and/or switch and/or pledge of units except in case where only gains are to be redeemed or switched and opted for the same in the trigger form.

**6.
Future Goal Series**

This Scheme(s) are part of Principal Future Goals Series. The Future Goals Series is a carefully structured suite of scheme(s) designed to meet a wide range of investment needs. Not only do unit holders have a comprehensive choice of schemes(s) and plans within these scheme(s), but also it is easier for unit holders to move between Scheme(s) as their needs change. Initially four schemes namely Principal Multi Cap Growth Fund (An open ended equity scheme investing across large cap, mid cap, small cap stocks), Principal Short Term Debt Fund (An open ended short term debt scheme investing in instruments such that the Macaulay duration of the portfolio is between 1 year and 3 years), Principal Hybrid Equity Fund (An open ended hybrid scheme investing predominantly in equity and equity related instruments) and Principal Cash Management Fund (open ended liquid scheme) were launched as part of Future Goals Series. Subsequently Principal Nifty 100 Equal Weight Fund(An open ended scheme replicating/ tracking Nifty 100 Equal Weight Index), and Principal Corporate Bond Fund (An open ended debt scheme predominantly investing in AA+ and above rated corporate bonds), Principal Credit Risk Fund[An open ended debt scheme predominately investing in AA and below rated corporate bonds (excluding AA+ rated corporate bonds)], Principal Dividend Yield Fund (An open ended equity scheme predominantly investing in dividend yielding stocks), Principal Global Opportunities Fund (An open ended fund of fund scheme investing in Principal Global Investors Funds - Origin Global Smaller Companies Fund), Principal Focused Multicap Fund (An open ended equity scheme investing in maximum 30 Multi cap stocks), Principal Ultra Short Term Fund(An open ended ultra-short term debt scheme investing in instruments such that the Macaulay duration of the portfolio is between 3 months and 6 months.), Principal Emerging Bluechip Fund (An open ended equity scheme investing in both large cap and midcap stocks) and Principal Balanced Advantage Fund (An open ended dynamic asset allocation fund) launched by Principal Mutual Fund have been included as a part of Future Goal Series.

ASSET ALLOCATION - THE CONCEPT EXPLAINED

The investor has an option to invest in two or more of the eligible Scheme under the Asset Allocation Programme to allocate his investment across different asset classes at the time of investment. The allocation would differ for different investor classes at different stages of their lifecycle – for example a young investor may typically invest more in higher return – higher risk assets like equities. Each investment type has a different level of risk and potential return associated with it. One way of reducing risk over short periods of time is to spread/allocate the investment into different investment types i.e. asset allocation between different asset classes i.e. different scheme.

Different investment types tend to experience good performance at different times. By not having all the investment in one asset class, a unit holder can offset the higher returns expected in one investment to offset any poor performance that may occur from another asset class. A diversified programme such as The Future Goals Asset Allocation Programme attempts to overcome the inherent volatility of any particular investment types and will typically enable the unit holder to invest across equity, fixed income products and short-term money market/cash products.

Asset Allocation takes diversification one step further. It seeks to find what proportions of equity and debt investments would provide optimum return for a certain level of risk. While asset allocation cannot guarantee a profit, it is a way for most unitholders to increase potential returns and reduce risk.

The asset allocation programme works on the following principles:

- Allocation of investment to different asset classes by the unit holder at the time of investment
- Rebalancing the portfolio at periodic intervals by the AMC to maintain the stated proportion in the same applicable ratio as stated by the unit holder at the time of original investment unless changed.

The rebalancing mechanism at periodic intervals would ensure that if there are changes in the market value of assets under a certain class causing the proportion of investment in that asset class to increase/decrease from the originally stated allocation, on the rebalancing date, the AMC would add/reduce assets in that class. Therefore, on all rebalancing dates, the asset proportion ratio would match those indicated by the unit holder at the time of original investment.

Example:

The concept of asset allocation is further clarified through an illustrative example. Investor A invests Rs.1,00,000/- in the following proportion on January 1, 2013 and the reallocation date is on a half yearly basis:

January 1, 2013

	Proportion	NAV per unit	No. of units	Amount (Rs)
Growth Fund	50%	10	5000	50000
Income Fund	30%	10	3000	30000
Balanced	20%	20	2000	20000
Total	100%		10000	100000

In the period between the date of which the investment is made and the date of reallocation i.e. June 30, 2013, the markets react and the values of the Investment of Investor A are valued as follows:

Reallocation date (before reallocation)

	Proportion	NAV per unit	No. of units	Amount (Rs)
Growth Fund	57%	15	5000	75000
Income Fund	27%	12	3000	36000
Balanced	16%	22	2000	22000
Total	100%		10000	133000

The unit holder's assets will then be rebalanced i.e. assets in some scheme will be bought by the sales proceeds of other scheme by way of inter scheme switch, to bring the total investment of the unit holder back to the originally nominated ratio:

	Proportion	NAV per unit	No. of units	Amount (Rs)
Growth Fund	50%	15	4434	66502
Income Fund	30%	12	3325	39900
Balanced	20%	22	2,418	26,598

Total	100%		10000	133000

The features of Future Goals - Asset Allocation Programme are as explained below:

Minimum Number Of Schemes In Which The Unitholder Must Invest

Under the asset allocation programme, a unitholder must invest in and remain invested in at least two Scheme. At the discretion of the AMC it may introduce further schemes into the Future Goals - Asset Allocation Programme at a later date or may increase the minimum number of scheme that the unitholder should invest in.

Investment Ratio

The unitholder must at the time of investment indicate the investment ratio that he/she wishes to opt for. This would mean that the unitholder must mark the percentage of the total investment that he/she would like to invest in each of the Scheme.

Example:

Mr. X, age 45 is a unitholder who wishes to have a regular income stream but also some possible upside. His choice may be as below:

Growth	Income	Balanced		Total
25%	50%	25%		100%

Ms. Y, age 30 is a unitholder who is willing to take a larger risk but would like high return that is also tax efficient. Her choice may be as follows:

Growth	Income	Balanced		Total
60%	8%	32%		100%

Every unitholder must at the time of investment provide details about the investment ratio that he/she wishes to follow.

At any time (subject to 4 times in a Calendar year) during the investment period as stated in the “switching clause” the unitholder may change / alter the investment ratio keeping the total at 100%. The unitholder may switch or simply instruct the new scheme wise percentage to the AMC for altering the investment ratio. The Investment Manager would also be designing model portfolios representing different Scheme of the Fund, containing debt and equity, and therefore the models would vary in their degree of return potential. The unitholder may select a model that matches his risk tolerance with his need for the income and growth potential. The unitholder must send any change in investment ratio duly signed in writing to the Fund. It will be the endeavour of the AMC to process the change in investment ratio as soon as possible. The maximum time that the AMC will take (under normal circumstances) to change the investment ratio of the unitholder is 3 Business Days.

Minimum Investment Amount

The minimum investment amount for participating in the Future Goals - Asset Allocation Programme is Rs. 10,000/- and in multiples of Rs. 1 with subsequent investment of Rs. 1000 and in multiples of Rs. 1 thereafter. The

minimum initial investment requirement for each Scheme would be waived. The AMC reserves the right to reduce or increase this amount at any time or for any group of investors.

Switching And Loads

The unitholder is allowed **four switches** (or as may be decided by the AMC) per calendar year between the various Schemes under the Future Goals - Asset Allocation Programme or between various plans within the same Schemes of the programme so as to enable him change the investment direction i.e. the asset proportion ratio. The exit load payable on switch/leaving Scheme will be waived unless the unitholder chooses to withdraw his investment from a minimum of two or more Schemes or otherwise under/from the Programme of the Fund. Any switch would thus have the effect of changing the investment direction.

Initial / Additional Sales

The unitholder can at any time subscribe to the units of the Scheme under the programme either for the first time or otherwise. If the subscription in Future Goal Series Programme is subsequent to the initial investment in the same, then the unit holder has to specify the investment ratio (between two or more Scheme or for a particular Scheme). The subscription would be at applicable NAV based price. If no investment ratio is stated then, the original asset ratio would be used. Any subscription would thus have the effect of changing the investment ratio till the time Automatic Re-balancing is done at the original asset ratio.

Repurchase And Load

The unitholder can at any time seek repurchase / redemption of units of the Scheme under the program either in full or in part for a particular Scheme or Scheme. The unitholder can also seek repurchase / redemption of that quantity/amount so as to maintain the same investment direction. The redemption would be at applicable NAV based price (with applicable loads). Any repurchase would thus have the effect of changing the investment ratio till the time Automatic Re-balancing is done at the original asset ratio. regular withdrawals can be set up on a monthly, quarterly, semi - annually or annual basis. Withdrawals are drawn from the portfolio in percentages which equate to the percentage of each Scheme held in the portfolio, unless requested otherwise.

Automatic Re-balancing

Based on the conditions and performance of different Scheme in which the Unitholder has invested and also if he has done any fresh subscription and /or redemption, the proportion/percentage of his investment in different Scheme may change between two dates leading to Automatic Re-balancing at the half yearly intervals. .

The AMC would at the end of each calendar half year, i.e., on June 30 and December 31 (immediate next business day in case these days are holidays) of each year or any other date as may be deemed fit and necessary by the AMC for the benefit of unitholders taking into account the market conditions, etc., automatically re-balance the investments of the unitholder in the proportion as stated by the unitholder at the time of original investment, unless changed (maximum upto 4 times in a calendar year) by the unitholder in writing. In alternative to the above, at the choice of the unitholder, rebalancing can be done at prefixed intervals i.e. quarterly, semiannually, annually or by request or any such period as the AMC may permit on specific request of the

unitholder. Besides the unitholder also has the option to select the date on which the re-balancing is desired. If no date is selected the regular re-balancing would then be done at a date which would fall after the interval selected from the date of allotment of units. For example, if the period selected by the unitholder is quarterly and his date of allotment is say October 31, 2012, then the re-balancing would be done (if no date is selected) after 90 days on the 91st day from October 31, 2012 i.e. January 29, 2013. If the period & date is not provided, automatic rebalancing will be completed on 30th day of June & 31st day of December, or the following business day if 30th June & 31st December is not a business day. The unitholder can also request no re-balancing of his investments. The re-balancing would be by way of switch between Schemes which may have tax consequences. Automatic Re-balancing assures that the risk/ return mix is within investor's comfort zone.

<p>Creation of Segregated Portfolio in the Scheme</p>	<p>In order to ensure fair treatment to all investors in case of a credit event/ actual default and to deal with liquidity risk, SEBI vide its Circular no. SEBI/HO/IMD/DF2/CIR/P/2018/160 dated December 28, 2018 and SEBI circular no. SEBI/HO/IMD/DF2/CIR/P/2019/127 dated November 07, 2019 has permitted Asset Management Companies to create segregated portfolio of debt and money market instruments by mutual funds schemes:</p>

Creation of segregated portfolio shall be subject to guidelines specified by SEBI from time to time and include the following:

1. Creation of segregated portfolio is optional and at the discretion of Principal Asset Management Private Limited (AMC).
2. Segregated portfolio may be created, in case of rated debt and money market instruments, whenever there is a credit event at issuer level i.e. credit rating downgrade by a SEBI registered Credit Rating Agency (CRA), as under:
 - a) Downgrade of a debt or money market instrument to 'below investment grade' or
 - b) Subsequent downgrades of the said instruments from 'below investment grade' or
 - c) Similar such downgrades of a loan rating.

In case of difference in rating by multiple CRA, most conservative rating will be considered. Creation of segregated portfolio shall be based on issuer level credit events as mentioned above and implemented at the ISIN level.

3. In case of unrated debt or money market instruments held in the schemes, whenever there is actual default of either the interest or principal amount of an issuer that does not have any outstanding rated debt or money market instruments. AMFI will be informed immediately. Upon being informed about the default, AMFI shall immediately inform the same to all AMCs. Pursuant to dissemination of information by AMFI about actual default by the issuer, AMC may segregate the portfolio of the impacted unrated debt or money market instruments.

Process for creation of segregated portfolio:

1. On the date of credit event/ actual default (Day T), AMC will decide on creation of segregated portfolio. Once AMC decides to segregate portfolio, it would:
 - a) PAMC shall inform AMFI immediately about the actual default by the issuer in case of unrated debt or money market instrument.
 - b) Seek approval of Trustees prior to creation of the segregated portfolio.
 - c) Immediately issue a press release disclosing its intention to segregate such debt and money market instrument and its impact on the investors. Principal Mutual Fund will also disclose that the segregation shall be subject to Trustee approval. Additionally, the said press release will be prominently disclosed on the website of the AMC. In case the decision to segregate is taken and Press Release could not be issued on T-Day because of time constraint w.r.t. notice required to be sent to newspaper, a disclosure of such decision shall be put up on the website of PAMC and investors of the concerned Scheme(s) will be intimated via an SMS or email in this regard.
 - d) Ensure that till the time the Trustee approval is received, which in no case shall exceed 1 business day from the day of credit event/ actual default, the subscription and redemption in the scheme will be suspended for processing with respect to creation of units and payment on redemptions.
2. Once Trustee approval is received by the AMC:
 - a) Segregated portfolio will be effective from the day of credit event/ actual default.
 - b) AMC shall issue a press release immediately with all relevant information pertaining to the segregated portfolio. The said information will also be submitted to SEBI.

- c) An e-mail or SMS will be sent to all unit holders of the concerned scheme.
- d) The NAV of both segregated and main portfolio will be disclosed from the day of the credit event/ actual default.
- e) All existing investors in the scheme as on the day of the credit event/ actual default will be allotted equal number of units in the segregated portfolio as held in the main portfolio.
- f) No redemption and subscription will be allowed in the segregated portfolio. However, upon recovery of any money from segregated portfolio, it will be immediately distributed to the investors in proportion to their holding in the segregated portfolio.
- g) AMC will enable listing of units of segregated portfolio on the recognized stock exchange within 10 working days of creation of segregated portfolio and also enable transfer of such units on receipt of transfer requests.
- h) Investors redeeming their units will get redemption proceeds based on the NAV of main portfolio and will continue to hold the units of segregated portfolio.
- i) The securities in the segregated portfolio shall not be allowed to be transferred to any other scheme at any other value through inter-scheme process.

Processing of Subscription and Redemption Proceeds:

All subscription and redemption requests for which NAV of the day of credit event/ actual default or subsequent day is applicable will be processed as under:

1. Upon trustees' approval to create a segregated portfolio -
 - Investors redeeming their units will get redemption proceeds based on the NAV of main portfolio and will continue to hold the units of segregated portfolio.
 - Investors subscribing to the scheme will be allotted units only in the main portfolio based on its NAV.
2. In case Trustees do not approve the proposal of segregated portfolio, subscription and redemption applications will be processed based on the NAV of total portfolio.

Disclosure:

AMC shall make necessary disclosures as mandated by SEBI, in statement of account, monthly / half yearly portfolio statements, Key Information Memorandum (KIM), SID, Scheme Advertisements, Scheme Performance data, AMC Website and at other places as may be specified.

The information regarding number of segregated portfolios created in a scheme shall appear prominently under the name of the scheme at all relevant places such as SID, KIM-cum-Application Form, advertisement, AMC and AMFI websites, etc.

Monitoring by Trustees

Trustees will monitor the compliance of the SEBI Circular in respect of creation of segregated portfolio and disclosure in this respect shall be made in Half-Yearly Trustee reports filed with SEBI.

In order to avoid mis-use of segregated portfolio, Trustees will put in place a mechanism to negatively impact the performance incentives of Fund Managers, Chief Investment Officers (CIOs) etc. involved in the investment process of securities under the segregated portfolio, mirroring the existing mechanism for performance incentives of the AMC, including claw back of such amount to the segregated portfolio of the scheme.

Total Expense Ratio (TER) for the Segregated Portfolio:

1. Investment and advisory fees (management fees) will not be charged on segregated portfolio. TER (excluding management fees) can be charged on pro-rata basis only upon recovery of the investments in segregated portfolio.
2. TER so levied shall not exceed the simple average of such expenses charged on daily basis on the main portfolio (in % terms) during the period for which the segregated portfolio was in existence.
3. The legal charges for recovery can be charged to the segregated portfolio (within the TER limits of the main portfolio) in proportion to the amount of recovery. However, the same shall be within the maximum TER limit as applicable to the main portfolio. The legal charges in excess of the TER limits, if any, shall be borne by the AMC.
4. The costs related to segregated portfolio shall not be charged to the main portfolio.

Explanations:

‘Segregated portfolio’ shall mean a portfolio, comprising of debt or money market instrument affected by a credit event/ actual default. that has been segregated in a mutual fund scheme.

‘Main portfolio’ shall mean the scheme portfolio excluding the segregated portfolio.

‘Total portfolio’ shall mean the scheme portfolio including the securities affected by the credit event/ actual default.

Benefits of Creation of Segregated Portfolio:

1. Creation of Segregated portfolio helps ensuring fair treatment to all investors in case of a credit event/ actual default and helps in managing liquidity risk during such events;
2. Investors subscribing to the scheme post segregation of the portfolio will be allotted units only in the main portfolio based on its NAV;
3. The investors of the segregated portfolio shall be duly informed of the recovery proceedings of the investments of the segregated portfolio. Status update may be provided to the investors at the time of recovery and also at the time of writing-off of the segregated securities.
4. Only investors who hold units in the scheme on the day of credit event/ actual default shall be entitled to share the proceeds generated from the sale of the segregated asset or any future recovery(s).

Restrictions, if any, on the right to freely retain or dispose of units being offered.

RIGHT TO RESTRICT AND / OR SUSPEND REDEMPTION OF THE UNITS

The Fund at its sole discretion reserves the right to restrict Redemption/ switch-out of the Units (including Plan / Option) of the Scheme(s) of the Fund for a period of time not exceeding ten (10) working days in any ninety (90) days period upon occurrence of the below mentioned events, subject to approval of the Board of Directors of the AMC and the Trustee. No restriction on Redemption/ switch out shall be applicable to the Redemption/ switch-out request upto INR 2,00,000/-(Rupees Two Lakhs). In cases where the redemption request is beyond INR 2,00,000/- (Rupees Two Lakhs), no restriction shall be applicable on first INR 2,00,000/- (Rupees Two Lakhs). The AMC shall redeem/ switch out the first INR 2,00,000/- (Rupees Two Lakhs) and the remaining amount shall be subject to such restriction. It is to be noted that such restriction on redemption/ switch- out should apply only during excessive large redemption requests that could arise in overall market crisis situations and illiquidity is caused in almost all securities affecting the market at large.

The Trustee / AMC reserves the right to restrict Redemption or suspend Redemption of the Units in the Scheme(s) of the Fund on account of circumstances leading to a systemic crisis or event(s) that severely constricts market liquidity or the efficient functioning of the markets such as: -

1. Liquidity issues: when market at large becomes illiquid affecting almost all securities rather than any issuer specific security;
2. Market failures / Exchange closures: when markets are affected by unexpected events which impact the functioning of exchanges or the regular course of transactions. Such unexpected events could also be related to political, economic, military, monetary or other emergencies;
3. Operational issues: when exceptional circumstances are caused by force majeure, unpredictable operational problems and technical failures (e.g. a black out).
4. Any other circumstances as may be notified by SEBI/ AMFI or such circumstances where the approval from SEBI and Trustees/ AMC is obtained.

Any restriction on Redemption or suspension of Redemption of the Units in the Scheme(s) of the Mutual Fund shall be made applicable only after specific approval of the Board of Directors of the AMC and Trustee Company and thereafter, immediately informing the same to SEBI.

SUSPENSION OF SALE/ SWITCH-IN OF THE UNITS

The AMC reserves the right in its sole discretion to withdraw the facility of Sale and Switching Option of Units into the Scheme(s) (including any one Plan / Option of the Scheme), temporarily or indefinitely. If AMC views that enhancement in the size of the corpus further may prove detrimental to the existing unit holders of the Scheme. Approval of the Board of AMC and Trustee Company shall be obtained prior to such suspension.

In case of a specific request received from the Unit holder(s), the AMC/Fund will provide an account statement (reflecting transactions of the Fund) to the Unit holder(s) not later than 5 Business Days from the receipt of such request. In case an investor does not wish to receive SCAS, an option shall be given by the Depository to indicate negative consent. Investor(s) having multiple demat accounts across the Depositories shall have an option to choose the Depository through which the SCAS will be received.

Half Yearly Account Statement:

SCAS:

In case there is no transaction in the folio, a half yearly SCAS detailing holding across all schemes of mutual funds and securities held in dematerialized form across demat accounts shall be sent by Depositories to investors at the end of every six months (i.e. September/March), on or before 21st day of succeeding month.

The half yearly SCAS will be sent by mail/e-mail as per the mode of receipt opted by the investors to receive monthly SCAS.

In case of demat accounts with NIL balance and no transactions in mutual fund folios and in securities, the depository shall send physical statement to investor(s) in terms of regulations applicable to Depositories. Investors who are not eligible for receiving SCAS shall continue to receive a monthly account statement from the AMC

CAS:

^CAS detailing holding across all schemes of all mutual funds at the end of every six months (i.e. September/ March), shall be sent by mail/e-mail on or before 21st day of succeeding month, to all such Unit holders in whose folios no transactions** has taken place during that period.

The half yearly consolidated account statement will be sent by e-mail to the Unit holders whose e-mail address is available, unless a specific request is made to receive in physical.

^ Consolidated Account Statement (CAS) shall contain details relating to all the transactions** carried out by the investor across all schemes of all mutual funds during the month and holding at the end of the month including transaction charges paid to the distributor.

** 'Transaction' shall include Purchase, Redemption, Switch, IDCW Payout IDCW Reinvestment , Systematic Investment Plan, Regular Withdrawal Plan and Systematic Transfer Plan.

Further, the CAS issued for the half-year (ended September/March) shall also provide:

- a. The amount of actual commission paid by AMCs/Mutual Funds (MFs) to distributors (in absolute terms) during the half-year period against the concerned investor's total investments in each MF scheme. The term 'commission' here refers to all direct monetary payments and other payments made in the form of gifts / rewards, trips, event sponsorships etc. by AMCs/MFs to distributors.
- b. The scheme's average Total Expense Ratio (in percentage terms) for the half-year period for each scheme's applicable plan (regular or direct or both) where the concerned investor has actually invested in.
- c. Such half-yearly CAS shall be issued to all MF investors, excluding those investors who do not have any holdings in MF schemes and where no commission against their investment has been paid to distributors, during the concerned half-year period

Account/Folio Number:

Each unit holder will have an account/folio number. The number of units allotted to a unit holder or repurchased by a unit holder will be reflected in his

or her account and a statement/advice to this effect will be issued to the unit holder.

Common Account Number:

As a investor friendly measure, (if so desired by the investor), one Common Account Number will be assigned for an investor investing in different schemes of the Fund. In such a case, one consolidated account statement will be provided. Once set up as per the request made by the investor, the AMC reserves the right to assign the existing Common Account Number against multiple applications and/or subsequent purchases under a new application form by an existing unit holder, with identical mode of holding and address.

Account Statement:

The Account Statement shall not be construed as a proof of title and is only a computer-printed statement indicating the details of transactions under the scheme and is a non-transferable document. The Account Statement shall normally be dispatched within three business days on an ongoing basis.

Unit Certificates:

Normally no unit certificates will be issued under the Scheme. However, the AMC shall issue a Unit certificate to the applicant not later than 5 Business Days of the receipt of request for the certificate. Unit certificate, if issued, must be surrendered along with the request for Redemption / Switch or any other transaction of Units covered therein. On production of instrument of transfer together with relevant unit certificates, AMC shall register the transfer and return the unit certificate to the transferee within 30 days from the date of such production. The process and timelines for transfer would be as per the terms and conditions as applicable from time to time. However, investors are requested to note that issuance of Unit Certificates or request for transfer of Unit Certificate to any transferee thereof, would attract Stamp Duty/Statutory levies as stipulated by the Government authorities from time to time.

Units With Depository

The unitholders can dematerialise their holding at any time by making an application to their Depository Participant by filling up the Dematerialisation Request Form (DRF). Units held in demat form are freely transferable. The AMC shall issue units in demat form to the unitholder within 2 business days of receipt of request from unitholder.

The same number of Units held in the physical mode shall be continued in the demat mode. The expenses incurred by the AMC in dematting of the referred units may be recovered from unitholders or may be charged to the scheme as per annual recurring expenses.

Units held in the form of Unit Certificates and demat mode are freely transferable.

Rematerialisation of Demat Units:

The unitholders who converted their units in demat mode may also rematerialize their units. The request for rematerialising the demat Units may be given to the respective Depository Participant (DP) of the investor. On receiving the confirmation of demat Units balance, account statement for the physical Units shall be issued. The same number of Units held in the demat mode shall be continued in the physical mode. Rematerialisation of demat Units shall be processed within the thirty days or such other days as may be

	<p>stipulated under SEBI Regulations from the date of receipt of such a request, provided it is complete and valid in all respects.</p>
<p>Dividend</p>	<p>The Dividend warrants/cheque/demand draft shall be dispatched to the Unit holders within 15 days of the Record Date. The Dividend proceeds will be paid by way of ECS / EFT / NEFT / RTGS / Direct credits/ any other electronic manner if sufficient banking account details are available with Mutual Fund for Investor.</p> <p>In case of specific request for Dividend by warrants/cheques/demand drafts or unavailability of sufficient details with the Mutual Fund, the Dividend will be paid by warrant/cheques/ demand drafts and payments will be made in favour of the Unit holder (registered holder of the Units or, if there are more than one registered holder, only to the first registered holder) with bank account number furnished to the Mutual Fund.</p> <p>The dividend warrants/cheques/demand drafts will be sent by courier or (if the addressee city is not serviced by the courier) by registered post / UCP to the registered address of the sole / first holder as per the records of the Registrars. For the purpose of delivery of the dividend instrument, the dispatch through the courier / Postal Department, as the case may be, shall be treated as delivery to the investor. The AMC / Registrar are not responsible for any delayed delivery or non-delivery or any consequences thereof, if the dispatch has been made correctly as stated above.</p>
<p>Redemption</p>	<p>Redemption/ Repurchase Procedure</p> <p>The units of the Scheme can be repurchased (sold back to the Fund) on any business day. The repurchase request can be made on Application Form/Common Transaction form or by using the relevant tear off section of the Transaction Slip that may be enclosed with the Account Statement, which should be submitted at any of the Official Point of Acceptance. Where the date of redemption is a non business day, the deemed date for such redemption will be the next business day.</p> <p>In case the units are standing in the names of more than one unit holder, where mode of holding is specified as “jointly”, repurchase requests will have to be signed by all the joint holders. However, in cases of holding specified as ‘either/anyone or survivor’, any one of the joint holders (in case of either/anyone or survivor) will have the power to make repurchase request. However, in all cases, the repurchase proceeds will be paid to the first named holder only.</p> <p>In case a unit holder has subscribed to units on more than one Business Day (either through continuation in case of existing unit holder, or through subsequent subscriptions), the units subscribed to prior in time (that is those units which have been held for the longest period of time), will be deemed to have been repurchased first, that is on a First -In -First-Out basis. However, a unit holder may request the Fund to repurchase units subscribed by him/her at different dates, by indicating the specific date of subscription of the units, which is offered for repurchase.</p> <p>The repurchase request can be made by specifying the Rupee amount or by specifying the number of units to be repurchased. If a repurchase request is for both a specified Rupee amount and a specified number of units, the specified rupee amount will be considered the definitive request. If only the repurchase amount is specified by the unit holder, the AMC will divide the repurchase amount so specified by the applicable NAV based price to arrive at the number of units. The request for repurchase of units could also be in fractions, up to three decimal places.</p>

If the number of Units held by the Investor as per the records maintained by AMC and/or the Registrar is less than the number of Units requested to be redeemed then, all the Units held by the Unit holder in such folio / Scheme / plan for which application for Redemption is made, shall be redeemed. Provided that, where redeem 'all' is specified in the request, all Unit holdings in that Scheme shall be redeemed.

The AMC reserves the right to change the minimum repurchase amount on a prospective basis subject to SEBI Regulations. Unit holders may also request for repurchase of their entire holding and close the account by indicating the same at the appropriate place in the Transaction Slip/Repurchase form.

Repurchase Price

The repurchase price will be calculated using the following formula:

Repurchase Price = Applicable NAV*(1 – Exit Load, if any).

Example for calculation of Repurchase Price

If the Applicable NAV is Rs.11.25 and a 1.00% exit load is charged the repurchase price will be calculated

as follows:

Repurchase Price = Rs.11.25 x (1 - 1 % of Rs.11.25)

= Rs.11.25 - Rs.0.1125

= Rs.11.1375 per unit

The repurchase price shall not be lower than 93% of the NAV.

The AMC reserves the right to modify the exit load. However, any such change in the load structure shall be only on a prospective basis. The unit holder is requested to confirm the applicable exit load at the time of investment from the AMC/OPT.

Repurchase by NRI's/ FIIs

Repurchase of unit balances in the account of an NRI/FII will be subject to any procedures laid down by the RBI. Such repurchase proceeds will be paid by means of a rupee cheque payable to the designated NRE/ NRO account of the unit holder and subject to RBI procedures and approvals and subject to deduction of tax at source, as applicable. All bank charges in connection with such payment will have to be borne by the unit holder and/or the Scheme by way of ongoing expenses.

Payment of Repurchase Proceeds

The time limit set for dispatch of repurchase proceeds will be from the Business Day when the request is accepted at the Official Point of Acceptance. As per the SEBI Regulations, the Fund shall mail the repurchase proceeds within ten Business Days from the date of acceptance of valid request at any of the Official Point of Acceptance, in case of a repurchase request being sent by post.

In the event of failure to dispatch the repurchase or repurchase proceeds within the statutory period specified above as per the SEBI Regulations, the AMC shall be liable to pay interest to the unit holders at such rate (currently 15% per annum) as may be specified by SEBI for the period of such delay.

Electronic Credit Clearing Services (ECS) Identified Banks

ECS is a facility offered by RBI for facilitating better customer service by direct credit of dividend or repurchase amount to a unit holder's bank account through electronic credit. This helps in avoiding loss of dividend or repurchases warrant in transit or fraudulent encashment. The Fund will endeavour to arrange such facility for payment of dividend/repurchase

proceeds to the unit holders. However, this facility is optional for the unit holders. Repurchase proceeds may be released through the ECS facility to unit holders residing in any of the cities where such a facility is available. In order to avail the above facility, the unit holder will have to give a written request to the Registrar. If the unit holder has opted for the ECS facility his/her bank branch will directly credit the amount due to them in their account whenever the payment is through ECS. The Registrar will send a separate advice to the unit holder informing them of the direct credit. It may be noted that there is no commitment from the Fund that this facility will be made available to the unit holders for payment of dividend/repurchase proceeds. While the Fund will endeavour in arranging the facility it will be dependent on various factors including sufficient demand for the facility from unit holders at any centre, as required by the authorities. In places where such a facility is not available or if the facility is discontinued by the Fund for any reason the repurchase warrants will be mailed to the unit holder.

Unit holder's Bank Account Details

Unit holders are on a mandatory basis required to mention their bank account details in their applications/ requests for redemption. Redemption Cheques and/or any other instruments will then be made out in favour of the “Investor Name, Bank Name, Account Number, << >>” of the Bank for crediting the respective unit holder's account so specified.

The normal processing time may not be applicable in situations where such details are not provided by unit holders. The AMC will not be responsible for any loss arising out of fraudulent encashment of cheques and delay/loss in transit.

Further, in accordance with AMFI communication no. 135/BP/26/11-12 dated March 21, 2012, following process vis-à-vis change in bank mandate is being followed effective May 1, 2012 (effective date) -

I. Change in Bank Mandate

Closure of Unit holder's Account

Unit holders may note that the AMC at its sole discretion may close a unit holder's account after giving notice of 45 days, if at the time of any part repurchase, the value of units (represented by the units in the unit holder's account if such repurchase were to take place, valued at the applicable NAV related price), falls below the minimum investment/balance required for each scheme (or such other amount as the AMC may decide from time to time) or where the units are held by a unit holder in breach of any Regulation.

Restriction on Third Party Payment for subscription of Mutual Fund Units and Registration of Multiple Bank Accounts

Third Party Payments for subscription of Units

Applications for subscription shall not be accepted when accompanied with *Third Party payments, except in the following situations:

- Payment by Employer on behalf of employee under Systematic Investment Plan(s) or Lumpsum/One time subscription through Payroll deductions;
- Custodian on behalf of FII or a client;
- Payment by AMC to a Distributor empanelled with it on account of commission/incentive etc. in the form of Mutual Fund Units of the Funds managed by the AMC through SIP or lump sum/one time subscription.
- Payment by corporate to its agent/distributor/dealer (similar arrangement with Principal-agent relationship), on account of commission/incentive payable for sale of its goods/services, in the form of Mutual Fund units through Systematic Investment Plans or lumpsum/one time subscription.

*Third Party Payment shall mean those payment made through instruments issued from an account other than that of the beneficiary investor. However, in case of payments from a joint bank account the first holder of the mutual fund

folio should be one of the joint holders of the bank account from which payment is made.

In case of exceptional situations stated above, following additional documents shall be mandatorily enclosed along with the Subscription application:

a) KYC Acknowledgement Letter for Investor and the Person making the payment.

b) “Third Party Declaration Form” from the Investor and the person making the payment, giving details of the bank account from which the payment is made and the relationship with the Beneficiary Investor(s). (Declaration Format shall be available at any of our Investor Service Centre or on www.principalindia.com)

Investor along with the subscription application must provide the details of his pay-in bank account (i.e. account from which a subscription payment is made) and his pay-out bank account (i.e. account into which redemption / dividend proceeds are to be paid). In case of payments received from a Bank Account which is not registered and the first unitholder's name is not preprinted on the payment cheque or wherein the bank mandate mentioned in the application form by the investor for effecting payouts is not the same as the bank account from which the investment is made, any one of the following documents in relation to the bank mandate shall be submitted by the investor along with the application form to validate that the bank mandate belongs to the investor:

- i. Cancelled original cheque having first holder name pre-printed on the cheque;
- ii. Original bank statement (with transaction entries not older than 3 months) reflecting the first holder name, bank account number and bank name as specified in the application form;
- iii. Photocopy of the bank statement/bank passbook (with transaction entries not older than 3 months) reflecting the first holder name, bank account number and bank name as specified in the application form, duly attested by the bank manager and bank seal;
- iv. Confirmation by the bank manager with seal/on the bank’s letterhead confirming the investor details and bank mandate information as mentioned in the application form

As directed by AMFI, a copy of acknowledgement from the Bank wherein the instructions to debit the Investor's bank account and name of the Investor as on account holder are available OR copy of pass book/bank statement evidencing the debit for issuance of a DD, shall also be accepted by the Mutual Fund.

b) **Demand Draft/Pay Order, Banker's Cheque and the like issued against cash by the Bank [for an investment amount less than ` 50,000/- only]:** Certificate from the Banker giving name, address, Bank account number and PAN (if available) of the person who has requested for the demand draft.

c) **Payment vide RTGS, NEFT, ECS, Bank Transfer etc:** copy of the instruction to the bank stating the account number debited must accompany the purchase application.

In such instance, where, post verification it is found that the payment, in any mode, is not made from a registered bank account or is made from an account where the first named unit holder is not an Account holder / one of the account holder in case of Joint Bank Account, the AMC/R&T, reserves the right to reject the transaction / subscription application, without any liability.

Additionally, in order to prevent fraudulent practices, Investors are urged to make the payment instruments (cheque / Demand draft / Pay Order etc.) favouring "XYZ Scheme A/c. First Investor Name" OR "XYZ Scheme A/c. Permanent Account Number" OR "XYZ Scheme A/c. Folio Number".

Multiple Bank Accounts:

Unitholders shall have the facility to register multiple bank accounts at folio level - upto a maximum of 5 Bank Accounts in case of Individual and HUF Investor and 10 Bank Accounts in case of Non Individual Investor. Such facility can be availed by submitting duly filled in "Multiple Bank Account Registration form" at the Investor Service Centre closest to you, along with copy of any one of the following documents:

a) cancelled cheque leaf of the bank account which has to be registered [the account number and name of the first unitholder should be printed on the cheque leaf];

b) Bank Statement / Pass Book with the account number, name of the Unitholder and Address;

c) Bank letter / certificate on its letter head certifying the account holder's name, account number and branch address [Such letter / certification should be certified by the Bank Manager with his / her full name, signature, employee code.]

Investors should also present the Original of the above Document submitted along with the subscription application, and such original document shall be returned across the Counter post due verification

Subsequent, to successful registration of multiple bank accounts, Investors can select any of the registered bank accounts in the application form for the

	<p>purpose of subscriptions, redemption and dividend proceeds. Investor shall also have the option to register any one of their account as a default bank account for credit of redemption /dividend proceeds.</p> <p>Further an Investor may also opt to delete a registered default bank account; however, such deletion of a default bank account shall be permitted only if the Investor registers another registered account as a default account and the same shall be in accordance with the procedure as stated in the section titled “change in bank mandate”.</p> <p>In the event of rejection of such registration application for any reason, the redemption / dividend proceeds shall be processed as per specified service standards and the last registered bank account information in the records of Registrar & Transfer Agent - KFI Technologies Private Limited, will be relied upon and used for such payments.</p> <p>It is clarified that in case of Change of Bank Account along with Redemption application submitted by the Investor, the redemption proceeds shall be credited to the said bank account only if it is a registered bank account in the records of R&T.</p> <p>However, if the new bank account is not one of the registered bank accounts, the redemption proceeds shall be credited to such new bank account post completion of the cooling off period as prescribed by AMFI and within regulatory prescribed timelines.</p>
<p>Delay in payment of redemption proceeds</p>	<p>The Asset Management Company shall be liable to pay interest to the unitholders at such rate as may be specified by SEBI for the period of such delay (presently @ 15% per annum)</p>
<p>The policy regarding reissue of repurchased units, including the maximum extent, the manner of reissue, the entity (the Scheme or the AMC) involved in the same.</p>	<p>Presently the AMC does not intend to reissue the repurchased units. The trustee reserves the right to reissue the repurchased units at a later date after issuing adequate public notices and taking approvals, if any, from SEBI.</p>

Further, the cost of acquisition to compute long-term capital gains is to be higher of (a) Actual cost of acquisition; and (b) Lower of (i) fair market value as on 31 January 2018; and (ii) full value of consideration received upon transfer.

Other points

Investors may be subject to Minimum Alternate Tax / Alternate Minimum Tax under section 115JB of the Act / Section 115JC of the Act respectively.

This chart is prepared on assumption that the investment in units of Mutual Fund would be characterised as capital assets in the hands of the unit holder.

Where the Fund receives any income from investments made in overseas jurisdiction, the same may be subject to withholding tax (or any other tax) in the relevant jurisdiction from which the income is received.

As the income of the fund is exempt from tax in India, credit / refund in respect of such foreign taxes may not be available in India.

Upon redemption of the units, securities transaction tax would be payable by the unit holders @ 0.001% of the redemption price.

D. COMPUTATION OF NAV

The NAV of the Scheme for each option at any time shall be determined by dividing the net assets of the Scheme by the number of outstanding units on the valuation date.

The NAV of the Scheme will be calculated on a daily basis as shown below:

$\text{NAV per unit} = \frac{\text{(Market / Fair Value of Securities + Accrued Income + Receivables + other Accrued Expenses – payables-other liabilities)}}{\text{No. of units outstanding of the Scheme / Option}}$
--

The NAV will be calculated up to two decimals. The NAVs will be declared on every Business Day by 11.00 p.m.

The computation of Net Asset Value, valuation of assets, computation of applicable Net Asset Value (related price) for repurchase, switch and their frequency of disclosure shall be based upon a formula in accordance with the Regulations and as amended from time to time including by way of Circulars, Press Releases, or Notifications issued by SEBI or the Government of India to regulate the activities and growth of Mutual Funds.

The dividend paid on units under the Dividend Option of the Fund shall be deducted in computing the NAV of the units under the Dividend Option, each time a dividend is declared and till it is distributed. Consequently, once the dividend is distributed, the NAV of the units will always remain lower than the NAV of the units under the Growth Option. The income earned and profits realized attributable to the units under the Growth Option shall remain invested and shall be deemed to have remained invested in the Growth Option (exclusive of the units under the Dividend Option) and would be reflected in the NAV of the units under the Growth Option.

The valuation of the Scheme's assets and calculation of the Scheme's NAV shall be subject to audit on an annual basis and such regulations as may be prescribed by SEBI from time to time.

The first NAV will be calculated and announced within a period of 5 business days after the close of the NFO Period. Subsequently, the NAV shall be calculated on all Business Days.

SECTION V: FEES AND EXPENSES

This section outlines the expenses that will be charged to the Scheme.

A. NEW FUND OFFER (NFO) EXPENSES

Further, in addition to the limits on total expenses specified in Regulation 52(6) of SEBI (Mutual Funds) Regulations, 1996 (the Regulation) the following expenses may be charged to the Scheme under Regulation 52 (6A) -

#(a) Brokerage and transaction costs incurred for the purpose of execution of trades and included in the cost of investment, not exceeding 0.12% of the value of trades in case of cash market transactions and 0.05% of the value of trades in case of derivative transactions.; Further, in accordance with SEBI circular no. CIR/IMD/DF/24/2012 dated November 19, 2012, the brokerage and transaction costs incurred for the execution of trades will be capitalized to the extent of 0.12% of the value of the trades in case of cash market transactions and 0.05% of the value of the trades in case of derivatives transactions. Any payment towards brokerage and transaction costs(including service tax, if any incurred) for the execution of trades over and the said 0.12% and 0.05% of the cash market transactions and derivative transactions respectively may be charged to the scheme within the maximum limit of Total Expense Ratio as prescribed under Regulation 52 of the SEBI(MF) Regulations.

(b) Expenses not exceeding 0.30% of daily net assets, if the new inflows only from Retail investors from such cities as specified by SEBI from time to time are at least (i) 30% of gross inflows in the Scheme OR (ii) 15% of the average assets under management (year to date) of the Scheme - whichever is higher.

However if inflows from such cities is less than the higher of (i) & (ii) as mentioned above, such expenses on daily net assets of the Scheme may be charged on proportionate basis. Further, the expenses charged under this clause shall be utilized for distribution expenses incurred for bringing inflows from such cities. The amount incurred as expense on account of inflows from such cities shall be credited back to the Plan in case the said inflows are redeemed within a period of one year from the date of investment. . Inflows of amount upto Rs 2,00,000/- per transaction, by individual investors shall be considered as inflows from “retail investor”.

(c) Additional expenses incurred towards different heads mentioned under sub-regulation 52(2) & 52(4) of the Regulation not exceeding 0.05% of the daily net assets of the Scheme or as specified by the Board.

“Provided that such additional expenses shall not be charged to the schemes where the exit load is not levied or applicable.”

The mutual fund would update the current expense ratios on the website at least three working days prior to the effective date of the change as required under the regulations. Additionally, AMCs shall upload the TER details on the website under the below link:

AMC may charge Goods and Services tax on investment and advisory fees of the Scheme in addition to the maximum limit of TER as per the Regulation 52(6) and (6A).

These estimates have been made in good faith by the AMC and are subject to change inter-se. The expenses may be more than as specified in the table above, but the total recurring expenses that can be charged to the Scheme will be subject to limits prescribed from time to time under the SEBI Regulations. Any expense other than those specified in the SEBI Regulations shall be borne by the AMC and/ or the Sponsors and/or Trust. The purpose of the above table is to assist the unitholder in understanding the various costs and expenses that a unitholder in the Scheme will bear directly or indirectly.

Any other expenses that are directly attributable to the Scheme, and permissible under SEBI (Mutual Funds) Regulations, 1996 from time to time, may be charged within the overall limits as specified in the Regulations.

The Scheme shall strive to reduce the level of these expenses so as to keep them well within the maximum limits currently allowed by SEBI and any revision in the said expenses limits by SEBI would be applicable.

All scheme related expenses including commission paid to distributors, by whatever name it may be called and in whatever manner it may be paid, shall necessarily be paid from the scheme only within the regulatory limits and not from the books of the Asset Management Companies (AMC), its associate, sponsor, trustee or any other entity through any route.

All fees and expenses charged in a direct plan (in percentage terms) under various heads including the investment and advisory fee shall not exceed the fees and expenses charged under such heads in a regular plan.

C. LOAD STRUCTURE & TRANSACTION CHARGES

1) Exit Load is an amount which is paid by the investor to redeem the units from the scheme. Load amounts are variable and are subject to change from time to time. For the current applicable structure, please refer to the website of the AMC (www.principalindia.com) or may call at (1800 425 5600) or your distributor.

2) Load details:

Type of Load : Load Chargeable (As a %age of NAV)	
Entry Load	Not Applicable Pursuant to SEBI circular no. SEBI/IMD/CIR No.4/ 168230/09 dated June 30, 2009, no entry load will be charged by the Scheme to the investor. The upfront commission on investment made by the investor, if any, shall be paid to the ARN Holder (AMFI

	registered Distributor) directly by the investor, based on the investor's assessment of various factors including service rendered by the ARN Holder.
Exit Load	If redeemed/ switched on or before 365 days from the date of allotment: <ul style="list-style-type: none"> • Nil for redemption/ switch out of units upto 24% of the units allotted (the limit) • 1% on redemption in excess of 24% of the limit stated above- Redemption of units would be done on First in First out Basis (FIFO) Nil thereafter.

Units issued on reinvestment of Dividends shall not be subject to any Load, if any. The above mentioned load structure shall be equally applicable to the special products such as STP, switches, etc. offered by the AMC.

- 3) No exit load shall be levied for switch-out from Direct Plan to Regular Plan or from Regular Plan to Direct Plan. However, any subsequent switch-out or redemption of such investment from Regular Plan/ Direct Plan shall be subject to exit load based on the original date of investment in the Direct Plan/ Regular Plan. No exit load shall be levied for switching between Options under the same Plan within the Scheme
- 4) Switch of investments between Plans under a Scheme having separate portfolios, will be subject to applicable exit load.
- 5) In accordance with the requirements specified by the SEBI circular no. SEBI/IMD/CIR No.4/168230/09 dated June 30, 2009 inter alia no entry load will be charged by the Fund with effect from August 01, 2009. Upfront commission on investment made by the investor, if any, shall be paid to the ARN Holder directly by the investor, based on the investor's assessment of various factors including service rendered by the ARN holder.
- 6) Pursuant to SEBI Circular CIR/IMD/DF/21/2012 dated September 13, 2012 read with notification No. LADNRO/ GN/2012-13/17/21502 dated September 26, 2012 GST on exit load, if any, shall be paid out of the exit load proceeds and exit load net of GST, if any, shall be credited to the scheme with effect from October 01, 2012.
- 7) Load structure is variable and subject to change from time to time, in alignment with provisions of the relevant SEBI Regulations/Guidelines. The AMC reserves the right to change/modify exit/switchover load (including zero load), depending upon the circumstances prevailing at any given time. A notice intimating the change shall be displayed on the website / Investor service centre.

The AMC may also:

- i. Attach the Addendum to Scheme Information Document and Key Information Memorandum and / or circulate the same to Distributors / Brokers so that the same can be attached to all Scheme Information Documents and Key Information Memoranda already in stock.
- ii. Arrange to display the addendum to the Scheme Information Document in the form of a notice in all the investor service centres and distributors/brokers office.
- iii. Disclose exit load in the statement of accounts issued after the introduction of such load.
- iv. take other measures which it may feel necessary.

The investor is requested to check the prevailing load structure of the scheme before investing. For the current applicable structure, he may refer to the website of the AMC - www.principalindia.com or may call at may call at 1800 425 5600 or your distributor.

- 8) Units issued on reinvestment of dividends shall not be subject to exit load.
- 9) Load on switch out will be same as exit load applicable to the respective schemes. If the Applicable NAV is Rs.11.25 and a 1% exit load is charged the repurchase price will be calculated as follows:

E.g. Repurchase Price = Applicable NAV x (1-Exit Load, if any).
Therefore, the Repurchase Price would be Rs11.25 x (1-1.00% of Rs11.25) = Rs11.1375.
- 10) The repurchase price shall not be lower than 95% of the NAV and the sale price shall not be higher than 105% of the NAV. However, the difference between the repurchase price and sale price shall not exceed 5% on the sale price.
- 11) The exit load may be linked to the period of holding. Any imposition/enhancement or change in load structure shall be applicable on prospective investment only. However, any change at a later stage shall not affect the existing unit holders adversely.

Transaction Charges –

In accordance with SEBI Circular No. Cir/ IMD/ DF/13/ 2011 dated August 22, 2011, Principal Asset Management Pvt. Ltd (PAMC) /Principal Mutual Fund (PMF) shall deduct Transaction Charges on purchase / subscription received from the Investors through Distributors/Agents (who have opted to receive the transaction charges) as under:

(i) **First Time Mutual Fund Investor (across Mutual Funds):** Transaction charge of Rs.150/- for subscription of Rs.10,000 and above will be deducted from the subscription amount and paid to the Distributor/Agent of the first time investor and the balance shall be invested.
