PART I. HIGHLIGHTS/SUMMARY OF THE SCHEME

Sr. No.	Title	Description
I.	Name of the scheme	Groww Aggressive Hybrid Fund
II.	Category of the Scheme	Aggressive Hybrid Fund
III.	Scheme type	An open ended hybrid scheme investing predominantly in equity and equity related instruments
IV.	Scheme code	INDB/O/H/AHF/18/05/0008
V.	Investment objective	The Scheme seeks to generate periodic return and long term capital appreciation from a judicious mix of equity and debt instruments. However, there can be no assurance that the investment objective of the Scheme will be achieved. The Scheme does not assure or guarantee any returns.
VI.	Liquidity Listing details	The Scheme will offer units for purchases/switch-ins and redemptions/switch-outs at NAV based prices on all business days on an ongoing basis. Repurchase of Units will be at the NAV prevailing on the date the units are tendered for repurchase. As per SEBI (MF) Regulations, the Mutual Fund shall dispatch redemption proceeds within 3 working Days of receiving a valid redemption request. A penal interest of 15% per annum or such other rate as may be prescribed by SEBI from time to time, will be paid in case the redemption proceeds are not made within 3 working Days from the date of receipt of a valid redemption request. The Scheme being open ended, the units are not proposed to be listed on any stock exchange and no transfer facility on the exchange is provided. However, the Trustee reserves the right to list the units as and when open-end Schemes are permitted to be listed under the SEBI (MF) Regulations, and if the Trustee considers it necessary in the interest of unit holders of the Scheme
VII.	Benchmark	As per AMFI Tier I benchmark CRISIL Hybrid 35+65 - Aggressive Index The Benchmark Index seeks to capture returns on a balanced portfolio which includes equity and debt. Hence, it is an appropriate benchmark for the Scheme. The Trustees reserve the right to change the benchmark in future if a benchmark better suited to the investment objective of the Scheme is available.

VIII.	NAV disclosure	, The AMC will calculate and disclose the NAVs for all Business Days. The Asset Management Company ("AMC") shall update the NAVs on the website of Association of Mutual Funds in India ("AMFI") (www.amfiindia.com) by 11.00 p.m. every Business Day. The NAV shall also be available on AMC website https://www.growwmf.in/nav Further Details in Section II.
IX.	Applicable timelines	Dispatch of redemption proceeds: The redemption or repurchase proceeds shall be dispatched to the unitholders within 03 (three) working days from the date of redemption or repurchase. In case of exceptional situations, additional time for redemption payment may be taken as stipulated at clause 15.3.1 and 15.3.2 of SEBI Master Circular In the event of failure to transfer redemption or repurchase proceeds within 3 working days from the date of receipt of such requests, interest for the period of delay in transfer of redemption or repurchase shall be payable to unitholders at the rate of 15% per annum along with the proceeds of redemption or repurchase, as the case may be. Such Interest shall be borne by AMCs. **Dispatch of IDCW:** The IDCW warrants shall be dispatched to the unitholders within 07 working days from the record date. In case of Unit holders having a bank account with certain banks with which the Mutual Fund would have an arrangement from time to time, the IDCW proceeds shall be electronically credited to their account. In case of specific request for IDCW by warrants/cheques/demand drafts or unavailability of sufficient details with the Fund, the IDCW will be paid by warrant/cheques/demand drafts and payments will be made in favor of the unitholder (registered holder of the Unit or, if there are more than one registered holder, only to the first registered holder) with bank account number furnished to the Fund. Please note that it is mandatory for the unitholders to provide the bank account details as per SEBI guidelines.
X.	Plans and Options Plans/Options and sub options under the Scheme	**Plans**: The Scheme offers following two plans for investment into the Scheme: **A. Direct:** This Plan is suitable for investors who wish to invest directly in the scheme without routing their investment through any distributor. Direct shall have lower expense ratio compared to Regular and no commission shall be paid out of the Direct. **B. Regular:** This Plan is suitable for investors who wish to invest in the Scheme through any distributor. This Plan shall have higher expense ratio compared to the Direct and distributor commission may be paid out of this Plan. Direct and Regular shall have separate NAVs. However, there will be a common portfolio for both plans. The various options available under Direct and Regular and the salient features common to both plans are given below: **Options:** The Scheme has the following Options across a common portfolio:

 Growth Option: This option is suitable for investors who are not looking for current income but who invest only with the intention of capital appreciation. However, there can be no assurance of the capital appreciation.

 IDCW Option: This option is suitable for investors seeking income through IDCW declared by the Scheme. Under this Option, the Scheme will endeavor to declare IDCWs from time to time. The IDCW shall be dependent on the availability of distributable surplus.

Following IDCW options (facilities) shall be available:

- Groww Aggressive Hybrid Fund - Direct Plan- IDCW Option (Payout & Reinvestment)
- Groww Aggressive Hybrid Fund - Direct Plan- Monthly IDCW Option (Payout & Reinvestment)
- Groww Aggressive Hybrid Fund - Direct Plan- Quarterly IDCW Option (Payout & Reinvestment)
- Groww Aggressive Hybrid Fund - Direct Plan- Half Yearly IDCW Option (Payout & Reinvestment)

- Groww Aggressive Hybrid Fund - Regular Plan- IDCW Option (Payout & Reinvestment)
- Groww Aggressive Hybrid Fund - Regular Plan- Monthly IDCW Option (Payout & Reinvestment)
- Groww Aggressive Hybrid Fund - Regular Plan- Quarterly IDCW Option (Payout & Reinvestment)
- Groww Aggressive Hybrid Fund - Regular Plan- Half Yearly IDCW Option (Payout & Reinvestment)

In cases where the investor fails to opt for a particular Option at the time of investment, the default Option will be Growth.

Within various IDCW options, the default option will be 'IDCW Option' and the default facility will be Reinvestment.

If IDCW payable under IDCW Payout option is equal to or less than Rs. 250/- then the IDCW would be compulsorily reinvested in the option of the Scheme.

The SWP may be terminated on a written notice of 7 calendar days by a unitholder of the Scheme. SWP will be automatically terminated if all units are liquidated or withdrawn from the Scheme or pledged or upon receipt of intimation of death of the unitholder. **IDCW Sweep Facility** IDCW Sweep facility shall be in addition to the existing IDCW Payout and IDCW Reinvestment Option. Default IDCW Option shall be IDCW Payout.

		Under IDCW Sweep Facility, Unit holders can opt for switching the IDCW earned under any Schemes (Source Scheme) of Groww Mutual Fund into any other Schemes (Target Scheme) of Groww Mutual Fund. The IDCW (net of applicable DDT, if any) shall be swept subject to minimum investment eligibility requirements of the Target Scheme at applicable NAV based prices. The minimum amount for sweep out to be Rs. 500/-. In case the sweep amount is less than Rs. 500/-, the IDCW amount shall be reinvested in the Source scheme. This facility shall be processed on the record date of the IDCW declared under the Source Scheme. Further, this facility shall not allow for switch of partial IDCW or switch of IDCW to multiple schemes. In case the investor fails to specify his preference of Option for the Target scheme into which the IDCW has to be swept, Sweep-in amount shall be invested in default plan / option as mentioned in Scheme Information Document (SID) of Target scheme. The Load Structure prevailing at the time of submission of the STP/SWP application will apply for all the installments indicated in such application. The AMC reserves the right to introduce STP/SWP/ IDCW Sweep Facility at any other frequencies or on any other dates as the AMC may feel appropriate from time to time. **) Transactions by Email:** In order to facilitate quick processing of transaction and / or instruction of investment of investor the Mutual Fund / AMC / Trustee may (at its sole discretion and without being obliged in any manner to do so and without being responsible and /or liable in any manner whatsoever), accept and process any application, supporting documents and /or instructions submitted by an investor/ Unit holder by email at growwmf.inv@groww.in and the investor/Unit holder voluntarily and with full knowledge takes and assumes any and all risk associated therewith. The Mutual Fund / AMC/ Trustee shall have no obligation to check or verify the authenticity or accuracy of email purporting to have been sent by the investor and may act thereon as if the same has been duly given by the investor. In all cases the investor will have to immediately submit the original documents / instruction to AMC/ Mutual Fund/ Official Points of Acceptance unless indemnified by the investor. **11) Transactions through Electronic Mode:** The Mutual Fund may (at its sole discretion and without being obliged in any manner to do so and without being responsible and/or liable in any manner whatsoever), allow transactions in Units by electronic mode (web/ electronic transactions) including transactions through the various websites with which the AMC would have an arrangement from time to time. Subject to the investor fulfilling certain terms and conditions as stipulated by AMC from time to time, the AMC, Mutual Fund, Registrar or any other agent or representative of the AMC, Mutual Fund, the Registrar may accept transactions through any electronic mode including web transactions and as permitted by SEBI or other regulatory authorities from time to time.

		12) Introduction of additional facility 'K-Finkart' for transaction in the units of Groww Mutual Fund towards additional purchase, redemption or switch: Investor may take note of additional facility for transaction in Groww Mutual Fund through K-Finkart; mobile application provided by KFin Technologies Ltd Investors may execute additional purchase, redemption or switch transaction through K-Finkart mobile application. **13) Transactions through Stock Exchange Platform for Mutual Funds** Mutual Fund Distributor registered with Association of Mutual Funds in India (AMFI) and who has been permitted by the concerned recognised stock exchange will be eligible to use NMF-II platform of National Stock Exchange of India Ltd. ('NSE') and/or of BSE Star MF platform of Bombay Stock Exchange ('BSE') to purchase and redeem units of schemes of the Fund directly from Groww Mutual Fund in physical (non-demat) mode and/or demat (electronic) mode. MF distributors shall not handle pay out/pay in of funds as well as units on behalf of investor. Pay in will be directly received by recognized clearing corporation and payout will be directly made to investor's account. In the same manner, units shall be credited and debited directly from the demat account of investors. Non-demat transactions are also permitted through stock exchange platform. The facility of transacting in mutual fund schemes through stock exchange infrastructure is available subject to such operating guidelines, terms and conditions as may be prescribed by the respective Stock Exchanges from time to time. **14) Transactions Through MF Utility ("MFU"):** The AMC has entered into an Agreement with MF Utilities India Private Limited ("MFUI"), a "Category II - Registrar to an Issue" under SEBI (Registrars to an Issue and Share Transfer Agents) Regulations, 1993, for usage of MF Utility ("MFU") a "Shared Services" initiative formed by the Asset Management Companies of SEBI registered Mutual Funds under the aegis of Association of Mutual Funds in India (AMFI). MFU acts as a transaction aggregation portal for enabling transaction in multiple Schemes of various Mutual Funds with a single form and a single payment instrument. Both financial and non-financial transactions pertaining to Scheme(s) of Groww Mutual Fund ('the Fund') can be done through MFU at the authorized Points of Service ("POS") of MFUI. The details of POS with effect from the respective dates published on MFU website at www.mfuindia.com will be considered as Official Point of Acceptance (OPA) for transactions in the Scheme(s) of the Fund. Additionally, such transactions can also be carried out electronically on the online transaction portal of MFU at www.mfuonline.com as and when such a facility is made available by MFUI and that the same will be considered OPA for transactions in the Scheme(s) of the Fund.

		The transactions carried out through MFU shall be subject to the terms & conditions as may be stipulated by MFUI / Fund / the AMC from time to time. The terms & conditions of offering of the Scheme(s) of the Fund as specified in the Scheme Information Document (SID), Key Information Memorandum ('KIM') and Statement of Additional Information ('SAI') shall be applicable to transactions through MFU. **15) Registration of Multiple Bank Accounts in respect of an Investor Folio:** An Investor can register with the Fund upto 5 bank accounts in case of individuals and HUFs and upto 10 in other cases. Registering of Multiple Bank Accounts will enable the Fund to systematically validate the pay-in of funds and avoid acceptance of third party payments. For the purpose of registration of bank account(s), Investor should submit Bank Mandate Registration Form (available at the CSCs/ AMC Website) together with any of the following documents: □ Cancelled original cheque leaf in respect of bank account to be registered where the account number and names of the account holders are printed on the face of the cheque; or □ Bank statement or copy of Bank Pass Book page with the Investor‘s Bank Account number, name and address. The above documents will also be required for change in bank account mandate submitted by the Investor. The AMC will register the Bank Account only after verifying that the sole/ first joint holder is the holder/ one of the joint holders of the bank account. In case if a copy of the above documents is submitted, Investor shall submit the original to the AMC/ Service Centre for verification and the same shall be returned. In case of Multiple Registered Bank Account, Investor may choose one of the registered bank accounts for the credit of redemption/ IDCW proceeds (being ―Pay-out bank account). Investor may however, specify any other registered bank accounts for credit of redemption proceeds at the time of requesting for the redemption. Investor may change such Pay-out Bank account, as necessary, through written instructions. However, if request for redemption is received together with a change of bank account (unregistered new bank account) or before verification and validation of new bank account, the redemption request would be processed to the currently registered default old bank account. Rebalancing due to passive breach

As per para 3.11 of SEBI Master Circular, as may be amended from time to time, in the event of deviation from mandated asset allocation due to passive breaches (occurrence of instances not arising out of omission and commission of the AMC), the fund manager shall rebalance the portfolio of the Scheme within 30 Business Days. In case the portfolio of the Scheme is not rebalanced within the period of 30 Business Days, justification in writing, including details of efforts taken to rebalance the portfolio shall be placed before the Investment Committee of the AMC. The Investment Committee, if it so desires, can extend the timeline for rebalancing up to sixty (60) Business Days from the date of completion of mandated rebalancing period. Further, in case the portfolio is not rebalanced within the aforementioned mandated plus extended timelines the AMC shall comply with the prescribed restrictions, the reporting and disclosure requirements as specified in para 2.9. of SEBI Master Circular. Further, pursuant to SEBI no. SEBI/HO/IMD/PoD2/P/CIR/2025/92 dated June 26, 2025, the above referred rebalancing provisions shall be applicable for all types of passive breaches.

Rebalancing of deviation due to short term defensive consideration

Any alteration in the investment pattern will be for a short term on defensive considerations as per Para 1.14.1.2 of SEBI Master Circular of Mutual Fund; the intention being at all times to protect the interests of the Unit Holders and the Scheme shall endeavor to rebalance the portfolio within 30 calendar days. It may be noted that no prior intimation/indication will be given to investors when the composition/asset allocation pattern under the Scheme undergoes changes within the permitted band as indicated above.

B. WHERE WILL THE SCHEME INVEST?

The corpus of the scheme may invest in various types of instruments including, but not limited to, any of the following:

1. Equity and equity related securities including convertible bonds and debentures and warrants carrying the right to obtain equity shares.
2. Securities created and issued by the Central and State Governments and/or repos/reverse repos in such Government Securities as may be permitted by RBI (including but not limited to coupon bearing bonds, zero coupon bonds and treasury bills)
3. Securities guaranteed by the Central and State Governments (including but not limited to coupon bearing bonds, zero coupon bonds and treasury bills)

19. Cash & cash equivalents.
20. ETCDs
21. Any other instruments as may be permitted by RBI / SEBI from time to time, subject to necessary regulatory approvals.

C. WHAT ARE THE INVESTMENT STRATEGIES?

Equity Investments:

The Scheme will have reasonably well diversified Portfolio without being overly diversified. The investment environment, valuation parameters, return ratios, competitive positioning and other investment criteria will determine the sector allocation, stock weights and the investment style.

The AMC will conduct in-house research in order to identify investable ideas. AMC will evaluate appreciation potential of individual stocks from a fundamental perspective, assess industry and company fundamentals, robustness of business model, sustainability of moat, valuations, quality of management, corporate governance standards etc.

The AMC will construct the portfolio using bottom up approach and will have the flexibility to invest across the market capitalization.

Debt Investments:

- The fund endeavors to invest in quality debt instruments across maturities based on the interest rate outlook
- The fund will be actively managed

- The scheme invests in debt instruments such as government securities, corporate debentures and bonds, quasi-government bonds and money market instruments.

The Scheme will retain the flexibility to invest in the entire range of debt instruments and money market instruments. Investment in Debt securities and Money Market Instruments will be as per the limits in the asset allocation table of the Scheme, subject to permissible limits laid under SEBI (MF) Regulations. The actual percentage of investment in various fixed income securities will be decided after considering the prevailing political conditions, the economic environment (including interest rates and inflation), the performance of the corporate sector and general liquidity and other considerations in the economy and markets. The investment management team is allowed full discretion to make sale and purchase decisions within the limits established.

Equity Derivative Strategies
A derivative is a financial instrument whose value depends on other, more basic, underlying variables likes stock or commodity, any kind of economical index. A derivative is essentially a contract whose payoff depends on the behavior of some benchmark. The derivatives shall be marked-to-market by the Investment Manager at all times. Transactions in derivatives include a wide range of instruments, including, but not limited to futures, options, swaps, and interest rate swaps, forward rate agreements and any other instrument as may be permitted by SEBI/RBI from time to time.

Derivatives may be used for hedging and portfolio balancing purposes or such other purpose as may be permitted by SEBI/RBI from time to time, to seek to optimize performance in the Scheme and will be subject to applicable Regulations of SEBI/RBI from time to time. Trading is permitted only in exchange-traded derivatives. Derivative markets in India are now fairly liquid with daily average volumes to the tune of Rs. 150000 – 180000 crore as compared to cash market volumes of Rs. 15000- 20000 crore

Use of derivatives to further investment objective of the Scheme:

Investment Manager may use derivatives to seek outcomes that are not possible in the cash market. For example:

- A short position in index futures or futures on a particular stock may be initiated to hedge a long position in the cash market;
- The Investment Manager can buy put options with appropriate strike price as a hedge for a decline in price of stocks owned in the Scheme;
- The Investment Manager can buy call options with appropriate stock price to build position where the underlying might be illiquid or for tactical reasons.
- Options may be sold to augment income through the premium paid by the buyer*;
  -Sell puts on a stock with strike prices at levels the fund seeks to buy the stock;
  -Sell calls on stocks in the portfolio of the Scheme at strike prices that are at levels viewed as a selling opportunity by the Investment Manager

- If the index futures trade at a steep discount or premium to the spot, the Scheme can take advantage of the situation by switching out of stocks into futures or vice versa. At the expiry of the futures contract, its price will have to converge with the spot, as the last settlement will be with reference to the spot price. Arbitrage profit, if any, may augment NAV of the Scheme.

*Under extant SEBI Guidelines a Mutual Fund cannot write options. If and when SEBI permits writing options, Investment Manager shall utilize the same to enhance investor interest.

Futures:
Futures are contracts to buy or sell an asset on or before a future date at a price specified today. Futures can be cash settled or delivery settled. Currently, the transaction is netted at the end of the contract and the difference settled

between the investor & the clearing house. Payoffs in futures are linear with reference to the underlying and the risk is basically directional. Buyers and sellers of futures carry equal risk.

In India, three futures of 1 month, 2 months, and 3 months are presently traded on BSE & NSE. These futures expire on the last working Thursday of the respective months. The futures are cash settled and there is no delivery of the underlying stock. The Profitability of the Index / Stock Future as compared to underlying individual securities / security will inter-alia depend on

- Carrying Cost
- Interest accrued on surplus funds
- Transaction Costs
- Cost Associated with rolling over of the futures trade, if applicable
- Liquidity in the markets etc

Index Futures

Stock index futures are instruments designed to give exposure to the equity markets indices. The Stock Exchange, Mumbai (BSE) and The National Stock Exchange (NSE) have trading in index futures of 1, 2 and 3 month maturities. The pricing of an index future is the function of the underlying index, short term interest rates and market expectations. Index futures are cash settled, there is no delivery of the underlying stocks.

If a Scheme buys 100 futures contracts, each contract value is 25 times the futures index price. On purchase date, Spot index: 8400, Future price: 8425. If the exchange imposes a margin of 10%, the Investment Manager will be required to provide Rs.2106250 (i.e. 10% * 8425* 100 * 25) by way of eligible securities and/or and cash. The balance 90% can be parked in cash equivalents. If on the date of expiry - the S&P CNX Nifty Index closes at 8525, the net impact will be a profit of Rs. 250,000 for the Scheme ((8525–8425) * 100 * 25) plus the interest earned on the 90%deployed in cash equivalents. The profit or loss for the Scheme will be the difference between the closing price (which can be higher or lower than the purchase price) and the purchase price.

Strategies that employ index futures and their objectives:

(a) The fund has an existing equity portion invested in a basket of stocks. In case the fund manager has a view that the equity markets are headed downwards, the fund can then hedge the exposure to equity either fully or partially by initiating short positions in the Index futures.

(b) A similar position in the long direction can also be initiated by the fund to hedge its position of cash and permissible equivalents. Considering that Derivative market is more liquid than Cash market, fund manager can also use it to take exposure to equities and then build the cash market positions over time.

The extent to which this can be done is determined by guidelines issued by SEBI from time to time.

Stock Futures

A futures contract on a stock gives its owner the right and obligation to buy or sell stocks. Single stock futures traded on the BSE & NSE are cash settled, there is no delivery of the underlying stocks on the expiration date. A purchase or sale of futures on a security gives the trader essentially the same price exposure as a purchase or sale of the security itself.

The Scheme buys shares of XYZ Ltd. Its current price is Rs. 1000. The Scheme sells one month futures on the shares of XYZ Ltd at Rs 1050. If the price of the stock declines, the Mutual Fund will suffer losses on the stock position held and profit on futures position. The price of stock on the expiry date is Rs 950. The price of the futures on the stock declines to Rs 950. There is a loss of Rs. 50 per share on the on the holding of the stock. This is offset by profit of Rs 100 on the short position in stock futures. Basically, Fund locks in a profit of Rs. 50, if both the positions are held till expiry.

Strategies that employ Stock specific futures and their objectives:

Individual stock futures are also available in the Indian Equity Markets. Stock futures trade either at a premium or at discount to the spot prices; the level of premium generally reflects the cost of carry. Stock specific issues may have a bearing on futures as speculators may find futures as a cost-effective way of executing their view on the stock. However such executions usually increase the premium/discount to the spot significantly, thereby giving rise to arbitrage opportunities for a fund.

(a) Selling spot and buying future :
In case the fund holds the stock of a company at say Rs. 500 while in the futures market it trades at a discount to the spot price say at Rs. 480 then the fund may sell the stock and buy the futures. On the date of expiry of the stock future, the fund may reverse the transactions (i.e. Buying at Spot & Selling futures) and earn a risk-free Rs.20/- (4% absolute) on its holdings. As this can be without any dilution of the view of the fund on the underlying stock the fund can still benefit from any movement of the price in the northward direction, i.e. if on the date of expiry of the futures, if the stock trades at Rs. 530 which would be the price of the futures too, the fund will have a benefit of Rs. 30 /- whereby the fund gets the 6% upside movement together with the 4% benefit on the arbitrage, and thus getting a total return of 10%

(b) Buying spot and selling future:
Where the stock of a company is trading in the spot market at Rs 1000 while the futures trades at Rs. 1020/- in the futures market then fund may buy the stock at spot and sell in the futures market thereby earning Rs. 20. In case of adequacy of cash with the fund, this strategy may be used to enhance returns of the Scheme which was otherwise sitting on cash.

(c) Buying stock future:
Where the scheme wants to initiate a long positon in a stock whose spot price is at say, Rs 1000 and futures is at 980, then the fund may just buy the futures contract instead of the spot thereby benefiting from a lower cost.

Options:

An option gives the owner the right but not the obligation to buy or sell the underlying asset at particular price and for a specified period of time. The option will be exercised if the outcome is favorable to the owner. A call option gives the owner a right but not the obligation to buy the underlying asset at a predetermined price on a pre-specified date. A put option gives the owner the right but the not the obligation to sell a security at a predetermined price on a pre-specified date. For an option buyer, Risk is limited (or known) to premium paid on call or put options. . If options are sold, the risk is unlimited (or unknown). The risk of the unknown can be mitigated by staying covered, using covered calls or bull/bear spread, to name a few strategies.

Mainly there are two type of options; American and European. Options that can be exercised on or before the expiration date are called American Options, while those that can be exercised only on the expiration date are called European Options. In India, till recently, Index options were European and Stock options were American. However off-late, Exchanges have shifted options on individual stocks from American to European. Option contracts are designated by the type of option, name of the underlying, expiry month and the strike price. Thus options can be used to earn less volatile returns, earn the premium or use for hedging purposes etc.

Strategies that use Options and the objectives of such strategies:

Illustrations of strategies using Options

a) Call Option (Buy): The fund buys a call option at the strike price of say Rs.1000 and pays a premium of say Rs. 50, the fund would earn profits if the market price of the stock at the time of expiry of the option is more than Rs. 1050 being the total of the strike price and the premium thereon. If on the date of expiry of the option the stock price is below Rs 1000, the fund will not exercise the option and it loses the premium of Rs 50. The maximum loss in such a strategy is limited to the option premium, while upside potential is theoretically unlimited

b) Put Option (Buy): The fund buys a Put Option at Rs 1000 with the underlying security trading at Rs. 1000 by paying a premium of say Rs. 50. If the stock price goes down to Rs. 900, the fund would protect its downside and would only have to bear the premium of Rs 50 instead of a loss of Rs 100 whereas if the stock price moves up to say Rs.1100 the fund may let the Option expire and forego the premium thereby capturing Rs. 100 upside in the underlying security held by the Fund.

The above two option positions can be initiated in both index based options as well as stock specific options.

Any Notifications, Guidelines and circulars introduced by SEBI on derivatives from time to time shall automatically apply and forms part of the Scheme Information Documents

Borrowing by the Fund

The Scheme may borrow monies to meet temporary liquidity requirements for the purpose of repurchase or redemption of Units or the payment of interest or IDCW to the Unit holders. However, such borrowing shall be restricted to 20% of the net assets of the Scheme and for a maximum period of six months. The limit of 20% may be revised by the Fund and to the extent the Regulations may permit. Provided the said limit, shall not be applicable for intraday borrowing subject to such conditions as may be specified by the board.

The Fund may raise such borrowings, secured or unsecured, from any person or entity as it may deem fit, including Sponsor or Shareholders of any of their associate / group / affiliate entities or banks, after approval by the Trustee, at market related rates.

Stock Lending by the Fund

Stock Lending involves lending of securities to another person or entity for a fixed period of time, at a negotiated compensation in order to enhance returns of the portfolio. The Fund can temporarily lend, through an approved intermediary, securities held by the Scheme to reputed counterparties, for a fee, subject to internal norms, if any. This would enable generating better returns on those securities, which are otherwise bought with the intention of holding the same for a longer period of time. The securities lent will be returned by the borrower on the expiry of the stipulated period or the lender can call the same back before its expiry.

The AMC will follow regulatory restrictions as may be prescribed in carrying on the activities of Stock lending. Such lent stock, while they are on-lending, will not be available for sale, and this can result in temporary illiquidity.

The Fund Manager may engage in Stock Lending as per following limits:
• Not more than 20% of the net assets of the Scheme can generally be deployed in Stock Lending.
• Not more than 5% of the net assets of the Scheme can generally be deployed in Stock Lending to any single counter party.

Portfolio Turnover

Portfolio turnover is defined as lesser of purchases and sales as a percentage of the average corpus of the Scheme during a specified period of time. Portfolio turnover in the scheme will be a function of market opportunities. The scheme is open-ended scheme. It is expected that there would be a number of subscriptions and repurchases on a daily basis. Consequently, it is difficult to estimate with any reasonable measure of accuracy, the likely turnover in the portfolio. The AMC will endeavor to optimize portfolio turnover to optimize risk adjusted return keeping in mind the cost associated with it. A high portfolio turnover rate is not necessarily a drag on portfolio performance and may be representative of arbitrage opportunities that exist for securities held in the portfolio rather than an indication of change in AMC's view on

a security etc. However, the AMC will take advantage of the opportunities that present themselves from time to time because of the inefficiencies in the securities markets.

D. HOW WILL THE SCHEME BENCHMARK ITS PERFORMANCE?

The performance of the Scheme will be benchmarked with CRISIL Hybrid 35+65 - Aggressive Index

- The Benchmark Index would be CRISIL Hybrid 35+65 - Aggressive Index as the index seeks to capture returns on a balanced portfolio which includes equity and debt. Hence, it is an appropriate benchmark for the Scheme.

The AMC and the Trustee may mutually agree to change the benchmark index or select an additional benchmark index after recording reasons for such change and by following required regulatory process.

PART III- OTHER DETAILS

A. COMPUTATION OF NAV

The Net Asset Value (NAV) of a mutual fund is the price at which units of a mutual fund are bought or sold. It is the market value of the fund after deducting its liabilities. The value of all units of a mutual fund portfolio are calculated on a daily basis, from this all expenses are then subtracted. The result is then divided by the total number of units the resultant value is the NAV. NAV is also sometimes referred to as Net Book Value or book Value.

Calculation of NAV Mutual fund assets usually fall under two categories – securities & cash. Securities, here, include both bonds and stocks. Therefore, the total asset value of a fund will include its stocks, cash and bonds at market value. IDCWs and interest accrued and liquid assets are also included in total assets. Also, liabilities like money owed to creditors, and other expenses accrued are also included.

The Mutual Fund will value its investments according to the valuation norms, as specified in Schedule VIII of the SEBI (MF) Regulations, or such norms as may be specified by SEBI from time to time.

Formula to calculate Net Asset Value (NAV) = (Assets – Debts) / (Number of Outstanding units)

Here: Assets = Market value of mutual fund investments + Receivables + Accrued Income

Debts =Liabilities + Expenses (accrued) the market value of the stocks & debentures.

The NAV shall be calculated up to two decimal places. However the AMC reserves the right to declare the NAVs up to additional decimal places as it deems appropriate. Separate NAV will be calculated and disclosed for each Option. The NAVs of the Growth Option and the IDCW Option will be different after the declaration of the first IDCW.

The AMC will calculate and disclose the first NAV of the Scheme within a period of 5 business days from the date of allotment. Subsequently, the NAVs will be calculated for all the Business Days.

Rounding off policy for NAV:

For this Scheme, NAV will be declared upto two decimal places & the second decimal will be rounded off to the next higher digit if the third decimal is or more than 5 i.e., if the NAV is 10.137 it will be rounded off to 10.14.

However, there can be no assurance that the investment objective of the scheme will be achieved.

Sale Price:

Sale price is a price at which the fund house sells / offers mutual fund units to investors; this is nothing but the NAV of the respective Scheme of Mutual Fund. For investor who wants to invest in Mutual Fund, the units are offered at NAV of the respective Scheme of Mutual Fund.

For Example – If investor A wants to invest Rs. 5,000/- in XYZ Scheme of Mutual Fund. The NAV of Mutual Fund Scheme XYZ is Rs. 15 per unit. Investor's Investments & Mutual Fund unit allocation in Scheme XYZ is calculated as follows:-

Investment of Investor A = Investment Amount / Sale Price
= 5,000 / 15
= 333.3333 units

This means investor A will be allocated **333.3333 units** of Mutual Fund Scheme XYZ.

Repurchase Price:

Repurchase price is a price at which fund house repurchases the mutual fund units back from the investor. For investor who wants to redeem his mutual fund units, the units are repurchased at respective scheme NAV less Exit Load (If Applicable)

For Example - If Mutual Fund Scheme XYZ is having NAV of Rs. 15 & Exit Load of 1% then the repurchase price would be calculated as follow:

Repurchase Price = NAV *(1- Exit Load %)
= 15 *(1-0.01)
= 14.8500

This means the investor will realise **Rs. 14.8500** per unit if he redeems from Mutual Fund Scheme XYZ.
In case of no exit load the NAV & repurchase price are same.

The repurchase price of an open ended scheme shall not be lower than 97% of the NAV.

For other details such as policies w.r.t computation of NAV, rounding off, procedure in case of delay in disclosure of NAV etc. refer to SAI

B. NEW FUND OFFER (NFO) EXPENSES

These expenses are incurred for the purpose of various activities related to the NFO like sale and distribution fees paid, marketing and advertising, registrar expenses, printing and stationery, bank charges etc. NFO expenses were borne by the AMC.

C. ANNUAL SCHEME RECURRING EXPENSES

These are the fees and expenses for operating the Scheme. These expenses include, inter alia, the Investment Management and Advisory Fee charged by the AMC, Registrar and Transfer Agent's fee, marketing and selling expense and other permissible expense, as detailed in the table below:

The AMC has estimated that expenses upto 2.10% of the daily net assets of the scheme may be charged as the total recurring expenses. For the actual current expenses being charged, the investor are requested to refer to the website of the Mutual Fund at https://www.growwmf.in/downloads/expense-ratio.

The purpose of the below table is to assist the investor in understanding various costs and expenses that an investor in the Scheme will bear directly or indirectly. These estimates have been made in good faith as per the information available with AMC based on past experience and are subject to change inter-se.

Sr.No.	Expense Head	% p.a. of daily Net Assets* (Estimated p.a.)
1.	marketing and selling expenses including fees, commission and charges towards distribution of mutual fund schemes, if any;	Upto 2.10
2.	registrar services for transfer of units sold or redeemed;

11.	such other expenses as may be specified or approved by the SEBI.	
12.	Maximum Base expense ratio (BER) permissible under Regulation 66 (7)(c)	Upto 2.10

The aforesaid Base Expense Ratio (BER) is calculated based on the base slab of Assets Under Management (AUM) upto Rs. 500 crores. In case, if the AUM of the scheme exceeds Rs. 500 crores, the applicable BER slab as prescribed under the Regulations shall apply.

The AMC shall pay charges, commissions or fees related to distribution of mutual fund schemes in the manner as may be specified by SEBI from time to time.

The BER of the scheme shall be the aggregate of the expenses specified under sub – regulation (3),(4) and (5) of Regulation 66, excluding any statutory levy, if applicable, on such expenses and transaction cost as specified under sub regulation (10) of Regulation 66.

The BER shall be subject to following limits-

Slab rates	**First Rs. 500 Crores**	**Next Rs. 250 Crores**	**Next Rs. 1,250 Crores**	**Next Rs. 3,000 Crores**	**Next Rs. 5,000 Crores**	**Next Rs. 40,000 Crores**	**On Balance of the assets**
As a % of daily net assets as per Reg 66(7)c	2.10%	1.90%	1.60%	1.50%	1.40%	Expense ratio reduction of 0.05% for every increase of Rs. 5,000 crores or part thereof	0.95%

Brokerage and transaction costs incurred for the execution of trades and included in the cost of investment, shall not exceeding 0.06% of the value of trades in case of cash market transactions and 0.02% of the value of trades in case of derivative market transactions.
Any expense charges towards brokerage in excess of the aforesaid limits shall form part of the BER limit specified under sub-regulation (7) of Regulation 66.

Transaction costs incurred for the purpose of execution of trade mean regulatory levies and any other expenses charged by the stock exchanges, clearing corporation, and clearing house, as applicable. Such transaction costs shall not form part of the base expense ratio.

All statutory levies will be over and above the base expense ratio limits as defined in regulation 66(7).

All scheme related expenses, including commission paid to distributors, shall be charged to the scheme only within the regulatory limits and shall not be borne by the AMC, its associates, sponsor, trustee or any other entity through any route in

terms of SEBI circulars, subject to the clarifications provided by SEBI to AMFI vide letter dated February 21, 2019 on implementation of clause 11.3 of Master Circular.

Provided that, such expenses which are not specifically covered under sub regulation (4), (5), (6),(9),(10) of Regulation 66 may be borne by the AMC, subject to such expenses being incurred at actuals or not exceeding 2 basis points (bps) of the Scheme's AUM, whichever is lower.

Further with regards to the cost of borrowings in terms of Regulation 42, the same shall be adjusted against the portfolio yield of the Scheme and borrowing costs in excess of portfolio yield, if any, shall be borne by the AMC

In accordance with clause 11.2 of the SEBI Master Circular, the AMC shall prominently disclose TER on daily basis on the website www.growwmf.com and on website of AMFI.

^ Additional incentives to distributors
As per As per clause 11.6 of SEBI Master circular HO/24/13/11(1)2026-IMD-POD-1/I/7602/2026 dated March 20, 2026, effective March 1, 2026 additional incentives to distributors for onboarding new individual investors from B-30 cities and women investors shall be paid from amount mandated to be set apart annually by AMCs for investor education, awareness and financial inclusion initiatives, subject to adequate claw back provisions as per the terms and condition as mentioned therein. For detailed methodology for determination of additional incentive, please refer SAI.
All fees and expenses charged in a direct plan (in percentage terms) under various heads including the Investment Management and Advisory fee, shall not exceed the fees and expenses charged under such heads in a Regular plan.

The Fund / the AMC shall adopt full trail model of commission in the Scheme, without payment of any upfront commission or upfronting of any trail commission, directly or indirectly, in cash or kind, through sponsorships, or any other route. However, upfronting of trail commission shall be permitted only in case of inflows through Systematic Investment Plans (SIPs) in accordance with applicable regulatory provisions.
In terms of paragraph 11.9 of Master Circular of Mutual Fund, the AMC / Mutual Fund shall annually set apart at least 2 basis points (i.e., 0.02%) on daily net assets of the scheme within the maximum limit of base expense ratio as specified under Regulation 66(7) for investor education, awareness and financial inclusion initiatives.
No pass back, either directly or indirectly, shall be provided by the Fund / the AMC / Distributors to the investors.

- *The Expense are charged on the closing asset under management, and are subject to change on a periodic basis*
- *The tax impact has not been considered in the above illustration. In view of the individual nature of the implications, each investor is advised to consult his or her own tax advisors/authoarised dealers with respect to the specific amount of tax and other implications arising out of his or her participation in the schemes.*

For the actual current expenses being charged to the Scheme, investor investors are advised to refer to the website of the Mutual Fund at: https://www.growwmf.in/downloads/expense-ratio .

Any change proposed to the current expense ratio shall be updated on the aforesaid website at least three working days prior to the effective date of such change.

Notwithstanding anything contained herein, the provisions of the SEBI (Mutual Funds) Regulations, 2026 and the SEBI Master Circular for Mutual Funds, as amended from time to time, shall prevail. In case of any inconsistency or deviation between the provisions stated herein and the applicable Regulations or Master Circular, the provisions of the Regulations and/or Master Circular shall prevail.

D. LOAD STRUCTURE

Exit Load is an amount which is paid by the investor to redeem the units from the scheme. Load amounts are variable and are subject to change from time to time. For the current applicable structure, please refer to the website of the AMC (https://www.growwmf.in/downloads/fact-sheet) or may call at *(toll free no 8050180222)* or your distributor.

Type of Load	Load chargeable (as %age of NAV)
Exit	• 1% if redeemed/switched out within 7 days from the date of allotment, Nil - if redeemed/switched out after 7 days from the date of allotment

All switches will be treated as redemption in the source scheme and subscription in the destination scheme, with the entry and exit load as may be applicable.

In accordance with the requirements specified by the paragraph 10.4.1(a)11.7 of SEBI Master Circular of Mutual Fund, no entry load will be charged for purchase/additional purchase/switches accepted by the Mutual Fund. Similarly, no entry load will be charged with respect to applications for registrations under the Systematic Investment Plan (SIP)/Systematic Transfer Plan (STP) accepted by the Mutual Fund.

Exit load (if any) charged to the unit holders by the Mutual Fund on redemption (including switch-out) of units shall be credited to the respective scheme net of Goods & Services Tax. Goods & Services Tax on exit load, if any, shall be paid out of the exit load proceeds.

Switches of following kind within the Scheme will also not attract any exit load - (i) switch from Direct Plan to Regular Plan; (ii) switch from Regular Plan to Direct Plan where the investment in Regular Plan is without a Distributor (ARN) code; (iii) within different Options (Income Distribution cum Capital Withdrawal /growth) of the same Plan (Direct/Regular) of the Scheme.

Load on bonus/ re-investment of Income Distribution cum Capital Withdrawal units: In terms of paragraph 10.6 of SEBI Master Circular of Mutual Fund, no entry and exit load shall be charged on bonus units or units allotted on reinvestment of Income Distribution cum Capital Withdrawal.

The Trustee / AMC reserves the right to introduce a Load and change the Load structure any time in future if they so deem fit on a prospective basis. The investor is requested to check the prevailing load structure of the scheme before investing.

In case of changes/modifications of load, the AMC will endeavor to do the following:

1. An addendum will be attached to the Scheme Information Documents and Key Information Memorandum. The same may be circulated to brokers/distributors so that the same can be attached to all SIDs and abridged SID in stock. Further the addendum will be sent along with a newsletter to unitholders immediately after the changes.
2. Arrangement will be made to display the changes/modifications in the SID in the form of a notice in all the official point of acceptance of transactions and distributor's/broker's office.
3. The introduction of the exit load along with the details may be stamped in the acknowledgement slip issued to the investors on submission of the application form and may also be disclosed in the statement of accounts issued after the introduction of such load.
4. A public notice shall be given in respect of such changes in one English Daily newspaper having nationwide circulation as well as in a newspaper published in the language of region where the Head office of the Mutual Fund is situated.

I. INTRODUCTION

A. Definitions/interpretation

For detailed description please click the link: https://www.growwmf.in/downloads/sid

B. Risk Factors

Scheme Specific Risk Factors

Some of the specific risk factors related to the Scheme include, but are not limited to the following:

1. **Risk factors associated with investment in equity**

   The Scheme proposes to invest in equity and equity related securities. Trading volumes, settlement periods and transfer procedures may restrict the liquidity of these investments. Different segments of Indian financial markets have different settlement periods and such periods may be extended significantly by unforeseen circumstances. The inability of the Scheme to make intended securities' purchases due to settlement problems could cause the Scheme to miss certain investment opportunities. Delays or other problems in settlement of transactions could result in temporary periods when the assets of the Scheme are not invested and no return is earned thereon. The inability to sell securities held in the Scheme's portfolio, due to the absence of a liquid secondary market, would result at times, in potential losses to the Scheme, should there be a subsequent decline in the value of securities held in the Scheme's portfolio.

   Market risk: Any type of risk due to the market conditions and evolution, such as volatility in the capital markets, interest rates, changes in policies of the Government, taxation laws or any other political and economic development, which may negatively affect the prices of the securities invested in by the scheme.

   Business risk: Risk related to uncertainty of income caused by the nature of a company's business and having an impact on price fluctuations.

   Liquidity risk: This risk pertains to how saleable a security is in the market or the ease at which a security can be sold at or close to its' quoted or published price/value. Securities that are listed on the stock exchange generally carry lower liquidity risk; the ability to sell these investments is limited by the overall trading volume on the stock exchanges.

2. **Risk associated with investments in Debt Instruments**

   Interest-Rate Risk: Fixed income securities such as government bonds, corporate bonds, Money Market Instruments and Derivatives run price-risk or interest-rate risk. Generally, when interest rates rise, prices of existing fixed income securities fall and when interest rates drop, such prices increase. The extent of fall or rise in the prices depends upon the coupon and maturity of the security. It also depends upon the yield level at which the security is being traded.

   Re-investment Risk: Investments in fixed income securities carry re-investment risk as interest rates prevailing on the coupon payment or maturity dates may differ from the original coupon of the bond.

Liquidity Risk: The liquidity of a bond may change, depending on market conditions leading to changes in the liquidity premium attached to the price of the bond. At the time of selling the security, the security can become illiquid, leading to loss in value of the portfolio.

Credit Risk: This is the risk associated with the issuer of a debenture/bond or a Money Market Instrument defaulting on coupon payments or in paying back the principal amount on maturity. Even when there is no default, the price of a security may change with expected changes in the credit rating of the issuer. It is to be noted here that a Government Security is a sovereign security and is the safest. Corporate bonds carry a higher amount of credit risk than Government Securities. Within corporate bonds also there are different levels of safety and a bond rated higher by a particular rating agency is safer than a bond rated lower by the same rating agency.

Liquidity Risk on account of unlisted securities: The liquidity and valuation of the Scheme investments due to their holdings of unlisted securities may be affected if they have to be sold prior to their target date of divestment. The unlisted security can go down in value before the divestment date and selling of these securities before the divestment date can lead to losses in the portfolio.

Pre-Payment Risk - Certain fixed income securities give an issuer the right to call back its securities before their maturity date, in periods of declining interest rates. The possibility of such prepayment may force the fund to reinvest the proceeds of such investments in securities offering lower yields, resulting in lower interest income for the fund

3. **Risks associated with investments in derivatives:**

- The Scheme may invest in derivative products in accordance with and to the extent permitted under the Regulations and by RBI. Derivative products are specialized instruments that require investment techniques and risk analysis different from those associated with stocks and bonds. The use of a derivative requires an understanding not only of the underlying instrument but of the derivative itself. Trading in derivatives carries a high degree of risk although they are traded at a relatively small amount of margin which provides the possibility of great profit or loss in comparison with the principal investment amount. Thus, derivatives are highly leveraged instruments. Even a small price movement in the underlying security could have an impact on their value and consequently, on the NAV of the Units of the Scheme.
- The derivatives market in India is nascent and does not have the volumes that may be seen in other developed markets, which may result in volatility to the values.
- Investment in derivatives also requires the maintenance of adequate controls to monitor the transactions entered into, the ability to assess the risk that a derivative adds to the portfolio and the ability to forecast price or interest rate movements correctly. Even a small price movement in the underlying security could have an impact on their value and consequently, on the NAV of the Units of the Scheme.
- The Scheme may face execution risk, whereby the rates seen on the screen may not be the rate at which the ultimate execution of the derivative transaction takes place.
- The Scheme may find it difficult or impossible to execute derivative transactions in certain circumstances. For example, when there are insufficient bids or suspension of trading due to price limit or circuit breakers, the Scheme may face a liquidity issue.
- The options buyer's risk is limited to the premium paid.
- The exchange may impose restrictions on exercise of options and may also restrict the exercise of options at certain times in specified circumstances and this could impact the value of the portfolio.
- Investments in index futures face the same risk as the investments in a portfolio of shares representing an index. The extent of loss is the same as in the underlying stocks.
- The Scheme bears a risk that it may not be able to correctly forecast future market trends or the value of assets, indices or other financial or economic factors in establishing derivative positions for the Scheme.

- The risk of loss in trading futures contracts can be substantial, because of the low margin deposits required, the extremely high degree of leverage involved in futures pricing and the potential high volatility of the futures markets
- There is the possibility that a loss may be sustained by the portfolio as a result of the failure of another party (usually referred to as the "counter party") to comply with the terms of the derivatives contract. The counter party may default on a transaction before settlement and therefore, the Scheme is compelled to negotiate with another counterparty at the then prevailing (possibly unfavourable) market price.
- Derivatives also carry a market liquidity risk where the derivatives cannot be sold (unwound) at prices that reflect the underlying assets, rates and indices.
- Where derivatives are used for hedging, such use may involve a basis risk where the instrument used as a hedge does not match the movement in the instrument/underlying asset being hedged. The risk may be inter-related also e.g. interest rate movements can affect equity prices, which could influence specific issuer/industry assets.
- Other risks in using derivatives include the risk of mispricing or improper valuation of derivatives and the inability of derivatives to correlate perfectly with underlying assets, rates and indices.
- Derivative products are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the investor.
- Execution of investment strategies depends upon the ability of the fund manager(s) to identify such opportunities which may not be available at all times. Identification and execution of the strategies to be pursued by the fund manager(s) involve uncertainty and decision of fund manager(s) may not always be profitable. No assurance can be given that the fund manager(s) will be able to identify or execute such strategies.
- The risks associated with the use of derivatives are different from or possibly greater than, the risks associated with investing directly in securities and other traditional investments.

4. Risk associated with Securities Lending

- Securities Lending is a lending of securities through an approved intermediary to a borrower under an agreement for a specified period with the condition that the borrower will return equivalent securities of the same type or class at the end of the specified period along with the corporate benefits accruing on the securities borrowed. There are risks inherent in securities lending, including the risk of failure of the other party, in this case the approved intermediary to comply with the terms of the agreement. Such failure can result in a possible loss of rights to the collateral, the inability of the approved intermediary to return the securities deposited by the lender and the possible loss of corporate benefits accruing thereon.

5. Risks associated with Short-selling of Securities

- Purchasing a security entails the risk of the security price going down. Short selling of securities (i.e. sale of securities without owning them) entails the risk of the security price going up there by decreasing the profitability of the short position. Short selling is subject to risks related to fluctuations in market price, and settlement/liquidity risks. If required by the Regulations, short selling may entail margin money to be deposited with the clearing house and daily mark to market of the prices and margins. This may impact fund pricing and may induce liquidity risks if the fund is not able to provide adequate margins to the clearing house. Failure to meet margin requirements may result in penalties being imposed by the exchanges and clearing house.

C. Risk mitigation strategies

The asset allocation of the Scheme will be steadily monitored and it shall be ensured that investments are made in accordance with the scheme objective and within the regulatory and internal investment restrictions prescribed from time to time.

The overall volatility of the portfolio would be maintained in line with the objective of the scheme. As the scheme is involved only in cash-futures arbitrage, the portfolio volatility depends on the spread between the cash and the futures prices.

A major part of the scheme is invested in liquid stocks & derivative instruments. The fund manager may also keep some portion of the portfolio in debt and money market instruments and/or cash within the specified asset allocation framework for the purpose of meeting redemptions.

Following exposure limits shall be maintained while dealing in derivative instruments to mitigate the risk,

- The cumulative gross exposure through equity, debt and derivative positions will not exceed 100% of the net assets of the scheme.
- The Scheme will not write options or purchase instruments with embedded written options.
- The total exposure related to option premium paid will not exceed 20% of the net assets of the scheme.
- Cash or cash equivalents with residual maturity of less than 91 days will be treated as not creating any exposure.
- Exposure due to hedging positions will not be included in the above mentioned limits subject to the following,
    a. Hedging positions are the derivative positions that reduce possible losses on an existing position in securities and till the existing position remains.
    b. Hedging positions cannot be taken for existing derivative positions. Exposure due to such positions shall have to be added and treated under limits mentioned in Point 3.
    c. Any derivative instrument used to hedge has the same underlying security as the existing position being hedged.
    d. The quantity of underlying associated with the derivative position taken for hedging purposes does not exceed the quantity of the existing position against which hedge has been taken.
- The Scheme may enter into plain vanilla interest rate swaps for hedging purposes. The counter party in such transactions will be an entity recognized as a market maker by RBI. Further, the value of the notional principal in such cases will not exceed the value of respective existing assets being hedged by the scheme. Exposure to a single counterparty in such transactions will not exceed 10% of the net assets of the scheme.
- Exposure due to derivative positions taken for hedging purposes in excess of the underlying position against which the hedging position has been taken, will be within 100% of net asset of the Scheme.

DEBT AND MONEY MARKETS IN INDIA

The Indian debt market is today one of the largest in Asia and includes securities issued by the Government (Central & State Governments), public sector undertakings, other government bodies, financial institutions, banks and corporates. Government and public sector enterprises are the predominant borrowers in the markets. Securities in the debt market typically vary based on their tenure and rating. The major players in the Indian debt markets today are banks, financial institutions, mutual funds, insurance companies, primary dealers, trusts, pension funds and corporates. The Indian debt market is the largest segment of the Indian financial markets. The debt market comprises broadly two segments, viz. Government Securities market or G-Sec market and corporate debt market. The latter is further classified as market for PSU bonds and private sector bonds.

The Government Securities market is the oldest and the largest component of the Indian debt market in terms of market capitalization, outstanding securities and trading volumes. The G-Sec market plays a vital role in the Indian economy as it provides the benchmark for determining the level of interest rates in the country through the yields on the Government Securities which are referred to as the risk-free rate of return in any economy. Over the years, there have been new products introduced by the RBI like zero coupon bonds, floating rate bonds, inflation indexed bonds, etc. The corporate bond market, in the sense of private corporate sector raising debt through public issuance in capital market, is only an insignificant part of the Indian Debt Market. A large part of the issuance in the non-Government debt market is currently on private placement basis.

The money markets in India essentially consist of the call money market (i.e. market for overnight and term money between banks and institutions), reverse repo transactions (temporary sale with an agreement to buy back the securities at a future date at a specified price), commercial papers (CPs, short term unsecured promissory notes, generally issued by corporates), certificate of deposits (CDs, issued by banks) and Treasury Bills (issued by RBI) and similar securities. In a predominantly institutional market, the key money market players are banks, financial institutions, insurance companies, mutual funds, primary dealers and corporates. In money market, activity levels of the Government and non-government debt vary from time to time.

Apart from these, there are some other options available for short tenure investments that include MIBOR linked debentures with periodic exit options and other such instruments. PSU / DFI / Corporate paper with a residual maturity of less than 1 year are actively traded and offer a viable investment option.

Following table exhibits various debt instruments along with current yields as on September 30, 2026.

These yields are indicative and do not indicate yields that may be obtained in future as interest rates keep changing consequent to changes in macro-economic conditions and RBI policy. The price and yield on various debt instruments fluctuate from time to time depending upon the macro economic situation, inflation rate, overall liquidity position, foreign exchange scenario etc. Also, the price and yield vary according to maturity profile, credit risk etc.

B. What are the investment restrictions?

Subject to the Regulations, the corpus of the Scheme have following securities:

Pursuant to SEBI (MF) Regulations, 2026 and Master Circular for Mutual Funds dated March 20, 2026, the following investment restrictions are applicable to the scheme:

1. The Scheme shall not invest more than 10% of its NAV in the equity shares or equity related instruments of any entity.

2. All investments by a mutual fund scheme in equity shares and equity related instruments shall only be made provided such securities are listed or to be listed.

3. The Mutual Fund under all its Scheme(s) shall not own more than 10% of any company's paid up capital carrying voting rights or ten per cent of units of REITs issued by a single issuer, as the case may be. Provided, investment in the asset management company or the trustee company of a mutual fund shall be governed by clause (a), of sub-regulation (1), of regulation 7B.

4. As per to Paragraph 13.1.2(a) & (b) of Master Circular for Mutual Funds dated March 20, 2026, the Scheme shall not invest more than 10% of its NAV in debt instruments comprising money market instruments and non-money market instruments issued by a single issuer which are rated not below investment grade by a credit rating agency authorised to carry out such activity under the Act.

Such investment limit may be extended to 12% of the NAV of the scheme with the prior approval of the Board of Trustees and the Board of directors of the asset management company. Within the limits specified in to Paragraph 13.1.2(a) &(b) of Master Circular for Mutual Funds dated March 20, 2026, a mutual fund scheme shall not invest more than:
a. 10% of its NAV in debt and money market securities rated AAA issued by a single issuer; or
b. 8% of its NAV in debt and money market securities rated AA issued by a single issuer; or
c. 6% of its NAV in debt and money market securities rated A and below issued by a single issuer The above investment limits may be extended by up to 2% of the NAV of the scheme with prior approval of the Board of Trustees and Board of Directors of the AMC, subject to compliance with the overall 12% limit specified in Paragraph 13.1.2 (b) of Master Circular for Mutual Funds for Mutual Funds dated March 20, 2026. The longterm rating of issuers shall be considered for the money market instruments.

Such limit shall not be applicable for investments in debt exchange traded funds, Government Securities, treasury bills and triparty repo on Government securities or treasury bills.

Provided further that investments within such limit can be made in the mortgaged backed securitised debt, which are rated not below investment grade by a credit rating agency registered with SEBI.

Such limit is not applicable for investment in securitized debt (mortgage backed securities and asset backed securities), at the originator level.

The long term rating of issuers shall be considered for the money market instruments. However, if there is no long term rating available for the same issuer, then based on credit rating mapping of Credit Rating Agencies between short term and long term ratings, the most conservative long term rating shall be taken for a given short term rating. Exposure to government money market instruments such as TREPS on G-Sec/ T-bills shall be treated as exposure to government securities.

5. The Scheme shall invest in unlisted Non Convertible Debentures (NCDs) having a simple structure (i.e. with fixed and uniform coupon, fixed maturity period, without any options, fully paid up upfront, without any credit enhancements or structured obligations) and are rated and secured with coupon payment frequency on monthly basis, up to a maximum of 10% of the debt portfolio of the Scheme subject to such conditions as may be specified from time to time.

Provided further that the scheme shall not invest in any other unlisted debt instruments including commercial papers (CPs), other than (a) government securities, (b) other money market instruments and (c) derivative products such as Interest Rate Swaps (IRS), Interest Rate Futures (IRF), etc. which are used by mutual funds for hedging.

6. The Scheme shall invest up to 5% of the net assets of the scheme, in unrated debt instruments/securities including bills re-discounting, usance bills, etc., that are generally not rated and for which separate investment norms or limits are not provided in MF Regulations and various circulars issued thereunder subject to such conditions as may be specified from time to time.

Provided that all such investments shall be made with the prior approval of the Board of AMC and the Board of trustees.
Provided further that the limit specified is for investment in unrated debt and money market instruments, other than government securities, treasury bills, derivative products such as Interest Rate Swaps (IRS), Interest Rate Futures (IRF) etc. by mutual fund schemes.

7.The investment of the Scheme in the following instruments as per Paragraph 13.1.10 of SEBI Master Circular for Mutual Funds dated March 20, 2026, shall not exceed 10% of the debt portfolio of the Scheme and the group exposure in such instruments shall not exceed 5% of the debt portfolio of the Scheme:

- Unsupported rating of debt instruments (i.e. without factoring-in credit enhancements) is below investment grade; and
- Supported rating of debt instruments (i.e. after factoring-in credit enhancement) is above investment grade. The above limits shall not be applicable on investments in securitized debt instruments. Investment by the Scheme in debt instruments, having credit enhancements backed by equity shares directly or indirectly, shall have a minimum cover of 4 times considering the market value of such shares. Further, the investment in debt instruments having credit enhancements should be sufficiently covered to address the market volatility and reduce the inefficiencies of invoking of the pledge or cover, whenever required, without impacting the interest of the investors. In case of fall in the value of the cover below the specified limit, AMCs will initiate necessary steps to ensure protection of the interest of the investors.

8. Prudential investment norms as per MF Regulations stipulating limits for investments in debt securities issued by a single issuer are applicable to all debt securities issued by public bodies or institutions such as electricity boards, municipal corporations, state transport corporations etc. guaranteed by either State

Central Government. Government securities issued by Central and/or State Government or on its behalf, by the RBI are however exempt from these limits.

9. The Scheme may invest in another scheme under the same AMC or any other mutual fund without charging

any fees, provided that aggregate inter-scheme investment made by all schemes under the same AMC or in schemes under the management of any other asset management shall not exceed 5% of the net asset value of the Mutual Fund.

10. The Scheme shall not make any investments in: (a) any unlisted security of an associate or group company of the Sponsors; or (b) any security issued by way of private placement by an associate or group company of the Sponsors; or (c) the listed securities of group companies of the Sponsors which is in excess of 25% of the net assets.

(a) such transfers are made at the prevailing market price for quoted Securities on spot basis (spot basis shall have the same meaning as specified by Stock Exchange for spot transactions).
(b) the securities so transferred shall be in conformity with the investment objective of the scheme to which such transfer has been made.
(c) the same are in line with Paragraph 13.19 of SEBI Master Circular for Mutual Funds dated March 20, 2026.

13. The Mutual Fund shall buy and sell securities on the basis of deliveries and shall in all cases of purchases, take delivery of relevant securities and in all cases of sale, deliver the securities:
• Provided that the Mutual Fund may engage in securities lending in accordance with the framework relating to short selling and securities lending and borrowing specified by SEBI.
• Provided further that the Mutual Fund may enter into derivatives transactions in a recognized stock exchange, subject to the framework specified by SEBI.
• Provided further that sale of government security already contracted for purchase shall be permitted in accordance with the guidelines issued by the Reserve Bank of India in this regard.

14. The Mutual Fund shall enter into transactions relating to Government Securities only in Electronic form.

15. The mutual fund shall get the securities purchased / transferred in the name of the mutual fund on account of the concerned scheme, except in respect of such securities as may be specified by the board from time to time.

16. Pending deployment of funds of a scheme in terms of investment objectives of the scheme, a mutual fund may invest them in short term deposits of schedule commercial banks, subject to Paragraph 13.7 and 5.6 of Master Circular for Mutual funds dated March 20, 2026 , as may be amended from time to time. The AMC shall not charge any investment management and advisory fees for parking of funds in such short term deposits of scheduled commercial banks for the scheme.
a. The term 'short term' for parking of funds shall be treated as a period not exceeding 91 days.
b. Such deposits shall be held in the name of each Scheme.
c. Each Scheme shall not park more than 15% of its net assets in the short term deposit(s) of all the scheduled commercial banks put together. However, it may be raised to 20% with the prior approval of the Trustee. Also, parking of funds in short term deposits of associate and sponsor scheduled commercial banks together shall not exceed 20% of total deployment by the Mutual Fund in short term deposits.
d. Each Scheme shall not park more than 10% of its net assets in short term deposit(s) with any one scheduled commercial bank including its subsidiaries.
e. Trustees /AMC will ensure that no funds of a scheme is parked in Short term deposit of a bank which has

invested in that scheme and the bank in which a scheme has short term deposit do not invest in that scheme until the scheme has short term deposit with such bank. The above provisions do not apply to term deposits placed as margins for trading in cash and derivative market.

17. Investments in Derivatives shall be in accordance with the guidelines as stated under Paragraph 8.5,8.6 and 13.15 of SEBI Master Circular for Mutual Funds dated March 20, 2026, as may be amended from time to time.

18. Investment restrictions w.r.t. InvITS:
a) The Mutual Fund under all its schemes shall not own more than 10% of units issued by a single issuer of InvIT.
b) The Scheme shall not invest more than 10% of its NAV in the units of InvITs.
c) The Scheme shall not invest more than 5% of its NAV in the units of InvITs issued by a single issuer.

19. Participation in Repo in Corporate Debt Securities is subject to the following restrictions:
a) Gross exposure to corporate bond repo transaction should not be more than 10% of the net asset of the scheme.
b) The total cumulative gross exposure (i.e. Repo + Equity + Debt + Derivatives) shall not exceed 100% of the net assets of the scheme
c) The Scheme will participate in repo transactions only in Listed AA and above rated corporate debt securities, Commercial Papers (CPs) and Certificates of Deposits (CDs).
d) In terms of Regulation 42(1) of SEBI (MF) Regulations, 2026, mutual funds shall borrow through repo transactions only if the tenor of the transaction does not exceed a period of six months.

20. The scheme may invest in certain debt instruments with special features viz. subordination to equity (absorbs losses before equity capital) and/or convertible to equity upon trigger of a pre-specified event for loss absorption (For e.g. Additional Tier I bonds and Tier 2 bonds issued under Basel III framework) subject to the following:
a) A Mutual Fund, under all its schemes shall not own more than 10% of such instruments issued by a single issuer
b) A Mutual Fund scheme shall not invest:
a. more than 10% of its NAV of the debt portfolio of the scheme in such instruments; and b. more than 5% of its NAV of the debt portfolio of the scheme in such instruments issued by a single issuer. The above investment limit for a mutual fund scheme shall be within the overall limit for debt instruments issued by a single issuer, as specified at Paragraph 13.1(2) of SEBI master Circular for Mutual Funds dated March 20, 2026, and other prudential limits with respect to the debt instruments.

21. The Scheme may write call options only under a covered call strategy for constituent stocks of NIFTY 50 and BSE SENSEX subject to the following:

G. Other Scheme Specific Disclosures:

Listing and transfer of units	**Listing:** The Scheme is an open ended equity scheme under which sale and repurchase will be made on a continuous basis and therefore listing on stock exchanges is not envisaged. However, the Trustee may at their discretion list the units on any Stock Exchange. **Transfer:** The Scheme being an open-ended Scheme under which the Units are available for Subscription and Redemption on an ongoing basis on all the Business Days, the Units of the Scheme are not proposed to be listed on any stock exchange. However, the AMC/ Trustee reserves the right to list the Units of the Scheme as and when the AMC/ Trustee considers it necessary in the interest of Unit holders of the Scheme. There are no restrictions on transfer of Units of the Scheme whether held in Statement of Account (physical) mode or dematerialised mode. Further, the Units held in dematerialized form can be transferred and transmitted in accordance with the provisions of SEBI (Depositories and Participants) Regulations, as may be amended from time to time. Further, additions / deletions of names of Unit holders will not be allowed under any folio of the Scheme. However, the said provisions will not be applicable in case a person (i.e. a transferee) becomes a holder of the Units by operation of law

	or upon enforcement of pledge, then the AMC shall, subject to production of such satisfactory evidence and submission of such documents, proceed to effect the transfer, if the intended transferee is otherwise eligible to hold the Units of the Scheme. The said provisions in respect of deletion of names will not be applicable in case of death of a Unit holder (in respect of joint holdings) as this is treated as transmission of Units and not transfer
Dematerialization of units	The Scheme offers option to hold units in electronic (demat) mode. Accordingly, the Units of the Scheme will be available in dematerialized (electronic) form. The option to hold units in electronic (demat) mode is not available for plans/options where the IDCW frequency is less than one month. The applicant intending to hold Units in dematerialized form will be required to have a beneficiary account with a Depository Participant (DP) of NSDL/CDSL and will be required to mention in the application form DP Name, DP ID and Beneficiary Account Number with the DP at the time of subscribing Units of the Schemes. In case Unit holders do not provide their demat account details or the demat details provided in the application form are incomplete / incorrect or do not match with the details with the Depository records, the Units will be allotted in account statement mode provided the application is otherwise complete in all respect. Further, if the Units cannot be allotted in demat mode due to reason that KYC details including IPV is not updated with DP, the Units will be allotted in non-demat mode subject to compliance with necessary KYC provisions and the application is otherwise complete in all respect
Minimum Target amount (This is the minimum amount required to operate the scheme and if this is not collected during the NFO period, then all the investors would be refunded the amount invested without any return.)	Not Applicable
Maximum Amount to be raised (if any)	Not Applicable
Dividend Policy (IDCW)	The Trustee will endeavor to declare IDCW under the IDCW Option, subject to availability of distributable surplus calculated in accordance with the Regulations. **IDCW distribution procedure:** In accordance with Chapter 12.5 of SEBI Master Circular for Mutual Funds, the procedure for IDCW distribution will be as follows: 1. Quantum of IDCW and record date shall be fixed by the Board of Trustees. IDCW so decided shall be paid, subject to availability of distributable surplus as on the date of declaration of IDCW. 2. Within 1 calendar day of the decision by the Board of Trustees, the AMC shall issue notice to the public communicating the decision about the IDCW including the record date. 3. Record date shall be the date, which will be considered for the purpose of determining the eligibility of investors whose name appear on the register of

	unit holders for receiving IDCWs. The Record Date will be two working days from the date of issue of notice. 4. The NAV will be adjusted to the extent of IDCW distribution and statutory levy, if any at the close of business hours on record date. 5. Before the issue of such notice, no communication indicating the probable date of IDCW declaration in any manner whatsoever will be issued by the Mutual Fund. 6. The payment of dividend to the unitholders shall be made within seven working days from the record date. Even though the asset portfolio will be common, the NAVs of the growth option and IDCW option in the Scheme will be distinctly different after declaration of the first IDCW to the extent of distributed income, applicable tax and statutory levy, if any, and expenses relating to the distribution of the IDCWs.

The Mutual Fund will be repurchasing (subject to completion of lock-in period, if any) and issuing units of the Scheme on an ongoing basis and hence the transfer facility is found redundant. Any addition / deletion of name from the folio of the Unit holder is deemed as transfer of Units. In view of the same, additions/ deletions of names will not be allowed under any folio of the Scheme. The said provisions in respect of deletion of names will not be applicable in case of death of a Unit holder (in respect of joint holdings) as this is treated as transmission (transfer of units by operation of law) of Units and not transfer. Units of the Scheme held in demat form shall be freely transferable (subject to lock-in period, if any) and will be subject to transmission facility in accordance with the provisions of the SEBI (Depositories and Participants) Regulations as amended from time to time. Also, when a person becomes a holder of the units by operation of law or upon enforcement of pledge, then the AMC shall, subject to production/submission of such satisfactory evidence, which in its opinion is sufficient, effect the transfer, if the intended transferee is otherwise eligible to hold the units. **RIGHT TO RESTRICT REDEMPTION AND / OR SUSPEND REDEMPTION OF THE UNITS:** The Fund at its sole discretion reserves the right to restrict Redemption (including switchout) of the Units (including Plan /Option) of the Scheme of the Fund upon occurrence of the below mentioned events for a period not exceeding ten (10) working days in any ninety (90) days period subject to approval of the Board of Directors of the AMC and the Trustee. The restriction on Redemption (including switch-out) shall be applicable where the Redemption (including switch-out) request is for a value above Rs. 2,00,000/- (Rupees Two Lakhs). Further, no restriction shall be applicable to the Redemption / switch-out request upto Rs. 2,00,000/- (Rupees Two Lakhs). It is further clarified that, in case of redemption request beyond Rs. 2,00,000/- (Rupees Two Lakhs), no restriction shall be applicable on first Rs. 2,00,000/- (Rupees Two Lakhs). The Trustee / AMC reserves the right to restrict Redemption or suspend Redemption of the Units in the Scheme of the Fund on account of circumstances leading to a systemic crisis or event(s) that severely constrict market liquidity or the efficient functioning of the markets. A list of such circumstances under which the restriction on Redemption or suspension of Redemption of the Units in the Scheme of the Fund may be imposed are as follows: 1. Liquidity issues- when market at large becomes illiquid affecting almost all securities rather than any issuer specific security; or

	2. Market failures / Exchange closures; or 3. Operational issues; or 4. If so directed by SEBI. It is clarified that since the occurrence of the abovementioned eventualities have the ability to impact the overall market and liquidity situation, the same may result in exceptionally large number of Redemption requests being made and in such a situation the indicative timelines (i.e. within 3-4 Business Days) mentioned by the Fund in the scheme offering documents, for processing of requests for Redemption may not be applicable. Please refer to paragraphs on 'Transfer and Transmission of units, Right to limit Redemption, Suspension of Purchase and/ or Redemption of Units and Pledge of Units' in the SAI for further details.
Cut off timing for subscriptions/ redemptions/ switches This is the time before which your application (complete in all respects) should reach the official points of acceptance.	**Applicable NAV for Purchases/Switch-ins** 1. In respect of valid applications received upto 3.00 p.m. on a business day and entire amount is available in the mutual fund's account for utilization before the cut off time of the same day – closing NAV of the day of receipt of application; 2. In respect of valid applications received after 3.00 p.m. on a business day and the entire amount is available in the mutual fund's account for utilization before cut off time of the next business day – the closing NAV of the next business day; 3. Irrespective of the time of receipt of the application where the entire amount is available in Mutual fund's account for utilization before cut off time on any subsequent business day – the closing NAV of such subsequent business day. The above cut-off timings and applicability of NAV shall be applicable in respect of valid applications received at the Official Point(s) of Acceptance on a Business Day: 1. It is clarified that switches will be considered as redemption in the switch-out scheme and purchase / subscription in the switch-in scheme. 2. Cheques received on a business day may be deposited with the primary bankers of the respective location on the next business day. NAV shall be as per the applicable NAV mentioned above. To enable early sighting of funds by the schemes, investors are requested to avail of electronic facilities like RTGS / NEFT in respect of subscriptions and submit the proof of transfer of funds along with their applications. AMC shall not be responsible for any delay on account of banking clearance or circumstances which are beyond the control of AMC. 3. The provisions for applicability of NAV based on realization of funds will be applicable to all types of investment including various systematic investments routes (viz, SIP, STP, DTP etc.) as may be offered by the Scheme from time to time. **Applicable NAV for Redemption/ Switch outs** a) where the application received upto 3.00 pm – closing NAV of the business day of receipt of application; and b) an application received after 3.00 pm – closing NAV of the next business day. Further, where the AMC or the Registrar has provided a facility to the investors to redeem /switch-out of the Scheme through the medium of Internet by logging

	onto specific web-sites or any other facilities offered by the AMC and where investors have signed up for using these facilities, the Applicable NAVs will be as provided above. **Technical issues when transactions are processed through online facilities/ electronic modes:** The time of transaction done through various online facilities / electronic modes offered by the AMC, for the purpose of determining the applicability of NAV, would be the time when the request for purchase / SIP/ sale / switch of units is received in the servers of AMC/RTA. In case of transactions through online facilities / electronic modes, there may be a time lag of few seconds or upto 1-7 banking days between the amount of subscription being debited to investor's bank account and the subsequent credit into the respective Scheme's bank account. This lag may impact the applicability of NAV for transactions where NAV is to be applied, based on actual realization of funds by the Scheme. Under no circumstances will Groww Asset Management Limited or its bankers or its service providers be liable for any lag / delay in realization of funds and consequent pricing of units. The AMC has the right to amend cut off timings subject to SEBI (MF) Regulations for the smooth and efficient functioning of the Scheme. Representation of SIP transaction which have failed due to technical reasons will also follow same rule.
Minimum amount for purchase/redemption/switches	Ongoing: Rs.500 and in multiples of Re. 1 Switch-in amount: Rs.500 and in multiples of Re.1. The minimum subscription limits for new purchases/additional purchases will apply to each Option separately. **Minimum Redemption Amount:** The minimum redemption amount shall be Rs. 500 and in multiples of Re. 1 In case, if the investor wants to submit redemption in units, the value should be equivalent to the minimum redemption amount specified above as on the applicable NAV date and the units should be in multiples of 0.001. In case the available balance in folio is less than the minimum redemption amount/units, then the investor can submit a request for "All units/Full redemption" of the amount / units available in folio. If the redemption is received in "Units" or "Amount" and reported Units/Amount are more than available units/amount in the folio then it will be considered as full unit/amount redemption. Please note this will not be applicable for units under pledge and demat folios. The AMC reserves the right to change the minimum amounts for various purchase / redemption/ switch. Such changes shall only be applicable to transactions on a prospective basis.
Accounts Statements	AMC shall send an allotment confirmation specifying the number of Units allotted shall be sent to the Unit holders at their registered email address and/or mobile number by way of email and/or SMS within 5 working Days from the date of receipt of the valid application/transaction.

	A Consolidated Account Statement (CAS) detailing all the transactions across all mutual funds and holding at the end of the month shall be sent to the Unit holders in whose folio(s) transaction(s) have taken place during the month. eCAS will be sent on or before 12th of the succeeding month and physical CAS will be sent on or before 15th of the succeeding month. However, if the investor wishes to opt for physical copy may request for the same. Half-yearly CAS shall be issued at the end of every six months (i.e. April and October). eCAS shall be sent on or before 18th day of succeeding month and physical CAS shall be sent on or before 21st day of succeeding month to all investors providing the prescribed details across all schemes of mutual funds and securities held in dematerialized form across demat accounts, if applicable. For further details, refer SAI
Dividend/ IDCW	The payment of IDCW proceeds to the unitholders shall be made within 7 working days from the record date. The IDCW proceeds will be paid by way of ECS / EFT / NEFT / RTGS / Direct credits/ any other electronic manner if sufficient banking details are available with the Mutual Fund for the Unitholder. In the event of failure of payment of IDCW proceeds within the stipulated time of 7 working days period from the record date, the AMC shall be liable to pay interest @ 15 percent per annum calculated from the record date till the date of dispatch of IDCW proceeds, to the Unit holders. In case of specific request for IDCW by warrants/cheques/demand drafts or unavailability of sufficient details with the Mutual Fund, the IDCW will be paid by warrant/cheques/demand drafts and payments will be made in favour of the Unit holder (registered holder of the Units or, if there are more than one registered holder, only to the first registered holder) with bank account number furnished to the Mutual Fund.
Redemption	The redemption or repurchase proceeds shall be dispatched to the unitholders within three working days from the date of redemption or repurchase. For list of exceptional circumstances refer para 15.3.1 of SEBI Master Circular for Mutual Funds.
Bank Mandate	It is mandatory for every applicant to provide the name of the bank, branch, address, account type and number as per SEBI requirements and any Application Form without these details will be treated as incomplete. Such incomplete applications may be liable to be rejected. The Registrar / AMC may ask the investor to provide a blank cancelled cheque or its photocopy for the purpose of verifying the bank account number. For detailed process in relation to bank mandate, kindly refer SAI.
Delay in payment of redemption / repurchase proceeds/dividend	The redemption or repurchase proceeds shall be dispatched to the unitholders within 3 working days from the date of redemption or repurchase. However, pursuant to Clause 15.1.3 of SEBI Master Circular, AMFI vide its communication no. AMFI/35P/MEM-COR/74/2022-23 dated January 16,2023 has provided certain exceptional circumstances wherein the additional timelines

	shall be applicable (please refer Statement of Additional Information "SAI" for further details.) The AMC shall be liable to pay interest to the Unit holders @ 15% p.a. or such other rate as may be prescribed by SEBI from time to time, in case the redemption / repurchase proceeds are not dispatched within 3 working days from the date of receipt of the valid redemption/repurchase application, complete in all respects. However, the AMC shall not be liable to pay any interest or compensation in case of any delay in processing the redemption application beyond 3 working days, in case of any deficiency in the redemption application or if the AMC/RTA is required to obtain from the Investor/Unit holders any additional details for verification of identity or bank details or such additional information under applicable regulations or as may be requested by a Regulatory Agency or any government authority, which may result in delay in processing the application.
Unclaimed Redemption and Income Distribution cum Capital Withdrawal Amount	As per the Clause 15.5 of SEBI Master Circular, the unclaimed Redemption and dividend amounts shall be deployed by the Fund in call money market or money market instruments and in a separate plan of Liquid scheme / Money Market Mutual Fund scheme floated by Mutual Funds specifically for deployment of the unclaimed amounts. The investment management fee charged by the AMC for managing such unclaimed amounts shall not exceed 50 basis points. The AMCs shall not be permitted to charge any exit load in this plan. Provided that such schemes where the unclaimed redemption and IDCW amounts are deployed shall be only those Overnight scheme/ Liquid scheme / Money Market Mutual Fund schemes which are placed in A-1 cell (Relatively Low Interest Rate Risk and Relatively Low Credit Risk) of Potential Risk Class matrix. The investors who claim these amounts during a period of three years from the due date shall be paid at the prevailing NAV. After a period of three years, this amount can be transferred to a pool account and the investors can claim the said amounts at the NAV prevailing at the end of the third year. In terms of the circular, the onus is on the AMC to make a continuous effort to remind investors through letters to take their unclaimed amounts. The website of Groww Mutual Fund also provides information on the process of claiming the unclaimed amount and the necessary forms / documents required for the same. The details of such unclaimed amounts are also disclosed in the annual report sent to the Unit Holders. Important Note: All applicants must provide a bank name, bank account number, branch address, and account type in the Application Form.

Disclosure w.r.t investment by minors	As per paragraph 15.13 of SEBI Master circular for Mutual, the following Process for Investments in the name of a Minor through a Guardian will be applicable: a. Payment for investment by any mode shall be accepted from the bank account of the minor, parent or legal guardian of the minor, or from a joint account of the minor with parent or legal guardian. For existing folios, the AMCs shall insist upon a Change of Pay-out Bank mandate before redemption is processed. b. Irrespective of the source of payment for subscription, all redemption proceeds shall be credited only in the verified bank account of the minor, i.e. the account the minor may hold with the parent/ legal guardian after completing all KYC formalities. c. Upon the minor attaining the status of major, the minor in whose name the investment was made, shall be required to provide all the KYC details, updated bank account details including cancelled original cheque leaf of the new account. No further transactions shall be allowed till the status of the minor is changed to major. d. AMCs shall build a system control at the account set up stage of Systematic Investment Plan (SIP), Systematic Transfer Plan (STP) and Systematic Withdrawal Plan (SWP) on the basis of which, the standing instruction is suspended when the minor attains majority, till the status is changed to major. Please refer SAI for detailed process on investments made in the name of a Minor through a Guardian and Transmission of Units.

C. TRANSPARENCY/NAV DISCLOSURE (DETAILS WITH REFERENCE TO INFORMATION GIVEN IN SECTION I)

The AMC will calculate and disclose the NAVs on all the Business Days. Mutual Fund / AMC will provide facility of sending latest available NAVs to unitholders through SMS, upon receiving a specific request in this regard. The AMC shall update the NAVs on the website of the Mutual Fund https://www.growwmf.in/nav and on the website of Association of Mutual Funds in India - AMFI (www.amfiindia.com) by 11.00 p.m. on every Business Day. In case of any delay, the reasons for such delay would be explained to AMFI in writing. If the NAVs are not available before commencement of business hours on the following day due to any reason, the Mutual Fund shall issue a press release giving reasons and explaining when the Mutual Fund would be able to publish the NAVs.

D. Transaction charges and stamp duty- Indicate only the amount of transaction charges and stamp duty applicable.

Applicability of Stamp Duty : Pursuant to Notification No. S. O. 1226 (E) and G.S.R 226(E) dated March 30, 2020 issued by Department of Revenue, Ministry of Finance, Government of India, read with Part I of Chapter IV of Notification dated February 21, 2019 issued by Legislative Department, Ministry of Law and Justice, Government of India on the Finance Act, 2019, a stamp duty @ 0.005% of the transaction value shall be levied on applicable mutual fund transactions. Accordingly, pursuant to levy of stamp duty, the number of units allotted on purchase transactions to the unitholders would be reduced to that extent. The stamp duty will be deducted from the net investment amount i.e. gross investment amount less any other deduction like transaction charge. Units will be created only for the balance amount i.e. Net Investment Amount as reduced by the stamp duty. The stamp duty will be computed at the rate of 0.005% on an inclusive method basis.

Taxability in the hands of Investor

If the units are held as stock-in-trade of a business, the said income will be taxed at the rates at which the normal income of that investor is taxed.
If the units are held as investments, the said income will be taxed as capital gains. In such case, the tax rates applicable will depend on whether the gain on sale of units is classified as a short-term capital gain or a long-term capital gain.

Tax on Income Distributed by a Mutual Fund

Finance Act, 2020 has amended the provision of section 115R of the Act (Dividend Distribution Tax) to provide that the income distributed on or before 31st March 2020 shall only be covered under the provision of this section.

With effect from 1st April, 2020, dividend or income distribution by mutual fund on units is taxable in the hands of unit holders at the applicable rates

* As per provision of section 194K of the Act / Section 393 of Income Tax Act, 2025, where the amount of income credited or paid in a financial year, in aggregate, does not exceed Rs. 10,000, no withholding is required to be carried out. However, the scheme shall be withholding tax when the aggregate amount in financial year at Permanent Account Number (PAN) level exceeds Rs. 9,000.
Tax rates mentioned above are further increased by surcharge and health and education cess as may be applicable for respective investor.
Surcharge and cess shall not be applied on basic tax while deducting TDS, if any, on income of resident investors.
