XXIV.	<b>Special product/facility available-on ongoing basis</b>	<p><b>A. SYSTEMATIC INVESTMENT PLAN (SIP) :</b>          Investors are given an additional facility of Systematic Investment Plan (SIP) in the Scheme. Thus, by investing a fixed amount at regular intervals, Unit holders can take advantage of the benefits of rupee cost averaging. Such a facility will be treated as a subscription along with the Applicable NAV/load, if any. For each SIP installment, the closing NAV of such Business Day on which the funds are available for utilisation shall be applicable. Investment can be made by the investor under SIP in either IDCW / Growth Option provided the following conditions are met:</p> <table border="1" data-bbox="576 927 1385 1167"> <thead> <tr> <th>Frequency</th> <th>Minimum Investment Amount</th> <th>Minimum Installment</th> <th>Date</th> </tr> </thead> <tbody> <tr> <td>Monthly</td> <td>Rs. 500/- and in multiple of Rs. 500/-</td> <td>6</td> <td>any day between 1 to 28</td> </tr> </tbody> </table> <p><b>SIP Top- Up Facility:</b>          It is a facility wherein an investor who is enrolling for SIP has an option to increase the amount of the SIP installment by a fixed amount at pre-defined intervals. Thus, an investor can progressively start increasing the amount invested, allowing them to gradually increase the investment corpus in a systematic manner. The minimum SIP Top-up amount is Rs. 500 and in multiples of Rs. 500/- .</p> <p><b>SIP Pause / SIP Cancellation facility:</b>          Under this facility, an investor has an option to stop his SIP temporarily (at a folio level) for a specified number of installments. Instructions for 'Pause' can be given by filling up 'NJ Mutual Fund - SIP Pause / SIP Cancel Form'. SIP would re-start automatically after completion of the Pause period specified by the investor.</p> <p><b>Corporate Systematic Investment Plan (C-SIP)</b>          Corporate Systematic Investment Plan (C-SIP) facility is available under all the open ended schemes of NJ Mutual Fund. C- SIP is a facility developed for companies to enable their employees to start SIP Investments in the open ended schemes of NJ Mutual Fund. Under this facility, a specific amount is invested into the open ended</p>	Frequency	Minimum Investment Amount	Minimum Installment	Date	Monthly	Rs. 500/- and in multiple of Rs. 500/-	6	any day between 1 to 28

scheme of NJ Mutual Fund, by the employer on behalf of their employees. Existing SIP criteria of the respective scheme will remain the same for C-SIP facility. For a list of eligible schemes and terms and conditions, please refer to the website of NJ Mutual Fund. All other terms and conditions as mentioned in the Statement of Additional Information and Key Information Memorandum will remain unchanged.

**B. SYSTEMATIC WITHDRAWAL PLAN (SWP):**

This facility enables the Unit holders to withdraw fixed sum from their Unit accounts at periodic intervals through a one-time request. The amount withdrawn under SWP will be considered as redemption with Applicable NAV/Load. To qualify for SWP, the Units should not be marked under Lien or Units should not be locked in nor pledged. The Unitholder may avail of this plan by sending a written request to the Registrar and Transfer Agent. This facility is available in the growth and IDCW option.

Frequency	Minimum Withdrawal Amount	Minimum Installment	Date*
Monthly	Rs.500/- and in multiple of Re. 1/-	6	1, 5, 12, and 20 of each month

\*Next business day if the date falls on a non-business day.

**C. SYSTEMATIC TRANSFER PLAN (STP):**

This facility enables the unit holder to transfer fixed sum periodically from the source Scheme to the target Scheme by redeeming Units of source Scheme at Applicable NAV, subject to exit load, if any; and reinvesting the same amount in target Scheme at Applicable NAV. (The minimum amount criteria in the target Scheme should however be fulfilled unless specified otherwise) STP will be automatically terminated if all Units are liquidated or withdrawn from the source Scheme or pledged or upon receipt of intimation of death of the Unit holder. Further, STP would not be applicable in case of insufficient balance under the source Scheme. To qualify for STP, the following conditions should be met with:

Frequency	Minimum Transfer Amount	Minimum Installment	Date
Monthly	Rs. 500/- and in multiple of Re. 1/- thereafter	6	any day between 1 to 28

## Part II. INFORMATION ABOUT THE SCHEME

### A. HOW WILL THE SCHEME ALLOCATE ITS ASSETS?

**An Asset allocation of the Scheme and indicative exposure level in percentage terms under normal circumstances:**

Instruments	Indicative allocations (% of total assets)	
	Maximum	Minimum
Equity & Equity related instruments#	100%	80%
Debt and money market instruments*	20%	0%

\*TREPS (or any similar instrument), Government Repo / Reverse Repo (in Government Securities), Treasury bills, Government securities (Issued by both Central and State governments) and any other like instruments as specified by the Reserve Bank of India from time to time and approved by SEBI from time to time.

# As per ELSS guideline, Equity and Equity related instruments include convertible debentures, equity warrants, convertible preference shares, etc. The funds collected under a plan shall be invested in equities, cumulative convertible preference shares and fully convertible debentures and bonds of companies. Investment may also be made in partly convertible issues of debentures and bonds including those issued on rights basis subject to the condition that, as far as possible, the non-convertible portion of the debentures so acquired or subscribed, shall be disinvested within a period of 12 months.

- The Scheme will not invest in foreign securities, securitised debt, derivative and equity linked debentures.
- The scheme will not invest in debt instruments with special features as referred to in SEBI circular no. SEBI/HO/IMD/DF4/CIR/P/2021/032 dated March 10, 2021, debt instruments having credit enhancements or structured obligations.
- Presently, stock lending is not permitted as per the ELSS Guidelines. As and when permitted, the Scheme shall not lend securities amounting to more than 20% of the net assets of the Scheme and not more than 5% of the net assets of the Scheme will be deployed in Stock lending to any single intermediary. The Scheme will enter into securities lending in accordance with the framework specified by SEBI in this regard.
- The cumulative gross exposure through equity and equity related securities and Debt and money market Instruments, repo transactions and such other securities/assets as may be permitted by the Board from time to time shall not exceed 100% of the net assets of the Scheme, subject to regulatory approval, if any.
- The scheme may invest in another scheme under the same asset management company or any other mutual fund without charging any fees, provided that aggregate inter-scheme investment made by all schemes under the same management or in schemes under the management of any

other asset management company shall not exceed 5% of the net asset value of the mutual fund.

- During the deployment of NFO proceeds, equity positions may have to build up gradually, considering the inherent characteristics of the Scheme. This would necessarily entail having a large cash position before the portfolio is fully invested.
- In accordance with the ELSS, investments by the Scheme in equity and equity related Securities will not fall below 80% of the net assets of the Scheme. As per the ELSS Rules , pending deployment of funds, the Scheme may invest in short-term money market instruments or other liquid instruments or both. After three years of the date of allotment of the units, the Mutual Fund may hold upto 20% of net assets of the Scheme in short-term money market instruments and other liquid instruments to enable redemption of investment of those unit holders who would seek to tender the units for repurchase.

Pending deployment of funds of the Scheme, the AMC may invest funds of the Scheme in short-term deposits of scheduled commercial banks, subject to the following conditions issued by SEBI vide its Master Circular SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024:

1. The term 'short term' for parking of funds shall be treated as a period not exceeding 91 days.
2. Such deposits shall be held in the name of the Scheme.
3. The Scheme shall not park more than 15% of its net assets in the short term deposit(s) of all the scheduled commercial banks put together. However, it may be raised to 20% with the prior approval of the Trustee. Also, parking of funds in short term deposits of associate and sponsor scheduled commercial banks together shall not exceed 20% of total deployment by the Mutual Fund in short term deposits.
4. The Scheme shall not park more than 10% of its net assets in short term deposit(s) with any one scheduled commercial bank including its subsidiaries.
5. The Trustee shall ensure that the funds of the Scheme are not parked in the short term deposits of a bank which has invested in that Scheme.
6. AMC will not charge any investment management and advisory fees for parking of funds in short term deposits of scheduled commercial banks.
7. The Trustee shall also ensure that the bank in which a scheme has short term deposits does not invest in the scheme until the scheme has short term deposits with such bank.

The above provisions do not apply to term deposits placed as margins for trading in cash and derivative markets.

**Indicative Table** (Actual instrument/percentages may vary subject to applicable SEBI circulars)

**Portfolio Rebalancing due to passive breaches:**

As per SEBI Master Circular for Mutual Funds dated June 27, 2024, and SEBI Circulars as amended from time to time, the Scheme shall rebalance the portfolio in case of any deviation to the asset allocation. Such rebalancing shall be done within thirty (30) business days from the date of occurrence of deviation due to passive breach. Where the portfolio is not rebalanced within thirty (30) business days, justification for the same shall be recorded in writing, including details of efforts taken to rebalance the portfolio and shall be placed before the Investment Committee. The Investment committee shall then decide on the course of action. The Investment Committee, if so desires, can extend the timelines up to sixty (60) business days from the date of completion of the mandated rebalancing period.

However, at all times the portfolio will adhere to the overall investment objectives of the Schemes.

In case the portfolio of schemes is not rebalanced within the aforementioned mandated plus extended timelines, AMC will:

- i. not launch any new scheme till the time the portfolio is rebalanced.
- ii. not levy exit load, if any, on the investors exiting the scheme

**Reporting and Disclosure Requirements:**

- i. AMC shall report the deviation to Trustees at each stage.
- ii. In case the AUM of deviated portfolio is more than 10% of the AUM of main portfolio of scheme:
  - 1. AMC will immediately disclose the same to the investors through SMS and email / letter including details of portfolio not rebalanced.
  - 2. AMC will immediately communicate to investors through SMS and email / letter when the portfolio is rebalanced.
  - 3. Subject line of the aforementioned emails / letters should clearly indicate “breach of” / “deviation” from mandated asset allocation.
- iii. AMCs shall disclose any deviation from the mandated asset allocation to investors along with periodic portfolio disclosures as specified by SEBI from the date of lapse of mandated plus extended rebalancing timelines.

The above mentioned norms for rebalancing shall be applicable to main portfolio only and not to segregated portfolio(s), if any.

### **Rebalancing due to Short Term Defensive Consideration:**

Any alteration in the investment pattern will be for a short term on defensive considerations as per SEBI Master Circular for Mutual Funds dated June 27, 2024; the intention being at all times to protect the interests of the Unit Holders. Please note that such alteration in the investment pattern will be rebalanced within the timeline mentioned above.

It may be noted that no prior intimation/indication will be given to investors when the composition/asset allocation pattern under the Scheme undergoes changes within the permitted band as indicated above.

### **B. WHERE WILL THE SCHEME INVEST?**

Subject to the Regulations and the disclosure as made under the section “How the Scheme will allocate its assets”:

1. Equity and equity related securities equities, cumulative convertible preference shares and fully convertible debentures and bonds of companies.
2. Investment may also be made in partly convertible issues of debentures and bonds including those issued on rights basis subject to the condition that, as far as possible, the non-convertible portion of the debentures so acquired or subscribed, shall be disinvested within a period of twelve months;
3. TREPS, Repo / Reverse (in Government securities), Treasury bills, cash and cash equivalents.
4. Government securities issued by (central and state governments) and other securities issued by RBI from time to time.
5. Units of Mutual funds including ETFs as may be permitted by SEBI regulation
6. Pending deployment of the Scheme shall be invested in short -term Deposit as per SEBI circular issued in this regard from time to time.
7. Any other like instruments (as mentioned in point 3 and 4 above) may be permitted by RBI/SEBI/such other Regulatory Authority(ies) from time to time.

The securities mentioned above, could be listed, unlisted, privately placed, secured, unsecured, rated or unrated (subject to the rating or equivalency requirements discussed above) and of any maturity. The securities may be acquired through secondary market operations, primary issues/offering, other public offers, Private Placement and negotiated deals amongst other mechanisms.

The Scheme may invest in other Schemes managed by the AMC or in the Schemes of any other Mutual Fund(s), provided such investment is in conformity to the investment objectives of the Scheme and in terms of the prevailing Regulations. As per the SEBI (MF) Regulations 1996, no investment management fees will be charged for such investments and the aggregate inter-scheme investment made by all Schemes of the Mutual Fund or in the Scheme under the management of other asset management companies shall not exceed 5% of the net asset value of the Mutual Fund.

### C. WHAT ARE THE INVESTMENT STRATEGIES?

The investment objective of the Scheme is to generate long term capital appreciation by investing in equity and equity related instruments across market capitalizations. The scheme selects securities using a rule based active approach based on proprietary protocols. These protocols are derived based on analysis of various market, macroeconomic and fundamental factors described below.

Allocation to equity stocks is decided on the basis of market and macroeconomic variables including equity market valuation, interest rates, Gsec yields and money supply.

The Scheme will invest predominantly in equity and equity related instruments.

Equity stocks are selected and weighted using factor-based rules that aim to achieve a mix of attributes considered supportive of long term performance within risk constraints. A factor can be thought of as any attribute that is important in explaining the risk and / or return of a security. Portfolios can be created on the basis of a single factor or a combination of two or more factors. The latter approach may assist in portfolio diversification and/or as a risk control mechanism.

The rule based active investment strategy eliminates all human intervention at the stock selection stage, preventing human bias and ensuring that the portfolio is constructed as intended by the proprietary protocol.

While factor definitions and the parameters used to capture them can vary, four factors have been identified by academics and widely adopted by investors over the years as key determinants of a portfolio.

**Low Volatility** : Low-volatility investing identifies stocks that display a lower level of risk than the overall market. Low-volatility equities often lag when the market is rising, but may outperform when the market is falling. Although Low Volatility doesn't generally drive excess returns, it can help smooth out returns.

**Momentum** : Momentum investing presumes that if stocks have performed well in the recent past, they probably will continue outperforming the market for a short period in the future. Investors have a natural desire not to miss out on what they see as a good thing, and our tendency to move as a "herd" fuels the momentum. Momentum may also occur because investors can either overreact or underreact to new information.

**Quality** : Quality focuses on identifying companies that are believed to have a greater ability to deliver sustainable returns to shareholders. These companies are typically characterized by high profitability, low leverage and low earnings volatility. As well, high quality companies are more likely to hold their value in a market downturn, meaning they will have less ground to make up when the markets recover. Investors tend to favour stocks that have greater potential short-term upside, often ignoring the risk that these same high-leverage stocks can have greater potential short-term downside as well.

**Value** : Value investing focuses on companies whose stock is selling at a market price below the "intrinsic" value. Since most stock prices eventually return to their long-term average, a tendency known as "mean reversion", investors who have the patience or time horizon to identify stocks that

are trading below their intrinsic value, and then hold on to them until they revert to their fair price, tend to be rewarded.

As markets evolve and data availability as well as academic research becomes more sophisticated, the AMC may choose to opt for more or fewer factors/variables and accordingly add or modify the rules therein.

Disclosure for derivatives to be provided in summary form. For detailed derivative strategies, please refer to SAI.

**PORTFOLIO TURNOVER**

Portfolio turnover is defined as the lower of purchases and sales after reducing all subscriptions and redemptions and derivative transactions there from and calculated as a percentage of the average assets under management of the Scheme during a specified period of time.

However, the AMC will take advantage of the opportunities that present themselves from time to time because of the inefficiencies in the securities markets. The AMC will endeavour to balance the increased cost on account of higher portfolio turnover with the benefits derived there from.

**D. HOW WILL THE SCHEME BENCHMARK ITS PERFORMANCE?**

The Board adopted Benchmarks for comparing the performance of the Scheme as Nifty 500 TRI. Since the composition of the Index is most suited for comparing performance of the Scheme. It will also enable the investors to arrive at a more informed judgement on scheme performances.

Pursuant to Regulation 25(16A) of the SEBI (MF) Regulations, 1996 , AMC shall invest in the scheme based on the risk associated with the scheme as specified in para 6.9 of SEBI Master circular No. SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024 read with AMFI Best PracticeGuidelines Circular 135/BP/100/2022-23 dated 26th April 2022 and any other circulars issued thereunder, from time to time. In addition to investments as mandated above, the AMC may invest in the Scheme subject to the SEBI (MF) Regulations. Under the Regulations, the AMC is not permitted to charge any investment management and advisory services fee on its own investment in the Scheme.

**Part III- OTHER DETAILS**

**A. COMPUTATION OF NAV**

The Net Asset Value (NAV) of the Units will be determined daily or as prescribed by the Regulations. The NAV shall be calculated in accordance with the following formula, or such other formula as may be prescribed by SEBI from time to time.

$$\text{NAV} = \frac{\text{Market/Fair value of Scheme's Investments} + \text{Receivables} + \text{Accrued Income} + \text{Other Assets} - \text{Accrued Expenses} - \text{Payables} - \text{Other Liabilities}}{\text{No. of units outstanding under Scheme}}$$

No. of units outstanding under Scheme

The AMC will calculate and disclose the first NAV of the Plan(s) not later than 5 Business Days from the allotment of units of the respective Plan(s). Subsequently, the NAV of the Scheme will be calculated and disclosed as of the close of every Business Day

Separate NAVs will be calculated and announced for each of the options under the scheme. NAVs of the growth option and IDCW option will be different after the declaration of the first amount distributed under the IDCW option. Rounding off policy for NAV of the Units in the Scheme is calculated in the manner provided in this Scheme Information Document or as may be prescribed by Regulations from time to time. The NAV will be computed up to **two decimal** places.

**Illustration of Computation of NAV:**

The computation of NAV per unit using various components is explained as follows:

Particulars	Amount in Rs.
Value of Scheme's Investment (A)	10,00,00,000
Add: Current Assets including accrued income (B)	75,34,345
Less: Current Liabilities and Provisions (C)	(30,00,000)
Net Assets (A+B-C)	10,45,34,345

No of Units outstanding under Scheme on the Valuation Day: 1,00,00,000

$$\text{The NAV per unit will be computed as follows: } \frac{10,45,34,345}{1,00,00,000} = \text{Rs. } 10.45$$

The Mutual Fund will ensure that the repurchase price shall not be lower than 95% of the NAV.

For other details such as policies w.r.t computation of NAV, rounding off, investment in foreign securities, procedure in case of delay in disclosure of NAV etc. refer to SAI.

## B. NEW FUND OFFER (NFO) EXPENSES

This section is not applicable since the scheme is an ongoing scheme.

## C. ANNUAL SCHEME RECURRING EXPENSES

These are the fees and expenses for operating the scheme. These expenses include Investment Management and Advisory Fee charged by the AMC, Registrar and Transfer Agents' fee, marketing and selling costs etc. as given in the table below:

The AMC has estimated that upto 2.25% of the daily net assets of the scheme will be charged to the scheme as expenses For the actual current expenses being charged, the investor should refer to the website of the mutual fund.

Expense Head	% p.a. of daily Net Assets* (Estimated p.a.)
Investment Management & Advisory Fee	Upto 2.25%
Audit fees/fees and expenses of trustees	
Custodial Fees	
Registrar & Transfer Agent Fees including cost of providing account statements / IDCW / redemption cheques/ warrants	
Marketing & Selling Expenses including Agents Commission and statutory advertisement	
Costs related to investor communications	
Costs of fund transfer from location to location	
Cost towards investor education & awareness	
Brokerage & transaction cost pertaining to distribution of units	
Goods & Services Tax on expenses other than investment and advisory fees	
Goods & Services Tax on brokerage and transaction cost	
Other Expenses (to be specified as per Reg 52 of SEBI MF Regulations)	
<b>Maximum Total expenses ratio (TER) permissible under Regulation 52 (6) (c)</b>	
Additional expenses under Regulations 52(6A)(c)	Upto 0.05%
Additional expenses for gross new inflows from specified cities*	Upto 0.30%

The aforesaid does not include Goods and Services tax on investment management and advisory fees. The same is more specifically elaborated below.

\*As permitted under the Regulation 52 of SEBI (MF) Regulations, 1996 and pursuant to SEBI Master circular no. SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024, SEBI (Mutual Funds) Second Amendment Regulations, 2012 and SEBI (Mutual Funds) (Fourth Amendment) Regulations 2018. With reference to SEBI's letter no. SEBI/HO/IMD/IMD-SEC-3/P/OW/2023/5823/1 dated February 24, 2023, and AMFI Circular No. CIR/ARN23/2022-23 March 07, 2023, the B-30 incentive structure for new inflows has been kept in abeyance with effect from March 01, 2023 till the incentive structure is appropriately re-instated by SEBI / AMFI with necessary safeguards. As and when permitted by SEBI / AMFI, the AMC may decide to charge B-30 incentive structure.

Direct Plan shall have a lower expense ratio excluding distribution expenses, commission, etc as compared to other Plan and no commission for distribution of Units will be paid/ charged under Direct Plan.

All fees and expenses charged in a Direct Plan (in percentage terms) under various heads including the investment and advisory fee shall not exceed the fees and expenses charged under such heads in other than Direct Plan.

The Scheme can charge expenses within overall maximum limits prescribed under SEBI (MF) Regulations, without any internal cap allocated to any of the expense heads specified in the above table.

Types of expenses charged shall be as per the SEBI (Mutual Funds) Regulations, 1996.

As per the Regulations, the maximum recurring expenses that can be charged to the Scheme shall be subject to a percentage limit of daily net assets as in the table below:

First Rs. 500 crore	Next Rs. 250 crore	Next Rs. 1,250 Crore	Next Rs. 3,000 crore	Next Rs. 5,000 crore	Next Rs.40,000 crores	Balance
2.25%	2%	1.75%	1.60%	1.50%	TER reduction of 0.05% for every increase of Rs. 5,000 crore of daily net assets or part thereof	1.05%

The above expense percentage excludes additional expenses that can be charged towards:

- i) upto 5 bps under the Regulation 52(6A)(c),
- ii) upto 30 bps for gross new inflows from retail investors from specified cities and
- iii) Goods and Services tax on investment management and advisory fees. The same is more specifically elaborated below.

Pursuant to SEBI Master circular no. SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024, SEBI (Mutual Funds) Second Amendment Regulations, 2012, and SEBI (Mutual Funds) (Fourth Amendment) Regulations 2018 following additional costs or expenses may be charged to the scheme, namely:

(i) The AMC may charge Goods and Services tax on investment and advisory fees to the scheme of the Fund in addition to the maximum limit of total expenses ratio as prescribed in Regulation 52 of the SEBI (MF) Regulations 1996, whereas Goods and Services tax on other than investment and advisory fees, if any, shall be borne by the scheme within the maximum limit as per regulation 52 of the SEBI (MF) Regulations 1996.

(ii) expenses not exceeding of 0.30 percent of daily net assets, if the new inflows from retail investors from B30 cities as specified by the Securities and Exchange Board of India, from time to time are at least –

- 30 percent of the gross new inflows from retail investors from B30 cities into the scheme, or;
- 15 percent of the average assets under management (year to date) of the scheme, whichever is higher;

Provided that if inflows from retail investors from B30 cities are less than the higher of the above, such expenses on daily net assets of the scheme shall be charged on proportionate basis;

Provided further that expenses charged under this clause shall be utilised for distribution expenses incurred for bringing inflows from retail investors from B30 cities;

Provided further that the amount incurred as expense on account of inflows from retail investors from B30 cities shall be credited back to the scheme in case the said inflows are redeemed within a period of one year from the date of investment.

For above purposes, 'B30 cities' shall be beyond Top 30 cities as at the end of the previous financial year as communicated by AMFI. Retail investors would mean individual investors from whom inflows into the Scheme would amount upto Rs. 2,00,000/- per transaction.

(iii) Additional expenses, incurred towards different heads mentioned under sub-regulations (2) and (4) of Regulation 52 of the SEBI(MF) Regulations 1996, not exceeding 0.05 per cent of daily net assets of the scheme. However, such additional expenses will not be charged if exit load is not levied or not applicable to the Scheme.

At least 2 basis points on daily net assets within the maximum limit of overall expense Ratio shall be annually set apart for investor education and awareness initiatives.

Further, the brokerage and transaction cost incurred for the purpose of execution of trade may be capitalized to the extent of 12bps and 5bps for cash market transactions and derivatives transactions respectively. Any payment towards brokerage and transaction cost, over and above the said 12 bps and 5bps for cash market transactions and derivatives transactions respectively may be charged to the scheme within the maximum limit of Total Expense Ratio as prescribed under regulation 52 of the SEBI (Mutual Funds) Regulations,1996.

Goods and Services tax on brokerage and transaction cost paid for execution of trade, if any, shall be within the limit prescribed under regulation 52 of the Regulations. Expenses shall be charged / borne in accordance with the Regulations prevailing from time to time.

For the actual current expenses being charged, the investor should refer to the website of the mutual fund at the following link [www.njmutualfund.com](http://www.njmutualfund.com) . Any change proposed to the current expense ratio will be updated on the website and communicated to the investors via e-mail or SMS at least three working days prior to the effective date of the change (in accordance with SEBI Master circular no. SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024). Further, the disclosure of the expense ratio on a daily basis shall also be made on the website of AMFI viz. [www.amfiindia.com](http://www.amfiindia.com).

**Illustration of impact of expense ratio on scheme's returns:**

For any scheme, NAV is computed on a daily basis factoring in all the assets as well as liabilities of the Scheme (including expenses charged ). Expenses charged to the Scheme bring down its NAV and hence the investors' net returns on a corresponding basis.

Particulars	Regular Plan	Direct Plan
Amount invested at the beginning of the year	10,000	10,000
Returns before expenses	2,000	2,000
Expenses other than Distribution expenses	150	150
Distribution expenses	50	-
Returns after expenses at the end of the year	1,800	1,850

**Illustration is given to understand the impact of expense ratio on a scheme return and this should not be construed as an indicative return of the scheme.**

**D. LOAD STRUCTURE**

Exit Load is an amount which is paid by the investor to redeem the units from the scheme. Load amounts are variable and are subject to change from time to time. For the current applicable structure, please refer to the website of the AMC ([www.njmutualfund.com](http://www.njmutualfund.com)) or may call at 1860 500 2888 / 040-49763510 or your distributor.

Type of Load	Load chargeable as %age of NAV
Entry Load	Not Applicable. Clause 10.4 of SEBI Master Circular for Mutual Funds dated June 27, 2024 states that there will be no entry load charged for all the Mutual Fund Schemes.
Exit Load	NIL

The exit load charged, net of Goods and Services Tax (GST), if any, shall be credited to the Scheme. The investor is requested to check the prevailing load structure of the Scheme before investing. For any change in load structure AMC will issue an addendum and display it on the website/Investor Service Centres. Any imposition or enhancement in the load shall be applicable on prospective investments only.

All loads for the Scheme shall be maintained in a separate account and may be utilized towards meeting the selling and distribution expenses.

Subject to the Regulations, the Trustee reserves the right to modify/alter the load structure on the Units subscribed/redeemed on any Business Day. At the time of changing the load structure, the AMC / Mutual Fund may adopt the following procedure:

- i. The addendum detailing the changes will be attached to Scheme Information Documents and key information memorandum. The addendum will be circulated to all the distributors so that the same can be attached to all Scheme Information Documents and key information memorandum already in stock.
- ii. Arrangements will be made to display the addendum in the Scheme Information Document in the form of a notice in all the investor service centres, AMC website and distributors office.
- iii. The introduction of the exit load along with the details will be stamped in the acknowledgement slip issued to the investors on submission of the application form and will also be disclosed in the statement of accounts issued after the introduction of such load.
- iv. A public notice shall be given in respect of such changes in one English daily newspaper having nationwide circulation as well as in a newspaper published in the language of the region where the Head Office of the Mutual Fund is situated.
- v. Any other measures which the Mutual Fund may feel necessary.
- vi. Any imposition or enhancement in the load shall be applicable on prospective investments only.

## **Section II**

### **I. Introduction**

#### **A. Definitions/interpretation**

Please refer the AMC website for definitions and interpretations:

[https://downloads.njmutualfund.com/njmf\\_download.php?nme=978](https://downloads.njmutualfund.com/njmf_download.php?nme=978)

#### **B. Risk factors**

### **ii. Scheme Specific Risk Factors**

By virtue of requirements under the ELSS, Units issued under NJ ELSS Tax Saver Scheme including the units issued will not be redeemed until the expiry of 3 (three) years from the date of their allotment. The ability of an investor to realise returns on investments in NJ ELSS Tax Saver Scheme Fund is consequently restricted for the first three years.

In the event of the death of the unitholder, the nominee or legal heir, as the case may be, shall be able to withdraw the investment only after the completion of one year from the date of allotment of the units to the unitholder or any time thereafter.

#### **1. Schemes investing in Equities:**

Equity and equity related securities are volatile and prone to price fluctuations on a daily basis. The liquidity of investments made in the scheme may be restricted by trading volumes and settlement periods. Settlement periods may be extended significantly by unforeseen circumstances. The inability of the scheme to make intended securities purchases, due to settlement problems, could cause the scheme to miss certain investment opportunities. Similarly, the inability to sell securities held in the Scheme portfolio would result at times, in potential losses to the scheme, should there be a subsequent decline in the value of securities held in the scheme portfolio. Also, the value of the scheme investments may be affected by interest rates, currency exchange rates, changes in law/policies of the government, taxation

laws and political, economic or other developments which may have an adverse bearing on individual securities, a specific sector or all sectors.

The scheme may hold such securities for only a very short time, which could tend to increase the costs. The scheme may invest in growth stocks which may be more volatile than the market in general and may react differently to economic, political and market developments and to specific information about the issuer.

## **2. Risks associated with the Scheme's rule based investment strategy:**

The scheme allocates its assets and selects securities using a rule based active approach based on proprietary protocols. These protocols are derived based on analysis of various market, macroeconomic and fundamental factors described below. Based on the emerging information and analysis, these protocols / rules may change from time to time. There is no guarantee that these rules will generate higher returns compared to the benchmark.

## **3. Risk Associated with Debt and money market instruments:**

**Debt and money market Securities** under this document includes TREPS (or any similar instrument), Repo/Reverse Repo (in Government Securities), Treasury bills, Government securities (Issued by both Central and State governments) and other like instruments as specified by the Reserve Bank of India from time to time and approved by SEBI from time to time.

**Price-Risk or Interest-Rate Risk:** Fixed income securities such as bonds, debentures and money market instruments run price-risk or interest-rate risk. Generally, when interest rates rise, prices of existing fixed income securities fall and when interest rates drop, such prices increase. The extent of fall or rise in the prices is a function of the existing coupon, days to maturity and the increase or decrease in the level of interest rates.

**Credit Risk:** In simple terms this risk means that the issuer of a debenture/ bond or a money market instrument may default on interest payment or even in paying back the principal amount on maturity. Even where no default occurs, the price of a security may go down because the credit rating of an issuer goes down. It must, however, be noted that where the Scheme has invested in TREPS, Repo/Reverse Repo (in Government Securities), Treasury bills, Government securities (Issued by both Central and State governments) Government securities, there is relatively no credit risk to that extent.

**Liquidity or Marketability Risk:** This refers to the ease with which a security can be sold at or near to its valuation yield-to-maturity (YTM). The primary measure of liquidity risk is the spread between the bid price and the offer price quoted by a dealer. Liquidity risk is today's characteristic of the Indian fixed income market.

**Reinvestment Risk:** Investments in fixed income securities may carry reinvestment risk as interest rates prevailing on the interest or maturity due dates may differ from the original coupon of the bond. Consequently, the proceeds may get invested at a lower rate.

**Pre-payment Risk:** Certain fixed income securities give an issuer the right to call back its securities before their maturity date, in periods of declining interest rates. The possibility of such prepayment may force the fund to reinvest the proceeds of such investments in securities offering lower yields, resulting in lower interest income for the fund.

**Tri Party Repo through CCIL (TREPS):** The mutual fund is a member of the securities segment and Tri-party Repo trade settlement of the Clearing Corporation of India (CCIL). All transactions of the mutual fund in government securities and in Tri-party Repo trades are settled centrally through the infrastructure and settlement systems provided by CCIL; thus reducing the settlement and counterparty risks considerably for transactions in the said segments. CCIL maintains prefunded resources in all the clearing segments to cover potential losses arising from the default member. In the event of a clearing member failing to honour his settlement obligations, the default Fund is utilized to complete the settlement. The sequence in which the above resources are used is known as the “Default Waterfall”. As per the waterfall mechanism, after the defaulter’s margins and the defaulter’s contribution to the default fund have been appropriated, CCIL’s contribution is used to meet the losses. Post utilization of CCIL’s contribution if there is a residual loss, it is appropriated from the default fund contributions of the non-defaulting members. Thus the scheme is subject to risk of the initial margin and default fund contribution being invoked in the event of failure of any settlement obligations. In addition, the fund contribution is allowed to be used to meet the residual loss in case of default by the other clearing member (the defaulting member). However, it may be noted that a member shall have the right to submit resignation from the membership of the Security segment if it has taken a loss through replenishment of its contribution to the default fund for the segments and a loss threshold as notified have been reached. The maximum contribution of a member towards replenishment of its contribution to the default fund in the 7 days (30 days in case of securities segment) period immediately after the afore-mentioned loss threshold having been reached shall not exceed 5 times of its contribution to the Default Fund based on the last recomputation of the Default Fund or specified amount, whichever is lower. Further, it may be noted that CCIL periodically prescribes a list of securities eligible for contributions as collateral by members. Presently, all Central Government securities and Treasury bills are accepted as collateral by CCIL. The risk factors may undergo change in case the CCIL notifies securities other than Government of India securities as eligible for contribution as collateral.

#### **4. Risks Associated With Transaction in Units Through Stock Exchange Mechanism:**

In respect of transactions in Units of the Scheme through NSE and/or BSE or any other recognized stock exchange, allotment and redemption of Units on any Business Day will depend upon the order processing/settlement by NSE, BSE or such other exchange and their respective clearing corporations on which the Mutual Fund has no control. Further, transactions conducted through the stock exchange mechanism shall be governed by the operating guidelines and directives issued by NSE, BSE or such other recognized exchange in this regard. Accordingly, there could be negative impacts to the investors such as delay or failure in allotment / redemption of Units. The Fund and the AMC are not responsible for the negative impacts.

#### **5. Risk associated with Taxation of the Scheme:**

Equity oriented mutual fund means a fund which has been set up under a scheme of a Mutual Fund specified under clause (23D) of Income Tax Act, 1961 where more than 65% of the investible funds are invested in equity shares of domestic companies. The percentage of equity shareholding of the fund shall be computed with reference to the annual average of the monthly averages of the opening and closing figures. In an event where the percentage of annual average of monthly averages of equity shares of domestic companies falls below 65% of the investible funds, then the scheme may be classified as a Non Equity Oriented Fund and it may have additional tax implication on investors.

## **6. Risk of Securities Lending:**

### **A. Securities Lending and Borrowing**

Securities lending is lending of Securities through an approved intermediary to a borrower under an agreement for a specified period with the condition that the borrower will return equivalent Securities of the same type or class at the end of the specified period along with the corporate benefits accruing on the Securities borrowed.

There are risks inherent in Securities lending, including the risk of failure of the other party, in this case the approved intermediary, to comply with the terms of the agreement entered into between the lender of the Securities i.e. the Scheme and the approved intermediary. Such failure can result in the possible loss of rights to the collateral put up by the borrower of the Securities, inability of the approved intermediary to return the Securities deposited by the lender and the possible loss of any corporate benefits accruing to the lender in respect of the Securities lent. The Fund may not be able to sell such lent Securities and this can lead to temporary illiquidity.

### **B. Short selling**

Short-selling is the sale of shares or securities that the seller does not own at the time of trading. Instead, he borrows it from someone who already owns it. Later, the short seller buys back the stock/security he shorted and returns the stock/security to the lender to close out the loan. The inherent risks are Counterparty risk and liquidity risk of the stock/security being borrowed. The security being short sold might be illiquid or become illiquid and covering of the security might occur at a much higher price level than anticipated, leading to losses.

## **7. Investments by the Scheme in other schemes:**

The Scheme may invest in other scheme(s) managed by the AMC or in schemes of other mutual funds, provided such investments are in conformity with the investment objectives of the Scheme and in accordance with terms of the prevailing SEBI Regulations.

Such investments in other schemes may provide the Scheme access to a specialised investment area or economic sector which can be more effectively accessed by investing in the underlying scheme(s). The Fund Manager will only make such investments if it determines in its discretion that to do so is consistent with the interests of the Unit holders of the Scheme. The Scheme may invest in schemes operated by third parties. Considering third parties are not subject to the oversight or control of the AMC, the Fund Manager may not have the opportunity to verify the compliance of such schemes with the laws and regulations applicable to them.

It is possible that a number of underlying scheme(s) might take substantial positions in the same security at the same time. This inadvertent concentration may interfere with the Scheme's goal of diversification. The AMC would attempt to alleviate any potential inadvertent concentration as part of its regular monitoring and reallocation process. Conversely the AMC may at any given time, hold opposite positions, such positions being taken by different underlying scheme(s). Each such position shall result in transaction fees for the Scheme without necessarily resulting in either a loss or a gain. Moreover, the AMC may proceed to a reallocation of assets between the underlying scheme(s) and liquidate investments made in one or several of them. Further, many of the underlying scheme(s) in which the Scheme may invest could use special investment techniques or concentrate its investments in only one geographic area or asset investment category, which may subject the Scheme's investments to risks

different from those posed by investments in equity or fixed income scheme(s) or risks of the market and of rapid changes to the relevant geographic area or investment category.

When the Scheme invests in other schemes, the Unit holders in the Scheme will also incur fees and expenses (such as, but not limited to, management fees, custody fees, registrar fees, audit fees, etc.) at the level of the underlying scheme in accordance with the offering documents of the relevant scheme(s) and the limits prescribed under the SEBI Regulations.

No assurance can be given that the strategies employed by other schemes in the past to achieve attractive returns will continue to be successful or that the return on the Scheme's investments will be similar to that achieved by the Scheme or other schemes in the past.

#### **8. Risk of Changes in Borrowing Rates:**

The Scheme may borrow funds on a temporary basis within the limits set forth under the SEBI Regulations. The Scheme may choose to only borrow from the Custodian of the Scheme, and the borrowing rate imposed by the Custodian of the Scheme may change due to market conditions. As a consequence thereof, the borrowing rates imposed by the Custodian may not be the most competitive.

#### **9. Risk Factors relating to Portfolio Rebalancing:**

In the event that the asset allocation of the Scheme deviates from the ranges as provided in the asset allocation table in this SID, then the Fund Manager will rebalance the portfolio of the Scheme to the position indicated in the asset allocation table within a period of 30 business days from the date of said deviation. However, if market conditions do not permit the Fund Manager to rebalance the portfolio of the Scheme within the stipulated period of 30 business days then the AMC would notify the Investment Committee of the AMC with appropriate justifications.

#### **10. Risk Factors in case of Corporate Actions:**

In case the Scheme invests in stocks of companies outside the Index due to corporate actions, then the Fund Manager will rebalance the portfolio of the Scheme to the position indicated in the asset allocation table within a period of 30 days from the date of said deviation. However, if market conditions do not permit exiting the corporate action within this stipulated period of 30 days then the AMC would notify the Board of the Trustee Company and the Investment Committee of the AMC with appropriate justifications.

#### **11. Valuation of the Scheme's Investments:**

The AMC carries out valuation of investments made by the Scheme. The AMC values Securities and assets in the Scheme according to the valuation policies described in the Statement of Additional Information.

#### **12. Proxy Voting by the AMC:**

The AMC has adopted policies and procedures designed to prevent conflicts of interest from influencing proxy voting decisions that it makes on behalf of the Scheme, and to help ensure that such decisions are made in accordance with its fiduciary obligations to the Scheme. Notwithstanding proxy voting policies and procedures, proxy voting decisions made by the AMC with respect to Securities held by the Scheme may benefit the interests of AMC other than the Scheme.

### **13. Risk factors associated with Creation of Segregated Portfolio:**

In the event of creation of Segregated Portfolio in case of a Credit Event, investors' investments may be subject to following risks:

- Investor holding units of Segregated Portfolio may not be able to liquidate their holding till recovery of money from the issuer.
- Listing of units of Segregated Portfolio on recognised stock exchange does not necessarily guarantee its liquidity. There may not be active trading of units on the exchange. Further trading price of units on the exchange may be significantly lower than the prevailing NAV.
- Security comprising Segregated Portfolio may not realise any value.

### **14. Other Scheme Specific Risk factors:**

- Investment decisions made by the AMC may not always be profitable, even though it is intended to generate capital appreciation and maximize the returns by passively investing in equity and equity related securities as mentioned in the asset allocation pattern.
- Political Risks: Whereas the Indian market was formerly restrictive, a process of deregulation has been taking place over recent years. This process has involved removal of trade barriers and protectionist measures, which could adversely affect the value of investments. It is possible that the future changes in the Indian political situation, including political, social or economic instability, diplomatic developments and changes in laws and regulations could have an effect on the value of investments. Expropriation, confiscatory taxation or other relevant developments could affect the value of investments.
- Although the objective of the Fund is to generate optimal returns, the objective may or may not be achieved. The investors may note that if the AMC/Investment Manager is not able to make the right decision regarding the timing of increasing exposure in securities other than equities in times of falling equity markets, it may result in negative returns. Given the nature of the scheme, the portfolio turnover ratio may be on the higher side commensurate with the investment decisions and Asset Allocation of the Scheme. At times, such churning of the portfolio may lead to losses due to subsequent negative or unfavorable market movements.
- The tax benefits available under the scheme are as available under the present taxation laws and are available only to certain specified categories of investors and that is subject to fulfillment of the relevant conditions. The information given is included for general purposes only and is based on advice that the AMC has received regarding the law and the practice that is currently in force in India and the investors and the Unitholders should be aware that the relevant fiscal rules and their interpretation may change. As is the case with any investment, there can be no guarantee that the tax position or the proposed tax position prevailing at the time of investment in the Scheme will endure indefinitely. In view of the individual nature of tax consequences, each Investor/Unitholder is advised to consult his/her own professional tax advisor.

#### **C. Risk mitigation strategies**

The Scheme by utilizing a holistic risk management strategy will endeavor to manage risks associated with investing in equity, arbitrage strategies and specified debt securities. The risk control process involves identifying & measuring the risk through various risk measurement tools.

### **1. Risk Associated with Equity and equity related instruments:**

**Concentration Risk:** Concentration risk represents the probability of loss arising from heavily lopsided exposure to a particular group of sectors or securities. The Scheme will try and mitigate this risk by investing in a large number of companies so as to maintain optimum diversification and keep stock-specific concentration risk relatively low.

**Market Risk:** The scheme is vulnerable to movements in the prices of securities invested by the scheme, which could have a material bearing on the overall returns from the scheme. Market risk is a risk which is inherent to an equity scheme. The Schemes may use derivatives to limit this risk.

**Liquidity risk:** The liquidity of the Scheme's investments is inherently restricted by trading volumes in the securities in which it invests. As such the liquidity of stocks that the fund invests into could be relatively low. The fund will try to maintain a proper asset-liability match to ensure redemption / Maturity payments are made on time and not affected by illiquidity of the underlying stocks.

**Rule based investment:** The investment in the equity stocks will be selected and weighted using factor-based investment techniques that aim to achieve a mix of attributes considered supportive of long term performance and investments shall be made on the basis of pre-defined rules. To maintain the relevance of these rules in changing market conditions, the AMC may review and update the rule from time to time.

### **2. Risk associated with Specified Debt Securities:**

**Liquidity risks:** The liquidity of the Scheme's investments may be inherently restricted by trading volumes, transfer procedures and settlement periods. Liquidity Risk can be partly mitigated by diversification, staggering of maturities as well as internal risk controls that lean towards purchase of liquid securities.

**Interest Rate Risk:** Changes in interest rates affect the prices of bonds. If interest rates rise the prices of bonds fall and vice versa. A well-diversified portfolio may help to mitigate this risk.

**Volatility risks:** There is the risk of volatility in markets due to external factors like liquidity flows, changes in the business environment, economic policy etc. The scheme will manage volatility risk through diversification.

**Reinvestment Risk:** This risk refers to the interest rate levels at which cash flows received from the securities in the Schemes are reinvested. The risk is that the rate at which interim cash flows can be reinvested may be lower than that originally assumed. Reinvestment risks will be limited to the extent of coupons received on debt instruments, which will be a very small portion of the portfolio value.

### **3. Risks associated with Securities Lending & Borrowing and Short Selling:**

At present, there is no significant activity in the Securities Borrowing and Lending market. However, we understand the risks associated with the securities lending business and the AMC will have appropriate controls (including limits) before initiating any such transactions.

#### **4. Risks associated with investment in schemes of mutual fund:**

The AMC will have appropriate controls (including limits) before investing in schemes of mutual funds.

## **II. Information about the scheme:**

- A. Where will the scheme invest** – Detailed description of the instruments as mentioned in Section I

### **OVERVIEW OF DEBT MARKET:**

The debt and money market component of the Scheme will be invested in TREPS (or any similar instrument), Government Repo / Reverse Repo (in Government Securities), Treasury bills, Government securities (Issued by both Central and State governments) and any other like instruments as specified by the Reserve Bank of India from time to time and approved by SEBI from time to time.

The Indian debt markets are one of the largest and rapidly developing markets in Asia. Government and Public Sector enterprises are the predominant borrowers in the market. The debt markets have received lot of regulatory and governmental focus off late and are developing fast, with the rapid introduction of new instruments including derivatives. Foreign Institutional Investors are also allowed to invest in Indian debt markets subject to ceiling levels announced by the government. There has been a considerable increase in the trading volumes in the market. The trading volumes are largely concentrated in the Government of India Securities, which contribute a significant proportion of the daily trades. The money markets in India essentially consist of the call money market (i.e. market for overnight and term money between banks and institutions), repo transactions (temporary sale with an agreement to buy back the securities at a future date at a specified price), commercial papers (CPs, short term unsecured promissory notes, generally issued by corporates), certificate of deposits (CDs, issued by banks), Treasury Bills (issued by RBI) and the triparty repo.

Government securities are largely traded on a Negotiated Order Matching system (NDS OM) apart from the OTC market. The settlement of trades both in the G-sec markets and the overnight repo and triparty repo are guaranteed and done by a central counterparty, the Clearing Corporation of India (CCIL). Money market deals involving CD's and CP's are traded and settled on an OTC basis. The clearing and settlement of corporate bond deals are now routed through a central counterparty established by the exchanges BSE (ICCL) and NSE (NSCCL) which settles deals on a DVP (Delivery versus payment) non guaranteed basis.

The interest rate market conditions are influenced by the Liquidity in the system, Credit growth, GDP growth, Inflows into the Country, Currency movement in the Forex market, demand and supply of issues and change in investors' preference. Generally, when there is a rise in interest rates the price of securities fall and vice versa. The extent of change in price shall depend on the rating, tenor to maturity, coupon and the extent of fall or rise in interest rates. The Government securities carry zero credit risk, but they carry interest rate risk like any other Fixed Income Securities. Money market instruments such as CP's and CD's which are fairly liquid are not listed in exchanges. The impact cost of offloading the various asset classes differ depending on market conditions and may impair the value of the securities to that extent.

## **B. What are the investment restrictions?**

Pursuant to Regulations, specifically the Seventh Schedule and amendments thereto, the following investment restrictions are currently applicable to the Scheme:

1. A mutual fund scheme shall not invest more than 10% of its NAV in debt instruments comprising money market instruments and non-money market instruments issued by a single issuer which are rated not below investment grade by a credit rating agency authorised to carry out such activity under the Act. Such Investment limit may be extended to 12% of the NAV of the scheme with the prior approval of the Board of Trustees and Board of Directors of the asset management company:

Further, the scheme shall not invest more than:

- a. 10% of its NAV in debt and money market securities rated AAA; or
- b. 8% of its NAV in debt and money market securities rated AA; or
- c. 6% of its NAV in debt and money market securities rated A and below issued by a single issuer.

The above investment limits may be extended by up to 2% of the NAV of the scheme with prior approval of the Board of Trustees and Board of Directors of the AMC, subject to compliance with the overall 12% limit specified.

The long term rating of issuers shall be considered for the money market instruments. However, if there is no long term rating available for the same issuer, then based on credit rating mapping of CRAs between short term and long term ratings, the most conservative long term rating shall be taken for a given short term rating. Exposure to government money market instruments such as TREPS on G-Sec/ T-bills shall be treated as exposure to government securities.

Provided that such limit shall not be applicable for investments in Government Securities, treasury bills and [triparty repo on Government securities or treasury bills]:

Provided further that investments within such limit can be made in mortgaged backed securitised debt which are rated not below investment grade by a credit rating agency registered with the Board:

[Provided further that such limit shall not be applicable for investments in case of debt exchange traded funds or such other funds as may be specified by the Board from time to time.]

2. A mutual fund scheme shall not invest in unlisted debt instruments including commercial papers, except Government Securities and other money market instruments:

Provided that Mutual Fund Schemes may invest in unlisted non-convertible debentures up to a maximum of 10% of the debt portfolio of the scheme subject to such conditions as may be specified by the Board from time to time:

Provided further that mutual fund schemes shall comply with the norms under this clause within the time and in the manner as may be specified by the Board:

Provided further that the norms for investments by mutual fund schemes in unrated debt instruments shall be specified by the Board from time to time.]

3. Investment in unrated debt and money market instruments, other than government securities, treasury bills, derivative products such as Interest Rate Swaps (IRS), Interest Rate Futures (IRF), etc.

by mutual fund schemes shall be subject to the following:

- Investments should only be made in such instruments, including bills re-discounting, usance bills, etc., that are generally not rated and for which separate investment norms or limits are not provided in SEBI (Mutual Fund) Regulations, 1996 and various circulars issued thereunder.
- Exposure of mutual fund schemes in such instruments, shall not exceed 5% of the net assets of the schemes.

All such investments shall be made with the prior approval of the Board of AMC and the Board of trustees.

4. The Fund under all its Schemes shall not own more than 10% of any company's paid up capital carrying voting rights.

Provided, investment in the asset management company or the trustee company of a mutual fund shall be governed by clause (a), of sub-regulation (1), of regulation 7B.

5. A scheme may invest in another scheme under the same asset management company or any other mutual fund without charging any fees, provided that aggregate inter-scheme investment made by all schemes under the same management or in schemes under the management of any other asset management company shall not exceed 5% of the net asset value of the mutual fund: [Provided that this clause shall not apply to any fund of funds scheme.]

6. Every mutual fund shall buy and sell securities on the basis of deliveries and shall in all cases of purchases, take delivery of relevant securities and in all cases of sale, deliver the securities:

Provided that a mutual fund may engage in short selling of securities in accordance with the framework relating to short selling and securities lending and borrowing specified by the Board:

[Provided further that a mutual fund may enter into derivatives transactions in a recognized stock exchange, subject to the framework specified by the Board].

[Provided further that sale of government security already contracted for purchase shall be permitted in accordance with the guidelines issued by the Reserve Bank of India in this regard.]

7. Every mutual fund shall get the securities purchased or transferred in the name of the mutual fund on account of the concerned scheme, wherever investments are intended to be of long-term nature.

8. Pending deployment of funds of the Scheme, the AMC may invest funds of the Scheme in short term deposits of scheduled commercial banks, subject to the following conditions issued by SEBI vide its circular SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024:

- i. "Short Term" for parking of funds shall be treated as a period not exceeding 91 days.
- ii. Such short-term deposits shall be held in the name of the Scheme.
- iii. The Scheme shall not park more than 15% of their net assets in the short term deposit(s) of all the scheduled commercial banks put together. However, it may be raised to 20% with the prior approval of the Trustee. Also, parking of funds in short term deposits of associate and sponsor scheduled commercial banks together shall not exceed 20% of total deployment by the Mutual Fund in short term deposits.

- iv. The Scheme shall not park more than 10% of their net assets in short term deposit(s) with any one scheduled commercial bank including its subsidiaries.
- v. The Trustee shall ensure that the funds of the Scheme are not parked in the short term deposits of a bank which has invested in the Scheme.
- vi. AMC will not charge any investment management and advisory fees for parking of funds in short term deposits of scheduled commercial banks.
- vii. The Trustee shall also ensure that the bank in which a scheme has short term deposits does not invest in the scheme until the scheme has short term deposits with such bank.

The above provisions do not apply to term deposits placed as margins for trading in cash and derivative markets.

9. No loans for any purpose can be advanced by the Scheme.

10. No Scheme shall make any investment in:

- i. any unlisted security of any associate or group company of the Sponsors; or
- ii. any security issued by way of private placement by an associate or group company of the Sponsors; or
- iii. the listed securities of group companies of the Sponsors, which is in excess of 25% of the net assets.

11. No scheme of a mutual fund shall make any investment in any fund of funds scheme.

12. No mutual fund scheme shall invest more than 10 percent of its NAV in the equity shares or equity related instruments of any company:

13. All investments by a mutual fund scheme in equity shares and equity related instruments shall only be made provided such securities are listed or to be listed].

14. No term loans for any purpose may be advanced by the Mutual Fund and the Mutual Fund shall not borrow except to meet temporary liquidity needs of the Scheme for the purpose of repurchase, redemption of Units or payment of interest or distribution of amount under IDCW Option to Unit Holders, provided that the Mutual Fund shall not borrow more than 20% of the net assets of each of the Scheme and the duration of such borrowing shall not exceed a period of six months.

15. If any company invests more than 5 percent of the NAV of any of the Scheme, investment made by that or any other Scheme of the Mutual Fund in that company or its subsidiaries will be disclosed in accordance with the SEBI (MF) Regulations.

16. The Mutual Fund may enter into short selling transactions and may lend and borrow securities in accordance with the framework relating to short selling and securities lending and borrowing specified by SEBI.

18. No sponsor of a mutual fund, its associate or group company including the asset management company of the fund, through the schemes of the mutual fund or otherwise, individually or collectively, directly or indirectly, have –

- a. 10% or more of the share-holding or voting rights in the asset management company or the trustee company of any other mutual fund; or
- b. representation on the board of the asset management company or the trustee company of any

other mutual fund.

19. Transfer of investments from one scheme to another scheme in the Mutual Fund is permitted provided: -

- Such transfers are done at the prevailing market price for quoted instruments on spot basis (spot basis shall have the same meaning as specified by a Stock Exchange for spot transactions); and
- The securities so transferred shall be in conformity with the investment objective of the Scheme to which such transfer has been made.

Further, such IST shall be in accordance with the SEBI Master circular no. SEBI/HO/IMD/IMD-PoD-1/P/CIR/2023/74 dated May 19, 2023 as stated below:

AMCs shall have an appropriate Liquidity Risk Management (LRM) Model at scheme level, approved by trustees, to ensure that reasonable liquidity requirements are adequately provided for. Recourse to ISTs for managing liquidity will only be taken after the following avenues for raising liquidity have been attempted and exhausted:

I. Use of scheme cash & cash equivalent

II. Use of market borrowing

III. Selling of scheme securities in the market

IV. After attempting all the above, if there is still a scheme level liquidity deficit, then out of the remaining securities, outward ISTs of the optimal mix of low duration paper with highest quality shall be effected.

The use of market borrowing before ISTs will be optional and the Fund Manager may at his discretion take decision on borrowing in the best interest of unitholders. The option of market borrowing or selling of security as mentioned at II & III above may be used in any combination and not necessarily in the above order. In case the option of market borrowing and/or selling of security is not used, the reason for the same shall be recorded with evidence.

No ISTs of a security shall be allowed, if there is negative news or rumors in the mainstream media or an alert is generated about the security, based on internal credit risk assessment in terms of Paragraph 4.3 of the Master Circular No. SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024 during the previous four months.

The Compliance Officer, Chief Investment Officer and Fund Managers of transferor and transferee schemes shall satisfy themselves that ISTs undertaken are in compliance with the regulatory requirements.

If security gets downgraded following ISTs, within a period of four months, the Fund Manager of buying scheme has to provide detailed justification /rationale to the trustees for buying such security.

20. The Scheme will comply with any other Regulations applicable to the investment of mutual funds from time to time.

All the investment restrictions will be applicable at the time of making investments. These investment limitations/parameters as expressed (linked to the Net Asset/Net Asset Value/capital) shall, in the ordinary course, apply as at the date of the most recent transaction or commitment to

invest, and changes do not have to be effected merely because, owing to appreciation or depreciation in value or by reason of the receipt of any rights, bonuses or benefits in the nature of capital or of any Scheme of arrangement or for amalgamation, reconstruction or exchange, or at any repayment or redemption or other reason outside the control of the Mutual Fund, any such limits would thereby be breached. If these limits are exceeded for reasons beyond its control, the AMC shall adopt as a priority objective the remedying of that situation, taking due account of the interests of the Unit Holders.

Apart from the Investment Restrictions prescribed under the SEBI (MF) Regulations 1996, internal risk parameters for limiting exposure to a particular Scheme may be prescribed from time to time to respond to the dynamic market conditions and market opportunities.

The Trustee /AMC may alter the above stated limitations from time to time, and also to the extent the SEBI (MF) Regulations change, so as to permit the Scheme to make their investments in the full spectrum of permitted investments in order to achieve their investment objective.

All the above mentioned investment restrictions shall be applicable at the time of making investments.

### **C. Fundamental Attributes**

Following are the Fundamental Attributes of the scheme, in terms of Regulation 18 (15A) of the SEBI (MF) Regulations 1996 read with Clause 1.14 of SEBI Master Circular for Mutual Funds dated June 27, 2024:

**(i) Type of a scheme :** an open ended equity linked saving scheme with a statutory lock in of 3 years and tax benefit

**(ii) Investment Objective :** The investment objective of the Scheme is to generate income and long-term capital appreciation from a diversified portfolio of predominantly equity and equity-related instruments.

However, there is no assurance or guarantee that the investment objective of the scheme will be achieved.

**Investment pattern** - Please refer to section I Part II A “How will the Scheme allocate its assets?”

#### **(iii) Terms of Issue**

- Liquidity provisions such as listing, repurchase, redemption. Please refer to relevant provisions under ‘ Section G on Other scheme specific disclosure’
- Aggregate fees and expenses charged to the Scheme. Please refer, to Section I - Part III C “Annual Scheme Recurring Expenses”
- Any safety net or guarantee provided – Not applicable for the Scheme.

In accordance with Regulation 18(15A) of the SEBI (MF) Regulations 1996 and Clause 1.14.1.4 of SEBI Master Circular for Mutual Funds dated June 27, 2024, the Trustees shall ensure that no change in the fundamental attributes of the Scheme(s) and the Plan(s) / Option(s) thereunder or the trust or fee and expenses payable or any other change which would modify the Scheme(s) and the Plan(s) / Option(s) thereunder and affect the interests of Unitholders is carried out unless:

- SEBI has reviewed and provided its comments on the proposal;
- A written communication about the proposed change is sent to each Unitholder and an advertisement is given in one English daily newspaper having nationwide circulation as well as in a newspaper published in the language of the region where the Head Office of the Mutual Fund is situated; and
- The Unitholders are given an option for a period of 30 days to exit at the prevailing Net Asset Value without any exit load.

**D. Index methodology (for index funds, ETFs and FOFs having one underlying domestic ETF)-** Disclosures regarding the index, index eligibility criteria, methodology, index service provider, index constituents, impact cost of the constituents: **Not Applicable since the scheme is an open ended equity linked saving scheme with a statutory lock in of 3 years and tax benefit**

**E. Principles of incentive structure for market makers (for ETFs):** Not Applicable since the scheme is an open ended equity linked saving scheme with a statutory lock in of 3 years and tax benefit

**F. Floors and ceiling within a range of 5% of the intended allocation against each sub class of asset, as per clause 13.6.2 of SEBI master circular for mutual funds dated June 27, 2024 (only for close ended debt schemes):** Not Applicable since the scheme is an open ended equity linked saving scheme with a statutory lock in of 3 years and tax benefit

**G. Other Scheme Specific Disclosures:**

<p><b>Listing and transfer of units</b></p>	<p><b>Listing:</b></p> <p>Redemption / Switch-out of Units can be made only after a period of three years (lock-in period) from the date of allotment of Units proposed to be redeemed as prescribed in the ELSS regulations.</p> <p>The Scheme's sale and repurchase will be made on a continuous basis subject to lock-in period and therefore listing on a recognized stock exchange is not envisaged.</p> <p>However, the Trustee may at their discretion list the units on any recognized Stock Exchange, post obtaining all requisite regulatory approval and 'in-principle' approval from recognised stock exchange(s) in the manner as specified by the recognised stock exchange(s) from time to time. Further, in case of listing of units of the Scheme, Mutual Fund shall execute an agreement with such stock exchange.</p> <p><b>Transferability of units:</b></p> <p>Units held by way of demat form can be transferred.</p> <p>The Units of the Scheme held in the dematerialised form will be fully and freely transferable (subject to lock-in period, if any and subject</p>
---	---

	<p>to lien, if any marked on the units) in accordance with the provisions of SEBI (Depositories and Participants) Regulations, 1996 as may be amended from time to time.</p> <p>The restrictions on transfer of units of ELSS schemes during the lock-in period shall continue to be applicable as per the ELSS Guidelines.</p> <p>With reference to transfer of units, please refer SAI and our website <a href="http://www.njmutualfund.com">www.njmutualfund.com</a></p>
<p>Dematerialization of units</p>	<p>The Applicant intending to hold the units in Demat form are required to have a beneficiary account with a Depository Participant (DP) registered with NSDL/CDSL and will be required to indicate in the application the DP's name, DP ID Number and the Beneficiary Account Number of the applicant held with the DP at the time of purchasing Units. The unit holder must mandatorily provide the latest client investor master or demat account statement along with the application form.</p> <p>In case, the unit holder desires to hold the units in a demat/rematerialized form at a later date, Unitholders are requested to note that request for conversion of units held in Account Statement (non-demat) form into Demat (electronic) form or vice versa should be submitted to their Depository Participants directly and not to the AMC or the Registrar and Transfer Agent (RTA) of the Fund.</p> <p>In case Unit holders do not provide their demat account details or the demat details provided in the application form are incomplete/incorrect or do not match with the details with the Depository records, the Units will be allotted in account statement (physical) mode provided the application is otherwise complete in all respect and accordingly, an account statement shall be sent to them.</p> <p>Units held in demat form are transferable (except for Equity Linked Savings Scheme) in accordance with the provisions of SEBI (Depositories and Participants) Regulations, 1996 as may be amended from time to time. Transfer can be made only in favor of transferees who are capable of holding units and having a valid demat account. Transfer of unit(s) shall be subject to payment of applicable stamp duty by the unitholder(s) and applicable laws. Units will be credited in the demat account only based on fund realization.</p> <p>Further as per SEBI (Mutual Funds) Amendment Regulations, 2021, the asset management company shall issue units in dematerialized form to a unitholder in a scheme within two working days of the receipt of request from the unitholder.</p>

<p>Dividend Policy ( IDCW )</p>	<p>Under the IDCW option, a certain portion of capital (Equalization Reserve) can be distributed as may be decided by the Trustee from time to time. The amounts can be distributed out of investors capital (Equalization Reserve), which is part of the sale price that represents realized gains. The Mutual Fund is not assuring or guaranteeing that it will be able to make regular periodical distributions of amount to its Unitholders</p> <p>The AMC/Trustee reserves the right to change the frequency or may provide for additional frequency for an amount that will be distributed under IDCW Option.</p> <p><b>Procedure for distribution of amount under IDCW:</b></p> <p>In accordance with SEBI circular no. SEBI/IMD/Cir No. 1/64057/06 dated April 4, 2006, the procedure for distribution of amount under IDCW would be as under:</p> <ol style="list-style-type: none"> <li>1. Quantum of distribution of amount and the record date will be fixed/decided by the Trustee. Amount under this IDCW will be distributed , subject to availability of distributable surplus.</li> <li>2. Within one calendar day of decision by the Trustees, the AMC shall issue notice to the public communicating the decision including the record date. The record date shall be 2 working days from the date of publication in atleast, one English newspaper or in a newspaper published in the language of the region where the head office of the Mutual Fund is situated, whichever is issued earlier.</li> <li>3. Record date shall be the date, which will be considered for the purpose of determining the eligibility of Investors whose names appear on the register of Unit holders for receiving amount distributed under IDCW Option. The Record Date will be 2 working days from the date of issue of notice.</li> <li>4. The notice will, in font size 10, bold, categorically state that pursuant to payment of amount distributed under IDCW Option, the NAV of the Scheme would fall to the extent of payout and statutory levy (if applicable).</li> </ol>

	<p>5. The NAV will be adjusted to the extent of distribution of amount and statutory levy, if any, at the close of Business Hours on record date.</p> <p>6. Before the issue of such notice, no communication indicating the probable date of amount that will be distributed to the unitholders in any manner whatsoever will be issued by Mutual Fund.</p>
<p>Allotment (Detailed procedure)</p>	<p>Subject to the Scheme receiving the minimum subscription, full allotment will be made to all valid applications received during the New Fund Offer Period. Allotment of Units, shall be completed not later than 5 business days after the close of the New Fund Offer Period.</p> <p>On acceptance of the application for subscription, an allotment confirmation specifying the number of units allotted by way of e-mail and/or SMS within five business days from the date of closure of NFO period will be sent to the Unitholders/investors registered email address and/or mobile number.</p> <p>In cases where the email does not reach the Unitholder/investor, the Fund/its Registrar &amp; Transfer Agents will not be responsible, but the Unitholder/investor can request for a fresh statement/ confirmation. The Unitholder/ investor shall from time to time intimate the Fund/its Registrar &amp; Transfer Agents about any changes in their email address.</p> <p>If the applicant so desires, the AMC shall issue a Unit certificate to the applicant within 5 Business Days of the receipt of request for the certificate. Unit certificate, if issued, must be surrendered along with the request for Redemption/Switch or any other transaction of Units covered therein.</p> <p>The Trustee reserves the right to recover from an investor any loss caused to the Scheme on account of dishonour of cheques issued by the investor for purchase of Units of the Scheme. Applicants under both the Direct and Regular Plan(s) offered under the Scheme will have an option to hold the Units either in physical form (i.e. account statement) or in dematerialized form.</p> <p>Where investors/ Unitholders have provided an email address, an account statement reflecting the units allotted to the Unitholder shall be sent by email on their registered email address. However, in case of Unit Holders holding units in the dematerialized mode, the Fund will not send the account statement to the Unit Holders. The statement provided by the Depository Participant will be equivalent to the account statement.</p> <p>All Units will rank pari passu, among Units within the same Option in the Scheme concerned as to assets, earnings and the receipt of</p>

	<p>amount distributed under IDCW Option, if any, as may be declared by the Trustee.</p> <p>The allotment of units is subject to realization of the payment instrument.</p> <p><b>Units in dematerialised form:</b> The Applicant intending to hold the units in Demat form are required to have a beneficiary account with a Depository Participant (DP) registered with NSDL/CDSL and will be required to indicate in the application the DP's name, DP ID Number and the Beneficiary Account Number of the applicant held with the DP at the time of purchasing Units. The unit holder must mandatorily provide the latest client investor master or demat account statement along with the application form.</p> <p>In case, the unit holder desires to hold the units in a demat/rematerialized form at a later date, Unitholders are requested to note that request for conversion of units held in Account Statement (non-demat) form into Demat (electronic) form or vice versa should be submitted to their Depository Participants directly and not to the AMC or the Registrar and Transfer Agent (RTA) of the Fund.</p> <p>In case Unit holders do not provide their demat account details or the demat details provided in the application form are incomplete/incorrect or do not match with the details with the Depository records, the Units will be allotted in account statement (physical) mode provided the application is otherwise complete in all respect and accordingly, an account statement shall be sent to them.</p> <p>Units held in demat form are transferable post completion of statutory lock-in period. Transfer can be made only in favor of transferees who are capable of holding units and having a valid demat account. Transfer of unit(s) shall be subject to payment of applicable stamp duty by the unitholder(s) and applicable laws. Units will be credited in the demat account only based on fund realization.</p> <p>Further as per SEBI (Mutual Funds) Amendment Regulations, 2021, the asset management company shall issue units in dematerialized form to a unitholder in a scheme within two working days of the receipt of request from the unitholder.</p>
Refund	<p>The AMC will refund the application money to applicants whose applications are found to be incomplete, invalid or have been rejected for any other reason whatsoever. The Refund proceeds will be paid by way of NEFT/RTGS/Direct credits/IMPS/ or any other mode allowed by Reserve Bank of India from time to time in addition to the cheque, demand draft or warrants if sufficient banking details are available with the Mutual Fund for the Unitholder. **RIGHT TO RESTRICT REDEMPTION AND/OR SUSPEND REDEMPTION OF THE UNITS:**

The Fund at its sole discretion reserves the right to restrict Redemption (including switch-out) of the Units (including Plan/Option) of the Scheme of the Fund upon occurrence of the below mentioned events for a period not exceeding ten (10) working days in any ninety (90) days period subject to approval of the Board of Directors of the AMC and the Trustee and the same should be informed to SEBI immediately.. The restriction on Redemption (including switch-out) shall be applicable where the Redemption (including switch-out) request is for a value above Rs.2,00,000/- (Rupees Two Lakhs). Further, no restriction shall be applicable to the Redemption/switch-out request upto Rs. 2,00,000/- (Rupees Two Lakhs). It is further clarified that, in case of redemption request beyond Rs. 2,00,000/- (Rupees Two Lakhs), no restriction shall be applicable on first Rs. 2,00,000/- (Rupees Two Lakhs).

The Trustee/AMC reserves the right to restrict Redemption or suspend Redemption of the Units in the Scheme of the Fund on account of circumstances leading to a systemic crisis or event(s) that severely constrict market liquidity or the efficient functioning of the markets. A list of such circumstances under which the restriction on Redemption or suspension of Redemption of the Units in the Scheme of the Fund may be imposed are as follows:

1. Liquidity issues-when market at large becomes illiquid affecting almost all securities rather than any issuer specific security; or
2. Market failures/Exchange closures; or
3. Operational issues; or
4. If so directed by SEBI.

It is clarified that since the occurrence of the above mentioned eventualities have the ability to impact the overall market and liquidity situation, the same may result in exceptionally large number of Redemption requests being made and in such a situation the indicative timelines (i.e. within 3 Business Days) mentioned by the Fund in the scheme offering documents, for processing of requests for Redemption may not be applicable.

Any restriction on Redemption or suspension of Redemption of the Units in the Scheme of the Mutual Fund shall be made applicable only after specific approval of the Board of Directors of the AMC and Trustee Company and thereafter, immediately informing the same to SEBI.

- Income of the Mutual Fund is exempt from income tax in accordance with the provisions of Section 10(23D) of the Income-tax Act, 1961 ('Act').
- Equity Scheme(s) will also attract Securities Transaction Tax (STT) at applicable rates.
- Under the terms of the Scheme Information Document, this Scheme is classified as an "Equity oriented fund".

As per clause (a) of the explanation to section 112A of the Act, an "Equity oriented fund" has been defined to mean a fund set up under a scheme of a mutual fund specified under clause (23D) of section 10 and,—

(i) in a case where the fund invests in the units of another fund which is traded on a recognised stock exchange,—

(A) a minimum of ninety per cent of the total proceeds of such fund is invested in the units of such other fund; and

(B) such other fund also invests a minimum of ninety per cent of its total proceeds in the equity shares of domestic companies listed on a recognised stock exchange; and

(ii) in any other case, a minimum of sixty-five per cent of the total proceeds of such fund is invested in the equity shares of domestic companies listed on a recognized stock exchange.

Further it is stated that the percentage of equity shareholding or unit held in respect of the fund, as the case may be, shall be computed with reference to the annual average of the monthly averages of the opening and closing figures.

- If the total income of a resident investor (being individual or HUF) [without considering such Long-term capital Gains / short term capital gains] is less than the basic exemption limit, then such Long-term capital gains/short- term capital gains should be first adjusted towards basic exemption limit and only excess should be chargeable to tax.

5. Non-resident investors may be subject to a separate tax regime / any beneficial tax treatment as per the applicable Tax Treaties, depending upon the facts of the case, satisfaction of certain conditions related thereto and relevant documentation to avail the beneficial tax treatment as per the tax treaty, if any. The same has not been captured above.
6. A rebate of up to Rs. 12,500 is available for resident individuals whose total income does not exceed Rs. 5,00,000. Further, where such investors decide to offer their income for taxation under sub-section (1A) of section 115BAC, the amount of rebate available will increase to Rs. 25,000 where the total income of such resident individuals does not exceed Rs. 7,00,000

*\*Aggregate long term capital gains exceeding one lakh twenty-five thousand rupees in a financial year, arising from the transfer of units of an 'equity-oriented fund', equity shares and units of business trust are chargeable to tax at 12.5 per cent (plus the applicable surcharge, health and education cess).*

*\*\* Excluding applicable surcharge and cess.*

*#Section 206AA and Section 206AB of the Act specifies higher TDS rates in case payee does not have valid PAN and are non-filers of return of income*
