Part I. HIGHLIGHTS/SUMMARY OF THE SCHEME

Sr. No.	Title	Description
I	Name of the scheme	Edelweiss ELSS Tax saver Fund
II	Category of the Scheme	ELSS
III	Scheme type	An open ended equity linked saving scheme with a statutory lock in of 3 years and tax benefit
IV	Scheme code	EDEL/O/E/ELS/08/12/0005
V	Investment objective	The primary objective of the scheme is to generate long-term capital appreciation with an option of periodic payouts at the end of lock in periods from a portfolio that invests predominantly in equity and equity related instruments. The Scheme does not assure or guarantee any returns. There is no assurance that the investment objective of the Scheme will be achieved.
VI	Liquidity/listing details	Liquidity: Under normal circumstances the AMC shall endeavour to dispatch the Redemption proceeds within 01 Business Day from date of receipt of request from the Unit holder. As per SEBI Regulations, the Mutual Fund shall dispatch redemption proceeds within 03 Business Days of receiving a valid redemption request. A penal interest of 15% per annum or such other rate as may be prescribed by SEBI from time to time, will be paid in case the redemption proceeds are not made within 03 Business Days from the date of receipt of a valid redemption request. Listing: Units of the Scheme shall not be listed in view of continuous redemption facility being offered to unitholders. However, the Mutual Fund may at its sole discretion list the Units under the Scheme on one or more stock exchange at a later date.
VII	Benchmark (Total Return Index)	Nifty 500 Total Return Index Justification for use of benchmark: The Scheme does not restrict itself to investing in any particular size/type of company and caters to a broad universe of investments. Nifty 500 comprises Top 500 companies and is therefore more suitable for evaluating the performance of the Scheme. Hence, Nifty 500 is an appropriate benchmark for the Scheme. The Trustees reserves right to change benchmark in future for measuring performance of the scheme.

Part II. INFORMATION ABOUT THE SCHEME

A. HOW WILL THE SCHEME ALLOCATE ITS ASSETS?

Under normal circumstances the asset allocation pattern will be:

Instruments	Indicative allocations (% of total assets)	
	Minimum	Maximum
Equity & Equity related instruments	80%	100%
Short Term Debt & Money Market Instruments*	0%	20%

*Money Market Instruments include CPs, commercial bills, Corporate Debt, Repo in Corporate Debt, T- Bills, and Government securities having an unexpired maturity upto one year, CDs, usance bills, Tri-Party Repo, Repo/ Reverse Repo and any other like instruments having a maturity of 1 year or less, as specified by the RBI from time to time. Short Term Debt instruments include debt instruments with daily to monthly put/call options, debt instruments with maturity less than one year and other like debt instruments.

As per ELSS Guidelines, the funds collected under the Scheme shall be invested in equities, cumulative convertible preference shares and fully convertible debentures and bonds of companies. Investment may also be made in partly convertible issues of debentures and bonds including those issued on rights basis subject to the condition that, as far as possible, the non-convertible portion of the debentures so acquired or subscribed, shall be disinvested within a period of twelve months. Further, it shall be ensured that funds of the Scheme remain invested to the extent of at least eighty per cent in securities specified above. Further, as per the ELSS Guidelines, Mutual Fund may hold upto twenty per cent of net assets of the plan in short-term money market instruments and other liquid instruments to enable it to redeem investment.

The cumulative gross exposure through shares in debt, and money market instruments along with repo transactions in corporate debt securities shall not exceed 100% of the net assets of the Scheme.

There can be no assurance that the investment objective of the scheme will be realized. The Fund Manager may churn the portfolio to the extent as considered necessary to replicate the index.

Indicative Table (Actual instrument/percentages may vary subject to applicable SEBI circulars)

Sl.no	Type of Instrument	Percentage of Exposure	Circular References*
1	Stock Lending	Presently, stock lending is not permitted as per the ELSS Guidelines. The Scheme may engage in Stock Lending, as and when permitted by ELSS Guidelines. Not more than 25% of the net assets of the Scheme can generally be deployed in stock lending and not more than 5% of the net assets of the Scheme will be deployed in Stock lending to any single counterparty	Paragraph 12.11 of SEBI Master Circular dated June 27, 2024
2	Repo of Corporate Debt Securities	The Scheme may take exposure to Repo of Corporate Debt Securities up to the extent permitted by the Regulations (currently up to 10% of total assets, subject to change in line with the regulations from time to time).	Paragraph 12.21 of SEBI Master Circular dated June 27, 2024.
3	Foreign Securities	Presently investment in Foreign Securities is not permitted as per ELSS Guidelines. The Scheme may invest in Foreign Securities in accordance to the extent permitted by SEBI	Paragraph 12.19 of the SEBI Master Circular dated June 27, 2024 for Mutual Funds.

9	Instruments having structured obligations and credit enhancement and debt instruments with special features (AT1/AT2 Bonds)	The scheme shall not invest in said security.	-

Change In Asset Allocation, Portfolio Rebalancing and reporting & disclosure requirement:

While it is the intention of the Scheme to maintain the maximum/minimum exposure provided in the table above, there may be instances when these percentages may be exceeded on short term defensive considerations. Typically, this may occur while the corpus is small thereby causing diversification issues or there exist no suitable equity and equity related opportunities or due to unusual / unforeseen conditions, such rebalancing is not in the interest of unitholders. Unusual conditions include, but are not limited to, extreme volatility of the stock market, fixed income and money markets, natural calamities, communication breakdowns, internal system breakdowns, strikes, bandhs, riots or other situations.

Further, subject to the Regulations, the asset allocation pattern indicated above may change from time to time, keeping in view market conditions, market opportunities, applicable regulations and political and economic factors. It must be clearly understood that the percentages stated above they can vary substantially depending upon the perception of the Fund Manager, the intention being at all times to seek to protect the interests of the Unit holders. Such changes in the investment pattern will be for short term and defensive considerations.

The Scheme will rebalance the portfolio within 30 days. Further, at all times, the AMC shall endeavour to ensure that the Portfolio would adhere to the overall Investment objective of the Scheme.

Subject to the above, any change in the asset allocation affecting the investment profile of the Scheme shall be effected only in accordance with the provisions of sub regulation (15A) of Regulation 18 of the Regulations, as detailed later in this document.

In the event of deviation from mandated asset allocation mentioned in the Scheme Information Document (SID) due to passive breaches (occurrence of instances not arising out of omission and commission of AMCs), the same will be rebalanced within 30 business days. In case the asset allocation is not rebalanced within 30 business days justification in writing, including details of efforts taken to rebalance the portfolio shall be placed before Investment Committee (IC). The IC can extend the timelines up to sixty (60) business days from the date of completion of mandated rebalancing period. In case the portfolio of schemes is not rebalanced within the aforementioned mandated plus extended timelines, AMCs shall:

- i. not be permitted to launch any new scheme till the time the portfolio is rebalanced.
- ii. not levy exit load, if any, on the exiting investors.

AMCs will report the deviation to Trustees at each stage. Further, in case the AUM of deviated portfolio is more than 10% of the AUM of main portfolio of the scheme, the investors will be immediately informed through SMS and email / letter including details of portfolio not rebalanced. Email / Letter and SMS will also be immediately triggered as and when the rebalancing of portfolio takes place. The same will also be communicated to investors through periodic portfolio disclosures as mandated by SEBI. The above norms shall be applicable to main portfolio and not to segregated portfolio(s). The above is in line with paragraph 2.9 of the Master Circular for Mutual Funds dated June 27, 2024, as amended from time to time.

B. WHERE WILL THE SCHEME INVEST?

The Scheme shall invest in any of the following securities:

- (a) Investment in Equity and Equity related instruments:
- (b) Investment in Money Market & Short Term Debt Securities
- (c) Foreign Securities
- (d) Investments in the Schemes of Mutual Fund
- (e) Any other Securities / asset class / instruments as permitted under SEBI Regulations.

Please refer Section II of the document for further details for each instrument.

C. WHAT ARE THE INVESTMENT STRATEGIES?

The Fund will invest in a diversified basket of equity stocks spanning the entire market capitalization spectrum and across multiple sectors, debt and money market instruments.

The Fund would identify companies for investment, based on the following criteria amongst others:

- 1. Good track record of the company
- 2. Potential for future growth
- 3. Industry economic scenario

The Fund will also invest a portion of the funds in initial offerings and other primary market offerings. Risk will be managed through adequate diversification by spreading investments over a wide range of companies.

***Special Situations:**

The Scheme may take advantage of Situations that present an investment opportunity to Fund Manager who can judge the implications of that opportunity that can unlock value for investors. Some of these situations are Merger of businesses or companies which may result in synergies in business activities. Demerger may result in separation / spin-off of business operation / activity from some other business operation / activity., Companies may consider a buy-back of their shares from the market due to various reasons (like company has substantial free reserves, management is confident of the future growth potential, meeting with the regulatory norms, etc. A buyback unlock significant value for shareholders. Promoters may consider delisting their companies from the respective stock exchange. It may be at the request of the promoters, because of acquisition; BIFR under SICA etc. Company may offer its existing shareholders a right to purchase additional shares at a discount to the prevailing market price. Promoters may want to infuse capital for future projects through a rights issue, raise their holding as they expect good prospects going forward. A carefully analyzed rights issue can unlock value for shareholders; Open Offer is an event that increases the shareholding of the acquirer. An open offer can be voluntary or involuntary. An open offer is an indication that parties are interested in increasing their stake in the company. This can be positive for the company over the long run and gives the investor a signal for good times ahead. Debt restructuring i.e. a company may want to change its capital structure by means of reducing debt. Higher debt can lead to lower profits and cash flows. An attempt by the company to reduce debt or swap the same with other lower costs options can unlock value for shareholders. There could be many other events that may result in share price appreciation. Such situations may include but are not limited to turnarounds, companies undergoing restructuring, asset plays, and companies affected by regulatory changes and primary market listings. The scheme will carefully analyze any such instance and participate in the same as such. Corporate action often unlocks a lot of value for the investors.

*Quantitative Model

The Scheme may use Quantitative analysis Model, commonly known as Quant Model. Quantitative analysis can be done for a number of reasons such as measurement, performance evaluation or valuation of a financial instrument. In broad terms, quantitative analysis is simply a way of measuring things. Quantitative analysis can be of two kinds i.e. input tools giving signals, filters or a passive management tool, where the fund manager has no input and the quantitative rule decides the investment. Here in this case this strategy will be used as an input tool. Examples of quantitative analysis include everything from simple financial ratios such as earnings per share, to something as complicated as discounted cash flow, or option pricing. One of the main advantages of Quant Model is that it measures recent market volatility and exclusive factors that drive markets and are expected to provide good performance. Quant Funds are more actively managed than Index funds but less active than traditional equity funds but seek to provide better returns than benchmark in all market conditions. The most obvious advantage is that quantitative models can examine a much larger universe of stocks than human analysts. Quant Funds eliminate any human bias.

*Investment in debt/ Money Market Instruments

To achieve its investment objective, the Scheme may also invest, in Debt Instruments which are listed/unlisted and/or rated/unrated debt or money market instruments/securities, securities issued/guaranteed by the Central/State Governments, securities issued by public/private sector companies/corporations, short term deposits with banks like Fixed Deposits, financial institutions and/or money market instruments such as commercial paper, certificates of deposit, permitted securities under a reverse-repo agreement, securitized debt, etc. These instruments may carry a fixed rate of return or a floating rate of return or may be issued on a discounted basis. Investments will be made in instruments, which in the opinion of the Fund Manager, are of an acceptable credit quality and chance of default is minimum while conforming to the internal broad guidelines provided in the Investment Policy. The Fund Manager will generally be guided by, but not restrained by, the ratings announced by various rating agencies and independent in-house assessment on the assets in the portfolio. The fund management team with the support of research team will take an active view of the interest rate movement by keeping a close watch on various parameters of the Indian economy, as well as developments in global markets. Investment views / decisions will be taken on the basis of the following parameters:

1. Prevailing interest rate scenario
2. Quality of the security / instrument (including the financial health of the issuer)
3. Maturity profile of the instrument
4. Liquidity of the security
5. Growth prospects of the company / industry
6. Any other factor in the opinion of the fund management team

*Stock Lending:

Subject to the SEBI Regulations/ ELSS Guidelines as applicable from time to time, the Fund may, engage in Stock Lending. Stock Lending means the lending of securities to another person or entity for a fixed period of time at a negotiated compensation in order to enhance returns of the portfolio. The securities lent will be returned by the borrower on the expiry of the stipulated period. The AMC will adhere to strict limits should it engage in Stock Lending. Collateral would always be obtained by the approved intermediary from such borrower. Collateral value would always be more than the value of the security lent. Collateral can be in form of cash, bank guarantee, and government securities, as may be agreed upon with the approved intermediary. Not more than 25% of the net assets of the Scheme can generally be deployed in stock lending and not more than 5% of the Net Assets of the Scheme can be can be deployed in Stock lending to any single counterparty. For detailed understanding on the same, investors are requested to refer SAI.

*Investment in Mutual Fund Units:

To avoid duplication of portfolios and to reduce expenses, the Scheme may also invest in scheme managed by the AMC or in the scheme of other Mutual Fund, provided that aggregate inter-scheme investment made by all schemes managed by the AMC either in its own schemes or of any other Mutual Fund shall not exceed 5% or such other permitted limit, of the Net Asset Value of the Fund. No investment management fees shall be charged for investing in other schemes of the fund or in the schemes of any other Mutual Fund.

* Risk Control:

The scheme proposes to invest predominately in equity or equity related instruments and the AMC as a part of prudent Risk Management would incorporate adequate safeguards at the time of portfolio

reconstruction process. The risk would also be minimised by investing in securities analysed by Research/Fund Management team. Additionally the risk shall be reduced through adequate diversification of the portfolio.

The allocation will be steadily monitored and it shall be ensured that investments are made in accordance with the scheme objective and within the regulatory and internal investment restrictions prescribed from time to time. The fund will also employ adequate measures to manage risk involved in foreign securities investments (as and when permitted by the regulations applicable for the Scheme). The Fund has designed a detailed process to identify, measure, monitor and manage the portfolio risk. The aim is not to eliminate the risk completely but to have a structured mechanism towards risk management thereby maximizing potential opportunities and minimize the adverse effects of risk. Few of the key risks identified are:

Risk & Description specific to the Scheme	Risk mitigates / management strategy
Market Risk Risk arising due to vulnerability to price fluctuations and volatility, having material impact on the overall returns of the scheme	Endeavour to have a well-diversified portfolio of good companies with the ability to use cash/derivatives for hedging
Derivatives Risk Various inherent risks arising as a consequence of investing in derivatives.	Continuous monitoring of the derivatives positions and strictly adheres to the regulations and internal norms
Credit risk Risk associated with repayment of investment	Investment universe carefully selected to only include issuers with high credit quality
Performance risk Risk arising due to change in factors affecting the market	Understand the working of the markets and respond effectively to market movements
Concentration risk Risk arising due to over exposure in few securities	Invest across the spectrum of issuers and keeping flexibility to invest across tenor
Liquidity risk Risk arising due to inefficient Asset Liability Management, resulting in high impact costs	Control portfolio liquidity at portfolio construction stage. Having optimum mix of cash & cash equivalents along with the debt papers in the portfolio
Interest rate risk Price volatility due to movement in interest rates	Control the portfolio duration and periodically evaluate the portfolio structure with respect to existing interest rate scenario
Event risk Price risk due to company or sector specific event	Understand businesses to respond effectively and speedily to events. Usage of derivatives: Hedge portfolios, if required, in case of predictable events with uncertain outcomes

D. HOW WILL THE SCHEME BENCHMARK ITS PERFORMANCE?

Nifty 500 Total Return Index

Justification for use of benchmark: The Scheme does not restrict itself to investing in any particular size/type of company and caters to a broad universe of investments. Nifty 500 comprises Top 500 companies and is therefore more suitable for evaluating the performance of the Scheme. Hence, Nifty 500 is an appropriate benchmark for the Scheme.

[Statutory - Disclosure Documents | Edelweiss Mutual Fund](#)

Subject to the SEBI Regulations the AMC may invest, either directly or indirectly, in the Scheme during the on-going offer period. However, the AMC shall not charge any investment management and advisory services fee on such investments in a Scheme.

Further, as per clause sub-regulation 16 (A) of Regulation 25 of SEBI (Mutual Funds) Regulations, 1996 read along with clause 6.9 of the Master Circular for Mutual Funds dated June 27, 2024 on alignment of interest of AMC with the unit holders of Mutual Fund, the AMC will invest in the Scheme based on the risk-o-meter.

Part III- OTHER DETAILS

A. COMPUTATION OF NAV

The Net Asset Value (NAV) of the Units will be calculated on every Business Day and for such other days as may be required for the purpose for transaction of Units. The NAV shall be calculated in accordance with the following formula, or such other formula as may be prescribed by SEBI from time to time:

$$\frac{\text{Market or Fair Value of the Scheme's Investments+ Receivables+ Accrued Income+ Other Assets- Accrued Expenses- Payables- Other Liabilities}}{\text{Number of Units Outstanding}}$$

NAV =

The NAV of the Scheme will be calculated and declared upto 2 decimal places & the second decimal will be rounded off higher to the next digit if the third decimal is or more than 5 i.e., if the NAV is Rs. 10.127 it will be rounded off to Rs. 10.13.

For other details such as policies w.r.t computation of NAV, rounding off, investment in foreign securities, procedure in case of delay in disclosure of NAV etc. refer to SAI.

B. NEW FUND OFFER (NFO) EXPENSES

This is an ongoing scheme on the date of updating this document.

C. ANNUAL SCHEME RECURRING EXPENSES

These are the fees and expenses for operating the Scheme. These expenses include Investment Management and Advisory Fee charged by the AMC, Registrar and Transfer Agents' fee, marketing and selling costs etc. as given in the table below:

The AMC has estimated that upto 2.20% of the daily net assets of the scheme will be charged to the scheme as expenses. The total expenses may be more or less than as specified in the table below. Details of the actual TER charged to the scheme after allotment and any change in the current expense ratios would be available on the website of the Mutual Fund on <https://www.edelweissmf.com/statutory#Total-Expense-Ratio-Of-Mutual-Fund-Scheme> and the same will be communicated to the investor via SMS / e-mail 3 working days prior to the effective date of change.

Additional Expenses under Regulation 52 (6A):

1. The AMC may charge additional expenses, incurred towards different heads mentioned under regulations 52(2) and 52(4), not exceeding 0.05 per cent of daily net assets of the Scheme. However, such additional expenses will not be charged if exit load is not levied/ not applicable to the Scheme.
2. To improve the geographical reach of the Fund in smaller cities/towns as may be specified by SEBI from time to time, expenses not exceeding of 0.30 % p.a. of daily net assets may be charged, if the new inflows from retail investors[^] from such cities (i.e. beyond Top 30 cities*) are at least: (i) 30 % of gross new inflows in the Scheme, or; (ii) 15 % of the average assets under management (year to date) of the Scheme, whichever is higher.

In case the inflows from beyond Top 30 cities is less than the higher of (i) or (ii) above, such additional expenses on daily net assets of the Scheme shall be charged on proportionate basis. The expenses so charged under this clause shall be utilised for distribution expenses incurred for bringing inflows from such cities.

Further, the additional expense charged on account of new inflows from beyond Top 30 cities shall be credited back to the Scheme, in case the said inflows are redeemed within a period of 1 year from the date of investment.

[^] As per paragraph 10.1.3 of the Master Circular for Mutual Funds dated June 27, 2024, inflows of amount upto Rs 2,00,000/- per transaction, by individual investors shall be considered as inflows from “retail investor”.

*The Top 30 cities shall mean top 30 cities based on Association of Mutual Funds in India (AMFI) data on ‘AUM by Geography – Consolidated Data for Mutual Fund Industry’ as at the end of the previous financial year.

Note: In line with AMFI communication no.35P/MEM-COR/85-a/2022-23 dated March 2, 2023 and SEBI letter no. SEBI/HO/IMD/IMD-SEC-3/P/OW/2023/5823/1 dated February 24, 2023, the B-30 incentive structure is kept in abeyance from March 1, 2023, till appropriate re-instatement of incentive structure by SEBI with necessary safeguards

Brokerage and transactions costs incurred for the purpose of execution of trades and are included in the cost of investments shall be charged to the Scheme in addition to the limits on total expenses prescribed under Regulation 52(6) and will not exceed 0.12% in case of cash market transactions and 0.05% for derivatives transactions.

As per clause 10.1.14 of the Master Circular for Mutual Funds dated June 27, 2024, the brokerage and transaction cost incurred for the purpose of execution of trade shall be charged to the Scheme as provided in Regulation 52(6A) (a) up to 0.12% for cash market transactions and 0.05% for derivatives transactions. Any payment towards brokerage and transaction cost, over and above the said 0.12% for cash market transactions and 0.05% for derivatives transactions may be charged to the scheme within the maximum limit of TER as prescribed under Regulation 52.

Goods and Services Tax (GST):

In addition to the expenses under Regulation 52 (6) and (6A), AMC shall charge GST as below:

1. GST on investment and advisory fees will be charged to the Scheme in addition to the maximum limit of TER as prescribed in Regulation 52 (6).
2. GST on other than investment and advisory fees, if any, will be borne by the Scheme within the maximum limit of TER as prescribed in Regulation 52 (6).
3. GST on brokerage and transaction cost paid for execution of trade, if any, shall be within the limit prescribed under Regulation 52.
4. GST on exit load, if any, shall be paid out of the exit load proceeds and exit load net of GST, if any, shall be credited to the Scheme

Notes:

- a. The Direct Plan and Options thereunder shall have a lower expense ratio excluding distribution expenses, commission, etc. and no commission for distribution of Units will be paid / charged under Direct Plan of the Scheme.
- b. Maximum Permissible expense: The maximum Total Expense Ratio (TER) that can be charged to the Scheme will be subject to such limits as prescribed under the SEBI (MF) Regulations. The said maximum TER shall either be apportioned under various expense heads as enumerated in the table above, without any sub limit or allocated to any of the said expense head(s) at the discretion of AMC. Also, the types of expenses charged shall be as per the SEBI (MF) Regulations.
- c. Investor Education and Awareness initiatives: As per Para 10.1.16 of the SEBI Maser circular no. SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024, the AMC shall annually set apart at least 2 basis points p.a. (i.e. 0.02% p.a.) on daily net assets of the Scheme within the limits of total expenses prescribed under Regulation 52 of SEBI (MF) Regulations for investor education and awareness initiatives undertaken by the Fund.

The AMC may incur expenses on behalf of the Scheme which will be reimbursed on actual basis to the AMC to the extent such expenses are permissible & are within the prescribed SEBI limit.

Any change in the current expense ratios will be updated on the website viz. www.edelweissmf.com and the same will be communicated to the investor via SMS / e-mail 3 working days prior to the effective date of change.

D. LOAD STRUCTURE

Exit Load is an amount which is paid by the investor to redeem the units from the scheme. Load amounts are variable and are subject to change from time to time.

For the current applicable structure, please refer to the website of the AMC www.edelweissmf.com or may call at our toll free number 1800 425 0090 (MTNL/BSNL) and non toll free number +91 40 23001181 for others and investors outside India or your distributor.

Applicable Load Structure

The load structure would comprise of an Entry Load and /or an Exit Load, as may be permissible under the Regulations.

The current load structure is stated as under:

Particulars	Load chargeable (as % of NAV)
Exit Load**	NIL

**The entire exit load (net of Goods & Service tax), charged, if any, shall be credited to the Scheme.

AMC reserves the right to revise the load structure from time to time. Such changes will become effective prospectively from the date such changes are incorporated.

Please Note that:

1. Exit Load will be applicable for inter scheme switches as well as special products under the Scheme such as switch-outs/systematic transfers.
2. No load shall be imposed for switching between Options (IDCW & Growth) within the Plan.
3. No exit load shall be levied in case of switch of units from Edelweiss ELSS Fund -Direct Plan to Edelweiss ELSS Fund and vice - versa. However, after the switch, exit load under the Scheme prevailing on the date of switch shall apply for subsequent redemptions/switch out from Edelweiss ELSS Fund.
4. No Entry / Sales Load will be levied on the IDCW so reinvested.
5. The Mutual Fund will ensure that the repurchase price will not be lower than 95% of the Applicable NAV.
6. For any change in load structure, the AMC will issue an addendum and display it on the website/Investor Service Centres.

The investors are requested to check the prevailing load structure of the Scheme, under respective Plans, before investing.

Changing the Load Structure:

Under the Scheme, the AMC, in consultation with the Trustee, reserves the right to change the load structure if it so deems fit in the interest of investors & for the smooth and efficient functioning of the Scheme. Any imposition or enhancement in the load shall be applicable on prospective investments only. At the time of changing the load structure, the AMC shall issue a public notice in one English daily newspaper having nationwide circulation as well as in a newspaper published in the language of region where the Head Office of the Mutual Fund is situated. Unit Holders / Prospective investors will be informed of the changed / prevailing Load structures through various means of communication such as public notice and / or display at ISCs / Distributors' offices, on Account Statements, acknowledgements, investor newsletters etc. The addendum detailing the changes may be attached to Scheme Information Documents and Key Information Memorandum. The addendum may be circulated to all the distributors/brokers so that the same can be attached to all Scheme Information Documents and Key Information Memorandum already in stock. The introduction of the exit load along with the details may also be disclosed in the Account Statement issued after the introduction of such load.

I. Introduction

A. Definitions/interpretation

For detailed description please refer [Definition 04062024 022447 PM.pdf \(edelweissmf.com\)](#)

RISK FACTORS

Apart from the risk factors mentioned in SAI, following are some of the additional risk factors which investors are advised to go through before investing:

a) STANDARD RISK FACTORS:

- * Investment in Mutual Fund Units involves investment risks such as trading volumes, settlement risk, liquidity risk, default risk including the possible loss of principal.
- * As the price / value / interest rates of the securities in which the Scheme invests fluctuates, the value of your investment in the Scheme may go up or down
- * Past performance of the Sponsor/AMC/Mutual Fund does not guarantee future performance of the Scheme.
- * Edelweiss ELSS Tax saver Fund is only the name of the Scheme & it does not in any manner indicate either the quality of the Scheme or its future prospects and returns.
- * The sponsor is not responsible or liable for any loss resulting from the operation of the Scheme beyond the initial contribution of Rs.1, 00,000 made by it towards setting up the Mutual Fund.
- * The Scheme is not a guaranteed or assured return Scheme.

b) SCHEME SPECIFIC RISK FACTORS:

The performance of the Scheme may be affected by changes in Government policies, general levels of interest rates and risks associated with trading volumes, liquidity and settlement systems, etc. Some of the Risks are listed below:

1. Due to the lock in requirements under ELSS Guidelines, the ability of investors to realize returns is restricted for the first three years.

2. Risk Factors Associated with Equity & Equity related instruments:

The value of the Scheme's investments may be affected generally by factors affecting securities markets, such as price and volume volatility in the capital markets, etc. Settlement periods and transfer procedures may restrict the liquidity of the investments made by the Scheme. The Scheme may face liquidity risk or execution risk or redemption risk or the risk of NAV going below par. Further, using Quantitative Analysis Strategy may also result into Market Risk, Modeling Error risk etc. At times, taking benefit of investing in Special Situations may involve certain risks like the promoter may choose not to accept the discovered prices or the Regulatory hurdles may delay any specific corporate action. For details, please refer SAI.

Risks associated with investment in equity instruments using Quantitative Analysis/ Quant Model:

Some of the Risks attached with Quantitative Analysis are:

1. **Market Risk:** Like any equity fund investments are subject to market risk.
2. **Modeling Error:** Quant models are subject to price and volume inputs. It is possible that some of these inputs are entered incorrectly. The quant model selected by a fund manager may not perform as tested; such a scenario is entirely possible and would result in a loss.
3. **Deviation from theoretical model:** A Quant model is theoretical in nature, however at times the market may act unexpectedly resulting in a loss, the quant model cannot account for any such market behavior. The quant model may initiate a sell signal; however the stock may not have adequate liquidity at that moment forcing the fund manager to further drive down the stock price.

3. Risk Factors Associated with Fixed Income and Money Market Instruments:

- * **Interest rate risk:** Price of a fixed income instrument falls when the interest rates move up and vice-versa, which will affect the NAV accordingly.

- * **Spread risk:** Investments in corporate bonds are exposed to the risk of widening of the spread between corporate bonds and gilts. Prices of corporate bonds tend to fall if this spread widens which will affect the NAV of the Scheme accordingly.
- * **Credit risk or default risk:** Credit risk is the risk that the issuer of a debenture/ bond or a money market instrument may default on interest &/or principal payment obligations.
- * **Liquidity & Settlement Risk:** The Risk of non execution of sale/purchase order due to low volumes is liquidity risk. Different segments of the financial markets have different settlement cycle/periods and such settlement cycle/periods may be impacted by unforeseen circumstances, leading to Settlement Risk.
- * **Reinvestment risk:** Interest rates may vary from time to time. The rate at which intermediate cash flows are reinvested may differ from the original interest rates on the security, which can affect the total earnings from the security.
- * **Performance Risk:** Performance of the Scheme may be impacted with changes in factors, which affect the capital market and in particular the debt market.
- * **Prepayment Risk:** The Scheme may receive payment of monthly cashflows earlier than scheduled, which may result in reinvestment risk.
- * **Market risk:** Lower rated or unrated securities are more likely to react to developments affecting the market as they tend to be more sensitive to changes in economic conditions than higher rated securities.

4. ***Risk associated with investment in ADRs/GDRs and Foreign Securities:***

Presently investment in Foreign Securities is not permitted as per ELSS Guidelines. If permitted by ELSS Guidelines & other Regulations applicable to the Scheme and within the investment objectives of the Scheme, the Scheme may invest in overseas markets which carry risks related to fluctuations in the foreign exchange rates, the nature of the securities market of the country, repatriation of capital due to exchange controls and political circumstances. It is the AMC's belief that investment in foreign securities offer new investment and portfolio diversification opportunities into multi- market and multi-currency products. However, such investments also entail additional risks. Such investment opportunities may be pursued by the AMC provided they are considered appropriate in terms of the overall investment objectives of the Scheme. Since the Scheme may invest only partially in foreign securities, there may not be readily available and widely accepted benchmarks to measure performance of the Scheme.

Similar to domestic debt securities, investment in overseas debt instruments is subject to market risk, credit risk, interest rate risk and liquidity risk. In addition to those, investments in foreign debt securities may carry the following risk factors:

- To the extent that the assets of the Scheme will be invested in securities denominated in foreign currencies, the Indian Rupee equivalent of the net assets, distributions and income may be adversely affected by changes in the value of certain foreign currencies relative to the Indian Rupee.
- Nature of the securities market of the country
- Uncertain political circumstances in the country in which the scheme has foreign securities exposure leading to repatriation of capital and exchange controls

Depending on the fund manager's view and the investment strategy undertaken, the scheme may decide to cover the currency risk fully or partly or may even let it remain uncovered.

Currency Risk is a form of risk that arises from the change in price of one currency against another. The exchange risk associated with a foreign denominated instrument is a key element in foreign investment. This risk flows from differential monetary policy and growth in real productivity, which results in differential inflation rates. The risk arises because currencies may move in relation to each other.

5. ***Risks Associated With Stock Lending & Short Selling:***

The risks in lending portfolio securities, as with other extensions of credit, consist of the failure of another party, in this case the approved intermediary, to comply with the terms of agreement entered into between the lender of securities i.e. the Scheme and the approved intermediary. Such failure to comply can result in the possible loss of rights in the collateral put up by the borrower of the securities, the inability of the approved intermediary to return the securities deposited by the lender and the possible loss of any corporate benefits accruing to the lender from the securities deposited with the approved intermediary. It may be noted that this activity would have the inherent probability of

collateral value drastically falling in times of strong downward market trends, rendering the value of collateral inadequate until such time as that diminution in value is replenished by additional security. It is also possible that the borrowing party and/or the approved intermediary may suddenly suffer severe business setback and become unable to honour its commitments. This, along with a simultaneous fall in value of collateral would render potential loss to the Scheme. Besides, there can be temporary illiquidity of the securities that are lent out and the scheme will not be able to sell such lent out securities until they are returned. There is also a possibility of opportunity loss.

Risks associated with short selling: Scheme may enter into short selling transactions, subject to SEBI and RBI regulations in the matter. This will be done if the fund management team is of the view that there exists an opportunity to make trading gains. Calls for short selling will be taken after considering the liquidity, price movement & volatility of the security by the fund management team. There can be a loss in such a transaction if the price of the security goes up instead of falling down.

6. Risks related to Special situations:

Special Situations are out of the ordinary situations that companies find themselves in, from time to time. Such situations present an investment opportunity to the Fund Manager who can judge the implications of that opportunity that can unlock value for investors.

Such trades are subject to all risks any equity; however in certain cases the risks can be specific as some are mentioned below:

- The promoter may choose not to accept the discovered prices
- Regulatory hurdles may delay any specific corporate action

7. Risk factors associated with Repo transactions in Corporate Debt:

Lending transactions:

The scheme may be exposed to counter party risk in case of repo lending transactions in the event of the counterparty failing to honour the repurchase agreement. However, in repo lending transactions, the collateral may be sold and a loss is realized only if the sale price is less than the repo amount. The risk may be further mitigated through over-collateralization (the value of the collateral being more than the repo amount). Further, the liquidation of underlying securities in case of counterparty default would depend on liquidity of the securities and market conditions at that time. It is endeavoured to mitigate the risk by following an appropriate counterparty selection process, which include their credit profile evaluation and over-collateralization to cushion the impact of market risk on sale of underlying security.

*** Borrowing transactions:**

In the event of the scheme being unable to pay back the money to the counterparty as contracted, the counter party may dispose of the assets (as they have sufficient margin). This risk is normally mitigated by better cash flow planning to take care of such repayments. Further, there is also a Credit Risk that the Counterparty may fail to return the security or Interest received on due date. It is endeavoured to mitigate the risk by following an appropriate counterparty selection process, which include their credit profile evaluation.

Information about the scheme:

A. Where will the scheme invest?

1. **Investment in Equity securities:** The Scheme will invest in Equity and Equity related instruments inclusive of convertible debentures, convertible preference shares etc.

2. **Investment in Money Market & Short Term Debt Securities:**

* **Commercial Paper (CP):** is an unsecured negotiable money market instrument issued in the form of a promissory note. CPs are issued by corporates as an alternative source of working capital finance. They are issued at a discount to face value, as may be determined mutually by the issuer & investor. CP is traded in secondary market and can be freely bought and sold before maturity.

* **Certificates of Deposit (CD):** is a negotiable money market instrument issued by scheduled commercial banks and select all-India Financial Institutions (FIs) that have been permitted by RBI to raise short-term resources. The maturity period of CDs issued by the banks is between 7 days and one year. FIs can issue CDs for a period not less than 1 year and not exceeding 3 years from the date of issue. CDs also are issued at a discount to face value and can be traded in secondary market akin to CPs.

* **Government Securities:** The Scheme intends to invest its assets in securities of Government of India and/or State Government to the extent of SEBI prescribed limits, if any. Such securities may be:

- i. Supported by the ability to borrow from the Treasury or
- ii. Supported by Sovereign guarantee or the State Government or
- iii. Supported by Government of India / State Government in some other way.

The above will depend upon the nature of securities invested.

Central Government Securities are a sovereign debt obligation of the Government of India with zero-risk of default and are issued on its behalf by the RBI. They form a part of the Government's annual borrowing program, and are used to fund the fiscal deficit along with other short and long-term fund requirements.

Central Government Securities are normally fixed interest securities where the interest is paid semi-annually. Different types of Central Government Securities are the fixed interest securities, fixed interest security with put/call option, fixed interest security where the subscription amount is paid in installments, fixed interest security where the maturity amount is received in installments, floating rate bond, capital-indexed bond and zero-coupon bonds.

State government securities are issued by the respective State governments in co-ordination with the RBI. State Government Securities are fixed interest securities where the interest is paid semi-annually.

* **Treasury Bills (T-Bills)** are issued by the Government of India to meet their short-term borrowing requirement. Presently, T-Bills are issued for original maturities of 91 days, 182 days and 364 days. T-Bills are issued at a discount to their face value and redeemed at par.

* **Fixed Deposits** are deposits with Banks for a fixed term at a rate which is determined by various factors such as the term, the amount etc. Pending deployment as per investment objective, the money under the Scheme may be invested in short-term deposits of Scheduled Commercial Banks.

* **Collateralised Borrowing and Lending Obligation (CBLO)** is a money market instrument that enables entities, to borrow and lend against sovereign collateral security. It is in electronic form. The maturity ranges from 1 day to 90 days and can also be made available up to 1 year. Central Government Securities including T-bills are eligible securities that can be used as collateral for borrowing through CBLO.

* **Repo (Repurchase agreement)** A Repo or Reverse Repo is a transaction in which two parties agree to sell and repurchase the same security. Under such an agreement the seller sells specified securities with an agreement to repurchase the same at a mutually decided future date and price. Similarly, the buyer purchases the securities with an agreement to resell the same to the seller on an agreed date at

a predetermined price. The transaction results in collateralized borrowing or lending of funds.

Such a transaction is called a Repo when viewed from the perspective of the seller of the securities and borrower of funds and Reverse Repo when viewed from the perspective of the buyer of the securities and lender of funds. The eligible securities for a repo/reverse repo transaction in the Indian financial markets at present are Government Securities, State Government Securities and Treasury Bills.

The Scheme may enter into Reverse Repo, hedging or such other transactions as may be allowed to Mutual Fund from time to time.

* **Non-Convertible Debentures** as well as **Bonds** are securities issued by Public Sector Enterprises, Public Sector Banks, All India Financial Institutions, Private Sector Companies etc for their normal business activities, which may be secured or unsecured against assets of the company. This is one of the sources of financing for corporates which may be in the nature of short term or long term depending on the requirement of the entity. They are priced at a spread over the corresponding government security depending on the level of perceived risk. Different types of securities are fixed interest securities with or without put/call option, fixed interest security where the maturity amount is received in installments, floating rate bonds, zero-coupon bonds (bonds with no intervening interest cash flows)etc.

Frequency of interest payments could be annual/semi-annual/quarterly/monthly or zero coupon bonds etc depending on each issue.

* **Floating rate debt instruments** are debt instruments issued by Central / State governments, Corporates, PSUs, etc. with interest rates that are reset periodically. The periodicity of interest reset could be daily, monthly, quarterly, half yearly, and annually or any other periodicity that may be mutually agreed between the issuer and the Fund.

* **‘When, as and if issued’ “Security”**

SEBI has on April 16, 2008 in principle allowed Mutual Fund to undertake ‘When Issued (WI)’ transactions in Central Government securities, at par with other market participants. Transactions in a security on a ‘When Issued’ basis shall be undertaken in the following manner.

- ‘WI’ transactions can be undertaken in the case of securities that are being reissued as well as newly issued, on a selective basis.
- ‘WI’ transactions would commence on the issue notification date and it would cease on the working day immediately preceding the date of issue.
- All ‘WI’ transactions for all trade dates will be contracted for settlement on the date of issue.
- At the time of settlement on the date of issue, trades in the ‘WI’ security will be netted off with trades in the existing security, in the case of reissued securities.
- ‘WI’ originating transactions may be undertaken only on NDS-OM. However, undertaking the cover leg of the ‘WI’ transactions is permitted even outside the NDS-OM platform, i.e., through telephone market.
- The Transaction should be guaranteed by an approved Central counterparty namely Clearing Corporation of India Limited (CCIL).
- Only PDs can take a short position in the ‘WI’ market. In other words, non-PD entities can sell the ‘WI’ security to any counterparty only if they have a preceding purchase contract for equivalent or higher amount.
- Open Positions in the ‘WI’ market are subject to the following limits:

Category	Reissued security	Newly issued security
Non-PDs	Long Position, not exceeding 5 per cent of the notified amount.	Long Position, not exceeding 5 per cent of the notified amount.

For details on definition & risk associated with investment in the above security, please refer SAI.

3. **Foreign Securities**

At present, investment in foreign securities is not permitted under ELSS Guidelines. In accordance with In accordance with paragraph 12.19.3.4 of the Master Circular for Mutual Funds dated June 27, 2024, the following conditions shall apply to the Scheme's participation in the overseas investments, as and when it is permitted by ELSS Guidelines & other regulations applicable for the Scheme. Please note that the investment restrictions applicable to the Scheme's participation in overseas investments will be as

prescribed or varied by SEBI or by the Board of Trustees (subject to SEBI requirements) from time to time. The regulations pertaining to investment in ADRs/GDRs/Foreign Securities and Overseas ETFs by Mutual Funds are currently as under:

- * The aggregate ceiling for overseas investments is USD 7 billion as per the above SEBI circulars. Within the overall limit of USD 7 billion, mutual funds can make overseas investments subject to a maximum of USD 1 billion per mutual fund. In accordance with paragraph 12.19.2 of the Master Circular for Mutual Funds dated June 27, 2024, permissible overseas investments are:
- * Within the overall limit of US \$ 7 billion, Mutual Funds can make overseas investments subject to a maximum of US \$600 million per Mutual Fund. Further, Mutual Funds can make investments in overseas Exchange Traded Fund (ETF(s)) subject to a maximum of US \$ 200 million per Mutual Fund, within the overall industry limit of US \$ 1 billion. The permissible investments Mutual Funds can invest in:
 1. ADRs/ GDRs issued by Indian or foreign companies.
 2. Equity of overseas companies listed on recognized stock exchanges overseas.
 3. Initial and follow on public offerings for listing at recognized stock exchanges overseas
 4. Foreign debt securities in the countries with fully convertible currencies, short term as well as long term debt instruments with rating not below investment grade by accredited/registered credit rating agencies.
 5. Money market instruments rated not below investment grade.
 6. Repos in the form of investment, where the counterparty is rated not below investment grade; repos should not however, involve any borrowing of funds by Mutual Funds.
 7. Government securities where the countries are rated not below investment grade
 8. Short term deposits with banks overseas where the issuer is rated not below investment grade.
 9. Units/securities issued by overseas Mutual Funds or unit trusts registered with overseas regulators and investing in (a) aforesaid securities, (b) Real Estate Investment Trusts (REITs) listed in recognized stock exchanges overseas or (c) unlisted overseas securities (not exceeding 10% of the net assets).
 10. The Limits for Investment in Overseas Exchange Traded Funds (ETFs): The overall ceiling for investment in overseas ETFs that invest in securities is US \$1 billion subject to a maximum of US \$ 50 million per Mutual Fund.

The Regulatory restriction on the investments in Mutual Fund units upto 5% of net assets of the Fund and prohibiting charging of fees, shall not be applicable to investments in Mutual Funds in foreign countries made in accordance with SEBI Guidelines. However, the management fees and other expenses charged by the Mutual Fund in foreign countries along with the management fee and recurring expenses charged to the domestic Mutual Fund scheme shall not exceed the total limits on expenses as prescribed under Regulation 52(6). Where the scheme is investing only a part of the net assets in the foreign Mutual Fund(s), the same principle shall be applicable for that part of investment. The overseas securities markets offer new investment and portfolio diversification opportunities by enabling investments in the overseas markets. However, such investments also entail additional risks. Such investment opportunities may be pursued by the Mutual Fund provided they are considered appropriate in terms of the overall investment objectives of the Scheme. The Scheme may then, appoint a Dedicated Fund Manager to manage the Overseas Investments & if necessary, seek applicable permission from SEBI and RBI to invest abroad in accordance with the investment objectives of the Scheme and in accordance with any guidelines issued by SEBI/RBI from time to time. These investments shall be made subject to any/all approvals, conditions thereof as may be stipulated by SEBI/RBI and provided such investments do not result in expenses to the Scheme in excess of the ceiling, if any, on expenses prescribed by SEBI for offshore investment, and if no such ceiling is prescribed by SEBI, the expenses to the Scheme shall be limited to the level which, in the opinion of the Trustee, is reasonable and consistent with costs and expenses attendant to international investing. The Scheme may, where necessary, appoint other specialized agencies and service providers associated with such investments such as advisors, custodian/sub-custodians, brokers, etc., of adequate expertise, in order to enable the AMC to manage and administer such investments. The appointment of such intermediaries shall be in accordance with the applicable requirements of SEBI and within the permissible ceilings of expenses. The fees and expenses would illustratively include, besides custody fees and costs, fees of appointed overseas advisors, transaction costs and overseas regulatory costs. For details on Valuation Norms, Computation of NAV etc. please refer SAI.

4. Investments in the Schemes of Mutual Fund

The Scheme may invest in schemes managed by the AMC or in the schemes of any other Mutual Fund, provided it is in conformity with the investment objectives of the Scheme and in terms of the prevailing the SEBI Regulations, AS & IF PERMITTED BY ELSS Guidelines. As per the SEBI Regulations, no Investment Management fees will be charged for such investments and the aggregate inter scheme investment made by all schemes in the schemes of the Mutual Fund or in the schemes under the management of any other asset management company shall not exceed 5% of the Net Asset Value of the Mutual Fund.

5. Any other like instruments as may be permitted by RBI/SEBI/ ELSS Notifications issued by the Central Board of Direct Taxes/ such other Regulatory Authority from time to time.

The above-mentioned securities could be listed, unlisted, secured, unsecured, rated or unrated and may be acquired through Primary, secondary market offerings, private placements, rights offer etc. Further, investments in debentures, bonds and other fixed income securities will usually be in instruments, which have been assigned investment grade ratings by an approved rating agency. In cases where the debt instrument is unrated, specific approval from the Board of the Asset Management Company and the Board of Trustees shall be obtained. However, the same shall be subject to limitations as contained in clause 1 and 1A, of Schedule VII to SEBI (Mutual Funds) Regulations, 1996.

INVESTMENT STRATEGY & APPROACH

The Fund will invest in a diversified basket of equity stocks spanning the entire market capitalization spectrum and across multiple sectors, debt and money market instruments.

The Fund would identify companies for investment, based on the following criteria amongst others:

1. Good track record of the company
2. Potential for future growth
3. Industry economic scenario

The Fund will also invest a portion of the funds in initial offerings and other primary market offerings. Risk will be managed through adequate diversification by spreading investments over a wide range of companies.

*** Special Situations:**

The Scheme may take advantage of Situations that present an investment opportunity to Fund Manager who can judge the implications of that opportunity that can unlock value for investors. Some of these situations are Merger of businesses or companies which may result in synergies in business activities. Demerger may result in separation / spin-off of business operation / activity from some other business operation / activity., Companies may consider a buy-back of their shares from the market due to various reasons (like company has substantial free reserves, management is confident of the future growth potential, meeting with the regulatory norms, etc. A buyback unlock significant value for shareholders. Promoters may consider delisting their companies from the respective stock exchange. It may be at the request of the promoters, because of acquisition; BIFR under SICA etc. Company may offer its existing shareholders a right to purchase additional shares at a discount to the prevailing market price. Promoters may want to infuse capital for future projects through a rights issue, raise their holding as they expect good prospects going forward. A carefully analyzed rights issue can unlock value for shareholders; Open Offer is an event that increases the shareholding of the acquirer. An open offer can be voluntary or involuntary. An open offer is an indication that parties are interested in increasing their stake in the company. This can be positive for the company over the long run and gives the investor a signal for good times ahead. Debt restructuring i.e. a company may want to change its capital structure by means of reducing debt. Higher debt can lead to lower profits and cash flows. An attempt by the company to reduce debt or swap the same with other lower costs options can unlock value for shareholders. There could be many other events that may result in share price appreciation. Such situations may include but are not limited to turnarounds, companies undergoing restructuring, asset plays, and companies affected by regulatory changes and primary market listings. The scheme will carefully analyze any such instance and participate in the same as such. Corporate action often unlocks a lot of value for the investors.

* Quantitative Model

The Scheme may use Quantitative analysis Model, commonly known as Quant Model. Quantitative analysis can be done for a number of reasons such as measurement, performance evaluation or valuation of a financial instrument. In broad terms, quantitative analysis is simply a way of measuring things. Quantitative analysis can be of two kinds i.e. input tools giving signals, filters or a passive management tool, where the fund manager has no input and the quantitative rule decides the investment. Here in this case this strategy will be used as an input tool. Examples of quantitative analysis include everything from simple financial ratios such as earnings per share, to something as complicated as discounted cash flow, or option pricing. One of the main advantages of Quant Model is that it measures recent market volatility and exclusive factors that drive markets and are expected to provide good performance. Quant Funds are more actively managed than Index funds but less active than traditional equity funds but seek to provide better returns than benchmark in all market conditions. The most obvious advantage is that quantitative models can examine a much larger universe of stocks than human analysts. Quant Funds eliminate any human bias.

* Investment in debt/ Money Market Instruments

To achieve its investment objective, the Scheme may also invest, in Debt Instruments which are listed/unlisted and/or rated/unrated debt or money market instruments/securities, securities issued/guaranteed by the Central/State Governments, securities issued by public/private sector companies/corporations, short term deposits with banks like Fixed Deposits, financial institutions and/or money market instruments such as commercial paper, certificates of deposit, permitted securities under a reverse-repo agreement, securitized debt, etc. These instruments may carry a fixed rate of return or a floating rate of return or may be issued on a discounted basis. Investments will be made in instruments, which in the opinion of the Fund Manager, are of an acceptable credit quality and chance of default is minimum while conforming to the internal broad guidelines provided in the Investment Policy. The Fund Manager will generally be guided by, but not restrained by, the ratings announced by various rating agencies and independent in-house assessment on the assets in the portfolio. The fund management team with the support of research team will take an active view of the interest rate movement by keeping a close watch on various parameters of the Indian economy, as well as developments in global markets. Investment views / decisions will be taken on the basis of the following parameters:

7. Prevailing interest rate scenario
8. Quality of the security / instrument (including the financial health of the issuer)
9. Maturity profile of the instrument
10. Liquidity of the security
11. Growth prospects of the company / industry
12. Any other factor in the opinion of the fund management team

* Stock Lending:

Subject to the SEBI Regulations/ ELSS Guidelines as applicable from time to time, the Fund may, engage in Stock Lending. Stock Lending means the lending of securities to another person or entity for a fixed period of time at a negotiated compensation in order to enhance returns of the portfolio. The securities lent will be returned by the borrower on the expiry of the stipulated period. The AMC will adhere to strict limits should it engage in Stock Lending. Collateral would always be obtained by the approved intermediary from such borrower. Collateral value would always be more than the value of the security lent. Collateral can be in form of cash, bank guarantee, and government securities, as may be agreed upon with the approved intermediary. Not more than 25% of the net assets of the Scheme can generally be deployed in stock lending and not more than 5% of the Net Assets of the Scheme can be can be deployed in Stock lending to any single counterparty. For detailed understanding on the same, investors are requested to refer SAI.

* Investment in Mutual Fund Units:

To avoid duplication of portfolios and to reduce expenses, the Scheme may also invest in scheme managed by the AMC or in the scheme of other Mutual Fund, provided that aggregate inter-scheme investment made by all schemes managed by the AMC either in its own schemes or of any other Mutual Fund shall not exceed 5% or such other permitted limit, of the Net Asset Value of the Fund. No investment management fees shall be charged for investing in other schemes of the fund or in the schemes of any other Mutual Fund.

*** Risk Control:**

The scheme proposes to invest predominately in equity or equity related instruments and the AMC as a part of prudent Risk Management would incorporate adequate safeguards at the time of portfolio reconstruction process. The risk would also be minimised by investing in securities analysed by Research/Fund Management team. Additionally the risk shall be reduced through adequate diversification of the portfolio.

The allocation will be steadily monitored and it shall be ensured that investments are made in accordance with the scheme objective and within the regulatory and internal investment restrictions prescribed from time to time. The fund will also employ adequate measures to manage risk involved in foreign securities investments (as and when permitted by the regulations applicable for the Scheme). The Fund has designed a detailed process to identify, measure, monitor and manage the portfolio risk. The aim is not to eliminate the risk completely but to have a structured mechanism towards risk management thereby maximizing potential opportunities and minimize the adverse effects of risk. Few of the key risks identified are:

Risk & Description specific to the Scheme	Risk mitigates / management strategy
Market Risk Risk arising due to vulnerability to price fluctuations and volatility, having material impact on the overall returns of the scheme	Endeavour to have a well-diversified portfolio of good companies with the ability to use cash/derivatives for hedging
Derivatives Risk Various inherent risks arising as a consequence of investing in derivatives.	Continuous monitoring of the derivatives positions and strictly adheres to the regulations and internal norms
Credit risk Risk associated with repayment of investment	Investment universe carefully selected to only include issuers with high credit quality
Performance risk Risk arising due to change in factors affecting the market	Understand the working of the markets and respond effectively to market movements
Concentration risk Risk arising due to over exposure in few securities	Invest across the spectrum of issuers and keeping flexibility to invest across tenor
Liquidity risk Risk arising due to inefficient Asset Liability Management, resulting in high impact costs	Control portfolio liquidity at portfolio construction stage. Having optimum mix of cash & cash equivalents along with the debt papers in the portfolio
Interest rate risk Price volatility due to movement in interest rates	Control the portfolio duration and periodically evaluate the portfolio structure with respect to existing interest rate scenario
Event risk Price risk due to company or sector specific event	Understand businesses to respond effectively and speedily to events. Usage of derivatives: Hedge portfolios, if required, in case of predictable events with uncertain outcomes

*** Portfolio Turnover:**

The Scheme will endeavour to keep the portfolio turnover at a minimum. However the portfolio turnover ratio may vary as the scheme may change the portfolio according to Asset Allocation to align itself with the objectives of the scheme. The effect of higher portfolio turnover could be higher brokerage and transaction costs.

B. What are the investment restrictions?

- i) *The investment policy of the Scheme complies with the rules, regulations and guidelines laid out in SEBI (Mutual Funds) Regulations, 1996. As per the Regulations, specifically the Seventh Schedule, the following investment limitations are currently applicable:*

9. The Scheme shall not make any investment in any fund of funds scheme.

10. No Mutual Fund scheme shall invest more than 10% of its NAV in the equity shares or equity related instruments of any company: Provided that, the limit of 10 % shall not be applicable for investments in case of index fund or sector or industry specific scheme. For the purpose of determining the above limit, a combination of positions of the underlying securities and stock derivatives, will be considered.
11. A Mutual Fund scheme shall not invest more than 5% of its NAV in the unlisted equity shares or equity related instruments, being an open ended Scheme.
12. No loans for any purpose shall be advanced by the Scheme.
13. The Fund may lend & borrow securities in accordance with the Stock Lending & Borrowing Scheme of SEBI/ as permitted by ELSS Guidelines.
14. The Fund shall not borrow except to meet temporary liquidity needs of the Fund for the purpose of repurchase / redemption of Units or payment of interest and IDCW to the Unit holders. Provided that the Fund shall not borrow more than 20% of the net assets of the Scheme and the duration of the borrowing shall not exceed a period of 6 months.
15. Further As per paragraph 12.16 of the Master Circular for Mutual Funds dated June 27, 2024, and as per paragraph 12.16.1.5 of the Master Circular for Mutual Funds dated June 27, 2024,
 - * Total investment of the Scheme in Short term deposit(s) of all the Scheduled Commercial Banks put together shall not exceed 15% of the net assets. However, this limit can be raised upto 20% of the net assets with prior approval of the Board of Trustees. Further, investments in Short Term Deposits of associate and sponsor scheduled commercial banks together shall not exceed 20% of total deployment by the Mutual Fund in short term deposits.
 - * Scheme shall not invest more than 10% of the net assets in short term deposit(s), of any one scheduled commercial bank including its subsidiaries.
 - * Scheme shall not invest in short term deposit of a bank which has invested in that Scheme.

Further as per SEBI Circular No. SEBI/IMD/CIR No.7/129592/08 dated June 23, 2008, it is clarified that the said limits shall not apply to term deposits placed as margins for trading in cash and derivatives market.

The investments in short term deposits of scheduled commercial banks will be reported to the Board of Trustees along with the reasons for the investment which, interalia, would include comparison with the interest rates offered by other scheduled commercial banks. Further, the AMC shall ensure that the reasons for such investments are recorded in the manner prescribed in paragraph 12.19.3.2 of the Master Circular for Mutual Funds dated June 27, 2024.

As per the ELSS Guidelines, Mutual Fund may hold upto twenty per cent of net assets of the plan in short-term money market instruments and other liquid instruments to enable it to redeem investment.

16. The Scheme will comply with any other regulations applicable to the investments of Mutual Funds from time to time.

Investments Limitations and Restrictions in Repo in Corporate Debt Securities:

Below stated conditions and norms shall apply to repo in corporate debt securities, which are subject to change as may be prescribed by SEBI and/or RBI from time to time:

- (i) Any scheme shall not lend/borrow more than 10% of its net assets in repo against corporate debt securities.
- (ii) The cumulative gross exposure through repo transactions in corporate debt securities along with equity, debt, derivatives and any other permitted assets shall not exceed 100% of the net assets of the Scheme.
- (iii) The exposure limit/investment restrictions prescribed under the Seventh Schedule of SEBI (Mutual Funds) Regulations, 1996 and circulars issued there under (wherever applicable) shall be applicable to repo transactions in corporate debt securities.
- (iv) The schemes shall borrow through repo transactions in corporate debt securities only in line with the policy approved by the Board of Directors of the AMC and the Trustee Company.

These investment restrictions shall be applicable at the time of investment and changes do not have to be effected merely because, owing to appreciations or depreciations in value, or by reason of the receipt of any rights, bonuses or benefits in the nature of capital or of any Schemes of arrangement or for amalgamation, reconstruction or exchange, or at any repayment or redemption or other reason outside the control of the Fund, any such limits would thereby be breached. If these limits are exceeded for reasons beyond its control, the AMC shall as soon as possible take appropriate corrective action, taking into account the interests of the Unit holders.

In addition, certain investment parameters (like limits on exposure to sectors, industries, companies, etc.) may be adopted internally by the AMC, and amended from time to time, to ensure appropriate diversification / security for the Fund. The Trusteeship Company / AMC may alter these above stated limitations from time to time, and also to the extent the SEBI (Mutual Funds) Regulations, 1996 change, so as to permit the Scheme to make its investments in the full spectrum of permitted investments for Mutual Fund to achieve its investment objective. As such all investments of the Scheme will be made in accordance with SEBI (Mutual Funds) Regulations, 1996, including Schedule VII thereof.

The Trustee may alter the above restrictions from time to time to the extent that changes in the Regulations may allow and as deemed fit in the general interest of the Unit Holders.

C. Fundamental Attributes

Following are the Fundamental Attributes of the scheme, in terms of paragraph 1.14 of SEBI Master Circular for Mutual Funds dated June 27, 2024:

G. Other Scheme Specific Disclosures:

Listing and transfer of units	Units of the Scheme, which are held in dematerialized (demat) form, are freely transferable under the depository system in accordance with the provisions of SEBI (Depositories and Participants) Regulations, 1996. However, for Units of the Scheme held on physical form the AMC shall, on production of instrument of transfer together with relevant unit certificates, register the transfer and return the unit certificate to the transferee within 30 days from the date of such production. The cost of stamp duty paid for issuing the unit certificate in case of a transfer or otherwise will form part of the annual on-going expenses and/or may be recovered from the unit holder(s).
Dematerialization of units	The Unit holders will have an Option to hold the units by way of an Account Statement or in Dematerialized ('Demat') form. Unit holders opting to hold the units in Demat form must provide their Demat Account details in the specified section of the application form. The Applicant

	intending to hold the units in Demat form are required to have a beneficiary account with a Depository Participant (DP) registered with NSDL / CDSL and will be required to indicate in the application the DP's name, DP ID Number and the Beneficiary Account Number of the applicant held with the DP at the time of purchasing Units. Unitholders are requested to note that request for conversion of units held in Account Statement (non-demat) form into Demat (electronic) form or vice versa should be submitted to their Depository Participants. In case Unit holders do not provide their demat account details or the demat details provided in the application form are incomplete / incorrect or do not match with the details with the Depository records, the Units will be allotted in account statement mode provided the application is otherwise complete in all respect and accordingly an account statement shall be sent to them. In case of Investors investing through SIP facility and opting to hold the Units in Demat form, the units will be allotted based on the Applicable Net Asset Value (NAV) and the same will be credited to investor's Demat Account on weekly basis on realization of funds. The AMC shall issue units in dematerialized form to a unit holder in a scheme within two working days of the receipt of request from the unit holder.
Minimum Target amount	Not Applicable
Maximum Amount to be raised (if any)	Not Applicable
Dividend Policy (IDCW)	● IDCW Distribution Procedure: SEBI Circular lays down the procedure for Declaration of IDCW which clearly says that quantum of IDCW and record date shall be fixed by the Board of Trustees and AMC shall issue a notice to the public communicating the decision about IDCW including the record date, within one calendar day of the decision made by the Board of Trustees in their meeting. Record date shall be the date that will be considered for the purpose of determining the eligibility of investors whose name appears on the register of Unit holders. Record date shall be 2 working days from the issue of notice. The Trusteeship Company reserves the right to declare IDCW on a regular basis. The Fund does not guarantee or assure declaration or payment of IDCW. Although the Trustees have intention to declare IDCW under IDCW Option, such declaration of IDCW if any, is subject to Scheme's performance & the availability & adequacy of distributable surplus in the Scheme at the time of declaration of such IDCW. Investors should note that, when the Mutual Fund declares a IDCW under the Scheme, the Income distribution shall be dispatched within 15 days of the record date. The requirement of giving notice & the above laid procedure shall not be compulsory for Scheme/plan/option having frequency of IDCW distribution from daily upto monthly IDCW.

	Further, investors are requested to note that the amounts can be distributed out of the investor's capital (Equilization Reserve), which is part of sales price that represents realized gains. • Effect of IDCWs: When IDCWs are declared and paid under the Scheme, the net assets attributable to Unit holders in the IDCW Option will stand reduced by the IDCW amount subject to TDS and statutory levy if any. The NAV of the Unit holders in the Growth Option will remain unaffected by the payment of IDCW. Even though the asset portfolio will be un-segregated, the NAVs of the Growth Option and IDCW Option will be distinctly different after declaration of the first IDCW to the extent of distributed income, tax and statutory levy paid thereon, where applicable, and expenses relating to the distribution of IDCWs. • Mode of Payment of IDCWs: The Scheme proposes to pay IDCW by Direct Credit or through RTGS or NEFT or any other EFT means. RBI offers the facility of EFT for facilitating better customer service by direct credit of IDCW amount to a Unit holder's bank account through electronic credit which avoids loss of IDCW in transit or fraudulent encashment. The Mutual Fund will endeavour to offer this facility for payment of IDCW/repurchase proceeds to the Unit holders residing in any of the cities where such a Bank facility is available. The Fund is arranging with selected bankers to enable direct credits into the bank accounts of the investors at these banks. If an investor has an account with a bank with which the Fund will tie up for direct credit, the IDCW amount will be credited directly to the bank account, under intimation to the Unit holder by email/SMS/post. The Mutual Fund, on a best effort basis, and after scrutinising the names of the banks where Unit holders have their accounts, will enable direct credit/RTGS/NEFT/ to the Unit holders' bank accounts. While the preferred mode of payment is through EFT route, the AMC is at the sole discretion to pay IDCW by any other means (including at par cheques and demand drafts, where the EFT facility is not available in a particular city or Bank or as the Trusteeship Company or the AMC deems fit in the interest of investors.) All the IDCW payments shall be in accordance and compliance with SEBI Regulations, as amended from time to time. If Unit holders have opted for IDCW Payout Option, if the IDCW amount payable to such Unit holders (net of tax deducted at source, wherever applicable) is less than or equal to Rs. 250, following treatment shall be: Where the option to payout IDCW is available in electronic mode: The IDCW amount shall be paid to the Unit holders. However, if
--	--

	the payment through electronic mode is unsuccessful, the AMC shall issue IDCW warrant for such amount; and Where the option to payout IDCW is not available in electronic mode: The IDCW shall be mandatorily reinvested in the respective Scheme/Plan by issuing additional Units at the applicable ex-IDCW NAV.
Allotment	Allotment will be completed after due reconciliation of receipt of funds for all valid applications within 5 Business Days from the closure of the NFO period. Allotment to NRIs/FIIs will be subject to RBI approval, if required. Subject to the SEBI (MF) Regulations, the Trustee may reject any application received in case the application is found invalid/incomplete or for any other reason in the Trustee's sole discretion. For investors who have given demat account details, the Units will be credited to the investor's demat account after due verification and confirmation from NSDL/CDSL of the demat account details. • Allotment Confirmation/Account Statement (for non-demat account holders): An Allotment Confirmation/Account statement will be sent by way of SMS and/or email and/or ordinary post, to each Unit Holder who has not provided his demat account details in the application form for subscription during the NFO. The Allotment Confirmation/Account statement, stating the number of Units allotted to the Unit Holder will be sent not later than 5 Business Days from the close of the NFO Period of the Scheme. The Account Statement shall be non-transferable. • Dispatch of Account Statements to NRIs/FIIs will be subject to RBI approval, if required. • Allotment Advice/Holding Statement (demat account holders): For investors who have given valid demat account details at the time of NFO, Units issued by the AMC shall be credited by the Registrar to the investor's beneficiary account with the DP as per information provided in the Application Form. Such investors will receive the holding statement directly from their depository participant (DP) at such a frequency as may be defined in the Depository Act or Regulations or on specific request. • Consolidated Account Statement: CAS shall also be sent to the Unit holder in whose folio transactions have taken place during that month: -Monthly basis- on or before 15th of the succeeding month in case of delivery via. physical mode and on and before 12th of the succeeding month in case of delivery via. electronic mode -Half yearly basis- on or before the twenty-first (21st) day of April and October in case of delivery via physical mode and on and before eighteenth (18th) day of April and October incase of delivery via. electronic mode In the event the account has more than one registered Unit holder, the first named Unit holder shall receive the CAS. In case of specific request received from investors, Mutual Fund will provide an account statement to the investors within 5 Business Days from the receipt of such request The Mutual Fund reserves the right to recover from an investor any loss caused to the Scheme on account of dishonour of cheques issued by him/her/it for purchase of Units.
Refund	Not Applicable

Foreign Account Tax Compliance Act (commonly known as “FATCA”): The Foreign Account Tax Compliance Act is a United States (US) federal law, aimed at prevention of tax evasion by US Citizens and Residents (“US
--	---

	Persons”) through use of offshore accounts. The Government of India and the US have reached an agreement in substance on the terms of an Inter-Governmental Agreement (“IGA”) to implement the FATCA provisions, which have become globally applicable from July 1, 2014. Edelweiss Mutual Fund (“the Fund”)/ Edelweiss Asset Management Limited (“the AMC”) is classified as a FFI under the FATCA provisions, in which case the Fund / AMC is required, from time to time, to: (i) undertake necessary due diligence process by collecting information/documentary evidence of the US/non-US status of the investors; (ii) disclose/report information as far as may be legally permitted about the holdings/investment returns pertaining to reportable accounts to the US Internal Revenue Service and/or such Indian authorities as may be specified under FATCA or other applicable laws and (iii) carry out such other activities as prescribed under the FATCA provisions, as amended from time to time. FATCA due diligence will have to be directed at each investor/unit holder (including joint investors) and on being identified as a reportable person/specified US person, all the folios will be reported. Further, in case of folio with joint investors, the entire account value of investment portfolio will be attributable under each such reportable person. Investors/Unit holders would therefore be required to furnish such information to the Fund/AMC, from time to time, in order to comply with the reporting requirements stated in the IGA and or circulars/guidelines issued by SEBI/AMFI in this regard. The impact of FATCA is relevant not only at the point of on-boarding of the investors but also throughout the life cycle of the investor account / folio with the Fund. Hence investor(s) should immediately intimate the Fund/AMC, in case of any change in the FATCA related information provided by them at the time of initial subscription. The Fund/AMC reserves the right to reject any application or compulsorily redeem the units held directly or beneficially in case the applicant/investor fails to furnish the relevant information and/or documentation or is found to be holding units in contravention of the FATCA provisions. Further, in accordance with the regulatory requirements relating to FATCA/CRS read along with SEBI Circular no. CIR/MIRSD/2/2015 dated August 26, 2015 and AMFI Best practices guidelines circular no. 63/2015-16 dated September 18, 2015 regarding uniform implementation of FATCA/CRS requirements, investors are requested to ensure the following: • With effect from November 1, 2015 all investors have to mandatorily provide the details and declaration pertaining to FATCA/CRS for all new accounts opened, failing which the application shall be liable to be rejected.
--	---

	- For accounts opened between July 1, 2014 and October 31, 2015 and certain pre - existing accounts opened till June 30, 2014, the AMC shall reach out to the investors to seek the requisite information/declaration which has to be submitted by the investors before December 31, 2015. In case the information/declaration is not received from the investor on or before December 31, 2015, the account shall be treated as reportable account. Ultimate Beneficial Ownership: In accordance with SEBI Circular no. CIR/MIRSD/2/2013 dated January 24, 2013 and AMFI Best practices guidelines circular no. 62/2015-16 dated September 18, 2015, Investors may note the following: - With effect from November 1, 2015, it is mandatory for new investors to provide beneficial ownership details as part of account opening documentation failing which the AMC shall reject the application. - With effect from January 1, 2016 it is mandatory for existing investors/unit holders to provide beneficial ownership details, failing which the AMC may reject the transaction for additional subscription (including switches).

In case of specific request received from investors, Mutual Fund will provide an account statement to the investors within 5 Business Days from the receipt of such request For further details, refer SAI.
Dividend/ IDCW	The payment of dividend/IDCW to the unitholders shall be made within 7 working days from the record date.
Redemption	The redemption or repurchase proceeds shall be dispatched to the unitholders within 3 working days from the date of redemption or repurchase. For list of exceptional circumstances refer para 14.1.3 of SEBI Master Circular for Mutual Funds dated June 27, 2024.
Bank Mandate	The payment of dividend/IDCW to the unitholders shall be made within 7 working days from the record date. The redemption or repurchase proceeds shall be dispatched to the unitholders within 3 working days from the date of redemption or repurchase. For list of exceptional circumstances refer para 14.1.3 of SEBI Master Circular for Mutual Funds dated June 27, 2024. It is mandatory for every applicant to provide the name of the bank, branch, address, account type and number as per requirements laid down by SEBI and any other requirements stated in the Application Form. Applications without these details will be treated as incomplete. Such incomplete applications will be rejected. The Registrar/AMC may ask the investor to provide a blank cancelled cheque or its photocopy for the purpose of verifying the bank account number. Multiple Bank Account Registration The Mutual Fund offers a facility to register multiple bank accounts for pay-in & payout purposes and designate one of the registered bank accounts as "Default Bank Account". Individuals, HUFs, Sole proprietor firms can register upto five bank accounts and a non-individual investor can register upto ten bank accounts in a folio. This facility can be availed

	by using a designated “Bank Accounts Registration Form” available at Investor Service Centers and Registrar and Transfer Agent’s offices. In case of new investors, the bank account mentioned on the purchase application form, used for opening the folio, will be treated as default bank account till the investor gives a separate request to register multiple bank accounts and change the default bank account to any of other registered bank account. Registered bank accounts may also be used for verification of pay-ins (i.e. receiving of subscription funds) to ensure that a third party payment is not used for mutual fund subscription. Default Bank Account will be used for all IDCW and redemption payouts unless investor specifies one of the existing registered bank account in the redemption request for receiving redemption proceeds. However, in case a Unit holder does not specify the default account, the Mutual Fund reserves the right to designate any of the registered bank accounts as default bank account. Consequent to introduction of “Multiple Bank Accounts Facility”, registering a new bank account will require a cooling period of not more than 10 days from the date of receipt of request. In the interim, in case of any IDCW/ redemption/ maturity payout, the same would be credited in the existing registered bank account. Change in Bank Mandate Change in Bank Mandate: Pursuant to AMFI communication no. 135/BP/26/11-12 dated March 21, 2012, following process changes will be carried out in relation to change in bank mandate: 1.
