PART I-HIGHLIGHTS/SUMMARY OF THE SCHEME

Sr. No.	Title	Description
I.	Name of the scheme	Bank of India Conservative Hybrid Fund
II.	Category of the Scheme	Conservative Hybrid Fund
III.	Scheme type	An open ended hybrid scheme investing predominantly in debt instruments.
IV.	Scheme code	BOIA/O/H/CHF/08/12/0006
V.	Investment objective	The Scheme seeks to generate regular income through investments in fixed income securities and also to generate long term capital appreciation by investing a portion in equity and equity related instruments. However, there can be no assurance that the income can be generated, regular or otherwise, or the investment objectives of the Scheme will be realized.
VI.	Liquidity/listing details	The Scheme will offer units for sale and repurchase at NAV based prices on all business days. Unitholders can subscribe to and get their units repurchased on all business days at NAV related prices (with exit load as mandated by AMC from time to time). As per SEBI Mutual Funds Regulations, the Fund shall dispatch Redemption proceeds within 3 Business Days of receiving the valid Redemption request. A penal interest of 15% per annum or such other rate as may be prescribed by SEBI from time to time will be paid in case the redemption proceeds are not dispatched/remitted within 3 Business Days of the date of Redemption request. However, under normal circumstances, the Fund will endeavor to dispatch the Redemption proceeds well before 3 Business Days from the acceptance of the duly completed Redemption request. The AMC shall adhere to guidelines published by AMFI /SEBI for exceptional circumstances under which the Scheme is unable to transfer redemption or repurchase proceeds within prescribed timelines. The units of the Scheme shall not be listed on any Stock Exchange. However, Trustee reserve the right to list the scheme at recognized stock exchange at a later date.
VII.	Benchmark (Total Return Index)	First Tier Benchmark: CRISIL Hybrid 85 + 15 - Conservative Index. Justification: The Scheme's performance would be benchmarked against CRISIL Hybrid 85+ 15 - Conservative Index. The benchmark is most suited for comparing the performance of the Scheme. The composition of the

Sr. No.	Title	Description
		aforesaid benchmark is such that it is most suited for comparing the performance of the Scheme. Also, as required under Para 1.9 of SEBI Master circular dated June 27, 2024, the benchmark has been selected from amongst those notified by AMFI as the first-tier benchmark to be adopted by mutual funds. Second Tier Benchmark: Not applicable The Trustee/AMC reserves the right to change the benchmark for the evaluation of the performance of the Scheme from time to time, keeping in mind the investment objective of the Scheme and the appropriateness of the benchmark, subject to SEBI guidelines and other prevalent guidelines.
VIII.	NAV disclosure	The AMC will calculate and disclose the first NAVs of the Scheme not later than 5 Business Days from the date of allotment of units under the NFO. Thereafter, the AMC will prominently disclose the NAVs under a separate head on the website of the Fund (https://www.boimf.in/nav) and of the Association of Mutual Funds in India-AMFI (www.amfiindia.com) by 11 p.m. on every Business Day. Further Details in Section II.
IX.	Applicable timelines	Timeline for Dispatch of redemption proceeds: The Scheme will dispatch redemption proceeds within 3 Business Days from the acceptance of the Redemption request or such other time as may be prescribed by SEBI from time to time. Redemption/Switch Procedure in case of physical form: The investors holding units in physical form may submit their redemption/ switch requests duly signed by all the holders (as per the mode of holding) at any of the Point of Acceptance (POA) Investor Service Centers (ISC) of Registrar & Transfer Agent viz., M/s KFin Technologies Ltd. or Bank of India Investment Managers Pvt. Ltd. latest by the cut off time as stipulated and revised by SEBI from time to time which is currently 3.00 p.m. on any business day. Such cases will be eligible for NAV of the business day on which the redemption requests are time- stamped upto the cut-off time at the ISC for the Scheme.

Sr. No.	Title	Description
		Redemption / Switch Procedure in case units are held in dematerialized form: The investors who hold units in demat form and wish to redeem their units will have to take following steps: 1. Investors will have to approach their DP (Depository Participants) where Demat Account is being held. 2. Investors will have to submit duly filled-in and signed Redemption/Repurchase Request Form (RRF) available with respective DPs. Normally, these RRF may be available on the websites of respective DPs e.g. Banks etc. As the format of RRF may be different with every DP, the investors are advised to use the RRF procured from their own DP to avoid rejections/delays by their own DP. The ISIN of the Scheme/plan/ subplan is printed on the Statement of Account issued to investors. 3. The investors are required to submit 3 copies of RRF to their DPs. One copy of the RRF is used by the DP for issuing acknowledgement to investors whereas the second copy of the RRF will be forwarded by the DP to the Head Office of the RTA i.e M/s KFin Technologies Ltd. The third copy will be retained by the DP for their own records. 4. Based on the receipt of RRF, if found in order the DP concerned generates Electronic Redemption Request and blocks the units applied for redemption in the NSDL/CDSL system immediately. After this, the investor will not be able to transfer the blocked units to anyone (i.e. cannot transfer to anyone). 5. The Electronic Requests generated up to the stipulated cut off time which is currently 3 pm every day by DPs shall get transmitted from NSDL / CDSL to respective Registrars of Mutual Fund by 4 - 6 pm. 6. All such Electronic Requests transmitted by NSDL / CDSL by 4 - 6 pm everyday are updated in the system at Registrar's end i.e. M/s KFin Technologies Ltd. for further processing. 7. Registrar shall verify and process the requests subject to finding the same in order by a) Nullifying the units by confirming Electronic Repurchase Request; b) Applying NAV based on Date and Time of raising Electronic request by DP's for Redemption Request; c) Remitting Redemption proceeds to investor's bank account (as recorded in demat account) within 3 business days and

Sr. No.	Title	Description
		d) Dispatching an SOA (Statement of Account/Consolidated Account Statement) to the registered address of investor. 8. After the above process is completed, the Registrar will update the respective Depository (i.e. NSDL/ CDSL) about the processing of redemption to enable their DPs to issue Fortnightly/ Monthly Transaction Statement. A Unit holder has in case of physical redemption request for redemption either in terms of Amount or in terms of the number of Units. In case, the redemption request indicates both amount in Rupees and number of Units, the lower of the two in value term will be considered. Where a Rupee amount is specified or deemed to be specified for redemption, the number of Units redeemed will be the equivalent to the amount sought redeemed plus the exit load & applicable Govt levies like STT divided by the redemption price (ie additionally subject to the levy of applicable STT and exit load). In case of difference/ ambiguity in the amount and units mentioned in any request for Redemption/ Switch, the minimum value (of units and amount) on rupee equivalent basis on the Transaction/ applicable NAV date will be considered by the AMC, provided the investor has not furnished any clarification in writing, duly signed on the date of transaction. In the event of investor not having filled in the Amount/ Units in the Transaction Slip, the AMC will redeem/ switch out all the outstanding units in case the Scheme, Plan, Option are clearly mentioned. In case, the investor has not mentioned the plans/ sub-plans etc. in the redemption request specifically where he is having holdings in various plans/sub-plans etc. of the particular scheme, AMC will summarily reject such redemption request if the investor has not furnished any clarification in writing, duly signed on the date of transaction itself, during normal office hours. In case, an Investor fails to mention the complete name of the Scheme upto plan/sub - plan level while making request for redemption/ switch-out, the AMC reserves the right to redeem/ switch-out all/specified desired units/ value provided the investor is having holdings only in one scheme/plan/option and the folio number is clearly mentioned or if he maintains one folio. Otherwise, such

Sr. No.	Title	Description
		incompletely filled requests would be summarily rejected without processing. Investors are requested to note that in case of redemption/switch request, if the number of units or the amount to be redeemed/switched out to any other Scheme of Bank of India Mutual Fund, exceeds the number of outstanding units or value of outstanding units, respectively, then Bank of India Investment Managers Private Limited (the "AMC") shall, at its discretion, redeem/switch out all the outstanding units, if no clarificatory letter is received from the respective investor on the date of the transaction and if the condition of minimum investment amount of switch-in scheme is fulfilled. The number of Units so redeemed will be subtracted from the Unit holder's account and a monthly industry level Mutual Fund Consolidated Account Statement (CAS) containing the details will normally be dispatched / emailed to the Unitholders latest by 15th of subsequent month by NSDL/CDSL in case of Demat Units or by AMFI's appointed Agencies (currently M/s. Manipal Technologies Ltd. or M/s. Seshaa Business Forms Pvt. Ltd.) for mailing/dispatching of physical MF-CAS) for verified PAN cases and by the registrar (i.e. M/s. KFin Technologies Limited) for other cases either through email or physical copy. Further, e-CAS will be issued via email through MF Central app. FIFO Method of redemption/switch-out: In case, an investor has purchased Units on more than one business day, the Units purchased prior in time (i.e. those Units which have been held for the longest period of time), will be deemed to have been redeemed first, i.e. on first in first out basis. Unit holders may also request for repurchase of their entire holding and close the account by indicating the same at the appropriate place in the Transaction Slip/Repurchase form. Uniform process for processing of redemption/switch - out for all the Schemes of the Mutual Fund: All switch funding shall be in line with redemption funding timelines adopted by the concerned scheme i.e. if a scheme follows T+2 payout for redemption, the switch out funding will also be made on T+2 and not earlier or later than T+2,

Sr. No.	Title	Description
		where T is the day of valid transaction received before the stipulated cut off time. Timeline for Dispatch of IDCW (if applicable): The IDCW warrants/proceeds shall be dispatched to the Unit holders within 7 working from the record date for investors under Payout of IDCW facility. Delay in payment of redemption / repurchase / Income Distribution Cum Capital Withdrawal proceeds: The Asset Management Company shall be liable to pay interest to the unitholders at such rate as may be specified by SEBI for the period of such delay (presently @ 15% per annum) if the delay is beyond the SEBI stipulated time which is 3 Business Days currently. In case the AMC delays in dispatching the Income Distribution Cum Capital Withdrawal proceeds beyond 7 working days from the Record Date, it shall pay interest to the unitholders at such rate as may be specified by SEBI for the period of such delay (presently @ 15% per annum).
X.	Plans and Options Plans/Options and sub options under the Scheme	Plans- Direct Plan and Regular Plan Options under each Plan(s): • Growth • Income Distribution cum Capital Withdrawal (IDCW) (Reinvestment of IDCW & payout of IDCW option) Income Distribution and Capital Withdrawal ("IDCW") is at the discretion of the Trustees and subject to available distributable surplus. There will not be any investment by the Scheme in the following instruments:

The Scheme will not invest in Structured Obligations / Credit Enhancements as mentioned in para 12.1 of SEBI master circular dated June 27, 2024.
The Scheme does not intend to invest in Debt instruments with special features as referred to in para no. 12.2 of SEBI circular dated June 27, 2024.
The Scheme will not invest in Credit Default Swap transactions.

Portfolio Rebalancing in case of passive deviation from asset allocation:

Pursuant to para 2.9 of SEBI Master circular dated June 27, 2024, In case of such deviation from mandated asset allocation mentioned in the Scheme Information Document (SID) due to passive breaches (occurrence of instances not arising out of omission and commission of AMCs), the portfolio would be rebalanced within a period of thirty (30)

business days from the date of said deviation for all the schemes other than Overnight, Index and ETF Funds. In case the same is not aligned to the above asset allocation pattern within thirty (30) business days, justification in writing including details of efforts taken to rebalance the portfolio shall be placed before the Investment Committee of the AMC.

The Investment Committee, if so desires, can extend the timelines up to sixty (60) business days from the date of completion of mandated rebalancing period. In case the portfolio of the scheme is not rebalanced within the aforementioned mandated plus extended timelines, AMC shall not be permitted to launch any new scheme till the time the portfolio is rebalanced. The AMC shall not levy exit load, if any, on the investors exiting such scheme. The AMC will comply with the reporting and disclosure requirements as stated in para 2.9 of SEBI Master circular dated June 27, 2024 and other applicable guidelines and circulars issued from time to time.

Pursuant to SEBI circular dated June 26, 2025, the above provisions shall be applicable for all types of passive breaches for the actively managed mutual fund schemes.

Portfolio rebalancing in case of deviation from asset allocation under Defensive consideration:

It may be noted that the asset allocation percentages stated above are only indicative and not absolute. Subject to Regulations, and keeping in view market conditions, market opportunities and political and economic factors, the asset allocation pattern may change from time to time. The Fund Manager may alter the asset allocation for a short term period on defensive considerations as per para 1.14.1.2 of SEBI master circular dated June 27, 2024. The deviations, if any, will be rebalanced within 30 calendar days from the deviation. In case the same is not aligned within 30 calendar days, justification shall be provided to the Investment Committee of the AMC and reasons for the same shall be recorded in writing.

B. WHERE WILL THE SCHEME INVEST

1. Debt and Money Market Instruments:

The corpus of Scheme will be invested in Debt and money market instruments which include but are not limited to:

- a. Debt obligations of the Government of India, state and local governments, government agencies, statutory bodies, public sector undertakings, scheduled commercial banks, non-banking financial companies, development financial institutions, supra-national financial institutions, corporate entities and trusts (which include securitized debt). As regards the investment in Government Securities such securities usually carry sovereign guarantee or guarantee of state government in case of central and state government securities respectively.
- b. Debt and money market securities and such other securities as may be permitted under the Regulations from time to time.
- c. Money market instruments including but not limited to, treasury bills, commercial papers, reverse-repo agreements, TREPs (Tri - Party Repo), CDs (Commercial Deposits) of scheduled commercial banks and development financial institutions, bills of exchange/promissory notes of public sector and private sector corporate entities, government securities with such maturity as indicated in the Asset Allocation Pattern indicated above.

- d. Pass through, Pay through or other Participation certificates, representing interest in a pool of assets including receivables.
- e. The non-convertible part of convertible debt securities.
- f. Derivate instruments like Interest Rate Swaps, Forward Rate Agreements and such other derivative instruments permitted under the Regulations.
- g. The debt securities could be listed, unlisted, privately placed or securitized debt securities including but not restricted to pass through certificates.
- h. Any other instruments as permitted under the Regulations from time to time.
- i. The Scheme will not make investments in Foreign Securitised Debt.
- j. The Scheme will invest only in investment grade securities that are rated investment grade by domestic credit rating agency authorized to carry out such activity such as CRISIL, ICRA, CARE or FITCH or in unrated debt securities, which the Investment Manager believes to be of equivalent quality. Where investment in unrated debt securities is sought to be made, the specific approval of the Board of Directors of the AMC and Trustee shall be obtained prior to investment. In-house research by the Investment Manager will emphasize on credit analysis, in order to determine credit risk. (a) The securities mentioned above and such other securities the Scheme is permitted to invest in, could be listed, unlisted, privately placed, secured, unsecured, rated or unrated and of any maturity bearing fixed-rate or floating coupon rate. The securities may be acquired through Initial Public Offerings (IPOs), secondary market operations, private placement, rights offers or negotiated deals. the Scheme may also enter into repo and reverse repo obligations on Gsecs held by it as per the guidelines and regulation applicable to such transactions pending deployment of funds of the scheme investment in short term deposits of scheduled commercial banks will be as per the provisions of SEBI (Mutual Funds) Regulations, 1996 and relevant SEBI Circulars as amended from time to time.

2. Investments in Securitised Debt:

As and when investment in asset backed securities would be made by the Scheme, following factors would be considered (but not limited to):

A. How the risk profile of securitized debt fits into the risk appetite of the scheme:

Securitized debt is a form of conversion of normally non tradable loans to transferable securities. This is done by assigning the loans to a special purpose vehicle (a trust), which in turn issues (Pass Through Certificates) PTCs. These PTCs are transferable securities with fixed income characteristics. The risk of investing in securitized debt is similar to that of investing in Debt Securities except that it differs in two respects. Typically the liquidity of securitized debt is less than similar Debt Securities. For certain types of securitized debt (backed by mortgages, personal loans, credit card debt, etc.), there is an additional pre-payment risk. Pre-payment risk refers to the possibility that loans are repaid before they are due, which may reduce returns if the re-investment rates are lower than initially envisaged. Because of these additional risks, securitized debt typically offers higher yields than Debt Securities of similar credit rating and maturity. If the fund manager judges that the additional risks are suitably compensated by higher returns, he may invest in securitized debt up to 50% of the net assets of the Scheme.

B. Policy relating to originators based on nature of originator, track record, NPAs, losses in earlier securitized debt, etc.:

The originator is the person who has initially given the loan. The originator is also usually responsible for servicing the loan (i.e. collecting the interest and principal payments). An analysis of the originator is especially important in case of retail loans, as this affects the credit quality and servicing of the PTC. The key risk is that of the underlying assets and not of the originator. For example, loss or performance of earlier issuances does not indicate quality of current series. However, such past performance may be used as a guide to evaluate the loan standards, servicing capability and performance of the originator. Originators may be banks, Non Banking Finance Companies, Housing Finance Companies, etc.

The fund manager/credit analyst evaluates originators based on the following parameters

- Track record
- Willingness to pay, through credit enhancement facilities etc.
- Ability to pay
- Business risk assessment, wherein following factors are considered:
 - Outlook for the economy (domestic and global)
 - Outlook for the industry
 - Company specific factors

In addition, a detailed review and assessment of rating rationale is done, including interactions with the originator as well as the credit rating agency.

The following additional evaluation parameters are used as applicable for the originator / underlying issuer for pool loan and single loan securitization transactions:

- Default track record/ frequent alteration of redemption conditions/covenants
- High leverage ratios of the ultimate borrower (for single-sell downs) - both on a standalone basis as well on a consolidated level/ group level
- Higher proportion of re-schedulement of underlying assets of the pool or loan, as the case may be
- Higher proportion of overdue assets of the pool or the underlying loan, as the case may be
- Poor reputation in market
- Insufficient track record of servicing of the pool or the loan, as the case may be

C. Risk mitigation strategies for investments with each kind of originator:

An analysis of the originator is especially important in case of retail loans as the size and reach affect the credit quality and servicing of the pass through certificates. In addition, the quality of the collection process, infrastructure and follow-up mechanism; quality of management information system; and credit enhancement mechanism are key risk mitigants for the better originators / servicers. In case of securitization involving single loans or a small pool of loans, the credit risk of the underlying borrower is analyzed. In case of diversified pools of loans, the overall characteristic of the loans is analyzed to determine the credit risk. The credit analyst looks at ageing (i.e. how long the loan has been with the originator before securitization) as one way of evaluating the performance potential of the PTC.

Securitization transactions may include some risk mitigants (to reduce credit risk). These may include

interest subvention (difference in interest rates on the underlying loans and the PTC serving as margin against defaults), overcollateralization (issue of PTCs of lesser value than the underlying loans, thus even if some loans default, the PTC continues to remain protected), presence of an equity / subordinate tranche (issue of PTCs of differing seniority when it comes to repayment the senior tranches get paid before the junior tranche) and/ or guarantees.

D. The level of diversification with respect to the underlying assets and measures for less diversified investments:

In case of securitization involving single loans or a small pool of loans, the credit risk of the borrower is analyzed. In case of diversified pools of loans, the overall characteristic of the loans is analyzed to determine the credit risk. The credit analyst looks at ageing (i.e. how long the loan has been with the originator before securitization) as one way of judging the performance potential of the PTC. Additional risk mitigants may include interest subvention, over collateralization, presence of an equity / subordinate tranche and / or guarantees. The credit analyst also uses analyses by credit rating agencies on the risk profile of the securitized debt.

The credit analyst may consider the following risk mitigating measures in his analysis of the securitized debt:

- Size of the loan
- Average original maturity of the pool
- Loan to value Ratio
- Average seasoning of the pool
- Default rate distribution
- Geographical distribution
- Credit enhancement facility
- Liquid facility
- Structure of the pool

E. Minimum retention period of the debt by originator prior to securitization:

Issuance of securitized debt is governed by the Reserve Bank of India. RBI norms cover the "true sale" criteria including credit enhancement and liquidity enhancements. In addition, RBI has proposed minimum holding period of between nine and twelve months for assets before they can be securitized. The minimum holding period depends on the tenor of the securitization transaction. The Scheme will invest in securitized debt that is compliant with the laws and regulations as applicable.

F. Minimum retention percentage by originator of debts to be securitized

Issuance of securitized debt is governed by the Reserve Bank of India. RBI norms cover the "true sale" criteria including credit enhancement and liquidity enhancements, including maximum exposure by the originator in the pass through certificates. In addition, RBI has proposed minimum retention requirement of between five and ten percent of the book value of the loans by the originator. The minimum retention requirement depends on the tenor and structure of the securitization transaction. The Scheme will invest in securitized debt that is compliant with the laws and regulations as applicable.

G. The mechanism to tackle conflict of interest when the mutual fund invests in securitized debt of an originator and the originator in turn makes investments in that particular scheme of the fund

Investments made by the scheme in any asset are done based on the requirements of the scheme and is in accordance with the investment objectives and the asset allocation pattern of a fund. All Investments are made entirely at an arm's length basis with no consideration of any existing / consequent investments by any party related to the transaction (originator, issuer, borrower etc.). The robust credit process ensures that there is no conflict of interests when a scheme invests in securitized debt of an originator and the originator in turn makes investment in that particular scheme.

There might be instances of Originator investing in the same scheme but both the transactions are at arm's length and avoid any conflict of interest. In addition to internal controls in the fixed income investment process, there is regular monitoring by the risk management group and investment committee. Normally the issuer who is securitizing instrument is in need of money and is unlikely to have long term surplus to invest in mutual fund scheme.

Furthermore, there is clear cut segregation of duties and responsibilities with respect to Investment function and Sales function. Investment decisions are being taken independently based on the above mentioned parameters and investment by the originator in the fund is based on their own evaluation of the fund vis a vis their investment objectives.

H. The resources and mechanism of individual risk assessment with the AMC for monitoring investment in securitized debt:

The fund management team has the experience to analyze securitized debt. In addition, credit research agencies provide analysis of individual instruments and pools. On an on going basis (typically monthly) the servicer provides reports regarding the performance of the pool.

These reports would form the base for ongoing evaluation where applicable. In addition, rating reports indicating rating changes would be monitored for changes in rating agency opinion of the credit risk.

3. **Investment in Corporate Debt Market Development Fund ("CDMDF"):** In accordance with the requirement of regulation 43A of SEBI (Mutual Funds) Regulations, 1996 read with SEBI circular no. SEBI/HO/IMD/PoD2/P/CIR/2023/129 dated July 27, 2023 on Investment by Mutual Fund schemes and AMCs in units of Corporate Debt Market Development Fund, scheme shall invest 25 bps of its AUM in the units of CDMDF.

CDMDF Framework-

CDMDF shall comply with the Guarantee Scheme for Corporate Debt (GSCD) as notified by Ministry of Finance vide notification no. G.S.R. 559(E) dated July 26, 2023 and SEBI circular no. SEBI/HO/IMD/PoD2/P/CIR/2023/128 dated July 27, 2023 and circulars / guidelines/ Letters issued by SEBI and AMFI from time to time, which includes the framework for corporate debt market development fund. The framework will inclusive of following points-

- a) The CDMDF shall deal only in following securities during normal times:
 - Low duration Government Securities
 - Treasury bills
 - Tri-party Repo on G-sec

- Guaranteed corporate bond repo with maturity not exceeding 7 days
- b) The fees and expenses of CDMDF shall be as follows:
 - During Normal times: (0.15% + tax) of the Portfolio Value charged on daily pro-rata basis.
 - During Market stress: (0.20% + tax) of the Portfolio Value charged on daily pro-rata basis.
 - "Portfolio Value" means the aggregate amount of portfolio of investments including cash balance without netting off of leverage undertaken by the CDMDF.
- c) Corporate debt securities to be bought by CDMDF during market dislocation include listed money market instruments. The long term rating of issuers shall be considered for the money market instruments. However, if there is no long term rating available for the same issuer, then based on credit rating mapping of CRAs between short term and long term ratings, the most conservative long term rating shall be taken for a given short term rating.
- d) CDMDF shall follow the Fair Pricing document, while purchase of corporate debt securities during market dislocation as specified in SEBI circular no. SEBI/HO/IMD/PoD2/P/CIR/2023/128 dated July 27, 2023 and circulars / guidelines/ Letters issued by SEBI and AMFI from time to time.
- e) CDMDF shall follow the loss waterfall accounting and guidelines w.r.t. purchase allocation and trade settlement of corporate debt securities bought by CDMDF, specified in SEBI circular no. SEBI/HO/IMD/PoD2/P/CIR/2023/128 dated July 27, 2023 and circulars / guidelines/ Letters issued by SEBI and AMFI from time to time.

4. Equity and Equity Related securities

Equity and Equity Related securities include:

- ☐ Convertible bonds and debentures and warrants carrying the right to obtain equity shares;
- ☐ ADRs/GDRs issued by Indian companies and foreign equities or similar/ comparable instruments, Derivative instruments like options and futures on equity securities/ indices;
- ☐ Such other instruments as may be permitted under the Regulations from time to time.

The Scheme may in line with its features also invest in another scheme (equity, debt or otherwise) managed by the AMC or in the scheme of other mutual fund without charging any fees on such investments, provided that aggregate inter-scheme investment made by all schemes managed by the AMC either in its own schemes or of any other mutual fund shall not exceed 5%, or any other permitted limit, of the Net Asset Value of the Fund.

The securities mentioned above and such other securities the Scheme is permitted to invest in could be listed, unlisted, privately placed, secured, unsecured and whether rated or unrated. These securities may be acquired through Initial Public offerings (IPOs), secondary market operations, private placement, rights offers, negotiated deals or otherwise. The Scheme may also enter into repurchase and reverse repurchase obligations in all securities held by it.

5. Investment in units of Mutual Funds schemes:

To avoid duplication of portfolios and to reduce expenses, the Scheme may also invest in debt and liquid schemes managed by the AMC or in the debt and liquid schemes of any other mutual funds (without charging any fees) in conformity with the investment objective of the Scheme and in terms of the prevailing SEBI (MF) Regulations. Provided the aggregate inter-scheme investment made by all the schemes under the same management or in

schemes under management of any other asset management company shall not exceed 5% of the Net Asset Value of the Fund.

6. **Investment in Derivatives:** The Scheme may invest in derivative instruments in accordance with the Regulations, as and when opportunities arise in the derivatives markets.
7. **Investment in Foreign Securities:** The Scheme will not make investments in foreign securities or Foreign Securitized Debt.
8. **Any other instruments / securities, which in the opinion of the fund manager would suit the investment objective of the scheme subject to compliance with extant Regulations.**

The securities mentioned above could be listed, unlisted, publicly offered, privately placed, secured, unsecured, rated or unrated and of varying maturity. The securities may be acquired through public offerings (IPOs), secondary market operations, private placement, rights offers or negotiated deals.

The AMC may undertake inter-scheme transfer subject to Compliance with para 12.30 of SEBI Master circular on inter scheme asset transfer provisions. ‘

The AMC shall ensure Compliance with para 12.9 of SEBI Master circular dated June 27, 2024 on investment limits for investing in HFCs.

DEBT MARKET IN INDIA:

The Indian debt markets are one of the largest such markets in Asia. Government and Public Sector enterprises are predominant borrowers in the market. The major players in the Indian debt markets today are banks, financial institutions, mutual funds, insurance companies, primary dealers, trusts and pension funds. The instruments in the market can be broadly categorized as those issued by corporates, banks, financial institutions and those issued by state/ central governments.

The debt markets are developing fast, with the rapid introduction of new instruments including derivatives. Foreign Institutional Investors are also allowed to invest in Indian debt markets now. According to National Stock Exchange, the market capitalization of the Indian Bond markets is approximately ~INR 215 trillion as on March 31, 2025. The money markets in India essentially consist of the Treasury bills (T-bills), Commercial Papers (CPs), Certificate of Deposits (CDs), Bill Rediscounting (BRD) and Tri Party Repos (TREPS).

The Government of India (GOI) routinely issues both T-bills and government securities for liquidity and fiscal management. The T-bills are issued as a discount to their face value whereas the government securities are issued as coupon bearing securities. The GOI had issued certain Zero Coupon Bonds (ZCB) in the past. Both the T-bills and the coupon bearing government securities are issued by RBI on behalf of GOI. Total Outstanding in the Government securities market on March 31, 2025 was INR ~178 Trillion INR (source: RBI Site). The Corporate bond market is also fast developing with greater number of corporates raising capital through issuances of non-convertible debentures and commercial papers. The corporates are issuing both dated coupon bearing and floating rate NCDs. The debentures and CPs are rated by rating agencies. Some of the capital is even raised through the private placement route. Of late the money market segment of the Indian debt

market has become liquid and the longer dated bonds and debentures are less liquid in comparison. Currently, the corporate sector is issuing floating rate debentures linked both to the MIBOR and the INBMK (Indian G-Sec benchmark). The debt market presently offers a variety of short term and medium term instruments with different risk and return characteristics. The various instruments currently available for investments and their indicative yield are (as on September 30, 2025):

Instrument	Tenor	Yield (%)	Liquidity
T-Bills	91 days	5.40-5.50	High
	364 days	5.60-5.70	High
Commercial Papers	3 months	6.30-6.70	Medium
	6 months	6.60-6.80	Medium
	12 months	6.75-7.00	Low
Government Securities	1 year	5.70-5.80	Medium
	5 year	6.15-6.25	High
	10 years	6.45-6.55	High
Corporate Security	1 year	6.60-6.80	Medium
	2 years	6.70-6.90	Medium
Floating Rate Securities	1 Year +	Mibor/INBMK +	Very Low

C. WHAT ARE THE INVESTMENT STRATEGIES

In order to achieve the objective of regular income, a substantial portion of the net assets of the scheme will be invested in Debt and Money market instruments. The Scheme also seeks to generate long term capital appreciation by investing upto 10% to 25% of the net assets in equity and equity related securities. The funds would be managed keeping in view the Scheme objectives.

Investment Decisions

(a) Debt Securities:

The Fund Manager will follow a disciplined investment process to meet the Scheme specific investment objectives. He will endeavor to construct a well- diversified, high credit portfolio that minimizes liquidity risk and credit risk. The Fund Manager shall evaluate all the investment proposals to ensure that the credit risk is kept at the minimum level. The portfolios will be constructed in such a manner that the obligations to the investors are met at all points in time and under all circumstances. The alpha to the portfolio will be generated by managing the interest rate risk across different asset classes and duration buckets. The funds would be managed keeping the Scheme's objectives in mind and with a long term investment horizon for the fund.

Investment Process

The investment process will be a five stage process as outlined in the above diagram. The process will be research oriented. It will comprise of qualitative as well as quantitative research. Macroeconomic call will be taken on interest rate direction through detailed analysis of various influencing factors like inflation, money supply, government borrowing, private sector borrowing, currency market movement, central bank policy, domestic fiscal and monetary policy, global interest rate scenario and market sentiment. Interest rate direction call will be supplemented by technical analysis of market and short term influencing factors like trader position, auction/issuance of government/corporate securities, release of economic numbers etc. Interest rate direction call and anticipation of yield curve movement will form the basis of portfolio positioning in duration terms. Holding period return analysis will decide the portfolio selection.

Credit research will be done on a regular basis for all companies. Credit research will include reports as well as rating rationales and other inputs from external agencies. Both qualitative and quantitative inputs will form part of the final decision. Internal credit exposure limits, both for individual companies and groups and counterparty exposure limits for repo transactions will be part of the approved list from the risk management team.

Asset allocation will be determined based on holding period detail analysis of spread movement across different asset classes over different time periods and time buckets.

Depending on the Investment Manager's views, the Scheme may invest in domestic securitized debt such as ABS or MBS or Single Loan PTCs. Investments into such asset classes will be made only after due consideration to factors such as but not limited to the securitization structure, quality of underlying receivables, credentials of the servicing agent, level of credit enhancement, liquidity factor, comparative returns provided by the securitized paper etc.

Members of the Investment team comprising Head of Fixed Income and fund managers will continuously review and analyze market movement, events and news. Trading strategy and asset allocations will be decided and reviewed on a proactive basis. The Investment team will closely coordinate with Risk Management team for all credit related issues and exposures. The Investment team at all points in time will work in a manner to maintain flexibility and responsiveness to the constantly evolving market conditions.

(b) Equity and Equity Related Instruments:

The Scheme would follow an actively managed approach allowing it the flexibility to pursue opportunities across the entire market capitalization spectrum, from smaller companies to well-established large-cap companies, without having any bias in favour of sectoral allocations or market capitalization. The investment environment, valuation parameters and other investment criteria will determine the allocation and the investment style.

The Fund Manager would follow a top down approach to shortlist stocks for portfolio construction in line with the process outlined below. Under the top down process the Fund Manager would look

at the global and Indian economy and the domestic policy environment and stock valuations. This would result in identification of themes which have a potential to outperform. The final stock selection process would be a bottoms-up process wherein stocks from the short listed themes would be picked up based on valuations. For asset allocation, the Fund Manager would take the help of qualitative framework of MVPS (Macro, Valuation, Policy and Sentiment). Sentiment would be gauged from factors like the positive/negative breadth of the market, inflows/outflows into equity mutual funds and FPI buying/selling figures.

Under normal market conditions and depending on the Fund Manager's views, the assets of the Scheme would be invested across stocks that represent a broad range of sectors of the economy in order to ensure adequate portfolio diversification.

Investment Process: Clear 5 Step Process

Process Step	Step 1	Step 2	Step 3	Step 4	Step 5
Output	Screening the entire equity universe based on quantitative and qualitative criteria	A Focus List of attractive stocks Stocks identified based on industry	Asset allocation in accordance with the MVPS framework.	Portfolio Construction in accordance with Product Positioning and the outcome of	Risk reports Adherence to Product Positioning and process
Decision Process: Parameters / Owners	Quantitative + Qualitative	Industry + Company approach	Equities Team	Fund Manager	Risk Committee / Local Control

The strategy for alpha generation would be through:

- concentrated sector exposure and portfolio size, and
- following the philosophy of Growth at a reasonable price (GARP) in stock picking

The investment decisions for the Scheme will be taken by the Fund Manager, which will be consistent with the regulatory requirements and the investment objectives of the Scheme. The Fund may additionally observe such internal guidelines as may be prescribed by the Boards of the AMC / Trustee or any internal committee. Subject to above, the day to day investment management decision will solely be of the Fund Manager of the Scheme.

All investment decisions shall be recorded. Where an investment is proposed to be made for the first time in any scrip, this will be preceded by making a detailed report justifying such investment.

The performance of the Scheme shall be reviewed by Investment Committee comprising Chief Executive Officer, Chief Investment Officer, Head-Equity, Head-Fixed Income, Head - Compliance,

Head - Operations and Head - Risk at periodic intervals. -Performance of the Scheme will be also discussed and reviewed by the Boards of the AMC and the Trustee respectively, or any designated Committees, including performance vis-à-vis benchmark indices/ peer group.

Portfolio Turnover Policy:

Portfolio turnover is the aggregate volume of purchases and sales as a percentage of the corpus of the under the Scheme during a specified period of time. The portfolio turnover in the Scheme will be a function of inflows, outflows as well as market opportunities available to the Fund Manager.

Consequently, it is difficult to estimate with any reasonable measure of accuracy, the likely turnover in the portfolios. It will be the endeavour of the Fund Manager to keep the portfolio turnover rates as low as possible. Active asset allocation would impact portfolio turnover.

D. HOW WILL THE SCHEME BENCHMARK ITS PERFORMANCE

The Scheme's performance would be benchmarked against CRISIL Hybrid 85+ 15 - Conservative Index. The benchmark is most suited for comparing the performance of the Scheme. The composition of the aforesaid benchmark is such that it is most suited for comparing the performance of the Scheme.

Also, as required under Para 1.9 of SEBI Master circular No. SEBI/HO/IMD/IMD-PoD1/P/CIR/2023/74 dated June 27, 2024, the benchmark has been selected from amongst those notified by AMFI as the first-tier benchmark to be adopted by mutual funds.

The AMC and the Trustee may mutually agree to change the benchmark index or select an additional benchmark index after recording reasons for such change and by following required regulatory process.

The Scheme performance are reviewed by Investment Committee at its monthly meeting. The Board of AMC & Trustee also discuss the Scheme Performance with the respective benchmarks in its meetings.

vi. Investments of AMC in the Scheme

For details on investment of AMC in the Scheme, following link can be referred:

The AMC shall not invest in any of the schemes unless full disclosure of its intention to invest has been made in the Scheme Information Document and that the AMC shall not be entitled to charge any fees on such investment.

The AMC and investment companies managed by the Sponsor(s), their associate companies and subsidiaries may invest either directly or indirectly in the Scheme. The associates, the Sponsor, subsidiaries of the Sponsor and/or the AMC may acquire a substantial portion of the Scheme's units and collectively constitute a major investment in the Scheme. Consequently, in the event of repurchase of units held by such associates and Sponsor, there be an adverse impact on the units of the Scheme as the timing of such repurchase may impact the ability of other unitholders to repurchase their units. The AMC reserves the right to invest its own funds in the Scheme as may be decided by the AMC from time to time.

The AMC may invest in the Scheme at any time during the NFO and continuous offer period subject to the SEBI Regulations & circulars issued by SEBI and to the extent permitted by its Board of Directors from time to time. As per the existing SEBI Regulations, the AMC will not charge investment management and advisory fee on the investment made by it in the Scheme.

Further, the AMC shall based on the risk value assigned to the scheme, shall invest minimum amount as a percentage of assets under management of the scheme, Pursuant to para-No. 6.9.2 of SEBI Master Circular dated

June 27, 2024.

PART III- OTHER DETAILS

A. COMPUTATION OF NAV

Valuation of assets, computation of NAV, repurchase price and their frequency of disclosure will be in accordance with the provisions of SEBI (Mutual Funds) Regulations 1996/ Guidelines/ Directives issued by SEBI from time to time. The NAV of the Units of the Scheme will be computed by dividing the net assets of the Scheme by the number of Units outstanding on the valuation date.

$$\text{NAV (Rs .Per unit)} = \frac{\text{Market or Fair Value of the Scheme's Investments + Other Assets (including accrued interest) - Current Liabilities \& Provisions}}{\text{Number of Units Outstanding under the Scheme at the end of the day}}$$

The NAV will be calculated up to 2 decimals using standard rounding criteria. The NAV will be computed and announced for each Business Day. The NAV shall be calculated and announced on a daily basis. The NAVs of Growth Option and IDCW Option will be different after the declaration of the first IDCW.

The IDCW paid on units of the Scheme(s) Fund shall be deducted in computing the NAV of the Scheme(s), each time a IDCW is declared and till it is distributed.

NAV Illustration on NAV computation:

Assumptions - on the day of calculation of NAV:

Particulars	Amount (In Rs.)
Market or Fair Value of the Scheme's Investments	1000
Add: Current Assets	1000
Less: Current Liabilities and Provisions	300
Net Assets	1700

No of units outstanding in the plan = 100

The NAV per unit will be computed as follows: $1700/100 = \text{Rs. 17 per unit}$.

The Fund shall value its investments according to the valuation norms, as specified in Schedule VIII of the Regulations, or such norms as may be prescribed by SEBI from time to time.

Methodology for computation of sale and re-purchase price of the units of mutual fund scheme:

Let's assume that an investor has invested Rs. 100,000 in a Mutual Fund Scheme on April 01, 2024, at a NAV of Rs. 10/- per unit and the exit load structure of the scheme is:

- For exit on or before 12 months from the date of allotment - 1.00%
- For exit after 12 months from the date of allotment - Nil.

Purchase of Mutual Fund units:

Number of units allotted = $\frac{\text{Amount invested}}{\text{NAV of scheme as on date of investment}}$
At the time of purchase of units

$$\frac{1,00,000}{10} = 10,000 \text{ units}$$

As per existing Regulations, no entry load is charged with respect to applications for purchase / additional purchase of mutual funds units.

Redemption/Re-purchase of mutual fund units

In case of redemption, the amount payable to the investor shall be calculated as follows:

(Current value of the holding) - (Exit Load applicable)

where, Current value of the holding = No. of units as on the date * NAV as on the date

Exit Load applicable = Current value of the holding * Exit Load %

Scenario 1: Redemption is done during applicability of exit load

Assume that the investor has requested for redemption of all the units (i.e. 10,000 units), on or before 12 months from the date of allotment i.e. on or before March 31, 2024, the redemption amount payable to investor shall be calculated as follows:

Say in this example the redemption request is done on December 1, 2023; when the NAV of the scheme was Rs. 12/- and the exit load applicable is 1%, so the Redemption amount payable to investor shall be calculated as follows:

Current value shall be = 10,000 units * Rs. 12/- = Rs. 120,000/-

Exit load applicable = Rs. 120,000 * 1% = Rs. 1200/-

Redemption amount payable to investor = Current value of the holding - Exit Load applicable
= Rs. 120,000 - Rs. 1200 = Rs. 118,800/-

Scenario 2: Redemption is done if the exit load is NIL

Assume that the investor has requested for redemption of all the units (i.e. 10,000 units), after 12 months from the date of allotment i.e. after March 31, 2024, the redemption amount payable to investor shall be calculated as follows:

Say in this example the redemption request is done on April 1, 2024; when the NAV of the scheme was Rs. 12 and the exit load applicable is NIL, so the Redemption amount payable to investor shall be calculated as follows:

Current value shall be = 10,000 units * Rs. 12/- = Rs. 120,000/-

Exit load applicable = NIL

Redemption amount payable to investor = Current value of the holding - Exit Load applicable
= Rs. 120,000 - NIL = Rs. 120,000/-

The aforesaid example does not take into consideration any applicable statutory levies or taxes. Accordingly, the redemption amount payable to investor shall further reduce to the extent of applicable statutory levies or taxes.

The AMC shall update the NAVs on the website of Association of Mutual Funds in India -AMFI (www.amfiindia.com) by 11.00 p.m. or such other time as may be mandated by SEBI, on a daily basis. In case of any delay, the reasons for such delay will be explained to AMFI and, if so mandated, SEBI, by the next day. If the NAVs are not available before commencement of business hours on the following day due to any reason, the Fund shall issue a press release providing reasons and explaining when the Fund will be able to publish the NAVs.

As required under the Regulations, the fund shall ensure that the repurchase price of an open ended scheme is not lower than 95% of the Net Asset Value. For other details such as policies w.r.t computation of NAV, rounding off, investment in foreign securities, procedure in case of delay in disclosure of NAV etc. refer to SAI.

NEW FUND OFFER (NFO) EXPENSES

These expenses are incurred for the purpose of various activities related to the NFO like sales and distribution fees, marketing and advertising expense, registrar expenses, printing and stationary, bank charges etc. The NFO expenses shall be borne by the AMC/Trustee/Sponsor and not by the Scheme of the Mutual Fund. The AMC will ensure that no NFO expenses will be charged to the Scheme.

B. ANNUAL SCHEME RECURRING EXPENSES

These are the fees and expenses for operating the scheme. These expenses include Investment Management and Advisory Fee charged by the AMC, Registrar and Transfer Agents' fee, marketing and selling costs etc. as given in the table below:

The AMC has estimated that upto 2.00 % of the daily net assets of the scheme will be charged to the scheme as expenses For the actual current expenses being charged, the investor should refer to the website of the mutual fund (<https://www.boimf.in/investor-corner#t4>).

As per the Regulations, the maximum recurring expenses excluding issue or redemption expenses, whether initially borne by the Fund or by the AMC but including investment management and advisory fee that can be charged to the Scheme shall be subject to a percentage limit of daily net assets as in the table below:

Expense Head	% p.a. of daily Net Assets* (Estimated p.a.)
Investment Management & Advisory Fee	
Audit fees/fees and expenses of trustees	
Custodial Fees	
Registrar & Transfer Agent Fees including cost of providing account statements / IDCW / redemption cheques/ warrants	
Marketing & Selling Expenses including Agents Commission and statutory advertisement	
Costs related to investor communications	
Costs of fund transfer from location to location	

Expense Head	% p.a. of daily Net Assets* (Estimated p.a.)
Cost towards investor education & awareness	Upto 2.00%
Brokerage & transaction cost pertaining to distribution of units	
Goods & Services Tax on expenses other than investment and advisory fees	
Goods & Services Tax on brokerage and transaction cost	
Other Expenses (to be specified as per Reg 52 of SEBI MF Regulations)	
Maximum Total expenses ratio (TER) permissible under Regulation 52 (6) (c)	Upto 2.00%
Additional expenses under Regulations 52(6A)(c) #	Upto 0.05%
Additional expenses for gross new inflows from specified cities	Upto 0.30%

In terms of para 10.1 of SEBI Master circular dated June 27, 2024, in case exit load is not levied / not applicable, the AMC shall not charge the said additional expenses. However, the scheme has exit load and hence, the AMC is allowed to charge.

* SEBI vide its letter no. SEBI/HO/IMD-SEC-3/P/OW/2023/5823/1 dated February 24, 2023 and AMFI letter dated No. 35P/MEM-COR/85-a/2022-23 dated March 02, 2023 has directed AMCs to keep B-30 incentive structure in abeyance with effect from March 01, 2023 till further notice. Accordingly, the B-30 incentive structure shall be implemented as per SEBI/AMFI directions from time to time.

The purpose of the table is to assist the investor in understanding the various costs and expenses to be borne by the Scheme. Apart from the above expenses, any other expenses which are directly attributable to the Scheme, may be charged with the approval of the Trustee within overall limits as specified in the Regulations except those expenses which are specifically prohibited.

Investment Management and Advisory Fees charged by the AMC to the Scheme shall be within the total expense limit as prescribed under Regulation 52 of the Regulations with no sub-limits on said management and advisory fees.

The annual total of all permissible recurring charges and expenses of the Scheme including Investment Management and Advisory Fees as mentioned in the above table, shall be subject to the following limits as specified in Regulation 52(6) of the Regulations:

Scheme's daily net assets (Amount Rs.)	Maximum Permissible Annual Recurring charges and expenses (% of daily net Assets)
On first Rs. 500 crore of the daily net assets	2.00%
On the next Rs. 250 crore of the daily net assets	1.75%
On the next Rs. 1250 crore of the daily net assets	1.50%
On the next Rs. 3,000 crore of the daily net assets	1.35%
On the next Rs. 5,000 crore of the daily net assets	1.25%
On the next Rs. 40,000 crore of the daily net assets	TER reduction of 0.05% for every increase of ` 5,000 crores or part thereof
On the balance of net assets	0.80%

Provided that the expenses as per the list as provided by AMFI, which are very small in value but high in volume may be paid out of AMC's books. Such expenses can be paid out of AMC's books at actuals or not exceeding 2 bps of the scheme AUM, whichever is lower. Such expenses incurred by AMC would be properly recorded and audited in the books of account of AMC at year end.

Further, in addition to the limits prescribed in the Regulation 52 (6) of the SEBI (Mutual Funds) Regulations, the following additional costs/expenses may also be charged to the scheme:

(a) Additional expenses, not exceeding 0.05% of daily net assets may be charged to the Scheme(s), incurred towards Investment Management and Advisory Fees and the various sub-heads of recurring expenses mentioned under Regulation 52 (2) and (4) respectively of the SEBI (Mutual Funds) Regulations, in addition to the limits on total expenses prescribed of Regulation 52(6) of the SEBI (Mutual Funds) Regulations; except where exit load is not levied / not applicable to the Scheme;

(b) expenses not exceeding of 0.30 per cent of daily net assets, if the new inflows from retail investors from such cities as specified by SEBI/ AMFI from time to time are at least -

- i. 30 per cent of gross new inflows in the scheme, or;
- ii. 15 per cent of the average assets under management (year to date) of the scheme, whichever is higher

Provided that if inflows from retail investors from such cities is less than the higher of sub-clause (i) or sub-clause (ii), such expenses on daily net assets of the scheme shall be charged on proportionate basis:

Provided further that expenses charged under this clause shall be utilised for distribution expenses incurred for bringing inflows from such cities:

Provided further that amount incurred as expense on account of inflows from such cities shall be credited back to the scheme in case the said inflows are redeemed within a period of one year from the date of investment; The additional TER in terms of Regulation 52(6A)(b) of SEBI (Mutual Funds) Regulations, 1996 shall be charged upto 30 basis points on daily net assets of the scheme based on inflows only from retail investors beyond Top 30 cities (B 30 cities). Inflows of amount upto Rs. 2,00,000 per transaction by individual investors shall be considered as inflows from retail investors. Top 30 cities shall mean top 30 cities based on Association of Mutual Funds in India (AMFI) data on 'AUM by Geography - Consolidated Data for Mutual Fund Industry' as at the end of the previous financial year.

The additional commission for B 30 cities shall be paid as trail only.

Further, GST on investment and advisory fees to the scheme shall be charged in addition to the Total Expense Ratio as mentioned above.

Additionally at least 2 basis points on daily net assets within the maximum limit of overall expense Ratio (as mentioned in the above table) shall be annually set apart for investor education and awareness initiatives.

Investors should further note that the AMC reserves the right to charge a higher percentage of Investment and Management Fees than as mentioned in the SID but within the overall total expense ratio mentioned for the Scheme.

Further, brokerage and transaction cost incurred for the purpose of execution shall be charged to the schemes as provided under Regulation 52 (6A) (a) upto 12 bps and 5 bps for cash market transactions and derivatives transactions

respectively. Any payment towards brokerage & transaction costs, over and above the said 12 bps and 5 bps for cash market transactions and derivatives transactions respectively may be charged to the Scheme within the maximum limit of Total Expense Ratio (TER) as prescribed under Regulation 52 of the SEBI (Mutual Funds) Regulations, 1996.

The TER of the Direct Plan will be atleast lower to the extent of the distribution expenses/ commission which is charged in the Regular Plan. The Direct Plan shall also have separate NAV.

The total expense ratios of the schemes of the Fund are available in downloadable spreadsheet format on the AMC website and AMFI website. Any change in the current expense ratios will be updated at least three working days prior to the effective date of the change. For the total expense ratio details of the Scheme, investors may visit <https://www.boimf.in/investor-corner#t4> available on the website of the AMC viz., www.boimf.in and AMFI's website viz., www.amfiindia.com.

ILLUSTRATION OF IMPACT OF EXPENSE RATIO ON SCHEMES RETURNS:

Expense ratio, normally expressed as a percentage of Average Assets under Management, is calculated by dividing the permissible expenses under the Regulations by the average net assets. To further illustrate the above, for the Scheme under reference, suppose an Investor invested Rs. 1,00,000/- (after deduction of stamp duty and transaction charges, if any) under the Growth Option, the impact of expenses charged will be as under:

Particular	Regular Plan	Direct Plan
Amount invested at the beginning of the year (Rs.)	1,00,000/-	1,00,000/-
Returns before expenses (Rs.)	8,000/-	8,000/-
Expenses other than Distribution expenses (Rs.)	250/-	250/-
Distribution expenses (Rs.)	50/-	0/-
Returns after expenses at the end of the year (Rs.)	7,700/-	7,750/-
Return (in %)	7.70%	7.75%

Above illustration is a simplified calculation to show the impact of the expense charged on the performance to the scheme. In the above illustration total expense charged to the scheme has been mentioned in INR. As per the SEBI regulation, expense to the scheme is charged on daily basis on the daily net assets and as per the percentage limits specified in the SEBI regulations.

Illustration is given to understand the impact of expense ratio on a scheme return and this should not be construed as an indicative return of the scheme.

C. LOAD STRUCTURE

Exit Load is an amount which is paid by the investor to redeem the units from the scheme. Load amounts are variable and are subject to change from time to time. For the current applicable structure, please refer to the website of the AMC (<https://www.boimf.in/siddisclosures/load-structure>) or may call at (1800 - 266 - 2676 & 1800 - 103 - 2263) or your distributor.

Type of Load	Load chargeable (as %age of NAV)
Exit	For redemption/switch out of the initial units allotted -within 3 months from the date of allotment: "1% of Exit Load"

Type of Load	Load chargeable (as %age of NAV)
	Any redemption/switch out from the date of allotment of units after 3 months-Nil)
Entry	No entry Load shall be charged to the Scheme.

As required under the Regulations, the fund shall ensure that the repurchase price of an open ended scheme is not lower than 97% of the Net Asset Value.

- The entire exit load (net of GST), if any shall be credited to the Scheme.
- No Entry / Exit Loads will be chargeable in case of switches made between different options of a Scheme.
- Exit Load will be computed basis the amount of redemptions made by an investor/Unitholder.
- Redemption of investments made through SIP, STP, switch or other facilities will also attract Exit Load as applicable except otherwise specified.
- In terms of SEBI circular no. SEBI/IMD/CIR No.4/ 168230/09 dated June 30, 2009, no Entry Load will be charged to any purchase applications (including additional purchases and switch-ins). Direct Applications will also not attract any Entry Load. Upfront commission shall be paid directly by the investor to the AMFI registered Distributors based on the investors' assessment of various factors including the service rendered by the distributor.
- Where investments were made directly i.e. without any distributor code, exit load will not be levied on switch of Units from Regular Plan to Direct Plan.
- No exit load shall be levied in case of switch of Units from Direct Plan to Regular Plan.
- For any change in Load structure, AMC will issue an addendum and display it on the AMC Website immediately and circulated to all Investor Service Centres for inclusion in the existing copies.
- Units issued on reinvestment of IDCW shall not be subject to exit load.
- The Trustee reserves the right to modify / alter the Load structure under the Scheme and may decide to charge a Load or revised Load or introduce a differential Load structure on the Units prospectively subject to the following:
 - Any imposition or enhancement in the Load shall be applicable on prospective investments only.
 - The addendum detailing the changes may be attached to Scheme Information Documents and key information memorandum. The addendum may be circulated to all the distributors/brokers so that the same can be attached to all Scheme Information Documents and key information memoranda already in stock.
 - Arrangements may be made to display the addendum in the Scheme Information Document in the form of a notice in all the investor service centres and distributors/brokers office.
 - The introduction of the Exit Load along with the details may be stamped in the acknowledgement slip issued to the investors on submission of the application form and may also be disclosed in the statement of accounts issued after the introduction of such Load.

I. INTRODUCTION

A. Definitions/interpretation

For detailed description on Definitions/Interpretation, investors are requested to refer the following link on our website:

B. Risk factors

I. Standard Risk Factors

1. Investment in Mutual Fund Units involves investment risks such as trading volumes, settlement risk, liquidity risk, default risk including the possible loss of principal.
2. As the price / value / interest rates of the securities in which the Scheme invests fluctuates, the value of your investment in the Scheme may go up or down. As with any investment in stocks, shares and securities, the NAV of the Units under the Scheme can go up or down, depending on the factors and forces affecting the capital markets.
3. Past performance of the Sponsor/AMC/Mutual Fund does not guarantee future performance of the Scheme.
4. Bank of India Conservative Hybrid Fund is only the name of the Scheme and do not in any manner indicate either the quality of the Scheme or its future prospects and returns.
5. While the Scheme will endeavour to declare IDCW on scheduled frequencies, however, there is no guarantee or assurance that such IDCW will be declared / paid and such declaration / payment is entirely subject to availability of distributable surplus.
6. The Sponsor is not responsible or liable for any loss or shortfall in Scheme's corpus arising or resulting from the operation of the Scheme, beyond the initial contribution of Rs. 1,00,000/- (Rupees One Lakh only) made by it to the Fund at the time of settling the Mutual Fund. The Associates of the Sponsor are not responsible or liable for any loss or shortfall resulting from the operation of the Scheme.
7. The present Scheme is not a guaranteed or assured return scheme and investors in the Scheme are not being offered any guaranteed / assured return.
8. Statements/Observations made in this Scheme Information Document are subject to the laws of the land as they exist at any relevant point of time.
9. Mutual Funds and securities investments are subject to market risks and the NAVs of the units issued under the scheme may go up or down depending on the factors and forces affecting the capital markets.
10. Growth, appreciation, dividend and income, if any, referred to in this Scheme Information Document are subject to the tax laws and other fiscal enactments as they exist from time to time.

II. Scheme Specific Risk Factors & Special Considerations:

(a) Risk associated with investments in Bonds/Fixed Income Instruments:

1. Fixed Income instruments may be subject to price volatility due to factors such as changes in interest rates, general level of market liquidity and market perception of credit worthiness of the issuer of such instruments.
2. Investments in money market instruments involve a moderate credit risk i.e. risk of an issuer's ability to meet the principal payments. Additionally, money market securities, while are fairly liquid, lack a transparent secondary market, which may restrict the selling ability of the Scheme and may lead to the Scheme incurring losses till the security is finally sold.
3. The liquidity of investments made in the Scheme may be restricted by trading volumes and settlement periods. Different segments of the Indian financial markets have different settlement periods and such periods may be extended significantly by unforeseen circumstances. Delays or other problems in settlement of transactions could result in temporary periods when the assets of the Scheme are uninvested and no return is earned thereon. The inability of the Scheme to make intended securities purchases, due to settlement problems, could cause the Scheme to miss certain investment opportunities. By the same token, the inability to sell securities held in the Scheme's portfolio, due to the absence of a well developed and liquid secondary market for debt securities, could result, at times, in potential losses to the Scheme, should there be a subsequent decline in the value of the securities held in the Scheme's portfolio.
4. Fixed Income securities can either be listed on any exchange or be unlisted. It has been seen over the years that the price discovery in case of listed securities is much quicker and transparent. Moreover, securities that are listed on the stock exchange carry lower liquidity risk, but the ability to sell these investments is limited by the overall trading volume on the stock exchanges. Now-a-days money market securities are fairly liquid, but lack a well- developed transparent secondary market, which may restrict the selling ability of the Scheme and may lead to the Scheme incurring losses till the security is finally sold. This holds true when the Scheme is looking to purchase securities as well. Corporate debt market transactions in the primary and secondary market is an over the telephone market, which leads to poor price discovery and transparency. There are risks inherent in securities lending, including the risk of failure of the other party, in this case the approved intermediary to comply with the terms of the agreement. Such failure can result in a possible loss of rights to the collateral, the inability of the approved intermediary to return the securities deposited by the lender and the possible loss of corporate benefits accruing thereon. The NAV of the Scheme's Units, to the extent the Scheme is invested in coupon bearing fixed income securities, will be affected by changes in the general level of interest rates. When interest rates decline, the value of a portfolio of fixed income securities can be expected to rise. Conversely, when interest rates rise, the value of a portfolio of fixed income securities can be expected to decline. In case of floating rate securities it depends upon the frequency of the coupon reset.
5. Securities which are not quoted on the stock exchanges are inherently illiquid in nature and carry a larger liquidity risk in comparison with securities that are listed on the exchanges or offer other exit options to the investors, including put options. The AMC may choose to invest in unlisted securities that offer attractive yields within the regulatory limit. This may however increase the risk of the portfolio. The liquidity and valuation of the Scheme's investments due to its holdings of unlisted securities may be affected if they have to be sold prior to their target date of divestment.

6. Investment decisions made by the Investment Manager may not always be profitable.
7. The liquidity of the scheme is inherently restricted by trading volumes in securities in which it invests.
8. Different types of securities in which the Scheme would invest as given in the SID carry different levels and types of risk. Accordingly, the Scheme's risk may increase or decrease depending upon its investment pattern. E.g. corporate bonds carry a higher amount of risk than Government securities. Further, even among corporate bonds, bonds which are rated AAA are comparatively less risky than bonds which are AA rated.
9. **Interest Rate Risk:** As with all debt securities, changes in interest rates will affect the Scheme's Net Asset Value as the prices of securities generally increase as interest rates decline and generally decrease as interest rates rise. Prices of long term securities generally fluctuate more in response to interest rate changes than of short-term securities. Interest rate movements in the Indian debt markets can be volatile leading to the possibility of large price movements up or down in debt and money market securities and thereby to possibly large movements in the NAV.

In the case of floating rate instruments, an additional risk could arise because of the changes in the spreads of floating rate instruments. With the increase in the spread of floating rate instruments the prices can fall and with the contraction in the spreads of the floating rate instruments the prices can rise, other parameters being unchanged. Moreover, floating rate instruments which have periodical interest rate reset carry lower interest rate risk compared to a fixed rate debt instrument. However, in a falling interest rate scenario the returns on floating rate debt instruments may not be better than those on fixed rate debt instruments.

10. **Liquidity or Marketability Risk:** This refers to the ease at which a security can be sold at or near its true value. The primary measure of liquidity risk is the spread between the quoted bid price and the offer price quoted by a dealer. Liquidity risk is characteristic of the Indian fixed income market. Trading volumes, settlement periods and transfer procedures may restrict the liquidity of some of these investments. Different segments of the Indian financial markets have different settlement periods, and such periods may be extended significantly by unforeseen circumstances. The length of time for settlement may affect the Scheme in the event: (a) it has to meet an inordinately large number of redemptions, or (b) of restructuring of the Scheme's investment portfolio. Securities that are unlisted also carry a higher liquidity risk compared to listed securities.
11. **Credit Risk:** Credit risk or default risk refers to the risk that an issuer of a fixed income security may default (i.e., will be unable to make timely principal and interest payments on the security). However, even if no default occurs, the price of a security may go down because the credit rating of an issuer goes down. It must, however, be noted that where the Scheme has invested in Government Securities, there is no credit risk to that extent. However, corporate debt carries a higher risk and trades at a level higher than corresponding G-secs.

Normally, the value of a fixed income security will fluctuate depending upon the actual changes in the perceived level of credit risk as well as the actual event of default. Different types of securities in which the Scheme is invested carry different levels and types of risk. The credit risk in respect of Scheme assets portfolio thus may go up or down on its investment pattern.
12. **Re-investment Risk:** This risk refers to the interest rate levels at which cash flows received from the securities in the Scheme or from maturities in the Scheme are re-invested. The additional income from re-investment is the "interest on interest" component. The risk would arise if the above cash flows would have to be re-invested

at lower interest rates than originally assumed as per the calculation of the YTM.

13. **Repurchase Risk:** The Scheme is open-ended. To provide liquidity to the investors, the Fund proposes to provide repurchase facility in the Scheme on every Business Day.

14. Backstop facility in form of investment in Corporate Debt Market Development Fund (CDMDF):

a. CDMDF is set up as a scheme of the Trust registered as an Alternative Investment Fund ('AIF') in accordance with the SEBI (Alternative Investment Funds) Regulations, 2012 ("AIF Regulations"). The objective of the CDMDF is to help to develop the corporate debt market by providing backstop facility to instill confidence amongst the market participants in the corporate debt/bond market during times of market dislocation and to enhance the secondary market liquidity. In times of market dislocation, CDMDF shall purchase and hold eligible corporate debt securities from the participating investors (i.e., specified debt-oriented MF schemes to begin with) and sell as markets recover. The CDMDF will thus act as a key enabler for facilitating liquidity in the corporate debt market and to respond quickly in times of market dislocation. The trigger and period for which the backstop facility will be open shall be as decided by SEBI. Thus this backstop facility will help fund managers of the aforementioned Schemes to better generate liquidity during market dislocation to help the schemes fulfill liquidity obligations under stress situation.

b. In accordance with the requirement of regulation 43A of SEBI (Mutual Funds) Regulations, 1996 read with SEBI circular no. SEBI/HO/IMD/PoD2/P/CIR/2023/129 dated July 27, 2023 on Investment by Mutual Fund Schemes in units of Corporate Debt Market Development Fund, the aforementioned schemes shall invest 25 bps of its AUM as on December 31, 2022 in the units of the Corporate Debt Market Development Fund ('CDMDF'). An incremental contribution to CDMDF shall be made every six months to ensure 25 bps of scheme AUM is invested in units of CDMDF. However, if AUM decreases there shall be no return or redemption from CDMDF. Contribution made to CDMDF, including the appreciations on the same, if any, shall be locked-in till winding up of the CDMDF.

c. We would further like to bring to the notice of the investors that investments in CDMDF units shall not be considered as violation while considering maturity restriction as applicable for various purposes (including applicable Investment limits) and the calculations of Potential Risk Class (PRC) Matrix, Risk-ometer, Stress testing and Duration for various purposes shall be done after excluding investments in units of CDMDF.

d. Investors are requested to read detailed disclosure on investment of the schemes in the CDMDF as listed in sub-section "C. How will the Scheme allocate its assets and sub-section D. Where will the Scheme Invest" in Section "Section II- Information about the scheme".

(b) Risk associated with investments in Equity and Equity related instruments for investments made by Bank of India Conservative Hybrid Fund:

1. Equity and equity related securities are volatile and carry risk of price fluctuations on an on-going basis. The liquidity of investments made in the Scheme may be restricted by trading volumes and settlement periods. Settlement periods may be extended significantly by unforeseen circumstances. The inability of the Scheme to make intended securities purchases due to settlement problems could cause the Scheme to miss certain investment opportunities. Similarly, the inability to sell securities held in the Scheme's

portfolio may result, at times, in potential losses to the Scheme, should there be a subsequent decline in the value of securities held in the Scheme's portfolio.

2. Investments in equity and equity related securities involve a degree of risk and investors should not invest in the Scheme unless they can afford to take the risk of losing their investment.

The liquidity and valuation of the Scheme's investments due to its holdings of unlisted securities may be affected if they have to be sold prior to the target date of disinvestment.

(c) Risk Associated with Investments in Derivatives:

- Counter Party Risk: This is the risk of default of obligations by the counter party.
- Market risk: Derivatives carry the risk of adverse changes in the market price.
- Illiquidity risk: The risk that a derivative cannot be sold or purchased quickly enough at a fair price, due to lack of liquidity in the market.
- Basis Risk: The risk that the movements in swap rates does not actually reflect the expected movement in benchmark rates, thus, creating a mismatch with what was intended.

Mutual Funds are permitted to enter into derivatives transactions subject to Regulations. The Fund may use permitted derivative instruments like interest rate swaps, forward rate agreements or other derivative instruments as may be permitted from time to time.

Derivative products are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the investor. Execution of such strategies depends upon the ability to identify such opportunities as well as to manage risks arising thereby. Identification and execution of the strategies to be pursued involve uncertainty and investment decisions may not always be profitable. No assurance can be given that the Fund Manager will be able to identify or execute such strategies.

Derivative investments carry certain risks and issues arising out of such dealings. The risks associated with the use of derivatives - either for hedging or for portfolio balancing - are different from, and possibly greater than, the risks associated with investing directly in securities and other traditional investments.

Certain other risks, one or more, that may arise consequent to use of derivatives are: risk of mispricing or improper valuation of derivatives, credit risk arising out of counterparty failing to honour its commitment, liquidity risk where the derivatives cannot be sold at prices that reflect the underlying assets, rates and indices, and price risk where the market price may move in adverse fashion.

Derivatives require the maintenance of adequate controls to monitor the transactions entered into, the ability to assess the risk that a derivative adds to the portfolio and the ability to manage the risks as a result of the possible failure of the counterparty to comply with the terms of the derivative contract.

(d) Risk associated with investing in Foreign Securities

Subject to rules in this behalf, and subject to relevant regulatory approvals, the Scheme may also invest in permitted foreign securities, including foreign government securities, corporate debt securities, money market instruments, repos not involving borrowing, short term deposits with overseas banks and Units of overseas mutual funds or unit trusts. Such foreign investments pose additional risks arising out of fluctuations in the foreign exchange rates, peculiarities of the securities market of the relevant country, restrictions on repatriation of capital and earnings under exchange regulations and the political environment. Further the repatriation/remittance of capital and earnings to India could be adversely impacted in view of prevalent regulations and political circumstances. In addition, country risks would include events such as

introduction of extraordinary exchange controls, economic deterioration, bi-lateral conflict leading to immobilization of overseas financial assets and the prevalent tax laws of the respective jurisdiction for the execution of trades or otherwise.

To the extent that the assets of the Scheme will be invested in securities denominated in foreign currencies, the Indian Rupee equivalent of the net assets, distributions and income may be adversely affected by changes in the relative value of certain foreign currencies. The repatriation of capital may also be hampered by changes in applicable laws. Since the Scheme may invest only partially in overseas securities, there may not be readily available and widely accepted benchmarks to measure performance of the Scheme.

To manage risks associated with foreign currency and interest rate exposure, the Scheme may use derivatives for efficient portfolio management including hedging and in accordance with conditions as may be stipulated by SEBI, RBI or other authorities from time to time.

(e) Risk associated with Securities Lending

The securities forming assets of the Scheme may be lent in accordance with the prevailing securities lending Regulations, thus leading to arising of certain risks associated with these securities lending activity including counterparty risk, possible loss of rights to the collateral put up by the borrower of the securities, inability of the approved intermediary to return the securities, timely or otherwise, deposited by the lender and likely loss of corporate benefits accruing to the lender in respect of the securities lent. The Fund may not be able to sell such lent securities and this can lead to temporary illiquidity.

(f) Risk associated with Investments in Securitised Debt

The Scheme may be exposed to risks associated with investing in asset backed securities (ABS), i.e. securitized debt. The underlying assets in the case of investment in securitized debt could be mortgages (being mortgage backed securities (MBS)) or other assets like credit card receivables, automobile / vehicle, consumer durables, personal, commercial or corporate loans and any other receivables, loans or debt.

Securitized debt carry credit risk of the obligors and are dependent on the servicing of the PTC / Contributions, etc. However, these are off-set suitably by appropriate pool selection as well as credit enhancements specified by Credit Rating Agencies. However, the credit enhancement stipulated in a securitization transaction represents a limited loss cover only. Delinquencies and credit losses may cause depletion of the amount available under the cash collateral account and thereby the scheduled payouts of the investors may get affected if the amount available in the cash collateral account is not enough to cover the shortfall. In cases where the underlying facilities are linked to benchmark rates, the securitized debt papers may be adversely impacted by adverse movements in benchmark rates. However, this risk is mitigated to an extent by appropriate credit enhancement specified by Credit Rating Agencies. Securitized debt papers also carry the risks of pre-payment by the obligors. In case of pre-payments, it may result in reduced actual duration as compared to the expected duration of the paper at the time of purchase, which may adversely impact the portfolio yield. These securities also carry risk associated with the collection agent who is responsible for collection of receivables and depositing them.

(g) Risks associated with transactions in units through Stock Exchange Mechanism

In respect of transactions in Units of the Scheme through NSE and/ or BSE or any other recognised stock exchange allotment and redemption of Units on any Business Day will depend upon the order processing/ settlement by NSE, BSE or such other exchange and their respective clearing corporations on which the Fund has no control. Further, transactions conducted through the stock exchange mechanism

shall be governed by the operating guidelines and directives issued by NSE, BSE or such other recognised exchange in this regard.

(h) Risks associated with Segregated Portfolio

- (a) Investor holding units of segregated portfolio may not be able to liquidate their holding till the time recovery of money from the issuer.
- (b) Security(ies) held in segregated portfolio may not realize any value.
- (c) Listing of units of segregated portfolio in recognized stock exchange does not necessarily guarantee their liquidity. There may not be active trading of units in the stock market. Further trading price of units on the stock market may be significantly lower than the prevailing NAV.

C. Risk mitigation strategies:

Risk management is an integral part of the investment process. In line with Para-no 4.3.1 of SEBI Master Circular, the AMC has incorporated adequate safeguards for controlling risks in the portfolio construction process, which would be periodically evaluated. Online monitoring of various exposure limits are done by the Front Office System. The system incorporates all the investment restrictions as per SEBI guidelines and 'soft' warning alerts at appropriate levels for preemptive monitoring.

The system also enables identifying & measuring the risk through various risk measurement tools and analyzes the same so as to act in a preventive manner. In Addition to minimize risk for equity schemes, following steps are taken:

1. **Liquidity risks:** The liquidity of the Scheme's investments may be inherently restricted by trading volumes, transfer procedures and settlement periods. Liquidity Risk can be partly mitigated by diversification, staggering of maturities as well as internal risk controls that lean towards purchase of liquid securities.
2. **Interest Rate Risk:** Changes in interest rates affect the prices of bonds. If interest rates rise the prices of bonds fall and vice versa. A well-diversified portfolio may help to mitigate this risk.
3. **Volatility risks:** There is the risk of volatility in markets due to external factors like liquidity flows, changes in the business environment, economic policy etc. The scheme will manage volatility risk through diversification. To that extent the Volatility risk will be mitigated in the scheme.
4. **Credit Risks:** Credit risk shall be mitigated by investing in rated papers of the companies having the sound back ground, strong fundamentals, and quality of management and financial strength of the Company.

II. INFORMATION ABOUT THE SCHEME

A. Where will the scheme invest

Detailed description of the instruments (including overview of debt markets in India, if applicable) mentioned in Section I.

B. What are the investment restrictions

The Investments to be made under the Scheme are subject to various restrictions as prescribed by the Seventh Schedule of the Regulations including any amendments thereto and SEBI circulars issued from time to time and the Trust Deed as summarized below. These restrictions would be kept in view at the time of making investments. Additionally, the Scheme may be subject to internal guidelines / restrictions, which may include limiting sectoral exposure to a particular scrip or sector as may be decided by the Trustee/AMC. Investments by the Scheme will also be subject to the investment objective, investment strategy and investment pattern described previously. Restrictions relating to Regulations and Trust Deed referred above are as follows:

1. The investment shall at all times be in accordance with the SEBI Regulations and other applicable regulations.
2. A mutual fund scheme shall not invest more than:
 - a) 10% of its NAV in debt and money market securities rated AAA; or
 - b) 8% of its NAV in debt and money market securities rated AA; or
 - c) 6% of its NAV in debt and money market securities rated A and below issued by a single issuer.

The above investment limits may be extended by up to 2% of the NAV of the scheme with prior approval of the Board of Trustees and Board of Directors of the AMC, subject to compliance with the overall 12% limit specified in clause 1 of Seventh Schedule of MF Regulation.

3. Provided that such limit shall not be applicable for investments in Government Securities, treasury bills and Tri Party Repo on Government securities or treasury bills.

Provided further that investment within such limit can be made in mortgaged backed securitised debt which are rated not below investment grade by a credit rating agency registered with the Board.

Provided further that such limit shall not be applicable for investments in case of debt exchange traded funds or such other funds as may be specified by the Board from time to time.

4. A mutual fund scheme shall not invest in unlisted debt instruments including commercial papers, except Government Securities and other money market instruments.

Provided that Mutual Fund Schemes may invest in unlisted nonconvertible debentures up to a maximum of 10% of the debt portfolio of the scheme subject to such conditions as may be specified by the Board from time to time:

Provided further that mutual fund schemes shall comply with the norms under this clause within the time and in the manner as may be specified by the Board.

Provided further that the norms for investments by mutual fund schemes in unrated debt instruments shall be specified by the Board from time to time.

In terms of Para 12.1 of the SEBI Master Circular dated June 27, 2024 all investments in CPs would be made only in CPs which are listed or to be listed with effect from one month from January 01, 2020.

5. Debentures, irrespective of any residual maturity period (above or below one year), shall attract the investment restrictions as applicable for debt instruments.
6. The scheme may invest in another scheme under the same AMC or any other mutual fund without charging any fees, provided that aggregate inter-scheme investment made by all schemes under the management of the AMC or in schemes under the management of any other asset management company shall not exceed 5% of the net asset value of the Mutual Fund.

Provided that this clause shall not apply to any fund of funds scheme.

7. No scheme shall make any investment in any fund of funds scheme.
8. The Mutual Fund shall buy and sell securities on the basis of deliveries and shall in all cases of purchases, take delivery of relevant securities and in all cases of sale, deliver the securities. Provided that the Fund may engage in short selling, securities lending and derivatives transactions in accordance with the framework relating to short selling and securities lending and borrowing specified by the Board.

Provided further that a mutual fund may enter into derivatives transactions in a recognized stock exchange, subject to the framework specified by the Board.

Provided further that sale of government security already contracted for purchase shall be permitted in accordance with the guidelines issued by the Reserve Bank of India in this regard.

9. The Mutual Fund shall get the securities purchased or transferred in its name on account of the concerned scheme, wherever investments are intended to be of long-term nature.
10. Pending deployment of funds in terms of investment objectives of the scheme:

The Mutual Fund can deploy the funds of the Scheme in short term deposits of upto 91 days with scheduled commercial banks in line with para 12.16 of the SEBI Master Circular dated June 27, 2024. However, such deployment shall not exceed 15% of the net assets of the Scheme, or with Trustee's approval, upto 20%, across all banks, and further shall be limited to 10% of the net assets with any one scheduled commercial bank including its subsidiaries.

11. The Scheme shall not make any investment in : a) Any unlisted security of an associate or group company of the Sponsor; or b) Any security issued by way of private placement by an associate or group company of the sponsor; or c) The listed securities of group companies of the Sponsor which is in excess of 25% of the assets.
12. Inter-scheme transfer of investments from one scheme to another scheme of the Mutual Fund shall be allowed only if :
 - Such transfers are done at the prevailing market price for quoted instruments on spot basis.
 - Explanation - "Spot basis" shall have same meaning as specified by stock exchange for spot transactions.
 - The securities so transferred shall be in conformity with the investment objective of the scheme to which such transfer has been made.

In case of Open Ended Schemes, ISTs may be allowed in the following scenarios:

- (A) For Meeting Liquidity Requirement in a scheme in case of unanticipated redemption pressure:
 1. Each scheme to have Liquidity Risk Management (LRM) Model as approved by Trustees to ensure that reasonable liquidity requirements are adequately provided for.
 2. ISTs to be allowed only after all the below mentioned avenues have been attempted and exhausted:
 - (i) Use of Scheme Cash and Cash Equivalent
 - (ii) Selling of Scheme Securities in the Market
 - (iii) Use of Market Borrowing
 3. The use of market borrowing before ISTs will be optional and Fund Manager may at his discretion take decision on borrowing in the best interest of unit-holders. The option of market borrowing or selling of security as mentioned at above may be used in any combination and not necessarily in the above order. In case option of market borrowing and/or selling of security is not used, the reason for the same shall be recorded with evidence.
 4. Proper documentation of the attempts made to meet the liquidity through the above mentioned avenues would be maintained. Further, appropriate records of the Interscheme transfer shall also be maintained in the format provided in SEBI circular dated October 28, 2020.
 5. After completion of the above, proposed IST would be referred to Investment Committee

("IC") with list of Securities of the lowest duration and highest quality for consideration by the IC for IST.

6. The IC shall then confirm with the Risk Team whether there is any negative news or rumors in the mainstream media or an alert has been generated about the security or issuer based on the internal credit risk assessment in terms of Para 4.3 of the SEBI Master Circular dated June 27, 2024. The IST of only Securities approved by IC would be effected only after completion of the abovementioned procedure.

(B) For Duration/Issuer/Sector/Group rebalancing:

1. Submission to the IC either in advance or post-facto the reason for the IST, ie. Duration/Issuer/Sector/Group rebalancing and evidence thereof that the rebalancing (duration, issuer, sector or group) is required for both the transferor and transferee schemes. Risk Team to ensure that the same reasons are cited for both schemes (except if the transferee scheme is Credit Risk scheme)
 2. Risk team shall then confirm whether there is any negative news or rumors in the mainstream media or an alert has been generated about the security or issuer based on the internal credit risk assessment in terms of Para 4.3 of the SEBI Master Circular dated June 27, 2024 during the previous 4 months. If yes, then the Inter Scheme transfer of such security shall not be allowed.
 3. On completion of the above steps, Template consisting approval of Chief Compliance Officer, Chief Investment Officer and Fund Manager of both transferor and transferee scheme shall be obtained and filed for documentary evidence.
13. No scheme shall be able to invest more than 10% of its NAV in the equity shares or equity related instruments of any company.
- Provided that, the limit of 10 per cent shall not be applicable for investments in case of index fund or exchange traded fund or sector or industry specific scheme.
14. Total exposure of the scheme in a particular sector (excluding investments in Bank CDs, TREPS, G-Secs, T-Bills, short terms deposits of scheduled commercial banks and AAA rated securities issued by Public Financial Institutions and Public Sector Banks and such other instruments if any, as may be specified by SEBI from time to time) shall not exceed 20% or such other percentage of the net assets of the scheme, as prescribed by SEBI from time to time, unless the scheme has specifically been exempted from the requirement by SEBI.

An additional exposure to financial services sector (over and above the limit of 20%) not exceeding 10% of the net assets of the scheme shall be allowed by way of increase in exposure to Housing Finance Companies (HFCs); Further, an additional exposure of 5% of the net assets of the scheme has been allowed for investments in securitized debt instruments based on retail housing loan portfolio and/or affordable housing loan portfolio.

Provided further that the additional exposure to such securities issued by HFCs are rated AA & above and these HFCs are registered with National Housing Bank (NHB) and the total investment/ exposure in HFCs shall not exceed 20% of the net assets of the scheme.

Note: The sector classification shall be basis the data provided by Association of MutualFund in India

Pursuant to Para 12.1.5 of the SEBI Master Circular dated June 27, 2024, Investment in BRDS by debt schemes of mutual funds shall be considered as exposure to financial services sector for the purpose of sector exposure limits.

15. The Mutual Fund shall subject to Regulations settle its transactions only through dematerialised securities except such instruments which are to be transacted only in physical form. Further, all transactions in government securities shall also be in dematerialised form.
16. The Scheme shall not invest (excluding investments in securities issued by Public Sector Units, Public Financial Institutions and Public Sector Banks) more than 20% of net assets in the Group. Such investment limit may be extended to 25% of the net assets of the scheme with the prior approval of the Board of Trustees.

For this purpose, "Group" means a group as defined in clause (b) of the Explanation to Section 5 of the Competition Act, 2002 (12 of 2003).

Further, limit for investment in debt and money market instruments of group companies of sponsor and AMC is 10% of the net assets of the scheme which can be extended to 15% with the prior approval of the Board of Trustees.

17. The Mutual Fund under all its schemes shall not own more than 10% of any company's paid up capital carrying voting rights.

Provided, investment in the asset management company or the trustee company of a mutual fund shall be governed by clause (a), of sub- regulation (1), of regulation 7B of the SEBI (Mutual Funds) Regulations, 1996.

18. Investment Restrictions for Derivatives:

Regulations require that following restrictions be observed in relation to position limits for exchange-traded derivative contracts:

i. Position limit for the Mutual Fund in equity index options contracts	(a) The Mutual Fund position limit in equity index options contracts on a particular underlying index shall be higher of Rs. 500 crores or 15% of the total open interest of the market in equity index options.
	(b) This limit would be applicable on open positions in all options contracts on a particular underlying index.

ii. Position limit for the Mutual Fund in equity index futures contracts	(a) The Mutual Fund position limit in equity index futures contracts on a particular underlying index shall be higher of ₹ 500 crores or 15% of the total open interest of the market in equity index futures. (b) This limit would be applicable on open positions in all futures contracts on a particular underlying index.
iii. Additional position limit for hedging:	In addition to the position limits at point (i) and (ii) above, the Mutual Fund may take exposure in equity index derivatives subject to the following limits: 1. Short positions in index derivatives (short futures, short calls and long puts) shall not exceed (in notional value) the Mutual Fund's holding of stocks. 2. Long positions in index derivatives (long futures, long calls and short puts) shall not exceed (in notional value) the Mutual Fund's holding of cash, government securities, T- Bills and similar instruments.
iv. G. Other Scheme Specific Disclosures:

Listing and transfer of units	At present the units of scheme are not proposed to be listed on any stock exchange. However, the AMC / Trustee may at their sole discretion list the Units under the Scheme on one or more stock exchanges at a later date. Transferability of units: Units unless otherwise restricted or prohibited shall be freely transferable by act of parties or by operation of law. The asset management company shall on production of instrument of transfer together with the relevant unit certificates, register the transfer and return the unit certificates to the transferee within timelines prescribed by SEBI from time to time.
Dematerialization of units	Unit holders, who are holding Units in non-dematerialised form, can dematerialise their holding at any time by making an application to their Depository Participant (with whom they have their DP account). Subject to receipt of complete documentation, the AMC shall credit the Units in dematerialised form to the Depository account of the Unitholder. The expenses incurred by the AMC in dematerialising of the Units may be recovered from Unitholders or may be charged to the Scheme.
Minimum Target amount (This is the minimum amount required to operate the scheme and if this is not collected during the NFO period, then all the investors would be refunded the amount invested without any return.)	Not applicable, since NFO period is concluded.
Maximum Amount to be raised (if any)	Not Applicable. The AMC reserves the right to specify maximum amount to be raised, at the time of New Fund Offer.
Dividend Policy (IDCW)	The Income Distribution Cum Capital Withdrawal warrants shall be dispatched to the unitholders within 7 Working days of the Record Date. The IDCW will be paid to only those Unitholders whose names appear on the register of Unitholders of the Scheme / Option at the close of the business hours on the record

	date. Pursuant to 11.4 of SEBI Master Circular dated June 27, 2024, the Fund is required to dispatch IDCW payments within seven working days from the record date. In case the AMC fails to dispatch the IDCW payments within the stipulated time of seven working days, it shall be liable to pay interest to the unit holders at 15% p.a. or such other rate as may be prescribed by SEBI from time to time. On payment of Income Distribution Cum Capital Withdrawal, the NAV will stand reduced by the amount of Income Distribution Cum Capital Withdrawal and statutory levies paid if any. Investors may like to note that the amounts can be distributed as Income Distribution Cum Capital Withdrawal out of investors capital (Equalization Reserve), which is part of the sale price that represents realized gains.
Allotment	An investor who purchases Units through a broker/ clearing member will receive Units in his/her/its account through his/her/its broker / clearing member's pool account. The AMC will credit the Units to the broker / clearing member's pool account, and they in turn will credit the Units to the investor's account. Credit of Units to the broker / clearing member's pool account by the AMC/its RTA shall discharge the AMC/its RTA of their obligation of allotment of Units to the investor. All valid and complete applications will be allotted Units at the Applicable NAV for the application amount. Allotments made will be subject to realization of payment instrument and subject to the AMC being reasonably satisfied of having received clear funds. Applicants under the Scheme will have an option to hold the Units either in physical form (i.e. account statement) or in dematerialized (electronic) form. For Units held in physical form, normally no Unit certificates will be issued. However, on a specific request from the Unit holder, the AMC shall issue a Unit certificate within 5 Business Days of the receipt of such request.

	In case of purchase transactions, where there is a mismatch in the amounts on the Transaction Slip / Application Form and the payment instrument / credit received, the AMC may at its discretion allot the units for the lesser of the two amounts and refund / utilize the excess, if any, for any other transaction submitted by the same investor, subject to the fulfillment of other regulatory requirements for the fresh transaction. At the time of redemption / switch of units, the Unit holder(s) must surrender the original unit certificate duly discharged along with the request for redemption/switch. Further, if the Unit holder(s) intend to transfer such Units, must submit the original unit certificate with instrument of transfer and such other documents / declarations as may be required by the AMC from time to time. The AMC shall upon receipt of documents register the transfer and return the original unit certificate to the transferee within 30 days from the date of receipt of request for transfer. For investors / Unit holders opting for holding of Units in dematerialized / electronic form, the investors need to furnish the details of their depository account in the Application Form. Where the Investor has chosen to receive the Units in electronic form, the AMC will credit Units to the Investor's Depository Account as per the details furnished by the investor in the Application Form within 30 days. If the Units cannot be credited to the Depository Account of Unitholder for any reason whatsoever, the AMC shall issue Account Statement specifying the Units allotted to the investor within 30 days. At the time of redemption / switch of units, the Unit holder(s) must surrender the original unit certificate duly discharged along with the request for redemption/switch. Further, if the Unit holder(s) intend to transfer such Units, must submit the original unit certificate with instrument of transfer and such other documents / declarations as may be required by the AMC from time to time. The AMC shall
--	--

	upon receipt of documents register the transfer and return the original unit certificate to the transferee within 30 days from the date of receipt of request for transfer. Account Statements: For all applicants whose application has been accepted, the AMC shall send an Account Statement specifying the number of units allotted to the applicant by way of email to the applicant's registered email address as soon as possible but not later than 5 business days. If email is not registered, then physical account statement will be sent to registered address. Thereafter a consolidated account statement (CAS) will be sent for each Calendar month to the Unit Holder whose folio/s transaction have taken place during the month on or before the 10th of the succeeding month. The AMC reserves the right to call for other additional documents as may be required, for processing such transactions. The AMC also reserves the right to reject such transactions. The AMC, thereafter, shall not be responsible for any loss suffered by the investor due to the discrepancy in the Scheme name mentioned in the application form/transaction slip and Cheque / Demand Draft.
Refund	If application is rejected, full amount will be refunded within 5 working days of closure of NFO. If refunded later than 5 working days @ 15% p.a. for delay period will be paid and charged to the AMC. Any credit received without application will be refunded within 5 working days from identification of creditors bank details.

For redemption requests placed during the restriction period, the following provisions will be applicable:
--	---

	(a) For redemption requests upto Rs. 2 lakhs the above-mentioned restriction will not be applicable; and (b) Where redemption requests are above Rs. 2 lakhs, AMCs shall redeem the first Rs. 2 lakhs without such restriction and remaining part over and above Rs. 2 lakhs shall be subject to such restriction. AMC / Trustee reserves the right to change / modify the provisions of right to limit Redemption / switch-out of units of the Scheme(s) pursuant to direction/ approval of SEBI. Pledge or Hypothecation of Units: Units under the Scheme may be offered as security by way of a pledge / charge in favour of scheduled banks, financial institutions, non-banking finance companies (NBFCs) or at the discretion of the AMC. The AMC and / or the Registrar will note and record the pledge of Units. The AMC shall mark a lien only upon receiving the duly completed form and documents, as it may require. Disbursement of the loans will be at the entire discretion of the bank / financial institution / NBFC etc and the Fund/AMC assumes no responsibility for that. The Pledgor will not be able to redeem Units that are pledged until the entity to which the Units are pledged provides a written authorization to the Mutual Fund that the pledge / lien charge may be removed. As long as the Units are pledged, the Pledgee will have complete authority to redeem such Units with or without Income Distribution Cum Capital Withdrawal /reinvested units thereon as per the arrangements between the pledger and pledgee. Transfer of Units: Units shall be freely transferable. In case, the units are with the depository held in Demat mode, such units will be transferable in accordance with the provisions of the Securities and Exchange Board of India (Depositories and Participants) Regulations,
--	---

	1996. Pursuant to para no 14.4.4 of SEBI Master Circular dated June 27, 2024 on Mutual Funds, units under the Scheme are freely transferable from one demat account to another demat account. In case, a person becomes a holder of Units by operation of law or upon enforcement/invocation of pledge, the AMC shall, subject to production of such satisfactory evidence and submission of such documents by the transferee, proceed to effect the transfer, if the intended transferee is otherwise eligible to hold the Units of the Scheme concerned. Delay in payment of IDCW proceeds: As per Chapter 11 of the Master Circular, or as amended from time to time, the AMC shall dispatch payment of the IDCW proceeds

	within 7 working days from the record date. However, in the event of failure to dispatch/ credit the IDCW proceeds within the above time, interest @ 15% per annum or such rate as may be specified by SEBI, would be paid to the Unit holders for the period of delay from the stipulated period for the dispatch/payment of IDCW payments. Delay in payment of redemption / repurchase proceeds: As per Para 14.1.1 of the Master Circular, or as amended from time to time, the AMC shall transfer the redemption / repurchase proceeds within 3 working Days*, from the date of acceptance of redemption request at any of the Investor Service Centers. In the event of failure to dispatch the redemption proceeds within the above time, the Asset Management Company shall be liable to pay interest to the unitholders at such rate as may be specified by SEBI for the period of such delay (presently @15% per annum). SEBI has further advised the mutual funds that in the event of payment of interest to the Unit holders, such Unit holders should be informed about the rate and the amount of interest paid to them. <i>* As per AMFI circular no. AMFI/35P/MEM-COR/74/2022-23 dated January 16, 2023, in case of exceptional situations the AMC might follow the additional timelines for making redemption payments. For further information, please refer to the SAI.</i>
Unclaimed Redemption and Income Distribution cum Capital Withdrawal Amount	As per para 14.3 of SEBI Master circular dated June 27, 2024 issued by SEBI, the unclaimed redemption and IDCW amounts that are currently allowed to be deployed only in call money market or money market instruments, shall also be allowed to be invested in a separate plan of only Overnight scheme / Liquid scheme / Money Market Mutual Fund scheme floated by Mutual Funds specifically for deployment of the unclaimed amounts. Provided that such schemes where the unclaimed redemption and IDCW amounts are deployed shall be only those Overnight

	scheme/ Liquid scheme / Money Market Mutual Fund schemes which are placed in A-1 cell (Relatively Low Interest Rate Risk and Relatively Low Credit Risk) of Potential Risk Class matrix as per para 14.3.2 of SEBI master Circular dated June 27, 2024. AMCs shall not be permitted to charge any exit load in this plan and TER (Total Expense Ratio) of such plan shall be capped as per the TER of direct plan of such scheme or at 50bps whichever is lower." The investment management fee charged by the AMC for managing such unclaimed amounts shall not exceed 50 basis points. Investors claiming these amounts during a period of three years from the due date shall be paid at the prevailing NAV. After a period of three years, this amount shall be transferred to a pool account and the investors can claim the said amounts at the NAV prevailing at the end of the third year. Income earned on such funds shall be used for the purpose of investor education. The AMC shall make a continuous effort to remind investors through letters to take their unclaimed amounts. Further, the information on unclaimed amount along-with its prevailing value (based on income earned on deployment of such unclaimed amount), shall be separately disclosed to investors through the periodic statement of accounts / Consolidated Account Statement sent to the investors.
Disclosure w.r.t investment by minors	Following is the process for investments made in the name of a Minor through a Guardian: - Payment for investment by minor in any mode shall be accepted from the bank account of the minor, parent or legal guardian of the minor, or from a joint account of the minor with parent or legal guardian Irrespective of the source of payment for subscription, all redemption proceeds shall be credited only in the verified bank account of the minor, i.e. the account the minor may hold with the parent/ legal guardian after completing all KYC formalities.

	The above provisions are in line with the SEBI circular no. SEBI/HO/IMD/POD - II/CIR/P/2023/0069 dated May 12, 2023). Mutual Fund will send an intimation to Unit holders advising the minor (on attaining majority) to submit an application form along with prescribed documents to change the status of the account from 'minor' to 'major'. All transactions / standing instructions / systematic transactions etc. will be suspended i.e. the Folio will be frozen for operation by the guardian from the date of beneficiary child completing 18 years of age, till the status of the minor is changed to major. Upon the minor attaining the status of major, the minor whose name the investment was made, shall be required to provide all the KYC details, updated bank account details including cancelled original cheque leaf of the new bank account. No investments (lumpsum/SIP/ switch in/ STP in etc.) in the scheme would be allowed once the minor attains majority i.e. 18 years of age. He will be allowed to transact, once he submits the requirement documents on attaining the age of majority. Email ID & Mobile Number Investors should provide their own email address and mobile number to enable AMC for speed and ease of communication in a convenient and cost-effective manner, and to help prevent fraudulent transactions.

H. Any other disclosure in terms of Consolidated Checklist on Standard Observations:

1. Requirement of minimum investors/ investment in the Scheme (Applicability for an open-ended scheme):

The Scheme/ plan (at portfolio level) shall have a minimum of 20 investors and no single investor shall account for more than 25% of the corpus of the Scheme/ Plan(s). In case the Scheme / Plan(s) does not have a minimum of 20 investors in the stipulated period, the provisions of Regulation 39(2)(c) of the SEBI (MF) Regulations would become applicable automatically without any reference from SEBI and accordingly the Scheme / Plan(s) shall be wound up and the units would be redeemed at applicable NAV. For details, kindly refer SAI.

2. Special Considerations:

- (A) Prospective investors in this Scheme should educate themselves or seek professional advice on:
- a) Legal requirements or restrictions relating to the acquisition, holding, disposal, or redemption of Units within their jurisdiction of nationality, residence, ordinary residence and domicile or under the laws of any jurisdiction to which they are subject; and
 - b) Tax provisions on investments in the Scheme, capital gains, and other tax consequences relevant to their acquisition, holding or disposal, whether by way of sale or redemption of Units.
- (B) Prospective investors should not construe the contents hereof as advice relating to legal, taxation or investment matters and are advised to consult their own professional advisor(s) relating to the subscription, gifting, acquisition, holding, disposal (sale, transfer, switch or redemption or conversion into money) of Units and to the treatment of income (if any), capitalization, capital gains, any distribution, and other tax consequences within their jurisdiction of nationality, residence, domicile etc. or under the laws of any jurisdiction to which they are subject to.
- (C) The tax benefits described in this SID / in the SAI are as available under the prevailing taxation laws, which or whose interpretation may change from time to time. As is the case with any investment, there can be no guarantee that the current tax position or the tax position prevailing at the time of an investment in the Scheme will not undergo change. In view of the individual nature of tax consequences, each Unit holder is advised to consult his / her / their own professional tax advisor.
- (D) The AMC or its Sponsor or Shareholders or their associates, group entities may either directly or indirectly invest in this Scheme and / or any other Scheme, present or future, and such investment could be substantial. If these entities decide to offer a substantial portion of such investment for repurchase/redemption, it may have an adverse impact on the NAV of Units.
- (E) Neither this SID nor the Units being offered have been registered in any jurisdiction outside India. The distribution of this SID in certain jurisdictions may be restricted or subject to registration requirements and, accordingly, persons who come into possession of this SID are required to inform themselves about, and to observe, any such restrictions, as may be applicable. This SID does not constitute an offer or solicitation to any person within such jurisdiction and further are not being marketed in any such jurisdiction. The Trustee may compulsorily redeem any Units held directly or beneficially in contravention of these prohibitions.
- (F) It is the responsibility of any person in possession of this SID and of any person wishing to apply for Units pursuant to this SID to be informed of and to observe, all applicable laws and Regulations of such relevant jurisdiction including not subscribing to Units if so prohibited by their home jurisdiction.
- (G) The Scheme may disclose details of the investor's account and transactions there under to intermediaries whose stamp appears on the investor's application form. Additionally, the Scheme may disclose such details to the bankers, as may be necessary for the purpose of effecting payments to the investor. The Scheme may also disclose such details to regulatory and statutory authorities / bodies as may be required or necessary as per provisions of law.

- (H) Right to limit redemptions: The Board of AMC and Trustee, may in the general interest of the Unit holders of the Scheme, keeping in view circumstances / unsure conditions as mentioned under para 1.12 of SEBI Master circular dated June 27, 2024, limit the total number of Units which may be redeemed on any Business Day. For details please refer “Right to Limit Redemption”.
- (I) The Scheme will dispatch redemption proceeds within 3 working Days from the acceptance of the Redemption request.
- (J) Pursuant to the Provisions of Prevention of Money Laundering Act, 2002, if after due diligence, the AMC believes that any transaction is suspicious in nature as regards money laundering, failure to provide required documentation, information, etc. the AMC shall have absolute discretion to report such suspicious transactions to FIU-IND and / or to freeze the folios of the investor(s), reject any application(s) / allotment of units and effect mandatory redemption of unit holdings of the investor(s) at the applicable NAV subject to payment of exit load, if any.
- (K) Indicative yield/ portfolio

The Fund/ AMC and its empanelled brokers /distributors have not given and shall not give any indicative portfolio and indicative yield in any communication, in any manner whatsoever. Investors are advised not to rely on any communication regarding indicative yield/ portfolio with regard to the Scheme.

D. Transaction charges and stamp duty

Transaction charge:

Pursuant to SEBI Circular No. SEBI/HO/IMD/IMD-PoD-1/P/CIR/2025/115 dated August 08, 2025, the transaction charges or commission have been discontinued. Accordingly, distributors shall no longer charge transaction fees to either existing investors or first-time investors in Mutual Fund schemes.

Stamp Duty: Pursuant to Notification No. S.O. 1226(E) and G.S.R. 226(E) dated March 30, 2020 issued by Department of Revenue, Ministry of Finance, Government of India, read with Part I of Chapter IV of The Finance Act, 2019, notified on February 21, 2019 issued by Legislative Department, Ministry of Law and Justice, Government of India, a stamp duty @0.005% of the transaction value of units would be levied on applicable mutual fund inflow transactions, with effect from July 1, 2020. Accordingly, pursuant to levy of stamp duty, the number of units allotted on purchase transactions (including Reinvestment of Income Distribution cum capital withdrawal and Transfer of Income Distribution cum capital withdrawal) to the unitholders would be reduced to that extent.

Further details are provided in SAI.

E. Associate Transactions- Please refer to Statement of Additional Information (SAI)

F. Taxation- For details on taxation please refer to the clause on Taxation in the SAI apart from the following:

Tax rates for other than equity-oriented fund¹ under Income-tax Act, 1961 (amended by Finance Act, 2025):

Particulars	Resident Investor	Mutual Fund
Income from Mutual Funds	Normal rate of taxes applicable to investor	Nil ¹
Long-term capital gains ²	12.5% (without indexation benefit)	Nil ¹
Short-term capital gains ³	Normal rate of taxes applicable to investor	Nil ¹

Business income	Normal rate of taxes applicable to investor	Nil ¹
-----------------	---	------------------

1. Under section 10(23D) of the Act.
2. Units listed on a recognized stock exchange are treated as a long-term capital asset if they are held for a period of more than 12 months preceding the date of transfer.
3. Units listed on a recognized stock exchange are treated as a short-term capital asset if they are held for a period of 12 months or less preceding the date of transfer.

Notes: ¹ As per section 50AA of the Act, introduced by the Finance Act 2023, gains arising on transfer, redemption or maturity of specified mutual funds acquired on or after 1 April 2023 will be deemed to be 'short-term capital gains' (regardless of the period of holding) and taxable at the rates applicable to short term capital gains.

"Specified mutual fund" means a mutual fund by whatever name called, where not more than 35% of its total proceeds is invested in the equity shares of domestic companies.

The FA 2024 has amended the definition of Specified Mutual Funds under section 50AA of the Act which shall be effective from FY 2025-2026 to mean:

- (i) a mutual fund scheme which invests more than sixty five percent of its total proceeds in debt and money market instruments; or
- (ii) a fund which invests sixty-five per cent or more of its total proceeds in units of fund referred above.
