Part I. HIGHLIGHTS/SUMMARY OF THE SCHEME

Sr. No.	Title	Description
I.	Name of the scheme	ICICI Prudential Corporate Bond Fund
II.	Category of the Scheme	Debt - Corporate Bond Fund
III.	Scheme type	An open ended debt scheme predominantly investing in AA+ and above rated corporate bonds. A relatively high interest rate risk and moderate credit risk.
IV.	Scheme code	ICIC/O/D/CBF/09/06/0034
V.	Investment objective	To generate income through investing predominantly in AA+ and above rated corporate bonds while maintaining the optimum balance of yield, safety and liquidity. However, there can be no assurance or guarantee that the investment objective of the Scheme would be achieved.
VI.	Liquidity/listing details	The Scheme being offered is an open-ended scheme and will offer Units for Sale / Switch-in and Redemption / Switch-out, on every Business Day at NAV based prices subject to applicable loads. As per the Regulations, the redemption proceeds shall be dispatched to the unit holders within 3 business Days of receiving the redemption request subject to exceptional situations and additional timelines for redemption payments as per paragraph 15.3.3 of the Master Circular. A penal interest of 15% p.a. or such other rate as may be prescribed by SEBI from time to time, will be paid in case the payment of redemption proceeds is not made within the stipulated timelines.
VII.	Benchmark (Total Return Index)	AMFI Tier I Benchmark - NIFTY Corporate Bond Index A-II The composition of the benchmark is such that, it is most suited for comparing performance of the Scheme. The Trustees reserves the right to change the benchmark in future, if a benchmark better suited to the investment objective of the Scheme is available.
VIII.	NAV disclosure	The NAV will be calculated and disclosed at the close of every Business Day. NAV will be determined on every Business Day except in special circumstances. The AMC may at its discretion also declare NAV of the Scheme on any other day in the interest of investors. NAV of the scheme shall be: - Prominently disclosed by the AMC under a separate head on the AMC's website https://www.icicipruamc.com/home by 11.00 p.m. on every business day, - On the website of Association of Mutual Funds in India - AMFI (www.amfiindia.com) by 11.00 p.m. on every business day, and

		• Shall be made available at all Customer Service Centres of the AMC. The Scheme shall also invest in the units of Corporate Debt Market Development Fund ('CDMDF'). The NAV of the Scheme shall be disclosed by the AMC on the website of AMFI and AMC by 11.00 p.m. on every business day. In case NAV of the units of CDMDF are not available till 9.30 p.m. of the business day, NAV of the scheme shall be disclosed on the website of AMFI and AMC by 10.00 a.m. on the following business day. In case the Scheme ceases to hold any exposure to units of CDMDF, NAV of the scheme for that day would continue to be declared on 10.00 a.m. on the following business day. Subsequent to that day, NAV of the scheme shall be declared on 11.00 p.m. on every business day. <i>Further details mentioned in Section II – 'III. Other Details' – 'C. Transparency/NAV'</i>
IX.	Applicable timelines	• Dispatch of redemption proceeds As per SEBI (Mutual Funds) Regulations, 2026, the redemption proceeds shall be dispatched within three (3) business days from the date of redemption request subject to exceptional situations and additional timelines for redemption payments in accordance with clause 15.3.3 of the Master Circular. A penal interest of 15% p.a. or such other rate as may be prescribed by SEBI from time to time, will be paid in case the payment of redemption proceeds is not made within the stipulated timelines. • Dispatch of IDCW (if applicable) etc. As per the Regulations, the IDCW warrants shall be dispatched to the Unit Holders within 7 business days from the record date. IDCW will be payable to those Unit Holders whose names appear in the Register of Unit Holders on the date (Record Date).
X.	Plans and Options Plans/Options and sub options under the Scheme	Plans available under the Scheme: • ICICI Prudential Corporate Bond Fund -Direct Plan • ICICI Prudential Corporate Bond Fund Options under each Plan(s): • Growth • Income Distribution cum Capital Withdrawal (IDCW) – Monthly and Quarterly ✓ IDCW Payout ✓ IDCW Reinvestment Plan–Option available under the Scheme: • ICICI Prudential Corporate Bond Fund – Direct Plan – Growth • ICICI Prudential Corporate Bond Fund – Direct Plan – Monthly IDCW (Payout / Reinvestment)

		• ICICI Prudential Corporate Bond Fund – Direct Plan – Quarterly IDCW (Payout / Reinvestment) • ICICI Prudential Corporate Bond Fund – Growth • ICICI Prudential Corporate Bond Fund – Monthly IDCW (Payout / Reinvestment) • ICICI Prudential Corporate Bond Fund – Quarterly IDCW (Payout / Reinvestment) • Including Default option/ facility (as applicable) are as follows:	
		Default Plan (if no plan is selected)	• If broker code is not mentioned the default plan is ICICI Prudential Corporate Bond Fund – Direct Plan • If broker code is mentioned the default plan is ICICI Prudential Corporate Bond Fund
		Default Plan (in certain circumstances)	• If ICICI Prudential Corporate Bond Fund – Direct Plan is opted, but ARN code is also stated, then application would be processed under ICICI Prudential Corporate Bond Fund – Direct Plan • If ICICI Prudential Corporate Bond Fund is opted, but ARN code is not stated, then the application would be processed under ICICI Prudential Corporate Bond Fund – Direct Plan
		Options/ sub-options	• Growth Option and • IDCW ➤ IDCW Payout ➤ IDCW Reinvestment
		Default Option	Growth Option
		Default sub option	IDCW Reinvestment
		IDCW Frequency - Under the IDCW Option, the Scheme has a monthly and quarterly frequency for IDCW distribution. The record date for the monthly frequency shall be last business day of the Month. For details with respect to AMFI Best Practices Guidelines dated February 2, 2024 on treatment of applications received with invalid ARNs or ARNs subsequently found to be invalid, investors are requested to refer to the relevant provisions of the SAI. The Trustee reserves the right to add any other options/ sub-options under the Scheme. For detailed disclosure on default plans and options, kindly refer SAI.	

XI.	Load Structure	Exit Load: NIL The Trustees shall have a right to prescribe or modify the exit load structure with prospective effect subject to a maximum prescribed under the Regulations. The AMC shall not charge entry and/or exit load on units allotted on reinvestment of IDCW.
XII.	Minimum Application Amount/switch in	Rs. 100/- (plus in multiples of Re.1/-) Minimum application amount for switch ins – Rs. 100 and any amount thereafter For applications under systematic transactions, investors should refer to the details regarding the amount in the section ‘Special product/facility available on ongoing basis’
XIII.	Minimum Additional Purchase Amount	Rs. 100/- (plus in multiples of Re.1/-) Minimum additional application amount for switch ins – Rs. 100 and any amount thereafter
XIV.	Minimum Redemption/switch out amount	Any Amount
XV.	Segregated Portfolio/side pocketing disclosure	The AMC may create a segregated portfolio of debt and money market instruments in a mutual fund scheme in case of a credit event and to deal with liquidity risk. For more details, kindly refer SAI.
XVI.	Swing Pricing	In terms of paragraph 5.8 of the Master Circular, all open ended debt mutual fund schemes (except overnight funds, Gilt funds and Gilt with 10-year maturity funds) are required to follow Swing Pricing Framework. SEBI has prescribed swing pricing for scenarios related to net outflows from the schemes. Accordingly, a mandatory full swing price framework, during market dislocation times (as and when declared by SEBI), for high-risk open ended debt schemes is being introduced in scheme provisions of all Debt Schemes of the Fund except ICICI Prudential Overnight Fund, ICICI Prudential Liquid Fund, ICICI Prudential Gilt Fund, ICICI Prudential Constant Maturity Gilt Fund and ICICI Prudential Money Market Fund. Kindly refer to SAI for more details. Triggering Swing Pricing on re-opening of a Scheme after announcement of winding up In cases of instances where the AMC after making an announcement to wind up a scheme, decides to roll-back the decision to wind up the scheme. Such situations may trigger large scale redemptions and hence it would be prudent to invoke the Swing Pricing mechanism to manage such a situation. In other words, if the AMC decides to reverse its decision

		to wind up the scheme shall mandatorily invoke the Swing pricing upon re-opening a scheme for subscriptions and redemptions post such announcement. The indicative range of swing pricing for the parameter of “Re-opening of the scheme after announcement of Winding -Up” shall be the same as applicable for swing pricing during normal times as communicated by AMFI from time to time. The swing pricing period in the above instances shall be higher of: • swing period as may be decided by the Board of AMC or • minimum period of 7 working days, upon re-opening a scheme for subscriptions and redemptions.
XVII.	Stock lending/short selling	The Scheme will not engage in short selling or stock lending and borrowing.
XVIII.	How to Apply and other details	Investors can apply for their transactions requests either offline or online / electronically using the relevant application / transaction request forms available on our website or at any of our Officials Points of Acceptance or any other mode as may be prescribed from time to time. <u>Offline transaction requests:</u> The application form / transactions requests for subscription/ redemption/ switches can be submitted at official points of acceptance of the AMC and CAMS Transaction Points provided in the link: SID related information (icicipruamc.com) <u>Online / Electronic Transactions:</u> Investors can undertake transactions via electronic mode through various online facilities offered by the AMC i.e. Website: (www.icicipruamc.com) and Mobile Application of the AMC (i-invest ipru) / other platforms (RTA, MFU, MF Central, Channel partners/Distributors/RIAs/Portfolio Managers /Execution Only platforms (EOP)) specified by AMC from time to time. The above list is indicative. For further details, including cut-off timing and applicability of NAV, refer Section II. For more Details, refer Section II
XIX.	Investor Services	Contact details for general service requests and complaint resolution: Investors can contact at the below toll free numbers • (MTNL/BSNL) 1800222999; • (Others) 18002006666 • Website: www.icicipruamc.com • e-mail - enquiry@icicipruamc.com

		The AMC will follow-up with Customer Service Centres and Registrar on complaints and enquiries received from investors for resolving them promptly. For this purpose, Mr. Rajen Kotak is the Investor Relations Officer. He can be contacted at the Central Service Office of the AMC. The address and phone numbers are: 2nd Floor, Block B-2, Nirlon Knowledge Park, Western Express Highway, Goregaon (East), Mumbai – 400 063, Tel No.: 022 26852000, Fax No.: 022-2686 8313 e-mail - enquiry@icicipruamc.com Additionally, investors may also lodge complaints on https://scores.sebi.gov.in if they are unsatisfied with the resolutions given by AMCs. SCORES portal facilitates you to lodge your complaint online with SEBI and subsequently view its status. Further, investors may also lodge complaints through Online Dispute Resolution Portal ('ODR') Portal available at https://smartodr.in/login.
XX.	Specific attribute of the scheme	Open Ended – Debt - Corporate Bond Fund
XXI.	Special product/facility available on ongoing basis	Systematic Investment Plan: The Unitholders of the Scheme can benefit by investing specific Rupee amounts periodically, for a continuous period. At the time of registration, the SIP allows the investors to invest a fixed equal amount of Rupees for purchasing additional Units of the Scheme at NAV based prices. Daily, Weekly, Fortnightly and Monthly SIP[§]: Rs. 100/- (plus in multiple of Re. 1/-) Minimum installments: 6 Quarterly SIP[§]: Rs. 5,000/- (plus in multiple of Re. 1/-) Minimum installments – 4 [§]The applicability of the minimum amount of transfer mentioned are at the time of registration only. Systematic Transfer Plan Systematic Transfer Plan (STP) is an option wherein Unit holders of designated schemes (Source Schemes) can opt to transfer a fixed amount at regular intervals and provide standing instructions to the AMC to switch the same into the designated schemes (Target Schemes).

		• Systematic Withdrawal Plan Unitholders of the Scheme have the benefit of enrolling themselves in the Systematic Withdrawal Plan. The SWP allows the Unitholder to withdraw a specified sum of money each month from his investments in the Scheme. At the time of registration the investor can choose any amount for withdrawal under the respective frequencies. For details on special products / facilities, SIP Cancellation and SIP Pause, please refer to Statement of Additional Information (SAI) for more details.

Rakesh Shetty

Chief Compliance Officer & Company Secretary

Place: Mumbai

Date: October 1, 2026

PART II. INFORMATION ABOUT THE SCHEME

A. HOW WILL THE SCHEME ALLOCATE ITS ASSETS?

Under normal circumstances, the asset allocation under the Scheme will be as follows:

Instruments	Indicative allocation (% of total assets)	
	Minimum	Maximum
Debt & money market instruments	0%	100%

The Scheme shall have exposure to corporate bonds with AA+ (or equivalent ratings) and above credit rating at least to the extent of 80% of the corpus of the Scheme.

The Margin may be placed in the form of such securities / instruments / deposits as may be permitted/eligible to be placed as margin from the assets of the Scheme. The securities / instruments / deposits so placed as margin shall be classified under the applicable category of assets for the purposes of asset allocation.

The Cumulative Gross Exposure across Debt and Money Market, Derivatives and such other securities/assets as may be permitted by SEBI, should not exceed 100% of the net assets of the scheme.

Exposure to various instruments will be as per the indicative table given below: (Below percentages shall be subject to applicable SEBI circulars:

Sr No.	Type of Instrument	% of exposure	Circular References
1.	Securitized Debt	Up to 50% of net assets	Paragraph 13.1 (2) of the Master Circular
2	Derivatives	Upto 100 % of the net assets	Paragraph 8.5 and 13.15 of the Master Circular
2(a)	Equity Derivatives for hedging purpose	-	
2(b)	Equity Derivatives for non-hedging purpose	-	
2(c)	Debt Derivatives for hedging/non hedging purpose	Upto 100 % of the net assets	
3.	AT1 and Tier II Bonds	a) Upto 10% of its NAV of the debt portfolio of the scheme in perpetual debt instruments and	Paragraph 13.1 (9) of the Master Circular

		b) Upto 5% of its NAV of the debt portfolio of the scheme at single issuer level. The above exposure will be subject to the overall limit for debt instruments issued by a single issuer and other prudential limits with respect to the debt instruments.	
4.	Structured Obligations and Credit Enhancements	Up to 10% of the debt portfolio of the scheme and the group exposure in such instruments shall not exceed 5% of the debt portfolio of the schemes: a. Unsupported rating of debt instruments (i.e. without factoring in credit-enhancements) is below investment grade and b. Supported rating of debt instruments (i.e. after factoring in credit enhancement) is above investment grade.	Paragraph 13.1 (10) of the Master Circular
5.	Stock Lending	NIL	Not Applicable
6.	Overseas Securities	NIL	Not Applicable
7.	Units issued by Infrastructure Investments Trusts (InvITs)	NIL	Not Applicable

Rebalancing due to Short Term Defensive Consideration:

- Due to market conditions, the AMC may invest beyond the range set out in the asset allocation. Such deviations shall normally be for a short term and defensive considerations as per Paragraph 1.9.1(b) and 3.11 of SEBI Master Circular, and the fund manager will rebalance the portfolio within 30 calendar days from the date of deviation.

Rebalancing due to Passive Breaches:

- Further, as per Paragraph 3.11 of SEBI Master Circular, as may be amended from time to time, in the event of deviation from mandated asset allocation due to passive breaches

(occurrence of instances not arising out of omission and commission of the AMC), the fund manager shall rebalance the portfolio of the Scheme within 30 Business Days. In case the portfolio of the Scheme is not rebalanced within the period of 30 Business Days, justification in writing, including details of efforts taken to rebalance the portfolio shall be placed before the Investment Committee of the AMC. The Investment Committee, if it so desires, can extend the timeline for rebalancing up to sixty (60) Business Days from the date of completion of mandated rebalancing period. Further, in case the portfolio is not rebalanced within the aforementioned mandated plus extended timelines the AMC shall comply with the prescribed restrictions, the reporting and disclosure requirements as specified in Paragraph 3.11.3 of the Master Circular.

The securities mentioned in the asset allocation pattern could be listed, unlisted, privately placed, secured or unsecured, rated or unrated and of any maturity. The securities may be acquired through secondary market purchases, Public Offering, other public offers, Private Placement, right offers (including renunciation) and negotiated deals.

In accordance with the requirement of Regulation 40 of SEBI (Mutual Funds) Regulations, 2026 read with paragraph 18.2 of SEBI Master circular pertaining to Investment by Mutual Fund Schemes and AMCs in units of Corporate Debt Market Development Fund, scheme shall invest 25 bps of its AUM as on December 31, 2022 in the units of the Corporate Debt Market Development Fund ('CDMDF') within 10 working days from the request of CDMDF. Further, an incremental contribution to CDMDF shall be made every six months within 10 working days from the end of half year starting from December 2023 to ensure 25 bps of scheme AUM is invested in units of CDMDF. However, if AUM decreases there shall be no return or redemption from CDMDF. Contribution made to CDMDF, including the appreciations on the same, if any, shall be locked-in till winding up of the CDMDF.

However, in case of winding up of contributing Scheme, inter-scheme transfers within the same Mutual Fund or across Mutual Funds may be undertaken.

For calculation of asset allocation limits of the scheme in terms of Part IV of Chapter 3 on 'Categorization and Rationalization of Mutual Fund Schemes' of Master Circular, investment in units of CDMDF and liquid assets shall be excluded from base of net assets.

Further, investments in CDMDF units shall not be considered as violation while considering maturity restriction as applicable for various purposes (including applicable Investment limits) and the calculations of Potential Risk Class (PRC) Matrix, Risk-o-meter, Stress testing and Duration for various purposes shall be done after excluding investments in units of CDMDF.

Cash or cash equivalents with residual maturity of less than 91 days may be treated as not creating any exposure. AMFI vide letter dated November 3, 2021 has clarified that Cash Equivalent shall consist of Government Securities, T-Bills and Repo on Government Securities

Apart from the above investment restrictions, the scheme may follow certain internal norms vis-à-vis limiting exposure to scrips, sectors etc., within the above mentioned restrictions, and these are subject to review from time to time.

Negative list: The Scheme will not invest/ have exposure in the following:

Sr. No	Particulars
1.	Short selling
2.	Stock Lending
3.	Overseas Securities
4.	Units of InvITs

B. WHERE WILL THE SCHEME INVEST?

Subject to the Regulations, the corpus of the Scheme can be invested in any (but not exclusively) of the following securities:

1. Securities created and issued by the Central and State Governments and/or repos/reverse repos in such Government Securities as may be permitted by RBI (including but not limited to coupon bearing bonds, zero coupon bonds and treasury bills)
2. Securities guaranteed by the Central and State Governments (including but not limited to coupon bearing bonds, zero coupon bonds and treasury bills)
3. Fixed Income Securities of domestic Government agencies and statutory bodies, which may or may not carry a Central/State Government guarantee
4. Corporate debt (of both public and private sector undertakings)
5. Securities of banks (both public and private sector) including term deposit with the banks as permitted by SEBI/RBI from time to time and development financial institutions
6. Money market instruments as permitted by SEBI/RBI, having maturities of up to one year.
7. Certificate of Deposits (CDs)
8. Commercial Paper (CPs)
9. Securitised Debt
10. The non-convertible part of convertible securities
11. Debt instruments with special features including Additional Tier 1 and Tier II bonds
12. Any other domestic fixed income securities as permitted by SEBI / RBI from time to time (including debt securities issued by REITs and InvITs).
13. Derivative instruments like Interest Rate Swaps, Forward Rate Agreements and such other derivative instruments permitted by SEBI/RBI from time to time.
14. Repo transactions in corporate debt securities
15. Units of Mutual Fund Schemes
16. Investment in units of CDMDF: In accordance with the requirement of Regulation 40 of SEBI (Mutual Funds) Regulations, 2026 read with paragraph 18.2 of SEBI Master circular pertaining to Investment by Mutual Fund Schemes and AMCs in units of Corporate Debt Market Development Fund, scheme shall invest 25 bps of its AUM in the units of CDMDF (AIF units).

The Scheme may also enter into repurchase and reverse repurchase obligations in all securities held by it as per the guidelines and regulations applicable to such transactions.

The inter Scheme transfer of investments and Investment limits for investing in HFCs shall be in accordance with the guidelines as stated in paragraph 13.19 and 12.9 of the Master Circular for

inter Scheme transfer and Prudential limits in sector exposure for Housing Finance Companies, respectively.

C. WHAT ARE THE INVESTMENT STRATEGIES?

The scheme aims to identify securities which offer optimal level of yields/returns, considering risk-reward ratio. The scheme will have minimum investment of 80% of total assets in AA+ and above rated corporate bonds. Balance amount will be invested in other debt and money market instruments. An appropriate mix of debt securities and money market instruments will be used. Money Market securities include cash and cash equivalents. **The Scheme shall follow an active investment strategy.**

With the aim of controlling risks, rigorous in depth credit evaluation of the securities proposed to be invested in will be carried out by the Risk Management team of the AMC. The credit evaluation includes a study of the operating environment of the company, the past track record as well as the future prospects of the issuer, the short as well as longer-term financial health of the issuer.

The AMC may consider the ratings of such Rating Agencies as approved by SEBI to carry out the functioning of rating agencies. In addition, the investment team of the AMC will study the macro economic conditions, including the political, economic environment and factors affecting liquidity and interest rates. The AMC would use this analysis to attempt to predict the likely direction of interest rates and position the portfolio appropriately to take advantage of the same.

Further, the Scheme may invest in other schemes managed by the AMC or in the Schemes of any other Mutual Funds, provided it is in conformity with the prevailing Regulations. As per the Regulations, no investment management fees will be charged for such investments.

The Scheme may use derivative instruments like Interest Rate Swaps, Interest Rate Futures, Forward Rate Agreements or other derivative instruments for the purpose of hedging, portfolio balancing and other purposes, as permitted under the Regulations. Hedging using Interest Rate Futures could be perfect or imperfect, subject to applicable regulations. Usage of derivatives may expose the Scheme to certain risks inherent to such derivatives. It may also invest in securitized debt.

For the present, the Scheme does not intend to enter into underwriting obligations. However, if the Scheme does enter into an underwriting agreement, it would do so with the prior approval of the Board of the AMC/Trustees.

The Scheme may undertake repo transactions in corporate debt securities in accordance with the directions issued by RBI and SEBI from time to time. Such investment shall be made subject to the guidelines which may be prescribed.

The scheme may refer to certain in-house models which would be based on various prevailing broad market parameters which would be dynamic in nature. The same may be referred by the fund manager as required from time to time.

Macaulay duration

The Macaulay duration is the weighted average term to maturity of the cash flows from a bond. The weight of each cash flow is determined by dividing the present value of the cash flow by the price.

For complete details on 'Derivative Strategies' kindly refer to SAI.

D. HOW WILL THE SCHEME BENCHMARK ITS PERFORMANCE?

The benchmark of the Scheme is NIFTY Corporate Bond Index A-II.

The composition of the benchmark is such that it is most suited for comparing performance of the Scheme of ICICI Prudential Mutual Fund. The Trustees reserves the right to change the benchmark in future, if a benchmark better suited to the investment objective of the Scheme is available.

E. WHO MANAGES THE SCHEME?

Mr. Manish Banthia and Mr. Ritesh Lunawat are the Fund Managers of the Scheme. As on August 31, 2026, Mr. Manish Banthia and Mr. Ritesh Lunawat have been managing this Scheme for a tenure of 2 years and 8 months since January 2024.

The qualifications and experience and Schemes managed by the aforesaid Fund Managers are given below:

Name of the Fund Manager/ Age/ Qualification	Experience	Other Schemes managed
Mr. Manish Banthia/46/ Chartered Accountant, MBA and B.Com	Mr. Manish Banthia is the Chief Investment Officer for the Fixed Income Investments. He is associated with ICICI Prudential Asset Management Company Limited since October 2005. He has an overall work experience of around 22 years. Past Experience: ~ ICICI Prudential Asset Management Company Limited - Fixed Income Investments - August 2007 to October 2009. ~ ICICI Prudential Asset Management Company Limited - New Product Development -	• ICICI Prudential Passive Multi-Asset Fund of Funds • ICICI Prudential Diversified Debt Strategy Active FOF (Erstwhile ICICI Prudential Debt Management Fund (FOF)) • ICICI Prudential Balanced Advantage Fund • ICICI Prudential Dynamic Asset Allocation Active FOF (Erstwhile ICICI Prudential Asset Allocator Fund(FOF)) • ICICI Prudential Aggressive Hybrid Active FOF (erstwhile ICICI Prudential Thematic Advantage Fund (FOF))

	October 2005 to July 2007. ~ Aditya Birla Nuvo Ltd. – June 2005 to October 2005. ~ Aditya Birla Management Corporation Ltd. – May 2004 to May 2005.	• ICICI Prudential Income Plus Arbitrage Omni FOF (Erstwhile ICICI Prudential Income Plus Arbitrage Active FOF) • ICICI Prudential Multi-Asset Active FOF • ICICI Prudential Gold ETF FOF (Erstwhile ICICI Prudential Regular Gold Savings Fund(FOF)) • ICICI Prudential Silver ETF FOF (ICICI Prudential Silver ETF Fund of Fund) • ICICI Prudential Long Term Fund (Erstwhile ICICI Prudential Long Term Bond Fund) • ICICI Prudential Gilt Fund • ICICI Prudential Ultra Short Term Fund • ICICI Prudential Medium Term Fund (erstwhile ICICI Prudential Medium Term Bond Fund) • ICICI Prudential Credit Risk Fund • ICICI Prudential Banking and PSU Debt Fund (Erstwhile ICICI Prudential Banking & PSU Debt Fund) • ICICI Prudential Dynamic Term Fund (Erstwhile ICICI Prudential All Seasons Bond Fund) • ICICI Prudential 10 year Constant Maturity Gilt Fund (Erstwhile ICICI Prudential Constant Maturity Gilt Fund) • ICICI Prudential Money Market Fund • ICICI Prudential Medium to Long Term Fund (erstwhile ICICI Prudential Bond Fund) • ICICI Prudential Short Term Fund • ICICI Prudential Multi Asset

F. HOW IS THE SCHEME DIFFERENT FROM EXISTING SCHEMES OF THE MUTUAL FUND

As on August 31, 2026, the Fund has following schemes under the Debt category:

Sr. No	Scheme Names
1.	ICICI Prudential Long Term Fund (Erstwhile ICICI Prudential Long Term Bond Fund)
2.	ICICI Prudential Gilt Fund
3.	ICICI Prudential Ultra Short Term Fund
4.	ICICI Prudential Corporate Bond Fund
5.	ICICI Prudential Floating Interest Rates Fund (Erstwhile ICICI Prudential Floating Interest Fund)
6.	ICICI Prudential Medium Term Fund (Erstwhile ICICI Prudential Medium Term Bond Fund)
7.	ICICI Prudential Overnight Fund
8.	ICICI Prudential Ultra Short to Short Term Fund
9.	ICICI Prudential Credit Risk Fund
10.	ICICI Prudential Banking and PSU Debt Fund
11.	ICICI Prudential 10 year Constant Maturity Gilt Fund (Erstwhile ICICI Prudential Constant Maturity Gilt Fund)
12.	ICICI Prudential Dynamic Term Fund (Erstwhile ICICI Prudential All Seasons Bond Fund)
13.	ICICI Prudential Money Market Fund
14.	ICICI Prudential Medium to Long Term Fund (Erstwhile ICICI Prudential Bond Fund)
15.	ICICI Prudential Liquid Fund
16.	ICICI Prudential Short Term Fund

A detailed comparison between the existing schemes of the mutual fund is available at the below link:

[SID related information \(icicipruamc.com\)](http://icicipruamc.com)

G. HOW HAS THE SCHEME PERFORMED?

Compounded Annualised Returns (in %) of the Scheme (Growth Option) and its benchmark as on August 31, 2026:

Period	ICICI Prudential Corporate Bond Fund - Regular	NIFTY Corporate Bond Index A-II (Benchmark)	ICICI Prudential Corporate Bond Fund - Direct	NIFTY Corporate Bond Index A-II (Benchmark)
Last 1 Year	5.93	4.27	6.16	4.27
Last 3 Year	7.25	6.46	7.49	6.46
Last 5 Year	6.56	5.63	6.82	5.63
Since Inception	7.82	7.64	8.07	7.33
Inception Date [^]	05-04-2011		01-01-2013	

Absolute returns* of the Scheme for the last 5 financial years:

The date of inception of the Scheme is April 5, 2011, however the direct plan under the scheme was being offered since January 1, 2013. Thus, the returns of direct plan are computed for period starting Jan 1, 2013.

Performance of the scheme is benchmarked to total return variant of the index.

Past performance may or may not be sustained in the future and the same may not necessarily provide the basis for comparison with other investment. The returns are calculated on the basis of Compounded Annualized Growth returns (CAGR). For computation of since inception returns the allotment NAV has been taken as Rs. 10. The benchmark of this scheme has been revised from CRISIL AAA Short Term Bond Index to Nifty Corporate Bond Index with effect from

December 01, 2021 and from NIFTY Corporate Bond Index to CRISIL Corporate Bond Fund B-II Index with effect from April 1, 2022. The benchmark of the Scheme has been changed from CRISIL Corporate Bond B-II Index to NIFTY Corporate Bond Index A-II with effect from March 12, 2024.

^Inception date shown is the date from which units under the Scheme are available throughout.

H. ADDITIONAL SCHEME RELATED DISCLOSURES

i. SCHEME'S PORTFOLIO HOLDINGS

The top 10 holdings by the Scheme and allocation towards various sectors can be accessed at the below link: [Downloads - Application Forms, SID, KIM, SAI & Others | ICICI Prudential Mutual Fund](#)

ii. DISCLOSURE OF NAME AND EXPOSURE TO TOP 7 ISSUERS, STOCKS, GROUPS AND SECTORS AS A PERCENTAGE OF NAV OF THE SCHEME IN CASE OF DEBT AND EQUITY ETFS/INDEX FUNDS THROUGH A FUNCTIONAL WEBSITE LINK THAT CONTAINS DETAILED DESCRIPTION –

Not Applicable for Debt Schemes

iii. PORTFOLIO DISCLOSURE

Investors can obtain scheme's latest fortnightly/monthly/half yearly portfolio holding from the website of the AMC i.e.

[Downloads - Application Forms, SID, KIM, SAI & Others | ICICI Prudential Mutual Fund](#)

iv. WEBSITE LINK TO THE RESPECTIVE ADDENDUMS TO THE SID AFTER THE LAST UPDATE OF SID - NIL

v. SCHEME'S PORTFOLIO TURNOVER RATIO: Not Applicable for Debt schemes

vi. Aggregate investment in the Scheme by:

As on August 31, 2026:

Sr. No.	Category of Persons	Net Value		Market Value (in Rs.)
	Scheme's Fund Manager(s)	Units	NAV per unit	
1.	Manish Banthia	27084.998	33.5079	9,07,561.40
2.	Ritesh Lunawat	26774.237	33.5079	8,97,148.46

For any other disclosure with respect to investments by key personnel and AMC directors including regulatory provisions in this regard kindly refer SAI.

vii. INVESTMENT OF THE AMC IN THE SCHEME

From time to time and subject to the SEBI (Mutual Funds) Regulations, 2026, the Sponsors, the Mutual Funds and investment companies managed by them, their associate companies, subsidiaries of the sponsors and the AMC may invest in either directly or indirectly in the scheme. The funds managed by these associates and/ or the AMC may acquire a substantial portion of the scheme. Accordingly, redemption of units held by such funds, associates and sponsors may have an adverse impact on the units of the scheme because the timing of such redemption may impact the ability of other unit holders to redeem their units. The details of such investments of the AMC can be accessed at the following link: [Statutory Disclosure \(icicipruamc.com\)](http://icicipruamc.com)

PART III. OTHER DETAILS

A. COMPUTATION OF NAV

The NAV of the Units of the Scheme will be computed by dividing the net assets of the Scheme by the number of Units outstanding on the valuation date. The Fund shall value its investments according to the valuation norms, as specified in Schedule VII of the Regulations, or such norms as may be prescribed by SEBI from time to time and as stipulated in the Valuation Policy and Procedures of the Fund, provided in SAI.

The NAV of the Scheme shall be rounded off up to four decimals.

NAV of units under the Scheme shall be calculated as shown below:

$$\begin{array}{l} \text{NAV} \\ \text{(Rs.)} \\ \text{(Net} \\ \text{Asset} \\ \text{Value)} \end{array} = \frac{\text{Net Assets of the scheme i.e. Market or Fair Value of Scheme's investments + Current Assets - Current Liabilities and Provision}}{\text{No. of Units outstanding under Scheme}}$$

The NAV of the Scheme will be calculated as of the close of every Business Day. The valuation of the Scheme's assets and calculation of the Scheme's NAV shall be subject to audit on an annual basis and such regulations as may be prescribed by SEBI from time to time.

For further details, such as policies with respect to computation of NAV, rounding off, valuation of investment in foreign securities, procedure in case of delay in disclosure of NAV etc, please refer to SAI.

Illustration on computation of NAV:

Net Assets of the Scheme (A)	Rs.10,45,34,345.34
No. of outstanding units (B)	100,00,000 units

NAV (A / B) (Rounded off to four decimals)	Rs 10.4534
---	------------

B. NEW FUND OFFER (NFO) EXPENSE - Not Applicable

C. ANNUAL SCHEME RECURRING EXPENSES

These are the fees and expenses for operating the Scheme. These expenses include Investment Management and Advisory Fee charged by the AMC, Registrar and Transfer Agents' fee, marketing and selling costs etc. as given in the table below:

The AMC has estimated that up to 1.85% of the daily net assets of the Scheme will be charged to the Scheme as expenses. For the actual current expenses being charged, the investor should refer to the website of the mutual fund. In case of any change in the expense ratio, the AMC would update the current expense ratios on the website at least three business days prior to the effective date of the change. The requirement for disclosing such change would be subject to paragraph 11.4 of the Master Circular.

Investor can refer [Total Expense Ratio of Mutual Fund Schemes \(icicipruamc.com\)](http://icicipruamc.com) for Total Expense Ratio (TER) details.

Details of Annual Scheme Recurring Expenses under the Scheme is as follows:

Particulars	ICICI Prudential Corporate Bond Fund (%of net assets)
Investment Management and Advisory Fees	Up to 1.85
Audit Fees and expenses of trustees	
Custodian Fees	
Registrar & Transfer Agent Fees including cost of providing account statements/IDCW/redemption cheques/warrants	
Marketing & Selling Expenses including Agents Commission and statutory advertisement	
Cost related to investor communications	
Cost of fund transfer from location to location	
Cost towards investor education, awareness and financial inclusion	
Brokerage cost pertaining to execution of trades	
Cost of Statutory advertisements	
Other Expenses*	
Maximum Base expense ratio (BER) permissible under Regulation 66(7)	Up to 1.85
The aforesaid does not include Statutory levies charged to the investor.	

Statutory levies (including GST) on all expenses excluding brokerage and transaction cost	GST of 18% or any other rate may be levied from time to time on the Taxable/ Invoice/ Contract amount. Additionally, levies such as Stamp Duty, STT etc.
Statutory levies (including GST) on brokerage and transaction cost	Will be charged on Turnover of securities which will be at prescribed rates.

*As permitted under Regulation 66 of SEBI (MF) Regulations, 2026 and pursuant paragraph 11.6 of the Master Circular.

Direct Plan shall have a lower expense ratio excluding distribution expenses and its statutory levies, commission, etc as compared to other Plan and no commission for distribution of Units will be paid/ charged under Direct Plan.

All fees and expenses charged in a Direct Plan (in percentage terms) under various heads including the investment and advisory fee shall not exceed the fees and expenses charged under such heads in Regular Plan.

The Scheme can charge expenses within overall maximum limits prescribed under SEBI (MF) Regulations, without any internal cap allocated to any of the expense heads specified in the above table. Types of expenses charged shall be as per the SEBI (Mutual Funds) Regulations, 2026.

As per the Regulations, the maximum recurring expenses that can be charged to the Scheme shall be subject to a percentage limit of daily net assets as in the table below:

First Rs.500 Crore	Next Rs.250 Crores	Next Rs.1250 Crores	Next Rs.3000 Crores	Next Rs.5000 Crores	Next Rs. 40,000 Crores	On balance of the assets
--------------------------	--------------------------	---------------------------	---------------------------	---------------------------	------------------------------	-----------------------------------

1.85%	1.65%	1.40%	1.25%	1.15%	Total expense ratio reduction of 0.05% for every increase of Rs. 5,000 crores of daily net assets or part thereof	0.70%
-------	-------	-------	-------	-------	---	-------

The above expense percentage excludes additional expenses charged towards statutory levy, transaction charges incurred for the purpose of execution of a trade which includes regulatory levies and any other expense charged by the stock exchanges, clearing corporations and clearing houses, as applicable.

The AMC shall pay additional commission to distributors for onboarding new individual investors (new PAN) from B-30 cities at the mutual fund industry Level and new women individual investors (new PAN) from both Top 30 and B-30 cities.

The additional distribution commission shall be paid from the 2 basis points on daily net assets, mandated to be set apart annually by AMCs for investor education, awareness and financial inclusion initiatives, subject to adequate claw back provisions.

The additional commission specified above shall be in addition to the existing trail commission paid to the distributor from the scheme.

At least 2 basis points on daily net assets within the maximum limit of overall expense Ratio shall be annually set apart for investor education and awareness initiatives. The same shall be within limits specified under paragraph 11.9.3 of the Master Circular.

Brokerage cost incurred for the purpose of execution of trade over and above the base expense ratio subject to a maximum of 6 bps of trade value in case of cash market transactions and 2 bps of trade value in case of derivatives transactions. Any payment towards brokerage and transaction costs, over and above the said 6 bps and 2bps for cash market transactions and derivatives transactions respectively may be charged to the scheme within the maximum limit of Base Expense Ratio as prescribed under regulation 66.

No charges other than the base expense ratio, brokerage cost, transaction cost, statutory levy and exit load including levies as may be specified by the Board, shall be charged to the investors.

Expenses shall be charged / borne in accordance with the Regulations prevailing from time to time.

The following is an illustration of the impact of expense ratio on the scheme's returns:

Particulars	Regular Plan	Direct Plan
Amount Invested at the beginning of the year	10,000	10,000
Returns before Expenses	1,500	1,500
Expenses other than Distribution Expenses	150	150
Distribution Expenses	50	-
Returns after Expenses at the end of the Year	1300	1350

The returns of the Direct Plan for the Scheme shall be exclusive of distributor commission and statutory levies charged on the same.

D. LOAD STRUCTURE

Exit Load is an amount which is paid by the investor to redeem the units from the scheme. Load amounts are variable and are subject to change from time to time. For the current applicable structure, please refer to the website of the AMC (www.icicipruamc.com) or your distributor.

Type of Load	Load chargeable (as % of NAV)
Exit Load	NIL

Any redemption/switch arising out of excess holding by an investor beyond 25% of the net assets of the Scheme in the manner envisaged paragraph 7.19.1.(d) of the Master Circular, such redemption / switch will not be subject to exit load.

The exit load charged, if any, shall be credited back to the respective scheme. Goods and Services tax on exit load shall be paid out of the exit load proceeds and exit load net of Goods and Services tax shall be credited to the Scheme.

Exit Load, if any, prevailing on the date of enrolment of SIP/STP shall be levied in the Scheme. Units issued on reinvestment of IDCW shall not be subject to exit load.

The investor is requested to check the prevailing load structure of the Scheme before investing.

Subject to the Regulations, the Trustee reserves the right to modify/alter the load structure on the Units subscribed/redeemed on any Business Day. At the time of changing the load structure, the AMC / Mutual Fund may adopt the following procedure:

- The addendum detailing the changes will be attached to Scheme Information Documents and key information memorandum. The addendum will be circulated to all the distributors/brokers so that the same can be attached to all Scheme Information Documents and key information memoranda already in stock.
- Arrangements will be made to display the addendum in the Scheme Information Document in the form of a notice in all the investor service centres and distributors/brokers office.
- The introduction of the exit load along with the details will be stamped in the

Scheme Information Document
ICICI Prudential Corporate Bond Fund

[Back to Index](#)

acknowledgement slip issued to the investors on submission of the application form and will also be disclosed in the statement of accounts issued after the introduction of such load.

- iv. A public notice shall be provided on the website of the AMC in respect of such changes.

Any imposition or enhancement in the load shall be applicable on prospective investments only.

SECTION II

I. Introduction

A. Definitions

Definition for the words and expressions used in the SID are available at the following link:

[SID related information \(icicipruamc.com\)](http://icicipruamc.com)

The words and expressions shall have the meaning as specified at the above link, unless the context otherwise requires.

B. Risk Factors

I. **Standard Risk Factors:** Please refer to SAI.

II. **Scheme specific risk factors**

Risk Factors:

The Scheme is subject to the principal risks described below. Some or all of these risks may adversely affect Scheme's NAV, trading price, yield, total return and/or its ability to meet its objectives.

Risk associated with investment in fixed income and money market securities

- **Market Risk/Interest Rate Risk:** The Net Asset Value (NAV) of the Scheme, to the extent invested in fixed income and money market securities, will be affected by changes in the general level of interest rates. The NAV of the Scheme(s) is expected to increase from a fall in interest rates while it would be adversely affected by an increase in the level of interest rates.
- **Liquidity Risk:** The liquidity of a security may change depending on market conditions leading to changes in the liquidity premium linked to the price of the security. At the time of selling the security, the security can become illiquid leading to loss in the value of the portfolio.
- **Credit Risk:** Investments in fixed income securities and money market instruments are subject to the risk of an issuer's inability to meet interest and principal payments on its obligations and market perception of the creditworthiness of the issuer.
- **Price Risk:** Government securities where a fixed return is offered run price-risk like any other fixed income security. Generally, when interest rates rise, prices of fixed income securities fall and when interest rates drop, the prices increase. The extent of fall or rise in the prices is a function of the existing coupon, days to maturity and the increase or decrease in the level of

interest rates. The new level of interest rate is determined by the rates at which government raises new money and/or the price levels at which the market is already dealing in existing securities. The price-risk is not unique to Government Securities. It exists for all fixed income securities. However, Government Securities are unique in the sense that their credit risk generally remains zero. Therefore, their prices are influenced only by movement in interest rates in the financial system.

- **Reinvestment Risk:** This risk refers to the interest rate levels at which cash flows received from the securities in the Scheme are reinvested. The additional income from reinvestment is the “interest on interest” component. The risk is that the rate at which interim cash flows can be reinvested may be lower than that originally assumed.
- **Regulatory Risk:** Changes in government policy in general and changes in tax benefits applicable to Mutual Funds may impact the returns to investors in the Scheme.
- **Risks associated with investment in unlisted securities:** Except for any security of an associate or group company, the scheme(s) have the power to invest in securities which are not listed on a stock exchange or receive unlisted securities which in general are subject to greater price fluctuations, less liquidity and greater risk than those which are traded in the open market. These securities may lack a liquid secondary market and there can be no assurance that the scheme will realise their investments in unlisted securities at a fair value.
- **Settlement risk:** The inability of the Scheme to make intended securities purchases due to settlement problems could cause the Scheme to miss certain investment opportunities. By the same rationale, the inability to sell securities held in the Scheme’s portfolio due to the extraneous factors that may impact liquidity would result, at times, in potential losses to the Scheme.
- **Different types of fixed income securities in which the Scheme(s) would invest as given in the Scheme Information Document carry different levels and types of risk.** Accordingly, the Scheme(s) risk may increase or decrease depending upon its investment pattern. e.g. corporate bonds carry a higher level of risk than Government securities.
- **The AMC may, considering the overall level of risk of the portfolio, invest in lower rated / unrated securities offering higher yields as well as zero coupon securities that offer attractive yields.** This may increase the absolute level of risk of the portfolio.
- **As zero coupon securities does not provide periodic interest payments to the holder of the security, these securities are more sensitive to changes in interest rates.** Therefore, the interest rate risk of zero coupon securities is higher. The AMC may choose to invest in zero coupon securities that offer attractive yields. This may increase the risk of the portfolio.
- **The Scheme(s) at times may receive large number of redemption requests, leading to an asset-liability mismatch and therefore, requiring the investment manager to make a distress sale of the securities leading to realignment of the portfolio and consequently resulting in investment in lower yield instruments.**

Risk associated with investment in Derivatives

1. The Schemes may use various derivative products as permitted by the Regulations. Use of derivatives requires an understanding of not only the underlying instrument but also of the derivative itself. Other risks include the risk of mis-pricing or improper valuation and the inability of derivatives to correlate perfectly with underlying assets, rates and indices.
2. The Scheme may use derivatives instruments like Interest Rate Swaps, Forward Rate Agreements or other derivative instruments for the purpose of hedging and portfolio balancing, as permitted under the Regulations and guidelines. Usage of derivatives will expose the Schemes to certain risks inherent to such derivatives.
3. Derivative products are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the investor. Execution of such strategies depends upon the ability of the fund manager to identify such opportunities. Identification and execution of the strategies to be pursued by the fund manager involve uncertainty and decision of fund manager may not always be profitable. No assurance can be given that the fund manager will be able to identify or execute such strategies.
4. Thus, derivatives are highly leveraged instruments. Even a small price movement in the underlying security could have a large impact on their value.
5. The risks associated with the use of derivatives are different from or possibly greater than the risks associated with investing directly in securities and other traditional investments.
6. The specific risk factors arising out of a derivative strategy used by the Fund Manager may be as below:
 - The risk of mispricing or improper valuation and the inability of derivatives to correlate perfectly with underlying assets, rates and indices.
 - Execution Risk: The prices which are seen on the screen need not be the same at which execution will take place
 - Basis Risk: This risk arises when the derivative instrument used to hedge the underlying asset does not match the movement of the underlying asset being hedged
 - Exchanges could raise the initial margin, variation margin or other forms of margin on derivative contracts, impose one sided margins or insist that margins be placed in cash. All of these might force positions to be unwound at a loss, and might materially impact returns.
 - The derivative contracts at times are undertaken with various counterparties. These counterparties may not be able to meet the obligations under such derivative contracts. This would lead to credit risk in derivative transactions, Hence, derivative trades are undertaken with approved counterparties or through exchanges. This mitigates credit risk on derivative transactions.

Risk with respect to imperfect hedging using interest rate futures

An Interest Rate Futures is an agreement to buy or sell a debt instrument at a specified future date at a price that is fixed today. Interest Rate Futures are Exchange traded. These future contracts are cash settled.

1. Perfect Hedging means hedging the underlying using IRF contract of same underlying.
2. Imperfect hedging means the underlying being hedged and the IRF contract has correlation of closing prices of more than 90%.

In case of imperfect hedging, the portfolio can be a mix of:

- 1) Corporate Bonds and Government securities or
- 2) Only Corporate debt securities or
- 3) Only government securities with different maturities

Risk associated with imperfect hedging includes:

- **Basis Risk:** The risk arises when the price movements in derivative instrument used to hedge the underlying assets does not match the price movements of the underlying assets being hedged. Such difference may potentially amplify the gains or losses, thus adding risk to the position.
- **Price Risk:** The risk of mispricing or improper valuation and the inability of derivatives to correlate perfectly with underlying assets, rates and indices.
- **Risk of mismatch between the instruments:** The risk arises if there is a mismatch between the prices movements in derivative instrument used to hedge, compared to the price movement of the underlying assets being hedged. For example, when IRF which has government security as underlying is used, to hedge a portfolio that contains corporate debt securities.
- **Correlation weakening and consequent risk of regulatory breach:** SEBI Regulation mandates minimum correlation criterion of 0.9 (calculated on a 90 day basis) between the portfolio being hedged and the derivative instrument used for hedging. In cases where the correlation falls below 0.9, a rebalancing period of 5 business days has been permitted. Inability to satisfy this requirement to restore the correlation level to the stipulated level, within the stipulated period, due to difficulties in rebalancing would lead to a lapse of the exemption in gross exposure computation. The entire derivative exposure would then need to be included in gross exposure, which may result in gross exposure in excess of 100% of net asset value.

Risk associated with investment in Securitized Debt

A securitization transaction involves sale of receivables by the originator (a bank, non-banking finance company, housing finance company, microfinance companies or a manufacturing/service company) to a Special Purpose Vehicle (SPV), typically set up in the form of a trust. Investors are issued rated Pass Through Certificates (PTCs), the proceeds of which are paid as consideration to the originator. In this manner, the originator, by selling his loan receivables to an SPV, receives consideration from investors much before the maturity of the underlying loans. Investors are paid from the collections of the underlying loans from borrowers.

Typically, the transaction is provided with a limited amount of credit enhancement (as stipulated by the rating agency for a target rating), which provides protection to investors against defaults by the underlying borrowers. Generally available asset classes for securitization in India are:

- Commercial vehicles
- Auto and two wheeler pools
- Mortgage pools (residential housing loans)
- Personal loan, credit card and other retail loans
- Corporate loans/receivables
- Microfinance receivables

In pursuance to SEBI communication dated: August 25, 2010, given below are the requisite details relating to investments in Securitized debt.

- Risk profile of securitized debt vis-à-vis risk appetite of the scheme:

The Scheme aims to provide reasonable returns to investors with a long-term investment horizon.. Securitized debt instruments are relatively illiquid in the secondary market and hence they are generally held to maturity which would match with the long-term investment horizon of these investors. Investment in these instruments may help the fund in aiming at reasonable returns. These returns come with a certain degree of risks which are covered separately in the Scheme Information Document. Accordingly, the medium risk profile of the securitized debt instruments matches that of the prospective investors of these schemes.

- Policy relating to originators based on nature of originator, track record, NPAs, losses in earlier securitized debt, etc.

- Risk mitigation strategies for investments with each kind of originator

For a complete understanding of the policy relating to selection of originators, the AMC has first analysed below risks attached to a securitization transaction.

In terms of specific risks attached to securitization, each asset class would have different underlying risks, however, residential mortgages are supposed to be having lower default rates as an asset class. On the other hand, repossession and subsequent recovery of commercial vehicles and other auto assets is fairly easier and better compared to mortgages. Some of the asset classes such as personal loans, credit card receivables etc., being unsecured credits in nature, may witness higher default rates. As regards corporate loans/receivables, depending upon the nature of the underlying security for the loan or the nature of the receivable the risks would correspondingly fluctuate. However, the credit enhancement stipulated by rating agencies for such asset class pools is typically much higher, which helps in making their overall risks comparable to other AAA/AA rated asset classes.

The Scheme may invest in securitized debt assets. These assets would be in the nature of Asset Backed Securities (ABS) and Mortgage Backed Securities (MBS) with underlying pool of assets and receivables like housing loans, auto loans and single corporate loan originators. The Scheme intends to invest in securitized instruments rated AAA/AA by a SEBI recognized credit rating agency.

Before entering into any securitization transaction, the risk is assessed based on the information generated from the following sources:

- (1) Rating provided by the rating agency
- (2) Assessment by the AMC

1) Assessment by a Rating Agency

In its endeavor to assess the fundamental uncertainties in any securitization transaction, a credit rating agency normally takes into consideration following factors:

• Credit Risk

Credit risk forms a vital element in the analysis of securitization transaction. Adequate credit enhancements to cover defaults, even under stress scenarios, mitigate this risk. This is done by evaluating following risks:

- Asset risk
- Originator risk
- Portfolio risk
- Pool risks

The quality of the pool is a crucial element in assessing credit risk. In the Indian context, generally, pools are 'cherry-picked' using positive selection criteria. To protect the investor from adverse selection of pool contracts, the rating agencies normally take into consideration pool characteristics such as pool seasoning (seasoning represents the number of installments paid by borrower till date: higher seasoning represents better quality), over dues at the time of selection and Loan to Value (LTV). To assess its risk profile vis-à-vis the overall portfolio, the pool is analyzed with regard to geographical location, borrower profile, LTV, and tenure.

• Counterparty Risk

There are several counterparties in a securitization transaction, and their performance is crucial. Unlike in the case of credit risks, where the risks emanate from a diversified pool of retail assets, counterparty risks result in either performance or non-performance. The rating agencies generally mitigate such risks through the usage of stringent counterparty selection and replacement criteria to reduce the risk of failure. The risks assessed under this category include:

- Servicer risk
- Commingling risk
- Miscellaneous other counterparty risks

• Legal Risks

The rating agency normally conducts a detailed study of the legal documents to ensure that the investors' interest is not compromised and relevant protection and safeguards are built into the transaction.

- **Market Risks**

Market risks represent risks not directly related to the transaction, but other market related factors, stated below, which could have an impact on transaction performance, or the value of the investments to the investors.

- Macro-economic risks
- Prepayment risks
- Interest rate risks

➤ **Other Risks associated with investment in securitized debt and mitigation measures:**

- **Limited Liquidity and Price Risk**

There is no assurance that a deep secondary market will develop for the Certificates. This could limit the ability of the investor to resell them.

Risk Mitigation: Securitized debt instruments are relatively illiquid in the secondary market and hence they are generally held to maturity. The liquidity risk and HTM nature is taken into consideration at the time of analyzing the appropriateness of the securitization.

- **Limited Recourse, Delinquency and Credit Risk**

The Credit Enhancement stipulated represents a limited loss cover to the Investors. These Certificates represent an undivided beneficial interest in the underlying receivables and do not represent an obligation of either the Issuer or the Seller or the originator, or the parent of the Seller, Issuer and Originator. No financial recourse is available to the Certificate Holders against the Investors' Representative. Delinquencies and credit losses may cause depletion of the amount available under the Credit Enhancement and thereby the Investor Payouts to the Certificate Holders may get affected if the amount available in the Credit Enhancement facility is not enough to cover the shortfall. On persistent default of an Obligor to repay his obligation, the Servicer may repossess and sell the Asset. However, many factors may affect, delay or prevent the repossession of such Asset or the length of time required to realize the sale proceeds on such sales. In addition, the price at which such Asset may be sold may be lower than the amount due from that Obligor.

Risk Mitigation: In addition to careful scrutiny of credit profile of borrower/pool, additional security in the form of adequate cash collaterals and other securities may be obtained to ensure that they all qualify for similar rating.

- **Risks due to possible prepayments: Weighted Tenor / Yield**

Asset securitisation is a process whereby commercial or consumer credits are packaged and sold in the form of financial instruments. Full prepayment of underlying loan contract may arise under any of the following circumstances;

- Obligor pays the Receivable due from him at any time prior to the scheduled maturity

- date of that Receivable; or
- Receivable is required to be repurchased by the Seller consequent to its inability to rectify a material misrepresentation with respect to that Receivable; or
- The Servicer recognizing a contract as a defaulted contract and hence repossessing the underlying Asset and selling the same
- In the event of prepayments, investors may be exposed to changes in tenor and yield.

Risk Mitigation: A certain amount of prepayments is assumed in the calculations at the time of purchase based on historical trends and estimates. Further a stress case estimate is calculated and additional margins are built in.

- **Bankruptcy of the Originator or Seller**

If originator becomes subject to bankruptcy proceedings and the court in the bankruptcy proceedings concludes that the sale from originator to Trust was not a sale, then an Investor could experience losses or delays in the payments due. All possible care is generally taken in structuring the transaction so as to minimize the risk of the sale to Trust not being construed as a “True Sale”. Legal opinion is normally obtained to the effect that the assignment of Receivables to Trust in trust for and for the benefit of the Investors, as envisaged herein, would constitute a true sale.

Risk Mitigation: Normally, specific care is taken in structuring the securitization transaction so as to minimize the risk of the sale to the trust not being construed as a 'true sale'. It is also in the interest of the originator to demonstrate the transaction as a true sell to get the necessary revenue recognition and tax benefits.

- **Bankruptcy of the Investor's Agent**

If Investor's agent becomes subject to bankruptcy proceedings and the court in the bankruptcy proceedings concludes that the recourse of Investor's Agent to the assets/receivables is not in its capacity as agent/Trustee but in its personal capacity, then an Investor could experience losses or delays in the payments due under the swap agreement. All possible care is normally taken in structuring the transaction and drafting the underlying documents so as to provide that the assets/receivables if and when held by Investor's Agent is held as agent and in Trust for the Investors and shall not form part of the personal assets of Investor's Agent. Legal opinion is normally obtained to the effect that the Investors Agent's recourse to assets/receivables is restricted in its capacity as agent and trustee and not in its personal capacity.

Risk Mitigation: All possible care is normally taken in structuring the transaction and drafting the underlying documents so as to provide that the assets/receivables if and when held by Investor's Agent is held as agent and in Trust for the Investors and shall not form part of the personal assets of Investor's Agent.

- **Risk of Co-mingling**

With respect to the Certificates, the Servicer will deposit all payments received from the

Obligors into the Collection Account. However, there could be a time gap between collection by a Servicer and depositing the same into the Collection account especially considering that some of the collections may be in the form of cash. In this interim period, collections from the Loan Agreements may not be segregated from other funds of originator. If originator in its capacity as Servicer fails to remit such funds due to Investors, the Investors may be exposed to a potential loss.

2) Assessment by the AMC

- **Track record**

The AMC ensures that there is adequate past track record of the Originator before selection of the pool including a detailed look at the number of issuances in past, track record of issuances, experience of issuance team, etc.

- **Willingness to pay**

As the securitized structure has underlying collateral structure, depending on the asset class, historical NPA trend and other pool / loan characteristics, a credit enhancement in the form of cash collateral, such as fixed deposit, bank, guarantee etc. is obtained, as a risk mitigation measure.

- **Ability to pay**

This assessment is based on a strategic framework for credit analysis, which entails a detailed financial risk assessment.

Management analysis is used for identifying company specific financial risks. One of the most important factors for assessment is the quality of management based on its past track record and feedback from market participants. In order to assess financial risk a broad assessment of the issuer's financial statements is undertaken to review its ability to undergo stress on cash flows and asset quality. Business risk assessment, wherein following factors may be considered:

- Outlook for the economy (domestic and global)
- Outlook for the industry
- Company specific factors

In addition, a detailed review and assessment of rating rationale is done including interactions with the company as well as agency

➤ Critical Evaluation Parameters (For Pool Loan and Single Loan Securitization Transactions)

Typically, the AMC would avoid investing in securitization transaction (without specific risk mitigant strategies / additional cash/security collaterals/ guarantees) if there are concerns on the following issues regarding the originator / underlying issuer:

- High default track record/ frequent alteration of redemption conditions / covenants
- High leverage ratios – both on a standalone basis as well on a consolidated level/

- group level
- Higher proportion of re-schedulement of underlying assets of the pool or loan, as the case may be
- Higher proportion of overdue assets of the pool or the underlying loan, as the case may be
- Poor reputation in market
- Insufficient track record of servicing of the pool or the loan, as the case may be.

Table below illustrates the framework that may be applied while evaluating investment decision relating to a pool securitization transaction:

Characteristics/Type of Pool	Mortgage Loan	Commercial Vehicle and Construction Equipment	CAR	2 wheelers	Micro Finance Pools	Personal Loans
Approximate Average maturity (in Months)	36-120 months	12-60 months	12-60 months	15-48 months	15-80 weeks	5 months -3 years
Collateral margin (including cash ,guarantees, excess interest spread , subordinate tranche)	3-10%	4-12%	4-13%	4-15%	5-15%	5-15%
Average Loan to Value Ratio	75% - 95%	80%-98%	75%-95%	70% - 95%	Unsecured	Unsecured
Average seasoning of the Pool	3-5 months	3-6 months	3-6 months	3-5 months	2-7 weeks	1-5 months
Maximum single exposure range	4-5%	3-4%	NA (Retail Pool)	NA (Retail Pool)	NA (Very Small Retail loan)	NA (Retail Pool)
Average single exposure range %	0.5 %-3%	0.5%-3%	<1% of the Fund size	<1% of the Fund size	<1% of the Fund size	<1% of the Fund size

Notes:

1. Retail pools are the loan pools relating to Car, 2 wheelers, micro finance and personal loans, wherein the average loan size is relatively small and spread over large number of borrowers.
2. Information illustrated in the Tables above, is based on the current scenario relating to Securitized Debt market and is subject to change depending upon the change in the related factors.
3. The level of diversification with respect to the underlying assets, and risk mitigation measures for less diversified investments
4. Majority of our securitized debt investments shall be in asset backed pools wherein the AMC may have underlying assets as Medium and Heavy Commercial Vehicles, Light Commercial Vehicles (LCV), Cars, and Construction Equipment etc. Where the AMC invests in Single Loan Securitization, as the credit is on the underlying issuer, the AMC focuses on the credit review of the borrower.

In addition to the framework as per the table above, the AMC also take into account following factors, which are analyzed to ensure diversification of risk and measures identified for less diversified investments:

- Size of the Loan
- Average Original Maturity of the Pool
- Delinquency Distribution
- Geographical Distribution
- Loan to Value Ratio
- Average seasoning of the pool
- **Risk Tranching**

Typically, the AMC may avoid investing in mezzanine debt or equity of Securitized debt in the form of sub ordinate tranche, without specific risk mitigant strategies / additional cash / security collaterals/ guarantees, etc.

- **The mechanism to tackle conflict of interest when the mutual fund invests in securitized debt of an originator and the originator in turn makes investments in that particular scheme of the fund**

Investments made by the scheme in any asset are done based on the requirements of the scheme and is in accordance with the investment policy. All Investments are made entirely at an arm's length basis with no consideration of any existing / consequent investments by any party related to the transaction (originator, issuer, borrower etc.). Investments made in Securitized debt are made as per the Investment pattern of the Scheme and are done after detailed analysis of the underlying asset. There might be instances of Originator investing in

the same scheme but both the transactions are at arm's length and avoid any conflict of interest.

- **In general, the resources and mechanism of individual risk assessment with the AMC for monitoring investment in securitized debt**

The risk assessment process for securitized debt, as detailed in the preceding paragraphs, is similar to any other credit. The investments in securitized debt are done after appropriate research. The ratings are monitored for any movement.

Note: The information contained herein is based on current market conditions and may change from time to time based on changes in such conditions, regulatory changes and other relevant factors. Accordingly, our investment strategy, risk mitigation measures and other information contained herein may change in response to the same.

Risk associated with investment in Perpetual Debt Instrument (PDI)

Perpetual Debt instruments are issued by Banks, non-banking financial institutions (NBFCs) and corporates to improve their capital profile. Some of the PDIs issued by Banks which are governed by the Reserve Bank of India (RBI) guidelines for Basel III Capital Regulations are referred to as Additional Tier I (AT1 bonds). RBI regulations also apply to PDIs issued by NBFC. However, there are no regulatory guidelines for issuance of PDIs by corporate bodies. The instruments are treated as perpetual in nature as there is no maturity date. The key risks associated with these instruments are highlighted below:

Risk associated with coupon servicing

- **Banks**
As per the terms of the instruments, Banks may have discretion at all times to cancel distributions/payment of coupons. In the event of non-availability of adequate distributable reserves and surpluses or inadequacy in terms of capital requirements, RBI may not allow banks to make payment of coupons.
- **NBFCs**
While NBFCs may have discretion at all times to cancel payment of coupon, coupon may also be deferred (instead of being cancelled), in case paying the coupon leads to breach of capital ratios.
- **Corporates**
Corporates usually have discretion to defer the payment of coupon. However, the coupon is usually cumulative and any deferred coupon shall accrue interest at the original coupon rate of the PDI.

Risk associated with write-down or conversion into equity

- **Banks**
AT1 Bonds could be written down or converted to common equity, at the discretion of RBI, in the event of non-maintenance of capital adequacy ratios and/or Point of Non Viability Trigger (PONV). Minimum capital adequacy ratio requirements would be as per Basel III regulations. PONV is a point, determined by RBI, when a bank is deemed to have become non-viable unless appropriate measures are taken to revive its operations. Further Tier II bonds issued under Basel III, having a fixed maturity date, are also liable to be written down or converted to common equity under the aforesaid event of PONV. This risk is not applicable in case of NBFCs and Corporates.

Risk associated with instrument not being called by the Issuer

- **Banks**
The issuing banks have an option to call back the instrument after minimum period as per the regulatory requirement from the date of issuance and specified period thereafter, subject to meeting the RBI guidelines. However, if the bank does not exercise the call on first call date, the Scheme may have to hold the instruments for a period beyond the first call exercise date.
- **NBFCs**
The NBFC issuer has an option to call back the instrument after minimum period as per the regulatory requirement from date of issuance and specified period thereafter, subject to meeting the RBI guidelines. However, if the NBFC does not exercise the call option the Scheme may have to hold the instruments for a period beyond the first call exercise date.
- **Corporates**
There is no minimum period for call date. However, if the corporate does not exercise the call option, the Scheme may have to hold the instruments for a period beyond the call exercise date.

Risk associated with investment in Gilt Securities

Generally, when interest rates rise, prices of fixed income securities fall and when interest rates drop, the prices increase. The extent of fall or rise in prices is a function of the existing coupon, days to maturity and the increase or decrease in interest rates. Price-risk is not unique to government securities but is true for all fixed income securities. The default risk however, in respect of Government securities is zero. Therefore, their prices are influenced only by movement in interest rates in the financial system. On the other hand, in the case of corporate or institutional fixed income securities, such as bonds or debentures, prices are influenced by credit standing of the issuer as well as the general level of interest rates.

Even though the Government securities market is more liquid compared to other debt instruments, on occasions, there could be difficulties in transacting in the market due to extreme volatility or unusual constriction in market volumes or on occasions when an unusually large transaction has to be put through.

Risks associated with Investing in Structured Obligation (SO) & Credit Enhancement (CE) rated securities

The risks factors stated below for the Structured Obligations & Credit Enhancement are in addition to the risk factors associated with debt instruments.

Credit rating agencies assign CE rating to an instrument based on any identifiable credit enhancement for the debt instrument issued by an issuer. The credit enhancement could be in various forms and could include guarantee, shortfall undertaking, letter of comfort, etc. from another entity. This entity could be either related or non-related to the issuer like a bank, financial institution, etc. Credit enhancement could also include additional security in form of pledge of shares listed on stock exchanges, etc. SO transactions are asset backed/ mortgage backed securities, securitized paper backed by hypothecation of car loan receivables, securities backed by trade receivables, credit card receivables etc. Hence, for CE rated instruments evaluation of the credit enhancement provider, as well as the issuer is undertaken to determine the issuer rating. In case of SO rated issuer, the underlying loan pools or securitization, etc. is assessed to arrive at rating for the issuer. Following risks are associated with CE and SO:

Liquidity Risk: SO rated securities are often complex structures, with a variety of credit enhancements. Debt securities lack a well-developed secondary market in India, and due to the credit enhanced nature of CE securities as well as structured nature of SO securities, the liquidity in the market for these instruments is adversely affected compared to similar rated debt instruments. Hence, lower liquidity of such instruments, could lead to inability of the scheme to sell such debt instruments and generate liquidity for the scheme or higher impact cost when such instruments are sold.

Credit Risk: The credit risk of debt instruments which are CE rated derives rating based on the combined strength of the issuer as well as the structure. Hence, any weakness in either the issuer or the structure could have an adverse credit impact on the debt instrument. The weakness in structure could arise due to inability of the investors to enforce the structure due to issues such as legal risk, inability to sell the underlying collateral or enforce guarantee, etc. In case of SO transactions, comingling risk and risk of servicer increases the overall risk for the securitized debt or assets backed transactions. Therefore, apart from issuer level credit risk such debt instruments are also susceptible to structure related credit risk.

Risk associated with repo transactions in corporate debt securities

- Lending transactions

The scheme may be exposed to counter party risk in case of repo lending transactions in the event of the counterparty failing to honour the repurchase agreement. However, in repo lending transactions, the collateral may be sold and a loss is realized only if the sale price is less than the repo amount. The risk may be further mitigated through over-collateralization (the value of the collateral being more than the repo amount). Further, the liquidation of underlying securities in case of counterparty default would depend on liquidity of the

securities and market conditions at that time. It is endeavoured to mitigate the risk by following an appropriate counterparty selection process, which include their credit profile evaluation and over-collateralization to cushion the impact of market risk on sale of underlying security.

- Borrowing transactions

In the event of the scheme being unable to pay back the money to the counterparty as contracted, the counter party may dispose of the assets (as they have sufficient margin). This risk is normally mitigated by better cash flow planning to take care of such repayments. Further, there is also a Credit Risk that the Counterparty may fail to return the security or Interest received on due date. It is endeavoured to mitigate the risk by following an appropriate counterparty selection process, which include their credit profile evaluation.

Risk associated with investment in Tri Party Repo through CCIL (TREPS)

The mutual fund is a member of securities segment and Tri-party Repo trade settlement of the Clearing Corporation of India (CCIL). All transactions of the mutual fund in government securities and in Tri-party Repo trades are settled centrally through the infrastructure and settlement systems provided by CCIL; thus reducing the settlement and counterparty risks considerably for transactions in the said segments.

CCIL maintains prefunded resources in all the clearing segments to cover potential losses arising from the default member. In the event of a clearing member failing to honour his settlement obligations, the default Fund is utilized to complete the settlement. The sequence in which the above resources are used is known as the “Default Waterfall”.

As per the waterfall mechanism, after the defaulter’s margins and the defaulter’s contribution to the default fund have been appropriated, CCIL’s contribution is used to meet the losses. Post utilization of CCIL’s contribution if there is a residual loss, it is appropriated from the default fund contributions of the non-defaulting members.

Thus the scheme is subject to risk of the initial margin and default fund contribution being invoked in the event of failure of any settlement obligations. In addition, the fund contribution is allowed to be used to meet the residual loss in case of default by the other clearing member (the defaulting member).

However, it may be noted that a member shall have the right to submit resignation from the membership of the Security segment if it has taken a loss through replenishment of its contribution to the default fund for the segments and a loss threshold as notified have been reached. The maximum contribution of a member towards replenishment of its contribution to the default fund in the 7 days (30 days in case of securities segment) period immediately after the afore-mentioned loss threshold having been reached shall not exceed 5 times of its contribution to the Default Fund based on the last re-computation of the Default Fund or specified amount, whichever is lower.

Further, it may be noted that, CCIL periodically prescribes a list of securities eligible for contributions as collateral by members. Presently, all Central Government securities and Treasury bills are accepted as collateral by CCIL. The risk factors may undergo change in case the CCIL notifies securities other than Government of India securities as eligible for contribution as collateral.

➤ **Risk associated with creation of segregated portfolios**

- **Liquidity risk** – A segregated portfolio is created when a credit event occurs at an issuer level in the scheme. This may reduce the liquidity of the security issued by the said issuer, as demand for this security may reduce. This is also further accentuated by the lack of secondary market liquidity for corporate papers in India. As per SEBI norms, the scheme is to be closed for redemption and subscriptions until the segregated portfolio is created, running the risk of investors being unable to redeem their investments. However, it may be noted that, the proposed segregated portfolio is required to be formed within one day from the occurrence of the credit event.

Investors may note that no redemption and subscription shall be allowed in the segregated portfolio. However, in order to facilitate exit to unit holders in segregated portfolio, AMC shall list the units of the segregated portfolio on a recognized stock exchange within 10 business days of creation of segregated portfolio and also enable transfer of such units on receipt of transfer requests. For the units listed on the exchange, it is possible that the market price at which the units are traded may be at a discount to the NAV of such Units. There is no assurance that a deep secondary market will develop for units of segregated portfolio listed on the stock exchange. This could limit the ability of the investors to resell them.

- **Valuation risk** – The valuation of the securities in the segregated portfolio is required to be carried out in line with the applicable SEBI guidelines. However, it may be difficult to ascertain the fair value of the securities due to absence of an active secondary market and difficulty to price in qualitative factors.

C. Risk Mitigation Strategies

The Scheme by utilizing a holistic risk management strategy will endeavor to manage risks associated with investing in debt markets. The risk control process involves identifying & measuring the risk through various risk measurement tools.

The Scheme has identified following risks of investing in debt securities and designed risk management strategies, which are embedded in the investment process to manage such risks.

Risks associated with Debt investment**Market Risk/ Interest Rate Risk**

As with all debt securities, changes in interest rates may affect the Scheme's Net Asset Value as the prices of securities generally increase as interest rates decline and generally decrease as interest rates rise. Prices of long-term securities generally fluctuate more in response to interest rate changes than do short-term securities. Indian debt markets can be volatile leading to the possibility of price movements up or down in fixed income securities and thereby to possible movements in the NAV.

The schemes will undertake the active portfolio management as per the investment objective to reduce the market risk. In a rising interest rates scenario the scheme may increase its investment in money market securities whereas if the interest rates are expected to fall the allocation to debt securities with longer maturity may be increased thereby mitigating risk to that extent.

Liquidity or Marketability Risk

This refers to the ease with which a security can be sold at or near to its valuation yield-to-maturity (YTM).

The Scheme may invest in government securities, corporate bonds and money market instruments. While the liquidity risk for government securities, money market instruments and short maturity corporate bonds may be low, it may be high in case of medium to long maturity corporate bonds.

Credit Risk

Credit risk or default risk refers to the risk that an issuer of a fixed income security may default (i.e., will be unable to make timely principal and interest payments on the security).

Management analysis will be used for identifying company specific risks. Management's past track record will also be studied. In order to assess financial risk a detailed assessment of the issuer's financial statements will be undertaken.

Reinvestment Risk

This risk refers to the interest rate levels at which cash flows received from the securities in the Schemes are reinvested. The risk is that the rate at which interim cash flows can be reinvested may be lower than that originally assumed.

Reinvestment risks will be limited to the extent of coupons received on debt instruments, which may be a very small portion of the portfolio value.

Derivatives Risk

As and when the Scheme trades in the derivatives market there are risk factors and issues concerning the use of derivatives since derivative products are specialized instruments that require investment techniques and risk analyses different from those associated with stocks and bonds. There is the possibility that a loss may be sustained by the portfolio as a result of the failure of another party (usually referred to as the “counter party”) to comply with the terms of the derivatives contract. Other risks in using derivatives include the risk of mis-pricing or improper valuation of derivatives and the inability of derivatives to correlate perfectly with underlying assets, rates and indices.

The Scheme may invest in derivative for the purpose of hedging, portfolio balancing and other purposes as may be permitted under the Regulations. Interest Rate Swaps will be done with approved counter parties under pre-approved ISDA agreements. Interest rate swaps and other derivative instruments will be used as per local (RBI and SEBI) regulatory guidelines.

Liquidity Risk Management Framework:

In accordance with SEBI circular and AMFI guidelines (issued from time to time), the AMC has put in place the Liquidity Risk Management Framework which monitors the liquidity risk. As per the prescribed guidelines, the liquidity ratios are calculated and liquid assets are maintained on a daily basis at scheme level for all open-ended schemes (except Overnight Fund, Gilt Fund and Gilt Fund with 10-year constant duration). These ratios address the potential liquidity risk scenarios upto 99% confidence interval. The guidelines also outline the action plan in case there is a difference between actual outcome and projected outcome. Further, the AMC monitors asset-liability mismatch requirement which addresses potential liquidity requirement over a 90-day period and relevant asset side liquidity to be maintained as prescribed by the SEBI circular.

Stress testing:

In accordance with SEBI circular and AMFI guidelines (issued from time to time), the AMC carries out stress testing for all open ended debt schemes (except overnight scheme). Stress testing covers impact on the scheme NAV on account of interest rate risk, credit risk and liquidity risk

Asset Liability Mismatch:

The AMC monitors Asset Liability Mismatch (ALM) to manage liquidity risk, covering potential outflows at a 95% confidence level over 90 days. Assets are assessed using Risk-o-meter liquidity scores, with higher-risk assets penalised progressively. While these measures address redemption risk, swing pricing provides an additional safeguard during extreme events or market dislocations, covering existing, new and outgoing investors.

Investment in Corporate Debt Market Development Fund (CDMDF):

CDMDF is a scheme of the Trust registered as an AIF under the SEBI (AIF) Regulations, 2012. It acts as a backstop facility during market dislocations by purchasing eligible corporate debt securities from participating mutual fund schemes and supporting secondary market liquidity. The Schemes are required to invest 25 bps of AUM in CDMDF units, with incremental contributions every six months to maintain the prescribed level. Such investment, including appreciation, remains locked-in until winding up of CDMDF. Investments in CDMDF are excluded for maturity restrictions, investment limits, PRC, Risk-o-meter, stress testing and duration calculations, as applicable.

II. Information about the scheme:**A. Where will the scheme invest?**

Subject to the Regulations, the corpus of the Scheme can be invested in any (but not exclusively) of the following securities:

1. Securities created and issued by the Central and State Governments and/or repos/reverse repos in such Government Securities as may be permitted by RBI (including but not limited to coupon bearing bonds, zero coupon bonds and treasury bills)
2. Securities guaranteed by the Central and State Governments (including but not limited to coupon bearing bonds, zero coupon bonds and treasury bills)
3. Fixed Income Securities of domestic Government agencies and statutory bodies, which may or may not carry a Central/State Government guarantee
4. Corporate debt (of both public and private sector undertakings)
5. Securities of banks (both public and private sector) including term deposit with the banks as permitted by SEBI/RBI from time to time and development financial institutions
6. Money market instruments as permitted by SEBI/RBI, having maturities of up to one year.
7. Certificate of Deposits (CDs)
8. Commercial Paper (CPs)
9. Securitised Debt
10. The non-convertible part of convertible securities
11. Debt instruments with special features including Additional Tier 1 and Tier II bonds
12. Any other domestic fixed income securities as permitted by SEBI / RBI from time to time (including debt securities issued by REITs and InvITs).
13. Derivative instruments like Interest Rate Swaps, Forward Rate Agreements and such other derivative instruments permitted by SEBI/RBI from time to time.
14. Repo transactions in corporate debt securities.
15. Units of Mutual Fund Schemes.
16. Investment in units of CDMDF: In accordance with the requirement of Regulation 40 of SEBI (Mutual Funds) Regulations, 2026 read with paragraph 18.2 of SEBI Master circular pertaining to Investment by Mutual Fund Schemes and AMCs in units of Corporate Debt Market Development Fund, scheme shall invest 25 bps of its AUM in the units of CDMDF (AIF units).

The Scheme may also enter into repurchase and reverse repurchase obligations in all securities

held by it as per the guidelines and regulations applicable to such transactions.

B. What are the investment restrictions?

Pursuant to the Regulations and amendments thereto and subject to the Asset allocation pattern, the following investment restrictions are presently applicable to the Scheme:

1. Mutual Funds/AMCs shall ensure that total exposure of debt schemes of mutual funds in a particular sector (excluding investments in Bank CDs, TREPs, G-Secs, TBills, short term deposits of scheduled commercial banks and AAA rated securities issued by Public Financial Institutions and Public Sector Banks) shall not exceed 20% of the net assets of the scheme;

Provided that an additional exposure to financial services sector (over and above the limit of 20%) not exceeding 10% of the net assets of the scheme shall be allowed only by way of increase in exposure to Housing Finance Companies (HFCs).

Further, an additional exposure of 5% of the net assets of the scheme has been allowed for investments in securitized debt instruments based on retail housing loan portfolio and/or affordable housing loan portfolio.

Provided further that the additional exposure to such securities issued by HFCs are rated AA and above and these HFCs are registered with National Housing Bank (NHB) and the total investment/ exposure in HFCs shall not exceed 20% of the net assets of the scheme.

2. a) A mutual fund scheme shall not invest more than 10% of its NAV in debt instruments comprising money market instruments and non-money market instruments issued by a single issuer which are rated not below investment grade by a credit rating agency authorised to carry out such activity under the Act as per the following matrix.

A mutual fund scheme shall not invest more than:

- a. 10% of its NAV in debt and money market securities rated AAA; or
- b. 8% of its NAV in debt and money market securities rated AA; or
- c. 6% of its NAV in debt and money market securities rated A and below issued by a single issuer.

The above investment limits may be extended by up to 2% of the NAV of the scheme with prior approval of the Board of Trustees and Board of Directors of the AMC, subject to compliance with the overall 12% limit.

b) Provided that such limit shall not be applicable for investments in Government Securities, treasury bills and TREPs:

c) Provided further that investment within such limit can be made in mortgaged backed securitised debt which are rated not below investment grade by a credit rating agency registered with the Board.

3. Mutual fund schemes shall not invest in unlisted debt instruments including commercial papers (CPs), other than (a) government securities, (b) other money market instruments and (c) derivative products such as Interest Rate Swaps (IRS), Interest Rate Futures (IRF), etc. which are used by mutual funds for hedging.

However, mutual fund schemes may invest in unlisted Non-Convertible Debentures (NCDs) not exceeding 10% of the debt portfolio of the scheme subject to the condition that such unlisted NCDs have a simple structure (i.e. with fixed and uniform coupon, fixed maturity period, without any options, fully paid up upfront, without any credit enhancements or structured obligations) and are rated and secured with coupon payment frequency on monthly basis.

For the above purposes, listed debt instruments shall include listed and to be listed debt instruments.

4. The Scheme shall not invest more than 5% of its net assets in unrated debt and money market instruments, other than government securities, treasury bills, derivative products such as Interest Rate Swaps (IRS), Interest Rate Futures (IRF), etc. All such investments shall be made with the prior approval of the Board of Trustees and the Board of AMC.

Investments should only be made in such instruments, including bills re-discounting, usance bills, etc., that are generally not rated and for which separate investment norms or limits are not provided in SEBI (Mutual Fund) Regulations, 2026 and various circulars issued thereunder.

5. The investment of mutual fund schemes in the following instruments shall not exceed 10% of the debt portfolio of the schemes and the group exposure in such instruments shall not exceed 5% of the debt portfolio of the schemes
 - a. Unsupported rating of debt instruments (i.e. without factoring-in credit enhancements) is below investment grade and
 - b. Supported rating of debt instruments (i.e. after factoring-in credit enhancement) is above investment grade.

For the purpose of this provision, 'Group' shall have the same meaning as defined in SEBI (Mutual Funds) Regulations.

Investment limits as mentioned above shall not be applicable on investments in securitized debt instruments, as defined in SEBI (Public Offer and Listing of Securitized Debt Instruments) Regulations 2008.

Investment in debt instruments, having credit enhancements backed by equity shares directly or indirectly, shall have a minimum cover of 4 times considering the market value of such shares. AMCs may ensure that the investment in debt instruments having credit enhancements are sufficiently covered to address the market volatility and reduce the inefficiencies of invoking of the pledge or cover, whenever required, without impacting the interest of the investors. In case of fall in the value of the cover below the specified limit, AMCs should initiate necessary steps to ensure protection of the interest of the investors.

6. Group exposure –
- a) The Fund shall ensure that total exposure of the debt scheme in a group (excluding investments in securities issued by Public Sector Units, Public Financial Institutions and Public Sector Banks) shall not exceed 20% of the net assets of the Scheme. Such investment limit may be extended to 25% of the net assets of the Scheme with the prior approval of the Board of Trustees.
 - b) The investments by debt mutual fund schemes in debt and money market instruments of group companies of both the sponsor and the asset management company shall not exceed 10% of the net assets of the scheme. Such investment limit may be extended to 15% of the net assets of the scheme with the prior approval of the Board of Trustees
 - c) For this purpose, a group means a group as defined under regulation 2 (x) of SEBI (Mutual Funds) Regulations, 2026 (Regulations) and shall include an entity, its subsidiaries, fellow subsidiaries, its holding company and its associates.

7. Transfer of investments from one Scheme to another Scheme in the same Mutual Fund is permitted provided:
- Such transfers are done at the prevailing market price for quoted instruments on spot basis (spot basis shall have the same meaning as specified by a Stock Exchange for spot transactions); and
 - The securities so transferred shall be in conformity with the investment objective of the Scheme to which such transfer has been made.

Further the inter Scheme transfer of investments shall be in accordance with the provisions contained in paragraph Inter-Scheme transfer of investments, contained in Statement of Additional Information. The AMC shall comply with the guidelines as stated in paragraph 13.19 of the Master Circular.

8. The Scheme may invest in other Schemes under the same AMC or any other Mutual Fund without charging any fees, provided the aggregate inter-Scheme investment made by all the Schemes under the same management or in Schemes under management of any other asset management company shall not exceed 5% of the Net Asset Value of the Fund. No investment management fees shall be charged for investing in other Schemes of the Fund or in the Schemes of any other mutual fund.
9. The Mutual Fund shall buy and sell securities on the basis of deliveries and shall in all cases of purchases, take delivery of relevant securities and in all cases of sale, deliver the securities:

Provided further that the Mutual Fund may enter into derivatives transactions in a recognized stock exchange, subject to the framework specified by SEBI

Provided further that sale of government security already contracted for purchase shall be permitted in accordance with the guidelines issued by the RBI in this regard

10. The Fund shall get the securities purchased transferred in the name of the Fund on account of the concerned Scheme, wherever investments are intended to be of a long-term nature.

11. Pending deployment of funds of the Schemes in terms of the investment objective of the Schemes, the Mutual Fund may invest them in short term deposits of scheduled commercial banks in accordance with as per paragraph 13.7 of the Master Circular. The following guidelines shall be followed for parking of funds in short term deposits of Scheduled commercial Banks pending deployment:
- a. *“Short Term” for such parking of funds by mutual funds shall be treated as a period not exceeding 91 days.*
 - b. Such short term deposits shall be held in the name of the concerned Scheme.
 - c. No mutual fund Scheme shall park more than 15% of the net assets in Short term deposit(s) of all the scheduled commercial banks put together. However, it may be raised to 20% with prior approval of the trustees. Also, parking of funds in short term deposits of associate and sponsor scheduled commercial banks together shall not exceed 20% of total deployment by the mutual fund in short term deposits.
 - d. No mutual fund Scheme shall park more than 10% of the net assets in short term deposit(s), with any one scheduled commercial bank including its subsidiaries.
 - e. Trustees/Asset Management Companies (AMCs) shall ensure that no funds of a scheme are parked in short term deposit (STD) of a bank which has invested in that scheme. Trustees/AMCs shall also ensure that the bank in which a scheme has STD does not invest in the said scheme until the scheme has STD with such bank.

The above conditions are not applicable to term deposits placed as margins for trading in cash and derivative market.

Asset Management Company (AMC) shall not be permitted to charge any investment management and advisory fees for parking of funds in short term deposits of scheduled commercial banks

12. No mutual fund Scheme shall make any investments in;
- a) any unlisted security of an associate or group company of the sponsor; or
 - b) any security issued by way of private placement by an associate or group company of the Sponsor; or
 - c) the listed securities of group companies of the Sponsor which is in excess of 25% of its net assets except for investments by equity oriented exchange traded funds and index funds and subject to such conditions as may be specified by the Board.
13. The scheme shall not invest in Fund of funds scheme.
14. No loans for any purpose can be advanced by the Scheme.
15. The Fund shall not borrow except to meet temporary liquidity needs of the Fund for the purpose of repurchase/ redemption of units or payment of interest or IDCW to the unit holders. Such borrowings shall not exceed more than 20% of the net assets of the individual Scheme and the duration of the borrowing shall not exceed a period of 6 months.
16. The Mutual Fund settle their transactions only through dematerialised securities. Further all transactions in government securities shall be in dematerialised form.

17. The Scheme will comply with provisions specified in paragraph 13.18 of the Master Circular related to overall exposure limits applicable for derivative transactions as stated below:

1. The cumulative gross exposure through equity, debt and derivative positions should not exceed 100% of the net assets of the scheme.
2. Mutual Funds shall not write options or purchase instruments with embedded written options.
3. The total exposure related to option premium paid must not exceed 20% of the net assets of the scheme.
4. Cash or cash equivalents with residual maturity of less than 91 days may be treated as not creating any exposure.
5. Exposure due to hedging positions may not be included in the above mentioned limits subject to the following:
 - i. Hedging positions are the derivative positions that reduce possible losses on an existing position in securities and till the existing position remains.
 - ii. Hedging positions cannot be taken for existing derivative positions. Exposure due to such positions shall have to be added and treated under limits mentioned in Point (a).
 - iii. Any derivative instrument used to hedge has the same underlying security as the existing position being hedged.
 - iv. The quantity of underlying associated with the derivative position taken for hedging purpose does not exceed the quantity of the existing position against which hedge has been taken.
6. (a) Mutual Funds may enter into plain vanilla Interest Rate Swaps (IRS) for hedging purposes. The value of the notional principal in such cases must not exceed the value of respective existing assets being hedged by the scheme.
(b) In case of participation in IRS is through over the counter transactions, the counter party has to be an entity recognized as a market maker by RBI and exposure to a single counterparty in such transactions should not exceed 10% of the net assets of the scheme. However, if mutual funds are transacting in IRS through an electronic trading platform offered by the Clearing Corporation of India Ltd. (CCIL) and CCIL is the central counterparty for such transactions guaranteeing settlement, the single counterparty limit of 10% shall not be applicable.
7. Exposure due to derivative positions taken for hedging purposes in excess of the underlying position against which the hedging position has been taken, shall be treated under the limits mentioned in point 1 above.
8. Definition of Exposure in case of Derivative Positions - Each position taken in derivatives shall have an associated exposure as defined under. Exposure is the maximum possible loss that may occur on a position. However, certain derivative positions may theoretically have unlimited possible loss. Exposure in derivative positions shall be computed as follows:

Position	Exposure
Long Future	Futures Price * Lot Size * Number of Contracts
Short Future	Futures Price * Lot Size * Number of Contracts
Option Bought	Option Premium Paid * Lot Size * Number of Contracts

18. Exposure limit for participating in Interest Rate Futures as per paragraph 13.15.2 of the Master Circular

i. To reduce interest rate risk in a debt portfolio, mutual funds may hedge the portfolio or part of the portfolio (including one or more securities) on weighted average modified duration basis by using Interest Rate Futures (IRFs). The maximum extent of short position that may be taken in IRFs to hedge interest rate risk of the portfolio or part of the portfolio, is as per the formula given below:

$$\frac{(\text{Portfolio Modified Duration} * \text{Market Value of the Portfolio})}{(\text{Futures Modified Duration} * \text{Future Price/ PAR})}$$

ii. In case the IRF used for hedging the interest rate risk has different underlying security(s) than the existing position being hedged, it would result in imperfect hedging.

iii. Imperfect hedging using IRFs may be considered to be exempted from the gross exposure, upto maximum of 20% of the net assets of the scheme, subject to the following:

a) Exposure to IRFs is created only for hedging the interest rate risk based on the weighted average modified duration of the bond portfolio or part of the portfolio.

b) Mutual Funds are permitted to resort to imperfect hedging, without it being considered under the gross exposure limits, if and only if, the correlation between the portfolio or part of the portfolio (excluding the hedged portions, if any) and the IRF is atleast 0.9 at the time of initiation of hedge. In case of any subsequent deviation from the correlation criteria, the same may be rebalanced within 5 working days and if not rebalanced within the timeline, the derivative positions created for hedging shall be considered under the gross exposure computed in terms of paragraph 13.18 of the Master Circular. The correlation should be calculated for a period of last 90 days.

Explanation: If the fund manager intends to do imperfect hedging upto 15% of the portfolio using IRFs on weighted average modified duration basis, either of the following conditions need to be complied with:

i. The correlation for past 90 days between the portfolio and the IRF is at least 0.9 or
ii. The correlation for past 90 days between the part of the portfolio (excluding the hedged portions, if any) i.e. at least 15% of the net asset of the scheme (including one or more securities) and the IRF is at least 0.9.

c) At no point of time, the net modified duration of part of the portfolio being hedged should be negative.

d) The portion of imperfect hedging in excess of 20% of the net assets of the scheme should be considered as creating exposure and shall be included in the computation of gross exposure in terms of Paragraph 13.18 of the Master Circular.

iv. The basic characteristics of the scheme should not be affected by hedging the portfolio or part of the portfolio (including one or more securities) based on the weighted average modified duration.

Explanation: In case of long term bond fund, after hedging the portfolio based on the modified duration of the portfolio, the net modified duration should not be less than the minimum modified duration of the portfolio as required to consider the fund as a long term bond fund.

v. The interest rate hedging of the portfolio should be in the interest of the investors.

19. Below stated conditions and norms shall apply to repo in corporate debt securities, which are subject to change as may be prescribed by SEBI and/or RBI from time to time:

a) Any scheme shall not lend/borrow more than 10% of its net assets in repo against corporate debt securities.

b) The cumulative gross exposure through repo transactions in corporate debt securities along with equity, debt, derivatives and any other permitted assets shall not exceed 100% of the net assets of the Scheme.

c) The Scheme shall borrow through repo transactions only if the tenor of the transaction does not exceed a period of six months.

d) The exposure limit/investment restrictions prescribed under the Sixth Schedule of the Regulations and circulars issued there under (wherever applicable) shall be applicable to repo transactions in corporate debt securities.

e) Counterparty selection & credit rating:

The AMC follows an issuer selection and approval process for fixed income investments and the same shall be used for selection of counterparties for repo in corporate debt securities. Repo transactions shall be carried out with only those counterparties who have a credit rating of 'AA and above' (Long term rating) or 'A1+' (Short term rating) provided by any credit rating agency as accredited by SEBI from time to time.

f) Tenor of Repo:

Tenor of repo shall not exceed 6 months. There shall be no restriction/limitation on the tenor of collateral.

g) Applicable haircut:

The AMC would be guided by the parameters for applying haircut as may be specified by RBI and/or SEBI for undertaking repo in corporate debt securities, from time to time.

h) Rating of underlying instruments:

The schemes shall participate in repo transactions only in AA (or equivalent short term rating) and above rated corporate debt securities.

20. As per paragraph 5.7.1 of Master Circular, all open ended debt schemes (except Overnight Fund, Liquid Fund, Gilt Fund and Gilt Fund with 10 year constant duration) shall hold at least

10% of their net assets in liquid assets. For this purpose, 'liquid assets' shall include Cash, Government Securities, T-bills and Repo on Government Securities.

The liquid assets specified above shall not be included for determining the scheme characteristics of the open ended debt schemes as specified in Part IV of Chapter 3 of the Master Circular.

In case the exposure in such liquid assets / securities falls below the threshold mandated above, the Asset Management Companies (AMCs) shall ensure compliance with the above requirement before making any further investments.

In accordance with the requirements of paragraph 5.7 of Master circular, the asset allocation limits shall be computed as Net assets excluding the extent of minimum stipulated liquid assets i.e. 10%.

21. The Scheme will comply with any other Regulation applicable to the investments of mutual funds from time to time.
22. The Scheme may invest in certain debt instruments with special features viz. subordination to equity (absorbs losses before equity capital) and /or convertible to equity upon trigger of a pre-specified event for loss absorption. Additional Tier I bonds and Tier 2 bonds issued under Basel III framework are some instruments which may have above referred special features. The debt instruments having such special features as referred above, which otherwise are Non-Convertible Debentures, may be treated as debt instruments until converted to equity.
 - i. no Mutual Fund under all its schemes shall own more than 10% of such instruments issued by a single issuer
 - ii. a Mutual Fund scheme shall not invest:
 - a. more than 10% of its NAV of the debt portfolio of the scheme in such instruments; and
 - b. more than 5% of its NAV of the debt portfolio of the scheme in such instruments issued by a single issuer.

All investment restrictions shall be applicable at the time of making investment. The Trustee /AMC may alter the above stated limitations from time to time, and also to the extent the SEBI (Mutual Funds) Regulations, 2026 change or as deemed fit in the general interest of the unit holders, so as to permit the Scheme to make their investments in the full spectrum of permitted investments in order to achieve their investment objective.

C. Fundamental Attributes

Following are the Fundamental Attributes of the Scheme, in terms paragraph 1.9 of the Master Circular:

(i) Type of a Scheme

For details on type of Scheme, please refer “**Type of the Scheme**”.

(ii) Investment Objective

- Main Objective - Please refer “**What is the investment objective of the Scheme?**”
- Investment pattern – The tentative portfolio break-up of Equity and Debt and other permitted securities and such other securities as may be permitted by the SEBI from time to time with minimum and maximum asset allocation, while retaining the option to alter the asset allocation for a short term period on defensive considerations. Please refer “**How will the Scheme allocate its assets?**” for more details.

Terms of Issue

1) Liquidity provisions such as listing, repurchase, redemption:

- **Listing**
Being an open-ended scheme, the Units of the Scheme will not be listed on any stock exchange, at present. The Trustee may, at its sole discretion, cause the Units under the Scheme to be listed on one or more Stock Exchanges. Notification of the same will be made through Customer Service Centres of the AMC and as may be required by the respective Stock Exchanges.
 - **Redemption of Units**
For details on redemption of units, please refer section “Redemption of Units”.
- 2) Aggregate fees and expenses charged to the Scheme:** The provisions in respect of fees and expenses as indicated in this Scheme Information Document.
- 3) Any safety net or guarantee provided:** The present scheme are not guaranteed or assured return scheme.

Changes in Fundamental Attributes

In accordance with Regulation 22(9)(c) of the SEBI (Mutual Funds) Regulations, 2026 and paragraph 1.9.2 of the Master Circular, the Trustees shall ensure that no change in the fundamental attributes of the Scheme(s) and the Plan(s) / Option(s) thereunder or the trust or fee and expenses payable or any other change which would modify the Scheme(s) and the Plan(s) / Option(s) thereunder and affect the interests of Unitholders is carried out unless

- SEBI has reviewed and provided its comments on the proposal;
- A written communication (including digital modes such as email/sms etc.) about the proposed change is sent to each Unitholder and details as specified by the Board are appropriately displayed on the website of the AMC; and
- The Unitholders are given an option for a period of atleast 30 calendar days to exit at the prevailing NAV without any exit load

D. Other Scheme Specific Disclosures:

Listing and transfer of units	Listing: Being an open ended scheme, the Units of the Scheme will not be listed on any stock exchange, at present. The Trustee may, at its sole discretion, cause the Units under the Scheme to be listed on one or more Stock Exchanges. Notification of the same will be made through Customer Service Centres of the AMC and as may be required by the respective Stock Exchanges. Transfer: Pursuant to paragraph 15.2 of the Master Circular, the Units of the Scheme can be transferred freely in demat form or in statement of Account (SOA) mode. For Details process on transfer of units under SOA mode, please refer SAI.
Dematerialization of units	The Unit holders are given an Option to hold the units by way of an Account Statement (Physical form) or in Dematerialized ('Demat') form. The applicants intending to hold Units in demat mode would be required to have a beneficiary account with a Depository Participant of the NSDL/CDSL and would be required to mention in the application form DP's Name, DP ID No., and Beneficiary Account No. with the DP at the time of purchasing Units during the NFO. In case, the investor desires to hold the Units in a Dematerialized /Rematerialized form at a later date, the request for conversion of units held in Account Statement (non- demat) mode into electronic (demat) form or vice-versa should be submitted alongwith a Demat/Remat Request Form to their Depository Participant(s). Investors should ensure that the combination of names in the account statement is the same as that in the demat account. The AMC shall issue units in dematerialized form to a unit holder in a scheme within two working days of the receipt of request from the unit holder. The holding(s) of the beneficiary account holder for units held in demat mode will be shown in the statement issued by respective Depository Participants (DPs) periodically. For further details, please refer SAI.
Minimum Target Amount (This is the	Not Applicable

minimum amount required to operate the scheme and if this is not collected during the NFO period, then all the investors would be refunded the amount invested without any return)	
Minimum Amount to be raised	There is no maximum amount.
Policy for declaration of Income Distribution cum capital withdrawal (IDCW Policy)	(i) Growth Option The Scheme will not declare any IDCW under this option. The income earned by the Scheme will remain reinvested in the Scheme and will be reflected in the Net Asset Value. This option is suitable for investors who are not looking for regular income but who have invested with the intention of capital appreciation. (ii) IDCW Option This option is suitable for investors seeking income through IDCW declared by the Scheme. The Trustee may approve the distribution of IDCW by AMC out of the net surplus under this Option. The remaining net surplus after considering the IDCW and tax, if any, payable there on will be ploughed back in the Scheme and be reflected in the NAV. (iii) IDCW Payout: As per the SEBI (MF) Regulations, the IDCW Warrants shall be dispatched to the Unit Holders within 7 business days from the record date. IDCW will be payable to those Unit Holders whose names appear in the Register of Unit Holders on the date (Record Date). IDCW will be paid by cheque, net of taxes as may be applicable. Unit Holders will also have the option of direct payment of IDCW to the bank account. The cheques will be drawn in the name of the sole/first holder and will be posted to the Registered address of the sole/first holder as indicated in the original application form. To safeguard the interest of Unit Holders from loss or theft of IDCW cheques, investors should provide the name of their bank, branch and account number in the application form. IDCW cheques will be sent to the Unit Holder after incorporating such information. The minimum amount for IDCW payout shall be Rs.100, else IDCW would be mandatorily reinvested. (iv) IDCW Reinvestment: The investors opting for IDCW Option may choose to reinvest the IDCW to be received by them in additional Units of the Scheme. Under this provision, the IDCW due and payable to the Unitholders

will be compulsorily and without any further act by the Unitholders reinvested in the Scheme (under the IDCW Option, at the first ex-IDCW NAV). The IDCW so reinvested shall be constructive payment of IDCW to the Unitholders and constructive receipt of the same amount from each Unitholder for reinvestment in Units. On reinvestment of IDCW, the number of Units to the credit of Unitholder will increase to the extent of the IDCW reinvested by the NAV applicable on the day of reinvestment, as explained above.

(V) IDCW Transfer

IDCW Transfer facility will be available under the scheme.

The designated schemes (source and target schemes) for this facility are as given below:

Source schemes - all schemes where IDCW option is available [except (i) Exchange Traded Funds (ETFs) and (ii) separate plans under ICICI Prudential Overnight Fund for deployment of unclaimed amounts viz ICICI Prudential Overnight Fund - Unclaimed Redemption, ICICI Prudential Overnight Fund - Unclaimed IDCW, ICICI Prudential Overnight Fund - Unclaimed Redemption Investor Education and ICICI Prudential Overnight Fund - Unclaimed IDCW Investor Education]

Target schemes- all open ended schemes where subscription is allowed [except (i) Exchange Traded Funds (ETFs) and (ii) separate plans under ICICI Prudential Overnight Fund for deployment of unclaimed amounts viz ICICI Prudential Overnight Fund - Unclaimed Redemption, ICICI Prudential Overnight Fund - Unclaimed IDCW, ICICI Prudential Overnight Fund - Unclaimed Redemption Investor Education and ICICI Prudential Overnight Fund - Unclaimed IDCW Investor Education]

Note: Investors are requested to note that any change in IDCW sub-option, due to additional investment or on the basis of a request received from the investor, will be applicable to all existing units in the IDCW option of the Scheme under the respective folio.

The Trustee reserves the right to declare IDCW under the IDCW option of the Scheme depending on the distributable surplus available under the Scheme. It should, however, be noted that actual distribution of IDCW and the frequency of distribution will depend, inter-alia, on the availability of distributable surplus and will be entirely at the discretion of the Trustee.

The IDCW will be distributed in accordance with Chapter 12 of the Master Circular on the procedure for IDCW Distribution.

	Disclosure with respect to track record of IDCW distribution in the last 5 years or last five dividend distributions IDCW shall be available at the below link: Disclosure Equalization Reserve: When units are sold, and sale price (NAV) is higher than face value of the unit, a portion of sale price that represents realized gains is credited to an Equalization Reserve Account and which can be used to pay IDCW. IDCW can be distributed out of investors capital (Equalization Reserve), which is part of sale price that represents realized gains..
Allotment (Detailed procedure)	Allotment procedure: All Applicants whose monies towards purchase of Units have been realized by the Fund on or before the allotment date, will receive a full and firm allotment of Units, provided also the applications are complete in all respects (including pre-condition of Minimum investment threshold as defined above) and are found to be in order. Any application for subscription of Units may be rejected if found invalid or incomplete. Applicants under the Scheme will have an option to hold the Units either in physical form (i.e. account statement) or in dematerialized form. The Applicants intending to hold the Units in dematerialized mode will be required to have a beneficiary account with a Depository Participant (DP) of the NSDL/CDSL and will be required to mention in the application form DP's Name, DP ID No. and Beneficiary Account No. with the DP at the time of purchasing Units. The holding(s) of the beneficiary account holder for units held in demat mode will be shown in the statement issued by respective Depository Participants (DPs) periodically. The AMC shall issue units in dematerialized form to a unit holder in a Scheme within two working days of the receipt of request from the unit holder. Allotment of units will be done after deduction of applicable stamp duty and transaction charges, if any. For the purpose of allotment of units / refund of monies under NFO the term "working days" shall include Business Days but shall not include Holidays. Units will be allotted upto 3 decimals. Face Value per unit of all Plans/

	Options under the Scheme is Rs. 10.
	Allotment Confirmation: An allotment confirmation specifying the units allotted shall be sent by way of email and/or SMS not later than 5 business days from the closure of the NFO Period / date of receipt of valid application during Continuous Offer Period to the Unit holder's registered e-mail address and/or mobile number.
Refund	Not Applicable for ongoing schemes.

	It is mandatory for applicants to mention their bank account numbers in their applications for purchase or redemption of Units. If the Unit-holder fails to provide the Bank mandate, the request for redemption would be considered as not valid and the Scheme retains the right to withhold the redemption until a proper bank mandate is furnished by the Unit-holder and the provision with respect of penal interest in such cases will not be applicable/ entertained. Pursuant to paragraph 15.10 of the Master Circular, an investor can also subscribe to the New Fund Offer (NFO) through ASBA facility. ASBAs can be accepted only by SCSB's whose names appear in the list of SCSBs as displayed by SEBI on its website www.sebi.gov.in. Kindly refer to below link for the list of official points of acceptance, collecting banker details etc. SID related information (icicipruamc.com) As per existing system architecture of ONDC network, currently regular plans of the schemes of ICICI Prudential Mutual Fund are available for transaction through this route. Kindly refer to below link for list of official points of acceptance, collecting banker details etc. SID related information (icicipruamc.com)
The policy regarding reissue of repurchased units, including the maximum extent, the manner of reissue, the entity (the Scheme or the AMC) involved in the same.	Not applicable
Restrictions, if any, on the right to freely retain or dispose of units being offered.	Subscription: In the interest of the investors and in order to protect the portfolio from market volatility, the Trustees reserve the right to limit or discontinue subscriptions under the Scheme for a specified period of time or till further notice. Redemption: Suspension or restriction of repurchase/ redemption facility under any Scheme of the mutual fund shall be made applicable only after obtaining the approval from the Boards of Directors of the AMC and the Trustees. After obtaining the approval from the AMC Board and

	the Trustees, intimation would be sent to SEBI in advance providing details of circumstances and justification for the proposed action shall also be informed.
Cut off timing for subscriptions/ redemptions/ switches This is the time before which your application (complete in all respects) should reach the official points of acceptance.	The below cut-off timings and applicability of NAV shall be applicable in respect of valid applications received at the Official Point(s) of Acceptance on a Business Day: For Purchase of any amount: • In respect of valid applications received upto 3.00 p.m. and where the funds for the entire amount are available for utilization before the cut-off time i.e. 3.00 p.m. - the closing NAV of the day shall be applicable. • In respect of valid applications received after 3.00 p.m. and where the funds for the entire amount are available for utilization on the same day or before the cut-off time of the next business day - the closing NAV of the next Business Day shall be applicable. • Irrespective of the time of receipt of application, where the funds for the entire amount are available for utilization before the cut-off time on any subsequent Business Day - the closing NAV of such subsequent Business Day shall be applicable. For Switch-ins of any amount: In case of switch from one scheme to another scheme received before cut-off i.e. upto 3 p.m. having business day for both the schemes, closing NAV of the Business Day shall be applicable for switch-out scheme and for Switch-in scheme, the closing NAV of the Business Day shall be applicable, on which funds are available for utilization in the switch-in scheme (allocation shall be in line with the redemption payout). To clarify, for investments through systematic investment routes such as Systematic Investment Plans (SIP), Systematic Transfer Plans (STP), Flex STP, Capital Appreciation STP, IDCW Transfer, Trigger etc. the units will be allotted as per the closing NAV of the day on which the funds are available for utilization by the Target Scheme irrespective of the installment date of the SIP, STP or record date of IDCW etc. - <i>“Switch Out” shall be treated as redemption application and accordingly, closing NAV of the day will be applicable based on the cut-off time for redemption followed for various type of schemes.</i>

	- “Switch In” shall be treated as purchase application and accordingly for unit allotment, closing NAV of the day will be applicable on which the funds are available for utilization. Redemptions including switch-outs: In respect of valid applications received upto 3.00 pm on a business day by the Mutual Fund, same day’s closing NAV shall be applicable. In respect of valid applications received after the cut off time by the Mutual Fund: the closing NAV of the next business day. e.g.: If an investor submits redemption request at 2.00 pm on Monday, the same shall be processed at the closing NAV of Monday. If an investor submits redemption request at 3.30 pm on Monday, the same shall be processed at the closing NAV of Tuesday, assuming that Monday and Tuesday, both are working days for the scheme.
Minimum amount for purchase/redemption/switches	Minimum application amount - Rs. 100/- (plus in multiples of Re. 1/-). Minimum application amount for switch ins – Rs. 100/- and any amount thereafter. Minimum additional application amount – Rs. 100 (plus in multiples of Re. 1/-) Minimum additional application amount for switch ins – Rs. 100/- and any amount thereafter. Minimum Redemption Amount: Any amount
Consolidated Account Statement	The AMC shall send an allotment confirmation specifying the units allotted by way of email and/or SMS within 5 working days of receipt of valid application/transaction to the Unit holders registered e-mail address and/ or mobile number (whether units are held in demat mode or in account statement form). <u>Consolidated Account Statement (CAS):</u> As per provisions of SEBI Circular dated February 14, 2025, if there is any transaction in any of the demat accounts of the investor or in any of his mutual fund folios or Schemefolios, then CAS shall be sent to the investor through email on monthly basis. In case there is no transaction in any of the mutual fund folios and demat accounts then CAS with holding details shall be sent to the investors by email on half yearly basis. However, where an investor does not wish to receive CAS through email, option shall be given to the investor to

	receive the CAS in physical form at the address registered with the Depositories and the AMCs/MF-RTAs. CAS would contain details relating to all the transactions across and Mutual funds (including transaction charges paid to the distributor) and holding at the end of the period to the Unit holders. <u>Timelines for Dispatch of CAS:</u> a) <u>Monthly CAS-</u> The unitholders that have opted for delivery via electronic mode (e-CAS), CAS would be delivered within twelve (12) days from the month end and to investors that have opted for delivery via physical mode, within fifteen (15) days from the month end. <u>Half-yearly CAS –</u> The unitholders that have opted for investors that have opted for delivery via electronic mode, on or before the eighteenth (18th) day of April and October and to investors that have opted for delivery via physical mode, on or before the twenty-first (21st) day of April and October
IDCW	The payment of IDCW to the unitholders shall be made within seven business days from the record date.
Redemption	The redemption or repurchase proceeds shall be dispatched to the unitholders within three business days from the date of redemption or repurchase. Further, AMFI has published a list of exceptional circumstances for schemes unable to transfer redemption or repurchase proceeds to investors within the limit specified above for transfer of redemption or repurchase proceeds to the unitholders in such exceptional circumstances. The said list is available on AMFI website.
Bank Mandate	In order to protect the interest of Unit holders from fraudulent encashment of redemption / IDCW cheques, SEBI has made it mandatory for investors to provide their bank details viz. name of bank, branch, address, account type and number, etc. to the AMC. Payment will be made only in the Bank Account registered with the Mutual Fund. No bank account shall be registered in the investor account/folio as part of account opening or subsequent addition or change of bank request unless a validation is undertaken through any one of the following modes whereby the investors name, account number /details are verified and validated. The AMC would validate the Bank Account details through PAN based account validation facility provided by NCPI or Penny Drop facility. Where the bank mandate cannot be validated by any of the

stated methods, the bank account validation may be done on the basis of the any one of the following documents:

- a) Original cancelled cheque having the First Holder Name and bank account number printed on the cheque.
- b) Original bank statement reflecting the First Holder Name, Bank Account Number and Bank Name as specified in the application.
- c) Self-certified cheque copy/bank passbook and verified with the original by AMC/ RTA.
- d) Photocopy of the bank statement duly attested by the bank manager/ authorized personnel with designation, employee number and bank seal.
- e) Confirmation by the bank manager with seal, designation and employee number on the bank's letter head confirming the name of investor, account type, bank branch, MICR and IFSC code of the bank branch. The letter should not be older than 3 months.

If the bank account details cannot be validated, the AMC reserves the right to reject the application and in case of redemption, the payout will be issued by way of warrant/cheque.

In case the bank account details are not mentioned or found to be incomplete or invalid in a purchase application, then the AMC may consider the account details as appearing in the investment amount cheque and the same shall be updated under the folio as the payout bank account for the payment of redemption amount etc.

The AMC reserves the right to call for any additional documents as may be required, for processing of such transactions with missing/ incomplete/ invalid bank account details. The AMC also reserves the right to reject such applications.

In case of units held in demat mode, payment will be made to the bank account linked to the demat account. The bank account registered in the folio of a minor should be that of the minor or should be a joint account of the minor with the guardian. Applications without complete bank details shall be rejected. The AMC will not be responsible for any loss arising out of fraudulent encashment of cheques/ warrants and/ or any delay/ loss in transit.

Change in Bank Account

For investors holding units in demat mode, the procedure for change in bank details would be as determined by the depository participant.

For investors holding units in non-demat mode, the Unit holders may change their bank details registered with the Mutual Fund by submitting 'Multiple Bank Account Registration Form' or a

	standalone separate Change of Bank Details Form. <u>Bank Account Details:</u> As per the directives issued by SEBI, it is mandatory for applicants to mention their bank account numbers in their applications for purchase or redemption of Units. If the Unit-holder fails to provide the Bank mandate, the request for redemption would be considered as not valid and the Scheme retains the right to reject the redemption until a proper bank mandate is furnished by the Unit-holder and the provision with respect of penal interest in such cases will not be applicable.
Delay in payment of redemption / repurchase proceeds/ IDCW	The Asset Management Company shall be liable to pay interest to the unitholders at @ 15% per annum as specified vide paragraph 15.4 of Master Circular for the period of such delay.
Unclaimed Redemption and Income Distribution cum Capital Withdrawal Amount	The treatment of unclaimed redemption & IDCW amount will be as per para 15.5 of the master circular.
Disclosure w.r.t investment by minors	A minor can invest through his/her parent/lawful guardian. Minors can complete their KYC requirements for their folio through guardian. Payment for investment by any mode shall be accepted from the bank account of the minor, parent or legal guardian of the minor, or from a joint account of the minor with parent or legal guardian. For existing folios, the AMCs shall insist upon a change of Pay-out bank mandate before redemption is processed. For further details, please refer to SAI.
Ongoing Offer Period This is the date from which the Scheme will reopen for subscriptions/redemptions after the closure of the NFO period.	The Scheme is an open ended Scheme and hence is available for ongoing subscription and redemption on an ongoing basis on every business day at NAV based prices. The Units of the Scheme are not listed on any of the exchanges at present.
Ongoing price for subscription purchase/switch-	The purchase price of the Units will be based on the Applicable NAV, subject to stamp duty.

in (from other Scheme/plans of the mutual fund) by investors This is the price you need to pay for purchase/switch-in.	Purchase Price = Applicable NAV (for respective plan and option of the Scheme) Example: An investor invests Rs. 20,000/- and the current NAV is Rs. 20/- then the purchase price will be Rs. 20/- and the investor receives $20000/20 = 1000$ units. The Scheme will comply with paragraph 11.7 of Master Circular regarding applicability of entry load.
Ongoing price for redemption (sale) /switch outs (to other Schemes/plans of the Mutual Fund) by investors This is the price you will receive for redemptions/switch outs.	The Redemption Price of the Units will be based on the Applicable NAV (for respective plan and option of the Scheme) subject to the prevalent exit load provisions. The Redemption Price of the Units will be computed as follows: Redemption Price = Applicable NAV (for respective plan and option of the scheme) * (1-Exit Load, if any). Applicable exit load shall be subject to the tenure of investment of the investor in the scheme vis-à-vis the exit load structure applicable when investor had invested in the scheme. Example: An investor invests on April 1, 2019 when the applicable exit load for the scheme was 2% if redeemed within 1 year, else nil. Scenario 1) In case investor redeems before April 1, 2020, then applicable exit load would be 2%. Now suppose the same investor decides to redeem his 1000 units. The prevailing NAV is Rs 25/-. Hence, the sale or redemption price per unit becomes Rs. 24.50/- i.e. $25*(1-2\%)$. The investor therefore gets $1000 \times 24.50 = \text{Rs. } 24,500/-$. Scenario 2) In case investor redeems on or after April 1, 2020, then applicable exit load would be nil. Now suppose the same investor decides to redeem his 1000 units. The prevailing NAV is Rs 30/-. Hence, the sale or redemption price per unit will be Rs. 30/- i.e. $30*(1-0)$. The investor therefore gets $1000 \times 30 = \text{Rs. } 30,000/-$.
Acceptance of transactions through email in respect of Non-Individual investors	Application for financial transaction in the schemes of ICICI Prudential Mutual Fund from Non-Individual investors would be processed as per the following: a. The Investors are required to submit a copy of board resolution or an authority letter on their letterhead granting appropriate authority to the designated officials of the entity. b. The board resolution/authority letter shall explicitly mention the following: i. List of approved authorized officials who are authorized to transact on behalf of Investors along with their designation and email IDs.

	ii. An undertaking that the instructions for any financial transactions sent by email by the authorized officials shall be binding upon the Investor as if it were a written agreement. c. In case the document is submitted electronically with a valid Digital Signature Certificate (DSC) or through Aadhaar based e-signature by the authorized official/s shall be considered as valid and acceptable, and shall be binding on the Investor even if the transaction request is not received from the registered email id. of the authorized official/s. However, in such cases, the domain name of the email ID should be from the same organization's official domain name. d. In addition to acceptance of financial transaction via email, scanned copy of duly signed transaction form/request letter bearing wet signatures of the authorized signatories of the entity, received from some other official / employee of the Investor may also be accepted, and shall be binding on the non-individual investor provided – i. The email is also cc'd (copied) to the registered email ID of the authorized official/ signatory of the Investor; and ii. the domain name of the email ID of the sender of the email is from the same organization's official domain name. e. In addition to acceptance of financial transactions via email, scanned copies of signed transaction form /request letters bearing wet signatures of the authorized signatories of the Investor, received from the registered mutual fund distributor (MFD) of the Investor or a third party authorized by the non-individual unitholder may also be accepted subject to fulfilment of the following requirements: i. Authorization letter from the Investor authorizing the MFD/person to send the scanned copies of signed transaction form/request letter on behalf the Investor and ii. the Investor's registered email ID is also cc'd (copied) in the email sent by the authorized MFD/person sending the scanned copies of the duly signed transaction form/request letter. For more details, please refer SAI.
Nomination	The SEBI (Mutual Fund) Regulations notifies that the mutual fund shall provide nomination facility to the unit holders to nominate a person in whose favour the units shall be transmitted in the event of death of the unitholder. Any new investor, investing in Mutual Fund

	Units shall mandatorily have to provide nomination or Opt out of nomination through physical or online mode. The requirement of nomination shall be optional for jointly held folios. For detailed guidelines on Nomination please refer to SAI.
KYC rules for investors:	All the prospective and existing investors / Unit holders of the Fund are requested to note that, pursuant to SEBI Master Circular on Know Your Client (KYC) norms for the securities market dated October 12, 2023 regarding uniformity in KYC process in the securities market and development of a mechanism for centralization of the KYC records, the following KYC procedure is being carried out: A) Requirement of PAN: • In order to strengthen the KYC norms and identify every participant in the securities market with their respective PAN thereby ensuring sound audit trail of all the transactions, PAN shall be the unique identification number for all participants transacting in the securities market, irrespective of the amount of transaction • The following are exempted from the mandatory requirement of PAN: a. Transactions undertaken on behalf of Central Government and/or State Government and by officials appointed by Courts e.g. Official liquidator, Court receiver etc. (under the category of Government) for transacting in the securities market. b. Investors residing in the state of Sikkim. c. UN entities/multilateral agencies exempt from paying taxes/filing tax returns in India. d. SIP of Mutual Funds upto ₹50,000/- per year. • Exempted investors are required to provide alternate proof of identity in lieu of PAN for KYC purposes and are allotted PAN-exempt KYC Reference Number (PEKRN). B) List of Officially Valid Documents (OVDs): The aforesaid circular specifies list of documents considered as Officially Valid Documents for Proof of Identity (PoI) and Proof of Address (POA). The investor shall visit the www.icicipruamc.com of the Mutual fund and go on KYC Corner section which will have FAQs providing required details. C) Methods for completing KYC process and know your KYC status: <u>Physical KYC process:</u> • To bring uniformity in KYC process, SEBI has introduced a common KYC application form for all the SEBI registered intermediaries viz. Mutual Funds, Depository Participants, Stock Brokers, etc. are therefore requested to use the Common KYC

	application form to apply for KYC and mandatorily undergo - In Person Verification (IPV) requirements. For Common KYC Application Form please visit our website www.icicipruamc.com <u>Digital KYC process:</u> The investor shall visit the www.icicipruamc.com of the Mutual fund and go on new investor section and fill up the required details and online KYC form and submit requisite documents. Digital KYC process will be in accordance with SEBI Master circular of KYC dated October 12, 2023. <u>Review of KYC status by existing investors:</u> The investor shall visit the www.icicipruamc.com of the Mutual fund and go on KYC Corner in Quick link section and fill up the required details to check their KYC status. Further, if investors wish to modify its KYC status, the same can also be done from that section of the website.
Access to Scheme-Related Information for Investors	To enable investors to take informed investment decisions, the investor may submit a written request to the AMC for seeking the information relating to the quantitative parameters and other relevant details about the Scheme, to the extent permitted under applicable regulations. The AMC reserves right not to share any information, which in the opinion of the AMC/ the Trustees is confidential/ sensitive information.
Any other disclosure in terms of Consolidated Checklist Standard Observations on	Investment by the AMC: From time to time and subject to the SEBI (Mutual Funds) Regulations, 2026, the sponsors, the mutual funds and investment Companies managed by them, their associate companies, subsidiaries of the sponsors and the AMC may invest either directly or indirectly in the Scheme. The funds managed by associates and/ or the AMC may acquire a substantial portion of the Scheme. Accordingly, redemption of units held by such funds, associates and sponsors may have an adverse impact on the units of the Scheme because the timing of such redemption may impact the ability of other unitholders to redeem their units. Further, as per the SEBI (Mutual Funds) Regulations, 2026, in case the AMC invests in any of the Scheme managed by it, it shall not be entitled to charge any fees on such investments. The Scheme may invest in other Scheme managed by the AMC or in the Scheme of any other Mutual Funds, provided it is in conformity to the investment objectives of the Scheme and in terms of the prevailing SEBI (Mutual Funds) Regulations, 2026 and guidelines. As per the SEBI (Mutual Funds) Regulations, 2026, no investment management fees will be charged for such investments.

III. Other Details

A. Periodic Disclosures

- **Portfolio Disclosures**

The AMC shall disclose portfolio of the scheme (along with ISIN) as on the last day of the month within 10 calendar days from the close of each month on website of: AMC i.e. [Downloads - Application Forms, SID, KIM, SAI & Others | ICICI Prudential Mutual Fund](#)
AMFI i.e. www.amfiindia.com.

The AMC shall send via email monthly statement of scheme portfolio within 10 calendar days from the close of each month. The AMC shall provide a feature wherein a link is provided to the investors to their registered email address to enable the investor to directly view/download only the portfolio of schemes subscribed by the said investor. The portfolio disclosure shall also include the scheme risk-o-meter, name of benchmark and risk-o-meter of benchmark.

The unitholders whose e-mail addresses are not registered with the Fund are requested to update / provide their email address to the Fund for updating the database. The AMC shall provide a physical copy of the statement of scheme portfolio, without charging any cost, on specific request received from a unit holder.

- **Annual Report**

The scheme wise annual report in a machine readable format shall be hosted on the website of the AMC and on the website of the AMFI. The link for the same will be prominently displayed on the AMC's website i.e. <https://www.icicipruamc.com/about-us/financials-&-disclosures> and the physical copies shall be made available to the unit holders, at their registered offices at all times.

AMCs shall send an email/SMS to all unitholders regarding the hosting of scheme wise annual report on their website and on the website of AMFI. AMCs shall e-mail the scheme annual reports in machine readable formats, to all such unit holders, whose email addresses are registered with the Mutual Fund, within 4 months from the date of closure of the relevant financial year.

- **Half – Yearly Financial Results**

The AMC shall within one month from the close of each half year, that is on 31st March and on 30th September, host its unaudited financial results on their website i.e. <https://www.icicipruamc.com/about-us/financials-&-disclosures>.

- **Disclosure on Riskometers and Scheme Summary Document (SSD)**

In accordance with paragraph 6.16 of the Master Circular Risk-o-meter shall be evaluated on a monthly basis and Mutual Funds/AMCs shall disclose the Risk-o-meter along with portfolio disclosure for all their schemes on their respective website and on

AMFI website within 10 days from the close of each month. Any change in risk-o-meter of the scheme or its benchmark shall be communicated by way of Notice cum Addendum and by way of an e-mail or SMS to unitholders of that particular scheme.

Risk-o-meter shall have following six levels of risk for the Scheme.

- i. Low risk
- ii. Low to Moderate risk
- iii. Moderate risk
- iv. Moderately High risk
- v. High - risk and
- vi. Very High risk

The evaluation of risk levels of a scheme shall be done in accordance with the aforesaid circular.

A Scheme Summary Document (SSD) of the Scheme which contains details such as Scheme features, Fund Manager details, investment details, investment objective, expense ratio etc will be made available on the website of the AMC and AMFI. The SSD will be updated within 5 working days from the date of change or modification in the Scheme.

- **Portfolio Overlap**

The AMC shall disclose portfolio overlap levels between the debt schemes on its website at: [Portfolio Overlap](#) on a monthly basis as per the methodology prescribed by SEBI from time to time.

B. Transaction charges and stamp duty

- **Transaction charges:**

No transaction charges to be levied on the investment amount from transactions/applications (including SIPs) received through distributors (i.e. for Regular Plans). Accordingly, payment of transaction charges to the distributors has been discontinued.

- **Stamp Duty:**

Pursuant to Notification No. S.O. 1226(E) and G.S.R. 226(E) dated March 30, 2020 issued by Department of Revenue, Ministry of Finance, Government of India, read with Part I of Chapter IV of Notification dated February 21, 2019 issued by Legislative Department, Ministry of Law and Justice, Government of India on the Finance Act, 2019, a stamp duty @ 0.005% of the transaction value would be levied on applicable mutual fund transactions, with effect from July 1, 2020. Accordingly, pursuant to levy of stamp duty, the number of units allotted on purchase transactions (including IDCW reinvestment) to the unitholders would be reduced to that extent.

C. Transparency/NAV Disclosure

The NAV will be calculated and disclosed at the close of every Business Day. NAV will be determined on every Business Day except in special circumstances. The AMC may at its discretion also declare NAV of the Scheme on any other day in the interest of investors. NAV of the scheme shall be:

- Prominently disclosed by the AMC under a separate head on the AMC's website <https://www.icicipruamc.com/home> by 11.00 p.m. on every business day,
- On the website of Association of Mutual Funds in India - AMFI (www.amfiindia.com) by 11.00 p.m. on every business day, and
- Shall be made available at all Customer Service Centres of the AMC.

The Scheme shall also invest in the units of Corporate Debt Market Development Fund ('CDMDF'). The NAV of the Scheme shall be disclosed by the AMC on the website of AMFI and AMC by 11.00 p.m. on every business day.

In case NAV of the units of CDMDF are not available till 9.30 p.m. of the business day, NAV of the scheme shall be disclosed on the website of AMFI and AMC by 10.00 a.m. on the following business day.

In case the Scheme ceases to hold any exposure to units of CDMDF, NAV of the scheme for that day would continue to be declared on 10.00 a.m. on the following business day. Subsequent to that day, NAV of the scheme shall be declared on 11.00 p.m. on every business day.

In case of any delay, the reasons for such delay would be explained to AMFI and SEBI by the next business day. If the NAVs are not available before commencement of business hours on the following day due to any reason, the Fund shall issue a press release providing reasons and explaining when the Fund would be able to publish the NAVs.

D. Associate Transactions

Please refer to Statement of Additional Information (SAI).

E. Taxation

As per the provisions of the Income-tax Act, 2025 (the Act), as amended from time to time by the Finance Act, 2026.

Particulars	Tax rates# applicable for Resident Investors (Refer note 1)	Tax rates# applicable for Non-Resident Investors (Refer note 1)	Tax rates applicable for Mutual Fund

Tax on IDCW	Taxable as per applicable tax rates	Taxable as per applicable tax rates	Nil
Short term capital gain tax – in case of specified mutual funds ## Deemed short term capital gains	Income tax rate applicable to the unit holders as per their income slabs (*)	Non-resident (other than company) - Income tax rate applicable to the unit holders as per their income slabs Foreign company – 35%	Nil

Notes:

1. Section 76 of the IT Act deems any gains on transfer / redemption of specified mutual funds acquired on or after 1 April 2023 as short-term capital gains. For the purposes of section 76 of the Act, “specified mutual fund” means a Mutual Fund by whatever name called, which invests more than 65% of its total proceeds in debt and money market instruments; or a fund which invests 65% or more of its total proceeds in units of such Mutual Fund subject to the following:

The percentage of investment in debt and money market instruments or in units of a fund, shall be computed with reference to the annual average of the daily closing figures.

“Debt and money market instruments” shall include any securities, by whatever name called, classified or regulated as debt and money market instruments by the Securities and Exchange Board of India.’

2. If the total income of a resident investor (being individual or HUF) [without considering such Long Term Capital Gains / Short Term Capital Gains] is less than the basic exemption limit, then such Long-term capital gains/short-term capital gains should be first adjusted towards basic exemption limit and only excess should be chargeable to tax.

Non-resident investors may be subject to a separate of tax regime / eligible to benefits under Tax Treaties, depending upon the facts of the case. The same has not been captured above.

A rebate of up to Rs. 12,500 is available under old regime for resident individuals whose total income does not exceed Rs. 5,00,000.

3. Section 156 of the Act to provide that where an Individual apply for lower slab rates provided under section 202(1) of the Act (i.e., the new regime).
 - i. The total income does not exceed twelve lakhs rupees, a rebate shall be provided on tax to the extent of an amount equal to 100% of such income-tax or an amount of INR 60,000 (whichever is less);
 - ii. The total income exceeds twelve lakhs rupees and the income-tax payable on such total income exceeds the amount by which the total income is in excess of twelve lakhs rupees, a rebate shall be provided on tax of an amount equal to the amount by which the tax payable is in excess of the amount by which the total income exceeds twelve lakhs rupees.

Further, such rebate of income-tax will not be available on tax on incomes chargeable to tax at special rates (for e.g.: capital gains u/s 196, 197 and 198 etc.).

(*) A tax rate of 25% (plus applicable surcharge and health and education cess) is applicable for the tax year(\$) 2026-27 in the case of domestic companies having total turnover or gross receipts not exceeding Rs. 400 crores in the tax year(\$) 2024-25. Domestic companies may opt for a lower tax rate of 22% (plus surcharge at the rate of 10% and health and education cess) (as per section 200 of the Act), subject to fulfillment of prescribed conditions. Further, new domestic manufacturing companies may opt for a lower tax rate of 15% (plus fixed surcharge at the rate of 10% and health and education cess) (as per section 201 of the Act), subject to fulfillment of prescribed conditions.

(\$) For the purposes of this Act, “tax year” means the twelve months period of the financial year commencing on the 1st April.

Excluding applicable surcharge and cess.

Please consult your tax advisor for further details on taxation.

F. Rights of Unitholders

Please refer to SAI for details.

G. List of official points of acceptance/ Additional official transaction acceptance points CAMS Transaction Points):

The details of the points of acceptance/ Additional official transaction acceptance points CAMS Transaction Points) can be accessed at the following link: [SID related information \(icicipruamc.com\)](https://icicipruamc.com)

H. PENALTIES, PENDING LITIGATION OR PROCEEDINGS, FINDINGS OF INSPECTIONS OR INVESTIGATIONS FOR WHICH ACTION MAY HAVE BEEN TAKEN OR IS IN THE PROCESS OF BEING TAKEN BY ANY REGULATORY AUTHORITY

In addition to the existing Official Point of Acceptance of transactions, Computer Age Management Services Ltd. (CAMS), the Registrar and Transfer Agent of ICICI Prudential Mutual Fund, having its office at New No 10. Old No. 178, Opp. to Hotel Palm Grove, MGR Salai (K.H.Road), Chennai - 600 034 shall be an official point of acceptance for electronic transactions received from the Channel Partners with whom ICICI Prudential Asset Management Company Limited has entered or may enter into specific arrangements for all financial transactions relating to the units of mutual fund Investment Strategys. Additionally, the secure Internet sites operated by CAMS will also be official point of acceptance only for the limited purpose of all channel partners transactions based on agreements entered into between IPMF and such authorized entities. Additionally, the Internet

site(s) operated by the AMC and online applications of the AMC [including i-Invest i Pru (previously IPRUTouch)] will also be official point of acceptance. The AMC also accepts applications received on designated FAX numbers.

In addition to the existing Official Point of Acceptance of transactions, authorized Points of Service (POS) of MF Utilities India Private Limited (MFUI) shall be an official point of acceptance for all financial and non- financial transactions. The updated list of POS of MFUI is available on www.mfuindia.com. The online transaction portal of MFUI is www.mfuonline.com. Further, Investors can also subscribe units of the Investment Strategy during the NFO Period by availing the platforms/facilities made available by the Stock Exchanges.

For the updated list of official Point of Acceptance of transactions of AMC and CAMS, please refer the website of the AMC viz., <https://www.icicipruamc.com>

Open Network for Digital Commerce (ONDC)

The schemes of ICICI Prudential Mutual Fund (the Fund) are now available to be transacted through the Open Network for Digital Commerce (ONDC) ("Network").

To facilitate transactions through this Network, the Fund has/shall enter into agreement with service provider(s) who would provide backend platform on behalf of the Fund. The said platform would be considered as an 'OPAT'.

Accordingly, for the purpose of determining the applicability of NAV, the time at which request for purchase / sale / switch of units is received on the server(s) of the said platform will be considered as time of receipt of transaction with the AMC.

As per existing system architecture of ONDC network, currently regular plans of the schemes of ICICI Prudential Mutual Fund are available for transaction through this route.
