PART I. HIGHLIGHTS / SUMMARY OF THE SCHEME

Sr. No.	Title	Description
I.	Name of the Scheme	Tata Equity Savings Fund
II.	Category of the Scheme	Hybrid Schemes- Equity Savings
III.	Scheme type	An open-ended scheme investing in equity, arbitrage, and debt.
IV.	Scheme Code	TATA/O/H/ESF/97/02/0007
V.	Investment Objective	The investment objective of the scheme is to provide long term capital appreciation and income distribution to the investors by predominantly investing in equity and equity related instruments, equity arbitrage opportunities and investments in debt and money market instruments. However, there is no assurance or guarantee that the investment objective of the Scheme will be achieved. The scheme does not assure or guarantee any returns.
VI.	Liquidity / Listing details	The Scheme is open for resale and repurchase of units at NAV based price, with applicable loads, if any on every business day on an ongoing basis. Under normal circumstances the AMC shall dispatch redemption proceeds within three working days from the date of redemption or repurchase, subject to exceptional circumstances as mentioned in this document. Currently the scheme is not listed. However, the trustees may review the same in future and list the units under the Scheme on one or more Stock Exchanges later subject to adherence of terms and conditions of Regulators/Exchanges.
VII.	Benchmark (Total Return Index)	Nifty Equity Savings Index (TRI) The composition of the benchmark is such that it is most suited for comparing performance of the Scheme. The Board of AMC and Trustee will review the performance of the Scheme in comparison to the benchmark. Total Return variant of the index (TRI) will be used for performance comparison. The Trustee/AMC may change the benchmark in future if a benchmark better suited to the investment objective of the Scheme is available.
VIII.	NAV Disclosure	The NAVs will be calculated and disclosed on every Business Day. The AMC will prominently disclose the NAVs under a separate head on the website of the Fund (www.tatamutualfund.com) and of the Association of Mutual Funds in India-AMFI (www.amfiindia.com) before 9.00 A.M. on the next Business Day ^. However, due to inability in capturing same day valuation of underlying investments, the NAV shall be disclosed by 11 PM. on the next Business Day. ^ If the NAVs are not available before the commencement of Business Hours on the following day due to any reason, the Mutual Fund shall issue a press release giving reasons for the delay and explain by when the Mutual Fund would be able to publish the NAV. Tata Mutual Fund shall disclose portfolio (along with ISIN) in user friendly and downloadable spreadsheet format, as on the last day of the month/half year for all their schemes on its website www.tatamutualfund.com and on the website of AMFI www.amfiindia.com within 10 days from the close of each month/half year. In case of unitholders whose email addresses are registered, Tata Mutual Fund shall send via email both the monthly and half yearly statement of scheme portfolio within 10 days from the close of each month /half year respectively. Due to difference in the expense ratio, the NAV of each option of Direct Plan will be different from the NAV of each option of Regular Plan. Similarly, due to payout of income distribution cum withdrawal option(IDCW-Payout) , the NAV of Income Distribution cum Withdrawal Option(IDCW) will be different from the NAV of Growth option.
IX.	Applicable timelines	Timeline for: • **Dispatch of redemption proceeds:** The redemption proceeds will be dispatched to the unit holders within three working days from the date of redemption or repurchase, subject to exceptional circumstances as mentioned further in this document. • **Dispatch of Income Distribution Cum Capital Withdrawal (IDCW):** The payment of dividend to the unitholders shall be made within seven working days from the record date, subject to exceptional circumstances as mentioned further in this document.
X.	Plan and Options Plans / Options and sub options under the Scheme	**Regular Plan (For applications routed through Distributors):** The Scheme has following options:

- Growth Option
- Monthly Income Distribution cum capital withdrawal (IDCW-Monthly) *
- Periodic Income Distribution cum capital withdrawal (IDCW-Periodic)

Direct Plan (For applications not routed through Distributors)

The Scheme has following options:

- Growth Option
- Monthly Income Distribution cum capital withdrawal (IDCW-Monthly) *
- Periodic Income Distribution cum capital withdrawal (IDCW-Periodic)

*: Monthly Income distribution is not assured and is subject to the availability of distributable surplus.

Income Distribution cum capital withdrawal option(IDCW) has sub-options of

- Payout of Income Distribution Cum Capital Withdrawal Option (IDCW- Payout)
- Reinvestment of Income Distribution cum capital withdrawal option (IDCW- Reinvestment)
- Transfer of Income Distribution cum capital withdrawal plan (IDCW- Transfer)

Unitholder shall note that when units are sold, and sale price (NAV) is higher than face value of the unit, a portion of sale price that represents realized gains shall be credited to an Equalization Reserve Account , which can be used to pay income distribution. Hence income distribution amounts can be distributed out of investors capital (Equalization Reserve), which is part of sale price that represents realized gains.

Please note that the income distribution shall be distributed at the discretion of the Trustees subject to availability of distributable surplus.

Investor should appropriately tick the 'option' (Income Distribution Cum Capital Withdrawal or growth) and sub-options (payout of Income Distribution Cum Capital Withdrawal(IDCW-Payout) , Reinvestment of Income Distribution Cum Capital Withdrawal (IDCW- Reinvestment) and Transfer of Income Distribution Cum Capital Withdrawal (IDCW-Transfer)) in the application form while investing in the Scheme. If no option is mentioned / indicated in the application form by the investor then the units will, by default, be allotted under the Direct Plan- Growth Option. If no Income Distribution Cum Capital Withdrawal sub-option is mentioned / indicated in the application form by the investor then the units will, by default, be allotted under the Reinvestment of Income Distribution Cum Capital Withdrawal Option (IDCW- Reinvestment.)

Default Plan:

Investors are requested to note the following scenarios for the applicability of "Direct Plan (application not routed through distributor) or Regular Plan (application routed through distributor)" for valid applications received under the scheme:

Scenario	Broker Code mentioned by the investor	Plan mentioned by the investor	Default Plan to be captured
1	Not mentioned	Not mentioned	Direct Plan
2	Not mentioned	Direct Plan	Direct Plan
3	Not mentioned	Regular Plan	Direct Plan
4	Mentioned	Direct Plan	Direct Plan
5	Direct Plan	Not Mentioned	Direct Plan
6	Direct Plan	Regular Plan	Direct Plan
7	Mentioned	Regular Plan	Regular Plan
8	Mentioned	Not Mentioned	Regular Plan

In cases of wrong/ invalid/ incomplete ARN codes mentioned on the application form, the application shall be processed under Regular Plan. The AMC shall contact and obtain the correct ARN code within 30 calendar days of the receipt of the application form from the investor/ distributor. In case, the correct code is not received within 30 calendar days, the AMC shall reprocess the transaction under Direct Plan from the date of application without any exit load.

Treatment of Business Received Through Suspended Distributors:

The financial transactions of an investor where his distributor's AMFI Registration Number (ARN) has been suspended temporarily or terminated permanently by Association of Mutual Funds in India (AMFI) shall be processed as follows:

1. All purchase and switch transactions including SIP/STP registered prior to the date of suspension and fresh SIP/STP registrations received under the ARN code of a suspended distributor during the period of suspension, shall be processed under 'Direct Plan' and shall be continued under Direct Plan perpetually except in case where TAMPL receives any written request/ instructions from the unitholder/s to shift back to Regular Plan under the ARN of the distributor post the revocation of suspension of ARN.

2. All Purchase and Switch Transactions including SIP/STP transactions received through the stock exchange platform through a distributor whose ARN is suspended shall be rejected.

Unitholders can opt for only one income distribution sub-option under a scheme in a single folio. In case, different sub-options are required, unitholders are required to create a new folio.

Also note that the income distribution sub-option selected in the last inflow transaction will be applicable to all the transactions in the respective scheme sub-option in the folio. A simple example will explain the above statement:

Date	Request by unitholder	Sub Option
01/01/2021	Purchase in Income Distribution Option	Payout of Income Distribution cum capital withdrawal option
02/03/2021	SIP Registered in Distribution Option	Reinvestment of Income Distribution cum capital withdrawal option
03/05/2021	Additional Purchase in Distribution Option	Payout of Income Distribution cum capital withdrawal option
02/06/2021	SIP Instalment	Reinvestment of Income Distribution cum capital withdrawal option

Hence the income distribution sub option chosen by unitholders in the last transaction (i.e SIP instalment as on 02/06/2021 sub option reinvestment) will be applicable to all transactions in the related scheme sub option in the folio.

In case of statutory/ legal attachments/ suspensions or litigations/ disputes at the unitholders /investor's end, the dividends will compulsorily be reinvested, and no payout shall be made during the said period, irrespective of the income distribution sub-option selected.

Unitholders are advised to use the applicable KYC Form for completing the KYC requirements and submit the form at the point of acceptance. Further, upon updation of PAN/PEKRN details with the KRA (KRA-KYC)/CERSAI (CKYC), the unitholders are requested to intimate TAMPL/ Registrar and Transfer Agent i.e. Computer Age Management Services Limited (CAMS) their PAN information along with the folio details for updation in our records.

XI. Other Highlights

- A Mutual Fund - sponsored by Tata Sons Private Limited (TSPL) and Tata Investment Corporation Limited (TICL).
- The Scheme is managed by Tata Asset Management Private Limited (TAMPL).
- Earnings of the Fund is exempt from income tax under Section 10(23D) of the Income Tax Act, 1961.
- **Interpretation**

  For all purposes of this Scheme Information Document (SID), except as otherwise expressly provided or unless the context otherwise requires:

  a. The terms defined in this SID include the plural as well as the singular.

  b. Pronouns having a masculine or feminine gender shall be deemed to include the other.

  c. The term "Scheme" refers to Tata Equity Savings Fund including the options / sub-options thereunder.

REQUIREMENT OF MINIMUM INVESTORS IN THE SCHEME

The scheme shall have a minimum of 20 investors and no single investor shall account for more than 25% of the corpus of the Scheme. The two conditions mentioned above shall be complied with on a calendar quarter basis, on an average basis, as specified by SEBI. If there is a breach of the 25% limit by any investor over the quarter, a rebalancing period of one month would be allowed and thereafter the investor who is in breach of the rule shall be given 15 days' notice to redeem his exposure over the 25 % limit. Failure on the part of the said investor to redeem his exposure over the 25 % limit within the aforesaid 15 days would lead to automatic redemption by the Mutual Fund on the applicable Net Asset Value on the 15th day of the notice period.

However, in case the Scheme under the scheme does not have a minimum of 20 investors, on an average basis, in the stipulated period (i.e. during the concerned calendar quarter), the provisions of Regulation 39(2) (c) of the SEBI (MF) Regulations would become applicable automatically without any reference from SEBI and accordingly the Scheme shall be wound up and the units would be redeemed at applicable NAV. The Scheme shall adhere to the requirements prescribed by SEBI from time to time in this regard.

SPECIAL CONSIDERATIONS

Investors are urged to read the terms of the SID carefully before investing in this Scheme, and to retain this SID for future reference.

Tax Consequences:

Redemption by the unitholders due to change in the fundamental attribute (if any, in future) of the scheme or due to any other reason may entail tax Consequences for which the Trustees, AMC, Fund or any of their Directors / employees shall not be liable.

PART II. INFORMATION ABOUT THE SCHEME

A. HOW WILL THE SCHEME ALLOCATE ITS ASSETS ?

ASSET ALLOCATION AND RISK PROFILE

Under normal circumstances, the asset allocation of the Scheme will be as follows

Instruments	Indicative Allocation (% of Total Assets)	
	Minimum	Maximum
Equity & Equity Related instruments, of which	65%	90%
- Net Long Equity Exposure- Equity & Equity related instruments* and units of Equity Funds of Tata AMC ^ $	15%	35%
- Equity & Equity Derivatives (Arbitrage / Hedged Exposure) **	30%	70%
Debt, cash and Money Market Instruments	10%	35%
Exchange Traded Commodity Derivatives (ETCDs)	0%	10%
Units of Reits & Invits	0%	10%

Indicative Table (Actual instrument / percentages may vary subject to applicable SEBI circulars):

Sr. No.	Type of Instrument	Percentage of Exposure	SEBI Master Circular on Mutual Fund dated Jun 27, 2024 Reference
1	Securities Lending	Not more than 20% of the net assets of the fund can generally be deployed in stock lending. The scheme would limit its exposure, with regards to securities lending, for a single intermediary, to the extent of 5% of the total net assets of the scheme at the time of lending.	Provision no. 12.11
2	Equity Derivatives for non-hedging Purposes	The net long (Unhedged) equity exposure would be capped at a maximum of 35% of the portfolio. Unhedged equity exposure means exposure to equity shares alone without a corresponding equity derivative exposure.	Provision no. 12.25
3	Securitized Debt	Will not invest	Provision no. 12.15
4	Overseas Securities	Will not invest	Provision no. 12.19
5	ReITS and InVITS	No mutual fund under all its schemes shall own more than 10% of units issued by a single issuer of REIT and InvIT A mutual fund scheme shall not invest - a) more than 10% of its NAV in the units of REIT and InvIT; and b) more than 5% of its NAV in the units of REIT and InvIT issued by a single issuer	Provision no. 12.21 & clause no. 13 of Seventh Schedule of SEBI (MF) Regulation, 1996.
6	AT1 and AT2 Bonds	Will not invest	Provision no. 12.2
7	Any other instrument a) Credit Default Swaps (CDS) b) Equity linked debentures. c) Repo / reverse repo in corporate debt securities	Will not invest	Provision no. 12.18

The scheme may write call options under covered call strategy.

The cumulative gross exposure to equity, debt, REITs & InVITs and derivative position (including ETCDS) shall not exceed 100% of the net assets of the scheme. Cash or cash equivalents with residual maturity of less than 91 days may be treated as not creating any exposure. Cash Equivalent shall consist Government Securities, T-Bills & Repo on Government Securities

The Maximum net exposure to derivatives (excluding hedge position) will not exceed 70% of the net assets of the scheme.

$ The net long equity exposure will be managed as per the stated investment strategies. However, deviation in the investment pattern shall be subject to rebalancing requirements as stated in clause “Change in the Investment pattern.”

*This denotes only net long equity exposures aimed to gain from potential capital appreciation of these positions. Thus it is a directional equity exposure which is not hedged.

** This denotes equity positions by investing in arbitrage opportunities in the equity market. The Fund Manager in the above case can therefore take exposure to equivalent stock/ index futures & create completely covered positions to avail arbitrage between spot & futures market. Thus the entire position is primarily used to lock arbitrage profit. The margin money requirement for the purposes of derivative exposure may be held in the form of Term Deposit.

^ including units of open-ended Mutual Fund Schemes

Exposure to derivative instruments will be restricted to 70% of the net assets of scheme.

Money Market Instruments include commercial papers, commercial bills, treasury bills, Tri-Party repo, Government Securities having an unexpired maturity up to one year, call or notice money, certificates of deposit, usance bills and any other like instruments as specified by the RBI from time to time. The Scheme retains the flexibility to invest across all securities in the Debt Securities and Money Market Instruments. The Scheme may also invest in units of debt and liquid mutual fund schemes. The portfolio may hold cash depending on the market conditions. The actual percentage of investment in various Money Market and other fixed income Securities will be decided after considering the economic environment including interest rates and inflation, the performance of the corporate sector and general liquidity and other considerations in the economy and markets.

If suitable arbitrage opportunities are not available than the fund manager may hedge the equity long position. However if the debt / money market instruments are providing more efficient returns than equity exposure then the fund manager may choose to have a lower equity arbitrage/hedge exposure. In such defensive circumstances the asset allocation will be as per the below table:

Instruments	Indicative Allocation (% of Total Assets)	
	Minimum	Maximum
Equity & Equity Related instruments, of which	15%	90%
- Net Long Equity Exposure- Equity & Equity related instruments*^	15%	35%
- Equity & Equity Derivatives (Arbitrage/ Hedged Exposure) **	0%	70%
Debt, Cash & Money Market Securities #	10%	85%

* This denotes only net long equity exposures aimed to gain from potential capital appreciation of these positions. Thus it is a directional equity exposure which is not hedged.

** Equity exposure would be used for arbitrage opportunity to the extent possible and balance exposure may either be hedged with corresponding equity derivatives or may be invested in money market /debt securities. The margin money requirement for the purposes of derivative exposure may be held in the form of Term Deposit.

The Fund may engage in short selling of securities in accordance with the framework relating to short selling and securities lending and borrowing specified by SEBI.

Pending deployment of the funds in securities in terms of investment objective of the Scheme, the AMC may park the funds of the Scheme in short term deposits of the Scheduled Commercial Banks, subject to the guidelines issued by provision no. 12.16 of SEBI Master Circular on Mutual Fund dated Jun 27, 2024, as may be amended from time to time.

The AMC may from time to time for a short term period on defensive consideration / pending deployment of funds, invest upto 100% of the funds available in Money Market Instruments, the primary motive being to protect the Net Asset Value of the Scheme and protect unitholders interests so also to earn reasonable returns on liquid funds maintained for redemption/repurchase of units.

Due to market conditions, the AMC may invest beyond the range set out above. Such deviations shall normally be for a short term purpose only, for defensive considerations and the intention being at all times to protect the interests of Unit Holders.

Change in Investment Pattern / Portfolio Rebalancing

The Investment Patterns as outlined above are indicative. Investment strategy and pattern may be deviated from time to time, provided such modification is in accordance with the Scheme(s) objective and Regulations as amended from time to time, the intent being to protect the Net Asset Value of the scheme and unitholders' interests. In case of deviation due to passive breaches, the AMC will achieve a normal asset allocation pattern in a maximum period of 30 business days. In case deviation in investment pattern in not rebalanced within the period indicated above then justification in writing for such delay including details of efforts undertaken to rebalance of portfolio shall be placed before the investment committee. The Investment Committee if so desires, can extend the timelines upto sixty (60) business days from the date of mandated completion of rebalancing period.

In case the portfolio of schemes is not rebalanced within the aforementioned mandated plus extended timelines, AMCs shall:

i. not be permitted to launch any new scheme till the time the portfolio is rebalanced.

ii. not to levy exit load, if any, on the investors exiting the scheme.

B. WHERE WILL THE SCHEME INVEST

In line with the investment allocation pattern of the scheme, the scheme will predominantly invest in:

i) Equity and equity related instruments of domestic companies and/ or equity derivatives such as options and futures.

ii) Debt and money market instruments.

iii) Exchange Traded Commodity Derivatives(ETCD's)

iv) Units of REITs & INVITs

C. WHAT ARE THE INVESTMENT STRATEGIES ?

The investment strategy is aimed at generating income by investing in arbitrage opportunities in the cash and derivatives segments of the equity markets, in commodities market and debt securities and at the same time attempting to enhance returns through unhedged long exposure in equity and equity related instruments. If suitable arbitrage opportunities are not available in the opinion of the Fund Manager, the scheme may hedge the equity exposure and invest balance amount in debt, Exchange Traded Commodity Derivatives (ETCDs), Reits & Invits and money market securities.

Commodities: Pertaining to commodities the scheme shall invest in the appropriate Exchange Traded Commodity Derivatives (ETCD's)

Under commodity derivatives the scheme shall invest in both futures and options contracts of underlying assets.

REITs & InvITs: Investment in REITs or InvITs will be made based on the various factors such as liquidity, sector outlook and returns expectations.

The investment across asset class within the stated range will be based on opportunities available in the different asset classes & future outlook for the Markets

Investment in fixed income securities (wherever possible) will be mainly in investment grade listed /unlisted securities. In case of investment in debt instruments that are not rated, specific approval of the Board of AMC and Trustee Company will be taken.

Net Long Equity Allocation

The Scheme will invest in opportunities arising out of corporate actions announced in stocks that offer superior risk adjusted returns and IPOs. The fund manager may invest across sectors, take cash calls, change allocation between the net long equity and fixed-income asset classes/equity arbitrage position in a dynamic manner within the permitted limits.

The stocks under the Scheme will be selected after rigorous fundamental research which includes parameters like management competitiveness, business competitiveness, corporate governance, growth prospects, past track record etc.

Income from Arbitrage Positions:

The fund manager will evaluate the difference between price of a stock in the futures market and in the spot market. If the price of a stock in the futures market is higher than in the spot market, after adjusting for cost and taxes, the scheme may buy the stock in the spot market and sell the same stock in equal quantity in the futures market simultaneously. For example, on 01-12-2014, the scheme buys 10,000 shares of XYZ Ltd (hypothetical stock) on spot @ Rs.144.40/- and at the same time sells 10,000 XYZ Ltd. futures for December,2014 expiry @ Rs.145.70. The scheme thus enters into a fully hedged transaction by selling the equity position in the futures market for expiry on 25-12-2014. If the scheme holds this position till expiry of the futures, the scheme earns an annualised net return (after adjusting brokerage, service tax and STT) of 9.79%, irrespective of what is the price of XYZ Ltd. on the date of expiry. On the date of expiry, if the price differential between the spot and futures position of the subsequent month maturity still persists, the scheme may rollover* the futures position and hold onto the position in the spot market. In case such an opportunity is not available, the scheme would liquidate the spot position and settle the futures position simultaneously.

* Rolling over of the futures transaction means, Unwinding the short position in the futures and simultaneously buying futures of the subsequent Month maturity, and Holding onto the spot position. There could also be instances of unwinding both the spot and the future position before the expiry of the current-month future to increase the base return or to meet redemption.

Enhance returns through Unhedged Equity:

The scheme would look to enhance returns through a moderate exposure in unhedged equity positions. The long equity exposure may comprise of equity stocks or equity derivatives such as equity index options & futures or a combination of both. A combination of top-down & bottom up approach would be used to select scrips which have the potential to provide growth at reasonable valuations.

Risk Control Measures:

Risk Control Measures for investment strategy:
The fund will comply with the prescribed SEBI limits on exposure. In addition the fund will also comply with all internal risk management guidelines specified from time to time by the Investment Committee. Risk would be monitored at periodic intervals and the portfolio would be rebalanced within the specified time period in case of any deviations.

Risk Mitigation measures for portfolio volatility:
Portfolio volatility will be managed in line with the objective of scheme. As the scheme is involved only in cash futures arbitrage, the portfolio volatility depends on the spread between cash & futures prices.

Risk mitigation measures for managing liquidity:

A major part of the scheme is invested in liquid stocks. The fund manager may also keep some portion of the portfolio in debt & money market instruments and/or cash within the specified asset allocation framework for the purpose of meeting redemptions. Stock turnover is monitored at regular intervals.

Trading in Derivatives

Subject to SEBI (Mutual Fund) Regulations, 1996, the Scheme may use techniques and instruments such as trading in derivative instruments to hedge the risk of fluctuations in the value of the investment portfolio. In accordance with the guidelines issued by the SEBI, exposure to derivative instruments will be restricted to the limit as specified along with the asset allocation pattern of the scheme.

The Scheme may use techniques and instruments such as trading in derivative instruments to hedge the risk of fluctuations in the value of the investment portfolio. A derivative is an instrument whose value is derived from the value of one or more of the underlying assets which can be commodities, precious metals, bonds, currency, etc. Common examples of Derivative instruments are Interest Rate Swaps, Forward Rate Agreements, Futures, Options, etc. The Scheme may purchase call and put options in securities in which it invests and on securities indices based on securities in which the scheme invests. Through the purchase and sale of futures contracts and purchase of related options on those contracts the Fund would seek to hedge against a decline in securities owned by the Fund or an increase in the prices of securities which the Fund plans to purchase. The Fund would sell futures contracts on securities indices in anticipation of a fall in stock prices, to offset a decline in the value of its equity portfolio. When this type of hedging is successful, the futures contract increase in value while the Fund's investment portfolio declines in value and thereby keep the Fund's net asset value from declining as much as it otherwise would. Similarly, when the Fund is not fully invested, and an increase in the price of equities is expected, the Fund would purchase futures contracts to gain rapid market exposure that may partially or entirely offset increase in the cost of the equity securities it intends to purchase.

Example: Please note that below mentioned examples are purely for illustration purpose only and actual exposure may vary to a greater extend in line with the regulatory directives.

Subject to SEBI (Mutual Fund) Regulations, 1996, The Scheme may invest in Derivative Instruments to the extent permitted under provision no. 7.5 and 12.25 of SEBI Master Circular on Mutual Fund dated Jun 27, 2024.

The cumulative gross exposure through equity, debt, reits & invits,ETCD's and derivative positions should not exceed 100% of the net assets of the scheme.

For other option contracts, the total exposure related to option premium paid will not exceed 20% of the net assets of the scheme. Cash or cash equivalents with residual maturity of less than 91 days may be treated as not creating any exposure.

Exposure due to hedging positions shall not be included in the above mentioned limits subject to the following:

1. Hedging positions are the derivatives positions that reduce possible losses on an existing position in securities and till existing position remains.
2. Exposure due to derivative positions taken for hedging purposes in excess of the underlying position against which the hedging position has been taken, shall have to be added and treated under the limits mentioned above.
3. Any derivative instrument used to hedge has the same underlying security as the existing position being hedged.
4. The quantity of underlying associated with the derivative position taken for hedging purposes does not exceed the quantity of the existing position against which hedge has been taken.

Mutual funds are allowed to hedge the portfolio or part of the portfolio (including one or more securities) on weighted average modified duration basis by using Interest Rate Futures (IRFs). The maximum extent of short position that may be taken in IRFs to hedge interest rate risk of the portfolio or part of the portfolio, is as per the formula given below:

$$\frac{\text{(Portfolio Modified Duration*Market Value of the Portfolio)}}{\text{(Futures Modified Duration*Futures Price/PAR)}}$$

The Mutual Fund may enter into plain vanilla interest rate swaps for hedging purposes. The counter party in such transactions shall be an entity recognized as a market maker by RBI. Further, the value of the notional principal in such cases shall not exceed the value of respective existing assets being hedged by the scheme. Exposure to a single counterparty in such transactions shall not exceed 10% of the net assets of the scheme.

Definition of Exposure in case of Derivative Positions

Each position taken in derivatives shall have an associated exposure as defined under. Exposure is the maximum possible loss that may occur on a position. However, certain derivative positions may theoretically have unlimited possible loss. Exposure in derivative positions shall be computed as follows:

Position	Exposure
Long Future	Futures Price*Lot Size*Number of Contracts
Short Future	Futures Price*Lot Size* Number of Contracts

Option Bought	Option Premium Paid*Lot Size* Number of Contracts.

Position Limits for Mutual Fund and its scheme

Position limit for Index Options and Index Futures contracts	
Index Options Contract*	On a particular underlying index Rs.500 Crore or 15% of the total open interest of the market in equity Index options contracts, whichever is higher.
Index Futures Contract**	On a particular underlying index Rs.500 Crore or 15% of the total open interest of the market in equity Index futures contracts, whichever is higher.

* This limit would be applicable on open positions in all options contracts on a particular underlying index.
** This limit would be applicable on open positions in all futures contracts on a particular underlying index.

Additional position limit for hedging	
In addition to the position limits as mentioned above, Mutual Funds may take exposure in equity index derivatives subject to the following limits:	Short positions in index derivatives (short futures, short calls and long puts) shall not exceed (in notional value) the Mutual Fund's holding of stocks.
	Long positions in index derivatives (long futures, long calls and short puts) shall not exceed (in notional value) the Mutual Fund's holding of cash, government securities, T-Bills and similar instruments.
Position limit for Stock Options and Stock Futures contracts	
The combined futures and options position limit shall be 20% of the applicable Market Wide Position Limit (MWPL). This limit would be applicable on aggregate open positions in all futures and all option contracts on a particular underlying stock.	

Position limit for each scheme of a Mutual Fund

The scheme-wise position limit requirements shall be:

1. For stock option and stock futures contracts, the gross open position across all derivative contracts on a particular underlying stock of a scheme of a mutual fund shall not exceed the higher of:
   - 1% of the free float market capitalization (in terms of number of shares). Or
   - 5% of the open interest in the derivative contracts on a particular underlying stock (in terms of number of contracts)
2. This position limits shall be applicable on the combined position in all derivative contracts on an underlying stock at a Stock Exchange.
3. For index based contracts, Mutual Funds shall disclose the total open interest held by its scheme or all schemes put together in a particular underlying index, if such open interest equals to or exceeds 15% of the open interest of all derivative contracts on that underlying index.

Position Limits for Interest Rate Future Contracts:

Scheme Level: The gross open positions across all contracts shall not exceed 3 % of the total open interest or INR 200 crores- whichever is higher.

Mutual Fund: The gross open positions across all contracts shall not exceed 10 % of the total open interest or INR 600 crores- whichever is higher.

Derivative Instruments & Related Examples:

Futures:

A futures contract is an agreement between the buyer and the seller for the purchase and sale of a particular asset at a specific price on a specific future date. The price at which the underlying asset would change hands in the future is agreed upon at the time of entering into the contract. The actual purchase or sale of the underlying asset involving payment of cash and delivery of the instrument does not take place until the contracted date of delivery. A futures contract involves an obligation on both the parties to fulfill the terms of the contract. Currently, futures contracts have a maximum expiration cycle of 3-months. A futures contract on the stock market index gives its owner the right and obligation to buy or sell the portfolio of stocks characterized by the index. Stock index futures are cash settled; there is no delivery of the underlying stocks.

Example:

Index Future	
Assume, 1-month Nifty Future price on day 1:	15110
Scheme Buys	100 Future Contracts
(1 lot =Nominal Value equivalent to 75 units of the underlying index)	
Scenario 1	
On the date of Settlement, the future price (closing spot price of the index)	15200

Profit for the scheme (10200-10110) *100*75	675000
Scenario 2	
On the date of Settlement, the future price (closing spot price of the index)	15050
Loss for the scheme (10050-10110) *100*75	-450000

Risks associated with Future Contracts: Investments in index futures face the same risk as the investments in a portfolio of shares representing an index. The extent of loss is the same as in the underlying stocks. The risk of loss in trading futures contracts can be substantial, because of the low margin deposits required, the extremely high degree of leverage involved in futures pricing and the potential high volatility of the futures markets. Additional risks could be on account of illiquidity and potential mispricing of the futures.

Options:

An option gives a person the right but not an obligation to buy or sell something. An option is a contract between two parties wherein the buyer receives a privilege for which he pays a fee (premium) and the seller accepts an obligation for which he receives a fee. The premium is the price negotiated and set when the option is bought or sold. A person who buys an option is said to be long in the option. A person who sells (or writes) an option is said to be short in the option.

Example:

Call Option	
Say, Scheme buys 1 lot of Nifty Index	75 Units
Spot price	15000
Strike price	15100
Premium	100
Total amount paid as premium (Rs.) (100X75)	Rs.7500
Scenario 1: The Nifty Index goes up (i.e Nifty Spot)	15250
Scheme has reversed the position before expiry of the contract	
Current Premium at the time of reversal	200
Net Gain Rs. (200-100)	100
Total gain on 1 lot of Nifty (75 units) Rs.(75x100)	Rs.7500
Scheme has reversed the position (i.e Nifty Option) at expiry	
Nifty Spot on expiry	15275
Premium Paid(Rs.)	100
Exercise price	15100
Receivables on Exercise (10275-10100)	175
Total gain (Rs.) (175 -100) *75	Rs.5625
Scenario 2: The Nifty index moves to the level below 10100	
Scheme does not gain anything but the loss to the scheme (limited to the actual premium paid)	Rs. 7500

Put Option	
Say, Scheme buys 1 lot of Nifty Index	75 Units
Spot Price	15000
Strike Price	14500
Premium	50
Total Amount Paid by the Scheme (75*50)	3750
Scenario 1: Nifty Index goes down	
Scheme has reversed the position before expiry of the contract	
Nifty Spot	14300
Current Premium at the time of reversal	80
Premium Paid (Rs.)	50

Net Gain (Rs.80-50)	30
Total Gain on 1 lot of Nifty (Rs.) (75x30)	Rs.2250
Scheme has reversed the position at expiry	
Nifty Spot	9375
Premium Paid (Rs.)	50
Exercise Price	9450
Gain on Exercise	75
Total Gain Rs.(75-50)*75)	Rs.1875
Scenario 2: If Nifty Index Stays over the Strike price of 9450	
Say Nifty Spot	9500
Net Loss to the Scheme will be premium paid	Rs.3750

Risks associated with Option Contracts: The option contracts give a person the right but not an obligation to buy or sell. The risk is potential mispricing and exposure to options can limit the profits from a genuine investment transaction.

Various Derivatives Strategies:

1. Index / Stock spot - Index / Stock Futures

The pricing of the futures is derived from underlying Index spot or the underlying stock. It is the cost of carry that binds the value of the futures to the underlying portfolio. When the two go out of sync, there are opportunities.

The cost of carry links the futures price to the price of the underlying asset. The price of the futures at any given instance should typically be more than the level of the spot price at that point. Theoretically, the fair value of the futures is equal to the spot price of the underlying plus the cost of carry i.e. the interest rate prevailing for an equivalent credit risk. Cash and carry trades at times provide higher than the prevailing interest rates. There is an opportunity to exploit by selling the overpriced futures and buying the underlying portfolio. It may also happen that the Index / Stock Future may be at a discount. In such cases, the Scheme may buy the future and sell the stock after borrowing the same. The Scheme shall enter into a combination of these transactions simultaneously.

If the Scheme has to unwind the positions prior to the expiry on account of redemptions or any other reason, the returns would depend on the spread between the spot and futures price at which the position is unwound. If the price differential between the spot and futures position of the subsequent month maturity is attractive near the expiry date, then the scheme may rollover the futures position and continue with the position in the spot market. The Scheme shall endeavour to deploy its assets through transactions in the above pattern, which may involve Index Futures with Stock Futures or Futures of the same stock with different expiry months.

2. Cash Futures Arbitrage Strategy

The fund would look for market opportunities between the spot and the futures market. The cash futures arbitrage strategy can be employed when the price of the futures exceeds the price of the underlying stock. The fund would first buy the stocks in cash market and then sell in the futures market to lock the spread.

Buying the stock in cash market and selling the futures results in a hedge where the fund portfolio has locked in a spread and is not affected by the price movements in the spot and futures markets. The arbitrage position can be continued till expiry of the futures contracts. The futures contracts are settled based on the last half an hour's weighted average trade of the cash market. There is a convergence between the cash market and the futures market on expiry and this convergence results in the portfolio being able to generate the arbitrage return locked in earlier. However, the position may even be closed earlier in the event of the price differential being realized before expiry or better opportunities being available in other stocks / indexes. The strategy is attractive if this price differential (post all costs) is higher than the investor's cost-of capital.

Illustration of a Cash Futures Arbitrage Strategy: -

Buy 100 shares of Company X at Rs 1000 and sell the same quantity of stock's futures of the Company X at Rs 1100.

1. Market goes up and the price on the expiry day is Rs 2000.

At the end of the month (expiry day) the futures expires automatically:

Settlement price of futures = closing spot price = Rs 2000

Gain on stock is 100*(2000-1000) = Rs 100,000

Loss on futures is 100*(1100-2000) = Rs – 90,000

Net gain is 100,000 – 90,000 = Rs 10,000

2. Market goes down and the price on the expiry day is Rs 500.

At the end of the month (expiry day) the futures expires automatically:

Settlement price of futures = closing spot price = Rs 500

Loss on stock is 100*(500-1000) = Rs – 50,000

Gain on futures is 100*(1100-500) = Rs 60,000

Net gain is 60,000 – 50,000 = Rs 10,000

Unwinding the position:

Buy 100 shares of Company X at Rs 1000 and sell the same quantity of stock's futures of the Company X at Rs 1100.

The market goes up and at some point of time during the month (before expiry) the stock trades at Rs 1200 and the futures trades at Rs 1190 then

Fund Manager will unwind the position:

Buy back the futures at Rs 1190: loss incurred is (1100- 1190)*100 = Rs – 9,000

Sell the stock at Rs 1200: gain realized: (1200-1000)*100 = Rs 20,000

Net gain is 20,000 – 9,000 = Rs 11,000

Rolling over the futures:

The Scheme may continue to stay invested in the stock in the Cash market. Close to expiry, if the stock's price is at Rs 1500 then the stock's futures is close to Rs 1500 as well. Also if the price of the current month stock futures is below the current price of the next month stock futures, the scheme may roll over the futures position to the next expiry:

The price of the stock futures next month contract is at Rs 1510

The price of the stock futures current month contract is at Rs 1500

Then sell the futures next month contract at Rs 1510 and buy back current month futures contract at Rs 1500 = gain of 100*(1510-1500) = Rs 9,000 and the arbitrage position is rolled over.

3. Use of derivative for other Arbitrage Opportunities

a. Dividend Arbitrage

At the time of declaration of dividend, the stock futures / options market can provide a profitable opportunity. Generally, the stock prices decline by the dividend amount when the stock becomes ex-dividend.

b. Buy-Back / Open Offer Arbitrage

When the Company announces the buy-back or open offer of its own shares, there could be opportunities due to price differential in buyback price and traded price.

c. Weighted average price of futures on expiry.

The fund manager will aim at liquidating the cash market position in the last half an hour on expiry day at a rate that will be closed to weighted price in the spot market. However, the extreme volatility in last half an hour may effect the price and accordingly affect the return. Accordingly, fund will aim at taking exposure to those stocks where the bid and ask spread is minimum.

d. Reverse cash and carry arbitrage

If permitted by SEBI, the scheme may enter into reverse cash and carry arbitrage. This will involve borrowing stock for a defined period from a recognized counter-party and selling it in the market while simultaneously taking a long position in the stock futures. The above trade will be remunerative in scenarios where the stock/ index futures are trading at a discount to the underlying cash market. Once the discount narrows or converts to a premium, the position is unwound by buying back the stock/index and squaring off the futures transaction. The purchased stock/ index is returned to the lender as per the agreed terms.

4. Writing of call options under covered call strategy

The scheme may write call options under covered call strategy subject to conditions specified by SEBI which includes the following:

1) Call option writing under a covered call strategy is allowed for constituent stocks of NIFTY 50 and BSE SENSEX.

2) The total notional value (taking into account strike price as well as premium value) of call options written by a scheme shall not exceed 15% of the total market value of equity shares held in the scheme.

3) The total number of shares underlying the call options written shall not exceed 30% of the unencumbered shares of a particular company held in the scheme. The unencumbered shares in a scheme shall mean shares that are not part of Securities Lending and Borrowing Mechanism (SLBM), margin or any other kind of encumbrance.

4) In no case, the scheme shall write a call option without holding the underlying equity shares. A call option can be written only on shares which are not hedged using other derivative contracts.

5) The total gross exposure related to option premium paid and received must not exceed 20% of the net assets of the scheme.

6) The call option written shall be marked to market daily and the respective gains or losses factored into the daily NAV of the scheme until the position is closed or expired

Benefit of Writing of Call Option Under a Covered Call Strategy

a. Holders with Long term view on the stock can write options and reduce the portfolio costs.

b. Writing can also act as a good alternative for playing relative outperformance for stocks held in portfolios within same sector.

c. Stocks held in the portfolio can be effectively hedged in extreme volatility in the market

Illustration

For example, if the scheme buy a stock A at Rs.900, receive a Rs.100 option premium from writing a Rs.1050 strike price call of stock A, then it can maintain the stock position as long as the stock price stays below Rs.1150 at expiry. If the stock price moves above Rs.1150, the scheme may have to give delivery of long position to meet obligation of call writing. The scheme can only profit if stock price remains below Rs.1150 on expiry.

Portfolio Turnover Policy:

“Portfolio Turnover” is the term used by any Mutual Fund for measuring the amount of trading that occurs in a Fund’s portfolio during the given period of time. As the scheme is an open ended equity scheme, it is expected that there would be a number of subscriptions and repurchase on a daily basis. Consequently, it is difficult to estimate with any reasonable measure of accuracy, the likely turnover in the portfolio. However, a high turnover would not significantly affect the brokerage and transaction costs. The Fund will endeavor to balance the increased cost on account of higher portfolio turnover with the benefits derived thereof. A high portfolio turnover rate is not necessarily a drag on portfolio performance and may be representative of arbitrate opportunities that exist for scrips/securities held in the portfolio rather than an indication of a change in Fund view on a scrip, etc.

D. HOW WILL THE SCHEME BENCHMARK ITS PERFORMANCE?

Scheme Benchmark (Tier I)– Nifty Equity Savings Index

Pursuant to provision no. 1.9 of SEBI Master Circular on Mutual Fund dated Jun 27, 2024 Nifty Equity Savings Index TRI is single benchmark as characteristic of the scheme is already tapered according to the sector of the scheme.

NIFTY Equity Savings Index captures performance of a portfolio having exposure to equity, equity arbitrage and debt instruments. This index is a total return index capturing price return and dividend/coupon income. Considering the type of the scheme and asset allocation pattern of the scheme, the selected(multiple) benchmarks are the most suitable and hence adopted for the scheme. Total Return variant of the index’s (TRI) will be used for performance comparison.

The Trustees may change the benchmark in future if a benchmark better suited to the investment objective of the Scheme is available.

E. WHO MANAGES THE SCHEME ?

Name	Age	Educational Qualification	Total Experience (in years)	Other Schemes under his Management	Experience (Assignments held during last 10 years)

PART III- OTHER DETAILS

A. COMPUTATION OF NAV

Net Asset Value ("NAV") of the Units shall be determined as of the close of each Business Day.

NAV shall be calculated in accordance with the following formula:

$$NAV = \frac{\text{Market Value of Scheme's Investments + Accrued Income + Receivables + Other Assets - Accrued Expenses - Payables - Other Liabilities}}{\text{Number of Units Outstanding}}$$

The computation of Net Asset Value, valuation of Assets, computation of applicable Net Asset Value (related price) for ongoing Sale, Redemption, Switch and their frequency of disclosure shall be based upon a formula in accordance with the Regulations and as amended from time to time including by way of Circulars, Press Releases, or Notifications issued by SEBI or the Government of India to regulate the activities and growth of Mutual Funds. The NAVs of the fund shall be rounded off upto four decimals.

Due to difference in the expense ratio, the NAV of each option of Direct Plan will be different from the NAV of each option of Regular Plan. Similarly due to IDCW- payout, the NAV of IDCW Options will be different from the NAV of Growth option.

The valuation of investments shall be based on the principles of fair valuation specified in the Schedule VIII of the SEBI (Mutual Funds) Regulations, 1996 and guidelines issued by SEBI /AMFI from time to time.* Please refer Para V. of SAI on 'Investment valuation norms for securities & other assets' for details.

Each option of the Regular Plan & Direct Plan will have a separate NAV.

Illustration of Calculation of Sale & Repurchase Price:

Assumed NAV Rs. 11.00 per unit
Entry Load: NIL
Exit Load 1%
Sale Price = NAV + (Entry Load(%) * NAV)
Sale Price = 11 + (0% * 11)
Sale Price = 11 + 0
Sale Price = Rs. 11/-
Repurchase Price = NAV – (exit load (%) * NAV)
Repurchase Price = 11 – (1%*11)
Repurchase Price = 11 – 0.11
Repurchase Price = Rs.10.89

Repurchase/ Resale is at Net Asset Value (NAV) related prices with repurchase/ resale loads as applicable (within limits) as specified under SEBI Regulations 1996. While determining the price of the units, the fund will ensure that the repurchase price is not lower than 97 per cent of the Net Asset Value.

B. NEW FUND OFFER (NFO) EXPENSES

Please note that being an existing scheme, this section is not applicable.

(iv)A public notice shall be given in respect of such changes in one English daily newspaper having nationwide circulation as well as in a newspaper published in the language of region where the Head Office of the Mutual Fund is situated.

(v) Any other measures which the mutual funds may feel necessary.

SECTION II

I. INTRODUCTION

A. DEFINITIONS / INTERPRETATION

Functional weblink that contains detailed description: Kindly visit https://www.tatamutualfund.com/statutory-disclosures/other-statutory-disclosures.

B. RISK FACTORS

Standard Risk Factors:

- Investment in Mutual Fund Units involves investment risks such as trading volumes, settlement risk, liquidity risk, default risk including the possible loss of principal.
- As the price / value / interest rates of the securities in which the scheme invests fluctuates, the value of your investment in the scheme may go up or down.
- Mutual Fund investments are subject to market risks, read all scheme related documents carefully.
- Mutual Funds and securities investments are subject to market risks and there can be no assurance and no guarantee that the Scheme will achieve its objective.
- As with any investment in stocks, shares and securities, the NAV of the Units under this Scheme can go up or down, depending on the factors and forces affecting the capital markets.
- Past performance of the previous Schemes, the Sponsors or its Group / Affiliates / AMC / Mutual Fund is not indicative of and does not guarantee the future performance of the Scheme.
- Investment in equity and equity related securities including option contracts involve high degree of risks and investors should not invest in the schemes unless they can afford to take the risk of losing their investment.
- The sponsors are not responsible or liable for any loss resulting from the operations of the scheme beyond the initial contribution of Rs. 1 lakh made by them towards setting up of the mutual fund.
- Tata Equity Savings Fund is only the name of the Scheme and does not in any manner indicate either the quality of the Scheme, its future prospects or the returns. Investors therefore are urged to study the terms of the Offer carefully and consult their Tax and Investment Advisor before investing in the Scheme.
- Tata Equity Savings Fund is not guaranteed or assured return scheme.
- Equity oriented mutual fund mean a fund which has been set up under a scheme of a Mutual Fund specified under clause (23D) of Income Tax Act, 1961 where more than 65% of the investible funds are invested in equity shares of domestic companies. The percentage of equity shareholding of the fund shall be computed with reference to the annual average of the monthly averages of the opening and closing figures. In an event where the percentage of annual average of monthly averages of equity shares of domestic companies falls below 65% of the investible funds, than the scheme may be classified as Non-Equity Oriented Fund and it may have additional tax implication on investors.

Scheme Specific Risk Factors:

Risks associated with Capital Markets or Equity Markets, (i.e. Markets in which Equity Shares or Equity oriented instruments are issued and traded)

Investment Risks

The price of securities may go up or down depending on a variety of factors and hence investors may note that AMC/Fund Manager's investment decisions may not be always profitable. Although it is intended to generate capital appreciation and maximize the returns by actively investing in equity securities and utilising debt and money market instruments as a defensive investment strategy. The price of securities may be affected generally by factors affecting capital markets such as price and volume, volatility in the stock markets, interest rates, currency exchange rates, foreign investment, changes in Government and Reserve Bank of India policy, taxation, political, economic or other developments, closure of the Stock Exchanges etc. Investors should understand that the investment pattern indicated, in line with prevailing market conditions, is only a hypothetical example as all investments involve risk and there is no assurance that the Fund's investment objective will be attained or that the Fund may not be in a position to maintain the indicated percentage of investment pattern under exceptional circumstances. There is no guarantee the investment / dis-investment decision will result into profit.

The fund may use techniques and instruments for efficient portfolio management and to attempt to hedge or reduce the risk. However these techniques and instruments if imperfectly used have the risk of the fund incurring losses due to mismatches particularly in a volatile market. The Fund's ability to use these techniques may be limited by market conditions, regulatory limits and tax considerations (if any). The use of these techniques is dependent on the ability to predict movements in the prices of securities being hedged and movements in interest rates. There exists an imperfect correlation between the hedging instruments and the securities or market sectors being hedged. Besides, the fact that skills needed to use these instruments are different from those needed to select the Fund's / plan's securities. There is a possible absence of a liquid market for any particular instrument at

any particular time even though the futures and options may be bought and sold on an organised exchange. The use of these techniques involves possible impediments to effective portfolio management or the ability to meet repurchase / redemption requests or other short-term obligations because of the percentage of the Fund's assets segregated to cover its obligations.

Liquidity and Settlement Risks

The liquidity of the Scheme's investments may be inherently restricted by trading volumes, transfer procedures and settlement periods. From time to time, the Scheme will invest in certain securities of certain companies, industries, sectors, etc. based on certain investment parameters as adopted internally by AMC. While at all times the AMC will endeavour that excessive holding/investment in certain securities of industries, sectors, etc. by the Scheme(s) are avoided, the funds invested by the Scheme in certain securities of industries, sectors, etc. may acquire a substantial portion of the Scheme's investment portfolio and collectively may constitute a risk associated with non-diversification and thus could affect the value of investments. Reduced liquidity in the secondary market may have an adverse impact on market price and the Scheme's ability to dispose of particular securities, when necessary, to meet the Scheme's liquidity needs or in response to a specific economic event or during restructuring of the Scheme's investment portfolio.

Risk Associated with Analytical Model

The Fund Manager will employ certain strategies that depend upon the reliability and accuracy of the Fund Manager's analytical models. To the extent such models (or the assumptions underlying them) do not prove to be correct, the Scheme may not perform as anticipated, which could result in substantial losses.

Regulatory Risk

The value of the securities may be affected by uncertainties such as changes in government policies, changes in taxation and other developments in the laws and regulations.

Risk associated with to be listed /Unlisted Securities

Securities which are not quoted on the stock exchanges are inherently liquid in nature and carry a larger liquidity risk in comparison with securities that are listed on the exchanges or offer other exit options to the investors, including the put options. The liquidity and valuation of the scheme's investments due to its holdings of to be listed /unlisted securities may be affected if they have to be sold prior to the target date of disinvestment.

Risk of Writing of Call Option Under a Cover Call Strategy
Under a delivery settlement a call writer will have to part with the physical holding of security which was originally intended for long term holding.

Securities Lending by the Mutual Fund

The Scheme may participate in securities lending and borrowing scheme in accordance with Securities Lending Scheme, 1997, Regulation 44 (4) of SEBI (Mutual Funds) Regulations ,1996, and as per provision no. 12.11 of SEBI Master Circular on Mutual Fund dated Jun 27, 2024 on framework for short selling and borrowing and lending of securities.. The Scheme shall also follow other relevant regulations /guidelines issued by stock exchange(s) from time to time. The Scheme shall participate in Securities Borrowing and Lending only with the SEBI approved intermediaries**.**

Securities Lending means the lending of securities to SEBI approved intermediaries for a tenure of 1 to 12 months at a negotiated compensation in order to enhance returns of the scheme portfolio. The securities lent will be returned by the borrower on the expiry of the stipulated period. The AMC will adhere to the following strict internal limits should it engage in Securities Lending.

Not more than 20% of the net assets of the fund can generally be deployed in stock lending and not more than 5% of the fund can be can be deployed in Stock lending to any single counterparty. Collateral would always be obtained by the approved intermediary. Collateral value would always be more than the value of the security lent. Collateral can be in form of cash, bank guarantee, and government securities, as may be agreed upon with the approved intermediary, and would also be subject to a mark to market valuation on a daily basis.

Example:

A fund has a security of a company which it would wish to hold for a long period of time as a core holding in the portfolio as per the fund manager's plan. In that case the investors would be benefited only to the extent of the rise in the value of the security, from time to time if any, on the exchange. If the fund is enabled to lend the said security to a borrower who would be wanting to take advantage of the market fluctuations in its price, the borrower would return the security to the lender (fund) at a stipulated time or on demand for a negotiated compensation. The fund's unitholders can enhance their returns to the extent of the compensation it will earn for lending the same. An adequate security or collateral will have to be maintained by the intermediary. This should always be higher than the cost of the security. Thus it is in the interest of the investors that returns can be enhanced by way of stock lending rather than hold the security only for capital appreciation potential.

Thus the scenario under which the fund would participate in stock lending would be:

1. There is a holding of security e.g. of XYZ Ltd in the fund which the fund manager wants to be the core holding of the fund for approximately 6 to 12 months.
2. There is a borrower (not mutual fund) for the security, (who has taken a short position in the market and needs the said security of XYZ Ltd to settle it) who is willing to put up a proper collateral for the same (In all cases higher than the price of the script).
3. The borrower is represented by a proper recognized intermediary.

4. The agreement is to return the security or the amount so negotiated at a particular period of time or on demand.

Then the security will be lent by the fund and the unitholders would benefit from the additional compensation earned for lending, apart from the capital appreciation which also happens in that stock. Thus, to summarize, stock lending would be done by the fund only in the following circumstances:

a) If permitted by trustees and the extent SEBI regulations in that regard, from time to time.

b) If such activity generates additional returns for the fund and helps to enhance the fund returns.

c) If considering the above and other factors all considered in totality, such activity is in the interest of unitholders in the fund.

Securities Lending Risks

It may be noted that this activity would have the inherent probability of collateral value drastically falling in times of strong downward market trends, rendering the value of collateral inadequate until such time as that diminution in value is replenished by additional security. It is also possible that the borrowing party and/or the approved intermediary may suddenly suffer severe business setback and become unable to honour its commitments. This, along with a simultaneous fall in value of collateral would render potential loss to the Fund. Besides, there is also be temporary illiquidity of the securities that are lent out and the fund will not be able to sell such lent out securities until they are returned.

Risks associated with Debt / Money Markets (i.e. Markets in which Interest bearing Securities or Discounted Instruments are traded)

Interest Rate Risk

As with debt instruments, changes in interest rate may affect the price of the debt instrument(s) and ultimately Scheme's net asset value. Generally the prices of instruments increase as interest rates decline and decrease as interest rates rise. Prices of long-term securities fluctuate more in response to such interest rate changes than short-term securities. Indian debt and government securities markets can be volatile leading to the possibility of price movements up or down in fixed income securities and thereby to possible movements in the NAV.

Credit Risk

Credit risk or Default risk refers to the risk that an issuer of a fixed income security may default (i.e. the issuer will be unable to make timely principal and interest payments on the security). Because of this risk corporate debentures are sold at a higher yield above those offered on Government Securities which are sovereign obligations and free of credit risk. Normally, the value of fixed income securities will fluctuate depending upon the changes in the perceived level of credit risk as well as any actual event of default. The greater the credit risk, the greater the yield required for someone to be compensated for the increased risk.

Reinvestment Risk

This risk refers to the difference in the interest rate levels at which cash flows received from the securities in the scheme is reinvested. The additional income from reinvestment is the "interest on interest" component. The risk is that the rate at which interim cash flows are reinvested may be lower than that originally assumed.

Counterparty Risk

This is the risk of failure of counterparty to the transaction to deliver securities against consideration received or to pay consideration against securities delivered, in full or in part or as per the agreed specification. There could be losses to the scheme in case of counterparty default.

Derivatives carry the risk of adverse changes in the market price. The risk of mispricing or improper valuation and the inability of derivatives to correlate perfectly with underlying assets, rates and indices.

Although for exchange traded derivatives, the risk is mitigated as the exchange provides the guaranteed settlement however in OTC trades the possibility of settlement is limited.

Risk associated with potential change in Tax structure

This summary of tax implications given in the taxation section (Units and Offer Section III) is based on the current provisions of the applicable tax laws. This information is provided for general purpose only. The current taxation laws may change due to change in the 'Income Tax Act 1961' or any subsequent changes/amendments in Finance Act/Rules/Regulations. Any change may entail a higher outgo to the scheme or to the investors by way of securities transaction taxes, fees, taxes etc. thus adversely impacting the scheme and its returns.

Risks related to Arbitrage Strategy

- In case of a large redemption, the scheme may need to reverse the spot-futures transaction before the date of futures' settlement. This eventuality may lead to the basis risk. While reversing the spot-futures transaction on the Futures & Options settlement day on the Exchange, there could be a risk of volume-weighted-average-price of the market being different from the price at which the actual reversal is processed. This may result in basis risk.

- On the date of expiry, when the arbitrage is to be unwound, it is not necessary for the stock price and its future contract to coincide. There could be a discrepancy in their prices even a minute before the market closes. Thus, there is a possibility that the arbitrage strategy gets unwound at different prices.

Risk Associated with investment in Instruments having Special Features:

Credit Risk/Principal at risk: The issuer has the option to write off the principal in times of severe financial stress. Since these bonds are unsecured investor will have any recourse to recover money in case issuer write off the principal. Such bonds may get converted into equity on happening of certain pre-defined event.

Central Bank may instruct issuer of the bonds to write down the entire value of its outstanding AT1 bonds, if it thinks the bank has passed the Point of Non Viability (PONV), or requires a capital infusion to remain a going concern.

Also, issuer may not pay interest under certain circumstances. Such interest can not be recovered in future also.

Interest Rate Risk: where there is no defined maturity, it may yield lower interest especially when the interest rates are rising.

Liquidity Risk: There is no surety that bond holder will get your principal back on the call date as the issuer may choose to extend the tenure of bonds at a future date. Bond holder has the option of selling these bonds in the secondary market but bond holder may have to exit at a loss as the bond's price may differ from the cost price. Also, some of these are bonds are thinly traded, which means there are limited buyers.

The above risk factors may result in losses to the scheme.

Risks associated with Segregated Portfolio

Investor holding units of segregated portfolio may not able to liquidate their holding till the time recovery of money from the issuer. Security comprises of segregated portfolio may not realise any value.

Listing of units of segregated portfolio in authorize stock exchange does not necessarily guarantee their liquidity. There may not be active trading of units in the stock market. Further trading price of units on the stock market may be significantly lower than the prevailing NAV

Risks Associated with Investments in REITs and InvITS:

• Market Risk: REITs and InvITs Investments are volatile and subject to price fluctuations on a daily basis owing to factors impacting the underlying assets. AMC/Fund Manager's will do the necessary due diligence, but actual market movements may be at variance with the anticipated trends.

• Liquidity Risk: As the liquidity of the investments made by the Scheme(s) could, at times, be restricted by trading volumes, settlement periods, dissolution of the trust, potential delisting of units on the exchange etc, the time taken by the Mutual Fund for liquidating the investments in the scheme may be high in the event of immediate redemption requirement. Investment in such securities may lead to increase in the scheme portfolio risk.

• Reinvestment Risk: Investments in REITs & InvITs may carry reinvestment risk as there could be repatriation of funds by the Trusts in form of buyback of units or dividend pay-outs, etc. Consequently, the proceeds may get invested in assets providing lower returns.

• Regulatory/Legal Risk: REITs and InvITs being new asset classes, rights of unit holders such as right to information etc. may differ from existing capital market asset classes under Indian Law

Risk associated with investing in exchange traded commodity derivatives

Commodity risks

The Fund may invest on in commodities markets and may therefore have investment exposure to the commodities markets and one or more sectors of the commodities markets, which may subject the Fund to greater volatility than investments in traditional securities, such as stocks and bonds. Volatility in the commodities markets may be caused by changes in overall market movements, domestic and foreign political and economic events and policies, war, acts of terrorism, changes in domestic or foreign interest rates and/or investor expectations concerning interest rates, domestic and foreign inflation rates, investment and trading activities of mutual funds, hedge funds and commodities funds, and factors such as drought, floods, weather, livestock disease, embargoes, tariffs and other regulatory developments, or supply and demand disruptions. Because the Fund's performance is linked to the performance of volatile commodities, investors should be willing to assume the risks of potentially significant fluctuations in the value of the Fund's shares.

Derivative products are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the investor. Execution of investment strategies depends upon the ability of the fund manager(s) to identify such opportunities which may not be available at all times. Identification and execution of the strategies to be pursued by the fund manager(s) involve uncertainty and decision of fund manager(s) may not always be profitable. No assurance can be given that the fund manager(s) will be able to identify or execute such strategies.

Systemic Risks

Systemic risks which may be witnessed while trading in Indian Commodities Market are liquidity risk, market risk in terms of volatility, Exchange Risk and counterparty risks.

Settlement Risk –

Risks pertaining to settlement of Commodity Derivatives vide Physical Delivery of goods

1) Incremental margin / cost to be borne- The Commodity exchanges have robust settlement process like the equity exchanges. However, there are rules and timelines which need to be complied with, failing which delivery of the commodity will need to be taken. This will lead to incremental cost to procure the commodity. Avoidance of the same will lead to the exchange penalizing the buyer or the seller or both depending on the type of commodity being dealt with.

2) Risk Factors in case settlement of Derivatives vide Physical Delivery of goods - Timelines to dispose off the physical goods, loss due to damage, inadequate insurance.

If the Commodities futures position passes its last square off date or the 'Intention' is missed to be provided before the Delivery Intention period, the buyer or the seller will be allocated delivery of the commodity. Thus, there emerges a risk of holding goods in physical form at the warehouses. Though the commodity is inclusive of insurance cost, there is a small deductible in each claim which is not payable by the Insurance company.

Risks associated with investing in Securities Segment and Tri-party Repo trade settlement:

The mutual fund is a member of securities segment and Tri-party Repo trade settlement of the Clearing Corporation of India (CCIL). All transactions of the mutual fund in government securities and in Tri-party Repo trades are settled centrally through the infrastructure and settlement systems provided by CCIL; thus reducing the settlement and counterparty risks considerably for transactions in the said segments. The members are required to contribute an amount as communicated by CCIL from time to time to the default fund maintained by CCIL as a part of the default waterfall (a loss mitigating measure of CCIL in case of default by any member in settling transactions routed through CCIL). CCIL shall maintain two separate Default Funds in respect of its Securities Segment, one with a view to meet losses arising out of any default by its members from outright and repo trades and the other for meeting losses arising out of any default by its members from Triparty Repo trades. The mutual fund is exposed to the extent of its contribution to the default fund of CCIL, in the event that the contribution of the mutual fund is called upon to absorb settlement/default losses of another member by CCIL, as a result the scheme may lose an amount equivalent to its contribution to the default fund.

Risks associated with Derivatives

- Derivative products are leverage instruments and can provide disproportionate gains as well as disproportionate losses to the investors. Execution of such strategies depends upon the ability of the Fund Manager to identify such opportunities. Identification and execution of the strategies to be pursued by the Fund Manager involved uncertainty and decision of Fund Manager may not always be profitable. No assurance can be given that the Fund Manager will be able to identify or execute such strategies.

- Derivative products are specialized instruments that require investment techniques and risk analysis different from those associated with stocks and bonds. Derivatives require the maintenance of adequate controls to monitor the transactions entered into, the ability to assess the risk that a derivative add to the portfolio and the ability to forecast price of securities being hedged and interest rate movements correctly. There is a possibility that a loss may be sustained by the portfolio as a result of the failure of another party (usually referred to as the "counterparty") to comply with the terms of the derivatives contract. Other risks in using derivatives include the risk of mis-pricing or improper valuation of derivatives and the inability of derivatives to correlate perfectly with underlying assets, rates and indices.

- The risks associated with the use of derivatives are different from or possibly greater than, the risks associated with investing directly in securities and other traditional investments".

- The Scheme may face execution risk, whereby the rates seen on the screen may not be the rate at which the ultimate execution of the derivative transaction takes place.

- The Scheme may find it difficult or impossible to execute derivative transactions in certain circumstances. For example, when there are insuffi**c**ient bids or suspe**n**sion of trading due to price limit or circuit breakers, the Scheme may face a liquidity issue.

- Investments in index futures face the same risk as the investments in a portfolio of shares representing an index. **T**he extent of loss is the same as in the underlying stocks.

- The Scheme bea**r**s a risk that it may not be able to correctly forecast future market trends or the value of assets, indices or other financial or economic factors in establishing derivative positions for the Scheme.

- There is the possibility that a loss may be sustained by the portfolio as a result of the failure of another party (usually referred to as the "counter party") to comply with the terms of the derivatives contract. The counter party may default on a transaction before settlement and therefore, the Scheme is compelled to negotiate with another counterparty at the then prevailing (possibly unfavorable) market price.

- The risk of loss in trading futures contracts can be substantial, because of the low margin deposits required, the extremely high degree of leverage involved in futures pricing and the potential high volatility of the futures markets.

- Where derivatives are used for hedging, such use may involve a basic risk where the instrument used as a hedge does not match the movement in the instrument/underlying asset being hedged. The risk may be inter-related also e.g. interest rate movements can affect equity prices, which could influence specific issuer/industry assets.

Other risks in using derivatives include the risk of mispricing or improper valuation of derivatives and the inability of derivatives to correlate perfectly with underlying assets, rates and indices.

Risks Factors associated with transaction in Units through stock exchange(s)

In respect of transaction in Units of the Scheme through BSE and / or NSE, allotment and redemption of Units on any Business Day will depend upon the order processing / settlement by BSE and / or NSE and their respective clearing corporations on which the Fund has no control.

C. RISK MITIGATION STRATEGIES

Risk Control / Mitigation measures for equity investments and related investments:

Investment in equity has an inherent market risk which cannot be mitigated generally. Also due to the concentrated equity portfolio strategy, the investment in the scheme is subject to higher risk compared scheme investing in a well –diversified equity portfolio. Following measures have been implemented with an objective to mitigate /control other risks associated with equity investing:

Nature of Risk	Mitigation Measures
Regulatory Risk	• Online monitoring of various exposure limits by the Front Office System. Also as a backup, manual controls are also implemented.
Poor Portfolio Quality	• Pre-approved universe of stocks based on strong fundamental research. New stock addition only with the prior approval of investment committee.
Performance Risk	• Periodical review of stock wise profit & loss. Review of scheme performance vis. a vis. Benchmark index as well as peer group.
Liquidity Risk	• Periodical review of the liquidity position of each scrip (Market capitalization, average volume in the market vis. a vis. Portfolio Holding)
Concentration Risk	• Cap on maximum single sector exposure. Cap on maximum single stock exposure

Risk Control / Mitigation measures for Debt and related Investments:

Nature of Risk	Mitigation Measures
Liquidity Risk	• Focus on good quality paper at the time of portfolio construction • Portfolio exposure spread over various maturity buckets to in line with maturity of a scheme.
Credit Risk	• In house dedicated team for credit appraisal • Issuer wise exposure limit • Rating grade wise exposure limit • Periodical portfolio review by the Board of AMC
interest Rate Risk	• Close watch on the market events • Active duration management • Portfolio exposure spread over various maturities.
Regulatory Risk	Online monitoring of various exposure limits by the Front Office System also as a backup, manual control are implemented.

Risk Mitigation measures related to Exchange Traded Commodity Derivatives

Investment in commodity has an inherent market risk in terms of volatility, which cannot be mitigated generally. However, SEBI has allowed participation in ETCDs only which likely to have enough liquidity in the market.

The settlement risk shall be mitigated by ensuring that the trade positions do not fall in delivery mode. In case of delivery of goods, TMF shall dispose of such goods from the books of the scheme at the earliest not exceeding 30 days from the date of holding of the physical goods.

Further, the Investment Manager endeavours to invest in REITs/InvITs, where adequate due diligence and research has been performed by the Investment Manager. The Investment Manager also relies on their own research as well as third party research. The analysis will focus, amongst others, on the predictability and strength of cash flows, value of assets, capital structure, business prospects, policy environment, strength of management, responsiveness to business conditions, etc.

The securities/debt instruments mentioned above could be listed or to be listed, to be listed , unlisted, secured or unsecured, rated and of varying maturities and other terms of issue. The securities may be acquired through Initial Public Offerings (IPOs), secondary market operations, private placement, rights offer or negotiated deals. Please refer to the Clause "Liquidity & Settlement Risks" under Specific Risk Factors to understand the

liquidity risk associated with securities. The Scheme may also enter into repurchase and reverse repurchase obligations in all securities held by it as per guidelines / regulations applicable to such transactions.

Investment in Securities of Group Companies

As per SEBI (Mutual Funds) Regulations 1996, the Fund shall not make any investments in any un-listed securities of associate/ group companies of the Sponsors. The Fund will also not make investment in privately placed securities issued by associate / group companies of the Sponsors. The Fund may invest not more than 25% of the net assets in listed securities of Group companies.

Derivatives and Hedging Products:

The Scheme will comply with all the applicable circulars issued by SEBI as regard to derivatives viz. provision no. 7.5 and 12.25 of SEBI Master Circular on Mutual Fund dated Jun 27, 2024.

Options:

An option gives a person the right but not an obligation to buy or sell something. An option is a contract between two parties wherein the buyer receives a privilege for which he pays a fee (premium) and the seller accepts an obligation for which he receives a fee. The premium is the price negotiated and set when the option is bought or sold. A person who buys an option is said to be long in the option. A person who sells (or writes) an option is said to be short in the option.

An option contract may be of two kinds:

1) Call option: An option that provides the buyer the right to buy is a call option. The buyer of the call option can call upon the seller of the option and buy from him the underlying asset at the agreed price. The seller of the option has to fulfil the obligation upon exercise of the option.

2) Put option: The right to sell is called a put option. Here, the buyer of the option can exercise his right to sell the underlying asset to the seller of the option at the agreed price.

Option contracts are classified into two styles:

(a) European Style

In a European option, the holder of the option can only exercise his right on the date of expiration only.

(b) American Style

In an American option, the holder can exercise his right anytime between the purchase date and the expiration date.

Interest Rate Swap & Forward Rate Agreements

An interest rate swap is a financial contract between two parties exchanging a stream of interest payments for a notional principal amount on multiple occasions during a specified period.

Typically, one party receives a pre-determined fixed rate of interest while the other party, receives a floating rate, which is linked to a mutually agreed benchmark with provision for mutually agreed periodic resets.

As per SEBI (Mutual Fund) Regulations 1996, the Scheme shall not make any investments in any un-listed securities of associate / group companies of the Sponsors. The Fund will also not make investment in privately placed securities issued by associate / group companies of the Sponsor. The Scheme may invest not more than 25% of the net assets in listed securities of Group companies.

Overview of Debt Market:

The major players in the Indian Debt Markets are banks, financial institutions, insurance companies and mutual funds. The instruments in the market can be broadly categorized as those issued by corporate, banks, financial institutions and those issued by state/central governments. The risk associated with any investments are – credit risk, interest rate risks and liquidity risk. While corporate papers carry credit risk due to changing business conditions, government securities are perceived to have zero credit risk. Interest rate risk is present in all debt securities and depends on a variety of macroeconomic factors. The liquidity risk in corporate securities market is higher compared to those of government securities. The liquidity risk in corporate securities market is higher compared to those of government securities. Liquidity in the corporate debt market has been improving due to the entry of more players and due to various measures taken by the regulators to increase the liquidity and transparency such as introduction of repo in corporate bonds, Credit Default Swaps, compulsory reporting of secondary market OTC transactions on exchange platforms to name a few. Moreover, the recent successful e introduction of Interest Rate Future in the benchmark 10 year Government Bond will also likely to increase the depth in the debt market.

The market participants in the corporate debt and gilt markets are banks, financial institutions, mutual funds, corporates, insurance companies, FIIs, primary dealers and provident funds. The main debt instruments in the market are those issued by Corporates and State/Central Governments. Corporate papers carry credit risk while government securities are believed to carry no credit risk. The main risks with investments in debt securities are interest rate risk, credit risk and liquidity risk. Interest rate risk associated with debt instruments depend on the macroeconomic environment. It includes both market price changes due to change in yields as well as coupon reinvestment rate risk. Corporate papers carry higher liquidity risk as compared to gilts due to the depth of the gilt market.

Money Market:

Money market encompasses a wide range of instruments with maturities ranging from one day to a year, issued by Government, Banks and corporates etc. and traded in markets of varying liquidity. The risk associated with any investments are – credit risk, interest rate risk and liquidity risk. However, such risks are lower in case of money market instruments compare to other debt instruments. Further, within the gamut of money market instruments

as available in the market, such risks are very low in case of instruments issued by government. While corporate papers carry credit risk due to changing business conditions, government securities are perceived to have zero credit risk.

The following table attempts to give a broad overview of the available instruments in the financial markets and their risk return profile. The data given in the table is based on market conditions around the date of the Offer document and can at best be considered indicative:

Such investment limit may be extended to 25% of the net assets of the scheme with the prior approval of the Trustees.

    Additional Provision: The investments in debt and money market instruments of group companies of both the sponsor and the AMC shall not exceed 10% of the net assets of the scheme. Such investment limit may be extended to 15% of the net assets of the scheme with the prior approval of the Trustees.

15. i. Mutual fund schemes shall participate in ETCDs of a particular goods (single), not exceeding 10% of net asset value of the scheme.

    ii. The participation in ETCDs shall not exceed 10% of net asset value of the scheme.

    The scheme shall not have net short positions in ETCDs on any particular good, considering its positions in physical goods as well as ETCDs at any point of time. Scheme shall not write options or purchase instrument with embedded written option in goods or in commodity futures.

16. A mutual fund may invest in the units of REITs and InvITs subject to the following:

    (a) No mutual fund under all its schemes shall own more than 10% of units issued by a single issuer of REIT and InvIT; and
    (b) The scheme shall not invest –

    i. more than 10% of its NAV in the units of REIT and InvIT; and

    ii. more than 5% of its NAV in the units of REIT and InvIT issued by a single issuer

    The above limit will be within the overall limit for debt instruments issued by a single issuer as specified at clause 1 of the Seventh Schedule of SEBI (Mutual Fund) Regulations,1996.

These investment limitations / parameters (as expressed / linked to the net asset / net asset value / capital) shall in the ordinary course apply as at the date of the most recent transaction or commitment to invest, and changes do not have to be effected merely because, owing to appreciations or depreciations in value, or by reason of the receipt of any rights, bonuses or benefits in the nature of capital or of any scheme of arrangement or for amalgamation, reconstruction or exchange, or at any repayment or redemption or other reason outside the control of the Fund, any such limits would thereby be breached. If these limits are exceeded for reasons beyond its control, TAMPL shall adopt as a priority objective the remedying of that situation, taking due account of the interests of the Unitholders.

In addition, certain investment parameters (like limits on exposure to Sectors, Industries, Companies, etc.) may be adopted internally by TAMPL, and amended from time to time, to ensure appropriate diversification / security for the Fund. The Trustee Company / TAMPL may alter these above stated limitations from time to time, and also to the extent the SEBI (Mutual Funds) Regulations, 1996 change, so as to permit the Scheme to make its investments in the full spectrum of permitted investments for mutual funds to achieve its investment objective. As such all investments of the Scheme will be made in accordance with SEBI (Mutual Funds) Regulations, 1996, including Schedule VII thereof.

C. Fundamental Attributes

Following are the Fundamental Attributes of the scheme, in terms of Regulation 18 (15A) of the SEBI (MF) Regulations:

(i) Type of a scheme

An open-ended scheme investing in equity, arbitrage and debt.

(ii) Investment Objective

The investment objective of the scheme is to provide long term capital appreciation and income distribution to the investors by predominantly investing in equity and equity related instruments, equity arbitrage opportunities and investments in debt and money market instruments.

However, there is no assurance or guarantee that the investment objective of the Scheme will be achieved. The scheme does not assure or guarantee any returns.

Investment Pattern and Risk Profile:

The tentative portfolio break-up of Equity , Debt, other permitted securities and such other securities as may be permitted by the Board from time to time with minimum and maximum asset allocation, while retaining the option to alter the asset allocation for a short term period on defensive considerations has been provided in Section C for detailed Asset Allocation and Risk Profile of the scheme.

(iii) Terms of Issue

a) Liquidity: Repurchase/ Resale is at Net Asset Value (NAV) related prices with repurchase/ resale loads as applicable (within limits) as specified under SEBI Regulations 1996. While determining the price of the units, the fund will ensure that the repurchase price is not lower than 97 per cent of the Net Asset Value.

b) Aggregate fees and expenses - Refer section "IV FEES AND EXPENSES" for aggregate fees and expenses chargeable to the Scheme.

c) The scheme does not provide any safety net or guarantee nor does it provide any assurance regarding declaration of income distribution i.e dividend. There is no guarantee or assurance that the scheme will achieve its' objective.

In accordance with Regulation 18(15A) of the SEBI (MF) Regulations, the Trustees shall ensure that no change in the fundamental attributes of the Scheme and the Plan(s) / Option(s) thereunder or the trust or fee and expenses payable or any other change which would modify the Scheme and the Plan(s) / Option(s) thereunder and affect the interests of Unitholders is carried out unless:

i. SEBI has reviewed and provided its comments on the proposal.
ii. A written communication about the proposed change is sent to each Unitholder and an advertisement is given in one English daily newspaper having nationwide circulation as well as in a newspaper published in the language of the region where the Head Office of the Mutual Fund is situated; and
iii. The Unitholders are given an option for a period of atleast 30 calendar days to exit at the prevailing Net Asset Value without any exit load.

D. Index methodology (for index funds, ETFs and FOFs having one underlying domestic ETF)

Not applicable.

E. Principles of incentive structure for market makers (for ETFs)

Not applicable, as the scheme is not an ETF.

F. Floors and ceiling within a range of 5% of the intended allocation against each sub class of asset, as per clause 13.6.2 of SEBI master circular for mutual funds dated Jun 27, 2024 (only for close ended debt schemes)

Not applicable, as the scheme is an open-ended scheme.

G. Other Scheme Specific Disclosures

Listing and Transfer of Units	**Listing** Not applicable Currently the scheme is not listed. However, the trustees may review the same in future and list the units under the Scheme on one or more Stock Exchanges later subject to adherence of terms and conditions of Regulators/Exchanges. **Transfer of Units** Units are freely transferable. Unitholders desirous of transferring units shall submit the transfer request in the prescribed form or convert his/her holding in non demat or demat mode. Any addition / deletion of name from the folio of the unitholder is deemed as transfer of unit. Transfer of unit(s) shall be subject to payment of applicable stamp duty by the unitholder(s) and applicable laws. The above provisions in respect of deletion of names will not be applicable in case of death of unitholder (in respect of joint holdings) as this is treated as transmission of units and not transfer.

	The units issued in Demat (electronic) form are transferable in accordance with the provisions of SEBI (Depositories and Participants) Regulations, as may be amended from time to time. Transfer would be only in favor of transferees who are capable of holding units. The Fund will not be bound to recognize any other transfer. The delivery instructions for transfer of units will have to be lodged with the DP in the requisite form as may be required from time to time and transfer will be affected in accordance with such rules/regulations as may be in force governing transfer of securities in dematerialized mode. As per provision no. 14.4.4 of SEBI Master Circular on Mutual Fund dated Jun 27, 2024. All the units of a mutual fund scheme held in Demat form will be freely transferable. Please refer SAI for the procedure of transmission & pledging. Investors are requested to visit the funds website for the list of prescribed documents under any of the procedure or call the investors service centers for any clarification on the above.
Dematerialization of Units	Pursuant to provision no. 14.4.2 of SEBI Master Circular on Mutual Fund dated Jun 27, 2024 and further as per AMFI Circular No 35P/MEMCOR/ 35/11-12 dated Dec 23, 2011, Mutual Fund shall provide an option to investors to hold units in Demat mode. As per provision no. 14.4.4 of SEBI Master Circular on Mutual Fund dated Jun 27, 2024, all the units of a mutual fund scheme held in Demat form will be freely transferable.Hence investors opting for allotment of units in Demat form shall mention Demat account details in the application form. Demat facility is available for all schemes of Tata Mutual Fund except for subscription in Plans / Options where income distribution frequency is less than one month. Subscription by way of Systematic Investment Plan option shall also be available for SIP transactions and units will be allotted based on the applicable NAV as per respective scheme information document and will be credited to Investor Demat Account on weekly basis on realization of funds.
Minimum Target amount (This is the minimum amount required to operate the scheme and if this is not collected during the NFO period, then all the investors would be refunded the amount invested without any return)	Not applicable, as the scheme is an ongoing scheme.
Maximum Amount to be raised (if any)	No upper limit.
Dividend Policy (IDCW)	**Growth Option:** The income / profits received / earned would be accumulated by the Fund as capital accretion, aimed at achieving medium to long term and also short term capital growth and reflected in the NAV. **Payout of Income Distribution cum capital withdrawal Option:** The profits received / earned and so retained and reinvested may be distributed as income at appropriate rates (after providing for all relevant ongoing expenses, etc.) and at appropriate intervals as may be decided by the AMC and/or Trustee Company. It will be distributed to the unitholders who hold the units on the ^record date of declaration of the Income. Please note that the income distribution cum capital withdrawal and its frequency is subject to availability of distributable surplus and at the discretion of the trustees. The Fund reserves a right to modify the periodicity and manner of payout of such income distribution as they deem fit without giving any further notice to unitholders. The Fund does not assure any targeted annual return / income nor any capitalisation ratio. Accumulation of earnings and / or capitalisation of bonus units and the consequent determination of NAV, may be suspended temporarily or indefinitely under any of the circumstances as stated in the clause “Suspension of Ongoing Sale, Repurchase or Switch out of Units”. **^** Monthly IDCW frequency: **First Wednesday of the month, If it is a non-business day, then the record date shall be the succeeding business day.**

	Reinvestment of Income Distribution cum capital withdrawal option: Unitholders under this option also have the facility of reinvestment of the income distribution cum capital withdrawal so declared, if so desired. The income declared would be reinvested in the scheme on the immediately following ex-dividend date. **Transfer of Income Distribution cum capital withdrawal plan:** Under this facility investor can opt for reinvestment of divided into any other scheme of Tata Mutual Fund. This facility is not available to those investors who have opted for IDCW- pay-out facility Under this facility, the net income distribution amount (i.e. net of statutory levy/taxes if any) will be automatically invested on the ex-dividend date into other scheme of Tata Mutual Fund as specified by the investor at the applicable NAV of that scheme and accordingly equivalent units will be allotted in lieu of income distribution, subject to the terms and conditions of the schemes. No entry Load or exit load will be levied on the units issued in lieu of income distribution. AMC reserves the right to modify or withdraw this facility without prior notice. In case pay-out option is not mentioned than income distribution amount shall be compulsorily reinvested in the same scheme/option at applicable ex-dividend NAV. **Compulsory Reinvestment of payout of Income distribution cum capital withdrawal:** In order to reduce the expenses of the scheme and also for the convenience of the investors the income distribution cum capital withdrawal amount shall be compulsorily reinvested within the scheme at the applicable ex-dividend NAV if income distribution cum capital withdrawal amount is less than Rs 100 /- in the same option of the respective plans of the scheme at the ex- dividend rate. This is applicable to the all income distribution cum capital withdrawal options of the scheme. In case of IDCW- reinvestment, the units will be allotted at applicable ex-dividend NAV in lieu of income distribution cum capital withdrawal. **The Fund reserves a right to modify the periodicity & manner of pay-out of such income distribution cum capital withdrawal as they deem fit without giving any prior notice to Unitholders.**
Allotment during continuous offer for sale period.	At the discretion of the investors, the units under the scheme shall either be allotted in dematerialized form (if investor has Demat account and he has provided the details of depository account in the application form) or by way of issuing the physical account statement. The investors who wish to hold units in Demat mode need to furnish the details of their depository account in the Application Form. The Units allotted in electronic form will be credited to the investor's Beneficiary Account with a Depository Participant (DP) of CDSL or NSDL as per the details furnished by the investor in the Application Form Those investors who have not provided Demat account details shall be issued account statement specifying the number of units allotted. A statement of accounts specifying the number of units allotted to the applicant or issue units in the dematerialized form as soon as possible but not later than five working days from the date of closure of the initial subscription list or from the date of receipt of the application. The units are freely transferable in demat or non demat mode. Transfer of units shall be subject to payment of applicable stamp duty by the unitholders and as per applicable laws. Unitholders desirous of transferring units shall submit the transfer request in the prescribed form and with other documents as may be mandated by AMC. Further, where the investor has furnished the details of their depository accounts in the Application Form, it will be assumed that the investor has opted for allotment in electronic form and the allotment will be made only in electronic form as default. In case unit holder wish to dematerialize the units, he/she shall comply with the procedures prescribed by the AMC / Depository from time to time. The allotment of units is subject to realisation of the payment instrument. Any application for subscription of units may be rejected if found incomplete or due to unavailability of underlying securities, etc.
Refund	Refund of subscription money to applicants whose applications are invalid for any reason whatsoever, will be without incurring any liability whatsoever for interest or other sum. If the Fund fails to refund the amount within 5 business days, interest @15% per annum for delayed period shall be paid by the AMC. Refunds will be carried out electronically wherever CBS account nos., IFSC codes available or Direct Credit facility is available with the Bank else through refund orders marked "A/c. Payee Only" drawn in the name of the first applicant.

Who can invest (This is an indicative list and investors are requested to consult their financial advisor to ascertain whether the scheme is suitable to their risk profile)	**Eligibility for Application** The following persons (subject, wherever relevant to, purchase of Units being permitted under their respective constitutions and relevant State Regulations) are eligible to apply for the purchase of the Units: • Adult individuals, either singly or more than one (not exceeding three) on first holder basis or jointly on an either or survivor/any one basis. • Parents or other lawful Guardians on behalf of Minors. AMC will follow uniform process 'in respect of investments made in the name of a minor through a guardian' by provision no. 17.6 of SEBI Master Circular on Mutual Fund dated Jun 27, 2024 and circular no. HO/IMD/POD-II/CIR/P/2023/0069 dated May 12, 2023 which states that payment for investment by any mode shall be accepted from the bank account of the minor, parent or legal guardian of the minor, or from a joint account of the minor with parent or legal guardian. For existing folios, the AMCs shall insist upon a Change of Pay-out Bank mandate before redemption is processed. Irrespective of the source of payment for subscription, all redemption proceeds shall be credited only in the verified bank account of the minor i.e., the account the minor may hold with the parent/legal guardian after completing all KYC formalities.. • Companies, corporate bodies, public sector undertakings, trusts, wakf boards or endowments, funds, institutions, associations of persons or bodies of individuals and societies (including Co-operative Societies) registered under the Societies Registration Act, 1860 (so long as the purchase of Units is permitted under their respective constitutions). • Mutual Funds (including any Scheme managed by AMC or any Scheme of any other Mutual Fund); (in accordance with Regulation 44(1) read with Clause 4 of Schedule VII, of the Securities & Exchange Board of India (Mutual Funds) Regulations, 1996). • Asset Management Company (AMC); (in accordance with Regulation 25(17) of the Securities & Exchange Board of India (Mutual Funds) Regulations, 1996). • Partnership firms, in the name of the partners. • Hindu Undivided families (HUF) in the sole name of the Karta. • Financial and Investment Institutions/ Banks. • Army/ Navy / Air Force, para military Units and other eligible institutions. • Religious and Charitable Trusts provided these are allowed to invest as per statute and their by-laws. • Non-resident Indians/ persons of Indian origin residing abroad (NRIs) on a full repatriation basis or on non-repatriation basis. • Foreign Portfolio Investor (Foreign Portfolio Investor (FPI) as defined under Regulation 2(1)(h) of Security Exchange Board of India (Foreign Portfolio Investors) Regulations, 2014. • International Multilateral Agencies approved by the Government of India. **Compliance under Foreign Account Tax Compliance Act (FATCA) regulations:** United States of America (US) has introduced chapter no. 4 in the US Internal Revenue Code as a part of the Hiring Incentives to Restore Employment (HIRE) Act, which was enacted by the US legislature to create employment opportunities in US. The HIRE Act includes Foreign Account Tax Compliance Act (FATCA), which now forms a part of the US-IR Code. The regulations for FATCA have undergone revision since 2010 and the final regulations make the FATCA provisions effective from July 1, 2014. The objective of FATCA is to detect "US Persons", who evade US taxes by using financial account maintained outside US. The US persons are defined as those who have either US citizenship or US residency. The FATCA stipulates reporting on - i. US taxpayers about certain foreign financial accounts and offshore assets. ii. Foreign Financial Institutions (FFIs) about financial accounts with them of US taxpayers or foreign entities in which US taxpayers hold substantial ownership interest. FFIs (including mutual funds in India) are required to periodically report information on accounts of US persons, who maintain balances above a threshold. In the event of a default in the reporting of information on accounts of US taxpayers, a withholding of 30% of the payment made from US sources will be imposed on the recalcitrant account holders and non-participating Financial Institutions. SEBI vide its circular no. CIR/MIRSD/2/2014 dated June 30, 2014, has advised that Government of India and US Government have reached an agreement in substance on the terms of an Inter-Governmental Agreement (IGA) to implement FATCA and India is now treated as having an IGA in effect from April 11, 2014. Tata Asset Management Company private Limited (TAMPL) is classified as a Foreign Financial Institution (FFI) under the FATCA provisions and in accordance therewith, the AMC would be required to comply with the rules & regulations of FATCA, from time to time.

	In order to ensure compliance with FATCA and other rules / directions / notifications as may be issued by Government of India or other regulatory authority, Mutual Funds are required to institute a process to identify US Person investors and report the same. Applicants are required to refer to the "FATCA information" section in the application and mandatorily fill/sign off on the same. Applications without this information / declaration being filled/signed off will be deemed as incomplete and are liable to be rejected. Investors are requested to note that the contents of the information to be provided/ declaration in the application form may undergo a change on receipt of communication / guidelines from Government of India or AMFI or SEBI or any other regulatory authority. **Common Reporting Standard (CRS)** On similar lines of FATCA, the Organization of Economic Development (OECD), along with the G 20 countries, of which India is a member, has released a 'Standard for Automatic Exchange of Financial Account Information in Tax matters'. In order to combat the problem of offshore tax evasion and avoidance and stashing of unaccounted money abroad, the G 20 & OECD countries have together developed a common reporting standard(CRS) on automatic exchange of information(AEOI). On June 3,2015 India has joined the Multilateral Competent Authority Agreement(MCAA) on AEOI. The CRS on AEOI requires the financial institutions of the 'source' jurisdiction to collect and report information to their tax authorities about account holders 'resident' in other countries. The information to be exchanged relates not only to individuals, but also to shell companies and trusts having beneficial ownership or interest in the 'resident' countries. In view of India's commitment to implement the CRS on AEOI and also the IGA with USA and with a view to provide information to other countries necessary legislative changes has already been made in Finance Act & by inserting Rules 114F to 114H and Form 61B to provide a legal basis for the Reporting Financial Institutions (RFIs) for maintaining and reporting information about the reportable accounts. Applicants are required to refer to the "FATCA/CRS information" section in the application and mandatorily fill/sign off on the same. Applications without this information / declaration being filled/signed off will be deemed as incomplete and are liable to be rejected. Investors are requested to note that the contents of the information to be provided/ declaration in the application form may undergo a change on receipt of communication / guidelines from Government of India or AMFI or SEBI or any other regulatory authority. With the change in guidelines, investors may be called for additional information required by the law. Investors are requested to keep Mutual Fund updated with change in information already submitted by them with Mutual Fund. FATCA provisions are relevant not only at on-boarding stage of investor(s)/unit holder(s) but also throughout the life cycle of investment with the Fund/the AMC. In view of this, Investors should immediately intimate to the Fund/the AMC, in case of any change in their status with respect to FATCA/CRS related declaration provided by them previously. Subject to the Regulations and other applicable laws, the AMC / Trustee may reject any application for subscription and/or redemption of units if found incomplete or due to unavailability of underlying securities, etc. Investors(s)/Unit holder(s) should consult their own tax advisors to understand the implications of FATCA/CRS provisions /requirements.
Who cannot invest	**Applicants who cannot Invest.** • A person who falls within the definition of the term "U.S" Person" under the US Securities Act of 1933 and corporations or other entities organised under the laws of the U.S. • A person who is resident of Canada. • OCB (Overseas Corporate Bodies) as defined under Income Tax Act, 1061 and under Foreign Exchange Management Act, 1999. Any person /entity who is restrained/ prohibited/ debarred by any Regulators / Law Enforcement Agencies for investment in capital market. The Fund reserves the right to include / exclude new / existing categories of investors to invest in the scheme from time to time, subject to SEBI Regulations and other than prevailing statutory regulations, if any. If a person resident of India at the time of subscription becomes a person resident outside India subsequently, shall have the option to either be paid Redemption value of Units, or continue into the Scheme if he/ she so desires and is otherwise eligible. However, the person who desires to continue in the Scheme shall not be entitled to any interest or any compensation during the period it takes for the Fund to record the change in Address and the Residential Status. Notwithstanding the aforesaid, the Trustee Company reserves the right to close the Unitholder account and to pay the Redemption value of Units, subsequent to his becoming a person resident outside India, should the reasons of expediency, cost, interest of Unitholders and other circumstances make it

	necessary for the Fund to do so. In such an event, no resident Unitholders who have subsequently become resident outside India shall have a right to claim the growth in capital and/ or income distribution. This scheme has not been registered in any country outside India. To ensure compliance with any Laws, Acts, Enactments, etc. including by way of Circulars, Press Releases, or Notifications of Government of India, the Fund may require/give verification of identity/any special/additional subscription-related information from /of the Unitholders(which may result in delay in dealing with the applications, Units, benefits, distribution, etc./giving subscription details, etc.). Each Unitholder must represent and warrant to the Trustee Company/AMC that, among other things, he is able to acquire Units without violating applicable laws. The Trustee Company will not knowingly offer or sell Units to any person to whom such offer or sale would be unlawful, or might result in the Fund incurring any liability or suffering any other pecuniary disadvantages which the Fund might not otherwise incur or suffer. Units may not be held by any person in breach of the law or requirements of any governmental, statutory authority including, without limitation, Exchange Control Regulations. The Trustee company may, compulsorily redeem any Units held directly or beneficially in contravention of these prohibitions. In view of the individual nature of investment portfolio and its consequences, each Unitholder is advised to consult his/her own professional advisor concerning possible consequences of purchasing, holding, selling, converting or otherwise disposing of the Units under the laws of his/her State/country of incorporation, establishment, citizenship, residence or domicile.

The policy regarding reissue of repurchased units, including the maximum extent, the manner of reissue, the entity (the scheme or the AMC) involved in the same.	The number of Units held by the Unit holder under his folio /Demat Account will stand reduced by the number of Units redeemed. Presently, the AMC does not intend to reissue the repurchased units. However, the Trustee reserves the right to reissue the repurchased units at a later date after issuing adequate public notices and taking approvals, if any, from SEBI.
Restrictions, if any, on the right to freely retain or dispose of units being offered.	Units are freely transferable. Unitholders desirous of transferring units shall submit the transfer request in the prescribed form or convert his/her holding in non demat or demat mode. Any addition / deletion of name from the folio of the unitholder is deemed as transfer of unit. Transfer of unit(s) shall be subject to payment of applicable stamp duty by the unitholder(s) and applicable laws. The above provisions in respect of deletion of names will not be applicable in case of death of unitholder (in respect of joint holdings) as this is treated as transmission of units and not transfer. The units issued in Demat (electronic) form are transferable in accordance with the provisions of SEBI (Depositories and Participants) Regulations, as may be amended from time to time. Transfer would be only in favor of transferees who are capable of holding units. The Fund will not be bound to recognize any other transfer. The delivery instructions for transfer of units will have to be lodged with the DP in the requisite form as may be required from time to time and transfer will be affected in accordance with such rules/regulations as may be in force governing transfer of securities in dematerialized mode. **As per provision no. 14.4.4 of SEBI Master Circular on Mutual Fund dated Jun 27, 2024. All the units of a mutual fund scheme held in Demat form will be freely transferable.** Please refer SAI for the procedure of transmission & pledging. Investors are requested to visit the funds website for the list of prescribed documents under any of the procedure or call the investors service centers for any clarification on the above. There is no upper limit of redemption. However, this is subject to the following: a) The repurchase would be permitted to the extent of credit balance in the Unit holder's account. b) The Asset Management Company (AMC) may, in the general interest of the all Unit holders of the Scheme, keeping in view the unforeseen circumstances/unsure conditions, limit the total number of Units which may be redeemed on any Business Day. Restrictions may be imposed under the following circumstances that leads to a systemic crisis or event that severely constricts market liquidity or the efficient functioning of markets. a) Liquidity issues - When markets at large becomes illiquid affecting almost all securities rather than any issuer specific security. b) Market failures, exchange closures - When markets are affected by unexpected events which impact the functioning of exchanges or the regular course of transactions. Such unexpected events could also be related to political, economic, military, monetary or other emergencies. c) Operational issues - When exceptional circumstances are caused by force majeure, unpredictable operational problems and technical failures (e.g. a black out). Under the aforesaid circumstances, the AMC / Trustee may restrict redemption for a specified period of time not exceeding 10 working days in any 90 days period. Any imposition of restriction on redemption / switch of units would require specific approval of Board of AMCs and Trustees and the same should be informed to SEBI immediately. Unitholders should note that the following provisions shall be applicable when redemption requests are placed during such restricted period. i) No redemption requests upto Rs. 2 lakh shall be subject to such restriction and ii) Where redemption requests are above Rs. 2 lakh, AMCs shall redeem the first Rs. 2 lakh without such restriction and remaining part over and above Rs. 2 lakh shall be subject to such restriction.

Minimum balance to be maintained and consequences of non-maintenance.	There is no minimum balance requirement for the scheme.
Accounts Statements	The AMC will send an allotment confirmation specifying the units allotted by way of email and/or SMS within 5 working days of receipt of valid application/transaction to the Unit holders registered e-mail address and/ or mobile number (whether units are held in demat mode or in account statement form). A Consolidated Account Statement (CAS) detailing all the transactions across all mutual funds (including transaction charges paid to the distributor) and holding at the end of the month shall be sent to the Unit holders in whose folio(s) transaction(s) have taken place during the month by mail or email on or before 15th of the succeeding month. Half-yearly CAS shall be issued at the end of every six months (i.e. September/ March) on or before 21st day of succeeding month, to all investors providing the prescribed details across all schemes of mutual funds and securities held in dematerialized form across demat accounts, if applicable Note: SEBI Circular no. SEBI/HO/MRD/PoD1/CIR/P/2025/16 dated 14.02.2025 revised Para 1.24 of Chapter 1 of SEBI Master Circular for Depositories effective 14.05.2025. As per the revision, 1. The CAS will be generated on a monthly basis. The AMCs / MF-RTAs will provide the data with respect to the common PANs to the depositories within five (5) days from the month end. The depositories will then consolidate and dispatch the CAS to investors that have opted for delivery via electronic mode, within twelve (12) days from the month end and to investors that have opted for delivery via physical mode, within fifteen (15) days from the month end. 2. If there is any transaction in any of the demat accounts of the investor or in any of his mutual fund folios, then CAS will be sent to that investor through email on monthly basis. In case there is no transaction in any of the mutual fund and demat accounts then CAS with holding details will be sent to the investors by email on half yearly basis. In respect of half-yearly CAS, the AMCs / MF-RTAs will provide the data with respect to the common PANs to the depositories on or before eighth (8th) day of April and October every year. The depositories will then consolidate and dispatch the CAS to investors that have opted for delivery via electronic mode, on or before the eighteenth (18th) day of April and October and to investors that have opted for delivery via physical mode, on or before the twenty-first (21st) day of April and October. However, when an investor does not wish to receive CAS through email, option will be given to the investor to receive the CAS in physical form at the address registered with the Depositories and the AMCs / MF-RTAs. For further details, refer SAI.
Dividend / IDCW	The payment of dividend to the unitholders shall be made within seven working days from the record date. The above timelines are subject to the list of exceptional circumstance as specified by SEBI or AMFI from time to time.
Redemption	The redemption proceeds will be dispatched to the unit holders within three working days from the date of redemption or repurchase. The redemption cheque will be issued in the name of the first unitholder. The above revised timelines are subject to the list of exceptional circumstances specified as per provision no. 14.1.3 of SEBI Master Circular on Mutual Fund dated June 27, 2024.

Sr No	Exceptional Situations	Additional Timelines Allowed
(i)	Payment of redemption proceeds through physical instruments (cheque / DD) where electronic fund transfer is not possible (such as old / non-Core Banking account / IFSC non-available records / IMPS failed records for reasons like name mismatch*, technical error / Investor Bank not participating in Electronic Fund transfers or failure of electronic credit for any reason which are at the bank's end. * Name mismatch typically occurs where the bank account is held jointly, but the 1st holder in MF Folio may not be first holder in the bank account or the investor's name in MF folio and his/her bank account may not be exactly identical e.g., MF folio is held by A+B, but the bank account is in the name of B +A; OR the name as per bank a/c & MF folio are recorded a bit differently e.g., (i) Given Name + Middle Name + Surname (ii) Given Name + Surname (iii) Surname + Given Name etc. Note: When payment is made through cheque / DD, the investor's bank account details registered with the RTA shall be printed on the cheque/DD, so that the amount is paid only through the investor's bank account to mitigate the risk of fraudulent encashment.	Additional 2 working days
(ii)	Redemption in case of funds where payout schedule of underlying instruments/ funds is different e.g., Domestic Fund of Funds, Overseas funds, Overseas FOF scheme, wherein the redemption proceeds can be paid after 1 day of payout schedule.	Additional 1 working day after receiving proceeds from underlying instruments/ schemes for electronic payouts. {For physical payouts, i.e., issuance and dispatch of cheque/ DD, additional days as per (i) above would also be allowed, after receiving proceeds from underlying instruments/ schemes}. For example, in case of Domestic FoFs, where funds are received on T+3 days, timeline applicable would be. a) T+4 days for electronic payment; and b) T+6 days physical payout.
(iii)	On such days, where it is a bank holiday in some or all the states, but a business day for the stock exchanges.	Additional 1 working day following the bank holiday(s) in the State where the investor has bank account.
(iv)	Exceptional circumstances such a sudden declaration of a business day as a holiday (as it happened on the day the famous singer Lata Mangeshkar passed away) or as a non-business	In all such exceptional situations, the timelines prescribed in provision no. 14.1 & 14.2 of SEBI Master Circular on Mutual Fund dated June 27, 2024 shall be counted

		day due to any unexpected reason / Force Majeure events.	from the date the situation becomes normal.
	(v)	In all such cases where a request for Change of Bank account has been received just prior to (upto 10 days prior) OR simultaneously with redemption request.	In all such cases, the AMCs / RTAs can make the redemption payment after the cooling off period of 10 days from the date of receipt of COBM. The redemption transaction shall be processed as per the applicable NAV on the basis time stamp. The credit may either be given in the existing bank account or the new bank account post due diligence within 1 working day after cooling off period.
	(vi)	Need for additional due diligence in instances such as Transmission reported in one fund, but not in the current fund, proceedings by Income Tax authorities, Folio under lock/bank lien etc.	Additional 3 working days

Redemption proceeds will be paid by cheques, marked "Account Payee only" and drawn in the name of the sole holder/first-named holder (as determine by the records of the Registrar).

For units held in demat form : Unitholders should submit their valid redemption request to their Depository Participant (DP). The redemption proceeds will be credited to the bank account of the Unitholder, as per the bank account details recorded with the DP through electronic modes or by forwarding a Cheque / Draft.

Other Scheme related disclosures:

Ongoing Offer Period This is the date from which the scheme will reopen for subscriptions/redemptions after the closure of the NFO period.	The scheme is known as Tata Regular Savings Equity Fund from 27th July, 2015. Further, in response to provision no. 2.1 of SEBI Master Circular on Mutual Fund dated Jun 27, 2024 on Categorization and Rationalization of Schemes, the scheme name have been changed to Tata Equity Savings Fund. The Scheme was earlier known as Tata Monthly Income Fund which was formed pursuant to the demerger of Regular Income (Monthly Dividend) Option from Tata Income Fund with effect from 23rd December, 2002. Subsequently, Appreciation Option and Quarterly Income Option were carved out of the Monthly Income Option. Being an existing open ended scheme, subscription / redemption facilities provided on all business days. Units of the Scheme is offered at NAV based price.
Ongoing price for subscription (purchase)/switch-in (from other schemes/plans of the mutual fund) by investors. This is the price you need to pay for purchase/switch-in.	At the applicable NAV.
Ongoing price for redemption (sale) / repurchase / switch outs (to other schemes/plans of the Mutual Fund) by investors. This is the price you will receive for redemptions/switch outs. Example: If the applicable NAV is Rs. 10, exit load is 2% then redemption price will be: Rs. 10* (1-0.02) = Rs. 9.80	At the applicable NAV subject to prevailing exit load, if any. Repurchase/ Resale is at Net Asset Value (NAV) related prices with repurchase/ resale loads as applicable (within limits) as specified under SEBI Regulations 1996. While determining the price of the units, the fund will ensure that the repurchase price is not lower than 97 per cent of the Net Asset Value.
Special Products / facilities available	**a) Systematic Investment Plan (SIP)** The investors can benefit by investing specified Rupees amounts at regular intervals. The SIP allows the unitholders to invest a fixed amount of Rupees at regular intervals for purchasing additional units of the fund at NAV based prices. Investment can be done with the minimum / maximum amount and number of cheques specified by AMC from time to time. The cheques will be presented on the dates mentioned on the cheque and subject to realization. Units will be allotted at the applicable NAV along with applicable load (if any). "SIP facility is available subject to terms and conditions. Please refer to the SIP Enrolment form for terms and conditions before enrolment." **b) Systematic Withdrawal Plan (SWP)** This facility available to the unitholders of the fund enables them to redeem fixed sums or fixed number of units from their unit accounts at periodic intervals. The amount withdrawn under SWP by redemption shall be converted into the Fund units at the Repurchase price and such units will be subtracted from the unit balance of that unitholder. In case the date falls during a book closure period the immediate next Business day will be considered for this purpose. The Authorised Investor Service Center may terminate SWP on receipt of a notice from the unitholder. It will terminate automatically if all units are liquidated or withdrawn from the account or upon the receipt of notification of death or incapacity of the unitholder. "SWP facility is available subject to terms and conditions. Please refer to the SWP Enrolment form for terms and conditions before enrolment." **c) Systematic Transfer Plan (STP)** A unitholder may establish a Systematic Transfer Plan (STP) and choose to transfer on a monthly or a quarterly basis from one TMF Scheme to another TMF Scheme on a date prescribed by the Investment Manager. The amount thus withdrawn by redemption shall be converted into units at the applicable NAV on the scheduled day and such units will be subtracted from the unit balance of that unitholder. Unitholders may change the amount,

not below the specified minimum, by giving two weeks' prior written notice to the registrars. STP may be terminated automatically if the balance falls below the minimum account balance or upon the receipt of notification of death or incapacity of the unitholders by the fund. Rules relating to the plan may be changed from time to time by the Investment Manager.

"STP facility is available subject to terms and conditions. Please refer to the STP Enrolment form for terms and conditions before enrolment."

Flex STP

Flexible Systematic Transfer Plan ("Flex STP") by Tata Mutual Fund is a facility wherein a Unitholder(s) of designated open-ended Scheme(s) can opt to transfer variable amounts linked to the value of his investments on the date of transfer at pre-determined intervals from designated open-ended (source scheme) to the growth option of another open-ended scheme (target scheme).

Salient Features of Flex STP are as follows:

1. The amount to be transferred under Flex STP from source scheme to target scheme shall be calculated using the below formula:

Flex STP amount = [(fixed amount to be transferred per instalment x number of instalments already executed, including the current instalment) - market value of the investments through Flex STP in the Transferee Scheme on the date of transfer]

2. The first Flex STP instalment will be processed for the fixed instalment amount specified by the investor at the time of enrolment. From the second Flex STP instalment onwards, the transfer amount shall be computed as per formula stated above.

3. Under "Flex STP" facility, Tata Equity Savings Fund is enabled as Source as well as Target Scheme.

4. Flex STP would be available for Quarterly, Monthly, Weekly and Daily frequencies.

5. Flex STP is not available from "Daily / Weekly" income distribution plans of the source schemes.

6. Flex STP is available only in "Growth" option of the target scheme.

7. Conversion to Normal STP: If there is any other financial transaction (purchase, redemption or switch) processed in the target scheme during the tenure of Flex STP, the Flex STP will be processed as normal STP for the rest of the instalments for a fixed amount.

8. Flex STP will stop/cease on occurrence of any of the following event whichever is earlier.

   a. Flex STP will cease after the specified End Date / Specified number of instalments have been transferred.

   b. In case the amount (as per the formula) to be transferred is not available in the source scheme in the investor's folio, the residual amount will be transferred to the target scheme and Flex STP will be closed.

9. A single Flex STP enrolment Form can be filled for transfer into one Scheme/Plan/Option only.

10. In case the date of transfer falls on a Non-Business Day, then the immediately following Business Day will be considered for the purpose of determining the applicability of NAV.

11. The request for flex STP should be submitted at least 10 calendar days before the first STP date.

12. All other terms & conditions of Systematic Transfer Plan are also applicable to Flex STP.

Flex STP is a Systematic Withdrawal Plan (SWP) from Source Scheme and Systematic Investment Plan (SIP) in the Target scheme, therefore in the source scheme the exit load for the units will be as per the load structure applicable at the time of the purchase of those units. In the Target scheme the load structure will be as per the prevailing exit Load structure applicable for the SIP for that scheme.

Systematic Transfer from one scheme to another scheme attracts capital gain tax depends on the periodicity of holding. In view of the individual nature of tax implications, each unit holder is advised to consult with his or her own tax advisors with respect to the specific tax and other implications arising out of the transactions.

The AMC reserves the right to withdraw/change/modify the terms and conditions of Flex STP. The above terms and conditions may be modified at any time without prior notice to the unitholders and such amended terms and conditions will thereupon apply to and be binding on the unitholders.

For further details on Special Products/ Terms & Condition, please refer KIM/Application form.

For detail terms & conditions, unitholders are requested to check KIM cum application form of the scheme.

Transactions through online facilities / electronic modes	The time of transaction done through various online facilities / electronic modes offered by the AMC, for the purpose of determining the applicability of NAV, would be the time when the request for purchase / sale / switch of units is received in the servers of AMC/RTA. In case of transactions through online facilities / electronic modes, the movement of funds from the investors' bank account to the Scheme's bank account may happen via the Intermediary / Aggregator service provider through a Nodal bank account and post reconciliation of fund. The process of movement of funds from the investors' bank account into the Scheme's Bank account in case of online transaction is governed by Reserve Bank of India(RBI)vide their circular Ref. RBI/2009-10/231 DPSS.CO.PD.No.1102/02.14.08/2009-10 dated 24th November, 2009. The process followed by the aggregator and the time lines within which the Funds are credited into the Scheme's bank account is within the time lines provided by RBI which is T+3 settlement cycle / business days, where T is the date of Transaction / day of intimation regarding completion of transaction. The nodal bank account as stated above is an internal account of the bank and such accounts are not maintained or operated by the intermediary / aggregator or by the Mutual Fund. While the movement of Funds out of the investors' Bank account may have happened on T day, however post reconciliation and as per statutory norms the allotment can happen only on availability of Funds for utilization by the AMC/MF and accordingly the transaction will processed as per the applicable NAV based on availability of funds for utilization. This lag may impact the applicability of NAV for transactions where NAV is to be applied, based on actual realization of funds by the Scheme. Under no circumstances will Tata Asset Management Private Limited or its bankers or its Service providers be liable for any lag / delay in realization of funds and consequent pricing of units. The AMC has the right to amend cut off timings subject to SEBI (MF) Regulations for the smooth & efficient functioning of the Scheme.
JUST SMS Facility	JUST SMS Facility enables the unitholders to • Subscription of units of the scheme for amounts less than Rs 2 lacs. • Redemption of units in the scheme (any amount/All Units). • Switch out from the scheme (any amount/All Units). This facility is currently available for existing investors (resident individuals only including guardian on behalf of minor) however new investor can avail this facility after opening a folio in the scheme. Process Note: 1. Subscription transaction request can be accepted in "Amounts" only and Switch and Redemption transaction requests can be accepted in "Amounts/Units" , however the request for Unit based redemption/switches can be given for "ALL" units and not part thereof. The minimum subscriptions / redemption / Switch amount in the respective scheme/(s) will be applicable for each transaction. The load structure prevailing at the time of the purchase transaction will be applicable. 2. Mobile Number Registration: Unitholder(s) of the Fund will have to register a mobile number registered in India in their folio for availing this Facility. The mobile number provided in the debit mandate shall be updated in the folio for which the Facility is required. Additionally it will be registered in all the folios (if the same is not already available) where the First/Sole unit holder PAN number is same as the First/Sole unit holder PAN in the application, the updation of the mobile number will be only for purpose of database enhancement for all communication purposes. To avail this facility, only one mobile number will be registered with one folio number. 3. Unitholder(s) of the Fund can start transacting, using this Facility only after successful registration of the Debit Mandate with their bankers and receipt of confirmation from the AMC. The process of registering the bank mandate with the banker may take upto 30 days. 4. Unit holder(s) need to provide Original cancelled cheque of the same bank account registered in the registration form with the unit holder's name printed on the face of the cheque. In case an investor is not able to submit the Original cancelled cheque or do not have the name of the investor on the face of the cheque. Then the investor needs to submit: a. Copy of the bank passbook attested by bank / Original bank statement with name address and bank account number of the investor. b. A letter from the bank on its letter head certifying that the investor maintains an account with the bank, along with the information like the bank account number, bank branch, account type, the MICR code of the branch and the IFSC code. c. Get the bankers attestation in the face of the form in the section BANKER'S Attestation (For BANK Use only) d. If these supporting documents are not provided the registration may not be accepted. The Unit holder(s) cheque/ bank account details are subject to third party verification. 5. In case the mode of holding of the folio is 'Joint' and the Debit Mandate is duly signed by all the joint holder(s), it will be deemed to be an express instruction to the AMC (Tata Asset Management Pvt Ltd) / RTA (Computer Age Management Service Pvt. Ltd),to keep the mode of holding to 'Anyone or

Survivor' for availing this Facility only, so that this facility is available to the first named holder only. In case the unit holder is a "minor", the legal /natural guardian shall be eligible to avail of this Facility till the minor attains majority. As such legal/natural guardian may make payments from the minor's respective bank account (or in accordance with the exceptions provided for third party payments) and the same shall be recognized by the AMC as valid payment as per the SEBI Mutual Fund Regulations.

6. The Purchase Facility is currently available to the investors with the bank account with following bank branches:
   a) All bank branches participating in Reserve Bank of India (RBI) Electronic Clearing System (ECS)/Regional Electronic Clearing System (RECS) facility.
   b) Core Banking branches of the following Banks: Allahabad Bank, Axis Bank, Bank Of Baroda, Citibank, Corporation Bank, HDFC Bank, Federal Bank, ICICI Bank, IDBI Bank, Karnataka Bank, Punjab National Bank, State Bank of India, Union Bank of India, United Bank of India.

   Please note that the list of the banks and branches may be modified/updated/ changed/deleted from time to time in future at the sole discretion of the AMC without assigning any reason or prior notice. You may kindly refer the AMC web site www.tatamutualfund.com for the latest list of locations/banks.
7. Some banks and branches may levy charges for mandate registration and / or transactions to their bank account holders, which will be borne by the account holder only and will not be borne /reimbursed by the AMC or the Fund.
8. Unit holder(s) hereby confirms, acknowledges and undertakes to make payments for subscription of units from their respective bank account(s) in compliance with applicable provisions relating to third party payments detailed in the SID / SAI and that the payment will be through legitimate sources only.
9. The responsibility of the bank account information provided in the Debit Mandate or any other application form for this Facility solely rests with the Unit holder(s) and the AMC / Fund / RTA will not be responsible or liable for any loss, claims, liability that may arise on account of any incorrect and / or erroneous data / information supplied by the Unit holder(s).
10. It will be the sole responsibility of the unit holder(s) bank and its branch to ensure proper registration of the Debit Mandate and confirm registration. If no confirmation of registration or rejection is received from the banker, the AMC/RTA/it's agents will deem the same to be registered and confirm the registration to Unit holder(s) entirely at the risk of Unit holder(s).
11. The Unit holder(s) shall ensure availability of clear funds in their respective bank account, as specified in the Debit Mandate, at the time of requesting a Transaction using the Facility and at the time of bank account being debited
12. The bank account of the customer may be debited towards purchases either on the same day of transaction or within one to seven business days depending on ECS cycle. The AMC / RTA shall attempt to settle the transaction and debit the bank account by requesting the registered bank for release of funds as per direct debit arrangement or standing instruction or RBI ECS (Debit) facility generally within a period of one to seven working days for bank. However, in case of non- receipt of the funds, for whatsoever reasons, the transaction shall stand cancelled/ null and void and the units allotted, if any would be reversed and stands cancelled.
13. The request for transaction is to be considered as accepted, subject to realization of funds towards purchases, and only on receipt of the confirmation from RTA on the registered mobile number or email id of the Unit holder(s) of the Fund.
14. The applicable NAV for the transaction will be dependent upon the time of receipt of the SMS into Computer Age Management Service Pvt. Ltd, Registrar & Transfer Agent of the Fund, ('RTA') server, electronically time-stamped and other factors like scheme, type of transaction, amount, date of realization of funds under SEBI regulations and will be treated on par with similar transactions received through other modes. For the purpose of this Facility, such RTA office centre would be considered as an Official Point of Acceptance of the transaction.
15. Any transaction request on a Non-Business Day will be processed on the next Business Day in accordance with the provisions provided in the Scheme Information Document ('SID') of the respective scheme.
16. If the transaction is delayed or not effected at all for reasons of incomplete or incorrect information/key word or due to non-receipt of the SMS message by the RTA or due to late receipt of SMS due to mobile network congestions or due to any reason whatsoever, the Unit holder(s) will not hold the Fund, AMC and the RTA responsible for the same.
17. In case of non-receipt of confirmation from RTA within a reasonable time (around one hour), Unit holder(s) are advised to immediately call up the call centre on **(022) 6282 7777** (Monday to Saturday 9:00am to 5:30pm) to confirm the status of the transaction request. In case of receipt of multiple confirmations from the RTA against a single transaction request, the same needs to be brought to the immediate attention of RTA and the AMC by calling up the call centre on **(022) 6282 7777** (Monday to Saturday 9:00am to 5:30pm).
18. The Unit holder(s) availing the Facility shall check his / her bank account records carefully and promptly. If the Unit holder(s) believes that there has been an error in any transaction using the Facility, or that an unauthorized transaction has been effected, the Unit holder(s) shall notify the AMC or the RTA immediately by calling up the call centre on **(022) 6282 7777** (Monday to Saturday 9:00am to 5:30pm).For faster dissemination of information, Unitholders are requested to provide their E-mail IDs. Delivering service through the internet & web-based services such as e-mail is a more efficient delivery

	channel. Annual report, Account statements & other communication will be sent via email, by default, to investors who have provided their email ID, unless specified otherwise. The Investor shall from time to time intimate the Mutual Fund / its transfer agents about any changes in the email address. In case of a large document, a suitable link would be provided & investor can download, save & print these documents. However, the investor always has a right to demand a physical copy of any or all the service deliverables, & the Fund would arrange to send the same to the investor. It is deemed that the Unitholder is aware of all the security risks associated with online communication, including the possibility of third party interception of the documents sent via email. Mutual Fund / registrar shall not be responsible for e-mail not reaching to the investors and for all consequences thereof. 19. Unitholder(s) of the Fund agrees and acknowledges that any transaction, undertaken using the registered mobile number shall be deemed to be that of the Unitholder(s). 20. Unit holder(s) will also need to inform the AMC/RTA about any change in their bank account number, mobile number or email id through a duly signed written request in the specified format and supporting documents. 21. The Unit holder(s) agree that the Fund/AMC / RTA and their agents shall not be held liable for any unsuccessful registration and or transaction due to any action or inaction of the Unit holder(s) bank including but not limited to reasons mentioned below and agree to indemnify the Fund/AMC/RTA for all liabilities, losses, damages and expenses which they may consequent sustain or incur either directly or indirectly: a) Loss of the Debit Mandate in transit from point of acceptance of the form to RTA head office and further to the Unit holder(s)' bank branch; b) Non acceptance or rejection of Debit Mandate for whatsoever reason by the Unit holder(s)' bank branch, with or without any reason assigned by the Unit holder(s) bank; c) Non registration of the Debit Mandate by the Unit holder(s)' bank and branch; d) Deemed registration due to non confirmation of registration or subsequent rejection by the bank and any subsequent rejection of debit of bank account for funds; e) Non availability of funds in the bank account of the Unit holder(s) at the time of debit Rejection of registration or transaction debit for any reason or without assigning any reason whatsoever. Employee Unique Identification Number (EUIN): Further, SEBI has made it compulsory for every employee/ relationship manager/ sales person of the distributor of mutual fund products to quote the EUIN obtained by him/her from AMFI in the Application Form. EUIN would assist in addressing any instance of mis-selling even if the employee/relationship manager/sales person later leaves the employment of the distributor. Hence, if your investments are routed through a distributor please ensure that the EUIN is correctly filled up in the Registration Form. However, if your distributor has not given you any advice pertaining to the investment, the EUIN box may be left blank. In this case you are required to tick (□) the declaration to this effect as given in the form.
Official Points of Acceptance of Transaction through MF utility & MF Central	Tata Mutual Fund has entered into an agreement with MF Utilities India Private Limited ("MFUI"), a "Category II - Registrar to an Issue" under SEBI (Registrars to an Issue and Share Transfer Agents) Regulations, 1993, for usage of MF Utility ("MFU") - a shared services initiative of various asset management companies, which acts as a transaction aggregator for transacting in multiple scheme of various mutual funds with a single form and a single payment instrument. Accordingly, all the authorized Point of Sales(POS) and website/mobile application of MFUI (available currently and also updated from time to time) shall be eligible to be considered as 'official points of acceptance' for all financial and non-financial transactions in the scheme of Tata Mutual Fund either physically or electronically. C**. Transparency / NAV Disclosure**

NAV Information

The NAVs will be calculated and disclosed on every Business Day. The AMC will prominently disclose the NAVs under a separate head on the website of the Fund (www.tatamutualfund.com) and of the Association of Mutual Funds in India-AMFI (www.amfiindia.com) before 9.00 A.M. on the next Business Day ^.

However, due to inability in capturing same day valuation of underlying investments, the NAV shall be disclosed by 11 PM. on the next Business Day.

^ If the NAVs are not available before the commencement of Business Hours on the following day due to any reason, the Mutual Fund shall issue a press release giving reasons for the delay and explain by when the Mutual Fund would be able to publish the NAV.

Investor may write to AMC for availing facility of receiving the latest NAVs through SMS.

Illustration of Calculation of Sale & Repurchase Price:

Assumed NAV Rs. 11.00 per unit
Entry Load: NIL
Exit Load 1%
Sale Price = NAV + (Entry Load (%) * NAV)
Sale Price = 11 + (0% * 11)
Sale Price = 11 + 0
Sale Price = Rs. 11/-
Repurchase Price
Repurchase Price = NAV – (exit load (%) * NAV)
Repurchase Price = 11 – (1%*11)
Repurchase Price = 11 – 0.11
Repurchase Price = Rs.10.89

In the event NAV cannot be calculated and / or published, such as because of the suspension of RBI Clearing, Bank strikes, during the existence of a state of emergency and / or a breakdown in communications, the Board of Trustees may temporarily suspend determination and / or publication of the NAV of the Units.

Repurchase/ Resale is at Net Asset Value (NAV) related prices with repurchase/ resale loads as applicable (within limits) as specified under SEBI Regulations 1996. While determining the price of the units, the fund will ensure that the repurchase price is not lower than 97 per cent of the Net Asset Value.

D. Transaction Charges & Stamp Duty

Transaction Charges

With effect from August 01, 2025, Tata Asset Management Private Limited has discontinued payment of transaction charges to distributors & hence, no transaction charges shall be deducted from the subscription amount for transactions / applications received through the distributors (i.e. in Regular Plan).

Stamp Duty

F. Taxation

Equity oriented Mutual Fund:

Taxation of Income in respect of units of Mutual Fund

The information is provided for general information only. However, in view of the individual nature of the implications, each investor is advised to consult his or her own tax advisors with respect to the specific amount of tax and other implications arising out of his or her participation in the Scheme.

Withholding tax on income distribution

Particulars	Resident***	NRI	Mutual Fund#
Withholding tax on income distribution	10%*	20%** or rate as per applicable tax treaty*** (whichever is lower)	Nil

Income of the Mutual Fund is exempt from income tax in accordance with the provisions of Section 10(23D) of the Act.

* Tax not deductible if income distributed in respect of units of a mutual fund is below Rs. 10,000 in a financial year.

** The base tax is to be further increased by surcharge at the rate of:

- 37% on base tax where total income exceeds Rs. 5 crore;
- 25% where total income exceeds Rs. 2 crore but does not exceed Rs. 5 crore;
- 15% where total income exceeds Rs. 1 crore but does not exceed Rs. 2 crore; and
- 10% where total income exceeds Rs. 50 lakhs but does not exceed Rs. 1 crore

*** The income distributed by mutual fund to unitholders is unlikely to fall within the definition of dividend under the tax treaty. Given this and the language of the proviso to section 196A, claiming tax treaty benefit in respect of income distributed by mutual fund to unitholders for withholding tax purpose may not be possible.

Further, “Health and Education Cess” is to be levied at 4% on aggregate of base tax and surcharge.

Withholding tax applicability in case of inoperative PAN

As per section 139AA of the Income-tax Act, 1961, read with rule 114AAA of the Income-tax Rules, 1962, in the case of a resident person, whose PAN has become inoperative due to non-linking of PAN with Aadhaar, it shall be deemed that he has not furnished the PAN and tax could be withheld at a higher rate of 20% as per section 206AA of Income-tax Act, 1961. For linking PAN with Aadhaar, fees of Rs. 1,000 has been prescribed.

Capital Gains Taxation

Particulars	Resident Investors/ Non Resident Investors $	Domestic Company @	Mutual Fund#
Tax rate on Capital Gains			
Long Term capital gains	12.5%*	12.5%*	Nil
Short Term capital gains	20%	20%	Nil

Income of the Mutual Fund is exempt from income tax in accordance with the provisions of Section 10(23D) of the Act.

* Income tax at the rate of 12.5% (without indexation & foreign exchange fluctuation benefit) to be levied on long term capital gains exceeding Rs.1.25 lakh provided transfer of such units is subject to Securities Transaction Tax (STT).

In case of Non Resident investors, short term /long term capital gain tax (along with applicable Surcharge and Health and Education Cess) will be deducted at the time of redemption of units as per Income-tax Act, 1961.

$Surcharge to be levied at:

- 37% on base tax where specified income** exceeds Rs. 5 crore;
- 25% on base tax where specified income** exceeds Rs. 2 crore but does not exceed Rs. 5 crore;
- 15% on base tax where total income exceeds Rs. 1 crore but does not exceed Rs. 2 crores; and
- 10% on base tax where total income exceeds Rs. 50 lakhs but does not exceed Rs. 1 crore.

** Specified income refers to total income excluding income by way of dividend on shares and short-term capital gains on units of equity-oriented SIF investment strategies and long-term capital gains on SIF investment strategies. In case the total income includes such specified income, surcharge on such specified income shall not exceed 15%.
Further, Health and Education Cess to be levied at the rate of 4% on aggregate of base tax and surcharge.

@ Surcharge at 7% on base tax is applicable where total income of domestic corporate unit holders exceeds Rs 1 crore but does not exceed 10 crores and at 12% where total income exceeds 10 crores. However, surcharge at flat rate of 10% to be levied on base tax for the companies opting for lower rate of tax of 22%/15%.

Further, “Health and Education Cess” to be levied at the rate of 4% on aggregate of base tax and surcharge.

Further, the domestic companies are subject to minimum alternate tax (except for those who opt for lower rate of tax of 22%/15%) not specified in above tax rates.

Securities Transaction Tax

Securities Transaction Tax (“STT”) is applicable on transactions of purchase or sale of units of an equity-oriented fund entered into on a recognized stock exchange or on sale of units of equity-oriented fund to the Fund. The STT rates as applicable are given in the following table:

Taxable Securities Transaction	Rate	Payable By

Sale of an option in securities	0.1%	Seller
In case of sale of option in securities, where option is exercised	0.125%	Purchaser
Sale of a futures in securities	0.02%	Seller

The Fund is responsible for collecting the STT from every person who sells the Units to it at the rate mentioned above. The STT collected by the Fund during any month will have to be deposited with the Central Government by the seventh day of the month immediately following the said month.

Stamp Duty

With effect from 1st July 2020 a stamp duty @ 0.005% of the transaction value would be levied on mutual fund investment transactions. Accordingly, the number of units allotted on purchases, switch-ins, SIP/STP instalments and including IDCW reinvestment to the unitholders would be reduced to that extent.

The information stated above is based on Tata Mutual Fund understanding of the tax laws and only for the purpose of providing general information to the unit holders of the schemes. In view of the individual nature of tax implications, each unit holder is advised to consult with his or her own tax advisors with respect to the specific tax and other implications arising out of the restructuring.

Any tax liability arising post redemption on account of change in tax treatment with respect to Tax on Income Distribution/Capital Gain Tax, by the tax authorities, shall be solely borne by the investors and not by the AMC or Trustee Company.

For further details on taxation please refer the clause on taxation in SAI.

Particulars	Resident***	NRI	Mutual Fund#
Withholding tax on income distribution	10%*	20%** or rate as per applicable tax treaty*** (whichever is lower)	Nil

Income of the Mutual Fund is exempt from income tax in accordance with the provisions of Section 10(23D) of the Act.

* Tax not deductible if income distributed in respect of units of a mutual fund is below Rs. 10,000 in a financial year.

** The base tax is to be further increased by surcharge at the rate of:

- 37% on base tax where total income exceeds Rs. 5 crore;
- 25% where total income exceeds Rs. 2 crore but does not exceed Rs. 5 crore;
- 15% where total income exceeds Rs. 1 crore but does not exceed Rs. 2 crore; and
- 10% where total income exceeds Rs. 50 lakhs but does not exceed Rs. 1 crore

*** The income distributed by mutual fund to unitholders is unlikely to fall within the definition of dividend under the tax treaty. Given this and the language of the newly inserted proviso to section 196A, claiming tax treaty benefit in respect of income distributed by mutual fund to unitholders for withholding tax purpose may not be possible.

Further, "Health and Education Cess" is to be levied at 4% on aggregate of base tax and surcharge.

Withholding tax applicability in case of Inoperative PAN

As per section 139AA of the Income-tax Act, 1961, read with rule 114AAA of the Income-tax Rules, 1962, in the case of a resident person, whose PAN has become inoperative due to non-linking of PAN with Aadhaar, it shall be deemed that he has not furnished the PAN and tax could be withheld at a higher rate of 20% as per section 206AA of Income-tax Act, 1961. For linking PAN with Aadhaar, fees of Rs. 1,000 has been prescribed.

Capital Gains Taxation

Short Term Capital Gains (Units held for 24 months or less) – Also refer to Note 1	30%^	30%/25%^^/22%^^^/15%^^^^	NIL
Long Term Capital Gains (Units held for more than 24 months) (Not Applicable for units of Specified Mutual Fund) – Also refer to Note 1	12.5%*	12.5%*	NIL

Income of the Mutual Fund is exempt from income tax in accordance with the provisions of Section 10(23D) of the Act.
* Without indexation
^ Assuming the investor falls into highest tax bracket.
^^ If total turnover or gross receipts in the financial year 2023-24 does not exceed Rs. 400 crores.
^^^ This lower rate is optional and subject to fulfillment of certain conditions as provided in section 115BAA.

^^^^ This lower rate is optional for companies engaged in manufacturing business (set-up & registered on or after 1 October 2019) subject to fulfillment of certain conditions as provided in section 115BAB.

Note 1 - Capital gains from transfer of units of "specified mutual fund schemes" acquired on or after 1st April 2023 are treated as short term capital gains taxable at applicable slab rates, irrespective of the period of holding of such mutual fund units.

For this purpose, "specified mutual fund" means a mutual fund where not more than 35 per cent of its total proceeds is invested in the equity shares of domestic companies. The Finance Act (No.2) of 2024 has amended the definition of "specified mutual fund" with effect from 1st April 2026, to mean (a) a mutual fund scheme investing more than 65% in debt and money market instruments; & (b) fund of fund investing 65% or more in a mutual fund scheme referred to in (a).

$ Surcharge to be levied at:
- □ 37% on base tax where total income including Specified income** exceeds Rs. 5 crore;
- □ 25% where total income including Specified income** exceeds Rs. 2 crore but does not exceed Rs. 5 crore;
- □ 15% where total income exceeds Rs. 1 crore but does not exceed Rs. 2 crore; and
- □ 10% where total income exceeds Rs. 50 lakhs but does not exceed Rs. 1 crore.

**Specified income – Total income excluding income by way of dividend on shares and short-term capital gains on units of equity oriented mutual fund schemes and long-term capital gains on mutual fund schemes. In case the total income includes such specified income, surcharge on such specified income shall not exceed 15%.

Further, Health and Education Cess to be levied at the rate of 4% on aggregate of base tax and surcharge.

@ Surcharge at 7% on base tax is applicable where total income of domestic corporate unit holders exceeds Rs 1 crore but does not exceed 10 crores and at 12% where total income exceeds 10 crores. However, surcharge at flat rate of 10 percent to be levied on base tax for the companies opting for lower rate of tax of 22%/15%. Further, "Health and Education Cess" to be levied at the rate of 4% on aggregate of base tax and surcharge.

Further, the domestic companies are subject to minimum alternate tax (except for those who opt for lower rate of tax of 22%/15%) not specified in above tax rates.

Stamp Duty

With effect from 1st July 2020 a stamp duty @ 0.005% of the transaction value would be levied on mutual fund investment transactions. Accordingly, the number of units allotted on purchases, switch-ins, SIP/STP instalments and including dividend reinvestment to the unitholders would be reduced to that extent.

Provisions in relation to segregated portfolios of a mutual fund scheme are as follows –

In section 2 in clause (42A) of the Income-tax Act,1961 the following amendment has been made "(hh) in the case of a capital asset, being a unit or units in a segregated portfolio referred to in sub-section (2AG) of section 49, there shall be included the period for which the original unit or units in the main portfolio were held by the assessee;".

In section 49 of the Income-tax Act, 1961 after sub-section (2AF), the following has been inserted, namely:—

(2AG) The cost of acquisition of a unit or units in the segregated portfolio shall be the amount which bears, to the cost of acquisition of a unit or units held by the assessee in the total portfolio, the same proportion as the net asset value of the asset transferred to the segregated portfolio bears to the net asset value of the total portfolio immediately before the segregation of portfolios.

(2AH) The cost of the acquisition of the original units held by the unit holder in the main portfolio shall be deemed to have been reduced by the amount as so arrived at under sub-section (2AG).

Explanation– For the purposes of sub-section (2AG) and sub-section (2AH) of section 49, the expressions "main portfolio", "segregated portfolio" and "total portfolio" shall have the meanings respectively assigned to them in provision no. 4.4 of SEBI Master circular on Mutual Fund dated May 19, 2023, issued by the Securities and Exchange Board of India under section 11 of the Securities and Exchange Board of India Act, 1992.

Clause(42A) of section 2 defines the expression "short term capital asset" to be a capital asset held by an assessee for not more than twenty-four months immediately preceding the date of its transfer.

Provided that in the case of a security listed in a recognized stock exchange in India, the provisions of this clause shall have effect as if for the words "twenty-four", the words "twelve months" had been substituted:

If the unit or units in a segregated portfolio are held for twenty-four months or less from the original date of acquisition of units in the Main portfolio then the same will constitute 'short term capital assets' and any capital gains arising therefrom shall be considered as 'short term capital gain'. On the contrary, if the unit or units in a segregated portfolio are held for more than twenty-four months from the original date of acquisition of units in the Main portfolio then the same will constitute 'long-term capital assets' and any capital gains arising therefrom shall be considered as 'long term capital gain'.

However, the allotment of units in a segregated portfolio of a mutual fund scheme shall not be considered as 'Transfer' under section 47 of the Income-tax Act, 1961. These amendments are applicable from AY 2020-21.

Example:

Suppose Mr. X had invested in a scheme of a mutual fund on 01-01-2015 when the NAV was Rs. 10. On May 1, 2019, when NAV of the scheme was Rs. 20, segregation of portfolio was created due to a credit event.

Post creation of the segregated portfolio, the NAV of the main portfolio was Rs. 16 and the segregated portfolio was Rs 4. Hence, the proportion is 80:20 of the total portfolio. The cost of acquisition of the main portfolio and the segregated portfolio should be taken as Rs. 8 and Rs. 2 respectively.

Similarly, the period of holding of the units of the main portfolio and the segregated portfolio should be reckoned from 1st January 2015.

The information stated above is based on Tata Mutual Fund understanding of the tax laws and only for the purpose of providing general information to the unit holders of the schemes. In view of the individual nature of tax implications, each unit holder is advised to consult with his or her own tax advisors with respect to the specific tax and other implications arising out of the restructuring.

Any tax liability arising post redemption on account of change in tax treatment with respect to Tax on Income Distribution/Capital Gain Tax, by the tax authorities, shall be solely borne by the investors and not by the AMC or Trustee Company.
