Part I. HIGHLIGHTS/SUMMARY OF THE SCHEME

Sr. No.	Title	Description
I.	Name of the scheme	JM Medium to Long Duration Fund
II.	Category of the Scheme	Medium to Long Duration Fund
III.	Scheme type	An open ended medium term debt scheme investing in instruments such that the Macaulay duration# of the portfolio is between 4 years to 7 years. A relatively high interest rate risk and moderate credit risk. # Please refer to the page number 09 of this Document on which the concept of Macaulay's Duration has been explained.
IV.	Scheme code	JMFI/O/D/MLD/94/11/0002
V.	Investment objective	To generate stable long term returns with low risk strategy and capital appreciation/accretion through investment in debt instruments and related securities besides preservation of capital. Investors are required to read all the scheme related information set out in this document carefully and also note that there can be no assurance that the investment objectives of the scheme will be realized. The schemes do not guarantee/ indicate any returns.
VI.	Liquidity/listing details	The Scheme will offer units for sale and repurchase at NAV based prices on all business days. Unitholders can subscribe to and get their units repurchased on all business days at NAV related prices (with exit load as mandated by AMC from time to time). As per SEBI Regulations, the Fund shall dispatch Redemption proceeds within 3 Business Days of receiving the valid Redemption request. A penal interest of 15% per annum or such other rate as may be prescribed by SEBI from time to time will be paid in case the redemption proceeds are not dispatched/remitted within 3 Business Days of the date of Redemption request. However, under normal circumstances, the Fund will endeavor to dispatch the Redemption proceeds well before 3 Business Days from the acceptance of the duly completed Redemption request.
VII.	Benchmark (Total Return Index)	CRISIL Medium to Long Duration Debt A-III Index (Tier I benchmark)
VIII.	NAV disclosure	NAVs will be determined at the close of every business day and disclosed on the websites of the Fund/ AMFI. The Fund shall disclose within ten days from the close of each month/half year (i.e. 31st March and 30th September), the complete statement of the Scheme's portfolio (alongwith ISIN) as on the last day of the month/half year for the Scheme on the websites of the Fund and AMFI in a user friendly and downloadable spreadsheet format. In case NAV of Corporate Debt Market Development Fund ('CDMDF') units is not available by 9:30 p.m. of same Business Day, NAV declaration timing for Mutual Fund Schemes holding units of CDMDF shall be 10 a.m. on next business day instead of 11 p.m. on same Business Day. Further Details in Section II.
IX.	Applicable timelines	Timeline for Dispatch of redemption proceeds The redemption or repurchase proceeds shall be dispatched to the unitholders within 3 business days from the date of redemption or repurchase, except for the circumstances as specified by AMFI. Redemption/Switch Procedure in case of physical form: The investors holding units in physical form may submit their redemption/ switch requests duly signed by all the holders (as per the mode of holding) at any of the Point of Acceptance (POA) Investor Service Centers (ISC) of Registrar & Transfer Agent viz., M/s KFin Technologies Ltd. or JM Financial Asset Management Ltd. latest by the cut off time as stipulated and revised by SEBI from time to time which is currently 3.00 p.m. on any business day. Such cases will be eligible for NAV of the business day on which the redemption requests are time- stamped upto the cut-off time at the ISC for the Scheme. Redemption / Switch Procedure in case units are held in dematerialized form: The investors who hold units in demat form and wish to redeem their units will have to take following steps:

Sr. No.	Title	Description
		- Investors will have to approach their DP (Depository Participants) where Demat Account is being held - Investors will have to submit duly filled-in and signed Redemption/Repurchase Request Form (RRF) available with respective DPs. Normally, these RRF may be available on the websites of respective DPs e.g. Banks etc. As the format of RRF may be different with every DP, the investors are advised to use the RRF procured from their own DP to avoid rejections/delays by their own DP. The ISIN of the Scheme/plan/ sub-plan is printed on the Statement of Account issued to investors. - The investors are required to submit 3 copies of RRF to their DPs. One copy of the RRF is used by the DP for issuing acknowledgement to investors whereas the second copy of the RRF will be forwarded by the DP to the Head Office of the RTA i.e M/s KFin Technologies Ltd. The third copy will be retained by the DP for their own records. - Based on the receipt of RRF, if found in order, the DP concerned generates Electronic Redemption Request and blocks the units applied for redemption in the NSDL/CDSL system immediately. After this, the investor will not be able to transfer the blocked units to anyone (i.e. cannot transfer to anyone). - The Electronic Requests generated up to the stipulated cut off time which is currently 3 pm every day by DPs shall get transmitted from NSDL / CDSL to respective Registrars of Mutual Fund by 4 - 6 pm. - All such Electronic Requests transmitted by NSDL / CDSL by 4 – 6 pm everyday are updated in the system at Registrar's end i.e. M/s KFin Technologies Ltd. for further processing. - Registrar shall verify and process the requests subject to finding the same in order by - Nullifying the units by confirming Electronic Repurchase Request, - Applying NAV based on Date and Time of raising Electronic request by DP's for Redemption Request, - Remitting Redemption proceeds to investor's bank account (as recorded in demat account) within 3 business days and - Dispatching an SOA (Statement of Account/Consolidated Account Statement) to the registered address of investor. - After the above process is completed, the Registrar will update the respective Depository (i.e. NSDL/ CDSL) about the processing of redemption to enable their DPs to issue Fortnightly/ Monthly Transaction Statement. A Unit holder has in case of physical redemption request for redemption either in terms of Amount or in terms of the number of Units. In case, the redemption request indicates both amount in Rupees and number of Units, the lower of the two in value term will be considered. Where a Rupee amount is specified or deemed to be specified for redemption, the number of Units redeemed will be the equivalent to the amount sought redeemed plus the exit load & applicable Govt levies like STT divided by the redemption price (ie additionally subject to the levy of applicable STT and exit load). In case of difference/ ambiguity in the amount and units mentioned in any request for Redemption/ Switch, the minimum value (of units and amount) on rupee equivalent basis on the Transaction/ applicable NAV date will be considered by the AMC, provided the investor has not furnished any clarification in writing, duly signed on the date of transaction. In the event of investor not having filled in the Amount/ Units in the Transaction Slip, the AMC will redeem/ switch out all the outstanding units in case the Scheme, Plan, Option are clearly mentioned. In case, the investor has not mentioned the plans/ sub-plans etc. in the redemption request specifically where he is having holdings in various plans/ sub-plans etc. of the particular scheme, AMC will summarily reject such redemption request if the investor has not furnished any clarification in writing, duly signed on the date of transaction itself, during normal office hours. In case, an Investor fails to mention the complete name of the Scheme upto plan/ sub - plan level while making request for redemption/ switch-out, the AMC reserves the right to redeem/ switch-out all/specified desired units/ value provided the investor is having holdings only in one scheme/plan/option and the folio number is clearly mentioned or if he maintains one folio. Otherwise, such incompletely filled requests would be summarily rejected without processing. Investors are requested to note that in case of redemption/switch request, if the number of units or the amount to be redeemed/switched out to any other Scheme of

Sr. No.	Title	Description
		JM Financial Mutual Fund, exceeds the number of outstanding units or value of outstanding units, respectively, then JM Financial Asset Management Limited (the "AMC") shall, at its discretion, redeem/switch out all the outstanding units, if no clarificatory letter is received from the respective investor on the date of the transaction and if the condition of minimum investment amount of switch-in scheme is fulfilled. The number of Units so redeemed will be subtracted from the Unit holder's account and a monthly industry level Mutual Fund Consolidated Account Statement (CAS) containing the details will normally be dispatched / emailed to the Unitholders latest by 15th of subsequent month by NSDL/CDSL in case of Demat Units or by AMFI's appointed Agencies (currently M/s. Manipal Technologies Ltd. or M/s. Seshai Business Forms Pvt. Ltd.) for verified PAN cases and by the registrar (i.e. M/s. KFin Technologies Limited) for other cases either through email or physical copy. FIFO Method of redemption/switch-out In case, an investor has purchased Units on more than one business day, the Units purchased prior in time (i.e. those Units which have been held for the longest period of time), will be deemed to have been redeemed first, i.e. on first in first out basis. Unit holders may also request for repurchase of their entire holding and close the account by indicating the same at the appropriate place in the Transaction Slip/ Repurchase form. Uniform process for processing of redemption/switch – out for all the Schemes of the Mutual Fund. All switch funding shall be in line with redemption funding timelines adopted by the concerned scheme i.e. if a scheme follows T+2 payout for redemption, the switch out funding will also be made on T+2 and not earlier or later than T+2, where T is the day of valid transaction received before the stipulated cut off time. Dispatch of IDCW (if applicable) etc. In case the AMC delays in dispatching the Income Distribution Cum Capital Withdrawal proceeds beyond 7 working days from the Record Date, it shall pay interest to the unitholders at such rate as may be specified by SEBI for the period of such delay (presently @ 15% per annum). Delay in payment of redemption / repurchase / Income Distribution Cum Capital Withdrawal proceeds The Asset Management Company shall be liable to pay interest to the unitholders at such rate as may be specified by SEBI for the period of such delay (presently @ 15% per annum) if the delay is beyond the SEBI stipulated time which is 3 Business Days currently. In case the AMC delays in dispatching the Income Distribution Cum Capital Withdrawal proceeds beyond 7 working days from the Record Date, it shall pay interest to the unitholders at such rate as may be specified by SEBI for the period of such delay (presently @ 15% per annum).
X.	Plans and Options Plans/Options and sub options under the Scheme	The Scheme offers two plans: - JM Medium to Long Duration Fund - Regular Plan - JM Medium to Long Duration Fund - Direct Plan Each Plan offers Quarterly IDCW (Reinvestment of Income Distribution cum Capital Withdrawal Option/Payout. of Income Distribution cum Capital Withdrawal Option), Growth. The minimum investment/additional investment/ redemption amount clause shall not be applicable in the case of investments by designated employees pursuant to Para-6.10 of SEBI Master Circular and circulars/ clarifications issued thereunder. The above clause shall be read with all clause(s) related to minimum investment/additional investment amount/redemption amount mentioned elsewhere in this document. The Scheme had Bonus option earlier which is currently not available for fresh subscription. No Income Distribution cum Capital Withdrawal under Income Distribution cum Capital Withdrawal / IDCW option shall be distributed in cash even for those unit holders opted for payout where such Income Distribution cum Capital Withdrawal on

Sr. No.	Title	Description
		a single payout is less than Rs. 100/-. Consequently, such Income Distribution cum Capital Withdrawal (less than Rs.100/-) shall be compulsorily re-invested. The investment will be treated as if made under "Direct Plan" if an Investor fails to mention the word "Regular" in the full Scheme name on the Transaction Slip and also does not mention the ARN Code of the Distributor & Employee Unique Identification Number (EUIN) of the employee/ relationship manager/ sales person of the distributor interacting with the investor clearly thereon. Similarly, the investment will be treated to have been made under "Direct" Plan if the word "Direct" is used in the Scheme name or elsewhere on the Transaction Slip indicating the intention of the Investor for investment under Direct Plan irrespective of the ARN Code of the Distributor or EUIN mentioned thereon. Under the Income Distribution cum Capital Withdrawal options set out above, the Trustees of the Fund reserve the right to declare Income Distribution cum Capital Withdrawal (income distribution) /IDCW in the respective Income Distribution cum Capital Withdrawal (income distribution) /IDCW options of the Scheme, subject to availability of distributable surplus. IDCW payout will be lower to the extent of statutory levies, as applicable. The Trustees to JM Financial Mutual Fund reserve the right to change/modify the above provisions at a later date. It is clarified that the minimum investment is applicable at the respective Options/ Sub-options level i.e. Growth, Income Distribution cum Capital Withdrawal and will be considered after taking into account permissible DD charges, stamp duty. Additional Plans The Trustees may permit introduction of one or more plans that may be envisaged at a later date under the scheme in terms of Para-no 2.3 of SEBI Master Circular no. SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024 (SEBI Master Circular) depending upon the market conditions prevailing at the time of launch of the plan(s) and taking into consideration the interests of the unitholders and subject to the SEBI regulations. Investors will be suitably informed by publishing a notice in a newspaper/addendum or through any other means as the Trustee may be considered appropriate. For detailed disclosure on default plans and options, kindly refer SAI.
XI.	Load Structure	Exit Load: NIL
XII.	Minimum Application Amount/switch in	On continuous basis: Rs. 1000/- per Plan/Option and in multiple of Re. 1 thereafter. The minimum investment is applicable at the respective Plans/Sub-plans/Options/ Sub-options level i.e. Growth, Income Distribution Cum Capital Withdrawal. The units will be allotted on the investment/switched-in amount after netting off the applicable Stamp Duty which is presently 0.005% of net investment amount.
XIII.	Minimum Additional Purchase Amount	Rs 100/- and in multiples of Re. 1 thereafter. However, there is no upper limit for investment.
XIV.	Minimum Redemption/switch amount	There is no minimum and maximum limit on the amount/units which can be redeemed/switched-out. The investor is free to redeem any or all units outstanding in his/her/their folio.
XV.	Segregated portfolio/side pocketing disclosure	In case of a credit event at issuer level and to deal with liquidity risk, the AMC may create a segregated portfolio of debt and money market instruments including unrated or money market instruments of an issuer that does not have outstanding rated debt or money market instruments, under the Scheme in compliance with the Para-no 4.4 of SEBI Master Circular. For Details, kindly refer SAI
XVI.	Swing pricing disclosure	Investors are requested to note that pursuant to Para-no 4.10 of SEBI Master Circular and circulars/clarifications issued thereunder, SEBI had introduced swing pricing framework for open ended debt mutual fund schemes (except overnight funds, Gilt funds and Gilt with 10-year maturity funds). Swing pricing refers to a process for adjusting a scheme's Net Asset Value (NAV) to effectively pass on transaction costs stemming from significant net capital activity (i.e. flows into or out of the fund) to the investors associated with that activity during the life of a fund, excluding ramp-up period or termination. Swing pricing is an anti-dilution adjustment that seeks to protect investors in a scheme from performance dilution as a result of significant outflows from the scheme, particularly during market dislocation.

Sr. No.	Title	Description
		The swing pricing framework will be made applicable only for scenarios related to net outflows from the Eligible Schemes and also for instances where the AMC after making an announcement to wind up a scheme, decides to roll-back the decision to wind up the scheme. For Details, kindly refer SAI.
XVII.	Stock lending/short selling	The Scheme may undertake Securities Lending transactions as per para 12.11.2.1 of SEBI Master Circular. For Details, kindly refer SAI.
XVIII.	How to Apply and other details	Application form and Key Information Memorandum may be obtained from the offices of AMC or Investor Services Centers of the Registrar or distributors or downloaded from. https://www.jmfinancialmf.com The list of the Investor Service Centres (ISCs)/Official Points of Acceptance (OPAs) of the Mutual Fund are also provided on the website of the AMC https://www.jmfinancialmf.com Investors are also advised to refer to Statement of Additional Information before submitting the application form. All cheques and drafts should be crossed "Account Payee Only" and drawn in favor of the scheme viz: JM Medium to Long Duration Fund or in the name of JM Financial Mutual Fund. Any application may be accepted or rejected at the sole and absolute discretion of the Trustee. Further pursuant to para no.16.3 of SEBI Master Circular it has been decided to allow investors to directly access infrastructure of the recognised stock exchanges to purchase mutual fund units directly from Mutual Fund/ Asset Management Companies. SEBI circular has advised recognised stock exchanges, clearing corporations and depositories to make necessary amendment to their existing byelaws, rules and/or regulations, wherever required Ongoing price for subscription (purchase). Details in section II
XIX.	Investor services	Contact details for general service requests: Mr. Pradyumna Khare - Head of Operations Address:- Office No.501, X'trium Building, 291 Andheri Kurla Road, Next to Holy Family Church, Andheri East Mumbai 400 093, Email:- investor@jmfl.com and service_jmf@kfintech.com Contact details for complaint resolution: Email - investor@jmfl.com Phone No.+91 22 61987777 / 33797777
XX.	Specific attribute of the scheme (such as lock in, duration in case of target maturity scheme/close ended schemes) (as applicable)	Not Applicable
XXI.	Special product/facility available during the NFO and on ongoing basis	• Systematic Plans Systematic Plans are available to the investors through Systematic Investment Plan ("SIP")/ Systematic Transfer Plan ("STP") and Systematic Withdrawal Plan (SWP). All the terms and conditions (including the provisions of load structure & lock-in period) applicable on the date of registration i.e. date of initial investment will also be applicable for all future SIP/STP/SWP installments as well i.e. Registration concept except for special SIP where the terms and conditions (including load & lock-in period) applicable on the date of first installment would be applicable for all future installments. All applicants are deemed to have accepted the terms and conditions upon submitting the valid application form with other requisites for investment under Systematic Plans. The AMC reserves the right to change the terms of this facility from time to time. 1. Systematic Investment Plan (SIP) Under this facility, by investing a fixed amount at regular intervals, the Unitholders can take advantage of the benefits of Rupee Cost Averaging, at the same time investing a fixed amount regularly in a disciplined manner to build a good corpus to meet his future needs. An Investor has the option to hold the units in demat or physical form under SIP.

Sr. No.	Title	Description
		The Scheme offers Systematic Investment Plans (SIP) to the willing investors as per the terms and conditions mentioned in the Scheme Offer Documents. The SIP Facility is subject to changes from time to time at the discretion of the AMC. 2. Systematic Transfer Plan (“STP”) / Systematic Withdrawal Plan (“SWP”) In addition to SIP Facility, the Scheme also offers STP and SWP facilities which have been explained in detail below: STP provides for transfer of specified amount from one Scheme/Plan/Option in which the original investment is made to any other Scheme/ Plan/Option of JM Financial Mutual Fund, on a specified date or at the end of specified periodic interval viz., either daily, weekly, fortnightly, monthly or quarterly. For further details of above special product/facilities, for details, kindly refer SAI

Part II. INFORMATION ABOUT THE SCHEME

A. HOW WILL THE SCHEME ALLOCATE ITS ASSETS?

The following table provides the broad classification of assets and indicative exposure level in percentage terms.

Under normal circumstances the Investment Pattern of the Scheme will be as follows.

Instruments	Indicative allocations (% of total assets)	
	Minimum	Maximum
Debt	0	100
Money Market and Debt Instruments maturing within one year	0	100

The exposure in derivatives shall not exceed 50% of the net assets of the scheme.

Investment in Debt & Money Market instruments will be such that the Macaulay duration of the portfolio# is between 4 years – 7 years.

The above limits shall be in line with the investment objective of the Scheme.

In the interest of investors, the Fund Managers may reduce the portfolio duration of the scheme upto one year, in case they have a view on interest rate movements in light of anticipated adverse situation. The asset allocation under such adverse situation is as under.

Category of Scheme	Scheme Characteristics
Medium to Long Duration Fund	Investment in Debt & Money Market instruments such that the Macaulay duration of the portfolio# is between 4 years – 7 years. Portfolio Macaulay duration under anticipated adverse situation is 1 year to 7 years

Whenever the portfolio duration is reduced below the specified floor of 4 years in respect of JM Medium to Long Duration Fund, the AMC will record the reasons for the same with adequate justification. The written justifications shall be placed before the Trustees in the subsequent Trustee meeting. Further, the Trustees shall also review the portfolio and report the same in their Half Yearly Trustee Report to SEBI.

The AMC may, from time to time, pending deployment of funds of the Scheme in securities in terms of the investment objective of the Scheme, invest the funds of the Scheme in short-term deposits of scheduled commercial banks subject to compliance with para-no. 12.16 of SEBI Master Circular.

Pursuant to para no 4.6 of SEBI Master Circular, all open ended debt schemes shall hold at least 10% of their net assets in liquid assets. For this purpose, 'liquid assets' shall include Cash, Government Securities, T-bills and Repo on Government Securities.

In case, the exposure in such liquid assets / securities falls below the threshold mandated above, the AMC shall ensure compliance with the above requirement before making any further investments.

The AMC may from time to time, pending investment in terms of investment objective of the Scheme, for a short term period on defensive consideration invest upto 100% of the funds available in overnight interbank call/notice money and/or repos and/ or TREPS, the primary motive being to protect the Net Asset Value of the Scheme and protect unitholders interest so also to earn reasonable returns on liquid funds maintained for redemption/ repurchase of units.

Concept of Macaulay Duration: The Macaulay duration (named after Frederick Macaulay, an economist who developed the concept in 1938) is a measure of a bond's sensitivity to interest rate changes. Duration tells investors the length of time, in years, that it will take a bond's cash flows to repay the investor the price he or she has paid for the bond.

Fixed income securities with higher duration have higher interest rate sensitivity i.e. the changes in price of higher duration bonds are higher as compared to lower duration ones.

A zero coupon bond is one which does not pay any interest and all payments are received at maturity. For a zero coupon bond, the duration is same as residual maturity

Formula: There is more than one way to calculate duration, but the Macaulay duration is the most common. The

$$\text{Macaulay Duration} = \frac{\sum_{t=1}^n \left(\frac{tC}{(1+y)^t} + \frac{nM}{(1+y)^n} \right)}{P}$$

where: t = period in which the coupon is received, C = periodic (usually semiannual) coupon payment, y = the periodic yield to maturity or required yield, n = number periods, M = maturity value (in `), P = market price of bond

Notes: Duration is quoted in "years." If a bond has a semi-annual period, we convert duration to years before quoting it (a duration of 8 semi-annual periods is 4 years). Duration is a measure of interest-rate risk. Or, stated differently, duration is a measure of how sensitive the price of a fixed-income instrument is to interest-rate changes. When we say, "The duration of the bond is 4 years," we mean: "If the interest rate on the bond goes up by 1%, the bond's price will decline by 4%."

Investment in securities having special features:

The Scheme will not invest in securities having special features in terms of para no 12.2 of SEBI Master Circular.

Investment in the units of CDMDF:

In accordance with the requirement of regulation 43A of SEBI (Mutual Funds) Regulations, 1996 read with chapter 16A of SEBI Master Circular on Investment by Mutual Fund Schemes and AMCs in units of Corporate Debt Market Development Fund, scheme shall invest 25 bps of its AUM as on December 31, 2022 in the units of the Corporate Debt Market Development Fund ('CDMDF') within 10 working days from the request of CDMDF. Further, an incremental contribution to CDMDF shall be made every six months within 10 working days from the end of half year starting from December 2023 to ensure 25 bps of scheme AUM is invested in units of CDMDF. However, if AUM decreases there shall be no return or redemption from CDMDF. Contribution made to CDMDF, including the appreciations on the same, if any, shall be locked-in till winding up of the CDMDF.

However, in case of winding up of contributing Scheme, inter-scheme transfers within the same Mutual Fund or across Mutual Funds may be undertaken.

Further, investments in CDMDF units shall not be considered as violation while considering maturity restriction as applicable for various purposes (including applicable Investment limits) and the calculations of Potential Risk Class (PRC) Matrix, Risk-o-meter, Stress testing and Duration for various purposes shall be done after excluding investments in units of CDMDF.

Indicative Table

Sl. No.	Type of Instrument	Percentage of exposure	Circular/Regulatory reference
1.	Fixed Income Derivatives for non-hedging purposes	upto 50% of debt assets of the scheme	Para-no. 12.25 of SEBI Master Circular
2.	AT1 and AT2 Bonds (Instruments having special features)	The scheme will not invest in this instrument(s)	NA
3.	Short term deposits of the Scheduled Commercial Banks	upto 15% of the net assets	Para 12.16 of SEBI Master Circular
4.	Investments in units of CDMDF	upto 25 bps of its AUM of the scheme	Regulation 43A of SEBI (Mutual Funds) Regulations, 1996 read with chapter 16A of SEBI Master Circular

Portfolio Rebalancing in case of passive deviation from asset allocation:

In accordance with para 2.9 of SEBI Master circular, as amended from time to time, the scheme shall rebalance the portfolio in case of any deviation to the asset allocation mentioned in the Scheme Information Document (SID) due to passive breaches. In the event of deviation from mandated asset allocation mentioned in the Scheme Information Document (SID) due to passive breaches (occurrence of instances not arising out of omission and commission of AMCs), the portfolio shall be rebalanced within a period of thirty (30) business days. In case the portfolio of scheme is not rebalanced within the above mandated timelines, justification in writing, including details of efforts taken to rebalance the portfolio shall be placed before Investment Executive Committee. The Investment Executive Committee, if so desires, can extend the timelines up to sixty (60) business days from the date of completion of mandated rebalancing period. In case the portfolio of scheme is not rebalanced within the aforementioned mandated plus extended timelines, AMCs shall:

- not be permitted to launch any new scheme till the time the portfolio is rebalanced.
- not to levy exit load, if any, on the investors exiting such scheme(s).

Portfolio rebalancing in case of deviation from asset allocation under Defensive consideration:

The scheme shall ensure adherence to the above asset allocation under normal circumstances. However, due to market conditions, the AMC may invest beyond the range set out in the asset allocation. Such deviations shall normally be for a short term and defensive considerations as per para 1.14.1.2 (b) of SEBI Master circular and the fund manager will rebalance the portfolio within 30 calendar days from the date of deviation. However, at all times the AMC shall ensure that the portfolio would adhere to the overall investment objective of the scheme.

B. WHERE WILL THE SCHEME INVEST?

The corpus of the Scheme will be invested in high quality debt, money market instruments as the case may be.

Subject to the Regulations, the corpus of the Scheme can be invested in any (but not exclusively) of the following securities:

- Securities created and issued by the Central and State Governments and/or repos/reverse repos in such Government Securities as may be permitted by RBI (including but not limited to coupon bearing bonds, zero coupon bonds and treasury bills).
- Securities guaranteed by the Central and State Governments (including but not limited to coupon bearing bonds, zero coupon bonds and treasury bills).
- Debt obligations of domestic Government agencies and statutory bodies, which may or may not carry a Central/State Government guarantee.

- Corporate debt and securities (of both public and private sector undertakings) including Bonds, Debentures, Fixed Deposits, Notes, Strips, etc.
- Obligations of banks (both public and private sector) and development financial institutions.
- Money market instruments permitted by SEBI/RBI.
- Certificate of Deposits (CDs).
- Commercial Paper (CPs).
- Securitised Debt
- The non-convertible part of convertible securities.
- Any other domestic fixed income securities including Structured Obligations.
- Any international fixed income securities.
- Pass through, Pay through or other Participation Certificates representing interest in a pool of assets including receivables.
- Any other like instruments as may be permitted by RBI/SEBI/ such other Regulatory Authority from time to time.
- Investment in overseas securities, when made, shall be made in accordance with the requirements stipulated by SEBI and RBI from time to time.

Investments in CDMDF

In accordance with the requirement of regulation 43A of SEBI (Mutual Funds) Regulations, 1996 read with chapter 16A of SEBI Master Circular on Investment by Mutual Fund Schemes and AMCs in units of Corporate Debt Market Development Fund, scheme shall invest 25 bps of its AUM.

CDMDF Framework:

CDMDF shall comply with the Guarantee Scheme for Corporate Debt (GSCD) as notified by Ministry of Finance vide notification no. G.S.R. 559(E) dated July 26, 2023 and chapter 16A of SEBI Master Circular and circulars / guidelines/ Letters issued by SEBI and AMFI from time to time, which includes the framework for corporate debt market development fund. The framework will inclusive of following points

- The CDMDF shall deal only in following securities during normal times:
 - Low duration Government Securities
 - Treasury bills
 - Tri-party Repo on G-sec
 - Guaranteed corporate bond repo with maturity not exceeding 7 days
- The fees and expenses of CDMDF shall be as follows:
 - During Normal times: (0.15% + tax) of the Portfolio Value charged on daily pro-rata basis.
 - During Market stress: (0.20% + tax) of the Portfolio Value charged on daily pro-rata basis.
 - "Portfolio Value" means the aggregate amount of portfolio of investments including cash balance without netting off of leverage undertaken by the CDMDF.
- Corporate debt securities to be bought by CDMDF during market dislocation includes listed money market instruments. The long term rating of issuers shall be considered for the money market instruments. However, if there is no long term rating available for the same issuer, then based on credit rating mapping of CRAs between short term and long term ratings, the most conservative long term rating shall be taken for a given short term rating.
- CDMDF shall follow the Fair Pricing document, while purchase of corporate debt securities during market dislocation as specified in chapter 16A of SEBI Master Circular and circulars / guidelines/ Letters issued by SEBI and AMFI from time to time
- CDMDF shall follow the loss waterfall accounting and guidelines w.r.t. purchase allocation and trade settlement of corporate debt securities bought by CDMDF, specified in chapter 16A of SEBI Master Circular and circulars / guidelines/ Letters issued by SEBI and AMFI from time to time.

Investments in ADRS / GDRS/ Overseas Securities:

It is the AMC's belief that the investment in ADRs/ GDRs/overseas securities offer new investment and portfolio diversification opportunities into multi-market and multi-currency products. However, such investments also entail additional risks. Such investment opportunities may be pursued by the AMC in the future provided they are considered appropriate in terms of the overall investment objectives of the schemes. The Schemes may then, if necessary, seek permission from SEBI and RBI to invest abroad in accordance with the investment objectives of the Scheme and in accordance with any guidelines issued by SEBI / RBI / any other relevant regulatory authority from time to time.

Since the Schemes would invest only partially in ADRs/ GDRs/ overseas securities, there may not be readily available and widely accepted benchmarks to measure performance of the Schemes. To manage risks associated with foreign currency and interest rate exposure, the Fund may use derivatives for efficient portfolio management including hedging and in accordance with conditions as may be stipulated by SEBI/RBI any other relevant regulatory authority from time to time.

To the extent that the assets of the Schemes will be invested in securities denominated in foreign currencies, the Indian Rupee equivalent of the net assets, distributions and income may be adversely affected by the changes in the value of certain foreign currencies relative to the Indian Rupee. The repatriation of capital also may be hampered by changes in regulations concerning exchange controls or political circumstances as well as the application to it of the other restrictions on investment.

Offshore investments will be made subject to any/all approvals, conditions thereof as may be stipulated by SEBI/RBI and provided such investments do not result in expenses to the Fund in excess of the ceiling on expenses prescribed by and

consistent with costs and expenses attendant to international investing. The Fund may, where necessary, appoint other intermediaries of repute as advisors, custodian/ sub custodians etc. for managing and administering such investments. The appointment of such intermediaries shall be in accordance with the applicable requirements of SEBI and within the permissible ceilings of expenses. The fees and expenses would illustratively include, besides the investment management fees, custody fees and costs, fees of appointed advisors and sub-managers, transaction costs, and overseas regulatory costs.

The Scheme may also invest in overseas financial assets as and when permitted by the concerned regulatory authorities in India. SEBI has permitted mutual funds to invest in Foreign Debt Securities in the countries with fully convertible currencies, both short-term and long-term debt instruments with highest rating. They are also permitted to invest in the G-secs of other countries, where the countries are AAA rated. Mutual funds are also permitted to invest in unit securities issued by overseas mutual funds or Unit Trusts that invest in the aforesaid securities which are rated and are registered with the overseas regulators.

Apart from the above the returns from such overseas debt instruments will also attract the interest rate risk which is directly related to the underlining prices of such securities.

Exposure to foreign securities:

Under normal circumstances the scheme shall not have an exposure of more than 25% of its net assets in foreign securities. However, the AMC with a view to protecting the interests of the investors, may increase exposure in foreign securities as deemed fit from time to time; but such investment will not exceed the limits laid down by SEBI / RBI / any other relevant regulatory authority in this respect from time to time. The Fund shall not invest more than 10% of its Net Assets as on January 31st of each relevant year, in foreign securities.

Stock lending by the fund

Subject to the SEBI Regulations as applicable from time to time, the Fund may, if the Trustee permits, engage in Stock Lending. Stock Lending means the lending of securities to another person or entity for a fixed period of time, at a negotiated compensation in order to enhance returns of the portfolio. The securities lent will be returned by the borrower on the expiry of the stipulated period. The AMC will adhere to strict limits should it engage in Stock Lending.

1. Not more than 25% of the net assets of the Scheme can generally be deployed in Stock Lending.
2. Not more than 5% of the net assets of the Scheme can generally be deployed in Stock Lending to any single counter party. The Fund may not be able to sell such lent out securities and this can lead to temporary illiquidity

Debt market in India:

The Indian Debt market comprises of the Money Market and the Long Term Debt Market.

Money market instruments are Commercial Papers (CPs), Certificates of Deposit (CDs), Treasury bills (T-bills), Repos, Inter-bank Call money deposit, Triparty Repos on Government Securities or treasury bill, etc. They are mostly discounted instruments that are issued at a discount to face value.

Money market instruments have a tenor of less than one year while debt market instruments typically have a tenor of more than one year.

Long Term Debt market in India comprises mainly of two segments viz., the Government securities market and the corporate securities market.

Government securities includes central, state and local issues. The main instruments in this market are Dated securities (Fixed or Floating) and Treasury bills (Discounted Papers). The Central Government securities are generally issued through auctions on the basis of 'Uniform price' method or 'Multiple price' method while State Govt. are through on-tap sales.

Corporate debt segment on the other hand includes bonds/debentures issued by private corporates, public sector units (PSUs) and development financial institutions (DFIs). The debentures are rated by a rating agency and based on the feedback from the market, the issue is priced accordingly. The bonds issued may be fixed or floating. The floating rate debt market has emerged as an active market in the rising interest rate scenario. Benchmarks range from Overnight rates or Treasury benchmarks.

Debt derivatives market comprises mainly of Interest Rate Swaps linked to Overnight benchmarks called MIBOR (Mumbai Inter Bank Offered Rate) and is an active market. Banks and corporate are major players here and Mutual Funds have also started hedging their exposures through these products.

Securitised Debts Instruments – Asset securitization is a process of transfer of risk whereby commercial or consumer receivables are pooled packaged and sold in the form of financial instruments. A typical process of asset securitisation involves sale of specific Receivables to a Special Purpose Vehicle (SPV) set up in the form of a trust or a company. The SPV in turn issues financial instruments to investors, which are rated by an independent credit rating agency. Bank, Corporates, Housing and Finance companies generally issue securitised instruments.

The underlying receivables generally comprise of loans of Commercial Vehicles, Auto and Two wheeler pools, Mortgage pools (residential housing loans), Personal Loan, credit card and Corporate receivables. The instrument, which is issued, includes loans or receivables maturing only after all receivables are realized. However, depending on timing of underlying receivables, the average tenure of the securitized paper gives a better indication of the maturity of the instrument.

C. WHAT ARE THE INVESTMENT STRATEGIES?

Scheme Specific Investment Strategy

JM Medium to Long Duration Fund

JM Medium to Long Duration Fund will seek to invest in high quality debt and money market instruments. The fund aims to identify securities, which offer superior levels of yield at lower levels of risks. With the aim of controlling risks, rigorous in depth credit evaluation of the securities proposed to be invested in will be carried out by the investment team of the AMC. Rated Debt instruments in which the Scheme invests will be of investment grade as rated by a credit rating agency. The AMC will be guided by the ratings of Rating Agencies such as CRISIL, CARE, ICRA and India Ratings, Brickworks Credit Rating India Limited or any other rating agencies that may be registered with SEBI from time to time. In case a debt instrument is not rated, necessary clearance of the Committee/ Board as per requirements of Regulations/Guidelines /Circulars will be obtained for such an investment.

The Scheme may also use various derivatives and hedging products from time to time, as would be available and permitted by SEBI, in an attempt to protect the value of the portfolio and enhance Unitholders' interest.

The Scheme may invest in other debt Schemes managed by the AMC or in the debt Schemes of any other Mutual Funds, provided it is in conformity to the investment objectives of the Scheme and in terms of the prevailing Regulations. As per the Regulations, no investment management fees will be charged for such investments and the aggregate inter Scheme investment made by all Schemes of JM Financial Mutual Fund or in the Schemes under the management of other asset management companies shall not exceed 5% of the net asset value of JM Financial Mutual Fund.

i. Scientific approach to investment

The Fund adopts a scientific approach to investments. Securities are selected for various funds by the fund managers based on a continuous study of trends in industries and companies, including management capabilities, global competitiveness, earning power, growth/ payout features and other relevant investment criteria, which would, inter-alia include evaluation of the outlook of the economy, exposure to various industries and geographical regions, evaluation of the intrinsic worth of specific opportunities such as primary market transactions, private placements, trading opportunities etc.

ii. Liquidity Management

The Fund Manager may invest in short term deposits of scheduled commercial banks pending deployment of funds in line with Para-no 12.16 of Master Circular, till suitable opportunities are present. The Scheme may also keep a portion in cash or near cash for meeting the expenses of the Scheme / redemption and Payout of Income Distribution Cum Capital Withdrawal / or current collections pending for deployment etc.

iii. Mode of Investment

The securities in which the investment manager may invest would be through primary as well as secondary market, private placement etc. These securities may be those listed on various stock exchanges as well as unlisted securities.

iv. Procedure for taking investment decisions

The investment policy of the AMC has been determined by the Investment Advisory Committee ("IAC") which has been approved by the Boards of the AMC and Trustee. At the strategic level, the broad investment philosophy of the AMC and the authorised exposure limits are spelt out in the Investment Policy of the Fund and the SEBI Regulations. During trading hours, the Fund Managers have the discretion to take investment decisions for the Scheme within the limits defined in the SEBI Regulations and the Investment Policy of the Fund.

The designated Fund Manager of the Scheme will be responsible for taking day-to-day investment decisions and will inter-alia be responsible for asset allocation, security selection and timing of investment decisions.

Risk control measures

Investments made by the Scheme would be in accordance with the investment objective of the Scheme and the provisions of the SEBI (MF) Regulations. Since investing requires disciplined risk management, the AMC would incorporate adequate safeguards for controlling risks in the portfolio construction process. While allocating and choosing securities, the Investment Manager will aim to diversify by gaining broad exposure to different industries and companies in order to reduce risk.

Risk Mitigation measures for investments in equity / equity related instruments

- The Scheme aims to maintain a well-diversified equity portfolio comprising stocks across various sectors of the economy. This shall aid in managing concentration risk and sector specific risks.
- The Scheme will maintain a portfolio diversified across a large number companies. Exposure to individual companies would be in accordance with the risk management and regulatory limits.. This diversified portfolio would aid in managing volatility and also improve liquidity of the portfolio.
- The scheme will strive to mitigate risk through a judicious mix of Debt and Money Market Instruments and equity/ equity related instruments.

Risk Mitigation measures for investments in debt instruments

The investments in debt and Money Market instruments would be undertaken after assessing the associated credit risk, interest rate risk and liquidity risk. The AMC shall undertake credit evaluation of each investment opportunity and invest in rated papers of companies having a sound background, strong fundamentals and quality of management and financial strength. In addition, the Scheme would endeavor to invest in instruments with a relatively higher liquidity, and will seek to manage the duration of the debt assets on proactive basis to manage interest rate risk and to optimize returns.

The scheme may also use various derivatives and hedging products from time to time, as would be available and permitted by SEBI/RBI for the purpose of hedging and portfolio rebalancing.

The above risk control measures shall be implemented by the AMC on best effort basis however there can be no guarantee that such measures can completely mitigate the risks involved in Scheme.

Investment by the AMC in the in units of Corporate Debt Market Development Fund:

Pursuant to regulation 43A of SEBI (Mutual Funds) Regulations, 1996 and chapter 16A of SEBI Master Circular on Investment by Mutual Fund Schemes and AMCs in units of Corporate Debt Market Development Fund, AMC shall make a one-time contribution equivalent to 2 bps of the AUM of the specified debt oriented schemes as on December 31, 2022 in the units of the Corporate Debt Market Development Fund ('CDMDF') within 10 working days of request from CDMDF. Contribution made to CDMDF, including the appreciations on the same, if any, shall be locked-in till winding up of the CDMDF.

In case of delay in contribution by the Scheme and AMC, the AMC shall be liable to pay interest at fifteen percent (15%) per annum for the period of delay.

Inter Scheme Investments

The Scheme may invest in other Schemes managed by the AMC or in the Schemes of any other Funds, provided it is in conformity to the investment objectives of the investor Scheme and in terms of the prevailing SEBI Regulations. As per the SEBI Regulations, no investment management fees will be charged for such investments and the aggregate inter Scheme investment made by all Schemes of JM Financial Mutual Fund or in the Schemes under the management of other asset management companies shall not exceed 5% of the net asset of the Mutual Fund as on date of the investment.

Important

It must be clearly understood that the above referred portfolio strategies are not absolute, and that they can vary substantially depending upon the Fund Manager's perception as to whether the stock/debt market is in an overheated state or has fallen well below a level they consider appropriate taking into account the factors prevailing at that time, the intent being to protect the Unitholders interest, especially the NAV of the Fund.

The Fund Manager may, from time to time, at its' absolute discretion review and modify the strategy, provided such modification is in accordance with SEBI Regulations.

Trading in Derivatives

The Scheme intends to use derivatives for the purposes, which may be permitted by SEBI Mutual Fund Regulations from time to time, which will include hedging & portfolio balancing. Hedging does not mean maximisation of returns but only reduction of systematic or market risk inherent in the investment. SEBI has vide its para no. 7.6 of SEBI Master Circular, specified the guidelines pertaining to trading by Mutual Fund in Exchange Traded Derivatives. For detailed derivative strategies, please refer to SAI.

Portfolio Turnover Policy

The Schemes will invest with a long-term outlook on the equity market; however, as and when trading opportunities arise in the market where, in the opinion of the fund manager there is an opportunity to enhance the total return of the portfolio, the Schemes may take trading exposure which may result in high portfolio turnover.

There may be an increase in transaction cost such as brokerage paid, if trading is done frequently. However, the cost would be negligible as compared to the total expenses of the Scheme. Frequent trading may increase the profits which

will offset the increase in costs. The fund manager will endeavor to optimize portfolio turnover to maximize gains and minimize risks keeping in mind the cost associated with it. However, it is difficult to estimate with reasonable accuracy, the likely turnover in the portfolio of the Scheme. The Scheme has no specific target relating to portfolio turnover.

D. HOW WILL THE SCHEME BENCHMARK ITS PERFORMANCE?

Benchmark index for the Scheme is CRISIL Medium to Long Duration Debt A-III Index.

The benchmark index is better representative of the constituents and the current positioning of the Scheme. Hence, the Benchmark Index is an appropriate Benchmark for the Scheme. The performance will be benchmarked to the Total Returns Variant of the Index.

Pursuant to Para-no 1.8 of Master Circular, the AMC and Trustee may change the benchmark index or select an additional benchmark index after recording adequate justification for carrying out such change. However, change of benchmark index and/or selecting additional benchmark indices would be done in complete compliance of the relevant guidelines of SEBI in this regard.

The performances of the schemes of the Fund are reviewed by the Investment Advisory Committee ("IAC") as well as the Boards of the AMC and Trustee periodically. The IAC is operational at the AMC level and has majority representation from the independent Directors. Monthly reports on the performance of the schemes with appropriate benchmark indices as also with the relative performance of the schemes of other mutual funds schemes in the same category is placed before the Boards of the AMC and Trustee. The performance of the Scheme compared to its benchmark index will be reviewed at every meeting of the Boards of the AMC and Trustee and corrective action as proposed will be taken in case of unsatisfactory performance.

Pursuant to Para-no 6.14 of Master Circular, benchmarking of performance of all Schemes of the Fund will be on basis of Total Return Index ("TRI").

Benchmark (Total Returns Index): AMFI prescribed benchmark for all schemes except ETFs / Index Funds and FOFs with single underlying Fund. The name and the justification (specific to the scheme objective) for the use of benchmark index with which the performance of the scheme can be compared with.

E. WHO MANAGES THE SCHEME?

Fund Manager: Mr. Killol Pandya, **Co – Fund Managers:** Ms. Naghma Khoja and Ms. Ruchi Fozdar

The details of the Fund Managers are as mentioned below:

Name & Designation	Qualification & Age	Brief Experience	Other Schemes Managed
Mr. Killol Pandya – Head of Fixed Income (Managing this Scheme since November 05, 2024)	B.Com, MMS (Finance) Age: 49 years	Mr. Killol Pandya has more than 17 years of experience in the asset management industry. Before joining JM Financial Asset Management Limited, he was associated with Barclays Securities India Private Limited, Essel Mutual Fund and LIC Nomura Mutual Fund as a Debt Fund Manager.	Fund Manager: JM Short Duration Fund; JM Dynamic Bond Fund; JM Low Duration Fund; JM Liquid Fund; and JM Overnight Fund
Ms. Naghma Khoja – Fund Manager – Debt (Managing this Scheme since April 03, 2024)	B. com, CA, CFA® Age: 32 years	Ms. Naghma Khoja has more than 9 years of experience in the asset management industry. Before joining JM Financial Asset Management Limited, she was associated with Karvy Capital Limited in the Portfolio Management team.	Co - Fund Manager: JM Dynamic Bond Fund; JM Short Duration Fund; JM Low Duration Fund; JM Liquid Fund; JM Overnight Fund
Ms. Ruchi Fozdar - Fund Manager – Debt (Managing this Scheme since April 03, 2024)	BSC - Organic chemistry & PGDBM Finance Age: 35 years	Ms. Ruchi is a seasoned professional with a decade plus of experience in fixed income markets. She is armed with a graduate degree in science and a PGDBM in finance. Her expertise as a dealer shones through her pivotal roles at Reliance Life Insurance Co. Ltd. and Mahindra Manulife Mutual Fund. Ms. Ruchi's strategic acumen and astute insights has positioned her as a visionary in the field, continually seeking new opportunities and delivering exceptional results.	Co - Fund Manager: JM Dynamic Bond Fund; JM Short Duration Fund; JM Low Duration Fund; JM Liquid Fund; and JM Overnight Fund Debt portion of all the Equity Schemes of the Mutual Fund.

F. HOW IS THE SCHEME DIFFERENT FROM EXISTING SCHEMES OF THE MUTUAL FUND?

Following are the exiting open-ended Debt Schemes of JM Financial Mutual Fund in addition to the captioned Scheme:

JM Overnight Fund	JM Liquid Fund
JM Low Duration Fund	JM Short Duration Fund
JM Dynamic Bond Fund	

The AMC currently does not have any scheme in the “Medium to Long Duration” category. Thus, the scheme viz., JM Medium to Long Duration Fund is clearly differentiated from other existing Debt schemes of JM Financial Mutual Fund. Investors are requested to refer the following link that contains detailed comparative table between the Scheme and exiting open-ended Debt Schemes of JM Financial Mutual Fund:

<https://www.jmfinancialmf.com/SIDdisclosures/Scheme-Differentiation>

G. HOW HAS THE SCHEME PERFORMED

iv. Portfolio Turnover Rate: NA

v. Aggregate investment in the Scheme by:

Sr. No.	Category of Persons	Net Value		Market Value (as on March 31, 2025)
		Units	NAV per unit (as on March 31, 2025)	
1.	Concerned scheme's Fund Manager(s)	Nil	Nil	Nil

For any w.r.t investments by key personnel and AMC directors including regulatory provisions in this regard kindly refer SAI.

vi. Investments of AMC in the Scheme:

Investors can refer the following link for details of investment of the AMC in the Schemes of <https://www.jmfinancialmf.com/downloads/Statutory-Disclosure/Alignment-of-interest-of-Asset-Management-Companies> The AMC shall not invest in any of the schemes unless full disclosure of its intention to invest has been made in the Scheme Information Document and that the AMC shall not be entitled to charge any fees on such investment.

The AMC and investment companies managed by the Sponsor(s), their associate companies and subsidiaries may invest either directly or indirectly in the Scheme. The associates, the Sponsor, subsidiaries of the Sponsor and/or the AMC may acquire a substantial portion of the Scheme's units and collectively constitute a major investment in the Scheme. Consequently, in the event of repurchase of units held by such associates and Sponsor, there be an adverse impact on the units of the Scheme as the timing of such repurchase may impact the ability of other unitholders to repurchase their units. The AMC reserves the right to invest its own funds in the Scheme as may be decided by the AMC from time to time.

The AMC may invest in the Scheme at any time during the NFO and continuous offer period subject to the SEBI Regulations & circulars issued by SEBI and to the extent permitted by its Board of Directors from time to time. As per the existing SEBI Regulations, the AMC will not charge investment management and advisory fee on the investment made by it in the Scheme.

Further, the AMC shall based on the risk value assigned to the scheme, shall invest minimum amount as a percentage of assets under management of the scheme, Pursuant to para-No. 6.9.2 of SEBI Master Circular.

Part III- OTHER DETAILS

A. COMPUTATION OF NAV

NET ASSET VALUE (NAV) AND VALUATION OF INVESTMENT

Valuation of assets, computation of NAV, repurchase price and their frequency of disclosure will be in accordance with the provisions of SEBI (Mutual Funds) Regulations 1996/ Guidelines/ Directives issued by SEBI from time to time.

The NAVs of the Units of the Plans will be computed by dividing the net assets of the Scheme by the number of Units outstanding on the valuation date given as below:

$$\text{NAV(Rs.) per Unit} = \frac{\text{Market or Fair Value of the Scheme's Investments} + \text{Current Assets} - \text{Current Liabilities and Provisions}}{\text{No. of Units outstanding under Scheme/Plan}}$$

Notes:

1. The NAV of the Scheme will be calculated and disclosed at the close of every Business Day.
2. Separate NAV will be calculated and announced for each of Plans/Options.
3. The NAVs will be calculated upto 4 decimals and the units will be allotted upto 3 decimal places.

Illustration:

Assumptions - on the day of calculation of NAV:

Market or Fair Value of the Scheme's Investments = 10600
Current Assets = 250

Current Liabilities & provisions = 150
No of units outstanding in the plan = 1000

$$10.7000 = \frac{10600+250-150}{1000}$$

The Fund shall value its investments according to the valuation norms, as specified in Schedule VIII of the Regulations, or such norms as may be prescribed by SEBI from time to time.

Account balances of Units will be calculated upto three decimal places. NAV will be calculated upto 4 decimal places.

The provisions of applicability of NAV and allotment of units in case of Direct Plan will be same as currently applicable for the Regular Plan.

NAV Information

The AMC shall update the NAVs on the website of Association of Mutual Funds in India -AMFI (www.amfiindia.com) by 11.00 p.m. or such other time as may be mandated by SEBI, on a daily basis. In case of any delay, the reasons for such delay will be explained to AMFI and, if so mandated, SEBI, by the next day. If the NAVs are not available before commencement of business hours on the following day due to any reason, the Fund shall issue a press release providing reasons and explaining when the Fund will be able to publish the NAVs.

As required under the Regulations, the fund shall ensure that the repurchase price of an open ended scheme is not lower than 95% of the Net Asset Value. For other details such as policies w.r.t computation of NAV, rounding off, investment in foreign securities, procedure in case of delay in disclosure of NAV etc. refer to SAI.

B. ANNUAL SCHEME RECURRING EXPENSES

These are the fees and expenses for operating the scheme. These expenses include Investment Management and Advisory Fee charged by the AMC, Registrar and Transfer Agents' fee, marketing and selling costs etc. as given in the table below:

The AMC has estimated following upto 2.00% of the daily net assets of the scheme will be charged to the scheme as expenses as mentioned below. For the actual current expenses being charged, the investor should refer to the website of the mutual fund (<https://www.jmfinancialmf.com/>) .

Name of the Scheme	TER Limits
JM Medium to Long Duration Fund	(i) 2.00% on the first Rs. 500 crores of the daily net assets.
	(ii) 1.75% on the next Rs. 250 crores of the daily net assets.
	(iii) 1.50% on the next Rs. 1,250 crores of the daily net assets.
	(iv) 1.35% on the next Rs. 3,000 crores of the daily net assets
	(v) 1.25% on the next Rs. 5,000 crores of the daily net assets.
	(vi) Total expense ratio reduction of 0.05% for every increase of Rs. 5,000 crores of daily net assets or part thereof, on the next Rs. 40,000 crores of the daily net assets.
	(vii) 0.80% on balance of the assets.

As per the Regulations, the maximum recurring expenses excluding issue or redemption expenses, whether initially borne by the Fund or by the AMC but including investment management and advisory fee that can be charged to the Scheme shall be subject to a percentage limit of daily net assets as in the table below:

Particulars	% of daily Net Assets (Regular Plan)
Investment Management & Advisory Fee	Upto 2.00
Audit fees/fees and expenses of trustees	
Custodial Fees	
Registrar & Transfer Agent Fees including cost of providing account statements / IDCW / redemption cheques/ warrants	
Marketing & Selling Expenses including Agents Commission and statutory advertisement	
Costs related to investor communications	
Costs of fund transfer from location to location	
Cost towards investor education & awareness	
Brokerage & transaction cost pertaining to distribution of units	
Goods & Services Tax on expenses other than investment and advisory fees	
Goods & Services Tax on brokerage and transaction cost	

Other Expenses (to be specified as per Reg 52 of SEBI MF Regulations)	
Maximum Total expenses ratio (TER) permissible under Regulation 52 (6) (c)	Upto 2.00
Additional expenses under Regulations 52(6A)(c)	Upto 0.05
Additional expenses for gross new inflows from specified cities under Regulations (52 (6A) (B)	Upto 0.30

Any other expenses which are directly attributable to the Scheme, may be charged with the approval of the Trustee within the overall limits as specified in the Regulations except those expenses which are specifically prohibited. Further, the Direct Plan shall have a lower expense ratio excluding distribution expenses, commission etc. since no commission shall be paid from this plan. Further, all fees and expenses charged in the Direct Plan (in percentage terms) under various heads including the Investment Management and Advisory Fee shall not exceed the fees and expenses charged under such heads in the Regular Plan.

- (a) Additional expenses under Regulation 52(6A)(c) at 0.05% of daily net assets of the scheme ;
 ** In accordance with para 10.1.7 of SEBI Master circular AMC shall not charge any additional expense of upto 0.05% as per Regulation 52(6A)(c), if exit load is not being levied under the Scheme.

- (b) Additional TER of up to 30 basis points on daily net assets of the scheme as per regulation 52 (6A)(B) of SEBI (Mutual Funds) Regulations, 1996 if the new inflows from beyond top 30 cities* received by JMF are at least (a) 30% of gross new inflows in the scheme or (b) 15% of the average assets under management (year to date) of the scheme, whichever is higher. In case the inflows from beyond top 30 cities is less than the higher of (a) or (b) above, then additional TER can be charged on pro rata basis.

The additional TER on account of inflows from beyond top 30 cities so charged shall be clawed back in case the same is redeemed within a period of 1 year from the date of investment. The amount so charged shall be utilised for distribution expenses incurred for bringing inflows from such cities.

* The top 30 cities shall mean top 30 cities based on Association of Mutual Funds in India (AMFI) data on 'AUM by Geography – Consolidated Data for Mutual Fund Industry' as at the end of the previous financial year.

- (c) The AMC may charge GST on investment management and advisory service fees ('AMC fees') which shall be borne by the Scheme in addition to the total expense ratio mentioned in table above. AMC may charge GST on expenses other than investment and advisory fees of the Scheme, if any within the maximum limit of TER as per the Regulation under 52(6) and (6A). Further, GST on brokerage and transaction costs which are incurred for the purpose of execution of trade, will be within the limit of expenses as per the Regulation 52(6) and (6A).
- (d) @Brokerage and transaction costs which are incurred for the purpose of execution of trade up to 0.12 per cent of trade value in case of cash market transactions and 0.05 per cent of trade value in case of derivatives transactions.
 It is clarified that the brokerage and transaction cost incurred for the purpose of execution of trade over and above the said 0.12 percent and 0.05 percent for cash market transactions and derivatives transactions respectively may be charged to the Scheme within the maximum limit of Total Expense Ratio (TER) as prescribed under regulation 52 of the SEBI (Mutual Funds) Regulations, 1996.
- (e) The AMC shall not charge additional expenses for gross new inflows from specified cities regulation 52(6A)(b).
 Note: Pursuant to the directions received from SEBI vide its letter no. SEBI/HO/IMD-SEC-3/P/OW/2023/5823/1 dated February 24, 2023 read along with AMFI communication dated March 02, 2023; w.e.f March 01, 2023 no additional expense shall be charged on the new inflows received on or after March 01, 2023 from specified cities as per Regulation 52 (6A) (b) till any further guidance is received from SEBI in this regard.

The total expenses charged to the scheme shall be the maximum limit of TER as prescribed under regulation 52.

Investors should note that the total recurring expenses of the scheme excluding issue or redemption expenses, whether initially borne by the Mutual Fund or by the AMC, but including the investment management and advisory fee, shall not exceed the limits as prescribed under Regulation 52 of the SEBI Regulations. The AMC will charge the Scheme such actual expenses incurred, subject to the statutory limit prescribed in the Regulations.

The AMC would update the current expense ratios on the website of the fund at least three working days prior to the effective date of change.

Further, the Actual Expense ratio will also be disclosed by the AMC at Fund's website which can be accessed at link www.jmfinancialmf.com.

These estimates have been made in good faith as per the information available to the Investment Manager based on past experience and are subject to change inter-se. Types of expenses charged shall be as per SEBI (Mutual Funds) Regulations, 1996. The purpose of the above table is to assist the investor in understanding the various costs and expenses that an investor in the scheme will bear directly or indirectly.

Illustration of impact of ratio on Scheme's returns

	Regular Plan			Direct Plan		
	Amount (Rs.)	Units	NAV	Amount (Rs.)	Units	NAV (Rs.)
Amount Invested on August 31, 2022 (A)	10,000.00	1000	10.0000	10,000.00	1000	10.0000
Value of above investment as on December 31, 2021 (before all expenses charged) (B)	10,800.00	1000	10.8000	10,800.00	1000	10.8000
Expenses charged during the year (other than Distribution Expenses/Commission) (C)	50			50		
Distribution Expenses/Commission charged during the year (D)	50			-		
Value of above investment as on December 31, 2022 (post all applicable expenses) E = (B - C - D)	10,700.00	1000	10.7000	10,750.00	1000	10.7500
Returns (%) (post all applicable expenses) (F) [F= (E-A)/A]	7.00			7.50		
Returns (%) (without considering any expenses) (G) [G=(B-A)/A]	8.00			8.00		

Please note that the above illustration is based on certain assumptions.

Notes:

- The purpose of the above illustration is to purely explain the impact of expense ratio charged to the Scheme and should not be construed as providing any kind of investment advice or guarantee of returns on investments.
- It is assumed that the expenses charged are evenly distributed throughout the year.
- The expenses of the Direct Plan under the Scheme will be lower to the extent of distribution expenses / commission
- Calculations are based on assumed NAVs, and actual returns on your investment may be more, or less.
- Any tax impact has not been considered in the above example. In view of the individual nature of the tax implications, each investor is advised to consult his or her own financial advisor and tax consultant.

C. LOAD STRUCTURE

Exit Load is an amount which is paid by the investor to redeem the units from the scheme. Load amounts are variable and are subject to change from time to time. For the current applicable structure, please refer to the website of the AMC (www.jmfinancialmf.com) or may call at (toll free no. 1800-1038-345) or your distributor.

Type of Load	Load chargeable (as %age of NAV)
Exit	NIL

No Entry / Exit Load shall be levied on units allotted on Reinvestment of Income Distribution cum Capital Withdrawal Option. In respect of Systematic Transactions such as SIP, STP, SWP, Exit Load, if any, prevailing on the date of registration / enrolment for SIP/STP/SWP shall be levied for all the opted Installments.

As required under the Regulations, the fund shall ensure that the repurchase price of an open ended scheme is not lower than 95% of the Net Asset Value. For other details such as policies w.r.t computation of NAV, rounding off, investment in foreign securities, procedure in case of delay in disclosure of NAV etc. refer to SAI.

Section II

I. Introduction

A. Definitions/Interpretation

For detailed description on Definitions/Interpretation, investors are requested to refer the following link on our website:

<https://www.jmfinancialmf.com/SIDdisclosures/Definitions-interpretation>

B. Risk Factors

Standard Risk Factors:

- Mutual funds and securities investments are subject to market risks and there is no assurance or guarantee that the objectives of the Fund will be achieved.
- Investment in Mutual Fund Units involves investment risks such as trading volumes, settlement risk, liquidity risk, default risk including the possible loss of principal.
- As the price / value / interest rates of the securities in which the scheme invests fluctuates, the value of your investment in the scheme may go up or down.
- Past performance of the Sponsor/AMC/Mutual Fund does not guarantee future performance of the schemes.
- The name of the scheme does not in any manner indicate either the quality of the scheme or its future prospects and returns.
- The Sponsor is not responsible or liable for any loss resulting from the operation of the scheme beyond the initial contribution of 1 Lac made by it towards setting up the Fund.
- The schemes under this Scheme Information Document are not guaranteed or assured return schemes.
- A Unitholder in JM Financial Mutual Fund's scheme - JM Medium to Long Duration Fund should be aware of the risks generally associated with investments in the fixed income and money markets.

- Scheme Specific Risk Factors:

a) Interest Rate Risk

As with all debt securities, changes in interest rates will affect the NAVs of the Scheme as the prices of securities generally increase as interest rates decline and generally decrease as interest rates rise. Prices of long term securities generally fluctuate more in response to interest rate changes than of shorter-term securities. Interest rate movements in the Indian debt markets can be volatile leading to the possibility of large price movements up or down in debt and money market securities and thereby to possibly large movements in the NAV.

b) Liquidity or marketability risk

This refers to the ease at which a security can be sold at or near its true value. The primary measure of liquidity risk is the spread between the bid price and the offer price quoted by a dealer. Liquidity risk is characteristic of the Indian fixed income market. Trading volumes, settlement periods and transfer procedures may restrict the liquidity of some of these investments. Different segments of the Indian financial markets have different settlement periods, and such periods may be extended significantly by unforeseen circumstances. The length of time for settlement may affect the Scheme in the event it has to meet an inordinately large number of redemption or of restructuring of the Scheme's investment portfolio.

c) Credit Risk

Credit risk or default risk refers to the risk that an issuer of a fixed income security may default (i.e., will be unable to make timely principal and interest payments on the security). Because of this risk, debentures are sold at a yield spread above those offered on treasury securities which are sovereign obligations and generally considered to be free of credit risk. Normally, the value of a fixed income security will fluctuate depending upon the actual changes in the perceived level of credit risk as well as the actual event of default.

d) Redemption Risk

As the liquidity of the investments made by the Scheme could, at times, be restricted by trading volumes and settlement periods, the time taken by the Fund for redemption of Units may be significant in the event of an inordinately large number of redemption requests or a restructuring of the Scheme.

e) Securities Lending

In case the Scheme undertakes stock lending under the Regulations, it may, at times be exposed to counter party risk and other risks associated with the securities lending. Unitholders of the Scheme should note that there are risks inherent to securities lending, including the risk of failure of the other party, in this case the approved intermediary, to comply with the terms of the agreement entered into between the lender of securities i.e. the Scheme and the approved intermediary. Such failure can result in the possible loss of rights to the collateral put up by the borrower of the securities, the inability of the approved intermediary to return the securities deposited by the lender and the

possible loss of any corporate benefits accruing to the lender from the securities deposited with the approved intermediary

f) Reinvestment Risk

This risk refers to the interest rate levels at which cash flows received from the securities in the Scheme or from maturities in the Scheme are reinvested. The additional income from reinvestment is the "interest on interest" component. The risk is that the rate at which interim cash flows can be reinvested will fall.

g) Derivative Risks:

In the derivative markets there are risk factors and issues concerning the use of derivatives that investors should understand. Derivatives require the maintenance of adequate controls to monitor the transactions entered into, the ability to assess the risk that a derivative adds to the portfolio and the ability to manage the risks as a result of the failure of the counterparty to comply with the terms of the derivative contract. Other risks in using derivatives include the risk of mispricing or improper valuation of derivatives, credit risk where the danger is that of a counterparty failing to honour its commitment, liquidity risk where the danger is that the derivatives cannot be sold at prices that reflect the underlying assets, rates and indices and price risk where the market price may move in adverse fashion.

Derivative products are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the investor. Execution of such strategies depends upon the ability of the fund manager to identify such opportunities. Identification and execution of the strategies to be pursued by the fund manager involve uncertainty and decision of fund manager may not always be profitable. No assurance can be given that the Fund Manager will be able to identify or execute such strategies.

The risks associated with the use of derivatives are different from or possibly greater than, the risks associated with investing directly in securities and other traditional investments and are set out in more detail.

Policy and special consideration on investment in derivatives and hedging products

The Scheme may take derivatives position in the fixed income and equity markets based on the opportunities available subject to the guidelines provided by SEBI from time to time and in line with the overall investment objective of the Scheme.

Fixed Income Derivatives

Generally, interest rate swaps involve exchange of a fixed rate to a floating rate of interest or vice versa. These are known as Plain Vanilla Swaps. The RBI has currently allowed only these swaps in the Indian market. An interest rate swap agreement (as per guidelines issued by RBI on 7th July 1999 and 1st November 1999) from fixed rate to floating rate will be an effective hedge for portfolio in a rising interest rate environment.

Interest Rate Swaps (IRS)

An IRS is an agreement between two parties to exchange stated interest obligations for an agreed period in respect of a notional principal amount. The most common form is a fixed to floating rate swap where one party receives a fixed (pre-determined) rate of interest while other receives a floating (variable) rate of interest.

Forward Rate Agreement (FRA)

A FRA is basically a forward starting IRS. It is an agreement between two parties to pay or receive the difference between an agreed fixed rate (the FRA rate) and the interest rate (reference rate) prevailing on a stipulated future date, based on a notional principal amount for an agreed period. The only cash flow is the difference between the FRA rate and the reference rate. As is the case with IRS, the notional amounts are not exchanged in FRAs.

Basic structure of a Swap

Assume that the Scheme has a Rs. 20 crore floating rate investment linked to MIBOR (Mumbai Inter Bank Offered Rate). Hence, the Scheme is currently running an interest rate risk and stands to lose if the interest rate moves down. To hedge this interest rate risk, the Scheme can enter into a 6 month MIBOR swap. Through this swap, the Scheme will receive a fixed predetermined rate (assume 12%) and pays the "benchmark rate" (MIBOR), which is fixed by the National Stock Exchange of India limited (NSE) or any other agency such as Reuters. This swap would effectively lock-in the rate of 12% for the next 6 months, eliminating the daily interest rate risk. This usually routed through an intermediary who runs a book and matches deals between various counterparties.

The steps will be as follows:

- Assuming the swap is for Rs. 20 crore June 1, 2011 to December 1, 2011. The Scheme is a fixed rate receiver at 12% and the counterparty is a floating rate receiver at the overnight rate on a compounded basis (say NSE MIBOR).
- On June 1, 2011 the Scheme and the counterparty will exchange only a contract of having entered this swap. This documentation would be as per International Swap Dealers Association (ISDA). On a daily basis, the benchmark rate fixed by NSE will be tracked by them.
- On December 1, 2011 they will calculate the following –
- The Scheme is entitled to receive interest on Rs. 20 crore at 12% for 184 days i.e. Rs. 1.21 crore, (this amount is known at the time the swap was concluded) and will pay the compounded benchmark rate.

- The counterparty is entitled to receive daily compounded call rate for 184 days & pay 12% fixed.
- On December 1, 2011, if the total interest on the daily overnight compounded benchmark rate is higher than Rs. 1.21 crore, the Scheme will pay the difference to the counterparty. If the daily compounded benchmark rate is lower, then the counterparty will pay the Scheme the difference.
- Effectively the Scheme earns interest at the rate of 12% p.a. for six months without lending money for 6 months fixed, while the counterparty pays interest @ 12% p.a. for 6 months on Rs. 20 crore, without borrowing for 6 months fixed.

The above example illustrates the benefits and risks of using derivatives for hedging and optimizing the investment portfolio. Swaps have their own drawbacks like credit risk, settlement risk, etc. However, these risks are substantially reduced as the amount involved is interest streams and not principal.

Valuation of Derivative Products:

- a. The traded derivatives shall be valued at market price in conformity with the stipulations of sub clauses (i) to (v) of clause 1 of the Eighth Schedule to the SEBI Regulations, as amended from time to time.
- b. The valuation of untraded derivatives shall be done in accordance with the valuation method for untraded investments prescribed in sub clauses (i) and (ii) of clause 2 of the Eighth Schedule to the SEBI Regulations as amended from time to time.

Risk factors

- **Credit Risk:** The credit risk is the risk that the counter party will default on obligations and is generally negligible, as there is no exchange of principal amounts in a derivative transaction.
- **Market Risk:** Derivatives carry the risk of adverse changes in the market price.
- **Illiquidity Risk:** The risk that a derivative cannot be sold or purchased quickly enough at a fair price, due to lack of liquidity in the market.
- The fund pays the daily compounded rate. In practice however there can be a difference in the actual rate at which money is lent in the call market and the benchmark, which appears and is used.

h) Risk factors associated with processing of transaction through stock exchange mechanism:

The trading mechanism introduced by the stock exchange(s) is configured to accept and process transactions for mutual fund units in both Physical and Demat Form. The allotment and/or redemption of Units through NSE and/or BSE, on any Business Day will depend upon the modalities of processing viz. collection of application form, KYC documentation, order processing/ settlement, etc. upon which the Fund has no control. Moreover, transactions conducted through the stock exchange mechanism shall be governed by the operating guidelines and directives issued by respective recognized stock exchange(s).

i) Risks associated with segregated portfolio:

- Unit holders holding units of segregated portfolio may not be able to liquidate their holdings till recovery of money from the issuer.
- Security in the segregated portfolio may not realize any value.
- Listing of any units of segregated portfolio in recognized stock exchange does not necessarily guarantee their liquidity. There may not be active trading of units in the stock market. Further, trading price of units on the stock market may be significantly lower than the prevailing NAV.

j) Risks associated with backstop facility in form of investment in Corporate Debt Market Development Fund (CDMDF):

CDMDF is set up as a scheme of the Trust registered as an Alternative Investment Fund ('AIF') in accordance with the SEBI (Alternative Investment Funds) Regulations, 2012 ("AIF Regulations"). The objective of the CDMDF is to help to develop the corporate debt market by providing backstop facility to instill confidence amongst the market participants in the corporate debt/bond market during times of market dislocation and to enhance the secondary market liquidity. In times of market dislocation, CDMDF shall purchase and hold eligible corporate debt securities from the participating investors (i.e., specified debt-oriented MF schemes to begin with) and sell as markets recover. The CDMDF will thus act as a key enabler for facilitating liquidity in the corporate debt market and to respond quickly in times of market dislocation. The trigger and period for which the backstop facility will be open shall be as decided by SEBI. Thus this backstop facility will help fund managers of the aforementioned Schemes to better generate liquidity during market dislocation to help the schemes fulfill liquidity obligations under stress situation.

In accordance with the requirement of regulation 43A of SEBI (Mutual Funds) Regulations, 1996 read with SEBI circular no. SEBI/HO/IMD/PoD2/P/CIR/2023/129 dated July 27, 2023 on Investment by Mutual Fund Schemes in units of Corporate Debt Market Development Fund, the aforementioned schemes shall invest 25 bps of its AUM as on December 31, 2022 in the units of the Corporate Debt Market Development Fund ('CDMDF'). An incremental contribution to CDMDF shall be made every six months to ensure 25 bps of scheme AUM is invested in units of CDMDF. However, if AUM decreases there shall be no return or redemption from CDMDF. Contribution made to CDMDF, including the appreciations on the same, if any, shall be locked-in till winding up of the CDMDF.

We would further like to bring to the notice of the investors that investments in CDMDF units shall not be considered as violation while considering maturity restriction as applicable for various purposes (including applicable Investment

limits) and the calculations of Potential Risk Class (PRC) Matrix, Risk-o-meter, Stress testing and Duration for various purposes shall be done after excluding investments in units of CDMDF.

Investors are requested to read details disclosure on investment of the schemes in the CDMDF as listed in sub-section "C. How will the Scheme allocate its assets? And sub-section D. Where will the Scheme Invest" in Section "Section II- Information about the scheme"

k) Investment exposure of the fund with reference to securitised debt and risk factors specific to investments in securitised papers

The Fund may invest only in those securitisation issuances which have a rating of AA and above indicating the high level of safety from credit risk point of view at the time of making an investment. The Fund will not invest in foreign securitised debt.

The Fund may invest in various type of securitisation issuances, including but not limited to Asset Backed Securitisation, Mortgage Backed Securitisation, Personal Loan Backed Securitisation, Collateralized Loan Obligation / Collateralized Bond Obligation and so on.

The Fund will conduct an independent due diligence on the cash margins, collateralisation, guarantees and other credit enhancements and the portfolio characteristic of the securitisation to ensure that the issuance fits in to the overall objective of the investment in high investment grade offerings irrespective of underlying asset class.

Types of securitised debt vary and carry different levels and types of risks. Credit risk on securitised bonds depends upon the originator and varies depending on whether they are issued with recourse to originator or otherwise. Even within securitised debt, AAA rated securitized debt offers lesser risk of default than AA rated securitised debt. A structure with Recourse will have a lower credit risk than a structure without recourse.

Risk analysis on underlying asset classes in securitization

Generally the following asset classes for securitisation are available in India:

- a) Commercial Vehicles
- b) Auto and Two wheeler pools
- c) Mortgage pools (residential housing loans)
- d) Personal Loan, credit card and other retail loans
- e) Corporate loans/receivables

Underlying assets in securitised debt may assume different forms and the general types of receivables include auto finance, credit cards, home loans or any such receipts. Credit risks relating to these types of receivables depend upon various factors including macro economic factors of these industries and economies. Specific factors like nature and adequacy of property mortgaged against these borrowings, nature of loan agreement / mortgage deed in case of home loan, adequacy of documentation in case of auto finance and home loans, capacity of borrower to meet its obligation on borrowings in case of credit cards and intentions of the borrower influence the risks relating to the asset borrowings underlying the securitised debt.

Holders of the securitised assets may have low credit risk with diversified retail base on underlying assets especially when securitized assets are created by high credit rated tranches. Risk profiles of Planned Amortisation Class tranches (PAC), Principal Only Class Tranches (PO) and Interest Only class tranches (IO) will differ depending upon the interest rate movement and speed of prepayment.

In terms of specific risks attached to securitisation, each asset class would have different underlying risks, however, residential mortgages are supposed to be having lower default rates as an asset class. On the other hand, repossession and subsequent recovery of commercial vehicles and other auto assets is fairly easier and better compared to mortgages. Some of the asset classes such as personal loans, credit card receivables, etc., being unsecured credits in nature, may witness higher default rates. As regards corporate loans/receivables, depending upon the nature of the underlying security for the loan or the nature of the receivable the risks would correspondingly fluctuate. However, the credit enhancement stipulated by rating agencies for such asset class pools is typically much higher and hence their overall risks are comparable to other AAA rated asset classes. The rating agencies have an elaborate system of stipulating margins, over collateralization and guarantees to bring risk limits in line with the other AA rated securities.

The risks associated with the underlying assets can be described as under:

Credit card receivables are unsecured. Automobile / vehicle loan receivables are usually secured by the underlying automobile / vehicle and sometimes by a guarantor. Mortgages are secured by the underlying property. Personal loans are usually unsecured.

Corporate loans could be unsecured or secured by a charge on fixed assets / receivables of the company or a letter of comfort from the parent company or a guarantee from a bank / financial institution. As a rule of thumb, underlying assets which are secured by a physical asset / guarantor are perceived to be less risky than those which are unsecured. By virtue of this, the risk and therefore the yield in descending order of magnitude would be credit card receivables, personal loans, vehicle / automobile loans, mortgages and corporate loans assuming the same rating.

Some of the factors, which are typically analyzed for any pool are as follows:

Size of the loan: generally indicates the kind of assets financed with loans. Also indicates whether there is excessive reliance on very small ticket size, which may result in difficult and costly recoveries. To illustrate, the ticket size of housing loans is generally higher than that of personal loans. Hence in the construction of a housing loan asset pool for say Rs.10,000,000/- it may be easier to construct a pool with just 10 housing loans of Rs.1,000,000 each rather than to construct a pool of personal loans as the ticket size of personal loans may rarely exceed Rs.500,000/- per individual. Also to take this illustration further, if one were to construct a pool of Rs.10,000,000/- consisting of personal loans of Rs.100,000/- each, the larger number of contracts (100 as against one of 10 housing loans of Rs.10 lakh each) automatically diversifies the risk profile of the pool as compared to a housing loan based asset pool.

Average original maturity of the pool: indicates the original repayment period and whether the loan tenors are in line with industry averages and borrower's repayment capacity. To illustrate, in a car pool consisting of 60-month contracts, the original maturity and the residual maturity of the pool viz. number of remaining installments to be paid gives a better idea of the risk of default of the pool itself. If in a pool of 100 car loans having original maturity of 60 months, if more than 70% of the contracts have paid more than 50% of the installments and if no default has been observed in such contracts, this is a far superior portfolio than a similar car loan pool where 80% of the contracts have not even crossed 5 installments.

Loan to Value ("LTV") Ratio: Indicates how much % value of the asset is financed by borrower's own equity. The lower the LTV ratio, the better it is. This ratio stems from the principle that where the borrower's own contribution of the asset cost is high, the chances of default are lower. To illustrate for a vehicle costing Rs. 50 lakhs, if the borrower has himself contributed Rs. 40 lakhs and has taken only Rs.10 lakhs as a loan, he is going to have lesser propensity to default as he would lose an asset worth Rs. 50 lakhs if he defaults in repaying an installment. This is as against a borrower who may meet only Rs. 5 lakhs out of his own equity for a vehicle costing Rs. 50 lakhs. Between the two scenarios given above, the latter would have higher risk of default than the former.

Average seasoning of the pool: Indicates whether borrowers have already displayed repayment discipline. To illustrate, in the case of a personal loan, if a pool of assets consists of those who have already repaid 80% of the installments without default, this certainly is a superior asset pool than the one where only 10% of the installments have been paid. In the former case, the portfolio has already demonstrated that the repayment discipline is far higher.

Default rate distribution: Indicates how much % of the pool and overall portfolio of the originator is current, how much is in 0-30 DPD (days past due), 30-60 DPD, 60-90 DPD and so on. The rationale here is very obvious - as against 0-30 DPD, the 60-90 DPD is certainly a higher risk category.

Unlike in plain vanilla instruments, in securitisation transactions, it is possible to work towards a target credit rating, which could be much higher than the originator's own credit rating. This is possible through a mechanism called "Credit enhancement" and is fulfilled by filtering the underlying asset classes and applying selection criteria, which further diminishes the risk inherent for a particular asset class. The purpose of credit enhancement is to ensure timely payment to the investors, if the actual collections from the pool of receivables for a given period are short of the contractual payouts on securitisation. Securitisation is normally a non-recourse instrument and therefore, the repayment on securitisation would have to come from the underlying assets and the credit enhancement. Therefore, the rating criteria centrally focuses on the quality of the underlying assets.

World over, the quality of credit ratings is measured by default rates and stability. An analysis of rating transition and default rates, witnessed in both international and domestic arena, clearly reveals that structured finance ratings have been characterized by far lower default and transition rates than that of plain vanilla debt ratings. Further, internationally, in case of structured finance ratings, not only are the default rates low but post default recovery is also high.

In the Indian scenario, also, more than 95% of issuances have been AAA rated issuances indicating the strength of the underlying assets as well as adequacy of credit enhancement.

Interest Rate Risk

The change in market interest rates – prepayments may not change the absolute amount of receivables for the investors, but may have an impact on the re-investment of the periodic cash flows that the investor receives in the securitised paper.

Limited liquidity & price risk

Presently, secondary market for securitised papers is not very liquid. There is no assurance that a deep secondary market will develop for such securities. This could limit the ability of the investor to resell them. Even if a secondary market develops and sales were to take place, these secondary transactions may be at a discount to the initial issue price due to changes in the interest rate structure.

Limited recourse, delinquency and credit risk

Securitised transactions are normally backed by pool of receivables and credit enhancement as stipulated by the rating agency, which differ from issue to issue. The credit enhancement stipulated represents a limited loss cover to the Investors. These certificates represent an undivided beneficial interest in the underlying receivables and there is no obligation of either the Issuer or the Seller or the originator, or the parent or any associate of the seller, issuer and originator. No financial recourse is available to the certificate holders against the investors' representative.

Delinquencies and credit losses may cause depletion of the amount available under the credit enhancement and thereby the investor payouts may get affected if the amount available in the credit enhancement facility is not enough to cover the shortfall. On persistent default of an obligor to repay his obligation, the servicer may repossess and sell the underlying asset. However many factors may affect, delay or prevent the repossession of such asset or the length of time required to realize the sale proceeds on such sales. In addition, the price at which such asset may be sold may be lower than the amount due from that obligor.

Risks due to possible prepayments: Weighted Tenor / Yield

Asset securitisation is a process whereby commercial or consumer credits are packaged and sold in the form of financial instruments. Full prepayment of underlying loan contract may arise under any of the following circumstances

- Obligor pays the receivable due from him at any time prior to the scheduled maturity date of that receivable; or
- Receivable is required to be repurchased by the seller consequent to its inability to rectify a material misrepresentation with respect to that receivable; or
- The servicer recognizing a contract as a defaulted contract and hence repossessing the underlying asset and selling the same; or
- In the event of prepayments, investors may be exposed to changes in tenor and yield.

Bankruptcy of the originator or seller

If originator becomes subject to bankruptcy proceedings and the court in the bankruptcy proceedings concludes that the sale from originator to Trust was not a sale then an investor could experience losses or delays in the payments due. All possible care is generally taken in structuring the transaction so as to minimize the risk of the sale to Trust not being construed as a "True Sale". Legal opinion is normally obtained to the effect that the assignment of Receivables to Trust in trust for and for the benefit of the Investors, as envisaged herein, would constitute a true sale.

Bankruptcy of the investor's agent

If an investor's agent becomes subject to bankruptcy proceedings and the court in the bankruptcy proceedings concludes that the recourse of investor's agent to the assets/receivables is not in its capacity as agent/Trustee but in its personal capacity, then an investor could experience losses or delays in the payments due under the swap agreement. All possible care is normally taken in structuring the transaction and drafting the underlying documents so as to provide that the assets/receivables if and when held by investor's agent is held as agent and in Trust for the investors and shall not form part of the personal assets of investor's agent. Legal opinion is normally obtained to the effect that the investor's agent's recourse to assets/receivables is restricted in its capacity as agent and Trustee and not in its personal capacity.

Credit Rating of the Transaction / Certificate

The credit rating is not a recommendation to purchase, hold or sell the certificate in as much as the ratings do not comment on the market price of the certificate or its suitability to a particular investor.

There is no assurance by the rating agency either that the rating will remain at the same level for any given period of time or that the rating will not be lowered or withdrawn entirely by the rating agency.

Risk of Co-mingling

The servicers normally deposit all payments received from the obligors into the collection account. However, there could be a time gap between collection by a servicer and depositing the same into the collection account especially considering that some of the collections may be in the form of cash. In this interim period, collections from the Loan Agreements may not be segregated from other funds of the servicer. If the servicer fails to remit such funds due to investors, the investors may be exposed to a potential loss.

Risks due to possible prepayments and Charge Offs

In the event of prepayments, investors may be exposed to changes in tenor and yield. Also, any Charge Offs would result in the reduction in the tenor of the Pass Through Certificates (PTCs).

Bankruptcy of the Swap Bank

If the Swap Bank, becomes subject to bankruptcy proceedings then an Investor could experience losses or delays in the payments due under the Interest Rate Swap Agreement.

Techniques Risk:

The Scheme may use techniques (including derivatives, futures and options, warrants, etc.) and instruments that may be permitted and/or that may become permissible under SEBI/RBI Regulations and/or Regulations and/or statutory modification or re-enactment thereof for efficient portfolio management and to attempt to hedge or reduce the risk of such fluctuation. However, these techniques and instruments, if imperfectly used, have the risk of the scheme incurring losses due to mismatches particularly in a volatile market. The Fund's ability to use these techniques may be limited by market conditions, regulatory limits and tax considerations (if any). The use of these techniques is dependent on the ability to predict movements in the prices of securities being hedged and movements in interest rates. There exists an imperfect correlation between the hedging instruments and the securities or market sectors being hedged. Besides, the fact that skills needed to use these instruments are different from those needed

to select the Fund's/Scheme's securities. There is a possible absence of a liquid market for any particular instrument at any particular time even though the futures and options may be bought and sold on an organized stock exchange. The use of these techniques involves possible impediments to effective portfolio management or the ability to meet repurchase/redemption requests or other short-term obligations because of the percentage of the Scheme's assets segregated to cover its obligations.

Liquidity and Settlement Risks:

The liquidity of the Scheme's investments may be inherently restricted by trading volumes, transfer procedures and settlement periods. From time to time, the Scheme will invest in certain securities of certain companies, industries, sectors etc. based on certain investment parameters as adopted internally by AMC. While at all times the Trustees and the AMC will endeavor that excessive holding/investment in certain securities of industries, sectors, etc. by the Scheme be avoided, the assets invested by the Scheme in certain securities of industries, sectors, etc. may acquire a substantial portion of the Scheme's investment portfolio and collectively may constitute a risk associated with non-diversification and thus could affect the value of investments. The Scheme may have difficulty in disposing of certain securities because the security may be unlisted, due to greater price fluctuations there may be a thin trading market, different settlement periods and transfer procedures for a particular security at any given time. Settlement, if accomplished through physical delivery of stock certificates, is labour and paper intensive and may affect the liquidity. It should be noted that the Fund bears the risk of purchasing fraudulent or tainted papers. The secondary market for money market/debt securities does exist, but is generally not as liquid as the secondary market for other securities. Reduced liquidity in the secondary market may have an adverse impact on market price and the Scheme's ability to dispose of particular securities, when necessary, to meet the Scheme's liquidity needs or in response to a specific economic event, such as the deterioration in the creditworthiness of the issuer, etc. or during restructuring of the Scheme's investment portfolio. Furthermore, from time to time, the AMC, the Custodian, the Registrar, any Associate, any distributor, dealer, any company, corporate body, trust, any scheme/Mutual Fund managed by the AMC or by any other AMC may invest in the Scheme. While at all times the Trustees and the AMC will endeavor that excessive holding of Units in the Scheme among a few unit holders is avoided, however, the amounts invested by these aforesaid persons may acquire a substantial portion of the Scheme's outstanding Units and collectively may constitute a majority unit holder in the Scheme. Accordingly, redemption of Units held by such persons may have an adverse impact on the value of the redemption and may impact the ability of the unit holders to redeem their respective Units.

Risk Management framework to mitigate liquidity risk is summarised as below:

- a. **Diversified portfolio** – The portfolio held is well diversified in terms of issuer, group and sector, in line with regulatory guidelines and internal Risk Metrics.
- b. **Potential Risk Class** – Defines the maximum potential risk a fund may take based on the credit rating and duration of the debt securities
- c. **Liquid assets** – Based on the profile of the investors and concentration of distributors, the following type of liquid assets are maintained to address potential Liquidity requirement over a 30-day period.
 - i. Liquid assets to address 95 percentile Redemption at Risk (maintained in the form of Cash, Government Securities, T-bills and Repo on Government Securities).
 - ii. Liquid assets to address 95 percentile Conditional Redemption at Risk (maintained in the form of above assets and highest rated debt securities).
- d. **Asset Liability Management** – ALM to address potential Liquidity requirement over a 90-day period, based on the putative liabilities visà-vis secondary market liquidity of the portfolio.
- e. **Borrowing** – A fund may borrow up to 20% of AUM (or such higher limits as may be allowed by the regulator from time to time) to meet redemption requirements.
- f. **Stress testing** – Addresses the asset side risk from an interest Rate, Credit and Liquidity Risk perspective at an aggregate portfolio level in terms of its impact on NAV. This helps in raising timely alerts to take necessary action to address the situation.
- g. **Swing Pricing** – The swing pricing framework ensures that the impact cost of high redemption is passed on the investors exiting the scheme, while incoming investors in such time benefit due to lower NAV.

C. Risk Mitigation Strategies:

Risk management is an integral part of the investment process. The AMC incorporates adequate safeguards for controlling risks in the portfolio construction process, which would be periodically evaluated. Online monitoring of various exposure limits are done by the Front Office System. The system incorporates all the investment restrictions as per SEBI guidelines and 'soft' warning alerts at appropriate levels for pre-emptive monitoring. The system also enables identifying & measuring the risk through various risk measurement tools and analyzes the same so as to act in a preventive manner. In addition to minimize the major risks for equity & debt schemes, the following steps are taken

Credit Risk – Risk of investing in unsustainable / weak companies

- In depth credit evaluation of the money market and debt instruments (other than GSecs) proposed to be invested in.
- Issuer wise and Industry wise exposure limits.
- Independent rating of scheme portfolio by recognized rating agency.
- Defining the minimum rating grades at portfolio level.

Interest Rate Risk –

- Risk of bond prices falling as a result of rise in interest rates.
- Active duration management.
- Cap on Average Portfolio maturity depending upon the scheme objective and Strategy.
- Portfolio exposure spread over various maturities depending on the mandates of the respective schemes.

Liquidity Risk

- High impact cost at the time of buying/selling
- Focus on good quality paper having good liquidity in the market at the time of portfolio construction.
- Asset-Liability management

The scheme may also use derivatives and other hedging instruments, as permitted, from time to time, in order to protect the value of the portfolio.

II. Information about the scheme:

A. Where will the scheme invest:?

Detailed description of the instruments (including overview of debt markets in India) mentioned in Section I

B. What are the investment restrictions?

The investment policies of the mutual fund comply with the rules, regulations and guidelines laid out in the SEBI Regulations. As per the Regulations, specifically the Seventh Schedule, the following investment limitations will be applicable to the Scheme.

1. A mutual fund scheme shall not invest more than 10% of its NAV in debt instruments comprising money market instruments and nonmoney market instruments issued by a single issuer which are rated not below investment grade by a credit rating agency authorised to carry out such activity under the Act. Such investment limit may be extended to 12% of the NAV of the scheme with the prior approval of the Board of Trustees and Board of Directors of the asset management company:

Provided that such limit shall not be applicable for investments in Government Securities, treasury bills and triparty repo on Government securities or treasury bills.

Provided further that investments within such limit can be made in mortgaged backed securitised debt which are rated not below investment grade by a credit rating agency registered with the Board:

Provided further that such limit shall not be applicable for investments in case of debt exchange the Board may specify traded funds or such other funds as from time to time.

A mutual fund scheme shall not invest more than

- a. 10% of its NAV in debt and money market securities rated AAA; or
- b. 8% of its NAV in debt and money market securities rated AA; or
- c. 6% of its NAV in debt and money market securities rated A and below issued by a single issuer.

The above investment limits may be extended by upto 2% of the NAV of the Scheme with prior approval of the Board of Trustees and Board of Directors of the AMC, subject to compliance with the overall 12% limit specified in clause 1 of Seventh Schedule of Mutual Fund Regulation.

2. The Scheme shall not invest in unlisted debt instruments including commercial papers, except Government Securities and other money market instruments:

Provided that the scheme may invest in unlisted non-convertible debentures up to a maximum of 10% of the debt portfolio of the scheme subject to such conditions as may be specified by the Board from time to time:

Provided further that the Scheme shall comply with the norms under this clause within the time and in the manner as may be specified by the Board:

Provided further that the norms for investments by the Scheme in unrated debt instruments shall be specified by the Board from time to time.

3. Mutual Funds/AMCs shall ensure that total exposure of debt schemes of mutual funds in a group (excluding investments in securities issued by Public Sector Units, Public Financial Institutions and Public Sector Banks) shall not exceed 20% of the net assets of the scheme. Such investment limit may be extended to 25% of the net assets of the scheme with the

prior approval of the Board of Trustees.

The investments by the scheme in debt and money market instruments of group companies of both the sponsor and the asset management company shall not exceed 10% of the net assets of the scheme. Such investment limit may be extended to 15% of the net assets of the scheme with the prior approval of the Board of Trustees.

For this purpose, a group means a group as defined under regulation 2 (mm) of SEBI (Mutual Funds) Regulations, 1996 (Regulations) and shall include an entity, its subsidiaries, fellow subsidiaries, its holding company and its associates.

4. Transfers of investments from one scheme to another scheme in the same mutual fund shall be allowed only if,—
 - such transfers are done at the prevailing market price for quoted instruments on spot basis. Explanation. —“Spot basis” shall have same meaning as specified by stock exchange for spot transactions;
 - the securities so transferred shall be in conformity with the investment objective of the scheme to which such transfer has been made.
5. A scheme may invest in another scheme under the same asset management company or any other mutual fund without charging any fees, provided that aggregate interscheme investment made by all schemes under the same management or in schemes under the management of any other asset management company shall not exceed 5% of the net asset value of the mutual fund. Provided that this clause shall not apply to any fund of funds scheme.
6. Every mutual fund shall buy and sell securities on the basis of deliveries and shall in all cases of purchases, take delivery of relevant securities and in all cases of sale, deliver the securities:

Provided that a mutual fund may engage in short selling of securities in accordance with the framework relating to short selling and securities lending and borrowing specified by the Board:

Provided further that a mutual fund may enter into derivatives transactions in a recognized stock exchange, subject to the framework specified by the Board.

Provided further that sale of government security already contracted for purchase shall be permitted in accordance with the guidelines issued by the Reserve Bank of India in this regard.
7. Every mutual fund shall get the securities purchased or transferred in the name of the mutual fund on account of the concerned scheme, wherever investments are intended to be of long-term nature.
8. Pending deployment of funds of a scheme in terms of investment objectives of the scheme, a mutual fund may invest them in short term deposits of schedule commercial banks, subject to such Guidelines as may be specified by the Board.
9. No mutual fund [scheme] shall make any investment in,—
 - any unlisted security of an associate or group company of the sponsor; or
 - any security issued by way of private placement by an associate or group company of the sponsor; or
 - the listed securities of group companies of the sponsor which is in excess of 25 per cent of the net assets.

Pursuant to Para-no 12.9 of Master Circular, total exposure of debt schemes of mutual funds in a particular sector (excluding investments in Bank CDs, TREPS, G-Secs, TBills, short term deposits of scheduled commercial banks and AAA rated securities issued by Public Financial Institutions and Public Sector Banks) shall not exceed 20% of the net assets of the Scheme;

Provided that an additional exposure to financial services sector (over and above the limit of 20%) not exceeding 10% of the net assets of the Scheme shall be allowed only by way of increase in exposure to Housing Finance Companies (HFCs);.

Further, an additional exposure of 5% of the net assets of the scheme shall be allowed for investments in securitized debt instruments based on retail housing loan portfolio and/or affordable housing loan portfolio.

Provided further that the additional exposure to such securities issued by HFCs are rated AA and above and these HFCs are registered with National Housing Bank (NHB) and the total investment/exposure in HFCs shall not exceed 20% of the net assets of the Scheme.

10. No scheme of a mutual fund shall make any investment in any fund of funds scheme.
11. The Mutual Fund having an aggregate of securities which are worth Rs.10 crores or more, as on the latest balance sheet date, shall subject to such instructions as may be issued from time to time by SEBI, settle their transactions entered on or after January 15, 1998 only through dematerialised securities. Further, all transactions in government securities shall be in dematerialised form.

The Scheme will comply with SEBI regulations and any other Regulations applicable to the investments of Funds from time to time.

The Trustee may alter the above restrictions from time to time to the extent that changes in the Regulations may allow. All investment restrictions shall be applicable at the time of making investment.
12. All investments in unlisted NCDs shall be made not exceeding 10% of the debt portfolio of the Scheme subject to the condition that such unlisted NCDs have a simple structure (i.e. with fixed and uniform coupon, fixed maturity period,

without any options, fully paid up upfront, without any credit enhancements or structured obligations) and are rated and secured with coupon payment frequency on monthly basis.

13. Investment by the Scheme in Commercial Papers would be made only in Commercial Papers which are listed or to be listed.
14. Investment in unrated debt and money market instruments, other than government securities, treasury bills, derivative products such as Interest Rate Swaps (IRS), Interest Rate Futures (IRF), etc. by the scheme shall be subject to the following:
 - i. Investments should only be made in such instruments, including bills rediscounting, usance bills, etc., that are generally not rated and for which separate investment norms or limits are not provided in SEBI (Mutual Fund) Regulations, 1996 and various circulars issued thereunder.
 - ii. Exposure of the scheme in such instruments, shall not exceed 5% of the net assets of the scheme.
 - iii. All such investments shall be made with the prior approval of the Board of AMC and the Board of Trustees. The Fund can invest in securities that are rated by CRISIL and ICRA and other independent credit rating agencies. All investment restrictions shall be applicable at the time of making investments.

Apart from the Investment Restrictions prescribed under the SEBI (MF) Regulations, there are internal risk parameters for limiting exposure in the interest of Unitholders. Such parameters are prescribed from time to time to respond to the dynamic market conditions and market opportunities.

C. Fundamental Attributes

Following are the Fundamental Attributes of the scheme, in terms of Clause 1.14 of SEBI Master Circular.

(i) Type of a scheme

An open ended medium term debt scheme investing in instruments such that the Macaulay duration# of the portfolio is between 4 years to 7 years. A relatively high interest rate risk and moderate credit risk.

Please refer to the page number 09 of this Document on which the concept of Macaulay's Duration has been explained.

(ii) Investment Objective

- o **Main Objective** - To generate stable long term returns with low risk strategy and capital appreciation/accretion through investment in debt instruments and related securities besides preservation of capital.

Investors are required to read all the scheme related information set out in the offer documents carefully and also note that there can be no assurance that the investment objectives of the scheme will be realized. The scheme does not guarantee/ indicate any returns.

- o **Investment pattern** - Kindly refer section I Part II "How will the Scheme Allocate its Assets"

(iii) Terms of Issue

- o Liquidity provisions such as listing, repurchase, redemption - Kindly refer Other Scheme Specific Disclosure"
- o Aggregate fees and expenses charged to the scheme - Kindly refer "Annual Scheme Recurring Expense".
- o Any safety net or guarantee provided - No guarantee has been provided

In accordance with Regulation 18(15A) of the SEBI (MF) Regulations and Clause 1.14.1.4 of SEBI Master Circular the Trustees shall ensure that no change in the fundamental attributes of the Scheme(s) and the Plan(s) / Option(s) thereunder or the trust or fee and expenses payable or any other change which would modify the Scheme(s) and the Plan(s) / Option(s) thereunder and affect the interests of Unitholders is carried out unless:

- SEBI has reviewed and provided its comments on the proposal
- A written communication about the proposed change is sent to each Unitholder and an advertisement is given in one English daily newspaper having nationwide circulation as well as in a newspaper published in the language of the region where the Head Office of the Mutual Fund is situated; and
- The Unitholders are given an option for a period of atleast 30 calendar days to exit at the prevailing Net Asset Value without any exit load.

D. Other Scheme Specific Disclosures:

Listing and transfer of units	At present, the Units of the Scheme are not proposed to be listed on any stock exchange. However, the AMC / Trustee may at their sole discretion list the Units under the Scheme on one or more stock exchanges at a later date.
Dematerialization of units	The existing units held in physical form can also be dematerialized by the Unitholders. In such a case, the investor is required to approach his DP and make a request in DRF (Dematerialization Request Form) in triplicate along with the Statement of Account for the units. The DP will acknowledge the DRF by returning one copy and will forward the other one to the RTA for dematerialization of units.
Minimum Target amount (This is the minimum amount required to operate the scheme and if this is not collected during the NFO period, then all the investors would be refunded the amount invested without any return.)	Not Applicable.
Maximum Amount to be raised (if any)	Not Applicable. The AMC reserves the right to specify maximum amount to be raised, at the time of New Fund Offer.
Dividend Policy (IDCW)	The Scheme will declare IDCW at a daily frequency, subject to availability of distributable surplus. IDCW declared on daily basis will be compulsorily with payout option in the Scheme. Payout will be done on weekly basis. The Income Distribution Cum Capital Withdrawal warrants shall be dispatched to the unitholders within 7 Working days of the Record Date. The IDCW will be paid to only those Unitholders whose names appear on the register of Unitholders of the Scheme / Option at the close of the business hours on the record date. Pursuant to 11.4 of SEBI Master Circular, The Fund is required to dispatch IDCW payments within seven working days from the record date. In case the AMC fails to dispatch the IDCW payments within the stipulated time of seven working days, it shall be liable to pay interest to the unit holders at 15% p.a. or such other rate as may be prescribed by SEBI from time to time. On payment of Income Distribution Cum Capital Withdrawal, the NAV will stand reduced by the amount of Income Distribution Cum Capital Withdrawal and statutory levies paid if any. Investors may like to note that the amounts can be distributed as Income Distribution Cum Capital Withdrawal out of investors capital (Equalization Reserve), which is part of the sale price that represents realized gains. Exchange Platforms: If the sub - option of Payout of Income Distribution cum Capital Withdrawal Option is chosen and the Income Distribution Cum Capital Withdrawal amount is less than Rs. 100, then the Income Distribution Cum Capital Withdrawal shall not be reinvested but will be paid out to the respective investors.
Allotment procedure) (Detailed)	An investor who purchases Units through a broker/ clearing member will receive Units in his/her/its account through his/her/its broker / clearing member's pool account. The AMC will credit the Units to the broker / clearing member's pool account, and they in turn will credit the Units to the investor's account. Credit of Units to the broker / clearing member's pool account by the AMC/its RTA shall discharge the AMC/its RTA of their obligation of allotment of Units to the investor. In case of purchase transactions, where there is a mismatch in the amounts on the Transaction Slip /Application Form and the payment instrument / credit received, the AMC may at its discretion allot the units for the lesser of the two amounts and refund / utilize the excess, if any, for any other transaction submitted by the same investor, subject to the fulfillment of other regulatory requirements for the fresh transaction. Pursuant to Association of Mutual Funds in India (AMFI) Best Practice Guidelines Circular No. 48/2014-15 dated June 24, 2014, the investors are hereby informed that in case of fresh/additional purchases, if the name of the Scheme on the application form/transaction slip differs from the name on the Cheque/Demand Draft (payment instrument), then JM Financial Asset Management Limited (the "AMC") shall process the application and allot units at the applicable Net Asset Value of the Scheme

	mentioned in the application form/transaction slip duly signed by the investor, given that the same constitutes a valid legal document between the investor and the AMC. The AMC reserves the right to call for other additional documents as may be required, for processing such transactions. The AMC also reserves the right to reject such transactions. The AMC, thereafter, shall not be responsible for any loss suffered by the investor due to the discrepancy in the Scheme name mentioned in the application form/transaction slip and Cheque / Demand Draft.
Who can invest This is an indicative list and investors shall consult their financial advisor to ascertain whether the scheme is suitable to their risk profile.	• The following persons (subject to, wherever relevant, purchase of units of funds being permitted under respective constitutions, and relevant statutory regulations) are eligible and may apply for subscription to the Units of the Scheme. • Resident adult individuals, either singly or jointly (not exceeding three). • Parents/Lawful Guardian on behalf of Minors. • Hindu Undivided Family (HUF), in the name of Karta. • Companies/Bodies Corporate/Public Sector Undertakings, association of persons or bodies of individuals whether incorporated or not and societies registered under the Societies Registration Act, 1860 (so long as the purchase of units is permitted under the respective constitutions), Co- Operative Societies registered under the Co-Operative Societies Act, 1912, One Person Company. • Religious and Charitable Trusts, Wakfs or endowments of private trusts (subject to receipt of necessary approvals as required) under the provisions of 11(5) of Income Tax Act, 1961 read with 1 7C of the Income Tax Rules, 1962 (subject to receipt of necessary approvals as "Public Securities", where required. • Trustee of private trusts authorized to invest in mutual fund scheme under the Trust Deed. • Partnership Firms & Limited Liability Partnerships (LLPs) in the name of the Firm or in the name of the partner authorised to invest as per the partnership deed or as per the consent letter signed by remaining partners of the Firm. • Proprietorship firm in the name of the proprietor. • Banks (including Co-operative Banks and Regional Rural Banks) and Financial Institutions and Investment Institutions. • NRIs/ persons of Indian origin residing abroad on full repatriation basis (subject to RBI approval, if any) or non-repatriation basis. Presently OCBs are not permitted to invest in mutual funds pursuant to RBI A.P.(DIR Series) Circular No. 14 dated September 16,2003. • Army/Air Force/Navy and other Para Military units and other eligible institutions. • Scientific and/or industrial research organisations. • International Multilateral Agencies approved by Government of India. • Non- Government Provident/Pension/Gratuity funds as and when permitted to invest. • Others who are permitted to invest in the Scheme as per their respective constitutions. • Mutual Funds/Alternative Investment Funds registered with SEBI. • Overseas Citizen of India (OCI) on repatriation basis or on non-repatriation basis. • Foreign Portfolio Investors (FPI) registered with SEBI on repatriation basis. • Multilateral Financial Institutions/Bilateral Development Corporation Agencies/Bodies Corporate incorporated outside India with the permission of Government of India/ Reserve Bank of India. • Such other category of investors as may be decided by the AMC from time to time in conformity with the applicable laws and SEBI (MF) Regulations. Note: 1. The AMC may reject any application received in case the application is found invalid/ incomplete or for any other reason in the AMC's sole discretion, subject to the Regulations. 2. Any scheme of JM Financial Mutual Fund or of any other Mutual Fund managed by any other AMC, including a Fund of Fund (subject to the conditions and limits prescribed in Regulations and/or by the Trustee, AMC or Sponsor) may subscribe to the units under the Scheme. The AMC/Trustee/Fund /Sponsor may subject to the limits prescribed by SEBI subscribe to units of this Scheme.

	3. The AMC will not be entitled to charge any fees on investments made by the AMC. 4. The AMC may accept an application from an unincorporated body of persons/ trusts. The AMC may also periodically add and review the persons eligible for making application for purchase of units under the Scheme. If a person who is a resident Indian at the time of subscription becomes a resident outside India subsequently, he/she shall have the option to either be paid repurchase value of Units, or continue into the Scheme if he/she so desires and is otherwise eligible. 5. Notwithstanding the aforesaid, the AMC reserves the right to close the unitholder account and to pay the repurchase value of Units, subsequent to his becoming a person resident outside India, should the reasons of cost, interest of other unitholders and any other circumstances make it necessary for the Fund to do so. 6. Investment in units of Mutual Funds in the name of minor through guardian will be in line with the SEBI Circular SEBI/HO/IMD/POD-II/CIR/P/2023/0069 dated May 12, 2023.
Who cannot invest	a) Any individual who is a foreign national or any other entity that is not an Indian resident under the Foreign Exchange Management Act, 1999, except where registered with SEBI as a FPI or FPI sub-account or except for NRIs or PIOs (who are not residents of the United States of America and Canada), unless such foreign national or other entity that is not an Indian resident has procured the relevant regulatory approvals from the Foreign Investment Promotion Board and / or the RBI, as applicable in the sole discretion and to the sole satisfaction of the AMC. b) Overseas Corporate Bodies ("OCBs"), i.e. firms and societies which are held directly or indirectly but ultimately to the extent of at least 60% by NRIs and trusts in which at least 60% of the beneficial interest is similarly held irrevocably by such persons without the prior approval of the RBI. c) NRIs and PIOs who are resident of the United States of America and Canada. d) NRIs residing in Non-Compliant Countries and Territories ("NCCTs") as determined by the Financial Action Task Force ("FATF"), from time to time. e) Any individual or entity subject to U.S. sanctions (OFAC) or other sanctions or persons resident in countries which are subject to U.S. sanctions (OFAC) or other sanctions. f) Any other person determined by the AMC or the Trustee as not being eligible to invest in the Scheme. The AMC reserves the right to include/exclude new/existing categories of investors to invest in the Scheme from time to time, subject to SEBI Regulations & other prevailing statutory regulations, if any.
How to Apply and other details	1. Details regarding availability of application form from either the Investor Service Centers (ISCs)/Official Points of Acceptance(OPAs) of AMC or may be downloaded from the website of AMC (i.e https://www.jmfinancialmf.com/Reach-Us) Please refer to the SAI and Application form for the instructions. 2. Where can you submit the filled up applications Offices of JM Financial Asset Management Company Ltd. or designated ISCs (Investor Service Centers) of RTA (Registrar and Transfer Agent) i.e. M/s. KFin Technologies Limited. Registrar & Transfer Agent M/s. KFin Technologies Limited, Karvy Selenium Tower B, Plot No 31 & 32, First Floor, Gachibowli, Financial District, Nanakramguda, Serilingampally, Hyderabad – 500 032. Tele :- 040 – 67161500 -Email :- service_jmf@kfintech.com, Website:- www.kfintech.com The duly completed application form can also be submitted at the official points of acceptance of the Registrar/branches of AMC. The details of the official points of acceptance and branches of AMC are available on website of the AMC i.e. https://www.jmfinancialmf.com/Reach-Us As per the directives issued by SEBI it is mandatory for an investor to declare his/her bank account number. To safeguard the interest of Unitholders from loss or theft of their refund orders/redemption cheques, investors are requested to provide their bank details in the Application Form. The Bank Account details as mentioned with the

	Depository should be mentioned. If depository account details furnished in the application form are invalid or not confirmed in the depository system, the application may be rejected.
The policy regarding reissue of repurchased units, including the maximum extent, the manner of reissue, the entity (the scheme or the AMC) involved in the same.	Not Applicable
Restrictions, if any, on the right to freely retain or dispose of units being offered.	A. Non – acceptance of subscriptions: The U.S. Securities and Exchange Commission (SEC) requires that a person falling under the definition of the term 'US Person' under the Securities Act of 1933 of U.S.A (an 'Act') and corporations or other entities organized under the U.S. laws shall not be permitted to make investments in securities not registered under the Act. Also, the Canadian Securities Administrator (CSA) mandates prior registration of the fund with CSA before marketing or selling to the residents of Canada. The investors are hereby informed that none of the Scheme of JM Financial Mutual Fund (the "Fund") is presently registered under the relevant laws, as applicable in the territorial jurisdiction of U.S. or in any provincial or territorial jurisdiction of Canada. Hence, the units made available under the SAI or SID of all the Scheme may not be directly or indirectly be offered for sale in any of the provincial or territorial jurisdiction in U.S. and/or Canada or to/ or for the benefits of the residents thereof. Accordingly, the persons, corporations and other entities organized under the applicable laws of the U.S. including Qualified Foreign Investors (QFI) registered in USA and Canada and residents of Canada as defined under the applicable laws of Canada will not be permitted to make any fresh purchases/ additional purchases/ switches in the Scheme in any manner whatsoever. The above classes of investors are requested to note the following: No fresh purchases (including Systematic Investment Plans and Systematic Transfer Plans)/ additional purchases/switches in any Scheme of the Fund would be allowed. However, existing Unit Holder(s) will be allowed to redeem their units from the Schemes of the Fund. If an existing Unit Holder(s) subsequently becomes a U.S. Person or Resident of Canada, then such Unit Holder(s) will not be able to purchase any additional Units in any of the Scheme of the Fund. For transaction on Stock Exchange platform, while transferring units from the broker account to investor account, if the investor has U.S./Canadian address then the transactions would be rejected. In case JM Financial Asset Management Limited (JMF AMC)/JM Financial Mutual Fund subsequently identifies that the subscription amount is received from U.S. Person(s) or Resident(s) of Canada, the AMC/Fund at its discretion shall redeem all the units held by such person from the Scheme of the Fund at applicable Net Asset Value. B. Restriction on redemption in Mutual Funds: Pursuant to para-No. 1.2 of SEBI Master Circular , provision of restriction on redemption under any scheme of the mutual fund could be made only after the approval from the Board of Directors of the Asset Management Company (AMC) and the Trustees. Pursuant to para-No 1.12 of Master Circular, has laid down the criteria and the conditions in case AMC wishes to impose restrictions on redemptions. Vide the said circular, SEBI has advised that: 1) Restriction may be imposed when there are circumstances leading to a systemic crisis or event that severely constricts market liquidity or the efficient functioning of markets such as: i. Liquidity issues ii. Market failures, exchange closures and/or iii Operational issues 2) Restriction on redemption may be imposed for a specified period of time not exceeding 10 working days in any 90 days period. If restriction on redemption is imposed by JMF AMC anytime in future, JMF AMC, in addition to the above requirements, will ensure the following: Redemption requests upto Rs. 2 lakh shall not be subject to such restriction.

	Where redemption requests are above Rs. 2 lakh, JMF AMC shall redeem the first Rs. 2 lakh without such restriction and remaining part over and above Rs. 2 lakh, shall be subject to restriction, as may be imposed. C. Transfer of Units Units shall be freely transferable. In case, the units are with the depository held in Demat mode, such units will be transferable in accordance with the provisions of the Securities and Exchange Board of India (Depositories and Participants) Regulations, 1996. Pursuant to para no 14.4.4 of SEBI Master Circular dated August 18, 2010, units under the Scheme are freely transferable from one demat account to another demat account. In case, a person becomes a holder of Units by operation of law or upon enforcement/invocation of pledge, the AMC shall, subject to production of such satisfactory evidence and submission of such documents by the transferee, proceed to effect the transfer, if the intended transferee is otherwise eligible to hold the Units of the Scheme concerned. In case of physical mode of holding, the asset management company shall, on production of instrument of transfer together with relevant statement of accounts, register the transfer and return the statement of accounts to the transferee within thirty days from the date of such production. D. Transfer of units held in SOA (Statement of Account) mode Individual unitholders falling under the following three categories shall be provided the facility: - Surviving joint unitholder, who wants to add new joint holder(s) in the folio upon demise of one or more joint unitholder(s). - A nominee of a deceased unitholder, who wants to transfer the units to the legal heirs of the deceased unitholder, post the transmission of units in the name of the nominee. - A minor unitholder who has turned a major and has changed his/her status from minor to major, wants to add the name of the parent / guardian, sibling, spouse etc. in the folio as joint holder(s). iv. Resident/non-resident Individual ("NRI") category. Partial transfer of units held in a folio will be allowed. However, if the balance units in the transferor's folio falls below specified threshold / minimum number of units as specified in the SID, if any, such residual units shall be compulsorily redeemed, and the redemption amount will be paid to the transferor. For complete details, kindly refer SAI. E. Pledge or Hypothecation of Units Units under the Scheme may be offered as security by way of a pledge / charge in favour of scheduled banks, financial institutions, non-banking finance companies (NBFCs) or at the discretion of the AMC. The AMC and / or the Registrar will note and record the pledge of Units. The AMC shall mark a lien only upon receiving the duly completed form and documents, as it may require. Disbursement of the loans will be at the entire discretion of the bank / financial institution / NBFC etc and the Fund/AMC assumes no responsibility for that. The Pledgor will not be able to redeem Units that are pledged until the entity to which the Units are pledged provides a written authorization to the Mutual Fund that the pledge / lien charge may be removed. As long as the Units are pledged, the Pledgee will have complete authority to redeem such Units with or without Income Distribution Cum Capital Withdrawal /reinvested units thereon as per the arrangements between the pledger and pledgee.
Cut off timing for subscriptions/ redemptions/ switches This is the time before which your application (complete in all respects) should reach the official points of acceptance.	Applicable Net Asset Value (NAV) for Purchase/ Switch-in, Installments under Systematic Investment Plan (SIP), and Systematic Transfer Plan (STP) irrespective of application amount across all the schemes of JM Financial Mutual Fund, the following provisions are effective: Where the application is received and time stamped upto the cut-off time of 3.00 p.m. on a business day at the official point of acceptance and funds for the entire amount of subscription/purchase/SIP/ STP installments are available for utilization upto 3.00 p.m. on the same Business Day, NAV of the same Business Day shall be applicable. Where the application is received and time stamped upto the cut-off time of 3.00 p.m. on a business day at the official point of acceptance and funds for the entire amount of subscription/purchase/ SIP/STP are available for utilization after 3.00 p.m. on the

same Business Day or on any subsequent Business day, NAV of such subsequent Business Day on which the Funds are available for utilization prior to 3.00 p.m. shall be applicable.

Where the application is received and time stamped after the cut off time of 3.00 p.m. on a business day at the official point of acceptance and funds for the entire amount of subscription/purchase/SIP/STP installments are available for utilization upto 3.00 p.m. on the same Business Day, NAV of the subsequent Business Day shall be applicable.

Redemption/ Switch out request can be submitted to the official point of acceptance on any business day till the cut off time as stipulated and revised by the SEBI from time to time which is currently 3.00 p.m. (IST). In respect of valid applications received up to 3.00 p.m. (IST) by the Fund, same day's closing NAV shall be applicable. In respect of valid applications received after 3.00 p.m. (IST) by the Fund, the closing NAV of the next business day shall be applicable.

SIP/STP/Switch-in Transactions

The NAV for SIP & STP instalments will be allotted based on the credit of funds into the Scheme's account for the respective instalments before the cut off time i.e. 3.00 p.m. irrespective of the SIP/ STP instalments' due dates opted by the investors as the same will only be meant for the purpose of initiating the SIP/STP transactions.

The NAVs for Switch-in transactions will be based on transfer of funds into the Bank Account of the target Scheme as per the redemption pay-out service standards of the switch-out scheme subject to the time stamping of the switch transactions upto the cut-off timings of 3.00 p.m.

For faster realisation of the funds, the investors are requested to use electronic modes of payments.

It is clarified that the cut off timings will also be applicable to investments made through "sweep" mode.

Transactions through online facilities / electronic modes:

The time of transaction done through various online facilities / electronic modes offered by the Online Channel Partners of the AMC, for the purpose of determining the applicability of NAV, would be the time when the request for purchase / sale / switch of units is received in the servers of AMC/RTA.

In case of transactions through Online facilities / electronic modes, there may be a time lag of few days between the amount of subscription being debited to investor's bank account and the subsequent credit into the respective Scheme's bank account. This lag may impact the applicability of NAV for transactions where NAV is to be applied, based on actual realization/receipt of funds by the Scheme. Under no circumstances will JMF AMC or its bankers or its service providers be liable for any lag / delay in realization of funds and consequent pricing of units.

The AMC has the right to amend cut off timings of transactions received through online channels within the cut off time stipulated by SEBI (MF) Regulations for the smooth and efficient functioning of the Scheme.

Exchange Platforms & MFU:

The cut – off timing and applicability of Net Asset Value (NAV) shall be subject to the guidelines issued by SEBI in this regard from time to time. With respect to investors who transact through Stock Exchange Platforms (i.e. BSE/NSE or MFU), the applicable NAV shall be reckoned on the basis of the time stamping as evidenced by confirmation slip given by Stock Exchange/MFU mechanism, and subject to receipt of funds by the AMC/ Fund before the cut – off time of the Scheme for purchase transactions. These platforms are authorized Point of Acceptance for the limited purpose of time-stamping the transactions.

Illustration of the calculation of sale and repurchase price of the units of the Mutual Fund:

If the applicable NAV is Rs. 10 and the exit load is 1%, then the redemption price will be: $Rs. 10 \times (1 - 0.01) = Rs. 9.9000$.

Investors who hold units in demat form and wish to redeem their units, kindly refer to the redemption procedure set out in the SID.

OTM (One Time Mandate) Facility:

The AMC, for facilitating better customer Service, has also added the Facility of OTM as an additional payment mode. This facility enables the investors to register a one-

	time mandate. Whereby an Investor can instruct JM Financial Mutual Fund to honour investment instructions i.e. investments either through lump sum, additional investments or through SIP in any scheme of JMMF. This facility is offered under all schemes of JM Financial Mutual Fund. For further details of OTM (One Time Mandate) Facility, kindly refer to the details mentioned in the Statement of Additional Information (SAI). F. Facility of Acceptance of financial transactions through email in respect of non-individual investors; Under this facility, non-individual investors can submit transactions to a designated email id of JM Financial Mutual Fund which is Jmbo@jmfl.com ("Designated Email ID"). For complete details, kindly refer SAI.
Minimum amount for purchase/redemption/switches (mention the provisions for ETFs, as may be applicable, for direct subscription/redemption with AMC.	The table on minimum investment amounts for the Scheme under this Scheme Information Document is set out elsewhere in the document. Minimum amount of Rs. 1,000/- per Plan / Option / Sub-Option and in multiples of Rs. 1 thereafter. in case of first time investments. For ongoing investments in the same scheme in an existing folio, the investment would be Rs. 100/- and in multiples of Rs. 1 thereafter. However, there is no upper limit for investment. The minimum investment is applicable at the respective Plans /Options/ Sub-options level i.e. Growth, Income Distribution Cum Capital Withdrawal (i.e. Income/Distribution) etc. and will be considered at gross level taking into account permissible DD charges, stamp duty etc. as per the current practice. There is no minimum and maximum limit on the amount/units which can be redeemed/switched-out. The investor is free to redeem any or all units outstanding in his/her/their folio. However, in case of switch transaction, during post NFO period, the minimum investment provisions of the switch-in Scheme/Plan i.e. for fresh/additional purchase, shall continue to be applicable. In the event of failure to meet the requirement of switch-in Scheme/Plan, such switch requests will be treated as cancelled/ rejected.
Minimum balance to be maintained and consequences of non-maintenance	There is no minimum balance requirement.
Accounts Statements/ Common Account Statement ("CAS")/ Half Yearly Account Statement	The AMC shall send an allotment confirmation specifying the units allotted by way of email and/or SMS within 5 working days of receipt of valid application/transaction to the Unit holders registered e-mail address and/ or mobile number (whether units are held in demat mode or in account statement form). A Consolidated Account Statement (CAS) detailing all the transactions across all mutual funds (including transaction charges paid to the distributor) and holding at the end of the month shall be sent to the Unit holders in whose folio(s) transaction(s) have taken place during the month by mail or email on or before 15th of the succeeding month. Half-yearly CAS shall be issued at the end of every six months (i.e. September/ March) on or before 21st day of succeeding month, to all investors providing the prescribed details across all schemes of mutual funds and securities held in dematerialized form across demat accounts, if applicable For further details, refer SAI.
Dividend/ IDCW	The payment of dividend/IDCW to the unitholders shall be made within seven working days from the record date.
Redemption/ Repurchase	The redemption or repurchase proceeds shall be dispatched to the unitholders within three working days from the date of redemption or repurchase. For list of exceptional circumstances refer para 14.1.3 of SEBI Master Circular
Bank Mandate	All cheques and bank drafts accompanying the application form should contain the application form number on its reverse. Pursuant to para-No.14.11 and 14.12 of Master Circular it is mandatory for applicants to mention their bank account numbers in their PAN and applications for purchase or redemption of Units. This is to prevent fraudulent encashment of Income Distribution Cum Capital Withdrawal /redemption / refund cheques. The verification procedures for registration of bank mandates will henceforth be applicable at the time of fresh subscription/new folio creation with the Fund i.e. in case

	the fresh subscription cheque does not belong to the bank mandate mentioned in the application form, the AMC shall seek the additional documents and follow the procedures set out in the above mentioned addendum, before registering the bank mandate in the new folio.
Delay in payment of redemption/repurchase proceeds/dividend	The Asset Management Company shall be liable to pay interest to the unitholders at rate as specified vide clause 14.2 of SEBI Master Circular for Mutual Funds by SEBI for the period of such delay.
Unclaimed Redemption and Income Distribution cum Capital Withdrawal Amount	Pursuant to SEBI letter SEBI/HO/IMD/IMD-SEC-2/P/OW/2025/02346/1 dated January 22, 2025, the unclaimed redemption amount and Income Distribution Cum Capital Withdrawal amounts (the funds) shall be transferred to Unclaimed Dividend and Redemption Scheme (UDRS) after 90 days and not beyond 105 days from the date of issuance of the instruments. There shall be separate scheme/plan for unclaimed IDCW and Unclaimed Redemption amount, pending less than 3 years and for more than 3 years. On completion of first 3 years period, the AMC shall transfer such units to UDRS plan (>3 years) within 10 business days of subsequent month. Investors who claim the unclaimed amounts during a period of three years from the due date shall be paid initial unclaimed amount along-with the income earned on its deployment. Investors, who claim these amounts after 3 years, shall be paid initial unclaimed amount along-with the income earned on its deployment till the end of the third year. The amount of income accrued on daily basis on unclaimed amounts beyond three years shall be transferred on a monthly basis (i.e. on or before 10th calendar day of subsequent month) to the investor education scheme/folio. JMF AMC will make a continuous effort to remind the investors through letters/ emails/ other modes to take their unclaimed amounts. The details of such unclaimed redemption/Income Distribution Cum Capital Withdrawal amounts are made available to investors upon them providing proper credentials, on the website of Fund and AMFI along with the information on the process of claiming the unclaimed amount and the necessary forms / documents required for the same. Further, the information on unclaimed amount along-with its prevailing value (based on income earned on deployment of such unclaimed amount), will be separately disclosed to investors through the periodic statement of accounts / Consolidated Account Statement sent to the investors. Further, the investment management fee charged by the AMC for managing the said unclaimed amounts shall not exceed 50 basis points.
Disclosure w.r.t investment by minors	Payment for investment by minor in any mode shall be accepted from the bank account of the minor, parent or legal guardian of the minor, or from a joint account of the minor with parent or legal guardian Irrespective of the source of payment for subscription, all redemption proceeds shall be credited only in the verified bank account of the minor, i.e. the account the minor may hold with the parent/ legal guardian after completing all KYC formalities. The above provisions are in line with the para no 17.6 of SEBI Master circular Mutual Fund will send an intimation to Unit holders advising the minor (on attaining majority) to submit an application form along with prescribed documents to change the status of the account from 'minor' to 'major'. All transactions / standing instructions / systematic transactions etc. will be suspended i.e. the Folio will be frozen for operation by the guardian from the date of beneficiary child completing 18 years of age, till the status of the minor is changed to major. Upon the minor attaining the status of major, the minor whose name the investment was made, shall be required to provide all the KYC details, updated bank account details including cancelled original cheque leaf of the new bank account. No investments (lumpsum/SIP/ switch in/ STP in etc.) in the scheme would be allowed once the minor attains majority i.e. 18 years of age. Email ID & Mobile Number Investors should provide their own email address and mobile number to enable AMC for speed and ease of communication in a convenient and cost-effective manner, and to help prevent fraudulent transactions.

E. Requirement of minimum investors/ investment in the Scheme (Applicability for an open-ended scheme):

The Scheme/ plan (at portfolio level) shall have a minimum of 20 investors and no single investor shall account for more than 25% of the corpus of the Scheme/ Plan(s). In case the Scheme / Plan(s) does not have a minimum of 20 investors in the stipulated period, the provisions of Regulation 39(2)(c) of the SEBI (MF) Regulations would become applicable automatically without any reference from SEBI and accordingly the Scheme / Plan(s) shall be wound up and the units would be redeemed at applicable NAV. For details, kindly refer SAI.

F. Special Considerations, if any

- I. Prospective investors in this Scheme should educate themselves or seek professional advice on:
 - Legal requirements or restrictions relating to the acquisition, holding, disposal, or redemption of Units within their jurisdiction of nationality, residence, ordinary residence and domicile or under the laws of any jurisdiction to which they are subject; and
 - Treatment of capital gains, and other tax consequences relevant to their acquisition, holding or disposal, whether by way of sale or redemption of Units
- II. Prospective investors should study this Scheme Information Document carefully in its entirety and consult their legal, tax and investment advisors to determine possible legal, tax, financial or other considerations of subscribing for, purchasing or holding Units before making a subscription for Units.
- III. Prospective investors should note that all financial investments carry inherent risks and no assurance or guarantee can be given that the objective of the Fund will be fully met. The NAV of the Units issued under this Scheme and the income from them can go up or down depending on the factors and forces affecting the capital markets, debt markets and money markets and the value of the underlying securities/ stocks within India/ abroad.
- IV. Entities managed or sponsored by the associates of the Sponsors may either directly or indirectly invest in a substantial portion of the Scheme. If these entities decide to offer a substantial portion of such investment for repurchase, it may have an adverse impact on the NAV of Units.
- V. Neither this Scheme Information Document nor the Units have been registered in any jurisdiction. The distribution of this Scheme Information Document in certain jurisdictions may be restricted or subject to registration requirements and, accordingly, persons who come into possession of this Scheme Information Document are required to keep themselves abreast of, and to observe, any such restrictions, as may be applicable. This Scheme Information Document does not constitute an offer or solicitation to any person within such jurisdiction. The Fund may compulsorily redeem any units held directly or beneficially in contraventions of these prohibitions. It is the responsibility of the person in possession of this Scheme Information Document and of the person wishing to apply for Units pursuant to this Scheme Information Document to be aware of and to observe, all applicable laws and Regulations of such relevant jurisdiction. Any changes in SEBI/RBI regulations and other applicable laws/regulations could have an effect on such investments and valuation thereof from time to time.
- VI. No person has been authorized to issue any advertisement or to give any information or to make any representations other than that contained in this Scheme Information Document. Circulars in connection with this offering not authorized by JM Financial Mutual Fund and any information or representations not contained herein must not be relied upon as having been authorized by JM Financial Mutual Fund. Prospective investors should not construe the contents hereof as advice relating to legal, taxation or investment matters and are advised to consult their own professional advisors concerning the purchase, holding or disposal of Units under the Scheme.
- VII. Past performance of other Schemes of JM Financial Mutual Fund are not necessarily indicative of the future performance of the Scheme. The Sponsor is not responsible or liable for any loss resulting from the operation of the Scheme beyond the initial contribution made by it of an aggregate amount of Rupees One lac towards setting up of the Fund which has been invested in JM Large Cap Fund (earlier known as JM Equity Fund) and such other accretions and additions to the initial corpus made by the Sponsor.
- VIII. The Trustee, AMC, Fund, their directors or their employees shall not be liable for any of the tax consequences that may arise, in the event that the Scheme is wound up for the reasons and in the manner provided in SAI.
- IX. Redemption by the Unit holder either due to change in the fundamental attributes of the Scheme or due to any other reasons may entail tax consequences. The Trustee, AMC, Fund, their directors or their employees shall not be liable for any such tax consequences that may arise.
- X. Any dispute arising out of the Scheme shall be subject to the non-exclusive jurisdiction of the Courts in India. Statements in this SID are, except where otherwise stated, based on the law, practice currently in force in India and are subject to changes therein.
- XI. Investors are advised to rely upon only such information and/or representations as contained in this SID. Any subscription or redemption made by any person on the basis of statements or representations which are not contained in this SID or which are inconsistent with the information contained herein shall be solely at the risk of the Investor. The Investor is required to confirm the credentials of the individual/ firm he/she is entrusting his/her application form alongwith payment instructions for any transaction in the Scheme. The Fund/Trustee/ AMC shall not be responsible for any acts done by the intermediaries representing or purportedly representing such Investor. If the units are held by any person in breach of the Regulations, law or requirements of any governmental, statutory authority including, without limitation, Exchange Control Regulations, the Fund may mandatorily redeem all the units of any Unit holder where the units are held by a Unit holder in breach of the same. The Trustee may further mandatorily redeem units of any Unit holder in the event it is found that the Unit holder has submitted information either in the application or otherwise that is false, misleading or incomplete.
- XII. The AMC and/or its Registrars & Transfer Agent (RTA) reserve the right to disclose/share Unit holder's details of folio(s) and transaction details thereunder with the following third parties:
 - RTA, Banks and/or authorised external third parties who are involved in transaction processing, dispatching etc., of the Unitholder's investment in the Scheme;
 - Distributor/s or sub-broker/s through whom the applications are received for the Scheme;
 - Any other organizations for compliance with any legal or regulatory requirements or to verify the identity of the Unitholders for complying with anti-money laundering requirements.

XIII. If after due diligence the Trustee/AMC has reason to believe that any transaction is suspicious in nature as regards money laundering, the AMC shall report such transactions to competent authorities under PMLA and rules/guidelines issued thereunder by SEBI/RBI, furnish any such information in connection therewith to such authorities and take any other actions as may be required for the purposes of fulfilling its obligations under PMLA and rules/guidelines issued thereunder without obtaining prior approval of the Unitholder/any other person or information to the unitholder. In this connection the Trustee/AMC reserves the right to reject any such application at its discretion.

XIV. **Non – acceptance of subscriptions:**

The U.S. Securities and Exchange Commission (SEC) requires that a person falling under the definition of the term 'US Person' under the Securities Act of 1933 of U.S.A (an 'Act') and corporations or other entities organized under the U.S. laws shall not be permitted to make investments in securities not registered under the Act.

Also, the Canadian Securities Administrator (CSA) mandates prior registration of the fund with CSA before marketing or selling to the residents of Canada.

The investors are hereby informed that none of the schemes of JM Financial Mutual Fund (the "Fund") are presently registered under the relevant laws, as applicable in the territorial jurisdiction of U.S. or in any provincial or territorial jurisdiction of Canada. Hence, the units made available under the SAI or SID of the scheme may not be directly or indirectly be offered for sale in any of the provincial or territorial jurisdiction in U.S. and/or Canada or to/or for the benefits of the residents thereof. Accordingly, the persons, corporations and other entities organized under the applicable laws of the U.S. including Qualified Foreign Investors (QFI) registered in USA and Canada and residents of Canada as defined under the applicable laws of Canada will not be permitted to make any fresh purchases/additional purchases/switches in the Scheme of the Fund, in any manner whatsoever. The above classes of investors are requested to note the following:

- No fresh purchases (including Systematic Investment Plans and Systematic Transfer Plans)/ additional purchases/switches in the Scheme of the Fund would be allowed. However, existing Unit Holder(s) will be allowed to redeem their units from the Scheme of the Fund. If an existing Unit Holder(s) subsequently becomes a U.S. Person or Resident of Canada, then such Unit Holder(s) will not be able to purchase any additional Units in the Scheme of the Fund.
- For transaction on Stock Exchange platform, while transferring units from the broker account to investor account, if the investor has U.S./ Canadian address then the transactions would be rejected.
- In case JM Financial Asset Management Ltd. (the "AMC")/JM Financial Mutual Fund subsequently identifies that the subscription amount is received from U.S. Person(s) or Resident(s) of Canada, the AMC/Fund at its discretion shall redeem all the units held by such person from the Scheme of the Fund at applicable Net Asset Value.

XV. **Identification of Beneficial Ownership:**

In terms of SEBI Master Circular on Guidelines on Anti Money Laundering (AML) Standards and Combating the Financing of Terrorism (CFT) dated February 03, 2023 and guidelines issued by SEBI from time to time, all the registered intermediaries are required to undertake Client Due Diligence ('CDD') measures wherein intermediaries are required to obtain sufficient information from their clients in order to verify the identity of their clients and identify the identity of the persons who beneficially own or control the securities account.

In terms of the said SEBI Master Circular, beneficial owner is the individual who ultimately owns or controls the client and/or the person on whose behalf a transaction is being conducted. Also, the Prevention of Money Laundering Rules, 2005 (PMLR 2005) requires each intermediary to identify the beneficial owner and take all reasonable steps to verify his/her identity.

In compliance with the aforesaid regulatory requirements, the following CDD shall be applicable to all the investors of the Scheme of JM Financial Mutual Fund (the 'Fund'):

1. Applicability:

- a. Details of beneficial ownership will have to be provided by all the categories of investors except the following:
 - 1) Individuals
 - 2) Company listed on a stock exchange
 - 3) Majority owned subsidiary of the aforesaid company.
- b. Information about the Beneficial Owner shall be provided by the investors to JMF AMC/ its Registrar i.e. M/s. KFin Technologies Limited.
- c. Proof of Identity of the Beneficial Owner such as Name/s, Address & PAN/Passport together with self attested copy* are required to be submitted to the AMC/its Registrar.
(*Original to be shown for verification and immediate return)
- d. In case of any change in the beneficial ownership, the investor is required to immediately intimate JMF AMC/its Registrar/KRA, as may be applicable, about such changes.

2. Identification Process:

As provided by SEBI in its Circular No. CIR/MIRSD/2/2013 dated January 24, 2013, read with SEBI circular no SEBI/HO/MIRSD/MIRSDSECFATF/P/ CIR/2023/091 dated July 16, 2023 the following process shall be adopted by the Fund:

a) For investors other than Individuals or Trusts:

1. In the case of Company, Partnership or unincorporated association/body of individuals, the beneficial owners are the natural person/s, who, whether acting alone or together, or through one or more juridical person, exercises control through ownership or who ultimately has a controlling ownership interest.

For the aforesaid clause, Controlling ownership interest means ownership of/entitlement of:

- a. More than 10% of shares or capital or profits of the juridical person, where the juridical person is a company;
- b. More than 15% of the capital or profits of the juridical person, where the juridical person is a partnership; or

- c. More than 15% of the property or capital or profits of the juridical person, where the juridical person is an unincorporated association or body of individuals.
2. In case of doubt under clause (1) above as to whether the person with the controlling ownership interest is the beneficial owner or where no natural person exerts control through ownership interests; the identity of the natural person exercising control over the juridical person through other means. Control through other means can be exercised through voting rights, agreement, arrangements or in any other manner.
3. Where no natural person is identified under clauses (1) and (2) above, the natural person who holds the position of senior managing official shall be considered as the beneficial owner.

b) For investor which is a Trust:

Where the client is a Trust, the beneficial owners of the client shall be identified and reasonable measures taken to verify the identity of such persons, through the identity of the Settlor of the trust, the trustee, the protector, the beneficiaries with 10% or more interest in the trust and any other natural person exercising ultimate effective control over the trust through a chain of control or ownership.

c) For Foreign investors:

Where the client is a Foreign Portfolio Investor, it shall adopt the Know Your Client (KYC) requirements specified by SEBI in its Circular No. CIR/MIRSD/11/2012 dated September 5, 2012 and CIR/ MIRSD/07/2013 dated September 12, 2013.

- XVI. The AMC may add to or otherwise amend either all or any of the terms of the Scheme, by duly complying with the guidelines of and notifications issued by SEBI/Government of India/any other regulatory body that may be issued from time to time subject to the prior approval of SEBI, if required. The SID shall be updated twice in every financial year. In case of change in fundamental attributes in terms of the Regulation 18(15A), SID shall be revised and updated immediately after completion of duration of exit option. The addendum shall be circulated to all the distributors/brokers/Investor Service Centre (ISC) so that the same can be attached to all KIM and SID already in stock till it is updated.
- XVII. **Indicative yield/ portfolio**
The Fund/ AMC and its empanelled brokers /distributors have not given and shall not give any indicative portfolio and indicative yield in any communication, in any manner whatsoever. Investors are advised not to rely on any communication regarding indicative yield/ portfolio with regard to the Scheme.

III. Other Details

A. Since this is not a Fund of Funds Scheme, relevant disclosures pertaining to the underlying fund in this section are not applicable.

B. Periodic Disclosures such as Half yearly disclosures, half yearly results, annual report

- **Monthly/Half yearly Disclosures*** (Portfolio This is a list of securities where the corpus of the scheme is currently invested. The market value of these investments is also stated in portfolio disclosures.)

The Fund shall disclose within ten days from the close of each month/half year (i.e. 31st March and 30th September), the complete statement of the Scheme's portfolio (alongwith ISIN) as on the last day of the month/half year for all its schemes on the websites of the Fund and AMFI AMFI in a user friendly and downloadable spreadsheet format.

The link of Fund website for Monthly/Half yearly portfolio is <https://www.jmfinancialmf.com/downloads/Portfolio-Disclosure>.

The Link of AMFI website is <https://www.jmfinancialmf.com/>

The Fund shall send email regarding the monthly and half-yearly portfolio within 10 days from the close of each month/half year (i.e. March 31st & September 30th) to the unitholders whose email addresses are registered with the Fund.

The Fund will publish an advertisement in the all India edition of at least two daily newspapers, one each in English and Hindi, regarding the hosting of the half yearly statement of the Scheme's portfolio on the websites of the Fund and AMFI and also the modes through which unitholders can submit a re-quest for a physical or electronic copy of the Scheme portfolio. The Fund shall provide a physical copy of the portfolio, without charging any cost, upon specific request from a unitholder

- **Monthly Average Asset under Management (Monthly AAUM) Disclosure**

The Fund shall disclose the Monthly AAUM under different categories of Schemes as specified by SEBI in the prescribed format on a monthly basis on its website and forward to AMFI within 7 working days from the end of the month.

The link of Fund website for Monthly AAUM is [https://www.jmfinancialmf.com/downloads/Statutory-Disclosure/Assets-Under-Management-\(AUM\)-disclosure](https://www.jmfinancialmf.com/downloads/Statutory-Disclosure/Assets-Under-Management-(AUM)-disclosure).

- **Half-Yearly Results**

The Fund and asset management company shall within one month from the close of each half year, that is on 31st March and on 30th September, host a soft copy of its unaudited / audited financial results on its website.

The Fund shall give an advertisement disclosing the hosting of the financial results on the website and in atleast one English daily newspaper having nationwide circulation and in a newspaper having wide circulation published in the regional language where the Corporate Office of the Fund is situated.

The link of Fund website for Half Yearly Result is <https://www.jmfinancialmf.com/downloads/Scheme-Financials/Half-Yearly-Unaudited-Financial>

- **Annual Report**

The Scheme wise annual report or Abridged Summary, in the format prescribed by SEBI, shall be host- ed on the websites of the Fund) and the AMFI. A link of the scheme wise annual report or abridged summary shall be displayed prominently on the website of the Fund. Annual report or Abridged Sum- mary will also be sent by way of e-mail to the investor's registered email address.

Investors who have not registered their email id, will have an option of receiving a physical copy of the Annual report or Abridged Summary thereof, without charging any cost, upon receipt of a specific request.

The physical copy of the scheme wise annual report or abridged summary shall be made available to the investors at the registered office of the AMC.

The Fund will publish an advertisement in the all India edition of atleast two daily newspapers, one each in English and Hindi, regarding the hosting of the scheme wise annual report on the websites of the Fund and AMFI and also the modes through which unitholders can submit a request for a physical or electronic copy of the scheme wise annual report or abridged summary thereof.

The new subscribers to the units of the Fund can tick the 'opt-in' facility in the application form to re- ceive the physical copy of the scheme – wise annual report or abridged summary thereof.

For existing investors, an Option Form for opting-in to receive the physical copy of Annual Report/ Abridged Summary is available on the website under 'Downloads' section.

However, in case the investor does not opt-in, it will be presumed that he/she has opted out from receiving the physical copy of the Annual Report or Abridged Summary.

The link for Annual Report is <https://www.jmfinancialmf.com/downloads/Scheme-Financials/Scheme-Annual-Report>

- **Risk-o-meters**

Any change in Risk-o-meter shall be communicated by way of Notice cum Addendum and by way of an e-mail or SMS to the unitholders.

The AMC will evaluate the Risk-o-meter of all its schemes on a monthly basis and disclose the Risk-o-meter along with portfolio disclosure on <https://www.jmfinancialmf.com/downloads/Notice-and-Addendums> (website) and on AMFI's website, within 10 days from the close of each month.

The Fund shall disclose the risk level of schemes as on March 31 every year, along with number of times the risk level has changed over the year, in scheme wise Annual Reports and abridged summary, on the website of the Fund as well as that of AMFI.

The risk-o-meter of the primary benchmark will also be disclosed in the disclosures as stipulated by SEBI.

- **Scheme Summary Document**

The AMC will provide on its website a standalone scheme document for all the Schemes which contains all the details of the Scheme including but not limited to Scheme features, Fund Manager details, investment details, investment objective, expense ratios, portfolio details, etc. Scheme summary document will be uploaded on the websites of AMC, AMFI and stock exchanges in 3 data formats i.e. PDF, Spreadsheet and a machine-readable format)
