                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | Anna Bachara                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |                        1000           100         1000           1000         1000             ## 1. INTRODUCTION

LIC Mutual Fund Asset Management Limited ("the AMC") is an investment manager to LIC Mutual Fund ("the Fund"). The AMC is responsible for managing the schemes launched by LIC Mutual Fund.

The Eighth Schedule to the Securities and Exchange Board of India (SEBI) Mutual Funds Regulations, 1996 together with various circulars issued by SEBI & best practice guidelines issued by Association of Mutual Funds in India ("AMFI') from time to time prescribe the norms, methodology and guiding principles for valuation of investments held by Mutual Fund Schemes.

As per Eight Schedule to SEBI Mutual Funds Regulations, 1996 the AMC and the Sponsor of the MF shall ensure the compliance with the "Principle of Fair Valuation" mentioned in the schedule and shall be liable to compensate the affected investors and/or the scheme for any unfair treatment to any investor because of inappropriate valuation. While the amended regulations mandate AMCs to establish valuation policies and procedures, it also allows the AMC to deviate from these policies and procedures where it is necessary and expedient to do so to ensure a true and fair valuation. Accordingly, in the event of a conflict between the principles of fair valuation and valuation guidelines, the principles of fair valuation shall prevail.

## 1.1 OBJECTIVE

Establish policy and guidelines for valuation of investments held by LIC Mutual Fund Schemes. Valuation of securities held by all LIC Mutual Fund Schemes is done in conformity with these valuation norms and this policy serves as a guiding principle to Fund Accounting team for valuation of securities as per the valuation norms specified by the various circulars issued by SEBI & best practice guidelines issued by "AMFI'

## **1.2 TARGET AUDIENCE**

This policy should be readily accessible to Fund Accounting team and the Investment team. The latest policy should always be disclosed on LIC Mutual Fund's website or any other place where the board may specify to ensure transparency of valuation norms adopted.

# 2. LIST OF ACRONYMS

Acronym	Full Form
AMC	Asset Management Company
AMFI	Association of Mutual Funds in India
BoD	Board of Directors
G-Sec	Government Security
NSE	National Stock Exchange
InvITs	Infrastructure Investment Trusts
REITs	Real Estate Investment Trusts
SEBI	Securities and Exchange Board of India

Acronym Full Form T-Bills Treasury Bills

## 3. SCOPE AND COVERAGE

The following items are covered within the scope of this Valuation policy:

- Defining valuation procedures / methodologies for various types of securities.
- Valuation of securities / assets in the event of an inter-scheme transfer.
- Review of valuation policies and procedures and reporting to the various stakeholders.
- Recording of deviations from established policies and procedures and rationale for same.
- Dealing with Conflict of Interests (including potential conflict of interest) which has / may have a bearing on valuation of securities.
- Valuation of securities / assets during exceptional events.

The Valuation Committee would conduct a periodic review of the policy to confirm its completeness & appropriateness and suggest any suitable amendments. Such changes need to be placed before the BoDs of AMC and Trustee for approval, as appropriate.

All assets held by the Fund shall be consistently valued according to the defined valuation methodology. If the above-defined methodology does not lead to fair valuation of securities / assets, then the Valuation Committee may on a prospective basis deviate from the defined methodology and adopt alternate procedures / methods to arrive at the fair value.

The rationale for any such deviations would be recorded in writing and placed before the BoDs of AMC and Trustee and appropriate disclosures to the investors would be made.

Investments in any new type of securities/assets by the mutual fund scheme shall be made only after establishment of the valuation methodologies for such securities / assets with the approval of the BoDs of the AMC.

## 4. CONFLICT OF INTEREST

The valuation policy, procedures and methodologies laid down in this policy would be uniformly followed to ensure consistency in valuation of securities / assets across all Funds except during exceptional events (as detailed in section titled <u>Exceptional Events</u>).

The Valuation Committee shall be responsible to identify areas of conflict of interest (including potential areas, if any). Some of the key areas where a potential conflict of interest may arise and the mitigatory measures are indicated below:

#### a. Inter-Scheme Trades

Inter-Scheme transfer of securities / assets between two funds managed by the same Fund Manager - For all inter-scheme transfers, for the purpose of valuation, the procedure described in section titled <u>Inter-Scheme Transfer</u> shall be followed.

#### b. Investments in Associate/Group Companies

Investments in any associate / group companies would be made only based on independent research recommendation (which would include independent internal research team

recommendation) and the valuation procedures as described in this document. This will ensure that the Valuation Policy is applied to all securities uniformly.

# 5. EXCEPTIONAL EVENTS

- Exceptional events are events on which dependency cannot, reasonably and in good faith, be placed on the available market information for a fair valuation of securities.
- These events generally lead to artificial, unsustainable prices and may therefore warrant a departure from the established valuation methodology / procedures and adoption of alternate methods/ judgement to reflect the realizable value of the securities / assets in conformity with the principles of fair valuation.
- The Valuation Committee is authorized by the Board of AMC and Trustee to determine the exceptional events and devise the process to deal with the exceptional events.
  - Following events could potentially be classified as exceptional events:
    - Major policy announcements by the Reserve Bank of India, the Government or Regulator.
    - Natural disasters or public disturbances that force markets to close unexpectedly.
    - Absence of trading in specific security.
    - Significant volatility in the capital markets.
    - Liquidity crunch in debt markets.
    - Heavy redemption pressures.
    - Credit events affecting a company or sector falling below the investment grade.
- The above list is illustrative and not exhaustive. Given the exceptional nature of these events and the lack of clarity on how it would impact the markets, it is not possible to define a standard methodology to be adopted for fair valuation of securities for such events.
- The Valuation Committee will be responsible for identifying and monitoring exceptional events and recommending appropriate alternate procedures / valuation methodologies with necessary guidance from the AMC Board, wherever required.
- The Valuation Committee will adopt such alternate procedures / methodologies in conformance with the guiding principles of fair valuation in good faith to arrive at a true and fair estimation of the realizable value of the security / asset under normal, business-as-usual circumstances.
- These alternate procedures / methodologies would be progressively and prospectively applied during the continuance of the exceptional events unless otherwise decided by the Valuation Committee in consultation with the AMC Board, wherever required.
- The rationale for any such deviations from the valuation policy would be recorded in writing by the Valuation Committee followed by reporting to the BoDs of AMC and Trustee.
- Such deviations shall be appropriately disclosed to the Investors as may be decided by the Valuation Committee.
- The Policy shall be made available on the website of the LIC Mutual Fund.

# 6. VALUATION COMMITTEE

The AMC is required to constitute a Valuation Committee, which is responsible for on-going review of the valuation procedures / methodologies adopted to assess their appropriateness and accuracy in determining the fair value of securities/assets.

LIC Mutual Fund's Valuation Committee comprises the following:

The composition of the Valuation Committee may change from time to time, as decided & amended by the competent authority, duly delegated by the Board of AMC and Trustee.

The scope of activities / responsibilities of the valuation committee are listed below:

- Reviewing and recommending the Valuation Policy to the BoDs of AMC and Trustee for their noting/approval.
- Review of accuracy and appropriateness of methods adopted for valuation of securities.
- Defining valuation procedure / methodology for new types of securities /assets.
- Determining fair valuation of securities / assets during exceptional events where the defined procedures /methods for valuation do not yield a fair value of the securities / assets.
- Identifying and addressing potential conflicts of interest situations in valuation of securities.
- Engaging with the Independent Auditor to ensure regular review of the valuation policy, procedures and methodology including rationale for deviations, if any.
- Reporting any deviations / incorrect valuations to the BoDs of AMC and Trustee and appropriate disclosures to the investors.
- Review of regulatory amendments with regards to valuation and implementation of the same subject to approval/ratification of the BoDs of AMC and Trustee.

# 7. POLICY REVIEW AND REPORTING

The valuation policy document is reviewed and approved by the Board(s) of LIC Mutual Fund Asset Management Ltd and LIC Mutual Fund Trustee Pvt. Ltd. The Valuation Committee shall update the BoDs of the AMC and Trustee at periodic intervals of the outcome of such review and the effectiveness of the valuation policy, procedures, and methodologies in use.

The Valuation Committee shall also place the following before the BoDs of AMC and Trustee:

- Recommended valuation procedure / methodology for new types of securities / assets for approval of the Board.
- Deviations in methodology adopted for fair valuation of securities / assets on account of exceptional events with rationale for the same.
- Incorrect Valuations, if any, and associated corrective action.
- Identified conflicts of interest (including potential conflict of interest) if any, and mitigatory measures adopted to address the same.

## 8. **DEFINITIONS**

## a. Thinly Traded Equity Securities:

An equity and / or equity related securities (such as preference shares, convertible debentures, equity warrants etc.) would be considered as thinly traded if in a previous calendar month:

The aggregate value of trade in such security is less than Rs. 5,00,000; and The total volume of trade in such security is less than 50,000 shares, in recognized stock exchange in India.

For example, following scenarios does not qualify as thinly traded:

- If the volume of trade is 1,00,000 shares and value is Rs.4,00,000,
- If the volume traded is 40,000 shares but the value of trade is Rs.6,00,000

Combined volume and value on NSE and BSE will be considered to determine thinly traded criteria.

#### b. Non-Traded Equity Securities

When a security (other than money market and debt securities) is not traded on any stock exchange for a period of thirty days prior to the valuation date, the scrip shall be treated as a non-traded security.

#### c. Unlisted Securities

When a security is not listed on any of the stock exchanges, it would be considered as unlisted security.

#### d. Recognized Stock Exchange

National Stock Exchange (NSE) and BSE Ltd. would be considered as recognized stock exchanges in India.

### e. Primary Stock Exchange

National Stock Exchange (NSE) would be considered as primary stock exchange.

#### f. Secondary Stock Exchange

BSE Ltd. would be considered as secondary stock exchange.

g. Definition of Below investment grade and Default:

All money market or debt security shall be classified as "**below investment grade**" if the longterm rating of the security issued by a SEBI registered Credit Rating Agency (CRA) is below BBBor if the short-term rating of the security is below A3.

#### **Default Securities**

A money market or debt security shall be classified as "Default" if the interest and / or principal amount has not been received, on the day such amount was due or when such security has been downgraded to "Default" grade by a Credit Rating Agency (CRA).

#### h. Government Securities

- a. Central Government Securities (G-Sec) including STRIP Securities
- b. State Development Loans (SDL)
- c. Treasury Bills (T-Bills)
- d. Cash Management Bills (CMB)

## i. Reporting platforms

- a. CBIRCS Corporate Bond Reporting & Integrated Clearing System
- b. ICDM Indian Corporate Debt Market
- c. F-Track- Reporting platform by CCIL (The Clearing Corporation of India Ltd.)

## j. SEBI registered Credit Rating Agency (CRA)

- a. CRISIL Limited (CRISIL)
- b. India Ratings and Research Pvt. Ltd. (formerly Fitch Ratings India Pvt. Ltd.)
- c. ICRA Limited (ICRA)
- d. Credit Analysis & Research Ltd. (CARE)
- e. Brickwork Ratings India Pvt. Ltd.
- f. SMERA Ratings Limited
- g. Infomerics Valuation and Rating Pvt. Ltd.

## k. Valuation Agencies

Currently, AMFI / SEBI authorized valuation agencies are ICRA and CRISIL.

# **Valuation of Securities**

## 9.1 VALUATION OF EQUITY SHARES

Traded securities are to be valued at the last quoted closing price on the exchange in which the security is listed.

## 9.1.1 TRADED SECURITIES

- i) On a valuation day, traded securities are to be valued at the closing price on the primary stock exchange (NSE).
- ii) When on a valuation day, a security has not been traded on the primary stock exchange (NSE); the closing price on secondary stock exchange (BSE) will be used.
- iii) When a security is not traded on any stock exchange on a particular valuation day, the closing price on the primary stock exchange or any other stock exchange, as the case may be on the earliest previous day may be used provided the date is not more than 30 days prior to valuation date.
- iv) For valuation of securities held by Exchange Traded Funds (ETFs) and Index funds which are benchmarked to indices relating to a particular stock exchange, the primary stock exchange to be considered for valuation of securities will be that particular stock exchange i.e., Securities held in ETFs and Index Funds are to be valued at closing price on the stock exchange of the underlying index. E.g., For an Index Fund -Sensex or Sensex ETF, the primary stock exchange will be BSE Ltd.

## 9.1.2 THINLY TRADED / NON-TRADED SECURITIES

Thinly traded/ Non-traded and Unlisted Securities shall be valued in "good faith" in accordance with SEBI norms as prescribed below:

Based on the latest available Balance Sheet, Net Worth shall be calculated as follows:

- Net Worth per share = [share capital + reserves (excluding revaluation reserves) Miscellaneous expenditure and Debit Balance in Profit and Loss A/c] divided by Number of Paid-up Shares.
- ii. Average capitalization rate (P/E ratio) for the industry based upon either NSE or BSE data shall be taken and discounted by 75% i.e., only 25% of the industry average P/E shall be taken as capitalization rate (P/E ratio). Earnings per share of the latest audited annual accounts will be considered for this purpose.

The value as per the Net Worth value per share and the capital earning value calculated as above shall be averaged and further discounted by 10% for illiquidity so as to arrive at the fair value per share.

## 9.1.3 UNLISTED SECURITIES

Unlisted Securities shall be valued in "good faith" in accordance with SEBI norms as prescribed below:

- i) Based on the latest available Audited Balance Sheet, Net Worth shall be calculated as lower of (a) and (b) below:
  - a. Net Worth per share = [share capital + free reserves (excluding revaluation reserves) -Miscellaneous expenditure not written off or deferred revenue expenditure, intangible assets and accumulated losses] / Number of Paid-up Shares.
  - b. After taking into account the outstanding warrants and options, Net Worth per share shall again be calculated and shall be = [share capital + consideration on exercise of Option/Warrants received/receivable by the Company + free reserves (excluding revaluation reserves) Miscellaneous expenditure not written off or deferred revenue expenditure, intangible assets and accumulated losses] divided by Number of Paid up Shares plus Number of Shares that would be obtained on conversion and /or exercise of Outstanding Warrants and Options.
- ii) Average capitalization rate (P/E ratio) for the industry based upon either BSE or NSE data (which shall be followed consistently and changes, if any, noted with proper justification thereof) shall be taken and discounted by 75%. i.e., only 25% of the industry average P/E shall be taken as capitalization rate (P/E ratio). Earnings per share (EPS) of the latest audited annual accounts will be considered for this purpose.
- iii) The value as per the Net Worth value per share and the capital earning value calculated as above shall be averaged and further discounted by 15% for illiquidity so as to arrive at the fair value per share.

The above valuation methodology for Thinly Traded /Non-Traded and Unlisted Securities shall be subject to the following conditions:

- a. All calculation shall be based on audited accounts.
- b. If the latest Balance Sheet of the company is not available within nine months from the close of the year, unless the accounting year is changed, then shares of such companies shall be valued at zero.
- c. If the Net Worth of company is negative, the shares of such companies shall be valued at zero.
- d. In case the EPS is negative, EPS value for that year shall be taken as zero for arriving at capitalized earning.
- e. In case an individual security accounts for more than 5% of the total assets of the scheme, an independent valuer shall be appointed for the valuation of the said security. To determine if a security accounts for more than 5% of the total assets of the scheme, it shall be valued by the procedure above and the proportion which it bears to the total net assets of the scheme to which it belongs will be compared on the date of valuation.
- f. At the discretion of the AMC and with the approval of the Trustees, an unlisted equity share may be valued at a price lower than the value derived using the aforesaid methodology.

#### 9.1.4 VALUATION OF SUSPENDED EQUITY SHARES

- a. In case trading in an equity security is suspended up to thirty days, then the last traded price shall be considered for valuation of that security.
- b. If an equity security is suspended for more than thirty days, then the Valuation Committee shall decide the valuation norms to be followed and such norms should be documented and recorded .

### 9.1.5 VALUATION OF ILLIQUID SECURITY

- a. Aggregate value of "illiquid securities" of scheme, which are defined as non-traded, thinly traded, and unlisted equity shares, shall not exceed 15% of the total assets of the scheme and any illiquid securities held above 15% of the total assets shall be assigned Zero value.
- b. Mutual Funds shall disclose as on March 31 and September 30 the scheme wise total illiquid securities in value and percentage of the net assets while disclosing Half Yearly Portfolios to the unit holders. In the list of investments, an asterisk (\*) mark shall be given against all such investments which are recognized as illiquid securities.
- c. Mutual Funds shall not be allowed to transfer illiquid securities among their schemes

## 9.2 VALUATION OF NON-TRADED EQUITY WARRANTS

In respect of warrants to subscribe for shares attached to instruments, the warrants can be valued at the value of the share which would be obtained on exercise of the warrant as reduced by the amount which would be payable on exercise of the warrant. The value of the latter instrument can be adopted after an appropriate discount of the non- tradability of the instrument during the period preceding the conversion while valuing such instruments. If the warrants exercise price exceeds the underlying equity price, warrants would be valued at zero.

## 9.3 VALUATION OF RIGHTS ENTITLEMENT

- a. Until they are traded, the value of the "rights" shares shall be calculated as:
  - Vr = n/m x (Pex Pof) where,
  - Vr = Value of rights
  - n = No. of rights offered
  - m = No. of original shares held
  - Pex = Ex-rights price
  - Pof = Rights Offer Price
  - n/m = denotes the ratio to derived the entiltled quantity
- b. Ex-right price of underlying security will be considered separately for each valuation day
- c. Incase if the rights offer price is higher than the ex-rights price, value of the rights share is to be taken as zero.
- d. Where the rights are not treated pari passu with the existing shares, suitable adjustment should be made to the value of rights.
- e. Where it is decided not to subscribe for the rights but to renounce them and renunciations are being traded, the rights will be valued at the renunciation value.
- f. Where it is decided to subscribe the rights, the valuation of rights entitlement will be done as per the guidelines stated in clause (a) to (d) above.

- g. Valuation guidelines related to equity shares would be applicable from the date Rights are subscribed. From the date of subscription, Right forms will be converted in to underlying equiry shares and thus there is no need to wait tfor actual allotment.
- h. On the expiry of the trading period and till the time of subscription, rights entitlement will be fairly valued.

## 9.4 VALUATION OF PREFERENCE SHARES

- a. If traded, then it would be valued as per the valuation guidelines applicable to equity shares.
- b. If not traded, then Intrinsic value will be considered.
- c. The non-convertible preference share will be valued at the present value of all the future expected dividend payments and the maturity value, discounted at the expected return on preference shares.
- d. Preference dividend to be accounted on receipt basis i.e. no daily accrual of preference dividend
- e. The valuation committee will decide upon variables like expected future dividend, expected rate of return etc. on a case-to-case basis depending on the terms of issue of the preference shares.
- f. Convertible Preference shares would be valued at the value of the equity share which would be obtained on conversion, further appropriate discount for illiquidity should be applied. The illiquidity percentage will be decided by the Valuation Committee on a case-to-case basis. Valuation guidelines related to equity shares would be applicable for the valuation of underlying equity shares.

## 9.5 VALUATION OF CONVERTIBLE DEBENTURES

- a. In respect of convertible debentures and bonds, the non-convertible and convertible components shall be valued separately.
- b. The non-convertible component should be valued on the same basis as would be applicable to a debt instrument.
- c. The convertible component should be valued on the same basis as would be applicable to an equity instrument.
- d. If, after conversion the resultant equity instrument is traded pari passu with an existing traded instrument, then the value of the latter instrument can be adopted after an appropriate discount of the non- tradability of the instrument during the period preceding the conversion while valuing such instruments, the fact whether the conversion is optional should also be factored in.

## 9.6 VALUATION OF PARTLY PAID-UP EQUITY SHARES

a. If partly paid-up equity shares are traded separately, then they would be valued as per the valuation guidelines applicable to any other listed equity shares.

If the partly paid-up equity shares are not traded, then the partly paid-up equity shares will be valued at the value of the underlying fully paid-up equity shares as reduced by the amount of balance call money payable.

- b. Valuation guidelines related to equity shares would be applicable for the valuation of underlying fully paid- up equity shares.
- c. In case the trade price of the partly paid-up equity shares was not available for last 30 days or in case of unlisted partly paid-up equity shares, it will be valued at the value of the

underlying fully paid-up equity share as reduced by the amount of balance call money payable.

## 9.7 VALUATION OF INITIAL PUBLIC OFFERING (IPO) ALLOTMENT

Such securities shall be classified as "to be listed" / "awaiting listing" and valued at allotment price.

## 9.8 VALUATION OF QIP (QUALIFIED INSTITUTIONAL PLACEMENT - EQUITY SHARES)

The equity shares allotted through QIP process, having no lock-in period, should be considered on the same lines as the existing listed equity shares and hence should be valued at the market/traded price of the existing listed equity shares.

Further an appropriate discount for illiquidity should be applied for equity shares allotted through QIP process having a lock-in period of one year. The illiquidity percentage will be decided by the Valuation committee on a case-to-case basis.

# **10. VALUATION OF FUTURE & OPTIONS**

On the valuation day, Future & Options will be valued at the settlement price, published by the NSE. If the settlement price is not available, then closing price for the security will be considered for the valuation.

Futures MTM is computed on daily basis and computed on scrip wise and series wise.

- MTM Gain/Loss = Current day settlement or Closing price Previous day settlement or Closing price
- If scrip is purchased first time, then it is a Current day settlement or Closing price Weighted Average Price (WAP)

# 11. VALUATION OF SECURITIES LENT UNDER SECURITIES LENDING SCHEME

The valuation of securities lent under Securities Lending Scheme shall be valued as per the valuation guideline of the respective security as mentioned in this document. The lending fees received for the securities lent out would be accrued in a proportionate manner till maturity of the contract.

# 12. VALUATION OF INDIAN DEPOSITORIES RECEIPTS (IDR)

Valuation of IDRs listed on the India Stock Exchange would follow the valuation guidelines adopted for the Listed Indian Equity Shares. In case the IDRs are classified as thinly traded / non-traded, the criteria, as laid above for Listed Indian Equity Shares shall be applied taking into consideration the relevant Company's Balance Sheet.

# 13. VALUATION OF INFRASTRUCTURE INVESTMENT TRUST (INVITS) & REAL ESTATE INVESTMENT TRUST (REITS)

- a. On a valuation day, traded units of InvIT/ReITs are to be valued at the last quoted closing price on the primary stock exchange.
- b. When on a particular valuation day, units of InvIT/ReITs have not been traded on the primary stock exchange; the value at which it is traded on secondary stock exchange will be used.
- c. When units of InvIT/ReITs is not traded on any stock exchange on a particular valuation day, the value at which it was traded on the primary stock exchange or any other stock exchange, as the case may be, on the earliest previous day may be used provided such date is not more than 30 days prior to valuation date.
- d. Where units of InvIT and ReIT are not traded on any stock exchange for continuous period of 30 days than the valuation for such units of InvIT and ReIT will be determined based on the price provided by an independent valuation agency(ies) or at latest NAV declared by Investment managers of the trust, as the case may be. The selection of the independent valuation agency(ies) will be approved by the Valuation Committee.
- e. Where the valuation of units of InvIT and ReIT is not available from any independent valuation agency(ies), the valuation will be determined by the valuation committee on the principles of fair valuation.

# 14. FIXED INCOME AND RELATED INSTRUMENTS

# 14.1 DEBT AND MONEY MARKET INSTRUMENTS OTHER THAN GOVERNMENT SECURITIES

## **Classification of Debt and Money market Instruments:**

- a. Debt instruments are Coupon bearing securities like Non-Convertible Debentures (NCD), Bonds, Zero Coupon Bonds (ZCB) which has maturity more than year, Pass Through Certificate (PTC) / Discounted Securitized Debt etc.
- b. Money market Instruments having residual maturity upto 1 year and discounted / amortized income securities like Zero Coupon Bonds (ZCB), Commercial Papers (CP), Certificate of Deposits (CD), Bills Purchased under Rediscounting Scheme (BRDS), Discounted Securitized Debt / Pass Through Certificate (PTC) etc.

## Valuation of Debt and Money market Instruments and Bill Rediscounting

- a. Irrespective of residual maturity, all money market and debt securities shall be valued at average of security level prices obtained from valuation agencies.
- b. In case security level prices given by valuation agencies are not available for a new security (which is currently not held by any Mutual Fund), then such security may be valued at purchase yield on the date of allotment / purchase and till such time the valuation agencies commence providing its price.

## 14.2 VALUATION OF SECURITIES WITH PUT/CALL OPTIONS

The option embedded securities would be valued as follows:

#### a. Securities with Call Option

The securities with call option shall be valued at the lower of the value as obtained by valuing the security to final maturity and valuing the security to call option.

In case there are multiple Call options, identify a 'Call Trigger Date', a date on which 'price to call option' is the lowest when compared with price to other call options and maturity price.

## b. Securities with Put Option

The securities with put option shall be valued at the higher of the value as obtained by valuing the security to final maturity and valuing the security to put option.

In case there are multiple Put options, identify a 'Put Trigger Date', a date on which 'price to put option' is the highest when compared with price to other put options and maturity price.

## c. Securities with both Put and Call option on the same day

Only securities with put / call options on the same day and having the same put and call option price, shall be deemed to mature on such put / call date and shall be valued accordingly. In all other cases, the cash flow of each put / call option shall be evaluated and the security shall be valued on the following basis:

- i) Identify a 'Put Trigger Date', a date on which 'price to put option' is the highest when compared with price to other put options and maturity price.
- ii) Identify a 'Call Trigger Date', a date on which 'price to call option' is the lowest when compared with price to other call options and maturity price
- iii) In case no Put Trigger Date or Call Trigger Date ('Trigger Date") is available, then valuation would be done to maturity price. In case one Trigger Date is available, then valuation would be done as to the said Trigger Date. In case both Trigger Dates are available, then valuation would be done to the earliest date.

## 14.3 VALUATION OF GOVERNMENT SECURITIES

Irrespective of the residual maturity, Government Securities (including T-bills) shall be valued on the basis of security level prices obtained from valuation agencies.

# 14.4 VALUATION OF TREPS AND REPURCHASE (REPOS) (INCLUDING CORPORATE BOND REPO)

Investment in TREPS or REPURCHASE (REPOS) except for overnight transactions shall be valued at average of security level prices obtained from valuation agencies appointed by AMFI. In case security level prices given by valuation agencies are not available for a new TREPS or REPOS (which is currently not held by any Mutual Fund), then such may be valued at purchase yield on the date of purchase

For overnight investments in TREPS or REPURCHASE (REPOS) shall be valued at the purchase yield/price on the date of allotment/purchase.

**Note:** All securities taken under Repurchase (Repos) will not be considered for valuation. Only the interest on Repurchase (Repos) would be considered for NAV calculation.

## 14.5 VALUATION OF PERPETUAL BONDS

Pursuant to Paragraph 9.4 of SEBI Master Circular for Mutual Funds, the deemed residual maturity for the purpose of valuation of all existing as well as new bonds issued under Basel III framework shall be as below:

Time period	Deemed Residual Maturity of Basel III AT-1 bonds (Yrs.)	Deemed Residual Maturity of Basel III Tier 2 Bonds (Yrs.)
Till March 31, 2022	10	10 years or Contractual Maturity whichever is earlier
1 <sup>st</sup> Apr'22 – 30 <sup>th</sup> Sep'22	20	Contractual Maturity
1 <sup>st</sup> Oct'22 – 31 <sup>st</sup> Mar' 23	30	Contractual Maturity
1 <sup>st</sup> Apr'23, onwards	100*	Contractual Maturity

\*100 years from the date of issuance of the bond.

Macaulay Duration for bonds issued under Basel III framework shall be calculated based on the deemed residual maturity as mentioned in the above table.

## 14.6 VALUATION OF FIXED DEPOSITS

Fixed Deposits will be valued at cost plus accrual basis.

## 14.7 VALUATION OF MUTUAL FUND UNITS

Units listed and traded would be valued at the closing traded price on the National Stock Exchange (NSE)/ Bombay Stock Exchange (BSE) on the valuation day. If not traded on the primary stock exchange (NSE), the closing price on the other stock exchange will be considered.

Unlisted units, to be listed units, or units listed but non-traded, would be valued at the Net Asset Value(NAV) as on the valuation date

# 14.8 VALUATION OF EXCHANGE TRADED (ETF) UNITS

ETF Units would be valued at the closing traded price on the National Stock Exchange (NSE)/ Bombay Stock Exchange (BSE) on the valuation day. If not traded on the primary stock exchange (NSE), the closing price on the other stock exchange will be considered.

## 14.9 VALUATION OF INTEREST RATE FUTURES

Such Instruments will be valued at the settlement price, published by the exchanges.

## 14.10 VALUATION OF OTC DERIVATIVES

Prices for all OTC derivatives and market linked debentures shall be obtained from valuation agencies.

## 14.11 TREATMENT OF UPFRONT FEES ON TRADES

- a. Upfront fees on all trades (including primary market trades), by whatever name and manner called, would be considered by the valuation agencies for the purpose of valuation of security.
- b. Details of such upfront fees will be shared to the valuation agencies on the trade date as part of the trade reporting to enable them to arrive at the fair valuation for that date.
- c. For the purpose of accounting, such upfront fees will be reduced from the cost of the investment in the scheme that made the investment.
- d. In case upfront fees are received across multiple schemes, such upfront fees will be shared on a pro-rata basis across such schemes.

## 14.12 PRIMARY TRADE VALUATION

Primary market securities will be valued at cost till settlement date (allotment date)

# 14.13 VALUATION OF MONEY MARKET AND DEBT SECURITIES WHICH ARE RATED BELOW INVESTMENT GRADE

All money market and debt securities which are rated below investment grade shall be valued at the price provided by valuation agencies

Till such time the valuation agencies compute the valuation of money market and debt securities classified as below investment grade, such securities shall be valued on the basis of indicative haircuts provided by these agencies. These indicative haircuts shall be applied on the date of credit event i.e., migration of the security to sub-investment grade and shall continue till the valuation agencies compute the valuation price of such securities. Further, these haircuts shall be updated and refined, as and when there is availability of material information which impacts the haircuts.

Haircuts for senior, secured securities Rating/sector	Infrastructure, Real Estate, Hotels, Loan against shares and Hospitals	Other Manufacturing and Financial Institutions	Trading, Gems & Jewellery and Others

D	100%	100%	100%

## **Consideration of Traded Price for Valuation:**

AMCs shall consider such traded price for valuation if it is lower than the price post standard haircut. The said traded price shall be considered for valuation till the valuation price is determined by the valuation agencies.

A money market or debt security shall be classified as "**Default**" if the interest and / or principal amount has not been received, on the day such amount was due or when such security has been downgraded to "Default" grade by a CRA. In this respect, Mutual Funds shall promptly inform to the valuation agencies and the CRAs, any instance of non-receipt of payment of interest and / or principal amount (part or full) in any security.

## **15. VALUATION OF GOLD INVESTMENTS**

The gold held by a gold exchange traded fund scheme shall be valued at the AM fixing price of London Bullion Market Association (LBMA) in US dollars per troy ounce for gold having a fineness of 995.0 parts per thousand, subject to the following:

(a) adjustment for conversion to metric measure as per standard conversion rates;

(b) adjustment for conversion of US dollars into Indian rupees as per the RBI reference rate declared by the Foreign Exchange Dealers Association of India (FEDAI); and

(c) Addition of-

(i) transportation and other charges that may be normally incurred in bringing such gold from London to the place where it is actually stored on behalf of the mutual fund; and

(ii) notional customs duty and other applicable taxes and levies that may be normally incurred to bring the gold from the London to the place where it is actually stored on behalf of the mutual fund;

Provided that the adjustment under clause (c) above may be made on the basis of a notional premium that is usually charged for delivery of gold to the place where it is stored on behalf of the mutual fund;

Provided further that where the gold held by a gold exchange traded fund scheme has a greater fineness, the relevant LBMA prices of AM fixing shall be taken as the reference price under this sub-paragraph.

If the gold acquired by the gold exchange traded fund scheme is not in the form of standard bars, it shall be assayed and converted into standard bars which comply with the good delivery norms of the

LBMA and thereafter valued in terms of sub-paragraph (1). "If on any day the LBMA AM fixing or RBI reference rate is not available due to holiday, then the immediately previous day's prices are applied for the purpose of calculating the value of gold.

GST will not be included for valuation of Gold as the Scheme will be eligible for input credit of GST paid on purchase of Gold.

## **16.** VALUATION OF GOLD MONETISATION SCHEMES:

Principal investment in Gold Monetisation Schemes (G M S ) will be valued at the price of physical gold, while interest income will be valued on accrual basis.

## **17. VALUATION OF SILVER INVESTMENTS**

The silver held by a scheme shall be valued at the AM fixing price of London Bullion Market Association (LBMA) in US dollars per troy ounce for silver having a fineness of 999.0 parts per thousand, subject to the following:

(a) adjustment for conversion to metric measure as per standard conversion rates;

(b) adjustment for conversion of US dollars into Indian rupees as per the RBI reference rate declared by the Foreign Exchange Dealers Association of India (FEDAI); and

(c) addition of-

(i) transportation and other charges that may be normally incurred in bringing such silver from London to the place where it is actually stored on behalf of the mutual fund; and

(ii) notional customs duty and other applicable taxes and levies that may be normally incurred to bring the silver from London to the place where it is actually stored on behalf of the mutual fund:

*Provided* that the adjustment under clause (c) above may be made on the basis of a notional premium that is usually charged for delivery of silver to the place where it is stored on behalf of the mutual fund:

**Provided** further that where the silver held by a scheme has a greater fineness, the relevant LBMA prices of AM fixing shall be taken as the reference price under this sub-paragraph.

If the Silver acquired by the scheme is not in the form of standard bars, it shall be assayed and converted into standard bars which comply with the good delivery norms of the LBMA and thereafter valued in terms of methodology mentioned above.

If on any day the LBMA AM fixing or RBI reference rate is not available due to holiday, then the immediately previous day's prices are applied for the purpose of calculating the value of silver.

GST will not be included for valuation of Silver as the Scheme will be eligible for input credit of GST paid on purchase of Silver.

# **18.** VALUATION OF INVESTMENT IN CORPORATE DEBT MARKET DEVELOPMENT FUND (CDMDF):

Units of Corporate Debt Market Development Fund would be valued at Net Asset Value (NAV) as on the valuation date.

# **19.** CORPORATE ACTION

## 19.1 DE-MERGER, MERGER, AMALGAMATION AND SCHEME OF ARRANGEMENT

On corporate action, above valuation guidelines may be difficult to adopt due to non-availability of the Balance Sheet of the restructured entities in public domain or the resultant securities come up for listing after few days while the valuation required to be carried out effective on the date of the corporate action itself. Besides, in such case there are generally no comparative parameters readily available for carrying out the valuation exercise. Following broad valuation guidelines would be used for the valuation of securities resulting from the corporate actions:

#### a. De-Merger

- i) In case shares of both the companies (De-merged Company and Resulting Companies) are traded immediately on de-merger, both the shares would be valued at respective traded prices.
- ii) In case there is only one Resulting Company along with the De-merged Company and such Resulting Company is unlisted / non-traded:
  - Traded shares of De-merged Company will be valued at traded price and the shares of Resulting Company will be valued by residual price methodology which would be the closing value of the shares of De-merged Company on the day before the de-merger less opening value of the shares of De-merged Company immediately post de-merger.
  - If value of the shares of De-merged Company is equal or more than the value of pre-de- merger shares, then the shares of Resulting Company will be valued at Zero.
- iii) In case there are more than one Resulting Companies along with the De-merged Company and all or some Resulting Companies are unlisted / non-traded:
  - The shares of Resulting Companies will be valued by residual price methodology as explained in point (ii) above.
  - The residual value will be allocated into Resulting Companies in the ratio provided as a part of scheme of arrangement or such other ratio as decided by the Valuation Committee.
  - If one of the Resulting Companies is listed / traded, the residual value of unlisted / non-traded Resulting Companies would be further determined by reducing the traded value of listed Resulting Companies from the residual value computed as above.
- iv) In case shares of both the companies (De-merged Company and Resulting Companies) are not traded on de- merger:
  - The traded value of the De-merged Company on the day before the de-merger will be allocated between De- merged Company and Resulting Companies in the

ratio provided as a part of scheme of arrangement or such other ratio as decided by the Valuation Committee.

- v) Cost allocation would be done proportionate to the derived value of the resultant scrips or other appropriate basis to be decided on case-to-case basis depending on the terms of de- merger.
- vi) The valuation committee may in specific cases decide to use a different method for valuation by assigning reasons, therefore.

#### b. Merger

In case of merger, if the shares of the merged entity are not listed / traded, then valuation of the merged entity will be decided on case-to-case basis depending on the terms of merger and may be valued at previous day closing price of the respective companies prior to merger.

## 19.2 BUY-BACK OF SECURITIES

If a company offers to buy-back, market price of the shares will be considered for valuation till a formal confirmation of acceptance of shares by the issuer tendered under the buy- back schemes. Quantum of shares accepted under buy- back will be accounted as a sale trade.

## 19.3 STOCK SPLIT/ FACE VALUE CHANGE

In case of stock split, the face value of a stock is reduced and proportionately number of shares is increased. The valuation price will be derived on the basis of the closing price before the exdate and adjusted in proportion of stock split, till the new stock split shares are listed and traded on a stock exchange. The cost of one share will be proportionately adjusted in line with stock split change, to derive the new cost of share. On stock split/face value change in case the company specifies any regulations/ method for cost bifurcation or valuation the same will be adopted.

# 19.4 EQUITY AND EQUITY RELATED SECURITIES UNDER LOCK-IN PERIOD / PENDING LISTING

These shall be valued based last quoted closing price of security after applying suitable discount for illiquidity except securities having up to 90 days lock-in period. The Valuation Committee shall decide on the illiquidity discount to be applied, on a case to case basis.

# 20. INTER-SCHEME TRANSFER

- 1. Inter-scheme Transfers of Equity and Equity Related Instruments
  - a. Any Inter-scheme transfer of Equity and Equity related instruments shall be valued at the prevailing spot market price for the quoted instrument at the time the transfer is affected.
  - b. For this purpose, at the time of effecting the inter-scheme transfer, a record of the prices for the security quoted in the relative stock exchange (i.e. NSE/BSE) or Bloomberg Terminal in which it is traded or reported would be obtained, which would indicate the date, time, and

the currently quoted price. The price given in the quotation of the stock exchange would be the effective price for the inter-scheme transfer.

- 2. Inter-scheme Transfers of Debt, Money Market Instruments, and Government Securities
  - a. IST of any money market or debt security (irrespective of maturity) will be done at an average of the prices provided by the valuation agencies if prices from the valuation agencies are received within the pre-agreed turn-around-time (TAT).
  - b. If price from only one valuation agency is received within the agreed TAT, that price will be used for IST pricing.
  - c. If prices are not received from any of the valuation agencies within the agreed TAT, Valuation Committee will determine the price for the IST as per the available information, in accordance with <u>Clause 3 (a) of Seventh Schedule of SEBI (Mutual Funds) Regulations, 1996.</u>

## 21. USE OF OWN TRADE FOR VALUATION

Mutual Fund's own trades shall not be used for valuation of debt and money market securities and for Inter-Scheme Transfers.

# 22. WATERFALL APPROACH FOR VALUATION OF MONEY MARKET AND DEBT SECURITIES

As per SEBI guidelines on valuation of money market and debt securities, a waterfall approach shall be followed by the valuation agencies for arriving at security level pricing.

AMFI, in consultation with SEBI, has issued detailed guidelines on waterfall approach for valuation of money market and debt securities. The broad principles of the said waterfall approach, for arriving at the security level prices are as follow:

- i. All traded securities shall be valued on the basis of traded yields, subject to identification of outlier trades by the valuation agencies.
- ii. Volume Weighted Average Yield (VWAY) for trades in the last one hour of trading shall be used as the basis for valuation of Government Securities (including T-bills). Valuation of all other money market and debt securities (including Government securities not traded in last one hour) shall be done on the basis of VWAY of all trades during the day.
- iii. In case of any exceptional events on a day, only VWAY of trades post such event may be considered for valuation. Further, all exceptional events along-with valuation carried out on such dates shall be documented with adequate justification. The following events would be considered as exceptional events:
  - a. Monetary / Credit Policy
  - b. Union Budget
  - c. Government Borrowing / Auction Day
  - d. Material Statements on Sovereign Rating
  - e. Issuer or Sector Specific events which have a material impact on yields
  - f. Central Government Election Days
  - g. Quarter end days

- h. In addition to the above, valuation agencies may determine any other event as an exceptional event.
- iv. All trades on stock exchanges and trades reported on trade reporting platforms till end of the trade reporting time (Excluding Inter-scheme transfers), should be considered for valuation on that day.
- v. Considering the importance of polling in valuation process, detailed guidelines has also been issued by AMFI on polling by valuation agencies and on the responsibilities of Mutual Funds in polling process, as part of the aforesaid waterfall approach.

# 23. POLICY REVIEW & UPDATE

The Policy should be periodically reviewed (once a year) by the Valuation Committee.

## 24. REFERENCES

The following are the guiding circulars / schedules/guidelines/amendments for framing the Valuation Policy.

- EIGHTH SCHEDULE of SEBI Mutual Fund Regulations, 1996
- SEBI Master Circular for Mutual Funds dated June 27, 2024.
- AMFI email dated April 30, 2019, reference no. AMFI /35P/ 06 / 2019-20 on Standard Hair-Cut Matrix for Sub-Investment Grade Debt Securities

#### Annexure 3

#### X. TAX, LEGAL & GENERAL INFORMATION

#### A. Taxation on Mutual Funds

- a) LIC Mutual Fund is a Mutual Fund registered with the SEBI and hence the entire income of the Mutual Fund will be exempt from income-tax in accordance with the provisions of section 10(23D) of the Income-tax Act, 1961 (the Act).
- b) The Mutual Fund will receive all income without any deduction of tax at source under the said provisions of the Income Tax Act 1961. However, the Fund shall be liable to pay securities transaction tax ('STT') in respect of certain transactions listed under the tax implications of equity-oriented scheme from 1 April 2020. Income declared, distributed or paid on or after 1 April 2020 by a mutual fund is taxable in the hands of the unit holders.

#### B. Taxation on investing in Mutual Funds

#### 1) Tax Implications Common for Equity, Specified & Other Schemes of The Mutual Fund

As per the taxation laws in force as at the date of the document, the tax benefits that are available to the investors investing in the units of the plans (on the presumption that the units are not held as stock in trade) are stated as follows.

The tax implications is provided below is for general information purposes only, based on the law prevailing as at the date of this document and also incorporating the amendments made by Finance Act, 2025 for transactions on or after 1<sup>st</sup> April, 2025.

Investors should be aware that the fiscal rules/tax laws may change and there can be no guarantee that the current tax position as laid out would continue indefinitely.

General Anti-avoidance rule is applicable from Financial Year (FY) 2017-2018.

In view of the individual nature of tax consequences, each investor/ unit holder is advised to consult his/her or its own professional tax advisor.

#### TAX IMPLICATIONS OF UNIT HOLDERS

#### A. Income Tax

#### - Income distributed by the Mutual Fund: All Unit holders

Income received in respect of units of a mutual fund is taxable in the hands of the unit holders as per the rates applicable to other income for financial year (FY) 2025-2026. The income-tax rates for taxation are tabulated below:

For residents

	20 lakhs	Rs. 16 lakhs		050/		
	> Rs. 20 lakhs and <=	Rs. 2,00,000/- exceeding	plus	25%	of	amount
	Rs. 24 lakhs	Rs. 20 lakhs				
	> Rs. 24 lakhs	Rs. 3,00,000/- exceeding Rs. 24 lakhs	plus	30%	of	amount
Investor [FP1] (includes Foreign Institutional Investor and QFI's)	20%					
Foreign Companies	20%*/ 35%					

The rate of 20% shall be on the income received in respect of units purchased in foreign currency.

Note: The above rates are to be increased by surcharge and health and education cess as mentioned in **Annexure -1a** 

## • Tax on Income distribution by the Mutual Fund (applicable for all Unit holders)

## All Unit holders:

From 1 April 2020, since the exemption under section 10(35) is discontinued *vide* Finance Act 2020 and due to amendment of section 194K and 196, income distributed by mutual fund is subject to tax withholding at source.

## **Resident Unit holders:**

Any income distributed by mutual fund to unit holders is taxable in the hands of unit holders at the applicable rates from 01.04.2020 onwards. Further, the Finance Act, 2020 inserted a new section 194K of the Act to provide that any person responsible for paying to a resident any income in respect of units of a Mutual Fund specified under clause (23D) of section 10 of the Act. Mutual Fund shall at the time of credit of such income to the account of the payee or at the time of payment thereof by any mode, whichever is earlier, deduct income tax there on at the rate of 10% (in excess of INR 10,000).

## Non-resident Unit holders:

The Finance Act, 2020 has also amended the provision of section 196A of the Act to revive its applicability on TDS on income in respect of units of a Mutual Fund to Non-resident unitholders deduct income tax. As per Section 196A of the Act requires mutual fund to withhold taxes on income in respect of units at the rate of 20% or the rates provided in the tax treaty on any income paid to a non-resident.

The above rates (other than Tax Treaty rate) are to be increased by surcharge and health and education cess

as mentioned in **Annexure -1a**.

## Dividend Stripping

As per section 94(7) of the Act, loss arising on sale of units, which are bought within 3 months prior to the record date (i.e. the date fixed by the mutual fund for the purposes of entitlement of the unit holders to receive dividend (Income Distribution )) and sold within 9 months after

the record date, shall be ignored for the purpose of computing income chargeable to tax to the extent of exempt income received or receivable on such units.

#### • Bonus stripping (All Unit holders)

As per section 94(8) of the Act, in case of units purchased within a period of 3 months prior to the record date for entitlement of bonus and sold within 9 months after the record date, the loss arising on transfer of original units shall be ignored for the purpose of computing the income chargeable to tax. The amount of loss so ignored shall be deemed to be the cost of acquisition/purchase of such bonus units.

#### • Other Benefits

- Investments in Units of the Mutual Fund scheme shall be considered as an eligible form of investment under Section 11 (5) of the Act read with Rule 17C of the Income-tax Rules, 1962, for Religious and Charitable Trust.
- Individuals and HUF can claim deduction from total income, under section 80C of the Act, in respect of specified investments such as equity linked savings scheme, made during the year upto Rs. 1,50,000.

#### 2) Taxation on investing in Equity Oriented Mutual Fund Scheme

#### For the purposes of this section-

"Equity oriented fund" means a fund set up under a scheme of a mutual fund specified under clause (23D) of section 10: -

(i) in a case where the mutual fund invests in the units of another fund which is traded on a recognized stock exchange,

a) a minimum of 90% of the total proceeds of such mutual fund is invested in the units of such other mutual fund; and

b) such other mutual fund, shall invest a minimum of 90% of its total proceeds in the equity shares of domestic

companies listed on a recognized stock exchange; and

(ii) in any other case, a minimum of 65% of the total proceeds of such fund is invested in the equity shares of domestic companies listed on a recognized stock exchange.

Provided that the percentage of equity shareholding or unit held in respect of the fund, as the case may be, shall be computed with reference to the annual average of the monthly averages of the opening and closing figures.

Mutual Fund is not liable to pay distribution tax on the income distributed. However, it is liable to deduct tax on the income distribution as per the provisions of the Act as mentioned above.

#### • Securities Transaction Tax (STT)

STT implications in respect of certain transactions with regard to equity-oriented mutual fund scheme are listed hereunder:

Nature of Transaction	Payable	Value on which tax shall be	Rates
	by	levied	(%)
Delivery based purchase transaction in equity- oriented mutual fund entered in a recognized stock exchange		Value at which shares are bought	Nil

Nature of Transaction	Payable by	Value on which tax shall be levied	Rates (%)
Delivery based sale transaction in units of equity- oriented mutual fund entered in a recognized stock exchange	Seller	Value at which units are sold	0.001
Non-delivery based sale transaction in units of equity-oriented mutual fund entered in a recognized stock exchange.	Seller	Value at which shares/ units are sold	0.025
Sale of units of an equity-oriented mutual fund to the mutual fund	Seller	Value at which units are sold	0.001
Sale or surrender or redemption of a unit of an equity-oriented mutual fund to an insurance company, on maturity or partial withdrawal, with respect to unit linked insurance policy issued by such insurance company on or after the first day of February, 2021		Maturity/ Withdrawal value	0.001

The securities transaction tax paid by the assessee during the year in respect of taxable securities transactions entered during the course of business shall be allowed as deduction under section 36(xv) of the Act subject to the condition that such income from taxable securities transactions is included under the head 'profits and gains of business or profession'.

## • Gains on transfer / redemption of units

Gains arising on transfer / redemption of units, as well as from switching between schemes will be chargeable to tax under the Act. The characterization of income from investments in securities as 'business income' or 'capital gains' should be examined on a case-by-case basis.

As per section 2(14) of the Act, any investment in securities made by Foreign Institutional Investors ('FIIs') in accordance with the regulations made under the Securities and Exchange Board of India would be treated as a capital asset. Consequently, any income arising from transfer of securities by FIIs are to be treated in the nature of capital gains.

## • Capital Gains Tax Equity-oriented mutual fund scheme

As per the provisions of section 2(42A) of the Act, a unit of an equity-oriented mutual fund, held by the investor as a capital asset, is a short-term capital asset, if it is held for 12 months or less from the date of its acquisition by the unit holder. Accordingly, if the unit of equity-oriented mutual fund is held for a period of more than 12 months, it is treated as a long-term capital asset.

## • Long-term Capital Gains

The provision of section 112A of the Act provides taxability of long-term capital gain arising from transfer of a long-term capital asset being an equity share in a company or a unit of equity-oriented fund or a unit of a business trust shall be taxed @12.5% if such capital gain is exceeding Rs. 1,25,000 p.a.

A tax rate of 12.5%. will be applicable to such long-term capital gains, if—

i. in a case where long-term capital asset is in the nature of an equity share in a company; securities transaction tax has been paid on both acquisition and transfer of such capital asset; and

ii. in a case where long-term capital asset is in the nature of a unit of an equity-oriented fund or a unit of a business trust, securities transaction tax has been paid on transfer of such capital asset.

All categories of investors:

Units held for more than 12 months	Tax Rate
Redemption before 23 July 2024	10%
Redemption on or after 23 July 2024	12.5%

Further, the above rates are to be increased by surcharge and health and education cess as per **Annexure-1a** 

Further, the provision of section 112A also proposes to provide the following: ---

- i) The long-term capital gains will be computed without giving effect to the first and second provisos to section 48, i.e. inflation indexation in respect of cost of acquisitions and cost of improvement, if any, and the benefit of computation of capital gains in foreign currency in the case of a non-resident, will not be allowed.
- ii) Provision of section 55(ac) of the Act provides cost of acquisitions in respect of the longterm capital

asset acquired by the assessee before the 1st day of February 2018, shall be higher of

- a) the actual cost of acquisition of such asset; and
- b) the lower of -
  - (I) the fair market value of such asset; \*and
  - (II) the full value of consideration received or accruing as a result of the transfer of the capital asset.

\*Fair market value has been defined to mean -

- a) in a case where the capital asset is listed on any recognized stock exchange, the highest price of the capital asset quoted on such exchange on the 31st day of January 2018. However, where there is no trading in such asset on such exchange on the 31st day of January 2018, the highest price of such asset on such exchange on a date immediately preceding the 31st day of January 2018 when such asset was traded on such exchange shall be the fair market value;
  - and
- b) in a case where the capital asset is a unit and is not listed on recognized stock exchange, the net asset value of such asset as on the 31st day of January 2018.

FMV:	
Listed on recognized stock exchange	Highest price quoted on 31 January 2018
Listed on recognized stock exchange but	Highest price of unit (when the said units was traded)
not traded on 31 January 2018	on date immediately prevailing before 31
	January 2018
Not listed on recognized stock exchange	NAV as on 31 January 2018

The long term capital gains will be computed basis the above table, provided that in the case of an individual or a HUF, being a resident, where the total income as reduced by such long-term capital gains is below the maximum amount which is not chargeable to income-tax, then, the long-term capital gains, shall be reduced by the amount by which the total income as so reduced falls short of the maximum amount which is not chargeable to income-tax.

## Short-term Capital Gains

Provision of section 111A provides where the total income of an assessee includes any income chargeable under the head "Capital Gains", arising from the transfer of a short-term capital asset, being an equity share in a company or unit of an equity-oriented mutual fund held including units of business trust for a period not more than 12 months and

- a. the transaction of sale of such unit is entered into on or after October 1, 2004, i.e., the date on which Chapter VII of the Finance (No. 2) Act, 2004 has come into force; and
- b. such transaction is chargeable to STT under that Chapter, the tax payable by the assessee on such short-term capital gains is at the rate of 20 per cent. In case of resident individuals and Hindu Undivided Families ('HUFs'), where the total income as reduced by the shortterm capital gains, is below the basic exemption limit, the short-term capital gains will be reduced to the extent of the shortfall and only the balance short-term capital gains will be subjected to the 20 per cent tax rate.

Units are held for less than 12 months	Tax Rates
Redemption before 23 July 2024	15%
Redemption on or after 23 July 2024	20%

All categories of investors:

Further, the above rates are to be increased by surcharge and health and education cess as mentioned in **Annexure-1a** 

However, in case of Individuals and HUF (being a resident), where taxable income as reduced by short- term capital gains arising on sale of units of an equity-oriented fund is upto/ below the basic exemption limit, the short-term capital gains shall be reduced to the extent of the shortfall and only the balance short-term capital gains shall be subjected to the flat rate of income-tax

## • Minimum Alternate Tax / Alternate Minimum Tax

Where, the income tax payable on the total income as computed under the Act is less than the tax computed at 15% of its book profits, then such book profits shall be deemed to be the total income of the company and the tax payable should be at the rate of 15% (plus applicable surcharge and cess on such book profits.

Where MAT has been paid, credit is available in subsequent financial years for the MAT paid in excess of income-tax payable in a financial year. This credit should be eligible to be carried forward for 15 years and set-off against future income-tax payable to the extent normal income-tax payable exceeds MAT in that financial year.

The taxable income on transfer of mutual fund units by a person other than company would be taken into account in computing the Adjusted Total Income and Alternate Minimum Tax, if any, under section 115JC of the Act. Section 115JC is applicable to all persons other than company which has claimed any deduction under Chapter VI-A under the heading "C-Deductions in respect of certain incomes" (other than section 80P), section 10AA and section 35AD.

The provisions of MAT shall not apply to a person who has exercised the alternate option referred to in section 115BAA and 115BAB.

## • Set off of capital losses: All unit holders

Losses under the head capital gains cannot be set off against income under any other head. Furthermore, within the head capital gains, losses arising from the transfer of long-term capital assets cannot be adjusted against gains arising from the transfer of a short-term capital asset. However, losses arising from the transfer of short-term capital assets can be adjusted against gains arising from the transfer of either a long term or a short-term capital asset.

Unabsorbed long term capital losses can be carried forward and set off against the longterm capital gains arising in any of the subsequent eight assessment years. Unabsorbed short term capital losses can be carried forward and set off against the income under the head capital gains in any of the subsequent eight assessment years.

Each unit holder is advised to consult his/ her or its own professional tax advisor before claiming set off of long-term capital loss arising on sale/ repurchase of units of an equity-oriented fund referred to above, against long-term capital gains arising on sale of other assets

## • Tax Deduction at Source on Capital Gains

- i. **Resident unit holders:** No income tax is deductible at source from income by way of capital gains under the provisions of the Act.
- ii. **Foreign Institutional Investors:** Under section 196D of the Act, no deduction shall be made from any income by way of capital gains, in respect of transfer of units referred to in section 115AD of the Act.
- iii. Other Non-resident Unit holders: In the case of a non-resident including foreign company: Long term capital gain arising on sale/transfer on units of equity oriented mutual funds on or after April 1st, 2018, will be taxable as per provision of section 112A of The Act and if such capital gain exceeding Rs. 1,25,000 p.a. and withholding will be applicable @12.5%. Income tax is deductible on short-term capital gains arising on sale/ transfer of units of equity oriented mutual funds at the rate of 20%.

An amendment has been brought about in the Act through the Finance (No.2) Act, 2009 to provide for applying a penal rate of TDS in case of payments to investors who do not furnish Permanent Account Number (PAN). The penal rate of TDS is 20% or any higher rate of TDS, as may be applicable under section 206AA of the Act. Further, Finance Act, 2016 provides that the above provisions shall not apply to a non-resident (not being a company), or to a foreign company subject to conditions as may be prescribed.

The CBDT, vide notification dated 24 June 2016 introduced Rule 37BC clarifying that the provisions of higher rate of tax prescribed under Section 206AA of the Act, shall not apply in respect of payments received by the non-residents (including foreign company) which are in nature of interest, royalty, fees for technical services, payments on transfer of any capital asset and dividend. The benefit of the same shall be available if the non-resident recipient furnishes the following details/ documents to the deductor:

- name, e-mail id, contact number;
- address in the country or specified territory outside India of which the deductee is a resident;
- a certificate of his being resident in any country or specified territory outside India from the government of that country or specified territory if the law of that country or specified territory provides for issuance of such certificate; and

- Tax identification number of the deductee in the country or specified territory of his residence and in case no such number is available, then a unique number on the basis of which the deductee is identified by the Government of that country or the specified territory of which he claims to be a resident.

## • Foreign Institutional Investors

Long-term capital gain arising from sale/transfer on units of equity oriented mutual funds on or after April 1st, 2018, will be taxed @12.5% as per provision of section 112A of The Act if such capital gain exceeding Rs. 1,25,000 p.a.

Short-term capital gains arising on sale/ transfer of equity oriented mutual fund units held for a period of less than twelve months would be taxed at 20%.

## • Specified overseas financial organizations.

Long-term capital gain arising on sale/transfer on units of equity oriented mutual funds on or after April 1st, 2018, will be taxed @12.5% as per provision of section 112A of The Act and if such capital gain exceeding Rs. 1,25,000 p.a.

Overseas financial organisation means any fund, institution, association or body, whether incorporated or not, established under the laws of a country outside India, which has entered into an arrangement for investment in India with any public sector bank or public financial institution or a mutual fund specified under clause (23D) of section 10 and such arrangement is approved by the Securities and Exchange Board of India, established under the Securities and Exchange Board of India, established under the Securities and Exchange Board of India, established under the Securities and Exchange Board of India, established under the Securities and Exchange Board of India, established under the Securities and Exchange Board of India, established under the Securities and Exchange Board of India, established under the Securities and Exchange Board of India, established under the Securities and Exchange Board of India, established under the Securities and Exchange Board of India, established under the Securities and Exchange Board of India, established under the Securities and Exchange Board of India, established under the Securities and Exchange Board of India, established under the Securities and Exchange Board of India, established under the Securities and Exchange Board of India, established under the Securities and Exchange Board of India, established under the Securities and Exchange Board of India, established under the Securities and Exchange Board of India, established under the Securities and Exchange Board of India, established under the Securities and Exchange Board of India, established under the Securities and Exchange Board of India, established under the Securities and Exchange Board of India, established under the Securities and Exchange Board of India, established under the Securities and Exchange Board of India, established under the Securities and Exchange Board of India, established under the Securities and Exchange Board of India, established under the Securities and Exchange Board of India, establ

## • Equity Linked Savings Schemes

Equity Linked Savings Schemes (ELSS) are Schemes formulated under the Equity Linked Savings Scheme, 2005 ('the Scheme'), issued by the Central Government.

Accordingly, any investment made by an assessee in the ELSS of the Fund up to a sum of Rs. 1,50,000/- in a financial year would qualify for deduction under section 80C of the Act. However, deduction u/s 80C will be available only if investor has opted for old tax regime.

The Scheme defines "assessee" to mean: —

- (i) an individual; or
- (ii) a Hindu undivided family; or
- (iii) an association of persons or a body of individuals consisting, in either case, only of husband and wife governed by the system of community of property in force in the State of Goa and Union Territories of Dadra and Nagar Haveli and Daman and Diu by whom, or on whose behalf, investment is made.

## • Tax Treaty

Income tax is required to be deducted at source from the capital gains chargeable to tax under section 195 of the Act at the applicable rates. In the case of an assessee resident of a country with which a Double Tax Avoidance Agreement ('DTAA') is in force, the tax should be withheld as per provisions in the Act or as per the provisions in the DTAA whichever is more beneficial to the non-resident investor.

However, such a non-resident unit holder will be required to provide appropriate documents to the Fund i.e. Tax Residency Certificate, Electronic Form 10F and No Permanent Establishment & self-declaration certificate to be entitled to a beneficial rate under such DTAA.

As per Finance Act, 2012 a non-resident shall not be entitled to claim treaty benefits, unless the non-resident obtains a Tax Residency Certificate ('TRC') from their home country, containing such particulars as specified in notification no. 39/2012 dated September 17, 2012.

Further, The Central Board of Direct Taxes ('CBDT') has issued a notification no.3/2022 dated July 16<sup>th</sup>, 2022 amending the Income-tax Rules, 1962, prescribing the additional information required to be provided by a non-resident in Electronic Form No. 10F along with TRC to avail treaty benefits.

## • Exemptions from long-term capital gains

The following deductions are available from Long-term Capital Gains arising on sale of Mutual Fund units, if the sale proceeds are invested in eligible avenues:

	Section 54F	Section 54EE
Eligible persons	Individual and HUFs	All assesses
Asset to be purchased to claim exemption	One Residential house Property in India	"long-term specified asset" means a unit or units, issued before the 1st day of April 2019, of such fund as may be notified by the Central Government in this behalf.'
	Purchase: 1 year before / 2 years after & Construction: 3 years forward	6 months
Amount Exempt	Capital gains proportionate to the investment made from the sale proceeds (subject to other conditions of owning / purchasing residential house mentioned in the section), However, as per the Finance Act, 2023, w.e.f 1 <sup>st</sup> April 2023, maximum amount eligible to claim as deduction would be Rs 10 Cr*.	capital gain whichever is lower subject to maximum deduction of Rs. 50 Lakhs in a financial year. Further, such investment made
Lock-in period	3 years from sale of transfer of original asset	3 years from sale of transfer of original asset

\*The Finance Act, 2023 limits the maximum deduction that can be claimed under section 54F of the Act to INR 10 crores, where the cost of new asset purchased more than INR 10 crore then the cost of such asset exceeding INR 10 crore should not be considered.

## • Gift-tax

Gift of units of mutual fund would be subject to income-tax in the hands of the donee. As per section 56(2)(x), where any person receives any securities without any consideration (whose fair market value exceeds Rs. 50,000) or for inadequate consideration (where the difference between consideration paid and fair market value is more than Rs. 50,000), the excess is taxable as income in the hands of recipients.

Further the above provision of Section 56(2)(x) shall not apply to any units received by the donee:

- i. From any relative; or
- ii. On the occasion of the marriage of the individual; or
- iii. Under a will or by way of inheritance; or
- iv. In contemplation of death of the payer or donor, as the case may be; or
- v. From any local authority as defined in the Explanation to clause (20) of section 10 of the Act; or
- vi. From any fund or foundation or university or other educational institution or hospital or other medical institution or any trust or institution referred to in clause (23C) of section 10 of the Act; or
- vii. From any trust or institution registered under section 12AA of the Act; or
- viii. By any fund or trust or institution or any university or other educational institution or any hospital or other medical institution referred to in sub-clause (iv) or sub-clause (v) or sub-clause (vi) or sub-clause (via) of clause (23C) of section 10; or
- ix. By way of transaction not regarded as transfer under clause i. or clause (iv) or clause (v) or clause (vi) or clause (via) or clause (viaa) or clause (vib) or clause (vic) or clause (vica) or clause (vicb) or clause (vid) or clause (vii) of section 47; or
- x. From an individual by a trust created or established solely for the benefit of relative of the individual.

## a) In the case of an Individual -

- (ii) The spouse of the individua;
- (iii) The brother or sister of the individual;
- (iv) The brother or sister of the spouse of the individual;
- (v) The brother or sister of either of the parents of the individual;
- (vi) Any lineal ascendant or descendant of the individual;
- (vii) Any lineal ascendant or descendant of the spouse of the individual;
- (viii) The spouse of the person referred to in clauses (ii) to (vi), and

## b) In case of a HUF, any member thereof

## 3) Taxation on investing in Other than Equity Oriented Mutual Fund Scheme

Mutual funds are not liable to pay distribution tax on the income distributed. However, it is liable to deduct TDS on the income distribution as per the provisions of the Act.

## TAX IMPLICATIONS TO UNIT HOLDERS

## Income-tax

## • Capital Gains Tax-Other mutual funds

Such mutual fund schemes are other than equity oriented mutual fund schemes. With effect from 23 July 2024, a unit of a mutual fund (other than equity oriented mutual fund), held by the investor as a capital asset, is considered to be a short-term capital asset, if it is held for 24 months or less from the date of its acquisition by the unit holder. Accordingly, if the unit of a mutual fund (other than equity oriented mutual fund schemes) is held for a period of more than 24 months, it is treated as a long-term capital asset.

## • Short-term capital gain

## Individuals (including NRI) and HUF

Short-term capital gains arising to individuals (including NRI) and HUFs are taxable on progressive basis, as given below:

## Old regime:

Total income for a tax year	Тах
<= Rs. 2.5 lakhs	Nil (basic exemption limit#)
> Rs. 2.5 lakhs and <= Rs. 5 lakhs	5% of total income exceeding Rs. 2.5 lakhs
> Rs. 5 lakhs and <= Rs. 10 lakhs	Rs. 12,500/- plus 20% of amount exceeding Rs. 5 lakhs
> Rs. 10 lakhs	Rs. 1,12,500/- plus 30% of amount exceeding Rs. 10 lakhs

The basic exemption limit for resident individuals of the age of 60 years or more is 3 lac, for individuals of the age of 80 years or more (very senior citizens) is Rs 5 lakhs.

Rebate from tax upto Rs. 12,500 is available for a resident individual whose total income is below Rs. 5 lakhs.

#### New regime:

Alternatively, on satisfaction of certain prescribed conditions, an individual (resident/ non-resident) or HUF may opt to compute tax in respect of total income (without considering prescribed exemptions/ deductions) as follows:

Income	Tax
<= Rs. 4 lakhs	Nil (basic exemption limit <sup>#</sup> )
> Rs. 4 lakhs and <= Rs. 8 lakhs	5% of total income exceeding Rs. 4 lakhs
> Rs. 8 lakhs and <= Rs.12 lakhs	Rs. 20,000/- plus 10% of amount exceeding Rs.8 lakhs
> Rs. 12 lakhs and <= Rs. 16 lakhs	Rs. 60,000/- plus 15% of amount exceeding Rs.12 lakhs
> Rs. 16 lakhs and <= Rs.20 lakhs	Rs. 1,20,000/- plus 20% of amount exceeding Rs. 16 lakhs
> Rs. 20 lakhs and <= Rs.24 lakhs	Rs. 2,00,000/- plus 25% of amount exceeding Rs. 20 lakhs
> Rs. 24 lakhs	Rs. 3,00,000/- plus 30% of amount exceeding Rs. 24 lakhs

An individual/ HUF, having no business or professional income, can exercise his option of choosing tax regime, every year, based on his deductions.

An individual/ HUF, having income from business or professional, can exercise his option for the new tax regime, only once and the option once exercised for the previous year shall be valid for that previous year and all subsequent years.

The option can be withdrawn once in lifetime where it was exercised by the Individual/ HUF having business income in the previous year other than the year in which it was exercised except where Individual/ HUF ceases to have any business income.

Rebate from tax up to Rs. 60,000 is available for a resident individual whose total income is below Rs. 12 lakhs. Further, the concept of marginal rebate has been introduced under section 87A, if the total income marginally exceeds Rs. 12 lakhs.

The above tax rates shall be increased by surcharge and education cess, applicable as provided in **Annexure-1a**.

However, in case of such other non-resident unit holder who is a resident of a country with which

India has signed a DTAA (which is in force) income-tax is payable at the rate provided in the Act or the rate provided in the said agreement, whichever is more beneficial to such other non-resident unit holder.

For non-residents claiming such tax treaty benefits, it is mandatory to obtain a TRC from the home country tax authority. Further, the non-residents would also be required to furnish additional information in electronically filed Form no. 10F along with the TRC.

Where sale/ repurchase is made during the minority of the child, tax will be levied on either of the parents, whose income is greater, where the said income is not covered by the exception in the proviso to section 64(1A) of the Act. When the child attains majority, such tax liability will be on the child.

## Domestic Company

Particulars	Tax Rate
Alternate regime for Indian companies and domestic companies engaged in manufacturing activities (subject to certain conditions)	22%
Companies with Turnover <= Rs. 400 crores	25%
(turnover or gross receipts in FY 2023-24)	-
Other Companies	30%

## <u>Resident local authority</u>

The tax rate applicable in case of local authority shall be 30%

#### Resident co-operative society

Short-term capital gains arising to a co-operative society (being resident) are taxable on progressive basis as given below:

Co-operative society	
Existing regime	
Income	Тах
< = Rs. 10,000	10%
> Rs. 10,000 and = < Rs. 20,000	Rs. 1,000/- plus 20% of amount exceeding Rs. 10,000
> Rs. 20,000	Rs. 3,000/- plus 30% of amount exceeding Rs. 20,000

For the co-operative societies opting for alternate tax regime or engaged in manufacturing activities, (subject to certain conditions) the tax rate shall be 22%.

## • Foreign Portolio Investors (FPI)

The tax rate applicable in case of FPI (including both corporate and non-corporate FPI) shall be 30%. However, in case of FPI unit holder who is a resident of a country with which India has signed a DTAA (which is in force) income tax is payable at the rate provided in the Act or the rate provided in the said agreement, whichever is more beneficial to such FPI unit holder subject to availability of requisite documents (i.e TRC, e-filed Form 10F).

## • Specified overseas financial organisations

Each unit holder is advised to consult his/ her or its own professional tax advisor for application of tax rates on short- term capital gains arising on sale/ repurchase of such units (other than unit

of equity- oriented fund referred to above) purchased in foreign currency.

Particulars	Tax Rate (%)
Corporate	35
Non-corporates	30

However, in case of specified overseas financial organization unit holder who is a resident of a country with which India has signed a DTAA (which is in force) income tax is payable at the rate provided in the Act or the rate provided in the said agreement, whichever is more beneficial to such specified overseas financial organization unit holder subject to availability of requisite documents (i.e TRC, e-filed Form 10F).

## • Foreign corporate

The tax rate applicable in case of Foreign Company shall be 35%.

The above tax rates for all the above categories shall be increased by surcharge and education cess, applicable as provided in **Annexure -1a**.

## Long-term capital gains

As per section 112 of the Act, long-term capital gain would be chargeable to tax at the rate of 12.5% (to be increased by applicable surcharge and health and education cess as mentioned in **Annexure -1a**.

However, in case of non-residents unit holder who is a resident of a country with which India has signed a DTAA (which is in force) income tax is payable at the rate provided in the Act or the rate provided in the said agreement, whichever is more beneficial to such unit holder.

The following amounts shall be deductible from the full value of consideration, to arrive at the amount of capital gains:

- Cost of acquisition of units, and
- Expenditure incurred wholly and exclusively in connection with such transfer.

In case of individuals and HUF (being a resident), where taxable income as reduced by longterm capital gains arising on sale of units (other than unit of an equity-oriented fund) is upto/ below the basic exemption limit, the long-term capital gains shall be reduced to the extent of the shortfall and only the balance long-term capital gains shall be subjected to the flat rate of income-tax.

## • Minimum Alternate Tax / Alternate Minimum Tax

Where, the income tax payable on the total income as computed under the Act is less than the tax computed at 15% of its book profits, then such book profits shall be deemed to be the total income of the company and the tax payable should be at the rate of 15% (plus applicable surcharge and cess on such book profits.

Where MAT has been paid, credit is available in subsequent financial years for the MAT paid in excess of income-tax payable in a financial year. This credit should be eligible to be carried forward for 15 years and set-off against future income-tax payable to the extent normal income-tax payable exceeds MAT in that financial year. The taxable income on transfer of mutual fund units by a person other than company would be taken into account in computing the Adjusted Total Income and Alternate Minimum Tax, if any, under section 115JC of the Act. Section 115JC is applicable to all persons other than company which has claimed any deduction under Chapter VI-A under the heading "C-Deductions in respect of certain incomes" (other than section 80P), section 10AA and section 35AD.

The provisions of MAT shall not apply to a person who has exercised the alternate option referred to in section 115BAA and 115BAB.

## • <u>Set</u> off of capital losses: All unit holders

Losses under the head capital gains cannot be set off against income under any other head. Furthermore, within the head capital gains, losses arising from the transfer of long-term capital assets cannot be adjusted against gains arising from the transfer of a short-term capital asset. However, losses arising from the transfer of short-term capital assets can be adjusted against gains arising from the transfer of either a long term or a short-term capital asset.

Unabsorbed long term capital losses can be carried forward and set off against the long-term capital gains arising in any of the subsequent eight assessment years. Unabsorbed short term capital losses can be carried forward and set off against the income under the head capital gains in any of the subsequent eight assessment years.

Each unit holder is advised to consult his/ her or its own professional tax advisor before claiming set off of long-term capital loss arising on sale/ repurchase of units of an equity-oriented fund referred to above, against long-term capital gains arising on sale of other assets

## <u>Tax deduction at source on capital gains</u>

## Domestic unit holders

No income-tax is deductible at source from income by way of capital gain under the provisions of the Act and as per circular no. 715 dated August 8, 1995 issued by the CBDT.

## Foreign Porfolio Investors (FPI)

Under section 196D of the Act, no deduction shall be made from any income by way of capital gains, in respect of transfer of units referred to in Section 115AD of the Act.

## • Specified overseas financial organisations

## Long-term capital gain

As per section 196B of the Act, income-tax is deductible on long-term capital gains arising on sale / repurchase of such units purchased in foreign currency, at the rate of 12.5% for both corporate and non- corporate:

## Short-term capital gain

Income-tax is deductible on short-term capital gains arising on sale/ repurchase of such units such units purchased in foreign currency at the rates mentioned in table below.

Particulars	Tax Rate (%)

Corporate	35
Non-Corporate	30

#### • Other non-resident unit holders

#### Long-term capital gains

Part II of the First Schedule to the Finance Act, 2015, provides for deduction of tax at source on long- term capital gain arising on sale/ repurchase of units at the rates of 12.5%.

#### Short-term capital gain

Tax is deductible on short-term capital gains arising on sale/ repurchase of units at the marginal rates, viz. at the rates mentioned in table below.

Particulars	Tax Rate (%)
Corporate	35
Non-Corporate	30

The above tax rates for all the above categories shall be increased by surcharge and education cess, applicable as provided in **Annexure-1a**.

In case of non-resident unit holders who opt for the dematerialised form of the scheme, at the time of maturity of the scheme, where applicable, tax will be deducted at source based on tax status of the investor downloaded from his/ her depository account on the gross consideration payable by the fund, prior to remittance of the amount due to the unit holders. In the case of applicants who opt for account statement form of the scheme, at the time of maturity of the scheme, where applicable, tax will be deducted at source by the fund on the capital gains prior to remittance of the amount due to the unit holders.

In case of non-resident unit holder who is a resident of a country with which India has signed a DTAA (which is in force) the tax should be deducted at source under section 195 of the Act at the rate provided in the Finance Act of the relevant year or the rate provided in the said agreement, whichever is more beneficial to such non-resident unit holder.

For non-residents claiming such tax treaty benefits, it is mandatory to obtain a TRC from the home country tax authority. Further, the non-residents would also be required to furnish additional information in electronically filed Form no. 10F along with the TRC. If the non-resident unit holder produces a nil or lower withholding certificate from the income tax authorities, then tax shall be deducted at such rates mentioned in the certificate during the validity of the certificate.

An amendment has been brought about in the Act through the Finance (No.2) Act, 2009 to provide for applying a penal rate of TDS in case of payments to investors who do not furnish PAN. The penal rate of TDS is 20% or any higher rate of TDS, as may be applicable under section 206AA of the Act. Further, Finance Act, 2016 provides that the above provisions shall not apply to a non-resident (not being a Company), or to a foreign company subject to conditions as may be prescribed.

The CBDT, vide notification dated 24 June 2016 introduced Rule 37BC clarifying that the provisions of higher rate of tax prescribed under Section 206AA of the Act, shall not apply in

respect of payments received by the non-residents (including foreign company) which are in nature of interest, royalty, fees for technical services, payments on transfer of any capital asset and dividend. The benefit of the same shall be available if the non-resident recipient furnishes the following details/ documents to the deductor:

- name, e-mail id, contact number;
- address in the country or specified territory outside India of which the deductee is a resident;
- a certificate of his being resident in any country or specified territory outside India from the Government of that country or specified territory if the law of that country or specified territory provides for issuance of such certificate; and
- Tax identification number of the deductee in the country or specified territory of his residence and in case no such number is available, then a unique number on the basis of which the deductee is identified by the Government of that country or the specified territory of which he claims to be a resident.

Further, as per Rule 114AAA, in the case of a resident person, whose PAN has become inoperative due to PAN Aadhaar not being linked, it shall be deemed that he has not furnished the PAN and section 206AA shall be applicable for not furnishing the PAN with effect from 1 July 2023. A penalty has been introduced for not linking Aadhaar with PAN till 31 March 2022. In case Aadhaar has been linked with PAN post 30 June 2022, the penalty shall be Rs. 1,000.

For benefits available under section 54 of the Act, each Investor/ Unit holder is advised to consult his/ her or its own professional tax advisor.

# Compliance with Foreign Accounts Tax Compliance Act (FATCA') and Common Reporting Standards ('CRS') requirements:

FATCA and CRS requirements may require disclosure regarding your investment in the units of the Scheme.

Investors are further informed that the AMC/ Fund are required to adhere to various requirements inter alia including submission of various information/ details relating to the investors in the schemes of the mutual fund, to authorities/third parties including the U.S Internal Revenue Service ('IRS') or the Indian tax authorities, for the purpose of onward transmission to the U.S. IRS or such other authority as specified under the applicable laws from time to time. The information disclosed may include (but is not limited to) the identity of investors and their direct or indirect beneficiaries, beneficial owners and controlling persons, their residential status/ details. Accordingly, investors are requested to provide all the necessary information/ declarations and to comply with any reasonable request from the AMC/ Fund to allow the AMC/ Fund to comply with such information reporting requirements.

Accordingly, all new investors are mandatorily required to provide FACTA/ CRS declaration effective November 01, 2015. Any application form provided without these details shall be rejected.

Further, for all new accounts opened between September 01, 2015 to October 31, 2015, the Fund shall request that FACTA/ CRS declaration be provided by such investors on or before December 31, 2015, in absence of which the said account shall be treated as reportable account.

The application form for FACTA/ CRS self-declaration is also available on our website https://www.licmf.com

## FATCA Disclosure Foreign Account Tax Compliance Act

Sections 1471 through 1474 of the U.S Internal Revenue Code of 1986 ('FATCA') impose a new reporting regime and, potentially, a 30% withholding tax with respect to certain payments to and by certain non- U.S financial institutions [foreign financial institutions', or 'FFIs' (as defined by FATCA)]. The AMC/Fund will be classified as an FFI.

The United Stated and India have entered into an intergovernmental agreement (the 'IGA') with respect to FATCA. Pursuant to the IGA, the AMC/ Fund expects not to be subject to withholding under FATCA on any payments it receives. Further, the AMC/ Fund expects not to be required to withhold under FATCA from payments it makes. Under the IGA the AMC/ Fund may be required to report certain information in respect of its investors to third parties, including the U.S IRS or the Indian tax authorities, for the purpose of onward transmission to the U.S. IRS. The information disclosed may include (but is not limited to) the identity of investors and their direct or indirect beneficiaries, beneficial owners and controlling persons. An investor will therefore be required to comply with any reasonable request from the AMC/ Fund for such information, to allow the AMC/ Fund to comply with such information reporting requirements. Prospective investors should refer to the SAI/ SID for further information.

TO ENSURE COMPLIANCE WITH IRS CIRCULAR 230 AND SUCH OTHER APPLICABLE LAWS, EACH TAXPAYER IS HEREBY NOTIFIED THAT:

- a) ANY TAX DISCUSSION HEREIN IS NOT INTENDED OR WRITTEN TO BE USED, AND CANNOT BE USED BY THE TAXPAYER FOR THE PURPOSE OF AVOIDING U.S. FEDERAL INCOME TAX PENALTIES OR ANY OTHER AUTHORITY THAT MAY BE IMPOSED ON THE TAXPAYER.
- b) ANY SUCH TAX DISCUSSION WAS WRITTEN TO SUPPORT THE PROMOTION OR MARKETING OF THE TRANSACTIONS OR MATTERS ADDRESSED HEREIN; AND
- c) THE TAXPAYER SHOULD SEEK ADVICE BASED ON THE TAXPAYER'S PARTICULAR CIRCUMSTANCES FROM AN INDEPENDENT TAX ADVISOR.

## Annexure-1a

Type of person	Surcharge (%)
Foreign company (income not exceeding Rs. 1 crore in a year)	NIL
Foreign company (income exceeding Rs. 1 crore, but upto Rs. 10 crores in a year)	2*
Foreign company (income exceeding Rs. 10 crores in a year)	5*
Domestic company (income not exceeding Rs. 1 crore in a year)	NIL
Domestic company (income exceeding Rs. 1 crore, but upto Rs. 10 crores in a year)	7*
Domestic company (income exceeding Rs. 10 crores in a year)	12*
Individuals, HUFs, AOP or BOI, whether incorporated or not, and artificial juridical person with income not exceeding Rs. 50 lakhs	NIL*
Individuals, HUFs, AOP or BOI, whether incorporated or not, artificial juridical person and Non-corporate FPI for income exceeding Rs. 50 lakhs but upto Rs. 1 crore	10*
Individuals, HUFs, AOP or BOI, whether incorporated or not, artificial juridical person and Non-corporate FPI for income exceeding Rs. 1 crore but upto Rs. 2 crore	15*
Individuals, HUFs, AOP or BOI, whether incorporated or not, artificial juridical person and Non-corporate FPI for income exceeding Rs. 2 crore but upto Rs. 5 crores However,	25*
- Enhanced surcharged as introduced in Finance (No. 2) Act, 2019 shall not apply on income under the provisions of section 111A, 112 and 112A of the Act.	
<ul> <li>The enhanced surcharge shall not apply to capital gains arising on sale of any security including derivatives, debentures, bonds, etc. in the hands of FPI.</li> </ul>	
<ul> <li>The enhanced surcharge shall not apply to dividend income.</li> </ul>	
<ul> <li>The enhanced surcharge shall not apply to AOP consisting of only companies as its members.</li> </ul>	
Hence, the maximum rate of surcharge on tax payable on such incomes shall be 15%.	
Individuals, HUFs, AOP or BOI, whether incorporated or not, artificial juridical person and Non-corporate FPI for income exceeding Rs. 5 crores However,	37*
- The enhanced surcharge shall not apply in case the assessee opts to pay tax as the new regime under section 115BAC of the Act.	
- Enhanced surcharged as introduced in Finance (No. 2) Act, 2019 shall not apply on income under the provisions of section 111A, 112 and 112A of the Act.	
- The enhanced surcharge shall not apply to dividend income.	
<ul> <li>The enhanced surcharge shall not apply to capital gains arising on sale of any security including derivatives, debentures, bonds, etc. in the hands of FPI.</li> </ul>	
<ul> <li>The enhanced surcharge shall not apply to AOP consisting of only companies as its members.</li> </ul>	
- The enhanced surcharge shall not apply to dividend income received by FPIs. Hence, the maximum rate of surcharge on tax payable on such incomes shall be 15%.	
Co-operative society, local authority and firms (including LLP) for income not exceeding Rs. 1 crore and not opting to be taxed under section 115BAD and section 115BAE	NIL*
Co-operative society for income exceeding Rs. 1 crore but not exceeding Rs. 10 crores	7*
Co-operative society for income exceeding Rs. 10 crores	12*
Local authority and firms (including LLP) for income exceeding Rs. 1 crore	12*
Companies/ co-operative societies opting for alternate regime or engaged in manufacturing activities (section 115BAA, section 115BAB, section 115BAD, section	10*

115BAE)	

\*An additional surcharge, by way of health and education cess, is payable at the rate of 4% on the amount of tax payable plus surcharge, if any, as calculated above.

However, in case of non-resident investor (including FPI) who is a resident of a country with which India has signed a DTAA (which is in force), income tax is payable at the rate provided in the Act or the rate provided in the said agreement, whichever is more beneficial to such non-resident investor.

For non-residents claiming such tax treaty benefits, it is mandatory to obtain a TRC from the home country tax authority. Further, the non-residents would also be required to furnish additional information in electronically filed Form no. 10F along with the TRC. The investors should obtain specific advice from their tax advisors regarding the availability of the tax treaty benefits.
